CASTING PROBLEMS: In many cases, fishermen have become very dependent on the use of steel casting nets. These nets are expensive and are often lost or damaged.

The fishing experts at Secretary's Fishery Department are now offering a new type of casting net. It is made of a strong and flexible material and is very easy to use.

STEER CLUB DINNER

The seventeenth annual Steer dinner is to be held Thursday, August 24th, at the Daniel Church Hall.

The Union Savings Bank of Manchester is again sponsoring this event and the invitations are going out to all the Steer Club members and their fathers, as well as others who have assisted in the event during the past year.

The Club steers are purchased by a "Fathers' Committee" and allotted to the members by a drawing. The financing is arranged by the bank with the notes endorsed by members of the Manchester Optimist Club.

All persons, businesses, classes or clubs interested in participating in the parade are urged to contact Bill Hainstock at 428-8473 or Mike Schneider at 428-9501.

TO ARRIVE HOME

A2C James A. Dennis, son of Mr. and Mrs. E. T. Dennis of Manchester, will arrive home from Cameron Bay, Viet Nam on August 26th.

Dennis who has been in Viet Nam for a year, will spend some time with family and friends before leaving in September for McDill Air Force Base, Tampa, Florida, where he will be stationed.

A family reunion-birthday party in honor of his homecoming is planned for Jim at the home of his parents, on September 10th.

MEETING TO BE HELD

The Manchester Town Club will meet Monday, August 28th at 8:00 P.M. at the American Legion Hall.

BORDER COLLIE SHOW AS CENTENNIAL EVENT

The Board of Directors of the Union Savings Bank of Manchester has underwritten the entire cost of the presentation of a Border Collie Show to be presented at the Manchester Community Fair on "Centennial Day", August 26th, at an afternoon and evening performance.

Due to the addition of the many Centennial entries to the parade, the parade route will be changed this year. This year's route will start at Carr Park, head up Main Street, down City Road, turn up Torrey Street and wind up on Vernon Street.

The bank has been successful in obtaining one of the best qualified shows of this type in the country today. Arthur N. Allen of Perthshire Farms at McLeansboro, Illinois, will present two shows at the Fair.

Mr. Allen was a consistent winner of all official trials in Border Collie events from 1946 through 1962. He has been featured in many events, such as:

- 7 years at International Livestock Exposition at Chicago, 6 years at National Western Livestock Show and Rodeo at Denver Colorado, 3 years at Southeastern Exposition and Fat Stock Show at San Francisco, 4 years at Houston Fat Stock and Livestock Exposition at Houston, Texas, and many other shows of equal importance in the livestock field.

Mr. Allen has raised many champion sheep dogs and is an expert in developing the characteristic of the Border Collie which is commonly referred to as "the eye", or the power of the dog to control sheep with its eyes.

Mr. Allen's only request of the local people was to furnish local help which should be at least one year old and not too old and fat.

The bank's Board is happy to assist the Centennial Committee in arranging this show and is dedicating this event to the many farmers of a century ago who made the Manchester area known throughout the nation as an important area in sheep production.

The Manchester Board of Education will meet with the school architects and engineers on Monday night, August 21, 1967 to discuss the plans of the new elementary school.

The meeting will be held in the high school auditorium at 8:00 p.m.

PARADE TO KICK-OFF FAIR TUESDAY, AUGUST 22nd

A mile to mile and a half long parade is expected to kickoff the 1967 Manchester Community Fair, Tuesday, August 22nd. The parade is scheduled to form at Carr Park and will start at 6:45 p.m.

All persons, businesses, classes or clubs interested in participating in the parade are urged to contact Bill Hainstock at 428-8473 or Mike Schneider at 428-9501.

Colored slides of the 4-H County Horse Show were shown. The club hosted the following guests: Amy Althouse, Cindy Young, Rosemary Jordan, Terri Stepp and Ronald Spangler.

**WASHTENAW COMMUNITY COLLEGE NEWS**

David S. Pollock, Dean of Student Personnel Services, Washtenaw Community College, stated that applications for enrollment are exceeding the number of applications received a year ago. Washtenaw Community College enrolled its initial freshman class of over 1,200 students in the fall of 1966.

By August 4, 1966, the College had received 400 applications from residents of the county who wished to enter the institution that fall. As of today, over 800 persons have applied for admission to Washtenaw Community College for the fall term of 1967.

Dean Pollock stresses that persons planning to attend the College this fall should apply now for admission. New applications to the institution are being received at the rate of between 15 and 20 per day. As the month of August draws to a close, the numbers of applications will increase.

Discussion was also entertained for an Awards banquet to be held later in the year. Mr. and Mrs. Larry Spangler have been appointed assistant 4-H leaders of the club.

### NOTICE

Dear Pauline:  
While I was waiting for you in the Ben Franklin Store last Saturday, something hit me suddenly in the back of the knees - and before I knew it I found myself right in the middle of a football scrimmage with a bunch of kids I'd never seen before piled on top of me! What made it even worse, Pauline, was when the manager came up and threw us all out for roughhousing. I hadn't been practicing football with the kids... So I figured I'd just plan on meeting you next Saturday... Ben Franklin is having a sale on 5th Avenue Nylons - Two Pair 90c - and I know you'll want to get some.
