## Centennial Dance Saturday

A Centennial Dance will be held at the high school gym on Saturday, May 13 from 8:30 p.m. to 12:30 a.m. Those attending are encouraged to be in costume although it is not necessary.

The Frauleins, a chapter of the belles will have charge of refreshments which will be available at the dance. Heading the chapter is Carol Britten.

Music will be furnished by The Reasons Why, a versatile group from Adrian. According to Curley plans are underway for another street dance later in the season-when it is hoped the weather will

Despite the cool weather last eekend many in costume joined in at the street dance as Luther Schaible called out the familiar do-si-do, allemande left and promenade all. It will be repeated at a later date.

Single girls, 17 to 21, will be competing in the Queen contest which will be climaxed with a dance on tune 17 in the High School gym. Another dance is in the planning stage for the Sportsman Club on June 3rd.

Bill Hainstock, who heads the big July 4 parade plans, needs entries and wants to make arrangements early. Vehicles in the parade must be of 1946 model older. He wants more horses and buggies, horses and riders,

and horses and wagons. Three local merchants, Grossran -Huber, L. V. Kirk and Uphaus Drug have each donated 10 to be used for prizes for the most original antique entry. There will be three prizes.

#### Those wishing to be in the parade will have to sign up in advance. More details can be obtained from Hainstock or Mike

be publicly opened and read.

Said bonds will be dated July 1, 1967, will be coupon bonds in denomination of either \$1,000.00 each or \$5,000.00 each, but t both, will be numbered consecutively in direct order of maty from 1 upwards, will be registrable as to principal only and ll bear interest from their date at a rate or rates not exceeding per cent (5%) per annum, expressed in multiples of 1/8 or 1/20 1%, or any combination thereof. Said interest will be payable n January 1, 1968 and semi-annually thereafter on July 1st and unuary 1st of each year. The interest rate on any one bond shall at one rate only and all bonds maturing in any one year must arry the same interest rate and each coupon period shall be represented by one interest coupon. Both principal and interest will be payable at a bank or trust company qualified to act as paying agent, to be designated by the purchaser of the bonds. Accrued interest to the date of delivery of the bonds shall be paid to the purchaser at the time of delivery.

The Bonds will mature serially as follows: \$5,000.00 July 1st of each year from 1968 to 1980, inclusive

\$10,000.00 July 1st of each year from 1981 to 1989, inclusive;

Bonds maturing in the years 1981 to 1997, inclusive, be called for redemption prior to maturity at the option of the Village in inverse numerical order, on any interest payment date on or after July 1, 1980, at par and accrued interst to the date fised for redemption, plus a premium on each bond so called for redemption

3% of par value on each bond called for redemption on or after dy 1, 1980, but prior to January 1, 1984;

2% of par value on each bond called for redemption on or after anuary 1, 1984, but prior to January 1, 1988; 1% of par value on each bond called for redemption on or after

anuary 1, 1988, but prior to January 1, 1992; No premium shall be paid on bonds called for redemption on or after January 1, 1992.

Thirty (30) days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan, which carries, as part of its regular service, notice of sale of municipal bonds and, in case of registered bonds thirty (30) days notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

The bonds are to be issued under Act 94, Public Acts of Michigan 1933, as amended, and under an Ordinance of the Village of Manchester for the purpose of paying the cost of acquiring and constructing additions and improvements to the Water Supply and Sewage Disposal System of the Village. The bonds will not be a general obligation of the Village but will be payable solely from the net revenues of the Water Supply and Sewage Disposal System of the Village, and for the payment of principal and interest on said bonds and on any additional bonds of equal standing issued pursuant to the terms of said Ordinance, a statutory first lien has been created on the net revenues of the system, including any additions, extensions and improvements thereto.

Additional bonds of equal standing with the bonds of this issue may be issued, but only for the purposes and on the terms and con-

ditions expressed in the authorizing Ordinance. For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from (here insert the first day of the month next following the date of receiving bids, or the date of the bonds, whichever is later) to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village.

No proposal for the purchase of less than all of the bonds, or at a price less than their par value, will be considered.

A certified or cashier's check in any amount of \$5,500.00 drawn upon an incorporated bank or trust company, payable to the order of the Village Treasurer of the Village of Manchester, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bids is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof and which opinion will be printed on the reverse side of each bond. The Village shall pay the cost of printing the bonds. Executed bonds will be delivered to the purchaser without expense. Bonds will be delivered at Detroit, Michigan, or at such other place as may be agreed upon with the purchaser, and will be accompanied by the usual closing documents, including a certificate that no litigation is pending affecting the issuance of said bonds.

The right is reserved to reject any or all bids. Envelopes containing the bids shall be plainly marked "Proposal for Bonds."

#### CEO APPROVES REQUEST FOR FUNDS

The Washtenaw County Citizens Committee for Economic Opportunity (CEO) has approved a \$121,948 federal-local sharing request and an 11-point program forthe year beginning August 1.

The major objectives for the year will be the development of seven neighborhood centers of all types of job training and placement aids.

The neighborhood centers will house legal services, Planned Parenthood service, job counselors, juvenile court student social workers, and a clinic service by supervised medical students. They will also serve as the focus for organizations of the areas' low income persons into cohesive groups.

Centers are planned for Chelsea Manchester, Dexter, Milan, Willow Run, Willis-Whittaker, and Whitmore Lake. The first center is due to open in mid-May in the Goodman Building on Harriet St. in Ypsilanti.

An expanded job referral system and extensive surveys of need-including need for job training-will be conducted.

Two types of job training are planned. They are programs which can be financed by the Michigan Employment Security Commission and federal Vocation al Education Act and those which use no outside funds which includes a proposed training course for

Expanded employment of community aides, most of whom will serve the area in which they live, is also planned. The aides identify those in need of services or some type of help and either obtain direct help for them or refer them to CEO sponsored and other agen-

The role of aids in identifying the poor is particulatily important because the low income persons in Washtenaw County are "continuously moving," and the dominant employment pattern in the auto factories is such that a family "is poor this month, making it the next and poor again three months

later, the proposal states. A high rate of underemployment for families of unskilled and semi-skilled persons where only one family member has a job are likely to be eligible for Econ-

omic Opportunity services. Hard-core poor, persons who regularily appear on welfare rolls, represent a relatively small percentage of Washtenaw's poor population. The rest, although their income periodically takes them above eligibility standards for CEO-funded programs, consistantly share the problems of hard core. These problems include housing, medical and dental ser-

Beneficiaries of federally financed projects must have incomes to less than \$1,500 for one person and \$500 for each member of the family. In Washtenaw statistics show there are 7,223 families in the county living on incomes of less than \$4,000 a year. This is 19 per cent of all families. Twelve percent live on \$3,000 or less and 7 percent live on less than \$2,000 a year.

Persons who are poor but who do not fit in the eligibility standrds may receive direct help in the form of food, clothing, transportation, employment in one of the CEO programs or be involved in policy making groups related to programs serving the poor.

The CEO will involve persons of all areas in evaluating and planning programs serving the poor and wil work with existing agencies such as public schools in planning their federall assisted programs.

The proposed budget for the year calls for a federal grant of \$100,758 and a local share of \$21,190. This compares with last year's federal grant of \$62,-

#### Chevrolet's room, ride and price.

Two months efter the '67s came out, Automotive News made its annual roominess study. And Chevrolet got the most points, it's reconfer inside, they reported, than any other American car. The ride, of course, is Full Coll suspension smooth with refinements that make it more road-sure than ever. That brings us to price. Chavrolet hardtoos and convertibles are still the lowest priced full-size cars you can buy. That should bring you to your Chartolet declar's.

Chevelle's quick size. It's quick to climb, quick to turn, quick to do what you tell it to. Other mid-size cars might be like Chevelle, true. But two things they're not. They're not as low priced. And they're not made by Chevrolet, which means all this: Body by Fisher, the GM-developed energy-absorbing steering column, inner fenders to protect the outer fenders. Full Coll suspension. You're Detter off with a Chevelle. You really are.

#### Camaro's road-nugging stance.

At its price, Camero is the only sportster to give vou wide-stance design) It rides steadier, clings to curves better, hugs the road closer. Yet, it doesn't hug you too close, because it's also the roomiest car of its kind at its price. You get a pigger standard engine. You get a car that handles. You get a lot of fun out of driving soain. And, during your Chevrolet dealer's Camaro Padesetter Sale, look at the buy you get.

NOTICE OF PUBLIC HEARING ON AMMENDMENTS TO ZONING ORDINANCE

NOTICE is hereby given that hearing will be had on certain changes proposed by the Manchester Township Board in the Manchester Township Permanent Zoning Ordinance, and that public hearing thereon will be had at the Manchester Township Hall, 120 South Clinton Street, in the Village of Manchester, Washtenaw County, Michigan on May 25, 1967 at 8:00 o'clock in the Afternoon EST. The proposed amendments correct several clerical errors in the ordinance and will limit the occupancy of temporary structures for dwelling purposes including house trailers and trailer coaches except in authorized trailer parks to one year under a temporary structure permit with one six months extension in cases of extreme hardship.

Covenants of City Section 20. The Village of Manchester covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest - -

(a) The Village of Manchester will maintain the System in good repair and working order and will operate the same efficiently and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Michigan, including the making and collecting of sufficient rates for water and sewer services rendered by the System, and the segregation and application of the revenues of the System in

the manner provided in this (b) The Village Council will cause to be maintained and kept proper books of record and account, separate from all other records and accounts, in which shall be made full and correct entires of forms be available, a statement in reasonable detail, swom to by its Chief Accounting Officer, showing the cash income and disbursements of the System during each operating year, the assets and liabilities of the System at the beginning and close of the fiscal year, and such other information as is necessary to enable any taxpayer of the Village, user of the service furnished, or any holder or owner of the bonds or anyone acting in their behalf, to be fully informed as

to all matters pertaining to the financial operation of the System during the year. A certified copy of such statement shall be filed with the Municipal Finance Commission, and such statement and books of record and account shall at all reasonable times be open to inspection by any taxpayer of the Village, user of the service or holders of any bonds or anyone acting in their behalf. The Village Council will also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and will mail such audit to the manager of the syndicate or account purchasing the bonds. Such audit shall be completed and so made available not later than three months after the close of each operating year and said audit may, at the option of the Village Council be used in lieu of the statement on forms prepared by the Municipal Finance Commission for all purposes for which said forms are required to be used by this Ordinance.

(c) The Village will mainand carry for the benefit of the holders of the bonds, insurance on all physical properties of the System, of the kinds and in the amounts normally carried by public utility companies and municipalities engaged in the operation of water supply or sewage disposal systems. All moneys received for losses under any such insurance policies shall be applied soiely to the replacement and restoration of the property restoration of the property damaged or destroyed, and to the extent not so used, shall be used for the purpose of calling bonds.

(d) The Village will not sell, lease or dispose of the System, or any substantial part thereof until all of the bonds have been paid in full, both as to principal and interest. The Village further will cause the operation of the System to be carried on as economically as possible, will cause to be made to the System all repairs and replacements necessary to keep the same in good repair and working ord er and will not do or suffer to be done any act which would affect the System in such a way as to impair or affect unfavorably the security of the bonds. The Village will not grant any franchise to operate a competing water or sewer facility.

## Celebrate Golden Anniversary

Mr. and Mrs. Alvin Tirb

Mr. and Mrs. Alvin Tirb would like to have their friends and relatives join them from 3 to 5 p.m. Sunday, May 21 at the Emanuel Church Hall to help them celebrate their golden wedding anniversary. They ask that gifts be omitted.

The party is being planned by their children, Mr. and Mrs. Willard Schaible of Wamplers Lake, Mr. and Mrs. Walter Samonek of Brooklyn and Mrs. Wilbur Frey of Manchester. They have six grandchildren and one great-grandchild.

The couple was married May 16, 1917 at their farm home, 14950 Buss Road, where they have spent their entire married life. The Tirbs are lifelong members of the Emanuel United Church

#### OPTIMISTS SPONSOR BICYCLE INSPECTION

Manchester Optimists will sponsor a bicycle inspection be tween 1 p.m. and 2:30 p.m. Saturday, May 20. Bicycles which pass the tests will be furnished reflector stickers.

Children in the community are asked to report with their hikes at the Tennis Courts on the Athletic Field. Children in the Pleasant Lake area are asked to bring their bikes to the Pleasant Lake School.

All bikes will be inspected by Optimist Club members.

The Manchester Board of Education is holding a special elect- the Memorial Day parade, accord. Day parade-to honor those who ion on May 29 for the purpose of voting five mills extra operational millage needed by the school district .

This is the same amount of extra operational millage requested and received last year. Due to an increase in the district's state equalized valuation it is not necessary to increase this amount of millage even though the school district's expenses for the coming school year have increased considerably.

The major portion of the increase is in the area of instruction Large classes in both elementary and junior high grades make it necessary to add additional personnel in these grades to reduce class size to a reasonable number An additional amount of money is necessary to improve the existing salary schedule. The other increases indicated

are made necessary by the expanding facilities in the school

The May 29 election deals with operational millage only
