

HOUSE TOUR cont. from page 1

Gills have a new type carpeting in the bathroom that looks like a sponge in a brick design of gold and white; a nylon gold tweed carpet in the kitchen and dining area, a bright red living room carpet; a sandalwood brown color scheme with snow-white carpeting in the master bedroom with knotty pine paneling with gold carpeting in the second bedroom. The recreation room is done in gypsum and orange with the basement bathroom in bright orange, white and chocolate brown.

At 10975 Sooten Road is the Herbert Bagules residence. A newly-built house, it features a two-way fireplace on the living room and family-room side with an open wood box from the outside for convenience; a pantry off the kitchen which is seldom seen in the new homes today, three bedrooms and a green color scheme throughout the entire house. One item to watch for is the antique hall lamp of cranberry quilted glass which is over 100 years old.

The fifth house is in Clinton and is the home of Ted Robert's brother, The James Roberts home covers 1/2 of an acre, features three fireplaces, a housewife's dream kitchen with cupboards galore, an ironing and/or sewing room, washroom, kitchen nook overlooking a spacious yard; an elegant living room which required two sofas to fill it properly; a basement which is described as looking like the K of C Hall because of its size; three bedrooms and three bathrooms.

From Manchester it is a fifteen minute drive to the Roberts' home which is located approximately 2 1/2 miles west of Clinton off US 12, turning right on Arkona Road to 8041 Arkona.

Directions for all of the homes will be available at the homes on tour when you purchase your ticket.

MERCHANTS PLAN BIGGER AND BETTER SIDEWALK SALE

The Merchants Division of the Manchester Chamber of Commerce is busy with organization for a bigger and better than ever Sidewalk Sale this year. The promotion has grown each year to such proportions that it is now assuming real identity and becoming a genuine Manchester tradition.

Merchants say goods are so sharply reduced that they make little or no profit, but the sale enables them to move surplus and get ready for seasonal goods and it makes for a fun day everyone enjoys.

Arrangements are being made for the street carnival to return this year, and merchants will furnish tickets to kiddies for the rides at bargain prices.

A special invitation is going out this year to all local organizations with anything to show or sell to participate in the fun. Women's Clubs, Scouts, churches, 4-H, ceramics and any others interested are cordially invited. Those interested can inquire more information from merchants or this paper.

There will be plenty of room on the sidewalks of Manchester for everyone. Wednesday, July 24 is the date.

TO MEET

The Freedom Evangelical Memorial Cemetery Association will hold its annual meeting at the cemetery Sunday, May 26 at 3:00 p.m.

The next Citizen's Committee meeting will be held May 28 at the High School.

The task of a teacher is to take a lot of live wires and see to it that they're well grounded.

DOLLARS FOR SCHOLARS CAMPAIGN NOW OPEN

Father Raymond R. Schlinkert, pastor of St. Mary's is this year's Chapter Chairman of the "Dollars for Scholars" campaign. Working with him is Robert T. Ross, a retired Ford Motor Co. executive and former FBI agent, as the financial chairman. The campaign is now under way to raise funds in the annual drive, which makes possible financial aid to deserving students to continue their education beyond high school in the Manchester School system.

Philip Mains, high school counselor and Chester Kocesski, high school principal, point out that the deadline for students to return applications to have them considered for the program this year will be May 24. Students are reminded that their applications should be based on the need of the student for money to further education not covered by scholarships or other funds.

Primarily students applying for the funds use the money to go to trade school or community college.

Recipients are asked to repay the loan as soon as possible after the student is at work. The loan is interest free. The "Dollars for Scholars" program is a community project made possible by dollars contributed during the annual drive which is under way at this time. Canisters have been placed in various business houses for donations and checks can be made out to "Dollars for Scholars"

and can be sent in care of the local offices. "Dollars for Scholars" is a national organization, known as Citizen's Scholarship Foundation, Inc. with headquarters in Boston, Mass. To date, 15 students have received financial help through the local organization. Grants average \$300 per year. "Dollars for Scholars" was locally organized by the Man-

chester Business and Professional Women's Club with Mrs. Lillie Ann Ayres, formerly of Manchester, now of Ann Arbor, as the person directly responsible in founding the local organization.

The applications for aid will be reviewed by an eight-member board on whose shoulders rest the responsibility of deciding who is to receive the aid. Work-

ing on this board are local citizens in the community. People in the community are asked to be as generous as possible in gifts to the foundation. In this way, they can help students to help themselves prepare to take an active place in the community.

The ways of the heart, like the ways of providence, are mysterious

VOTE FOR YOUR FAVORITE GIRL

IGA GIRLS CONTEST

800 GIRLS AND THEIR MOTHERS

WILL WIN an all-expense-paid trip to...

...via UNITED

NEW YORK CITY

OFFICIAL IGA GIRLS CONTEST RULES

- 1. Contest is open to any girl between the ages of 10 and 14 years inclusive. Girls who receive the highest number of votes in each store will win.
2. Vote for your favorite girl by writing her name on the back of each Gold Cash register tape you receive at all participating IGA Food Stores.
3. The total value of each tape will be determined by the total purchases shown on each Gold tape you receive. You will receive one vote for each 10¢ purchase. For example, a \$10.00 purchase shows on your Gold Cash register tape would be worth 100 votes for your favorite girl.
4. All girls must be registered by the 5th week of the contest at one store of her choice, and votes are not transferable between stores.
5. Votes must be placed in the official ballot box provided in each store. Each store will have the number of girls they are sponsoring posted in the store.
Date of Contest: Eight weeks beginning Monday, April 8, 1968 and ending Saturday, June 17, 1968.
6. Mothers and daughters will leave on their 3-night, 4-day vacation the week of June 10th (Michigan only), week of June 17th (Ohio only), week of June 24th (New York and Florida only).
7. Employees of Super Food Service Inc., WA Stores and their Agencies are not eligible to participate.

Third Graders Tour Industries For Michigan Week

Third graders of the Nellie Ackerson School, along with their teachers, Mrs. Mary Blossom, Mrs. Judy Mann and Mrs. Sarah Hanif, toured many different businesses in and around Manchester. These tours were held in conjunction with Michigan Week. The third graders learned much about the great state of Michigan and their own town of Manchester.

On Monday, the children visited the Manchester Plastics plant with Mr. Fisk as their guide. They learned that the plant opened in 1964, the same year they started kindergarten. They found that many different plastics are used in many products. The raw plastic is heated, and under pressure, is forced into a mold. This is called injection molding. Some products made at the plant are hospital buzzers, refrigerator caps and automotive parts.

Tuesday was highlighted by a visit to the office of the Manchester Enterprise. The boys and girls saw the printing presses. Mr. Macomber explained how a plate was made for the paper. After this, the plate is taken to the off-set printing machine where ink and water are used to finish the printing of the paper. Two machines are off-set and one is hand fed. Each person who takes the paper has a name-plate. Thirteen hundred papers are sent out each week.

The Chelsea Milling Company was visited Wednesday morning. Wheat is bought from the area farmers. It is ground into flour and stored until ready for use. Sixteen different products are made here; however, Chelsea is the only place where Jiffy Mixes are made. Two by-products are sold to Kellogg's; middlings and bran. The boys and girls watched as the boxes were filled with Jiffy Mix.

After the boxes were filled and sealed, they were stored ready to be shipped on a train or truck anywhere in the United States and United States Army bases all over the world.

In the afternoon, the youngsters visited the Union Savings Bank with Mr. Dan Boutell as their guide. They saw the vault and learned that the vault doors weigh 2,000 pounds and are on balanced hinges. The vault has a time clock and can be opened in the mornings. The walls of the vault are one foot thick. It would take six hours to break through the wall. A bag of \$200.00 worth of nickels weighs 30 pounds. After the tour, the bank treated all the boys and girls to sundaes and sodas at the Dairy Queen.

Thursday afternoon, the third graders were shown through the E. C. Mann and Sons feed and grain mill. The grinders were in operation. They learned how they were run and that the feed being made had to be done in a certain way. Mr. Mann said all the feeds are balanced according to the animals' needs. Certain grains plus vitamins, minerals and medications are added as needed. They also learned a great deal about the 72-year-old water wheel that supplies power for one of the grinders.

The Manchester Post Office was another place of interest visited. The mail is delivered to the back of the post office, sorted and delivered to the people in the Manchester area. Some mail is shipped out again to various places in bags weighing 70 lbs. The boys and girls found that the mail goes all over the world. They also saw the cancelling machine in operation.

On Friday, Hospitality Day, the third graders had invited their parents to attend open house at their school. After a short program in the gym, the parents were asked to look at the exhibits made by the boys and girls. The exhibits ranged from hand-drawn copies of the state flag and maps of Michigan showing where the various products of the state are produced to drawings of the places visited during the week's tours. The boys and girls really enjoyed learning about their state. They learned that the state bird is the Robin, the state flower is the Apple Blossom, the state tree is the White Pine, the state song is "Michigan, My Michigan", the state fish is the Trout and the state motto is "Si quaeris peninsulam amoenam, circumspecte" which, when translated means, "If you seek a pleasant peninsula, look about you." They also learned that Stevens Thomson Mason was the first governor of Michigan and that George W. Romney is now the governor.

This was a very exciting week for all the third graders and their teachers. The boys and girls learned a lot about Michigan and hopefully they will grow up to be very proud to live in this great state of Michigan. (Impressions of the visits to each local industry were taken from accounts written by the students.)

After the memorial service at Oak Grove, the Legion members will go to Norvell Cemetery where they will decorate the graves of soldiers.

Around noon, when the Legion returns to Manchester, a family picnic will be held at Cam Park. The public is invited. The band and chorus will participate in a concert at 1:00 p.m. The Jaycees will serve food on the picnic grounds for those who do not wish to bring a lunch. Be sure to attend.

Involved in accident: Jerry Lee Service, 20, of 8900 Neal Road, Manchester and John Stuart Club, 18, of 7447 Hasley Road, Manchester were involved in a head-on collision at 130 E. Main Street on Sunday morning at 2:28 a.m., May 19.

Estimated damage to the cars was \$500.00. Jerry Service was thrown from his car but no one was seriously injured.

Jerald Hauesler and Dave Kemner were passengers in the Kemner car.

Speedway race set: A special Memorial Day Race will be held Wednesday, May 29 at Manchester Speedway.

It is a 50-lap feature with a trophy for each event. There is a guaranteed \$1,500 purse.

Former Postmaster Dies Wednesday: George E. Merriman, age 72 years, died Wednesday, May 22 following a long illness. He was born April 16, 1896 in Manchester, the son of William and Grace Elliot Merriman. On June 5, 1926 he was married to Louise Cuvallier. She survives. He was the postmaster in Manchester from 1942 until his retirement in 1964.

Mr. Merriman served in World War I as Lt. in Ordnance. He was a member of Emil Jacob Post #117 of the American Legion a life member; Ann Arbor Barrels WW I Veterans; National Postmasters Association; and a member of the State Fair Commission for twelve years.

In addition to his wife, he is survived by a son, William of Manchester; two daughters, Mrs. Robert (Yvonne) Huber of Manchester and Mrs. Eugene (Suzanne) Kent of Coming, N. Y.; fourteen grandchildren and two sisters; Mrs. Ruth More of Marshall and Miss Marie Merriman of Jackson.

Funeral services were held Saturday, May 25 at 1:30 p.m. at the Jenter Funeral Home, Rev. Fr. Raymond R. Schlinkert officiated. Military grave-site services were conducted by Emil Jacob Post. Burial was made in Oak Grove Cemetery.

Loren Trolz found five morels in a washout on his farm. One weighed 1/4 pound and was 9 inches long. See picture.

MEMORIAL DAY PARADE

Plans are now complete for the Memorial Day parade, according to Don Stockwell, commander of Emil Jacob Post #117, American Legion.

The parade will form at 9:30 a.m. at the Main Street bridge where flowers will be thrown in the Raisin River in memory of those who gave their lives in the navy. Leading the parade will be the High School Band, Legion Members, Boy Scouts, Cub Scouts, Clovers, Manchester and Pleasant Lake and Junior Auxiliary members.

There will be a short service at Wurster Park with a few words by Commander Stockwell and a prayer by Rev. Stanley McKenzie of Lansing, who is pastor of the Norvell Baptist Church. The flag will be raised at Wurster Park.

The parade will continue to Oak Grove Cemetery where Rev. McKenzie will deliver the address. The firing squad will be under the direction of Don Walters during the absence of John Bivins, Sgt. at Arms.

James Kemner, custodian of the graves will have some 210 flags placed on the graves in the various area cemeteries prior to Memorial Day.

After the memorial service at Oak Grove, the Legion members will go to Norvell Cemetery where they will decorate the graves of soldiers.

Around noon, when the Legion returns to Manchester, a family picnic will be held at Cam Park. The public is invited. The band and chorus will participate in a concert at 1:00 p.m. The Jaycees will serve food on the picnic grounds for those who do not wish to bring a lunch. Be sure to attend.

Area Churches Unite

By Carolyn Ahrens

In April, 1968, the Evangelical United Brethren Churches and the Methodist Churches across the nation united into one as the United Methodist Church. It is now the largest protestant denomination in the United States with over 11 million members.

The idea for this merger began fourteen years ago and serious planning began seven years later.

For instance, the Evangelical United Brethren Church had a Women's Society of World Services and the Methodist Church a Woman's Society of Christian Service. Now the society has become one organization with over one million membership.

The Church School or Sunday School membership now totals 7,110,708; there is now a total of 33,004 ordained ministers, 14 seminaries, 78 hospitals and 217 special homes for the aged and children in need.

An important consideration of the United Methodist Church will be a World Service Mission Effort with the churches contributing 25 million dollars annually for four years to finance this important work. There will be a great emphasis on mission candidates and they will be required to have a BA degree from an accredited college and seminary.

As a new church, representatives will meet at three annual conferences in Michigan until July, 1969 then continue as two annual conferences. "If you draw a line through the lower peninsula of Michigan, from top to bottom, with Manchester the dividing line, this is the dividing line of the Detroit Conference and the West Michigan Conference," Rev. Cooper noted. There are 526 churches in the Detroit Conference. A Quadrennial meeting will take place in two years at Baltimore, Maryland and in 1972 at Atlanta, Georgia. "This is a mark toward church unity and complete integration in every respect as they will meet in an integrated conference in the south by their invitation," Rev. Cooper said.

Rev. Charles Fox was instrumental in the final merger held from April 23 to May 4 at Memorial Auditorium in Dallas, Texas. The General Conference of Evangelical United Brethren Church and the General Conference of the Methodist Church met as two separate groups. During the 14-day conference, a "time of unity" was held and 10,000 representatives of the two denominations attended a ceremony where they became one as the United Methodist Church.

Except for a name change, the Sharon United Methodist Church and the Manchester United Methodist Church will not be combined at the moment but rather they will remain as two separate churches similar to Emanuel and Bethel Churches.

Although there are no immediate plans for a merge between the two area churches, a Union Commission Service was served jointly by Rev. Cooper and Rev. Fox last Sunday evening at the Manchester United Methodist Church in celebration of the last supper and as an expression of gratitude concerning the union of the two denominations.

1) Why do men climb mountains? Because the mountain is there to climb. There is a job with a challenge to be done. I say, "Let's be about it."

2) When considering this in the singular, it has to be adequate and equitable funding. For a comprehensive discussion of this problem, I refer you to "The Report Card" released by the school on May 25, 1968.

3) As distasteful as an increase in taxes is, I am convinced there is no logical alternative. The increase is the only way the school system can be maintained at its present level. I do not believe very many want program cuts and I am sure there would be much disagreement as to where they should be made if they should be required. Finally, do you have a better investment than to help 1200 plus local youngsters?

1) I wanted to run for School Board for many reasons. The education of our children is one of the most important aspects in their lives and no one has more to do with a child's education than a mother. It has been many years since a woman has had a voice on the School Board yet they are the number one educator from the time a child is born. I would like to see the best possible education we can afford for them in increased curriculum, top-notch teachers, up-to-date libraries and equipment to work with, etc. with a constant move ahead attitude in the educational opportunities of our youth.

2) Right now the budget and increase need for millage is a very big problem for everyone to consider very carefully. Along with this, getting the new elementary school built and our students moved around with the first grade back in a regular school. I also feel we need much improvement in communication between school officials and the people of the school district on matters pertaining to the school.

CANDIDATES OPINION

Cont from page 1 3) If we are going to continue to operate our schools and make improvements as we go along, a millage increase at this time is necessary. We will be building another school this fall and to maintain and operate that one along with hiring additional teachers and operating our present schools, more money is needed. With the increase in cost of all material things and constant demand for higher wages from the whole working class of people, we cannot expect teachers not to want an increase in wages, etc. No one is for increased taxes of any kind, but to educate our children in the best possible way, we can afford to take more money as enrollment increases, new buildings are built, etc.

Andrew Luckhardt

1) I would like to become a member of the Manchester Board of Education for several reasons. I have been interested in the school system for many years. I worked on the committee that developed and built the Pleasant Lake School and have taken part in citizen's meetings ever since. Being a 4-H leader for 17 years, I like to work with children and do everything possible to provide them with a good, sound education. I believe every area of the school district should be represented on the Board, I would, therefore, like to represent the Pleasant Lake area on the Manchester School Board. 2) The most pressing problem that the school district has is to

complete the new school so we have adequate classrooms for our students. We should also continue to provide good teachers and keep our present buildings in good condition. We should strive to keep our courses up-to-date to provide the best education possible for our youth. 3) We need additional millage this year to upgrade our salary schedule for the teachers. To be

able to hire and keep good teachers, you have to meet competition in the surrounding areas. Additional classrooms calls for additional operating money. I urge everyone to keep providing our youth with the best possible education that we can.

Glen Lehr, Jr.

1) I believe that education is the key to the challenge of this rapidly-changing world. With the right guidance, our young people will be able to handle the increasing pressures of life. Our school system has been steadily growing and I would like to be a part of and aid in this continual growth.

2) I feel there are two pressing problems in our school system. Number one is the parent-student teacher-administration relationship. I feel there is a lack of communication and understanding between these four groups. The second problem is the rising costs of education and the best ways to get the most from our tax dollars. We rapidly approach the limit with the property tax covering our school funding needs. The solution could be solved by a state-wide program of tax fund

distribution. 3) The need for additional millage this year is an important need and was brought about by a reduction in state aid, our proposed school building and increased costs. The cost of living keeps going up and this includes our costs for education. We are kidding ourselves if we think that education costs can stay the same every year. This increase will be about the same as all the surrounding districts so if they can afford to spend 25.5 mills or more on their kids, then we can too. Inflation is something we must learn to live with. The

money is for our children and their future.

Rita Limpert

- 1) I am interested in the community. 2) Continuation of good community and school relations. 3) When need is shown, it is accomplished.

A moderator is a person who gets people who have something to say, to say it and people who have nothing to say, not to say it.

COUPLE WED IN DOUBLE RING CEREMONY

Saint Dominics Catholic Church in Clinton was the scene Saturday, May 25 for the double ring ceremony and Nuptial mass, officiated by the Rev. Father Joseph B. Noelke, uniting Sandra Ann Krzyzaniak, daughter of Mr. and Mrs. Eugene F. Krzyzaniak of Manchester to Mr. Gary Michael Ritter, son of Mr. and Mrs. Floyd Ritter of Livonia.

The bride, given in marriage by her father, wore an all-line floor-length gown of white satin with an overlay of sheer silk and chantilly lace. The bodice featured a round scalloped neckline and elbow length sleeves of embroidered lace fashioned with tiny pearls. The front panel of lace fell into the lace panel around the bottom of the gown, lapping into a small oval train. A large white satin bow and panel gracefully accentuated the back.

The bride was radiant in her fifteen-foot cathedral veil with double blusher of bridal illusion cascading from a silhouette head piece fashioned with pear-shaped pearls. For her bouquet, the bride carried miniature carnations, mums and roses, accented with aafia and long white satin streamers.

Miss JoAnne Krzyzaniak, sister of the bride, served as Maid of Honor, dressed in a floor-length pale yellow dress of chiffon over acetate, with short sleeves and a round neckline trimmed with yellow ribbon laced on lace with small white applique roses. A yellow satin panel attached by two satin bows set off the back of the dress.

A yellow satin circular headpiece with short veil, fashioned by the bride, completed the ensemble. Her colonial-styled bouquet was yellow tipped carnations and aafia with matching streamers.

The Misses Barbara and Patricia Krzyzaniak of Tecumseh, cousins of the bride, and Miss Cathy Rea, of Birmingham, friend of the bride and groom were the bridesmaids. Their gowns were pale pink, styled like the Maid of Honor. Their colonial-styled bouquets were pink tipped carnations and aafia with matching streamers.

Serving his brother as Best Man was Mr. Richard Ritter of Livonia. The Messrs. David and Michael Krzyzaniak, brothers of the bride and Mr. Robert Oakley of Birmingham, friend of the bride and groom, served as ushers.

The reception held at the United Products Workers Union Hall in Tecumseh featured a Polish-American smorgasboard. Music was furnished by Eddie Jacobs and his Slovenians and by the Vic Casey Orchestra.

The newlyweds left for a honeymoon motor trip to the Smoke Mountains. Upon their return, the couple will make their home in Ypsilanti.

IRON CREEK CHURCH

The Iron Creek Missionary meeting was held Thursday, May 23. A dessert luncheon was served with Mrs. Mina Trolz as hostess. Ten members were present with three guests. The date was set at this meeting for the Iron Creek Church Centennial. The date is July 7. There will be a meeting on June 3 to plan the centennial and anyone who has useful information is invited or contact Mrs. Loren Trolz at 428-2152.

The next meeting will be held at the church on June 21 at 1:30 p.m.

FAITH COMMUNITY CHURCH

Wednesday, May 29 a Prayer Meeting and Bible Study will be held at 7:30 p.m. Senior Choir practice will be held at 8:30 p.m.

Sunday, June 2 will be Missionary Sunday with Mr. and Mrs. Glen Rearis, missionaries from Korea at all services to speak and tell of their work.

SCHOOL NEWS

by: Debbie LaRock Linda Macomber

Manchester High School final

exams will be held Tuesday, June 4 and Wednesday, June 5. Exam schedules will be handed out to the students. Friday, May 31 there will be no school.

Advertisement for Spikes Mobil Service, featuring 'REPLACE SMOOTH TIRES' and 'FOR SAFE SURE STOPS AND GREATER SAFETY'

Miss Melva Jean Strang, sister of the bride, served as maid of honor. Miss Strang wore an empire waist, floor-length dress of pink chiffon with shoulder attached back floating panel. Her veil was held by pink flowers. She carried a bouquet of elegance carnations centered by a rubrum lily.

Bridesmaids were Miss Sharon MacLeod of Manchester, Mrs. Jerry Hebb, Tecumseh and Miss Peggy Martinus of Adrian, both sisters of the groom. They wore dresses similar to the maid of honor and carried a cascade of elegance carnations.

Pam Gann of Deerfield served as flower girl wearing a pale pink dress, carrying a basket of carnations. Michael Garwood of Warren was ring bearer.

Mrs. Jerry Hebb of Tecumseh, brother-in-law of the groom was best man. Sam Jersey, Brooklyn, Grant Willnow, Adrian and Ward Cornell of New Jersey seated the guests.

Mrs. Paul Kappler was organist and accompanied singers, Mrs. John Knapp of Chelsea and Mrs. Bill Buchanan of Manchester.

A reception was held at the church hall immediately following the ceremony with a dance following the reception at the Manchester Sportsman Hall with music by Luke Schaible's orchestra.

At the reception, Miss Sherry Bowles of Ann Arbor and Mrs. John Knapp of Manchester served the bride's cake. Miss Kathy Williams of Willis served the groom's cake. Mrs. Robert Koch of Detroit served the punch and Miss Carolyn Hostetler of Milan served coffee. Mrs. Jim Youd of Dearborn was in charge of the wedding book.

After a brief wedding trip through the south, the couple will make their home at 111 Maiden Lane, Tecumseh.

MANCHESTER UNITED METHODIST CHURCH

Saturday, June 1 at 10:30 a.m. Jr. Choir practice.
Sunday, June 2 - summer schedule begins as follows:
8:00 a.m. - Worship Service
9:15 a.m. - Church School
10:30 a.m. - Worship Service

It's easy as ABC to have a smooth "happy motoring" car. All makes of cars these days have been designed and engineered to give good service. All it requires to have smooth sailing with any car is regular routine service. By doing so, you know at all times your car is properly lubricated and inspected which assures that troubles are licked in advance.
Let us service your car regularly.

NINA STRANG AND DENNIS MARTINUS WED

Guests numbering 450 witnessed the evening ceremony on May 25, 1968 at Manchester Methodist Church uniting Miss Nina June Strang, daughter of Mr. and Mrs. Alfred W. Strang, Manchester, and Dennis Lee Martinus, son of Mr. and Mrs. John Martinus of Adrian. Rev.

O. William Cooper performed the ceremony.

The bride, given in marriage by her father, wore an A-line, empire waist, floor-length white silk organza dress with lace bodice and sleeves. The chapel train was banded with matching rows of lace with a shoulder veil of French illusion with crown tiara. The bride chose a cascade of phalaenopsis orchids for her bouquet.

REV. MENZEL PLANS RETIREMENT

Rev. Theophil W. Menzel, pastor of Bethel United Church of Christ in Freedom Township since 1948 has announced his plans to retire in the fall. Rev. Menzel has reached the usual retirement age and at present plans to make his home in one of the towns of our county.

The 128 year-old congregation in Freedom has seen many changes in the twenty years of the pastor's leadership. Even before his coming, the change from German to English was almost complete. The first English services at Bethel were not held until 1928, but by 1948 only one German service per month was held, and a few years later this was reduced to an occasional German communion service.

Many new activities were instituted, such as organizations for every age group from infancy to senior citizens, and a great variety of musical groups, directed by Mrs. Menzel.

In 1965 the congregation celebrated its 125th anniversary with the erection of an annex building housing classrooms and many other facilities. The new addition is faced with the same field granite as the main building. A 96 page history of the congregation was published in 1965, written by Emerson Hutzel of Ann Arbor, a member of Bethel.

Rev. Menzel has shared in many activities outside of the local church, especially in the production of literature of his church group. For 30 years he has written curriculum material for church school teachers, used in the United Church and by Presbyterians. For the past ten years he has edited a devotional publication, Daily Devotional Guide, which has a circulation of 100,000. For the year 1969, he has prepared the Lenten booklet, Fellowship of Prayer, which has a circulation of 400,000. Before coming to Michigan, Rev. Menzel taught at Eden

Theological Seminary in St. Louis and at Elmhurst College in Illinois. He has translated several theological works from the German and is co-author of a history of the Evangelical and Reformed Church.

The Menzels have three children, Mrs. Rhea Whitehead of Hong Kong, Mrs. James Helm, soon to move to Oberlin, Ohio, and one son, Paul, a graduate student in philosophy at Vanderbilt University.

PHILIP SPIKE AWARDED SCHOLARSHIP

Phillip Lowell Spike, son of Mr. and Mrs. Lowell Spike of 3200 Sharon Hollow in Manchester was recently awarded the Farm House Fraternity Foundation Scholarship for excellence in academics at Michigan State University.

Spike, a sophomore at MSU, is a member of the Honor's College with a 3.34 grade point average.

He has served Farm House Fraternity as Ag Council representative, public relations committee member and Founder's Day program chairman.

MSU was selected as one land grant to receive this \$100 scholarship in 1967. It is awarded to an outstanding sophomore in the College of Agriculture and Natural Resources. Spike is a dairy major.

CHURCH WORLD SERVICE CLOTHING COLLECTION

The women of Emanuel United Church of Christ have been busily going through storage closets and chests of drawers ferreting out good used clothing to be sent to the central receiving station for Church World Service in this area of the country located in Nappanee, Indiana. Each article sent on its way must have at least six month's wear left in it to pay for processing it and transporting it to points of need all over the world.

These articles of clothing and bedding are processed by volunteer women of the Church Of The Brethren and shipped to ports of departure ready for instant shipment in case of natural disaster as well as for the constant need which comes as a result of war and revolutions in all parts of the world.

OPEN HOUSE
An open house will be held Sunday, June 23, 1968 between 3:00 - 5:00 p.m. at the home of D. E. Limpert's honoring the marriage of their daughter Denise to Mr. Hank Buhl, Jr.

AGRICULTURE IN ACTION
WASHINGTON "HELP"

Those who think Washington holds the answer to such a complex question as poverty should take a close look at "help" farmers have had over the years from federal farm programs. After more than 30 years of intense federal farm programs, costing billions of dollars, relative farm incomes today stand at an all-time low -- equal in some areas to the depression years.

"It is amazing that farmers are the only group in this country to earn less money than they did 20 years ago, but it's true!" -- said Michigan Congressman Gerald Ford, speaking recently in Grand Rapids. "In 1947, net realized farm income was \$17 billion; in 1967, it was \$14.5 billion," the House Minority Leader said.

Ford pointed out that last year farm incomes took an almost two-billion dollar drop over 1966 -- and said that no other group in the country had such a out in pay.

Such facts are back of farmer opposition to any extension of the "Food and Agriculture Act of 1965" -- the basic farm program. They point out that the farm parity ratio (a yardstick used to measure how well farmers are doing in terms of costs and prices) stood at 81 when the Act went into effect. Since then, it has dropped steadily until now, in the third year, the parity ratio stands at 73.

A four-year program, the Act would expire automatically in 1969, and farmers are hopeful that it will be replaced before then by some alternative which would

release them from confining controls which have brought far more inconvenience than income.

Such an alternative farm program has been introduced in Congress by Guy Vanderjagt, U.S. Congressman from Michigan's 9th District. The bill, the first major farm program to be introduced in the House of Representatives this year, contains specific provisions for cropland retirement programs and calls for an arrangement of "recourse" loans. It also repeals authority for acreage allotments, marketing quotas, marketing certificates, diversion payments, "base" acreages and price supports.

COUNCIL MINUTES
May 21, 1968

Council met in regular session. Called to order by President Althouse. Trustees present were Mahony, Koebbe, Reinhart, Macomber, Bauer and Lowery.

Minutes of the previous meeting were read and approved. Moved by Reinhart, supported by Macomber that the request of Claren W. Knauss, Jr. and Mae Knauss to transfer ownership of 1968 Tavern and SBM license located at 237 E. Main Street, Manchester from Ellis and Dorothy Johnston be considered for approval. All years, carried.

Moved by Koebbe, supported by Lowery with the approval of the consulting engineers Washtenaw Asphalt Co. be allowed to complete work on village streets without a performance bond. Village to hold bond money until work has been accepted. All years, carried.

Moved by Mahony, supported by Koebbe Clerk and President be authorized to sign easement with Consumer Power Co. to install underground utilities to the Glenn Lehr, Jr. building. All years, carried.

Moved by Mahony, supported by Bauer hearing for variance on the D. E. Limpert property be postponed until June 17, 1968. All years, carried. Moved by Koebbe, supported by Lowery we adjourn. Carried.

cally applauded the Congressman's intention of using the Act to permit the market to operate in their behalf and (in Vanderjagt's words) "Give farming back to the farmers."

Two ways to prevent home burglaries while the family is away on vacation, according to Liberty Mutual Insurance Companies, are to tell the newsboy or milkman to stop deliveries and to ask the next-door neighbor to keep an eye on the house.

The record indicates that most home burglaries are performed by amateurs -- and usually in daytime when no one is at home.

ATHLETIC BANQUET DRAWS RECORD CROWD

Two hundred and three dinners were served at the Athletic Banquet Monday night in which the main speaker was one-time, Hockey Great Ted Lindsay of the Detroit Red Wings.

The talk Ted gave was for the parents as well as the athletes. The main point he was trying to get across to the athletes was the need of a good education as well as being good in sports.

Above are some pictures of the banquet. In one you will see some of the athletes and some of the record crowd.

In the other picture you will see Ted having a chat with Jon Roger Hardenbergh.

PARADE WILL OPEN LITTLE LEAGUE SEASON

The Little League season will start June 3 with a parade through town and down to the softball diamond.

Once on the field, Mayor John Althouse will throw in the first ball to one of his councilmen. The band will play the National Anthem and the 1968 Little League season will be under way.

The parade will begin in front of the library at 5:40 p.m. with all the boys in the program in uniform along with their team managers.

MANCHESTER LITTLE LEAGUE OPENS JUNE 3

The Little League will take to the baseball diamonds Monday, June 3 and from what I have seen of their practices, this should be a very good year for all of them.

Here are the games scheduled for Monday. Yankees vs. Dodgers at Cam Park. -- Tigers vs. White Sox at softball diamond. -- Braves and Angels have a bye.

Here are the games scheduled for Wednesday, June 5. -- Tigers vs. Yankees at softball diamond. -- Angle Sox vs. Braves at Cam Park. -- White Sox vs. Norvell at Pleasant Lake.

Dodgers have a bye. All games start at 6:00 p.m. Go Get 'Em Little Dutch!

NOTICE TO PARENTS

For the benefit of the fathers and mothers of the Little Leaguers, here are the names and telephone numbers of the managers for your son's team. Also the name and telephone number of the recreation director.

This is for your benefit in case you should want to contact any one of these men pertaining to the Little League schedule.

Tigers - Leon Ball - 428-8579

Bob Rutherford - 428-2533

White Sox - Dave Arnett - 428-2663

Yankees - Clarence Fielder - 428-4371

Dodgers - Bob Kensler - 428-5872

Braves - Elwin Benedict - 428-9313

Angels - Jim Sloat - 428-5714

Ron Panches - 428-8202

Recreation Director - Ted Culliver 428-4691.

MANCHESTER SPEEDWAY ACTION

Here is some action from last Friday night's races. Above you will see a winner and a loser.

The winner getting the checkered flag is Junior Gray. The loser, name unknown, is trying to figure out how he got in this situation.

Don't forget! There will be racing this Wednesday night and Friday night. Time trials start at 7:00 p.m. with the races starting at 8:30 p.m.

If you like action and excitement - they have it at the Manchester Speedway for you. See you at the races - "Lefty!"

DUTCHMEN BEAT YPSI-ROOSEVELT 4-2

The Dutchmen had to come from behind again to beat Ypsi-Roosevelt who had a two-run lead going into the bottom of the second inning. That's when Irv Roberts took over.

With the bases loaded and only one out, Irv hit a long drive to right center for a triple. This cleared the bases and gave the Dutchmen the lead in which they never lost. He also drove in the other Dutch run with a single in the fourth.

What a ball game for Roberts! Hats off to him!

Rodney (Rock) Hoefst also had a good game. He had two hits plus he made a circus catch in right field. The Rock said it was just a routine play.

Rick Lowery had a double in the game also.

In the pictures above you will see Irv Roberts hitting his triple. Also you will see Irv and Rodney "Rock" Hoefst as stars of the game. Nice going boys!

The Dutchmen will play their last game of the season on Wednesday at Columbia-Central starting time of 4:00 p.m. Don't miss it! "Lefty!"

SPORTS FLASHES

The ball game between Manchester and Clinton was cancelled because of rain, rain, rain.

According to Coach Raffaelli, they will try to play it next Monday at Manchester.

In next weeks Sports Corner we will have all the track information if Coach McNally will supply that information before the paper goes to press.

VILLAGE TO 'TIGHTEN UP' ON BUILDING PROCEDURES

After a series of building violations such as; not calling for inspections, completing work before a permit is issued and ignoring red tags, the ordinance committee held a special meeting to set up a new procedure to curb these violations.

Head of the ordinance committee, Robert Lowery called the meeting. Committee members Jim Bauer and Harry Macomber were present as well as Mayor Althouse and inspectors, Arnold and Brady.

After a report on recent violations, the committee set up a new procedure for applying for permits. Concern was also expressed that a faster way be found whereby permits would not have to wait for a council meeting to be approved.

The new procedure is as follows:

- 1. Pick up all applications (building, electrical and plumbing) at the Enterprise office at 111 E. Main Street.
2. Fill out application in triplicate -- must be filled in completely.
3. Mail or deliver to Robert Lowery, 411 Wolverine, Manchester, Mich. for your building permit.

4. Proceed with the work only if permit is issued, (just making application does not mean work can start). Work proceeding without a permit will be considered a violation of village ordinance and subject to fine not to exceed \$400.00.

5. Note inspections required and notify proper inspector when inspections are due. - Building Inspector & Dry Heat - Clare Arnold 428-8470; Electrical - William Brady 428-8253; Plumbing & Wet Heat - Arthur Williams 428-8142. Inspections must be called for before covering up work.

6. Stop work order will be issued for any work performed in violation of building code. Any work done under stop work order will be considered a misdemeanor and subject to a fine not to exceed \$100.00 or 90 days imprisonment or both.

7. A. Any building exceeding \$200.00 labor and material requires a permit.
B. Any repair or changing bearing walls regardless of cost requires a permit.

C. All electrical work regardless of cost requires a permit.
D. All plumbing work regardless of cost requires a permit.

E. All heating work regardless of cost requires a permit.
8. All new building or additions to old require a plot plan showing front-rear and side yard dimensions.

9. Permits except for new

construction should require only 24 hours for approval after application is completed.

These rules go into effect immediately. If you have further questions, call Robert Lowery, Chairman of the Ordinance Committee.

FIRE RAZES BARN AND TOOL SHED

A barn and a tool shed on the Glen Feldkamp farm at 9980 Chelsea-Manchester Road were completely destroyed by fire late Wednesday afternoon. The fire was discovered in a straw mow at approximately 5:20 p.m.

William Paul and Clinton Fisk, close neighbors, were first on the scene and succeeded in getting most of the livestock out of the barn.

Within minutes, the barn was completely ablaze, even though the Manchester Fire Department answered the call promptly and was on the job almost at once.

Combined efforts of the Manchester and the Chelsea Fire Departments kept the fire from reaching the house and other out buildings.

Lost in the barn also was a tractor and a hammer mill, two pet lambs and some pigs which had to be destroyed later. No

estimate of the loss was made. An investigation into the cause of the fire is continuing.

SCHOOL CONTRACTS AWARDED

Three construction companies have been awarded contracts for the new Manchester Elementary School as approved by the Manchester School Board. The general contract was awarded to Goodrich Construction Company of Adrian, Spartan Plumbing & Heating of Jackson the mechanical contract and Turner Electric of Ann Arbor the electrical contract.

Superintendent Robert Swartz pointed out that these companies had submitted the lowest bids. The names of the companies submitting bids are not available as public knowledge because it is construction company policy he states.

"Construction of the new school which will be located on North Ann Arbor Street will begin immediately providing the strikes don't hold up any area of work", Mr. Swartz added.

Hating people is like burning down your own house to get rid of a rat.

Reapportionment of County Still Undecided

by Carolyn Ahrens

The Washtenaw County Apportionment Commission is working toward a solution as proposed by the state legislature in a 1966 law for reapportionment of counties on a more equal-population basis rather than the present township basis.

Chester would be included with Dexter, Sharon, Bridgewater, Lyndon and Sylvan Townships for a population total of 8,296, the largest population total in his 21-district plan.

At the present time, Manchester Township Board consists of Clayton Parr, Supervisor; M. H. Wolfe, Treasurer; Waldo Marx, Clerk; and Trustees, Malcolm Billings and Lawrence Wurster.

Where Will It End?

I'm not going to comment on the details of Senator Kennedy's attempted assassination. I couldn't add much about a story that is two days old.

To most people, the element of shock at such an incident gets less each time. Since President Kennedy was killed, the reaction to violence has spiraled downward. Crime and violence seem to have become a way of life in America that no one can stop.

When I view the country as a whole, it appears everyone knows the United States is going to crash; and instead of doing anything about it, we just intend to ride the crest until she falls.

I would be more optimistic if I could point to our college graduates and say they are going to improve our situation. Yes, we still have the majority of good kids, but like their parents they just sit and watch.

I've avoided being pessimistic in the past because in Manchester the situation isn't so obvious. Just attending a fire meeting with our bunch of volunteer firemen restores my faith in mankind.

I hope our national leaders will admit that all the money in the world isn't going to buy safety from crime or violence. I look daily for someone to put crime back into perspective.

Something is radically wrong with our thinking when we can make excuses for the hundred for those who break the law. I used to be part of the big movement to understand youthful offenders.

A simple example of our present problem can be found right here in Manchester. We have families living here where the mother is a known prostitute.

In the morning of Thursday, June 13, there will be time for woman's favorite past time: shopping. At 2:00 p.m. Beth and her mother will board the plane for the return trip home.

School Election Is Monday

There are five names and a proposed millage increase on the school election ballot on Monday, June 10.

The five candidates for the school board are Carl Pedersen (incumbent), Glenn C. Lehr, Jr., Rita Limpert, Andrew Luckhardt, and Donna Gill.

The increase of 4 1/2 mills will be used for increased costs of operating the new elementary school on Ann Arbor Street and increased teachers' salaries, according to Robert Swartz, Superintendent of Schools.

The following questions and answers are the last in a series of questions which were prepared by the Citizen's Committee delegates for publication in the paper. The questions are: (1) What do you think the voters expect of a school board member?

No. 1 Continued interest in all school matters. No. 2 Is it necessary? No. 3 The question is too vague for a definite opinion.

Carl Pedersen (incumbent) No. 1 To provide non-professional educational leadership in the community and expend available funds judiciously to produce the best possible school system.

No. 2 Bluntly, I'm scared of them. No. 3 General or exploratory vocational subjects are an asset but caution should be used to avoid usurping the time and energy of both the student and faculty from the basic education that should be acquired at this stage of the student's development.

Andrew Luckhardt No. 1 I feel the voters expect each board member to do their best to provide the community with a good, sound, economical school system. One that will give each student the best education possible to either carry him or her to higher education or give them a good vocational training.

No. 2 Federal aid to education for schools is a subject that has been discussed by Farm Bureau on a local, state and national level just about every year for many years. We have passed resolutions for many years against Federal aid to education.

No. 3 At the junior high level some students have a pretty good idea of what they want to do in the future and this would be the time for them to begin training in a future vocation. With a start at this level they could follow the course through high school and be better prepared for further education.

on this subject, but experience is a very good teacher.

No. 1 I believe the voters want a person on the school board who is aware of our school problems and willing to spend the time and effort the position requires. I think each board member should strive to get the very best education for our children by learning from other school districts, from listening to professional educators, and by doing the necessary research to solve the problems as they arise.

No. 2 I think we are going to see more and more Federal involvement in our school systems. Most special education programs would be an asset to our schools; and if we can have some say as to how they are run, I would welcome Federal financial aid.

No. 3 Vocational education at the junior high level would be a difficult thing to accomplish at the present time. Lack of room, equipment, properly trained teachers and the funds to gain the necessary facilities to accomplish this project are not available.

No. 1 People have different opinions as to what a school board member should do. The majority of the voters want a person who will be fair in decisions on all matters, who can work with the other board members and the faculty, who will express their opinions at meetings and stand up for what they feel is best for the community, who will take the time to think out decisions and who is willing to give of their time to work for a better school system.

No. 2 Funds were made available for such projects by the Federal government to help these projects get started. Without such funds special education would have to lag behind because most schools do not have money available to implement such programs.

No. 3 At the junior high level some students have a pretty good idea of what they want to do in the future and this would be the time for them to begin training in a future vocation. With a start at this level they could follow the course through high school and be better prepared for further education.
