

Boy Scout Court Of Honor

PROMOTE TWO TO EAGLE RANK

Boy Scouts of Troop 426 held a court of awards last Thursday at the Civic auditorium. Highlight of the evening was the presentation of Eagle Awards to Tim and Tod Armentrout by Clarence Doud Postage Trails Council Executive.

A brief welcome was given by Scoutmaster Robert Armentrout to the 250 friends of scouting.

During the presentation of awards an honor guard was formed by area men who are Eagle Scouts. In this guard were Rev. Fr. Raymond R. Schlinkert, Stanton C. Roesch, Delbert Ludwick, Ronald McNally and the Sutton twins, Harold and Rolland. Harold is a Manchester township resident and his brother now resides in Saline.

Besides the Suttons, the only other scout to receive the Eagle Award in Manchester is Robert Rigg. He received the award in November 1961. Another Eagle Scout was the late Walter Jacob.

Ted Roberts showed movies and slides of the Scout trip last summer to Gettysburg, Pa., Washington, D. C. and Mt. Vernon. Ronald McNally was the narrator.

Ed Kirk representing the Optimist Club gave a brief history of scouting in Manchester. The Optimist Club is the sponsor of Troop 426.

Edgar Nash, committeeman, presented the Charter for the new Troop 436 to Institutional Representative, Claran W. Knauss Sr. who then presented it to Larry England, the new scoutmaster. Troop 436 is sponsored by the Royal Arch Masons, Meridian Chapter 48 of Manchester.

Awards were presented to the following boys:

Tenderfoot Badges - Cory Althouse, Jim Baker, Mike Brady, Mike Brown, Allan Hannewald, Jim Jones, Joe Kryzaniak, John Nash, John Roberts, Mike Rutherford, Edward Steele, Delrus Wolf.

First Class Badges - Danny Roberts. He, in turn, presented his mother with a miniature first class pin.

Star Badge - Robert Chapin, Charles Chapin, Clare Knickerbocker, Patrick Roesch. Each boy pinned their mothers with a miniature star.

Scoutmaster and Mrs. Robert Armentrout and their sons Tod and Tim listen as Ron McNally reads the Eagle Scout Charge at the Boy Scout Court of Honor during the candlelight service last week Thursday. Sixteen year-old Tod is a Junior at Manchester High School and received his God & Country Award. He is active in the Methodist Church, a member of the High School Art Club and member of the High School Band. Active in Scouting he earned the 5-year attendance Bar on Bruin Lake Camp Staff & is a Jr. ass't Scoutmaster.

Tim Armentrout is 17 and a senior at Manchester High. He is a member of the Senior Choir and secretary-treasurer of the Sunday School and a member of the Methodist Youth Fellowship. He is a member of the Varsity Club and Track team. A Den Chief for 3 years he earned 6-year attendance bar on Bruin Lake and has completed 2 courses of Junior leaders' training and has been a senior patrol leader.

Merit Badges - John Kirk received: Personal Fitness, Safety, Home Repairs, Dusty Knauss: Woodworking, Clare Knickerbocker, Ray Meyer and David Schiller: Soil & Water Conservation, Robert Trent: Cooking

Taking part in the Eagle Award presentation with Clarence Doud were chairman Ted Roberts and assistant scoutmaster, Ronald McNally.

Mrs. Armentrout pinned the Eagle Medals on her sons and they in turn pinned Eagle miniatures on their mother. Their grandmother, Mrs. Claran W. Knauss Sr. was pinned by Mr. McNally.

Rev. Fr. Schlinkert of St. Mary's Church in Manchester gave the address which was truly an inspiration to the nearly 100 cub scouts and boy scouts and their friends and parents.

Claran Knauss Sr., Institutional Representative of the Royal Arch Masons, presented the Boy Scout Charter to Scoutmaster Larry England of this community's newest troop - Troop 436.

CEO MEETING SUNDAY TO NAME BOARD

Citizens Committee for Economic Opportunity board members will resign at their annual meeting Monday, Feb. 27 and be replaced by persons to be elected Sunday in neighborhood meetings.

All meetings in the county are to be held at 3 p. m. Sunday, Feb. 19. In Manchester the meeting will be at the Emanuel church basement, in Chelsea at the Senior Citizen's Building and in Dexter at the library.

The new membership plan which CEO chairman, Dr. Albert H. Wheeler described as being "temporary" because he said it has "some defects," was slightly revised from the original proposal.

The CEO is acting on a federal directive to restructure its board by March 1 to include one-third of its membership represented and directly elected by low income persons and membership selected by and representing public officials and social and community agencies.

The new plan reduces the number of persons to be directly elected by the poor in "target areas" from 22 to 19 and increases the representation of community agencies from six to nine.

Under the new plan those elected by the poor would be a simple majority - 19 of the 36 members. Only 12 of the 19 directly elected members would be required to be in the low income bracket.

The others could be persons "demonstrating the prior concern for problems of poverty."

The apportionment of out-county representatives for a total of six, will include one each from Chelsea, Milan and Willow Run and one representative representing the following two communities, Manchester and Saline, Whitaker and Willis and Whitmore Lake and Dexter. Low income persons should be the representatives from the latter four areas, the plan states.

Seven persons instead of nine will be elected in Ann Arbor, four of these to have low income, six instead of seven to be elected in Ypsilanti.

The number of social agencies and community organizations was increased from three to five for Ann Arbor and from two to three for Ypsilanti and the out-county areas will retain one representative.

No change was made in the apportionment of representatives to be named by public officials. These include 2 from the Board of Supervisors and one each from Washtenaw Community College, County Intermediate School District, Ann Arbor City Council, Ypsilanti City Council, University of Michigan and Eastern Michigan.

Wheeler is suggesting that alternates be elected who may sit for any absent member. This has been approved by the CEO but Wheeler says he doesn't expect the national office to approve.

The plan is for the poor to elect low income persons as alternates from Ann Arbor (4), Ypsilanti (2) and from the rural areas two on a rotating basis starting with Chelsea and Willow Run.

People who vote in the Sunday elections must be at least 17 years with income of not more than \$1,500 for single persons with \$500 additional for each dependent and those persons who live in a low income residential area. Persons who vote will be asked to sign their names and addresses on a register to provide election records.

CITIES, COUNTIES SHARE \$34.3 MILLION FROM HIGHWAY FUND

The State Highway Commission has announced that it has started distribution of the fourth quarter Motor Vehicle Highway Fund collections to Michigan counties, cities, and villages.

State Highway Director Howard Hill said net receipts of the Highway fund during October November and December of 1966 amounted to \$64,716,393, an increase of \$2,592,054 compared to the same period of 1965.

Washtenaw County's share was \$407,435 while Manchester receives \$4,780; Chelsea, \$7,657; Saline, \$5,458 and Dexter \$4,345.

BREAKTHROUGH FOR YOUTH

BOY SCOUT WEEK

Norman Rockwell's painting, "Growth of a Leader," symbolizes the 56th anniversary of the Boy Scouts of America. Over five million members will celebrate with the theme "Breakthrough for Youth."

THE MANCHESTER ENTERPRISE

99th YEAR No. 22 Independent in all things. Devoted to County and Home News. FEBRUARY 23, 1967 10 Cents

KODA'S KORNER

As a rule council usually gives unanimous approval to such issues as paying bills, granting permits, etc., all of which usually gets an affirmative vote. So we were a little startled when Herb Mahony gave a 'nay' vote on the amendment to the Parking Ordinance. Councilman Mahony stated his reasons very clearly. It was not that he was not in favor of such an amendment, but it seems the wording just wasn't right.

He related an incident that happened in Waterbury, Conn. It seems Waterbury, predominantly Democratic, voted in Republican officials to run the city. While in office the officials made one error, they voted in an ordinance prohibiting Off-Street parking. They were defeated in the next election by the Democrats who used this ordinance as the main issue of their campaign. They promised that if elected they would nullify the No-Parking Ordinance. It took another 12 years before the Republicans could take office again.

This did not seem to alter the council's thinking and they voted in the No-Parking Amendment. The amendment would keep all streets clear between the hours of 2 A.M. to 5 A.M.

Maybe there is hope for the Democrats of Manchester! George M. Koda, Publisher

Mother's March Tops Last Year

The annual Mother's March receipts topped last year for a total of \$540.42. This is \$37.47 more than last year's \$510.95.

Credit must be given to the women who braved the blizzard and cold, ice and snow to canvass the village.

The officers are: Captain - Mrs. Wm. Bunney. Solicitors were Mrs. Joseph Fitzgerald, Mrs. Nelson Jose, Mrs. Robert Novess, Mrs. James Kessler and Mrs. Erwin Huber.

Captain - Mrs. Earl Alber with solicitors, Mrs. James Curley, Mrs. Cecil Hudkins, Mrs. Charles Knopp, Mrs. Robert Clark, Mrs. Robert Popkey, Mrs. Paul Kemmer and Mrs. Eugene Huber.

Captain - Mrs. D. D. Ludwick with solicitors, Mrs. Merrick Hough Jr., Mrs. Allen Benedict, Mrs. Duffell Ball, Mrs. Lorenzo Steele and Mrs. George Daubner.

Captain - Mrs. Hugh Sutton with solicitors, Mrs. Conrad Gonyer, Mrs. Douglas La Pedes, Mrs. Robert Trent, Mrs. Herbert Mahony, Mrs. O. W. Cooper, Mrs. John Bunney, Mrs. Jerrol Schlicht and Mrs. Charles Miller.

Captain - Mrs. William Schwab with solicitors, Mrs. Charles Steele, Mrs. John Raffaelli, Mrs. Ronald Gonyer, Mrs. Charles Hough, Mrs. Robert Armentrout, Mrs. Hugh Sutton, Mrs. Victor Wanser and Mrs. Albert Gaige.

\$275,000, BOND ISSUE APPROVED

\$132,975, PROPOSED BUDGET FOR 1968

Councilman Herbert Mahony, Finance Committee Chairman submitted a proposed budget to council last Monday. The budget for the fiscal year ending February 29, 1968, will exceed the last budget by approximately \$20,000.

Suprising as it may seem, property taxes will bring in only one-fourth of revenue needed to finance the operation of the village.

A breakdown of receipts shows that property taxes will bring in \$32,000. From the State; the village share of weights, intangibles, sales, licenses, and

others will be \$37,250. Other revenues such as fines, interest, licenses, permits and others, will bring in \$8,235. Non-Revenue receipts and estimated funds left over from last year will make-up the rest of the \$132,975, proposed budget.

Budget disbursements will go to the General & Administrative; payroll \$17,015, operating \$19,310, Non-Operating cost such as contributions to the library, youth recreation, Memorial Day, Christmas decorations and Mayor Day \$1,650, giving the General and Administrative \$37,975, total.

Public Works; payroll and operating \$19,200, Major Streets payroll and operating \$35,900, Local Streets; payroll and operating cost \$18,200. Operating other facilities such as Carr Park, parking lots and land fill \$7,700. The total disbursements will be \$118,975, another \$14,000, in funds which are available at the end of the year will make 1968 budget of \$132,975.

A public hearing on the proposed budget will be held at the village hall on March 6, at 8 p.m.

Council in a special meeting Wednesday approved the Citizens Water Committee recommendation to go ahead on a \$275,000, project to improve the water supply in Manchester. The meeting was set up by Dan Boutell, Committee Chairman.

Stratton S. Brown representing Miller, Canfield, Paddock and Stone, and John Holland from McNamee, Porter and Seelye, consulting engineers were present to explain the revenue bond act, and how it would work for Manchester. Allen Schaffer made the motion by the Citizens Committee, to have council accept. This would enable Miller, Canfield, Paddock and Stone to start preparations of an ordinance, for sale revenue bonds.

At this time it is difficult to estimate the additional water rates will be until the ordinance is drafted. The financing of the project will come from the Water and Sewer Fund rather than thru taxation.

Many questions on the water supply have risen in the past. JUST HOW BAD IS THE WATER SITUATION? In the following weeks the Enterprise will have a series of articles on the water problem of Manchester.

Pool Planning Committee to Meet March 1st

The Pool Project Planning Committee will meet at the Nellie Ackerson School at 9 p.m. Wed. March 1.

David Little, permanent chairman, volunteered to contact local industries and organizations for small donations to total about \$100 to be used for incidentals such as postage and mailing.

The aim of the group is to stimulate enough interest to provide some type of swimming pool for children in the Manchester school district.

This will involve people in the four townships, Manchester, Bridgewater, Sharon and Freedom. It is expected that people from each township will be tapped at the Wednesday meeting to help with the investigation.

Before any definite action is taken all types of pools will be thoroughly studied to find out which will be best adapted to this community for the money involved.

Mrs. David Meinhart is secretary and Herbert Mahony is the treasurer. Trustees who will be working with the officers are: Dan Boutell, Clarence Fielder, Dr. Wm. Purfield, Dr. Don Peterson and L. Dean Sott and Mrs. Norman Fielder.

FR. SCHLINKERT HEADS DOLLARS FOR SCHOLARS

Fr. Raymond R. Schlinkert of St. Mary's was elected president of the "Dollars for Scholars" Manchester Chapter at the February meeting.

Other new officers include: Robert Ross, Mgr. of Employee Services in the Department of Industrial Relations of the Ford Motor Co. in the Central Office Staff, first vice president; Mrs. Robert Swartz of Manchester a teacher in the Ann Arbor School System, second vice president; Tadeusz Rybak, Engineer at Double A Products Co., secretary; and Mrs. Fred Fielder, treasurer.

Prior to this time Dollars for Scholars has been sponsored by the local Business and Professional Club. Now it becomes a community project.

Mrs. Wm. Purfield and Mrs. H. C. Ayres, both past presidents, will remain as ex-officio officers. In explaining the Scholarship Foundation, Mrs. Ayres said, "The Dollars for Scholars is different from all other scholarships in that it is interested in helping the average student earn a better living as well as the top students."

"The average scholarship application calls for top scholastic students and usually the need of the family is great. This is not so with Dollars for Scholars. If any student is interested in higher education and can acquire enrollment in the institution of his choice Dollars for Scholars is interested in helping him by lending as much as \$500 a year, interest free for as many as four years, if he is in a school of four year training and three years for a three year course. This would include a total for four years of \$2,000," Mrs. Ayres said.

It was pointed out that it is the student's moral obligation to pay this money back to the foundation as soon as he is working - probably in regular payments as he

Fr. Raymond R. Schlinkert

would do on any debt. It is in this manner that the foundation can be maintained without being too great a drain on the citizens of the community.

The local foundation has loaned \$4,000 since it was started in 1963. To date all requests for funds have been granted.

An award committee is appointed. Only one person knows the names of the students involved. Money is distributed from the information given on the application and not by name.

An officers meeting has been scheduled for next Tuesday at St. Mary's hall.

TO CELEBRATE 50 YEARS

Mr. and Mrs. Ray Hasel-schwert of Manchester will celebrate their 50th wedding anniversary Sunday, March 5 with an open house from 2 to 4:30 p.m. in the Methodist Church hall at Manchester.

Relatives and friends of the couple are cordially invited to attend and help them celebrate their anniversary.

Community Chest To Meet

Manchester area community chest board met last week to formulate plans for the annual meeting which is to be held Wednesday, April 19 in the Multi - Purpose Room of the Nellie Ackerson School.

It was voted to pay all agencies as budgeted which had been included in the 1966-67 Drive last fall.

Ed Galloway, president, appointed a nominating committee which included Clarence Fielder, Mrs. D. D. Ludwick and Mrs. F. M. Reck.

Board members whose terms expire this year are Mrs. James Baker, Fred Leeman, Ed Galloway and Stan White. White recently resigned from the board as he has moved to Ann Arbor.

Suggestions for board members should be sent to any member of the nominating committee by April 15. Nominations may be made at the meeting, but the person nominated must be willing to serve and give his consent to the vote.

Every club and civic organization in the area is requested to send an appointed delegate to the public meeting and every resident of the area is invited to attend. It is a policy-making meeting which the public should take part in to set up plans for the coming year.

Others on the board besides those retiring and the nominating committee are Robert Swartz, Mrs. Irvin Gill, Luther Klager, Floyd S. Greene and Louis Vogel. Members are elected for three year terms.

200 Attend Blue & Gold Banquet

Some 200 attended the annual Blue and Gold Banquet held on Monday evening at the Emanuel Church hall. The Cub Scouts and their families invited school teachers of the boys to join them, along with PTA representative, Wendell Reinhart.

Cubs in each den made the centerpieces for their table and the menu was planned and prepared by mothers of each den. Roger Morrison led the group singing following the dinner.

Awards were given to the boys that had earned them. Presentation was made by cubmaster Jay Lantis and committeeman, Bill Schwab.

These included: Stefan Rybak Wolf, Mike Schiesser, 2 year pin; Bill Mann and Steve Trolz, Silver Arrow; Brent McKenzie, Bobcat; Ralph Bower; Wolf; John Kemner, Denner; Kenneth Schwab, Assistant Denner; Ricky Guenther, Denner; Scott Mester and Mark Rutherford, one year pin; Kurt Koceski, Bear; Tim Koceski, Denner; Philip Kryzaniak, Gold Arrow; Mickey Lantis, Ass't Denner; Gary Eversole, Denner; and Fred Singer, Bear.

Entertainment was provided by den mothers and their husbands, much to their surprise and the public delight - a balloon breaking contest, with couples placing a ball balloon between them and hugging each other to break the balloons. This ended in one big tie.

Den 4 opened the program with the flag raising ceremony. Den 2 closed by leading all cubs in the scout pledge. Then 150 balloons were let down from the ceiling for all cubs to break. This they did in a few seconds - to conclude the evening's entertainment.

SPRING BREAKUP ON COUNTY ROADS MAY BE SEVERE

Members of the Washtenaw County Road Commission are seriously concerned and worried about the probable condition of the County Roads during the approaching spring breakup; also, about more snowfall.

At the present, road shoulders are piled high with plowed snow and adjacent fields are snow covered. More snow with strong winds, or a blizzard, could cause drifting, which might result in some roads which might be closed for several days.

Clearing the roads becomes more difficult with every snowfall. Rural residents are reminded to maintain adequate supplies of fuel and groceries.

Even more hazardous conditions may develop with the approach of spring, when the snow melts and the ground thaws. Roadbeds can become saturated and reduced to mud, and both gravel roads and blacktop paved roads may break up to the extent that it would be physically impossible for Road Commission forces to keep them all patched and open. The extent of a spring breakup is not entirely predictable, but there are indications that the impending breakup will be more severe than any in recent years.

"We might be in for a Mud Holiday," Road officials said.

Also, drainage ditches and water courses are clogged with snow and ice, and rainfall or rapid thawing is apt to cause temporary flooding over the roads in many areas. The next six weeks

is a critical period for the County Roads.

The Road Commission is particularly concerned about the breakage which could develop in many miles of old blacktop surface roads which do not have a good granular base. These roads suffered severe pavement breaks and chuck-holing during the recent January thaw and required extensive and repeated patching. Blacktop patches which are placed under winter or spring breakup conditions are seldom permanent and may throw out under a few hours of traffic or new holes might develop rapidly. The Road Commission will continue to make every effort to keep these roads patched and usable. However, all motorists should be alert for spring breakup damage and drive accordingly.

The Road commissioners are sincerely grateful for the understanding and cooperation which they have received from the people of Washtenaw County throughout a very difficult winter.

4-H News

The Washtenaw 4-H Service Club Bowling Party is set for Saturday evening, February 25 at the Dexter Lanes in Dexter according to Dave Wolfgang, Chairman of the event. Bowling will begin at 8 p. m. with refreshments at the Dexter Fire Hall following. All 4-H Service Club members are cordially invited.

Washtenaw's Growth Reflected In Income

A twenty-one per cent revenue increase in Washtenaw County reflects the continued growth of the county and its activities, according to County Treasurer Sylvester A. Leonard.

Revenue climbed from \$20,491,245 in 1965 to \$24,952,401 in 1966. Disbursements in 1966 amounted to \$24,403,843.

Non-tax revenue collected by the treasurer's office increased in 1966 by approximately \$45,000 to \$228,780.38. For comparison this income was \$120,441 in 1962.

Leonard credited careful timing of the purchase of certificates of deposit and short terms in gov. bills, as well as extremely high interest rates, for the increase of the income from interest on these short term investments from \$64,525 to \$90,904.

He also pointed out that the high interest rate caused a slowdown of real estate transactions in the county which is reflected in a fewer number of tax certificates issued in 1966 and a drop in revenue received from the register of deeds.

For the first time under a new law, a fee was charged by the county treasurer on the amount of inheritance tax collected for the state. This totaled \$338.87 in 1966.

Leonard said that the County Building Parking structure (one

underground level and one ground level parking lot) had been in operation for 10 years. Parking fees totaled in the neighborhood of \$100,000. This was collected mainly from employees and supervisors.

Washtenaw also collected \$3,816.43 for the state's Law Enforcement Training Fund under a 1965 law. Courts levy 10 per cent of all fines for criminal offenses other than for traffic violations for this fund.

SHARON TOWNSHIP BOARD OF REVIEW

The Board of Review of Sharon Township will meet

on **TUESDAY, MARCH 7, 1967**

and on

MONDAY, MARCH 13, 1967

at Sharon Township Hall, Pleasant Lake Road, corner of Sylvan Road, from 9 A.M. to 3:00 P.M. on each of said days, at which time the assessment roll of said township will be subject to inspection. Such assessment tax roll as reviewed and approved by said Board of Review shall be the assessment roll of Sharon Township for the year 1967.

RUSSELL FULLER, Supervisor

Dated: February 21, 1967

Engagement Announced

Betty Sue Gates
Betty Sue Gates of Oklahoma City, Okla. and Fredric Stephan Leeman selected April 22 as their wedding date.

The bride-elect is the daughter of Mrs. Ralph L. Nelms of Wynnewood, Oklahoma and Wilbert L. Gates of Tucson, Arizona. She is a graduate of the University of Oklahoma School of Nursing, Oklahoma City, Okla. and is employed at University Hospital, Oklahoma City. Lt. Gates is a Flight Nurse with the Oklahoma Air National Guard.

Mr. Leeman is stationed at Sheppard AFB, Wichita Falls, Texas. His parents are Mr. and Mrs. Fred G. Leeman of 316 E. Main Street, Manchester.

He is a graduate of Ann Arbor High School, attended Central Michigan College at Mt. Pleasant and Cleary College, Ypsilanti where he was president of Sigma Phi Chi Fraternity at the time of his enlistment in the Air Force.

He was recently promoted to Airman First Class. A 1c Leeman received Basic Training at Lackland AFB, Texas. Attended Personnel Specialists School at Amarillo, he was then assigned to Sheppard AFB, Texas to He, Se. Section, Sheppard Technical Training Center in Data Control Center. Prior to entering service he was employed at the Porcelain Building Products in Ann Arbor.

NOTICE BOARD OF REVIEW MEETINGS

Notice is hereby given to all persons liable to assessment for taxes in the

VILLAGE OF MANCHESTER

That the Assessment Roll of said Village as prepared by the undersigned will be subject to inspection at

120 S. CLINTON STREET

In the said Village, on

MONDAY, MARCH 13, 1967

And on the following day if necessary, also on

TUESDAY, MARCH 14, 1967

At which place, and on each of said days, said Board of Review will be in session at least six hours, beginning at 9 o'clock in the forenoon of each day, and upon request of any person who is assessed on said roll, or of his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation thereof relatively just and equal.

After said Board shall complete the review of said roll, a majority of said Board shall endorse thereon, and sign a statement to the effect that the same is the assessment roll of said Village for the year in which it has been prepared and approved by the Board of Review.

CLAYTON PARR, Township Assessor

Lansing, Michigan - The Manchester High School 12th Grade American Government Class field trip to the State Capitol in Lansing was hosted by Sen. Gilbert Bursley (R) Ann Arbor, (front row right during the afternoon session of the Michigan State Senate, Feb. 24. The group viewed the legislative process in action from the gallery of the Senate and House of Representatives. Front row left to right: Gary Schick, instructor; Roger Morrison, class advisor; and class secretary, Carol Westfall, treasurer; Connie Grothe, secretary; Paul Buss, president; Mary Uphaus, vice-president; and Virginia Marshall, assistant treasurer.

Doctor Dies At Clinton

Dr. Archie R. O'Connor, 45, died suddenly at his home at 109 W. Church Street, Clinton Saturday of a heart attack.

He was a member of St. Dominic's Catholic Church and of the Lenawee, Michigan and American Medical Associations.

The death of Dr. O'Connor has left Clinton with but one doctor. He had served Clinton since 1951 and was found dead in his living room by his wife.

According to Dr. George Wilson, Clinton's remaining physician, Dr. O'Connor apparently died sometime during the night from a heart attack.

He had suffered a heart attack last August, but after two months resumed his practice.

A former chief of staff at Merrick Hospital in Tecumseh, Dr. O'Connor is said to have been a general practitioner who did baby work, farm work, surgery and who never refused to make a call at night.

A native of North Dakota, he earned his medical degree at Northwestern University and interned at St. Joseph's Hospital in Ann Arbor.

In addition to his wife, Mary Ann, Dr. O'Connor is survived by two daughters, four sons and his mother, Mrs. Margaret O'Connor of St. Thomas, N. D.

Two funeral services were scheduled for Tuesday, one at 10 a. m. in St. Elizabeth's Catholic Church in Tecumseh, and at 11:15 a. m. in St. Dominic's Catholic Church in Clinton, with burial in St. Dominic's Cemetery.

The rosary was recited at 8 p. m. Monday and on Sunday night by the Knights of Columbus, Fr. Fisher Council, Manchester.

The O'Connor children are: four sons; Rory at Eastern Michigan University, John Kevin and Dennis all at home; two daughters, Mrs. Charles (Eileen) Pugh of Ann Arbor and Kathleen at home; and he is also survived by a grandson, Michael Pugh.

Home Economics Calendar

Monday, Feb. 27 The Lodi Home Study Group will meet at the home of Mrs. Marie Paul, 3000 Saline - Ann Arbor Road, Saline.

The West Manchester Study Group will meet at the home of Mrs. Thomas Hicks, 17046 Englewood Road, Manchester on Tuesday Feb. 28.

MANCHESTER FROZEN FOOD LOCKERS Pick-Up On The Farm Slaughtering Service

Beef To Sell By Side Or Quarter Custom Slaughtering

PROCESSING
Cutting, grinding, boning, and trimming of meat can best be done by the locker plant which has the equipment, the experienced help, and the "know-how" to do the work economically, and expertly without waste.

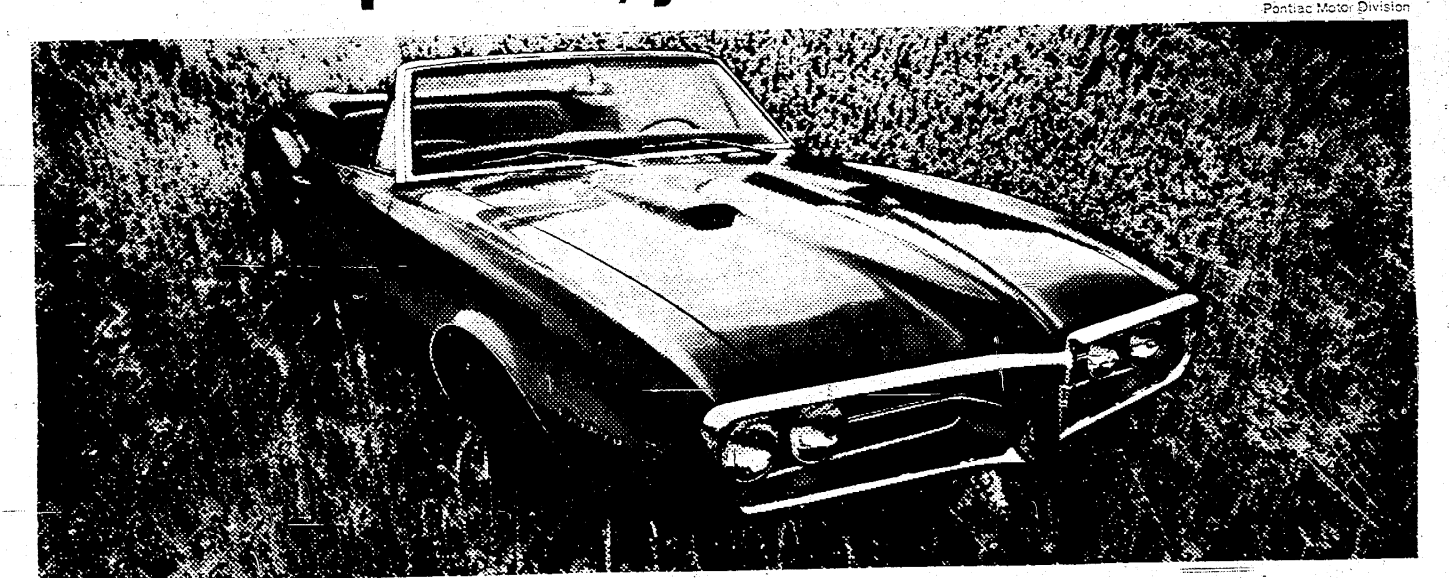

WRAPPING
Proper packaging of foods for freezing is all-important. The locker plant uses the correct moisture-vaporproof wrappings and applies them with the latest methods.

SHARP-FREEZING
It is essential that foods for storage in a locker or home freezer be quick-frozen at sub-zero temperatures. We have refrigeration equipment capable of freezing huge quantities of food.

ZERO STORAGE
All frozen foods should be kept at a constant zero temperature. The zero service we offer is the cheapest refrigeration in the world.

MANCHESTER FROZEN FOOD LOCKERS
319 Morgan St. Manchester Phone GA 8-5031

If you thought Pontiac was coming out with just another sports car, you don't know Pontiac!

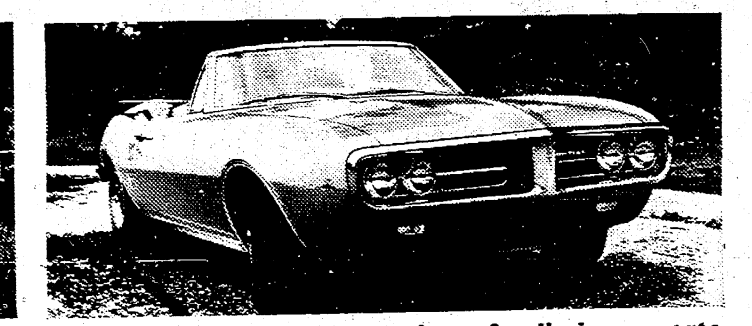

Pontiac announces not one, two, three or four, but five magnificent new Firebirds for every kind of driving.

Now you can choose from five new Firebirds with the same advanced Pontiac styling, but with five entirely different driving personalities. And they all come with supple expanded vinyl interiors, wood grain styled dash, exclusive space-saver collapsible spare, bucket seats and wide-oval tires.

Firebird 400. Coiled under those dual scoops is a 400 cubic inch V-8 that shrugs off 325 hp. It's connected to a floor-mounted heavy-duty three-speed. On special suspension with redline wide-oval tires. This could be called the ultimate in grand touring. After this, there isn't any more.

Firebird HO. HO stands for High Output. As a split second behind the wheel will attest to. The Firebird HO boasts a 285-hp V-8 with a four-barrel carburetor, dual exhausts and sportstripping. Standard stick is a column-mounted three-speed. Naturally, all Firebird options are available.

Firebird 326. Is there room for a family in a sports car? There is now. The excitement of a sports car with the practicality of a 326 cubic inch V-8 that delivers 250 hp on regular gas. Standard transmission is an all-synchro three-speed, but you can order an automatic.

Firebird Sprint. Now you don't have to go to Europe for a sophisticated road machine. This is the 215-hp version of our eager Overhead Cam Six. It's mounted on special suspension that practically welds it to the road. (Any road!) With a floor-mounted all-synchro 3-speed.

Firebird. This is our economy Firebird—with the same exciting options and interiors as the more exotic ones. It's Overhead Cam Six squeezes 165 hp from regular for inexpensive fun driving. See them all at your Pontiac dealer.

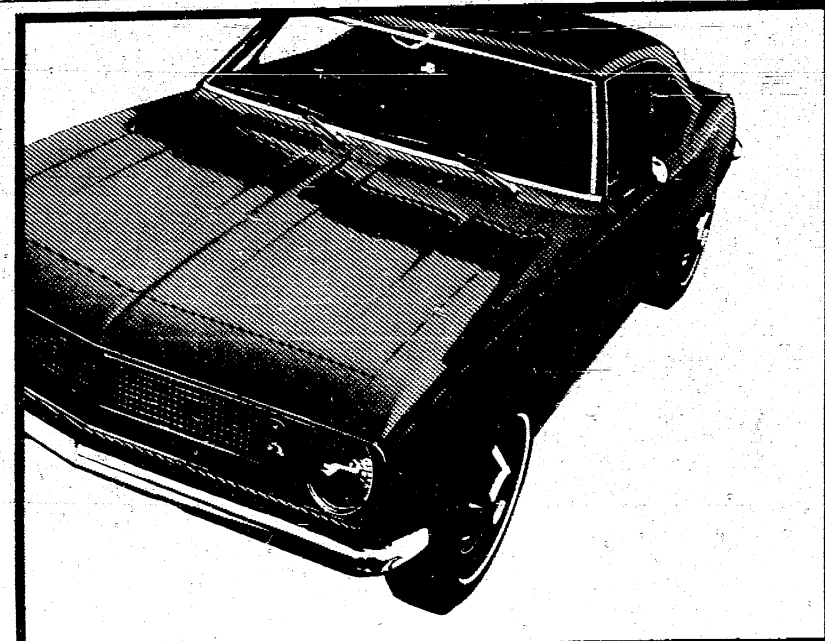

The Magnificent Five are here!

VETERINARY SCIENCE PROJECT PROGRESSING

"We've never had a 4-H project generate so much interest as the new Veterinary Science Program," said Ed Poole, Extension 4-H Youth Agent. Poole says that it has real appeal for young people because it involves the study of live animals. The project is suitable for the rural as well as the urban youngsters.

A brief summary of the project is available at the County Extension office should parents and young people desire more information.

A state-wide kickoff for the Veterinary Science program is scheduled for March 16 and 17 at Camp Kett near Cadillac, Mich. Adult and young 4-H leaders will be participating in this activity.

Students Visit Ford Motor Co.

Seven Cleary College students accompanied by Ronald Robson, Controller of Cleary College, visited the Ford Motor Company, on Student Visitation Day.

Among the students was Milton Weidmayer of Manchester. Each student is assigned to a Ford Motor Company executive with whom they spend the day observing the give and take of every day operations as well as obtaining some practical knowledge of how business decisions are made.

Birthday Party

Mr. and Mrs. Robert Panches entertained Sunday at dinner for their son Ronnie's birthday. Guests were Mrs. Hazel Stafeldt of Pleasant Lake, Mrs. Wm. Uhr and Mr. and Mrs. Earl Uhr and family.

Vaccination Clinics Continue in County

Measles vaccination clinics sponsored by the Washtenaw County Medical Society and the County Health Department, are being held at various places in the county.

To date some 1,048 children have been vaccinated. These include children from one to 13 years who have not had measles for the vaccine. To date six children have been held.

Health authorities point out that measles usually attack children from late winter to early spring. Parents are urged to take advantage of the clinics. There is no charge to the parents.

Children are welcome at any of the clinics. If they miss the one in their community it will be fine for them to go to another location.

The nearest one to Manchester still to be held will be in Saline at the Saline High School on the Saline-Ann Arbor Road. This clinic is slated for Saturday, Feb. 25th. There were 102 children who received the vaccine at the Manchester clinic held last Saturday and 134 at the clinic at Whitmore Lake.

This is a continuing series of measles vaccination clinics offered throughout the county for those children to the sixth grade who have not had the red measles for the measles vaccine.

The clinic at Ann Arbor High School, cancelled out by the snow storm has been rescheduled for Saturday, March 4th.

Other clinics will be held on February 18 at the Ypsilanti High School and at the Perry School in Ypsilanti. Ypsilanti High School is at 210 Cross Street and Perry is at 633 Harriet Street.

4-H News Jolly Farmerettes

The monthly meeting of the Jolly Farmerettes 4-H Club was held at the Sharon Town Hall on Feb. 13.

On Saturday the club sold peanuts and balloons for the March of Dimes during which the club collected a total of \$117.30. A Family Night was held on Jan. 21.

Awards were given to Joan Price, Vicki Eisele, Kathy Feldkamp, Margaret Kemner, Beverly Feldkamp, Valorie Vogel, Joyce Bowers and Susan Jacob.

Valentine party was a highlight of Feb. 12 and there were games and refreshments.

Ruth Curtis demonstrated making a fruit salad. Refreshments were served, a game was played and a song rounded out the program.

MEASLES CAN BRING TRAGEDY

It's time to stop thinking of measles as a slightly humorous childhood disease, says the American Medical Association.

Many people don't realize two important things about measles: First, it's a crippling and killer. Measles strikes millions of children but the ones left with deafness or mental defects or encephalitis-or even the ones who die-seem to be forgotten by the public. Measles isn't at all a funny disease; it's one whose tragedy isn't fully realized.

Second, measles could be eliminated as a major health threat. Some medical officials believe it could be eradicated in this country within a year. There is no doubt that it should be. Several types of anti-measles vaccine are available. They are easily administered by local physicians and have been proven safe and effective.

Measles-susceptible children can be immunized by their family physicians. The best time is when they are approximately one-year old. Older susceptible children-those who have neither had measles nor been given measles vaccine-should be immunized as soon as possible particularly if they are of school age.

In some communities, and in the states of Rhode Island and Delaware, measles has been practically eliminated by concerted areawide immunization campaigns.

Such campaigns have been endorsed by the AMA's Council on Environmental and Public Health, but their organization requires the counsel of the local medical so-

Weekly Newspaper Editors Are Odd People

Weekly newspaper men and women are odd people because the weekly newspaper business is an odd business. In the first place a weekly newspaper is a PUBLIC SERVANT reporting the news and views of its community so that people may live together in harmony and govern themselves intelligently in a free democracy.

A weekly newspaper, secondly, is a community market place. Through its advertisements, buyers and sellers meet quickly and economically.

A weekly newspaper attempts to support and strengthen every influence for good.

Fourthly, and by no means least, it is a manufacturing industry and a retail business. Not only does it produce the leading news and advertising medium, but it sells that newspaper at retail and by mail order.

CARD OF THANKS

We will always remember with deep gratitude the expressions of sympathy and helpfulness of our friends, neighbors and relatives during the illness and death of Mrs. Otto Trinkle. Special thanks to Rev's. Kuether, Cooper, Price, Hicks and Rev. Fr. Schlinkert for their comforting words in our hours of need.

A special thanks to the Order of the Eastern Star #101 for their service, to the Village of Manchester for removing the snow and to the Rachael Circle of Emanuel United Church of Christ.

Our sincere thanks to Ronald Jenter of the Jenter Funeral Home for all his kindness during our bereavement.

Otto Trinkle
Mr. and Mrs. Rob't Diefenderfer
Mr. and Mrs. Elmen Kopka

NOTICE

Dear Marvin:

The kids and I were about to leave the house to meet you at BEN FRANKLIN last Saturday when guess what we found on the door step - A little yellow kitten! The little thing was so hungry, and the kids were so excited, I finally told them they could keep it unless the owner shows up. We got to BEN FRANKLIN all right and I thought Susie was carrying her favorite doll wrapped in a doll blanket, but she laid it on a counter and out jumped the kitten! Well! For a few moments it was absolute pandemonium - Women screaming and kids yelling and chasing after one little frightened cat. When we finally got him down from on top of the luggage display I just herded the kids out of the store and never did get to see the rugs.

Please meet me next Saturday I'll be in BEN FRANKLIN for sure they have "Little Majesty" training pants on Sale - Only 22¢

Love, Pauline

CARD OF THANKS

We wish to thank our friends, relatives and neighbors for the visits, cards, flowers and gifts on the occasion of our golden wedding anniversary. Your thoughtfulness was greatly appreciated.

-Mr. and Mrs. Theo. Blumenaer

'GOT A DIME, MISTER?' Local Boy Scout Troops collected a total of \$132.55 in a unique bucket of dimes gimmick to benefit March of Dimes during the annual drive. Troop # 426 used more than 28 ft. of tape and Troop # 436 totaled 41 ft. of tape in the project.

ANOTHER FIRST! This time it's a dance by 7th and 8th grade students. They cleared an even \$12 from a school dance they planned. Another time they might charge for refreshments. A good experience -- a worthy cause!

Incumbents Elected In Primary

There were 192 ballots cast in the village primary election held Monday in the village hall. Incumbents on the Progressive ticket and unopposed were: President, Gale Koebe - 179; Clerk, Lyle A. Widmayer - 176; Treasurer, Edward R. Kirk - 180. In the only contest, also on the Progressive ticket, were those vying for the three trustee posts for two year terms.

Elected were incumbents: John Althouse - 160, Robert Lowery - 133, James Bauer - 150. Daniel Singer was defeated with 69 votes.

Herbert Mahony was unopposed for the one year term as trustee on the Progressive ticket. He tallied up 174 votes.

Incumbent Russell H. Widmayer was the only candidate to run for office on the Citizen's ticket. Previously Widmayer had been elected to the post of assessor on the Progressive ticket. Widmayer chalked up 157 votes.

The village hall was also the scene for the Manchester township special primary election to select a probate judge for Washtenaw County. The vacancy was caused when John W. Conlin left Probate Court to become a circuit judge.

Total of votes cast in precincts 1 and 2 were: Ross W. Campbell - 174, William F. Dannemiller - 18, Rodney E. Hutchinson - 30.

County-wide Campbell received 3,669; Hutchinson totaled 2,550 and Dannemiller 1,852.

Where to Mail Your Income Tax

Detroit, Mich. - Do you have a refund due on your 1966 Federal income tax return? By mailing it to the correct address, you will help speed the processing and refunding procedures involved by eliminating one handling operation. This announcement was made by A. M. Stoepler, District Director of Internal Revenue for Michigan.

The mailing address for Michigan taxpayers is: Internal Revenue Service Center, Central Region, Cincinnati, Ohio 45298. A return envelope for this purpose is included with your tax form package.

Certain common errors and omissions cause delays in processing and refunds, Mr. Stoepler said.

Before mailing returns, the District Director advises taxpayers to be sure all Forms W-2 are attached, the return is properly signed (both husband and wife must sign a joint return), social security numbers are entered correctly and names and addresses are printed clearly.

RETIREES

Mr. and Mrs. Charles J. Galinis of 12240 Bethel Church Road, Manchester were honored at a retirement dinner party at the Holiday Inn of Ann Arbor on February 17.

Mr. Galinis is retiring after 12 years of service with the Michigan Gas Storage Company, Freedom Compressor Station.

Approximately 55 employees and guests were on hand to honor him. He was presented with a new aluminum boat as a token of their appreciation.

LEADS STATE

Taylorcraft Ribbons Pollyanna registered Ayrshire owned by Paul E. Taylor, Saline recently completed a lactation record which ranks highest for fat for all 12 Two-Year-Old Ayrshires in the state of Michigan.

LIST OF SERVICEMEN'S ADDRESSES ON FILE

A Manchester woman is doing her best to see that servicemen from this area receive some mail. Miss Lydia Kulenkamp, who recently retired as a bookkeeper in Ann Arbor, was disappointed to learn that there are servicemen from this locality who receive very little or no mail at all.

In an effort to do her bit to remedy this situation she has, with the help of Mrs. Roy Lowery of the Mom's Club compiled the following list of addresses of servicemen.

Mrs. Lowery tries to keep an up-to-date list because the Mom's remember the servicemen occasionally. The two hope that people here will take a few minutes to write a note or maybe send a card to the men in service away from home.

A complete list can be obtained from Miss Kulenkamp.

Must be a High School graduate and in good health. Excellent employee benefits. Apply at Freedom Compressor Station, 12201 Pleasant Lake Road, Manchester. (Equal opportunity employer)

Milk production records completed under official testing rules by dairy cows in area herds have been reported by Holstein-Friesian Association of America. The actual performance levels credited to these Registered Holsteins are: Leo Bur Robinhood JJ 4286780 an eight-year-old, produced 17, - 210 lbs. of milk and 703 lbs. of butterfat in 295 days; Leo -Bur Elation Bess 5098943, a five-year-old, had 19, 160 lbs. of milk and 661 lbs. of butterfat in 305 days. Both are owned by Leonard Burmeister, Ann Arbor.

Randalland Bene Bess 5483787 a four-year-old, produced 19, - 770 lbs. of milk and 709 lbs. of butterfat in 305 days; Randalland Creator Dotrie 3917207, a 10-year-old, had 18, 640 lbs. of milk and 634 lbs. of butterfat in 305 days; Randalland Fond Starlight 5011375, a six-year-old, had 15, 470 lbs. of milk and 596 lbs. of butterfat in 305 days. All are owned by Norman Randall of Manchester.

These new production figures may be compared to the estimated annual output of 7,880 lbs. of milk and 285 lbs. of butterfat by the average U.S. dairy cow, notes national Holstein Association.

Michigan State University supervised the sampling, weighing and testing operations in cooperation with the Holstein organization's herd and breed improvement programs.

THE WATER SITUATION AND SOME OF THE PROBLEMS

The Village Water Department reports receiving many calls complaining of low pressure, and what water does come from the tap being quite rusty. Iron causes rust and this in turn causes the famous "Manchester Tattle Tale Yellow Wash". Low water pressure, while not effecting all residents, prevents the use of the second floor bath in many homes on higher ground. Most women think it takes forever to fill the scrub pail, just one more indication of low pressure.

As much as the water department would like to correct these problems, it can't without extensive rework of our present system.

This system has two well sights. The main well on Macomb Street; drilled in 1961 was designed to produce in excess of 200 gallons per minute (GPM). This well is connected to a high capacity iron removal filter.

The stand-by well, drilled in 1931 and producing 150-GPM, is located on East Main Street. This well is not connected to iron removal filters, but furnishes most village water today.

Due to soil conditions, the Macomb Street well out-put has gradually reduced each year so that now it only produces 35 GPM. Efforts to keep this well going have not been too successful. In 1963 and 1964 costly rejuvenation procedures were carried out. The first effort brought us back 60% of original capacity; the second only 40%. Additional rejuvenation is almost useless.

LOW WATER PRESSURE IS A RESULT OF:

- (1) High demand and small, low capacity mains in the streets.
- (2) Demands that at times exceeds the present capacity of both wells.
- (3) The low, sixty year old, standpipe on Ann Arbor Hill.

Additional information next week:

- On The Spot -

"On The Spot" is a column without bias or ulterior motive therefore we want those who comment through it to be able to look the world straight in the eye (hence the need for your photo or contact the Enterprise we will have one made) and sign their names and give a clue as to their occupation. Nothing in "On The Spot" must be said that can hurt anyone nor shall any derogatory statement be published. Join with us in making this one of the great feature columns of the week.

We invite our readers to suggest future topics for "On the Spot" and to provide us with answers to the various questions that will be presented each week.

The "On The Spot" Question for next week concerns the issue of the water problem in Manchester. We hope that if you have a definite opinion concerning the question, "the water problem in Manchester" that you contact The Manchester Enterprise.

YOUR OPINIONS HERE NEXT WEEK . . . we hope.

MEETING CHANGE

The Twentieth Century Club will meet Tuesday, March 14 instead of Tuesday, March 7 as previously announced. The February meeting was held at the home of Mrs. Tom Walton with Mrs. Fred Leeman as co-hostess. Four members of Recovery, Inc. gave an interesting talk. Recovery, Inc. is a self help program for the mentally disturbed.

UP & UP FLASH

8:30 P.M., February 27. There was an ear-racking roar followed by series of fender bumping demonstrations, - a serpent's tongue of flame, - dense bellows of black smoke thinning into white. Thus this observe's brain recorded the spectacle of John Buss's '59' Pontiac car blazing a trail in the heavy snow down Main Street, thus achieving a successful hit on the Chief of Police's beautiful brand new scout car in front of the E.G. Mann Mill.

It seems that the Buss car was negotiating a turn off Main to Adrain. The Chief had stopped at the intersection.

After carrying out his official duties, we observed that Bill was only wounded in pride, and a bruised thumb. "Oh," sighed the Chief, "I really love to meet people from Manchester, but why must it be the hard way."

BOARD of EDUCATION To Present Building Plans

The Manchester Board of Education will hold a public meeting to present plans on the proposed elementary building as soon as these plans and cost figures are available from the school's architect. The architect could not submit any plans until the site had been surveyed and a topographical survey had been completed.

This has taken considerable time to do because of the extreme weather and snowfall which hampered the survey team. Latest indication is that this has been done and the architect will have his plans to submit in about two weeks. These plans are for a new elementary building which the district needs to adequately house its elementary enrollment.

Three sections of first grade are presently being housed in the Emanuel United Church of Christ facilities. In view of three first grade sections this year there will be a need for three second grade sections next year and the possibility of three third grade sections next year. Other elementary grades are over the desired classroom size this school year. This indicates a need for six additional classrooms at the present time.

If the school district continues to grow at the rate of two classrooms per year, eight classrooms will be needed by the time the building is completed.

The need for additional elementary classrooms was noted a year ago. Early last spring the Board of Education appointed a site committee to explore possible sites in the Manchester area.

This committee made up of Chairman Allen Schaffer, Dr. Henry Eames, Jim Lyons, L'Dean Sody, Dick Kuntz, Gene Bentschneider and Walter Grothe surveyed possible sites and ultimately recommended the property owned by Mr. and Mrs. Tadeusz Rybak of Ann Arbor Street. An option was taken on this property by the Board of Education.

PLANNING & MORE PLANNING IS THE ORDER for Irvin Gill, president, Ted Curley, vice president, of Manchester Area Centennial.

Centennial Coming

Chalk up March 18 on your calendar as the kick-off for the Centennial Celebration of Manchester. This is the date when the Brothers of the Brush will officially bury the ax or in a Main Street celebration according to Irving Gill. He has been named the president of Manchester Area Centennial, Inc. Gary Brokaw, of the Jaycees, is chairman of the Brothers of the Brush.

This group of staunch citizens has organized with a total of some sixty members--most of whom are Double A employees. Plans for the kick-off are still in the making.

A Centennial Celebration is a once in a lifetime project for any community. To celebrate anything so unusual requires special preparation. Gill and his committee reasoned that there should be an "official" seal to be used on all official communications during the Centennial.

It was not surprising that the board turned to the school for a suggestion. Where else would you go for a really clever idea except to the youth of the community?

Harry Macomber, secretary of the Centennial group consulted with High School Principal, Chester Koceski. The artists of the 9th through 12th grades were asked to submit entries. Friday, March 3rd is the deadline.

At that time the entries will be turned over to the Centennial committee. Their decision will be final. The seal judged best will appear on all letterheads and membership certificates.

"We are sure that this seal will have an important part to play as the Centennial program unfolds," Gill said.

All entries become the property of the Centennial committee. The winner will receive \$10 and there will be an additional ten dollars in prizes.

Manchester Area Centennial, Inc. executive officers are: Irvin Gill, president; Ted Curley, vice president; LeRoy Marx, treasurer and Harry Macomber, secretary.

Beginning Saturday, March 18 a Centennial Headquarters will be set up on Main Street. Gill asks for volunteers to offer their services in any one of a hundred ways to make the Centennial a success. At the headquarters there will be Centennial pins, certificates and pins, Brother of the Beard pins, Shaving Pins, Bells and Bow pins, hats, etc. Those wishing to order Centennial costumes may do so through a catalogue service at the Headquarters.

India Highlight Of Farmers Night

Some fifty guests were present at the annual Farmers Night for the Monday dinner meeting at Emanuel Church Hall.

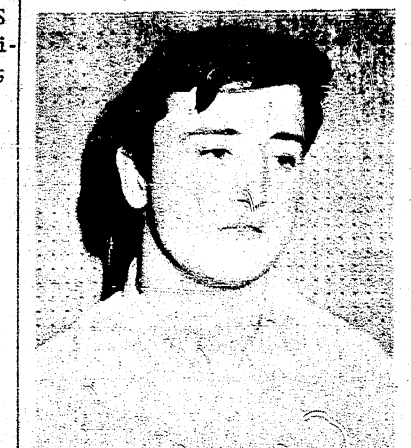

Fred Munson, who recently returned from India, showed slides of farming in that country. This proved to be a real highlight of the evening.

The program had been arranged by a committee headed by James Pratt.

OPEN HOUSE

Mr. and Mrs. Ray Hassel-schwertdt of 8440 Chelsea-Manchester Road will observe their 50th wedding anniversary Sunday, March 5 with an open house from 2 to 4:30 p.m. in the Methodist Church hall at Manchester.

Hosts for the occasion will be their children: Ronald of Jackson, Duane of Manchester, Mrs. Richard Barton of Fairfield, Iowa and Mrs. Sam Cushman of Jackson and their families.

Mike Kirk

NAMED TO BOYS STATE

Michael (Mike) Kirk, son of Mr. and Mrs. Marvin Kirk of 10113 Grossman Road, Manchester will attend Wolverine Boys State June 14 to 21. He will be sponsored by the local Optimist Club. The top boy was determined by the Junior class-faculty consensus.

Kirk, 17, has played on the Varsity Football team for three years. Choice of the candidate is directed from the office of High School Principal, Chester Koceski. Two boys are selected from the local Junior Class. The other, not named at this time, will be the choice of the Emil Jacob Post # 117.

The American Legion Wolverine Boys' State is a program for the development of good citizenship.

Candidates are selected on character, honesty, ability to get along with others, good sportsmanship and personality, to mention a few.

TO HAVE DANCE

Saturday there will be a March of Dimes dance sponsored by the student council at the High School gym from 8:30 to 11:30 p.m.
