The 1967 "Dollars for Scholars" grants were presented on Wednesday of last week at the Union Savings Bank conference room.

The total amount of the current grants was \$1,050 and the recipients were Richard Wampler, Janice Leach and Lucy Feldkamp.

In the capacity of chairman, Father Raymond R. Schlinkert presented the three checks of \$350 each.

The students receiving the checks plan to attend three different schools.

Richard Wampler is going to attend Eastern Michigan University. Janice Leach is going into nursing at Mercy College and Lucy Feldkamp will attend University of Michigan.

Each student signed the following statement: "I understand that after completion of my education, to the extent that I am financially able to do so, I will be expected to contribute to this chapter of the Citizens Scholarship Foundation an amount at least equal to any loan I received so that other deserving students in my community may receive help".

GUEST PREACHER

Rev. Carryl R. Zietow will be the guest preacher at the Bethel Church this Sunday. Services start at 10 A.M. Rev. Zietow is substituting for the Rev. Theophil Menzel, who has been hospitalized due to a heart attack.

Twentieth Century Centennial Lawn Party

Over 75 senior citizens attended the Centennial Lawn Party given by the 20th Century Club at the Walton home Tuesday afternoon, July 25th.

The party began at two and lasted till five P.M. The guest in attendance were born in the first half of the century (1867/1920)

While the guest 'sat a spell' and reminisced old times, they were served pink lemonade, iced tea and cookies by hostesses dressed in Centennial outfits.

One of the highlights of the party was a special display of antique items, all of which had an early historical value pertaining to Manchester.

CHICKEN BROIL A SUCCESS

Under the supervision of Rollie Grossman, Luther Klager and 100 chefs, nearly 10,000 satisfied customers were served at the 14th Annual Chicken Broil last Thursday evening.

The broil started at 4:30 p.m. and lasted until the last person was served some four hours later. Plenty of chicken was on hand to serve the thousands who come to this event every year.

One of the most successful parts of this year's broil was the take-out service. The efficiency of these men was remarkable, as they were averaging 40 to 41 complete dinners a minute!!

There was Centennial hi-jinx too, as the highlight of the day's festivities was a tug-of-war between the teams from Manchester and Brighton, who is celebrating their Centennial year along with Manchester.

The Manchester team won the tug-of-war, pulling the Brighton team through a "wall of water" provided by the Manchester Fire Department.

In a summary meeting held Monday night at the Union Savings Bank, the chairman and co-chairmen discussed the possibility of enlarging the Chicken Broil. But it was agreed that steps must be taken toward securing more adequate parking facilities.

It was suggested by Luther Klager that the High School, Double A Products, Carr Park and Hoover Ball parking lots could be used with a bus-shuttle system to the Athletic Field. Chairmen expressed the need for more help in the take-out, serving and coffee departments.

Plans for next years Broil are already in the making and those were not contacted this year should get in touch with Rollie Grossman for next years' Chicken Broil for much more help will be needed.

CLINICS CANCELED

Because of the civil strife in Detroit, the Red Cross Blood Clinics in that area have had to be canceled. As the Red Cross is the principle supplier of blood and must meet its commitments to more than 100 hospitals in our five county area, alternative sites have been chosen to collect blood outside Detroit city limits.

This is an emergency plea for donors of this area to support their Red Cross Bloodmobile which will be held Friday, July 28 at the Washtenaw County Chapter Center, 2729 Packard Road, Ann Arbor.

Hours for this special clinic will be 10 a.m. to 4 p.m. If possible make an appointment by calling 662-5546—in any case come or see that someone from your family attends. A donor may safely give every eight or ten weeks or about five times a year.

Altitude— Be Cautious In Mountains

Planning a trip to the mountains to get away from the heat for a week or so? So are several million other American families at this time of year.

The American Medical Association cautions that if you're headed for some really high mountains, above 7,000 feet, it would be wise to make the change gradually if you wish to avoid "high altitude sickness." Anyone who has

made a trip to Mexico City can tell you of his troubles in this respect.

Try, if you can, to make the ascent over a span of days so that your body can adjust to the oxygen-poor "thin air" at higher elevations. Consult your physician in advance.

Symptoms of high-altitude sickness are drowsiness, headache, loss of appetite, nausea and vomiting, a feeling of warmth and flushing of the face soon after arrival, and troubled sleep, irritability, and shortness of breath.

There are some precautions that may help prevent distress if you have to make a fast trip from a low level to high elevations. Before the trip, get a good night's rest

and avoid alcoholic beverages and heavy smoking. A good breakfast an hour or so before departure is all right, but no food should be taken during the rest of the trip.

Reduce physical activity during the trip. Sit quietly as much as possible. After arrival in the high altitude zone, go to bed for a few hours and eat very lightly. Indulge in only light physical activity during the first 24 hours. Walk don't run. If you have to climb steps to a hotel or lodge.

Patients with certain heart and respiratory conditions may experience more serious discomfort by abrupt changes to high altitudes. However, physicians have noted that most patients with cardiac or pulmonary disease who can move around and engage in moderate

activity at sea level most often can tolerate altitudes of 7,000 to 8,000 feet without serious effects.

If you have doubts as to whether you or someone in your family may suffer from a trip to the high mountains, consult your physician in advance.

The Michigan State Fair has scheduled a big, free, three-ring circus in the Grandstand for six days of the annual Fair which opens Friday, August 25 and continues through Labor Day, September 2.

Case J. Waring, State Fair acting manager, points out that the circus will be free for persons once they are on the grounds. General admission to the Fair, itself, is \$1.50 with children 12 and under free.

The circus entertainment, arranged by the committee headed by Authority member Carl Manley of Caro, will feature three rings of animals, clowns and daredevils including sway pole, aerial ladder, trapeze and tight wire acts.

MYI TOURING EUROPE

Vienna, Austria, and Budapest, Hungary, rolled out the "Welcome to MUSICAL YOUTH INTERNATIONAL Youth 15th-20th. A capacity audience waited half an hour on Sunday, July 16th, in the St. Ignace Church, Kalliviter, Budapest, until MYI arrived in a downpour of rain and hail. The chorus entered immediately into the Sanctuary to sing, while the band arranged equipment. Each band member marched in, carrying a sign, as well as instrument and music stand, as well as instrument and music stand, as well as instrument and music stand.

MUSICAL YOUTH INTERNATIONAL began their day on Monday, July 17th, by a pilgrimage to the grave of Zoltan Kodaly. Mary Ellen Lewis, Secretary of MYI and the Ann Arbor Chapter of People-to-People, opened a ceremony with a tribute to Kodaly. Then Miss Carolyn Anderson and Miss Ginger Suel, staff members, laid sprays of flowers on the grave. Dr. McCoy, the student in "Instrument of Thy Peace", as a final gesture of reverence.

On Monday evening, MYI attended an international Youth Camp beside the Danube River. After supper and dancing, a teen-age audience of 800 listened attentively and responded with the "rhythmic clapping", a symbol of true acceptance. A full moon illuminated the forest and Danube River, as MYI returned to their quarters. The Budapest reception committee presented each student and staff member with a hand-made heart, as good-byes were said. A sincere invitation to return to Budapest was perhaps the highest praise MYI has yet received.

On Wednesday, July 19th, the Mayor of Vienna received the entire group publicly in the Historic Town Hall. MYI responded with a serenade. One number was a flute solo, presented on request, by Nancy Waring, of Livonia, Michigan. The Mayor presented a citation, a porcelain statuette of Johann Strauss to Dr. Lester McCoy, Musical Director, for his outstanding contribution to world peace thru achieving such musical messages through people-to-people. The evening concert in the Marienkirche, oldest church in Vienna, was attended by a most discriminating audience. "Unbelievable!", "truly professional!", such tone and harmony from students", were the after-concert comments.

Vienna, city of music and poetry, was a dream come true. Beethoven, Mozart, Schubert, Goethe, Haydn, never again be names on a printed page to our hundred American teenagers, members of MUSICAL YOUTH INTERNATIONAL.

MYI will return directly from Stuttgart, Germany to Detroit Metro Airport on July 29. On August 1, a special concert will be given in Whiting Auditorium, Flint, Michigan, honoring the Sister-city affiliation of Fenton, Michigan, and Flint, Wales, where MYI gave a concert earlier this month. After spending the night in Flint, MYI will journey to Havelock, Ontario, where MYI will give a concert to help raise funds for artificial ice to be put into the local hockey arena. The next morning, MYI will travel to Ottawa, and will tour the Parliament Building. As part of the Canadian Centennial Celebration, MYI will give a concert at the Supreme Court Building in Ottawa at 1 p.m. on August 3rd, and then will travel to Montreal. At EXPO 67, they are scheduled to give concerts in International Bandshell E at 8 p.m. August 4, 12:30 p.m. August 5, and at 8 p.m. August 6, which is Youth Day. The first of the concerts at EXPO 67 will be taped by Radio

MYI Letters To Home

The following letter was written to Mr. & Mrs. Fred Buss, about their son Paul, who is on tour with MYI.

Dear Mr. & Mrs. Buss, I just had to write to you to tell you how much we have enjoyed having your son, Paul stay with us in Brecon this past week. We were really sad to part with him and his friend Lee this morning. He behaved well, was great fun and was a great credit to you in every way. You will be glad to know that he was very well and we know he enjoyed himself by the exclamation, of "Man ain't that something!"

We attended both the Brecon concerts and enjoyed them very much indeed. They worked very hard.

He will have lots to tell you from the way we say Saline the wrong way (not any more tho) and how he stopped a goal when playing English football yesterday. We will be thinking of you on the 29th of July when you have him back for a few days. I'm sure you are looking forward to that. We have told Paul to come and see us anytime, he was like another son to us. Guess you are busy with the Centennial Celebrations. Hope it is a memorable summer for you. My husband Idus and son Peter

Join with me in sending you and your daughters our kind regards.

Mrs. J. Evans Brecon, S. Wales

The next letter is from Lucy Feldkamp, daughter of Mr. and Mrs. Reno Feldkamp. Lucy is also on tour.

Dear Mom, I am writing this just a few minutes before our evening concert in Chester. I have been to a castle in Wales. The Wales is stunning! The mountains and fields are just beautiful. The accents are much different from the English and we had to get used to a whole new dialect when we got here.

When we originally went looking for the castle here, my Mum couldn't find it, so we asked a boy who was on a bicycle. He gave us the wrong road! We finally found it though, but all the

time we had left was two minutes, just enough time for Penny and I to run through a hayfield, take a picture and make it back for our evening concert.

After the concert, we had an impromptu celebration for the 4th of July. Someone had brought sparklers with them from America. We lit them and waved them around while we sang "America, The Beautiful", the English just stared at us, probably wondering if we were as rebellious as we were 200 years ago.

I am now writing on a street in Plandudno, Wales. The Eisteddfod is tomorrow. We are all ready and hopeful.

Well, we are going to eat soon so I guess I had better say good-bye. Lucy

MILLIKEN TO SPEAK AT MANAGEMENT TOUR

Gov. William Milliken will speak at the State Farm Management Tour in Clinton Tues., Aug. 1. Farmers throughout Michigan are expected to view the four outstanding and hear the discussions of farm business operations.

This is the 19th annual tour sponsored by the Department of Agriculture and Economics and Cooperative Service of Michigan State University in cooperation with the county extension staff. Earl Clinton county Extension agent, is in charge of local farmers and business men cooperating with the tour.

Alternative stops are listed as follows: At 10:45 a.m. the 400-acre corn, soybean and mint producing farm of Robert Halsey and Richard Halsey, two miles northeast of Leos, will be one of the farms. Halsey is a son-in-law of Hal Moore and has a unique farm operation. The F. Lee Ormston dairy farm, east and north of St. Johns, will be the alternative stop. Ormston's father, Frank Ormston, owns a cow Guernsey herd but since his retirement, Lee Ormston manages the 327-acre operation. The dairy is heated and ventilated, is a feature dairy farmers will want to see at this tour stop.

At 10:45 a.m. the Green Meadow Farm, Elsie, will be featured. This 2,700-acre dairy farm with more than 2,300 purebred Holstein animals is Michigan's largest. Merle Green and sons, Duane and Velmar, operate this family farm which is one of the largest registered Holstein operations in the United States. Lunch will be made available at the Green Meadow Farm and after the farm operations are discussed, Lt. Gov. Milliken will make his remarks.

The last farm to be visited is the Moore seed farm three miles northeast of Elsie. At 2:30 p.m. visitors will meet the Moore family and hear a discussion of the farm business. For more than a third of a century this farm has been growing certified beans, corn, oats and wheat for Michigan growers. The third generation is now interested in the farm operation. George Moore and son Robert are partners in the operation but Robert's two oldest sons grow some crops under contract for the farm.

Of interest to ladies will be a tour of the Robert Moore home which is unique in that the panels in the different rooms are from the family woodlot and cured and milled to specifications. Four different kinds of native wood are used.

Several members of the Michigan State University Extension staff will assist at the statewide event.

1968 Wheat Acreage Allotment Set

Washtenaw County's acreage allotment for the 1968 wheat crop has been set at 32,063 acres, Earl Doletzky, Chairman, Agricultural Stabilization and Conservation County Committee, has announced. This compares with the 1967 allotment of 36,923 acres.

The 1968 national wheat allotment of 59.3 million acres compares with a 1967 allotment of 68.2 million acres.

As indicated in the announcement of the national allotment figures, the 1968 acreage allotment—with average weather—would provide a crop of approximately 1.5 billion bushels. A crop this size will balance with estimated domestic use of 735 million bushels and an export target of at least 750 million bushels during the 1968-69 marketing year which begins July 1, 1968.

Other operating details for the 1968 wheat crop will be announced soon.

NOTICE

Dear Pauline:

M This is really embarrassing... Last Saturday I'd been waiting in the Ben Franklin Store quite awhile when I noticed two women who seemed to be eyeing me and giggling together...finally they came up to me and said "you must be Marvin! we've read about you...will you sign our autograph books, please?" Honestly Pauline I didn't know what to do...so I signed. But then about a dozen more descended upon me with autograph books. It was some Woman's Club and I had to sign all their books...But by then, Pauline, I'd had it. I just ducked out of there. I'm sorry to have missed you and the kids but I hope you can meet me next Saturday at BEN FRANKLIN...They have Women's Folding Slippers on Sale at 66c and I think you'll be interested.

Love, Marvin

Support Loans Marketing

Support loans on wheat give
farmers an opportunity to exercise
choice in the market," Frank
Light, Chairman, Michigan State
Cultural Stabilization and Con-
servation Committee, said today.
Even though there will be no over-
plus of wheat as a result of
this year's crop, market prices for
wheat are low, particularly in
winter, may drop unexpect-
edly if too much wheat marketed
at once, Chairman Light
said.
"Each farmer has to make
his own decision of the best
time to market, he said.
"However, price support loans do
give farmers immediate cash at
the time of harvest, and control
of their wheat and market it at a
later date by selling the loan.
"Chairman Light acknowledged
predicting the course of the
market is at best somewhat
uncertain. On the average, wheat prices
tend to be higher later in the
marketing season than at har-
vest time. He pointed out, how-
ever, that prices last year were
higher in the July-September period
than through the remainder of the
season to date.

Light also pointed out that the 1967
white and soft red wheat crop
is substantially larger than last
year. He said that if markets are
flooded with soft wheat at harvest-
time, prices are apt to drop more
than supply-demand conditions
can justify. He repeated, how-
ever, that farmers must make their
choice in deciding whether to
market immediately or take out a
loan on the basis of the storability
of their crop, and the availability
of storage either on their own farms
or in commercial warehouses, and
their appraisal of the market.
"I cautioned producers to be sure
the 1967 crop wheat taken to the ele-
vator for storage is sampled for an
official grade inspection if there is
any possibility the wheat will be
sold under price support, either
for or for purchase later by CCC.

BICYCLE TRIO RETURN HOME. l to r: Pat Roesch, John Chapin and Mark Kadin pictured at the end of their journey.

Three Manchester boys returned home last Wednesday night after covering 725 miles on bicycles from Manchester to Sault Ste. Marie and back.

The boys that made the 10-day trip are John Chapin, Mark Kadin and Pat Roesch. The boys left Manchester on July 10 and reached the Soo on July 14. There they spent two days for sightseeing.

During the trip, they covered about 85 miles per day, camped when they got tired and bought food along the way. John was the photographer, Mark acted as navigator and Pat kept a journal of their travels. All three shared in the cooking chores.

It rained for seven out of ten days of the trip, during which time the boys fixed seven flat tires. They all took turns selling their parents as soon as they found a camping spot each night.

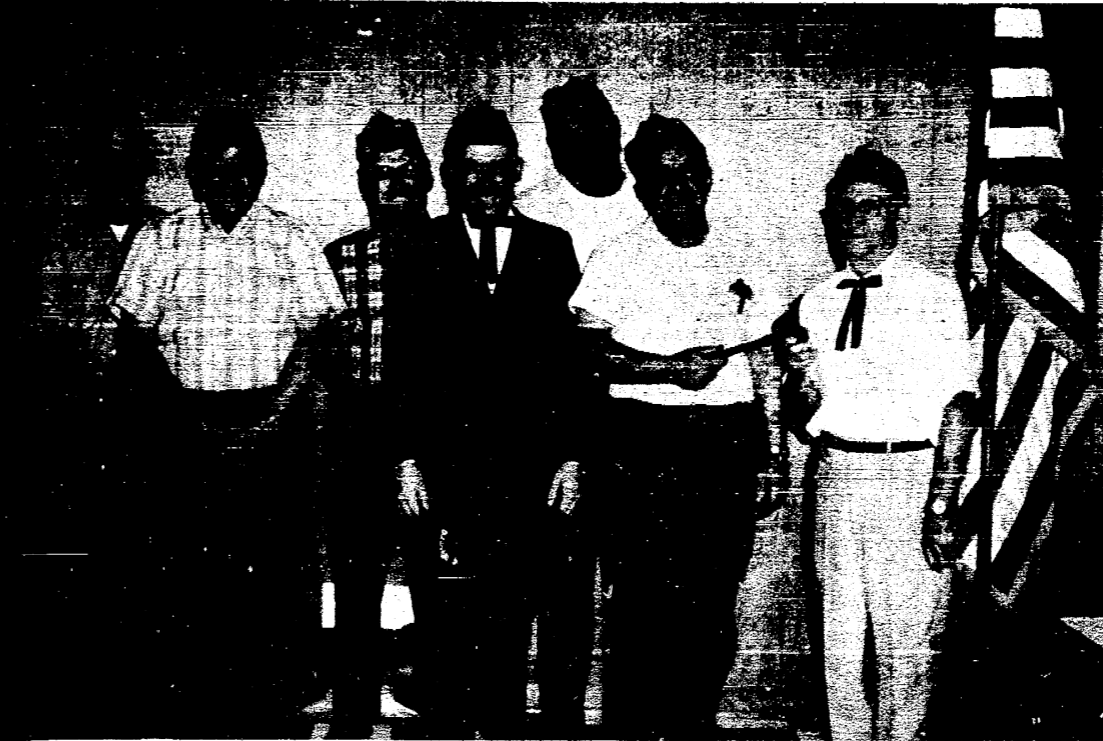

When they returned Wednesday evening, they were met at the outside of town by a caravan of about ten cars and twenty bikes. The group then paraded through downtown Manchester to Mark's home where a small celebration was held.

The boys, all Explorer Scouts, said that they do not have any future trips planned. Their parents are: Mr. and Mrs. Robert Chapin of 112 W. Main; Mr. and Mrs. Claran Knauis, Jr. of 400 Riverside; and Mr. and Mrs. Stanton C. Roesch of 620 W. Main.
