Gee dad I thought 275 would last longer than 1 game, this could have been the thinking that went through Bill Brady's mind, when Ralph Wurster rolled 277 in the 1st. game last Tuesday night at Chelsea Lanes.

Week before Bill Brady bowled 275 the last game, which was high game for league and the Chelsea Lanes, but alas came Ralph Wurster to up-set Ed Greenleaf's bulletin board OK Ed get the ladder out again and change that high score.

Ralph is no stranger to high games, but this was all time high game in his long playing career in the game of 10 pins. Ralph carried 182 average last year and this does not come to much of a surprise or does it Ralph?

Ralph Wurster also set high ind. 3 games with 277-186-216 (679), for both the Manchester Business Men's & Chelsea Lanes.

**FREEMAN TO MEET FARMERS**

Congressman Weston E. Vivian is announcing that U. S. Secretary of Agriculture Orville L. Freeman has accepted his invitation to meet with farmers in the 2nd Congressional District to discuss national farm policies and programs.

Secretary Freeman will visit the District Wednesday morning, October 26. He will speak on farm subjects and will answer questions from 9:00 to 11:00 a. m. at the Youth Activities Building on the Washtenaw Farm Council Grounds on Ann Arbor Saline Rd., Saline.

In announcing the visit, Vivian said, "In view of numerous requests for information and expressions of interest and concern which I have received from members of the agricultural community, I am particularly pleased that area farmers will have this opportunity to discuss farm programs and problems with Secretary Freeman."

The event will be open to the public, free of charge. All interested persons are invited to attend. Refreshments will be available from the 4-H Service Club of Washtenaw County.

**Halloween Party Jaycee Project**

Hobgoblins and witches of all sorts will be taking part in the annual Halloween parade set for 8:45 p. m. Monday, October 31 on the Athletic Field. This annual event will include pre-schoolers, kindergartners through the sixth grade in all of the Manchester school system. This takes in children of the Pleasant Lake area.

The Jaycees, as in previous years, will serve sweet cider and lemonade on the tennis court following the judging. This is the seventh consecutive year that the Halloween party has been sponsored by the Jaycees.

Prizes will be awarded to the best costume for both boys and girls for pre-schoolers, kindergartners through fourth grade for each grade section and fifth and sixth grade by group.

Judging will be done by the room mothers of each grade.

Maynard Blossom is the general chairman of the party. All prizes will be donated by the Jaycees.

**ACCIDENT VICTIM MRS. ERNEST ROBINSON**

Mrs. Ernest (Azella) Robinson, 75 years, of 307 South Evans St., Tecumseh expired Wednesday at Bixby Hospital, Adrian where she was admitted Saturday due to injuries resulting from an auto accident near Birdsall.

She was born July 27, 1891 in Tecumseh and lived in this area most of her life.

She married Ernest Robinson on December 31, 1913 in Detroit. He survives.

She was a member of the First Methodist Church of Tecumseh for 59 years, the Women's Society of Christian Service, Mabel Lawrence Circle of the Church, member of the Reliable Class of the church and chairman of the Sunshine Committee.

Besides her husband she is survived by one daughter, Mrs. Leo (Effie) Stoll of Bloomington, Ind., and two sisters, Mrs. William (Florine) Smith and Mrs. Ed (Geneva) Harper, both of Tecumseh and one grandson, Jeffery Stoll.

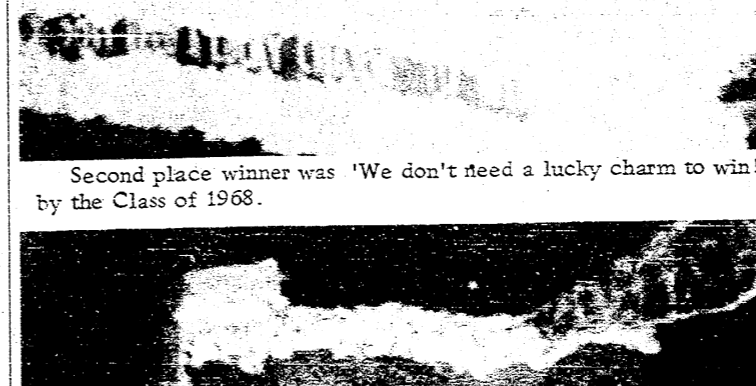

Pam Stevens, a senior, was crowned Homecoming Queen at the Half by co-captains (l to r) Pat Wallace and Dick Fielder. She was presented with red roses and gold mums. The new queen had been selected earlier by vote of the student body. The Flying Dutchmen lost Friday's game to Ypsilanti Roosevelt by a score of 24 to 13.

In first place at the Homecoming game last Friday was the float of the Class of '67 with a huge tiger atop a white float.

Second place winner was "We don't need a lucky charm to win!" by the Class of 1968.

"Breakfast of Champs" came in third place and was the creation of the Class of 1969.

**DRIVE HITS 17% COUNCIL APPROVES SOOTEN SEWER**

Manchester Village Council has approved the construction of a sewer along Sooten Road, pending the signing of contracts with property owners involved.

Low bidder for the contract is the Selder's Excavating Co. of Tecumseh. The low bid is for \$6,862.50.

Work will begin just as soon as a special committee from council: Herb Mahony, John Althouse and Al Gaige have contracts signed by the property owners relative to payment.

S & W Builders have agreed to pick up the tab for \$2,200 of the total amount. A couple of property owners in the area, anxious to get the sewer in before cold weather sets in, have said they would pick up the gap in the amount which still would not be covered in the proposed spread of the sewer cost.

Just as soon as the signing of the contracts are completed council has agreed to allow S & W Builders to go ahead on their proposed remodeling program for the "Bauer House" into a two-family apartment house. At the same time council will give the go ahead to S & W Builders relative to the company putting up a four-apartment unit on their Sooten property.

**TO TOUR MANCHESTER**

Marvin Esch, the republican congressional candidate for this district will be in Manchester at 9:30 a. m. Friday morning for a coffee hour at the S. G. Roesch residence.

This will be followed by a Main Street tour which will conclude by greeting friends at the Double A parking lot at 11:30

Participation honors for 1966 United Community Fund and Red Cross Drive go to Tom Marshall Ford Garage and Manchester Stamping for 100 per cent donations to the annual campaign for funds according to Luther Klager and Robert Swartz, co-chairmen of the campaign.

Luther Klager reported a total of 17 per cent collected or pledged to the Fund in the first seven days.

Since industry for the most part is beginning it's concentrated activity this week, the slow start is not too discouraging, Mr. Klager says.

Giving on a Fair Share Basis is the goal for this year's drive. This has been the basis for giving in industry for sometime, while individual giving has often been without regard for income or the fact that a gift to the United

Campaign is a gift to 54 agencies. Eight of these are definitely local while eight others are on a county basis with local assistance built-in. The Red Cross for instance has received and processed 150 pints of blood from and for the area in the last year.

Of this 80 pints have been used by local residents with a saving of \$25 a pint to the individual. They have also assisted dozens of families with men in armed services or overseas, donated bedding and emergency clothing to two extreme burn-out cases.

The Salvation Army has served five local people with temporary housing, hospitalized and cared for eight maternity cases and assisted with furniture for burn-outs as well as organized the Christmas Bureau for Family Service. The 38 agencies in the United Fund do not seem to have as close an appeal, but each one has been of assistance to someone in the area, with the USO taking a big place in the hearts of the service men.

Watch the thermometer in the Union Savings Bank window! It is hoped the area will be completely solicited by the 29th of October.

If you are not contacted or will be out of town much of the next two weeks contact Mrs. James Baker if you are solicited by the House-to-House Division or Robert Swartz if you are in the Business Division.

**To Hold Open House**

The Wilson Metal Shop is moving its store location to 154 E. Main Street, Manchester and is planning open house from noon to 6 p. m. Friday, October 21.

The new operation will be in the former Walsh Restaurant on north side of the street next to the Main street bridge.

For the past twenty years Harry S. Wilson had his shop on property at Iron Creek near his home but is moving to Main Street address to make it easier for customers to reach him. His wife, Betty, will have charge of the store operation where heating and plumbing supplies will be displayed.

The Wilsons recently purchased the Walsh property for their town store.

Wilson has been in the sheet metal business ever since he was discharged from service with the Marine Corps, where he served for four years.

He and his wife have four children: one son, Norman of Onsted and three daughters, Mary, who is employed at Dearborn Steele Tubing and Sams a tenth grader and Alice a sixth grader at the Clinton Schools.

The couple moved to Iron Creek in 1945.

Wilson says that most of the sheet metal work will be done at the two-story warehouse and shop at Iron Creek. His wife, Betty, will have charge of the town store week days but Mr. Wilson plans to be in the shop on Wednesday evenings and Saturdays.

He says that the same phone number that is listed in the phone book will also reach the town store. The firm employs three persons, Carl Miller of Tecumseh, Harry Miles of Napoleon (foreman), and Walter Gillen of Brooklynn.

WED IN DOUBLE RING CEREMONY

In a double ring ceremony on Saturday, October 22 Miss Mary Jeanette Smith became the bride of Francis Ormond Cousino. The Rev. Fr. Raymond R. Schlinkert officiated before an altar decorated with bouquets of white glads.

Parents of the couple are Mr. and Mrs. Henry R. Smith of 9775 Clinton-Manchester Road and Mr. and Mrs. Raymond Cousino of 9901 Clinton-Manchester Road, Manchester.

The bride's floor length gown was of white sheer with a fitted bodice and a scalloped neckline. Her long sleeves ended in points at the wrists.

A rose of matching material held her elbow length nylon net veil and she carried an arrangement of white carnations centered with an orchid.

John Cousino of Manchester, sister of the bridegroom was the maid of honor. Bridesmaids were Tanya Hanewald and Misha Underwood, both of Manchester.

The honor attendant wore olive green over yellow and the bridesmaids gowns were gold sheer over yellow. All wore floor-length and styled alike. They all carried colonial arrangements of white carnations and yellow roses.

Raymond Cousino served his brother as best man and guests were seated by Jim McAnally of Adrian and Jack Gainsly of Deerfield.

Mrs. Harold Bersuder was the soloist and was accompanied by Mrs. George Swank at the organ. A reception was held at the Knights of Columbus Hall at 7:30 p.m. Saturday.

After a short trip through the south the couple will live at 9700 Clinton-Manchester Road, Manchester.

The bride is a graduate of Manchester High School and is employed at the National Bank and Trust Co. of Ann Arbor. Her husband graduated from Blissfield High School and is employed in Clinton.

Manchester Voters . . . here's the record:

Congressman Wes Vivian

No. 5 Farmers' Tax Relief:

Congressman Wes Vivian worked for and voted for H.R.10, in the U.S. House of Representatives this year. This bill provides farmers with additional income tax credits toward their retirement funds, as self-employed businessmen. (This was the only bill endorsed by the American Farm Bureau Federation during 1965-66.)

His opponent was ABSENT when the Michigan House of Representatives passed a law removing the \$1,000 limit on personal property tax exemption, and allowing, instead, an exemption on all property actually being used for agricultural operation.

No. 6 Day Care Centers:

Congressman Wes Vivian supported and voted for legislation, in the U.S. House of Representatives, which provides Federal assistance to day care centers being used to teach preschool children from poor families.

His opponent was ABSENT when the Michigan House voted to provide State assistance for day care centers, to assist working mothers.

(He was absent on over 40% of all roll call votes.)

The Fun of Summer and Fishing

LIVING ON THE BANK OF THE RAISIN made fishing a real snap for Chuck, son of Mr. and Mrs. Elwin benedict. Sometimes it wasn't easy to 'shake' their helpers brother Russell Hough and sister Theresa benedict. And they'd join in the fun.

WOULD BE ANGLERS John and Brenda Benedict and Rusty Hough wanted to 'tag along' but our fishermen had no time for them. You can't expect much of a catch while kids throw stones in the river. But they tried anyway!

GEE, FELLAS! you sure have good luck! They bury most of the fish—carp that is. Makes excellent fertilizer for shrubs and flowers.

In Service Postmaster Speeds Mail

PLAN CARD PARTY Manchester MOMS Club will hold a card party on Thursday, October 27 at the Sharon Township hall. Everyone is invited.

L/CPL Gordon L. Moore, who is stationed at Tyn Phouc, Viet Nam, sent his aunt, Miss Evelyn Walkowe, 9810 Sharon Hollow Rd. a dozen red carnations for her birthday last Friday.

Gordon was at Chu Lai, but was moved up north the first part of October.

On Friday, Mr. and Mrs. Lyle L. Moore received a bouquet of three Flame Gingers, six sweetheart anthuriums, five woodroses, two Miss Joaquin Vanda Orchids, and six leaves from the Ti Palm.

The Moores received their flowers fresh, only because of the thoughtfulness of Postmaster, Marvin Kirk. The flowers arrived in Manchester at 5 p.m. and Marvin Kirk took them home with him and called Moores to come and get them. Otherwise they would have been another 20 hours without water.

The flowers were ordered from Viet Nam and flown air mail from Rusty's at Wahiaawa, Hawaii.

Constable Association to Meet

Wayne Buddemeier, Administrative Director of the Michigan Constables Association will be the guest speaker at a special Washtenaw County Division meeting at 7:30 p.m. Thursday, October 27 at Holiday Inn, 3750 E. Washtenaw Avenue at US-23.

Lyle Moore, Manchester Township constable is urging all constables to attend this meeting and to bring members from local government with them. Refreshments will be served.

Mr. Buddemeier will also be the guest speaker at the Kiwanis luncheon in Ann Arbor in the Parker Room of the YMCA on November 7. At that time he will be introduced by Constable Moore.

ENTERTAINS FARM BUREAU Mr. and Mrs. John Buss entertained the Modern Farmers Farm Bureau Saturday evening. The following officers have been elected for a two-year term. They are: Chairman, Joseph Holzhofer; vice chairman, Jesse Walker; secretary, Mrs. Willis Hasset; Discussion leader, Mrs. Jesse Walker; minute-man, Joe Kastl; package reporter, Ray Trol; women's committee, Mrs. Harold Keasel and Mrs. Ben Maurer; and reporter, Mrs. John Buss.

In place of the discussion Clayton Parr gave a report on the issues coming up at the fall election.

The next meeting will be at the home of Mr. and Mrs. Harold Keasel on Saturday, Nov. 19th.

Obituary Mrs. Vera Prescott, age 73 years died Saturday at her home. She lived at 14442 Tracy Road, Manchester township. Mrs. Prescott was born Feb. 8, 1893 in Manchester Township, the daughter of Frank and Ida Cushman Stautz.

She was married to William Prescott on June 21, 1930.

She was a member of the Manchester Methodist Church, the Women's Society of Christian Service of the church, The King's Daughters and the Order of Eastern Star.

Besides her husband she is survived by one son, James of San Diego, California and two grandchildren; a niece and two nephews. Funeral services were held Tuesday at 1:30 p.m. at the Methodist Church with the Rev. Oscar W. Cooper officiating. Burial was made in Norvell Cemetery. Arrangements were made by the Jenter Funeral Home.

ST. MARY'S ALTAR SOCIETY

At the regular meeting of St. Mary's Altar Society held last Thursday plans were made for a Chicken 'n Biscuit luncheon to be held Tuesday, October 25 at 11:30 a.m. to 1 p.m. Mrs. Al Simmons is the chairman of the luncheon.

The committee for the November meeting will be Mrs. Paul Wilde, Mrs. George Swank, Mrs. Ted Tapping and Mrs. Lehman Wahl.

The annual Christmas bazaar will be held on one day this year—Wednesday, November 16 at McGuire's store. Mrs. Lehman Wahl and Mrs. Joseph Kastl will be in charge.

**GRASS LAKE OFFERS CALL-PAK SERVICE**

The Michigan Public Service Commission has revealed that Grass Lake Telephone Company now offers a new service called CALL-PAK which will permit its 1,100 customers to call up to 20 rates miles for a total of 60 minutes each month for a one-time flat rate charge.

The company serves Grass Lake township and parts of Waterloo, Leoni and Napoleon townships in

Jackson County and part of Sharon Township in Washtenaw.

CALL-PAK IS AN OPTIONAL service which can be combined with any residential class of service.

"This amounts to an optional discount toll service," Peter B. Spivak, Commission Chairman said. "Beyond the 60 minute package limitation customers will pay 3.5 cents per minute.

"Our studies indicate the average residence service customer in Michigan now spends \$3.20 per month on toll charges for calls within 20 miles. Comparable service on the flat rate package will cost users \$2.40 per month, provided they stay within the monthly 60 minute limitation," he said.

The CALL-PAK WILL apply between noon and 7 a.m.

**FARMERETTES ELECT OFFICERS**

The Jolly Farmerettes 4-H Club held the October organizational meeting at the Sharon townhall on Monday, October 10.

New officers are: president, Mary Uphaus; vice president, Vicki Eisele; secretary, Virginia Vogel; treasurer, Kathy Hassett; Song leader, Kathy Feldkamp; Recreation leader, Beverly Feldkamp; Reporter, Valerie Vogel.

The following junior officers are: president, Margaret Kemmer; vice secretary, Susan Jacob; treasurer, Jean Feldkamp; song leader, Sue Ellyn Vogel; recreation leader, Lois Kemmer and reporter, Nancy Simmons.

Meetings will be held the second Monday of each month and the group enrolled for the new 4-H project for the year.

**Fall Colors at HCMA Parks**

As the brilliant fall colors dot the Michigan countryside, this is a good time to include a visit to Huron-Clinton Metropolitan Authority parks throughout the counties of Washtenaw, Wayne, Livingston, Oakland and Macomb.

Although the Authority does not provide conducted color tours, persons may drive through the parks and observe the changing foliage. Highlights of the fall color at Authority parks includes:

Metropolitan Beach along Lake St. Clair near Mt. Clemens provides fall color along the Metropolitan Beach Parkway. Facilities include a nature trail in an open marsh, boat launching, golf, shuffleboard and food service. For information call Howard 3-4581.

The winding park roads at Stony Creek Metropolitan Park north of Utica covers 3,500 acres of hilly, rolling countryside which abounds in fall colors. Native white pine trees offer the green foliage of evergreens as a contrast to the vivid colors of the deciduous trees. The park's picnic area and boating facilities remain open during October.

One of the most colorful spots in the park is the Nature Study Area, which has a separate along Inwood Road. Seasonal exhibits are on display at the Nature Center from 10 a.m. to 5 p.m. weekdays. Fall color is best along the Landscape. All trails are labelled and persons are invited to take hikes. The nature center and nature trails are closed on Monday.

Sumac, maple and sassafras provide early fall colors. These are followed by the aspens, oaks, tamaracs and beech trees which bring new hues to the hilly terrain. There are several miles of roads in the 4,300 acre park. The Canada Geese that gather near the Nature Center are a wonderful attraction.

Color is especially brilliant at the Huron-Clinton Metropolitan Authority parks in Washtenaw County.

Flowering dogwood, scarlet oak and hickory are the trees with the most color at the Hudson Mills Metropolitan Park, located along the Huron River about 12 miles northwest of Ann Arbor. Fall wildflowers can be found along the nature trail where plant life is labelled for easy identification. The park entrance is along North Territorial Road near the junction of Dexter-Pinckney Road.

There is beautiful color along Huron River Drive northwest of Ann Arbor. Along this route are Delhi Metropolitan Park and Dexter-Huron Metropolitan Park.

Another colorful area is the Lower Huron Metropolitan Park along the Huron River near Belleville which has gorgeous hues in sumac, black maple, redbud and sassafras trees.

The Pinckney All Stars will meet the Hamburg Hellcats Saturday on the Chelsea High School Athletic Field at 7:30 p.m.

The event, to raise funds for the Chelsea High School Band Boosters is being sponsored by the American Legion Post No. 31, according to Eugene Martin of the Legion Post.

**Bonding Issues on Nov. 8th Ballot**

Three bonding issues will be on the election ballot on Nov. 8. These will total \$6,705,000.

An addition to the present County Building in order to house two new Circuit Courtrooms and their necessary offices and facilities for a total of \$1,165,000 is included.

Manchester Supervisor, Clayton Parr noted that the Board of Supervisors has held down the tax rate for the county budget in an effort to reflect positive voting in November.

The new budget calls for an appropriation of \$19,755 to rent space outside the County Building for the Juvenile Division of Probate Court. The division is being moved from the county building to make way for the third Circuit Judge who will be elected in November and who will take office on January 1.

Changes made by the Legislature which had to be incorporated in the 1967 budget included creation of two new judgeships, one in the Circuit Court and one in Probate Court. Both of these are paid partly from state and partly from county funds. Other changes include increases in salaries of court clerks and in pay to jury members and court witnesses. All of these are paid entirely by the county.

Usually changes made by the Legislature require that the county spend more money and sometimes the Legislature provides extra funds to help meet the expense.

An example of this is a return to the counties of 50 per cent of

fees charged to probate small estates and also payment by the state of 50 percent of the statutory salary of the probate judges or \$8,000 for each judge. The county pays an additional \$12,000 to each.

Also going to effect in January will be an across-the-board five per cent pay increase for all graded employees. This will include some non-elected department heads and county-paid family hospitalization insurance and \$2,000 worth of life insurance. These are major factors in the budget increase. These items account for more than \$105,474. Some officials will be receiving pay hikes in January of more than 5 per cent.

These raises were based on the need to compete for services of professionals, especially in the health field.

Health and county hospital employees will be added to the county pay roll in January and at that time 45 full-time and one half-time employee will be hired. The total cost of these posts are \$233,784. Matching funds will be available to help pay part of the costs in these two departments.

Some of the newly created positions are: clerk's office, 4 (2 court clerk); register of deeds, 1; prosecuting attorney 2, (1 investigator and one attorney); sheriff, 7 (including bailiff for new court); third circuit court, 3 (judge, secretary, reporter); Friend of the Court, 2; Probate Court, 1 (new judge); health, 7; tax description, 1; and county hospital, 18.5.

Another area of increase is in the child care fund where there will be an added \$71,209. This will bring the total for the department to \$311,118. This covers higher costs of placements in state institutions, private institutions and homes and in operations of the detention home. A new school program which started in September is included in the added appropriation.

Coming up for added funds in January will be the County Library for \$21,018 for a total of \$87,018.

The mental health office which is operating now on \$20,000 under a director who started in August has been appropriated \$3,465 in county funds. The state will match the county funds on a three to one basis.

Less money has been set aside for adult hospitalization and surplus foods by about \$60,000.

The county will operate on the same reserve as it did last year—\$200,000. In fact this is the same figure that has been reserved for the last several years.

There will be \$1,250 available from the reserve earmarked for the cost of uniforms for 25 auxiliary deputies who work directly with the sheriff's department. This cost must be matched by the townships.

Total appropriations by functional areas are as follows: Public safety and law enforcement for 1967 will be \$813,868 compared to \$689,899; judicial, \$789,133 (\$586,471); public health, \$360,

173 (\$301,725) auxiliary and special services, \$577,631 (\$451,371); social welfare and hospitalization \$1,294,318 (\$1,295,987); legislative and administrative services, \$482,468 (\$432,819); educational services (library), \$120,994 (\$87,741); public works, \$277,067 (\$231,395); veterans services, \$34,305 (\$29,567); miscellaneous, \$12,850; capital outlay, \$118,141 (\$98,384); and reserve, \$200,000.

**RECEIVES AWARD**

Shirley Samonek, daughter of Mr. and Mrs. Walter Samonek of 14250 Austin Road, Brooklyn has received this year's scholarship award presented by the Panhellenic of the city of Elmhurst, Illinois.

Each year for the past 33 years Panhellenic has awarded a full year's tuition to a woman student at Elmhurst College, Elmhurst, Illinois.

Panhellenic selects its winner from a list of eligible students submitted by the dean's office of the college. Scholastic record, extra-curricular activities, character, and family background all are considered by the members in determining the recipient.

Shirley is a senior at Elmhurst college majoring in music education and will graduate in January.

**HOSPITALIZED**

Mrs. Craig Price is a patient at St. Joseph Mercy Hospital, Ann Arbor in Room 318. She is the former Margaret Leeson, daughter of Mr. and Mrs. Laurin Leeson of Manchester.

She and her husband were both taken to the hospital in Ann Arbor on Sunday, September 27 after their 1960-model car was demolished in an accident caused by the sun late in the afternoon.

Sheriff's deputies said Price was driving west on Pleasant Lake Road, near Fletcher Road in Freedom Township when he became temporarily blinded by the setting sun.

Price's car veered off the north side of the road as he approached a curve. The vehicle careened 230 feet into a small embankment, came back across the road for another 300 feet and finally stopped after landing in a ditch on east side of the road, deputies reported. Price was released from the hospital after treatment while Mrs. Price was in "fair" condition.

The Washtenaw County Federation of Women's Clubs met in Milan at the Community House for their October 17th meeting.

The Board met at 12:30 p.m. and registration followed. The hostess club served refreshments.

Mrs. R. C. Kerr of Manchester is the County Federation president and had charge of the meeting.

Mrs. Merrill Draper, chairman of the Legislation Department presented Mr. Everett Wolf-in, Sealer of Weights and Measures for Washtenaw County, led the group discussion.

**You don't believe  
a 6 can act anything like an 8?**

**With our new Overhead Cam Six  
you'd better believe it.**

A few short years ago automotive engineers were struggling to coax 165 hp out of a four barrel V-8 using premium gas. Remember? Our single barrel OHC 6 gets 165 hp on regular. And 215 from the premium gas four barrel option.

Most American sixes (and some underprivileged V-8s) don't even come close. Expensive European sports machines do. But they're overhead cams, too. In fact, they inspired us. But we like to think ours is better.

Our OHC 6 is standard on all Tempests and Le Mans. To say nothing of new styling, new interiors, new colors, new options (like that hood-mounted tach) and new standard safety features (like passenger-guard door locks. General Motors' new energy absorbing steering column and a four-way hazard warning flasher).

We've said enough. If a test drive won't convince you, nothing will.

Sutton stated that S & W Builders would be willing to pay \$1972 and \$300 for Sewer and \$300 for Water Hook-ups.

DOLLAR and SENSE FARMING

SILO UNLOADER CAPACITY is too slow to suit many farm and feedlot operators. Problem is felt most by those who must wait at the silo for wagon or truck to fill at a typical rate of 50 pounds per minute.

AVOID STRESS ON DAIRY COWS freshening this fall. Top dairymen think their highest producers first in the morning and last at night.

STORE SOYBEANS even though the large crop estimate of 876 million bushels causes a sharp price drop. Demand will be strong and farmers are expected to be tight holders.

**RAAB FARM IN WASHTENAW ONE OF COUNTY'S OLDEST**

Washtenaw has several centennial farms, but few date back to 1858. But the Oscar Raab home at 11665 Bemis Road, Manchester, boasts of being one of these few. He owns the farm with his brother Rolland of Ypsilanti. The 180-acre farm, part of which borders on Columbia Lake is just 5.5 miles east of Manchester, north of Austin Road. The land was bought by the present owners great-grandfather, Jacob Raab Sr. in 1850. It passed along to his son Jacob Jr and then became the property of the father of the present owners. He was Theodore Raab. The log house was built when Jacob Raab Sr. and his wife moved in. Eight years later they put up the present stone structure which was no problem—gathering the stones was not difficult. Since that time two additions have been made to the rambling eleven room house. A brick addition was added to the rear of the stone house. Oscar Raab believes that might have been the location of the first log house. The farm addition was added in 1888. The Raabs built three cottages down by 70-acre Columbia lake. This is accessible through a private drive. During the war, when housing was at a premium they rented the cottages year around. But that had its drawbacks. In the winter that long road down to the lake had to be kept open for the tenants. At the time it was no real hardship but Oscar says it would be too much of a chore now. One Sunday this past summer over 200 blue gills and bass were taken from the lake. Raab rents out 18 boats from his livery. A good flowing well supplies the cottages with water. The farm is in Bridgewater township. The road is a deividing line for the township with Freedom, where, at one time the Raabs had 32 acres of standing timber. Although Oscar has never cared for farming he has lived there all his life while he worked as a plumber. He rented out the acreage. The brothers have a large garden and presently Oscar has some 400' laying hens. Years ago they remember that their grandmother told about the Indian family that lived across the fields on a nearby farm. But they never found any arrow heads. It would have been a most natural area for Indians for it had much to offer in the way of good fishing and hunting. The Raabs have a stone which the Indians used as a tool to pound the grain and they treasure the oxen yoke which their ancestors used. Treasures of years gone by which they have includes the candle molds used by their great-grandmother, when she, as a committee of one used to be sure that there were lights to see by during the long winter hours. That would be the time that she would be busy at her spinning wheel. The Raabs have the spinning wheel. More than a century of history unfolds at the sprawling farm house. Oscar says he wishes he had made the house into several apartments years ago. Although Mrs. Rolland Raab has been shown the deer crossings it wasn't until last year that she several at a time in a nearby field. But Oscar says it wasn't uncommon a few years ago to see deer feeding with the family's pigs or see them out in the pasture lot. Many times he has sat on the porch and watched the graceful animals scale the fences, a part of the early scenes of this area which are fast becoming things of the past.

**St. Thomas to Dedicate Church Sunday**

St. Thomas Lutheran Church at 10001 W. Ellsworth Road, Freedom Township will dedicate its remodeled House of God on Sunday, October 30 with a special service at 2:30 p.m. The Rev. Herbert Spomer, a former vacancy pastor to St. Thomas, will be the guest speaker. The Dedication service will be followed by a reception in the new church basement. The Rev. John Ribar, pastor of St. Thomas, said that the public is invited. St. Thomas, which is affiliated with the Lutheran Church—Missouri Synod, is one of the oldest Lutheran congregations in Michigan. It was founded about 1840 by Pastor Friedrich Schmid. The remodeled church building being dedicated on Sunday was first dedicated in 1874. The renovation project was begun in the spring of 1965. Mr. Waldemar Haab of Ann Arbor served as the general contractor.

**Village Receives Letter on Water Problem**

Edward Bruder, Acting Regional Director of Community Facilities in Chicago has sent a letter to the Manchester Village relative to Manchester's request for a Federal Water Grant for \$100,000 to aid the community to activate a new water source and build a new filtration plant. "This is to advise you," the letter stated, "that the Standard Form 101, Preliminary Inquiry, to which we assigned our permanent project number WS-4-23-0079 has been referred to the Farmers Home Administration for further processing and our "WS" number has been canceled. "We took this action due to change in the criteria for determining jurisdiction of proposed water and sewer projects within Standard Metropolitan Statistical Areas. Also, we believe that due to its size and location, the Village of Manchester, Michigan, might be better served by the programs administered by the Farmers Home Administration. "For purposes of referral and identification, we have assigned to the Preliminary Inquiry the new temporary number T-4-23-0343. "The Farmers Home Administration will advise you of the disposition of your Standard Form 101, Preliminary Inquiry. "Prior to this Village officials had asked Congressman Weston Vivian to see if he could speed action in working out details for the grant. It was at his request that Manchester Federal Water Grant was transferred to the Farmer's Home Administration, U.S. Department of Agriculture. Congressman Vivian had sent a "Dear Bob" letter to Secretary of Housing and Urban Development requesting that Robert Weaver release the Manchester application to FHA, "because a generation or more may pass" before Manchester receives the help it needs in Weaver's Department. The Farmers Home Administration, which aids rural communities can proceed at this time, to consider the grant, Vivian said.

Manchester United Community Fund and Red Cross Drive reports over this past week end have put the "feather thermometer" at the Union Savings Bank window to 40 per cent with about \$5,000 collected. Since the Industrial Division hasn't quite reached a report stage by Enterprise deadline-time, the Drive is building up for a big announcement by the 29th. The businessmen's division has made about 96 per cent of its collections and the village house-to-house teams have 75 percent in, while in the rural house-to-house campaign only 10 per cent is in. Watch the thermometer and call one of the chairmen, Luther Klager, Robert Swartz or Mrs. James Baker, if your solicitor has not contacted you.

**NEW SCHEDULE AT LIBRARY**

The Manchester Township Library would like to announce a new time schedule beginning Nov. 1st. The new times will be as follows: Monday 1:00 to 9:00 p.m. Tuesday 1:00 to 9:00 p.m. Wednesday 1:00 to 5:00 p.m. Thursday CLOSED Friday 1:00 to 5:00 p.m. Saturday 9:00 a.m. to 12:00 noon

Although the book which the reader would like is not on the files at the library, it is possible to obtain the book through a request to the librarian. She, in turn, can get it through the Washtenaw County Library. This service is available to all card holders. Those visiting the Manchester Township library in the near future will find on display a "Fossils of Michigan" exhibit. This exhibit is brought to the libraries in this area by the Washtenaw Area Library System and the University of Michigan. Recent visitors at the library were a group of 78 fifth and sixth graders by Mrs. Erwin Haeussler Mrs. Dorothy Daniels and Mrs. Deloris Dahl. They also enjoyed the Historical Room and many of them obtained library cards for the first time.
