MICHIGAN WEEK

dynamic in world progress

By Mary Whitman

Gadget printing is a good way for the children to make art.

What you need to gather are brown and white paper, jars of poster paint available at the creative art racks of variety stores and household gadget stores. For the most part, the paint will wash off easily if the gadget surface is firm. When porous-surfaced painting gadgets are used — cookies, for instance — it's better to supply old or throwaway items.

These are just a few of the things a child can print designs with: a fork, a comb, a spatula, hair rollers, bottle caps, washers, bolts, a tin cup, a carrot, a cookie cutter (inlaid with clay, or the top of an herb jar). Poster paint is poured into a foil pan. The child dips the object into it, then makes the impressions on paper. Trying out designs satisfies him at the time. Later the paper can be used for birthday or holiday wrap for small gifts. While the paint dries, the child has double purpose for a small art.

"Unquenchable curiosity is part of a youngster," point out playtime planners at Whitman Publishing Company of Racine, Wisconsin. Reading producers of juvenile art and activity items. "So the more objects a child can work with the more pleased he is." Small utensils and low-cost art materials give him hours of experiments. New juvenile books at local stores on print and paper art and painting supply ideas.

Some printing can be used to make invitations and greeting cards. Lettering can be done freehand in crayon or traced from a stencil book.

A child who prints with the top of a toyed jar could win letters later. His hobby gives him art background for future museum trips, club activities, school courses and careers.

May 29 Date For Millage Election

Monday, May 29 the registered voters in the Manchester School District will be asked to vote on the continuation of the existing five mills of extra operational millage needed by the school district for the 1967-68 school year.

Due to the increase in the State qualified valuation of the local school district it is not necessary for the Board of Education to increase the amount of extra voted millage. They are asking for the same amount of mills as were levied last school year.

The five mills are needed to maintain the present school program and provide additional teachers for increasing enrollments in several grade levels. Also, it is necessary to make further improvements to the Manchester teachers' salary schedule.

The election will be held in the new library of the Manchester High School with polls open from 7 a.m. to 8 p.m. Parking will be available at the west side of the school building and all citizens voting in this election are invited to use the west entrance of the new addition.

Patrons are invited to inspect the new addition while they are voting in the election. The overall square footage cost of the new addition was \$16.53.

The proposed working budget for the 1967-68 school year calls for \$684,865,000. This is an increase of \$98,400 over the 1966-67 school year. Incorporated in this overall increase in addition to the five extra teachers and the salary schedule improvements are the following items: Paved parking lot at high school, new floor in the Intermediate gymnasium, extra custodial help and extra operational and maintenance items.

Additional teachers to reduce class sizes and the above indicated improvements are necessary and cannot be construed as "frills". The Board of Education has gone over the proposed budget with care and only those items important to a sound educational program have been retained.

The May 29 election deals with operational millage only. It is important to the school district that this millage request be supported in a positive way school officials point out. For those who desire additional information on the millage election they are invited to call the superintendent of schools or any member of the Board of Education.

Second Area Man Lost in Vietnam

Armed conflict in South Vietnam has claimed the life of a second service man from the Manchester area. Word was received Wednesday morning that Sgt. Peter Valencich,

age 20, was killed in action in South Viet Nam.

Sgt. Valencich had entered the Army on May 16, 1966. He served his basic training in Fort Reilly, Kansas and was awarded the medal for the highest scorer on Proficiency test while in basic training. He was shipped to Viet Nam on Dec. 19, 1966 and served with Co. A 2nd Battalion, 60th Infantry Division.

On March 15th he was awarded the Bronze Star for heroism in action having carried a helpless wounded comrade 75 meters to safety from an unprotected open area.

Sgt. Valencich was killed on May 22 by a land mine.

He was born January 1, 1947 in Ann Arbor, the son of Joseph and Naomi Gidley Valencich. He graduated from Manchester High School in 1965 and was a member of the Varsity basketball team while in school. He was a

member of the Radio Church of God. Sgt. Valencich had been employed by the Double A Product Co. in Manchester prior to entering the service.

He is survived by his parents; one brother, Thomas, at home; four sisters, Mrs. Robert (Marlene) Wisner of Ames, Iowa, Mrs. David (Josephine) Gunk of Whitmore Lake, Mrs. Thomas (Mary) Nicholas and Mrs. Douglas (Linda) Harvey of Ann Arbor; his grandmother, Mrs. Jessie Gidley of Grand Ledge; one niece and one nephew, several aunts, uncles and cousins.

The body will be returned to the Jenter Funeral Home in Manchester for funeral services and burial.

This community's other casualty in South Vietnam was Pfc. Roy Bihlmeyer. Both graduated from Manchester High in '66. Both served with Company A, 2nd Battalion, 60th Infantry Division.

MAYOR EXCHANGE VISITORS LIKE CENTENNIAL VILLAGE

Just as in every mayor exchange celebration of Michigan Week, Manchester rolled out the red carpet for the visitors. To Eugene and Mrs. Bentschneider and the Ted Roberts should go much of the credit for the smooth running of the day's program.

Village president Gale Koebe and councilman John Althouse and their wives were with the party when they met for breakfast at Aunt Jemima's Kitchen.

Dr. and Mrs. Paul Mullin took the Manchester representatives back to Franklin Village.

Their day included a tour of the General Motors Technical Center at Warren. There is no industry in Franklin Village. The tour included a glimpse of many lovely homes and a luncheon at one of the restaurants.

Back in Manchester the visitors toured Main Street and met the merchants. The Duane Rollers entertained at noon luncheon. There was a tour of Chrysler Proving Ground. The ladies visited the schools and library. The men went through the local plants. The two groups met at Roberts' home and started back to the business district.

About that time Police Chief Wilson blew his siren and arrested everyone for failing to be in Centennial costume. He was assisted by Harry Macomber and the Keystone Kops who herded them into the stockade.

At Centennial headquarters they appeared before Judge Jim Scully where Mayor Oberstutte was ordered to pay 29 cents in pennies and given 60 seconds to acquire them.

The ladies were given yellow rose corsages and matching bonnets. The men were presented with hats and bow ties and centennial certificates.

At the dinner at the Knights of Columbus hall many were in costume.

Various former were introduced including a former village president, 93-year-old Carl Wuerthner who gave an interesting talk.

The visiting mayor mentioned the friendly spirit of the people in the community. He mentioned that this centennial community's original store fronts are the envy of many and he hoped they would be preserved.

Annual Athletic Banquet Date Set

The annual Manchester Athletic Banquet will be held at 7 p.m. at the Knights of Columbus hall, Monday, June 5 sponsored by the Optimist and Athletic Booster Club.

The invocation will be given by Rev. Ralph Kuehner with Dan Boutell the toastmaster. The Varsity Choir will be directed by Roger Morrison. Football and baseball introductions will be made by Jack Raffaeili; basketball introductions by Gary Schick; track by Ron McNally; golf by Philip Mains. Girls' basketball and cheerleaders will be introduced by Noreen Williams.

MANY ATTEND INAUGURAL BALL

Some 130 people attended the inaugural ball Saturday evening at the Tecumseh Country Club. Installed were Gary Brokaw, president; Bob Rhee, vice president; Stanley Poet, director for two-year term and past president Bill Bunney automatically becomes a member of the board of directors.

Lauren Bertke will serve for a one year term on the board. Re-elected were Don Paulkin, secretary and Bob Hamilton, treasurer.

Jaycee of the Year award went to Lauren Bertke and Bob Hamilton. Joe Fitzgerald and Bill Bunney tied for the Keyman award.

Spoke awards went to Paul Bigelow, Al Gebhardt, Dennis Helrich and Jack Lockridge, Harry Macomber and Cliff Tracy.

Mrs. Ed Kirk was presented with a certificate of appreciation and a little gold spaniel engraved "Best Chef in Manchester". She served the Jaycee dinners all last year and was cited for her outstanding service.

The Spark award went to Lauren Bertke, Gary Brokaw, Bill Bunney, Ted Curley, Joe Fitzgerald, Bob Hamilton, Doug Hughes, Larry Kouba, Dave Little, Jim Lyon, Ron McNally, Don Paulkin, Stan Poet and Bob Rhee.

ACCOUNTANTS ELECT LOCAL MAN

Clyde Nixon, controller of Double A Products Co. 715 E. Duncan Street, Manchester, was elected to the board of directors for the Ann Arbor Chapter of the National Association of Accountants at its monthly dinner meeting at Inn America Lounge in Ann Arbor on May 18.

Memorial Day Plans

Plans are now complete for the Memorial Day parade, according to Al Gaige, commander of Emil Jacob Post 117, American Legion.

The parade will form at 9:30 a.m. at the Main Street bridge where flowers will be thrown in the Raisin River in memory of those who gave their lives in the navy. Leading the parade will be the High School Band, Legion Members, Boy Scouts, Cub Scouts, Cloyers and Junior Auxiliary members.

There will be a short service at Wurster Park with a few words by Commander Gaige and a prayer by Rev. Stanley McKenzie of Lansing, who is pastor of the Norvell Baptist Church. The flag will be raised at Wurster Park.

The parade will continue to Oak Grove Cemetery where Rev. McKenzie will deliver the address. The firing squad will be under the direction of John Bivins, Sgt. at Arms.

James Kansler, custodian of the graves will have some 210 flags placed on the graves in the various area cemeteries prior to Memorial Day.

After the memorial service at Oak Grove the Legion members will go to Norvell Cemetery where they will decorate graves.

"Around noon, when the Legion returns to Manchester, an old fashioned picnic will be held at Carr Park and the two Manchester Bands, under the direction of R. C. Sator will play two concerts," Gaige said.

"By old fashioned picnic we mean the kind that is packed at home by families. Where they will eat what they bring—but the families will join together for a picnic. There will not be any foods or beverages sold at the Park. People are invited to wear centennial costumes if they want to."

"Somewhere some people have been misinformed. There will not be any floats of any kind. We may have antique cars taking some of the Legion members who are unable to walk and there might be auxiliary police on horseback but this is all," Gaige related.

The Centennial Parade is planned for July 4th but the Centennial committee will not be having an active part in the Memorial Day parade. The main difference from former years is that the people of the community are invited to the Carr Park for the picnic and to hear the school bands.

UPWARD BOUND PROGRAM SCHEDULED BY EASTERN

Manchester has been invited to submit ten names for consideration for the Upward Bound Program being set up in Washtenaw and Macomb Counties.

Sixty boys and girls from high schools in the area will begin an eight week study on Eastern Michigan University campus sponsored by the Office of Economic Opportunity.

The tenth graders, selected from lists submitted by their school counselors, will be students who have a potential for higher education but who, for various reasons, have not demonstrated it.

Typically, these youngsters have been apathetic or even hostile to school because they come from an environment which hinders them from realizing their real talents. The purpose of the program is to give them the instruction and experiences necessary to overcome earlier obstacles. The hope is that some of them at least will be awakened to the advantages of higher education.

The group will receive instruction in the areas of communication, science and mathematics but there will also be a program of culture and recreational activities to round out their experience. The EMU staff assigned to the program will be augmented by teachers from local high schools. One counselor will be provided for each unit of ten students in order to insure careful supervision.

Students will live in one of the residence halls on campus and will have access to University facilities. Parents will be encouraged to visit them often.

Besides room and board, each boy and girl will receive a stipend of \$10 a week.

During the regular academic year beginning in September, those who have spent the summer here will be expected to attend a series of Saturday morning meetings for continued tutoring and counseling. They will be paid \$5 for each meeting attended.

THE EDITOR'S CORNER

SOMETIME

Sometime, when you're feeling important, Sometime, when your ego's in bloom, Sometime, when you take it for granted You're the best qualified in the room.

Sometime, when you feel that your going, Would leave an unfillable hole, Just follow this simple instruction, And see how it humbles your soul.

Take a bucket and fill it with water. Put your hand in it, up to the wrist, Pull it out, and the hole that's remaining, Is a measure of how you'll be missed.

You may splash all you please when you enter, You can stir up the water galore, But stop, and you'll find in a minute, That it looks quite the same as before.

The moral in this quaint example Is do just the best you can, Be proud of yourself, but remember, There is no indispensable man.

On May 30th we honor the deeds and the memories of the members of our Country's armed forces who have secured and maintained our liberties over nearly two centuries: in the Revolutionary War, the War of 1812, the Mexican War, the Civil War, the Spanish-American War, World War I, World War II, the Korean War. While their descendants survive, their heroism will remain fresh in the hearts of a grateful nation.

Friends here will be interested in an article which appeared in the Birmingham Eccentric on May 18.

It was first brought to the attention of Manchesterites at the Mayor Exchange dinner by visiting Mayor Richard Obershutte of Franklin, who lives next door to Mr. and Mrs. Ray Marx. Ray Marx is the son of Mr. and Mrs. LeRoy Marx of Manchester.

ENTHUSIASTIC GOLFER GETS SCIENCE AWARD

This week, Dick Marx, son of Mr. and Mrs. Raymond L. Marx, 27270 Appletree, Franklin, has been selected Teen of the Week. Dick, a senior at Groves, says, "I like school, I'm crazy about sports, and I find my time about evenly divided between the two."

He does well in both. In sports, Dick has been in the ski club for three years, and this year went to Colorado over Easter to ski on the ski club's annual Colorado trip. Presently, Dick is completely immersed in golf. He has been a varsity golfer for the past two years at Groves and has about an eight handicap.

In school, Dick does even better. He is the valedictorian of the class of '67. He is a National Merit finalist, and a semifinalist in the Michigan mathematics prize competition.

Dick plays the baritone, and has been in the Groves band for six years.

Dick is in the Chemistry Club at Groves, and this year won a third place in chemistry in the Metropolitan Detroit Science Fair. His project was entitled "Gas Chromatography-Detection and Analysis" and dealt with gas chromatography as a method to separate and analyze the different gas components.

Dick is also recipient of the Harvey M. Marker Award, which the American Institute of Chemical Engineering gives to the outstanding student in southeastern Michigan showing an interest in chemical engineering.

Despite his excellent academic record, Dick doesn't like to be judged for this alone for he enjoys doing much the same as the next person does.

This summer, Dick is going to be driving a truck for a trucking equipment company and "getting in as much golf as I possibly can."

Next year, Dick will attend Michigan State University in East Lansing and will major in engineering.

PROPOSED ELEMENTARY SCHOOL NEEDS \$650,000, BOND ISSUE OK DISTRICT READIES FOR ANNUAL ELECTION

The annual election of the Manchester Public School District in Washitaw and Jackson counties will be held Monday, June 12. Polls will be open at 7 a.m. to 8 p.m. Monday, June 12 in the High School Music Room, East Main Street.

Two members to the Board of Education for full four-year terms will be elected. Nominated to the vacancies are incumbents: Charles C. Klager and Laurin F. Peterson and Mrs. Don Limpert and Richard E. Way.

Only persons registered as voters in the township in which they reside are eligible to vote. Qualified electors will also be on the proposition: Shall Manchester Public School District borrow the sum not to exceed \$650,000 so as to erect, furnish and equip a new elementary school house, construct and equip playgrounds, acquire additional

land for site purposes and develop and improve sites. Only property owners or the lawful husband or wife of a qualified voter will be eligible to vote on this issue.

The proposed new elementary building will consist of a kindergarten, 12 classrooms, multipurpose room, PTA kitchen, library storage, visiting teachers conference room, faculty room, faculty toilets, offices for principal and secretary, waiting area, health room workroom and supply storage, heating plant and receiving and storage. A part of the money in the bond issue will be used to acquire a new site and develop a portion of it for elementary school play areas, walks, parking and drives.

Louis C. Kingscott & Associates have estimated all costs for acquisition and development of the site and for erecting and furnishing the proposed elementary

school at \$650,000.

Bonds will be retired over a 29-period during which time taxes will be levied. School officials point out that bonding attorneys estimate that about 1.98 mills (\$1.98 per \$1,000) of state equalized valuation will be required to meet bond interest and principal payments.

If the additional cost to the taxpayer is \$1.98 per thousand on state equalized valuation the estimated amounts for each of the four major townships in the school district would be: Bridgewater \$4.38 per \$1,000 Freeborn \$4.85 per \$1,000 Manchester \$4.95 per \$1,000 Sharon \$6.24 per \$1,000 assessed valuation.

Based on past experiences of the Manchester School District, school officials point out that it is unlikely that the tax rate will be higher, but it is quite possible

ANN ARBOR ROAD (M52) (W)

that it would be lower. New homes and new industries will mean lower tax rates. When all factors of operation millage, extra operating and debt

millage are considered, the increased amount of taxes would be one mill more than last year on State Equalized Valuation.

Baccalaureate Services Sunday

The Rev. Fr. Raymond R. Schlinkert of St. Mary's Church will give the address at the 94th Baccalaureate services at 8 p.m. Sunday, June 4. The program will be held in the High School gymnasium. Invocation will be given by the Rev. Ralph Kuehner.

At the commencement at 3 p.m. Sunday, June 11 the guest speaker will be Dr. Harold Sponberg, president of Eastern Michigan University. Scholarship awards will be presented by Chester Kocinski, principal.

Salutatorian, Donna Gilbert and valedictorian, Janice Service will give addresses.

There are 61 graduates this year. Supt. Robert Swartz will present the class and diplomas will be given by Luther Klager, president of the School Board.

The class choir will be directed by Robert Sortor.

The class motto is "Today we learn, Tomorrow we succeed." The class flower is the carnation and the colors are navy blue and light blue.

Manchesters Votes Millage Renewal

By a vote of 259 to 120 Manchester residents Monday approved the renewal of five mills for operational expenses for 1967-68 school year.

With the millage renewal, the schools now levy a total of 16.22 mills for operational expenses.

Ground Breaking for New Church Sunday

The Faith Community Church of Manchester is planning dedication services in a ground breaking ceremony at 3 p.m. Sunday, June 4 at the site of the new church.

The location is on Sharon Hollow Road 3.5 miles southwest of Manchester about a quarter of a mile off Austin Rd.

The public is invited to attend. The church is to be of brick construction about 40' by 74'. Seating capacity will be about 300 and will cost about \$70,000.

Taking part in the ground breaking ceremony will be the Rev. Thomas Hicks, Charles Carlton Sr. and Claude Gage.

RECIPE FOR A GOOD TIME. Take some 500 kids, all dismissed at 11:30 a.m. and everyone will head for Carr Park, a picnic and an afternoon of games--and you will have the recipe for a "fun day."

To this add the final information that school will be dismissed at 11:30 a.m. and everyone will head for Carr Park, a picnic and an afternoon of games--and you will have the recipe for a "fun day."
