**THE VOLUNTARY WAY**

This is National Citizen's Scholarship Week, April 5 through 9th.

All across America communities are working to see that their young scholars have the dollars they need for higher education.

"To frequently our national leaders refer to state-mans indicating that a government should do all things that the individual can not do as effectively for himself. These leaders completely overlook the fact that the principal means of accomplishing things in America is through this tool of voluntary cooperation, through free individuals' organs to do things that are too large and difficult for the individual to do. After all, the voluntary basis is more flexible. It adapts itself easier, it's quicker, it's more effective. It can be focused on the point of problem. It can create a power and an influence that can't quite be created through the more ponderous process of government service."

These were the comments of Gen. Romney, Governor of Michigan in MAP Monitor. Here in Manchester there is a local chapter of Citizens Scholarship Foundation. If everyone will give just one dollar there will be plenty of money for scholarships for all our deserving high school graduates, according to Mrs. W. Purfield, chairman for the local Dollars for Scholars Chapter. She asks that funds be sent to "Dollars For Scholars" Box 219 Manchester, Michigan.

**ANNUAL ATHLETIC BANQUET TO BE HELD ON MONDAY APRIL 25**

The Annual Manchester Athletic Banquet, co-sponsored by the Optimist Club and the Athletic Boosters Club, will be held on Monday, April 25, the varsity letter winners and school personnel associated with the athletic department as guests of the club. The planning committee from both clubs consists of Clarence Fielder, Willard Mann, Rollie Grossman, Jack Raffalli, and Chester Koceski.

The Varsity Choir, under the direction of Roger Marrison, will furnish the entertainment.

The coaches will be called to give a resumé of the season and introduce their squads.

Mr. Ed Kirk will be master of ceremonies.

Reservations can be made or tickets can be purchased from Clarence Fielder, Willard Mann, and Chester Koceski, through Thursday, April 21. Tickets will not be sold at the gate.

BILL DOOLITTLE

The main speaker for the evening will be Bill Doolittle, the head football coach at Western Michigan University. Bill Doolittle was named head football coach at Western Michigan University in January of 1964 by President James W. Miller. He developed a three-peat system that year which netted a 3-6 record with two of the victories coming over Mid-American Conference foes Kent-State and Ohio University. His record was 6-2 and 1 in 1965.

He came to Western Michigan from the United States Military Academy where he had been an assistant coach under Paul Dietzel, a former high school teammate.

Doolittle is a native of Mansfield, O. He was captain and quarterback on the Mansfield High team and earned all-state honors in his senior year of 1941; Dietzel (Army's coach) was starting center on this same high school team.

**CANCER TO BENEFIT FROM PUBLIC CARD PARTY**

Some twenty-five registered nurses in the area met at the home of Mrs. Willard Mann last Friday morning to make plans for a public card party planned for April 22 to which the general public is invited to attend "Cards For Cancer". Tickets are available from any of the committee members.

**SCHOOL OPERATING BUDGET FOR 1966-67**

The Manchester Board of Education at its regular monthly meeting Monday night discussed the first draft of the 1966-67 school budget. The tentative budget as presented Monday night shows an increase of some \$55,000.00 over last year's budget. Improvement in the teachers' salary schedule, a growing school district and rising operational costs were cited as significant factors in the increased budget. A breakdown of the above designated amount indicates increases in the following areas:

Certificated Personnel Salary Improvements (Basic Schedule and extra curricular duties)	\$30,000.00
Possible need for additional teachers (2)	10,200.00
Instructional materials and supplies	4,500.00
Non-Certificated Employees salary increases	3,000.00
Summer School and Adult Education Programs	1,000.00
Increased costs: Legal, Audit & Insurance	3,000.00
Operation & Maintenance of Plant	3,000.00
Transportation	1,000.00
<b>Total</b>	<b>\$55,700.00</b>

While the largest single increase in the improvement of the teachers' salary schedule, it was noted that the Manchester salary schedule will still be behind the average minimum salary schedule paid in neighboring districts. Improvements in both the elementary and secondary programs were discussed and a report to the general public relative to these proposed changes will be forthcoming at a later date. In the discussion of the proposed budget Mr. Luther C. Klager, Board President, indicated that all school districts in the State of Michigan are experiencing the same problems and that Manchester must move ahead with the rest of the districts. Mr. Klager said, "We are not an island. There are certain things we must do if we want our boys and girls to be competitive in a highly competitive world." Mr. Klager added, "We might not like these increasing costs, but if we don't face up to them in the area of education our young people will be the ones to suffer."

Considering the revenues needed to meet the 1966-67 budget, the Board of Education indicated that a minimum of five (5) extra operational mills are necessary in order to achieve a sound financial program. The school district has for several years levied this much millage as extra operational millage. Last year this amount was cut to three mills. However, in the light of the proposed expenditures for next year and in an effort to keep the district financially and educationally competitive, the Board of Education will propose to the patrons of the district a five mill operational levy at the annual June election. At this particular time it is not known what kind of increase, if any, will be forthcoming from the State in the form of State Aid. But regardless of any improvement from this source, the school district will still need at least two additional mills over what was received last year in order to meet the new obligations that are evident at this time.

The Board of Education is planning to hold a meeting for the general public in the very near future. The proposed budget and school needs will be discussed and explained in order that the patrons of the district will be adequately informed. The time and place of this meeting will be announced at a later date.

In other business the Board of Education granted pay raises to all non-certificated personnel. These raises, for the most part, reflected the annual cost of living increase granted to employees. Superintendent Swartz reported that a new language laboratory partially purchased with NDEA funds was being installed in the high school this week. This language laboratory is a portable one and will be installed in the present high school building until the new building is ready to accommodate it.

**MANCHESTER SCHOOL DISTRICT TO RECEIVE \$20,258.90**

The Manchester School District will receive \$20,258.90 in Federal Funds under the provisions of the Elementary-Secondary Education Act of 1965, P. L. 89-10, Title I. These funds will be used this spring and summer to provide programs to improve the reading skills and basic language arts proficiencies of children in grades 1 through 12. The children who will be enrolled in this program are children with reading and language arts deficiencies and are one year or more behind in these areas in their grade placement level. A survey done several months ago in the local system pointed out that about one hundred students were in need of this kind of corrective program, and on the basis of this need the funds were made available. Immediate steps will be taken to get all of these students enrolled in the program. Local staff members who have indicated an interest in working with these children will administer and staff the program.

Superintendent Swartz reported to the Board of Education that the State Department of Education had approved the district's application for bond qualification. Pending the approval by the Municipal Finance Commission of the sale of these bonds, the school district is in a position to go ahead with the building program approved by the voters in the December 16 bonding election. A tentative schedule as outlined to the Board of Education at its Monday night meeting indicated that drawings and specifications would be available to contractors the middle of May and the district could expect to receive bids around June 15, 1966.

EMANUEL CHURCH Coming Events

The Elmhurst College Choir of Elmhurst, Illinois will present a concert in Emanuel United Church of Christ, Manchester on May 1st. This is one of more than thirty appearances by the Elmhurst College Choir during the current season. During its trips in 1965-1966 concerts have been scheduled in Illinois, Indiana, Ohio, Pennsylvania, Rhode Island, New York, Massachusetts and Michigan.

The 40-voice group is made up of undergraduates at Elmhurst College, a Liberal Arts institution affiliated with the United Church of Christ.

The Choir from Elmhurst is known for its many appearances in the eastern United States where it has given concerts from the eastern seaboard and through the middle west to Denver and south Texas.

A concert program of sacred music ranging from Nield in the seventeenth century through Bloch and Heinz Werner Zimmermann has been prepared by the Elmhurst Choir and its director, T.H. Krueger. The Chapel Bell Ringers will also be featured on the concert given by the choir this year.

Shirley Samonek is in her third year as a member of the choir. Tom Uphaus joined the organization last year. Mrs. Walter Samonek is serving as chaperone and "choir mother" on this tour.

The Dorcas-Naomi meeting will be postponed to April 28th.

TB TESTING SET FOR APRIL 20

The annual tuberculin testing program sponsored by the Washtenaw County Health Department in cooperation with the Washtenaw County Tuberculosis Association, the Washtenaw County Medical Society, and Southeastern Michigan Tuberculosis Detection Project is slated April 18-29 for the 9th grade students and the adult school personnel of all public and parochial schools.

Testing will be done on April 20th starting at 1:00 p.m. at Manchester High School and reading will be done April 22 in the early afternoon.

The tuberculin test is a simple skin test on the left forearm which shows if a person has ever had contact with tuberculosis. A positive skin test does not mean that a person has active tuberculosis. It does mean that further studies are needed. The results of the skin tests will be read two to three days after the tests. Arrangements for further examination of individuals with positive tests will be made by the Health Department.

Last year, 1,346 ninth grade children (only 66 percent of the Washtenaw County 9th graders) were given skin tests. The total number of adult school personnel tested in last year's program was 428. It is hoped that the percentage of participation by both of these groups will be considerably higher this year.

Parents are requested to sign the request slip if they wish their child to participate in the tuberculin program. There will be no charge for this service.

State Hospitals Seeking Workers

A recruitment campaign was inaugurated today in Southeastern Michigan by the Department of Mental Health and area news media.

The goal is to obtain nonprofessional people to fill vacant positions at the seven state hospitals for the mentally ill and mentally retarded in the seven-county area.

Openings are now available for male institution workers, cooks and janitors; male and female attendant nurses; typists and stenographers. There are no specific education or experience requirements for any of the positions listed except for typists and stenographers who must be high school graduates.

Applicants are to be at least 18 years of age and able to pass basic Civil Service examinations. The new salary range, effective July 1, for institutions workers is \$4,343 to \$4,573; typist-stenographers \$4,491 to \$5,311; cooks \$4,531 to \$5,282; janitors \$4,761 to \$5,345; and attendant nurses \$5,178 to \$5,450.

"Rapidly developing new and more effective services for patients at our state institutions has increased the demand for personnel at all levels of employment," said Robert A. Kimmich, M.D., director of the Mental Health Department.

"The need for additional staff has been recognized by the Governor and the legislators through the appropriation of additional funds," said Dr. Kimmich. "With the cooperation and assistance of Michigan's news media we hope to fill the allotted vacancies and provide our patients with the personal services they require."

Under the Michigan Civil Service employment program fringe benefits are shared by all state employees, including: liberal vacation and sick leave allowances, paid holidays, 40-hour week, retirement plan, and group insurance. Numerous other inducements for long-term employment include longevity bonuses and additional vacation time.

In charge of the recruitment drive is Ivan Estes, Department of Mental Health personnel director, and personnel officers at the state hospitals.

"Salaries and attractive fringe benefits are not the only compensations for our nearly 12,000 em-

ployees," said Mr. Estes. "A major consideration is the satisfaction of knowing their services are contributing to the care and rehabilitation of less fortunate fellow citizens."

Further information and application forms may be obtained by contacting the personnel office at any one of the hospitals either in person or by phone:

- Hawthorn Center, Northville, 349-3000
Howell State Hospital, 546-3270

Northville State Hospital, 349-1800
Plymouth State Home, 453-1500
Pontiac State Hospital, 335-8146

Why buy a low-priced car when you can get a high-priced car for the same money?

Especially when you can get a big Catalina. With a wheelbase a good two inches longer, interior a lot roomier and a 389 cu. in. V-8 out front that gives you at least 50 more standard horsepower. Along with typically Pontiac virtues like the bold, split-grille styling, Wide-Track ride and handling, and a resale value the record books show is consistently up there with the leaders. And, of course, a package of seven standard safety items like padded visors and dash. Come in and look over our Catalina. Drive it. Price it. You'll know what we mean when we say if you're spending about \$3000 for a new car and not getting a Pontiac, something's wrong.

Wide-Track Pontiac Catalina (A big, powerful Pontiac for less than \$3000\*.)

### PROCLAMATION

Whereas, April 18 to April 23 has been designated by the Optimist Club of Manchester as Optimist Bike Safety Week in Manchester and,

Whereas, this annual campaign is being sponsored by the Manchester Optimist Club for the first year; and,

Whereas, Bike Safety Week is designated to make Manchester the safest city for cyclists in (U.S./Canada) by teaching our motorists and bicyclists the rules of the traffic safety code; and,

Whereas, the Optimists are drawing the attention of all motorists to road and traffic hazards used jointly by cyclists; now,

Therefore, I hereby proclaim that April 18 to April 23 be known as the Manchester Optimist Bike Safety Week under the authority given to me by the seal of this city; and,

Therefore, as mayor, I urge all citizens of Manchester to cooperate with the Optimists' effort to make Manchester the safest cycling city in the United States/Canada.

### 4-H in the News

The County Spring Achievement program has been traditional in the Washtenaw 4-H Program; all winter projects were exhibited and evaluated and dress revues were held for knitting and clothing projects.

This year there are major changes.

There will not be a County-wide Spring Achievement. All 4-H projects will be taken to County 4-H Shows, August 1-5 for exhibiting, evaluation and fair premiums. The Spring Achievement was cancelled by the Extension Office and the County 4-H Council as a result of evaluating the duplication of time and expense from having two exhibit shows and the conflicts with the community schedules.

Winter 4-H projects of sewing, knitting and woodworking will still be evaluated at district levels during April; the change is that there is no big county wide exhibit. There will still be Dress Revues; this year four district revues with selections of participants for a county wide revue.

All district evaluations 4-Hers will show their project to teams of leader judges. The member will discuss the project and receive an A, B, or C rating and ribbon.

Woodworking-electrical clubs have scheduled various times for club exhibits and evaluations. On April 11, the Pleasant Woody Kilowatts Club, Mr. Andy Luckhardt, leader, will be evaluated at Pleasant Lake School, 7:30 P.M. The Busy Dozen Club of Ann Arbor, Mr. Ray Tichnor, leader, will hold their evaluations and display on Saturday, April 23 at Pittsfield Township Hall. At the Lima Center Hall on April 30, 1:00 P.M. Parker's Corners 4-H Craftsmen, Mrs. Ray Schaefer, leader, will present their articles for evaluation.

The public may attend the evaluation sessions.

Two districts will be holding their evaluations and Dress Revues on Saturday, April 16, Mrs. Simon Girbach of Ann Arbor, Chairman of Saline-Manchester District announces that 4-Hers in this area will have project evaluations 9:00-1:00 P.M. at Saline High School and the Dress Revue program at 8:00 P.M. at Saline High.

4-Hers from Willis, Milan, and Ypsilanti will be holding their event at Lincoln Consolidated High School. The Dress Revue will be at 8:00 p.m. and the sewing-knitting evaluations will be from 1:00-4:00 P.M. Mrs. Wm. Keleman, Milan is serving as General Chairman.

Chelsea-Dexter school Districts will hold their evaluation and dress revue April 23 at Chelsea High School. The dress revue will be held at 8:00 P.M. in the evening, and evaluations 1:00-4:00 P.M. Mrs. Robert Mast, Dexter is Dress Revue Chairman.

A total of 550 girls are participating in the four district evaluations and revues; each district has approximately 125 participants.

### NOTICE

The Manchester Board of Education will accept sealed bids on two pieces of property known as the Spafard School and the Rowes Corner School located on Austin Road and Pleasant Lake Road respectively. Anyone like a trophy? S & W Women Bowlers took first place in the Town Club League. Team members are pictured with the handsome trophies which they received at the annual Bowling Banquet. They are: (l to r) Olga Walz, Mae Knauss, Denise Dresch, Elaine Steele, Cindy Wurster and Alice Alexander.

Sutton Agency's Bowling Team rolled into first place last Tuesday night by a slim one (1) point lead over Chelsea Lanes. Left to right are: Sponsor, Don Sutton of Sutton Agency; Fritz Wurster, captain; Doc Knauss, Bill Bunney (holding the team's mascot), Bill Merriman, Dick Fink and Hugh Sutton of the Sutton Agency.

### BIKE SAFETY CAMPAIGN CONCLUDES

Bicycle Safety Week concludes Saturday, April 23 on the Tennis Court with inspection by Erwin Huber, chairman of the Manchester area and Paul Boehler the Pleasant Lake chairman.

Statistics show that over 500 children between the ages of five and fourteen years are killed yearly in bike accidents.

The program is set up from two to four o'clock.

### OES ENTERTAINS COUNTY OFFICERS

Eighty-one members and guests were present when the Manchester Chapter 101, OES held a special meeting, Wednesday, April 13 for the purpose of initiation and also entertained the officers of the Washtenaw County Association.

Worthy Matrons and members were present from all seven of the Washtenaw County Chapters and from Pinckney and Napoleon.

Tecumseh was represented by a Star Point and members.

Mr. and Mrs. Walter Samonek took part in the initiation. Their daughter Shirley received the degrees of the Order.

Worthy Matron Gertrude Fielder introduced the Grand Chapter Pickle Club and presented each member with a symbol of their club.

Refreshments were in charge of Mrs. Robert Armentrout with Mrs. Claren Knauss and Mrs. Robert DiFenderfer assisting. The tables were cleverly decorated with antiques in an Easter motif.

Mrs. Louis Vogel of Manchester is on the Project 74 committee.

### Heart Pump Chosen County Product of Year

The Sarns modular heart pump was named the Washtenaw County Product of the Year. This is the pump which helped save the life of five-year-old Judy Fusch of Flint during recent open heart surgery at the University of Mich.

The Sarns company, located in Ann Arbor was founded in 1960

### Project 74 to Sponsor Public Conference

"Children's Services-Planning Today for Tomorrow", a public conference sponsored by Project 74 and the Ann Arbor League of Women Voters, will begin at eight o'clock Wednesday, April 27 in the Michigan Union Ballroom.

Thomas G. Bell, Colorado's Executive Director of the State Department of Public Welfare, will keynote the session by explaining the problems of merging programs offering services to children and families with programs offering financial assistance. Mr. Bell will also describe family welfare and children's services programs now possible locally because of new federal legislation and funding.

Mrs. Helen Bates Van Tyne will tell something of the hopes and plans for Project 74-a two year study being done by a citizens' committee authorized by the County Board of Supervisors, aimed at improving Washtenaw County Services for abandoned, delinquent, abused and neglected children. The gaps and deficiencies in the county services to children, as found in the two year Benner study prepared for Project 74, will be pointed out by 74's Director, Mrs. Robert Vinter.

Among the conference audience will be the staffs of all county public, private and United Fund Assistance agencies, legislators, councilmen, the County Board of Supervisors, the County Welfare Board, and representatives from the Michigan School of Social Work, the Council of Churches and United church-women.

Mrs. Louis Vogel of Manchester is on the Project 74 committee.

### Easter Egg Hunt Prize Winners

A large number of children in the area gathered at Cam Park on Saturday before Easter for the annual Easter Egg Hunt. This is a yearly project which the local Jaycees sponsor as one of their civic projects.

The list of prize winners include: Rebecca Richards, Mike Wurster, Paul Melnhart, Mike Walter, Tim Kocesi, Terry Ahrens, Jean Krest, Doug Smith, Carol Blumenauer, Brenda Rice, Linda Simmons, Frank Brown, Terry Rowe, Herbie Mahoney, Rickie Guenther and Beth Ann Widmayer.

Plans are underway for the officers to hold a summer meeting and the next regular meeting will be held in October.

### Mrs. Kerr Re-elected to Head Federation

Mrs. R. C. Kerr was re-elected to the office of president of the Washtenaw County Federal of Women's Clubs at the annual meeting held at St. Paul's United Church of Christ in Saline on Monday.

Mrs. Kerr, who is a member of the Twentieth Century Club here was presented with a corsage at the meeting which marked the 50th anniversary of the Federation.

The theme of the meeting-- "It was Federated in 1918". Mrs. Roe Bennett of Ypsilanti, chairman of Applied Education introduced the speaker, Timothy Dyer, vice president of the Newmann Society. He is an Ypsilanti city councilman and member of the Youth Commission and is a political science instructor at John Glen High School in Wayne.

Other elected officers include two others from Manchester; Mrs. Stanton Roesch, recording secretary and Mrs. Finn Olsen, corresponding secretary.

Mrs. Walter Bulbick of Milan is the first vice president; Mrs. D. H. Galbraith of Ann Arbor is the second vice president. Mrs. Reuben Finkebeiner of Saline is the treasurer.

The dining room was decorated in a gold and white motif in honor of the Federation's 50th anniversary.

Plans are underway for the officers to hold a summer meeting and the next regular meeting will be held in October.

### CANCER TAG DAY SLATED SATURDAY

Cancer Tag Day will be Saturday, April 23 according to the Manchester Cancer Chairman, Mrs. Willard Mann.

The Jolly Farmerettes under the direction of Mrs. Bernard Kemmer

Mrs. Mann notes that one of the main purposes of the Cancer Crusade during the month of April is to stress the importance of having a regular check up/

It is estimated that one in four people will develop cancer during their lives.

The question is, "Will they get to their doctors in time?"

Every fourth death from cancer is a needless death.

Money is needed to carry on the work in cancer research. Every day scientists are working on volunteers from prisons, state hospitals, rats, mice, etc. More clues are being turned up in research today than can be traced and tested by existing programs.

The total grants given to Michigan from the American Cancer Society last year was \$320,137. Of this amount Wayne State University received \$110,137. They just announced the report of important findings in a vaccination for cancer, Mrs. Mann reported.

The American Cancer Society is financed by gifts of people in communities such as Manchester. It is the only national voluntary agency fighting cancer through research, education and service to the cancer patient.

An important thing to remember is that 91 cents of every dollar which people give goes to research, education and service.

### Enrollment for College Starts Monday

The Washtenaw Community College will begin Monday to accept enrollments for its opening term next fall.

All high school seniors in the county will have applications available from their high school counselors.

College President David H. Ponitz has sent letters to superintendents, principals and counselors in all county schools and believes that the best estimates indicate that the college will have a cull enrollment of 1,000 students.

Of that number it is believed that 600 students are expected to enroll in a general study program (college parallel or transfer) and 400 are expected to sign up for technological, industrial and semi-professional curricula, Ponitz said.

A brochure answering general questions about the new college and a college catalogue will be furnished to the counselors as soon as they are printed.

Eight areas will be offered the first term. These will include automotive, maintenance management technology, engineering technology, drafting and design technology, personnel and hospitality services, business and management, general education and college transfer.

Classes will be held in several places in the county until the new campus is completed.

The largest complex is expected to be in the Ypsilanti area and health sciences, electronics and medical technology programs will be located in Ann Arbor.

Twenty teachers in the vocational area and 25 in general studies including English mathematics, science, social science and foreign languages. Four or five full-time counselors will work with students, the president said.

One of the big events slated to raise money for fighting cancer was the Card Party set for Friday night.
