

A 200-year-old tree described as "the oldest elm tree in Manchester" was recently cut down after becoming diseased. The tree was located in the backyard of Mrs. Franklin Reck of W. Main Street.

The tree was approximately 85' high, the span was estimated at 100' to 120' and the trunk measured 18' around. There were at least ten limbs in the tree that

were reported to be as large as some trees. Glen Warden of Hartland, under contract from the McFarland Tree Service of Ann Arbor commented, "This is one for the books." A tree-cutter and Hi-Ranger equipment from Richmond were assisting.

Mrs. Reck added that pictures dating back to the 1890's are available for anyone to see the tree as it stood many years ago in the public library.

New Party Store Opens

By Carolyn Ahrens

The L & M Party Store was opened August 20 by owners Larry Gaige and Norris (Mike) Williams. The party store is located at the Manchester Drug Store previously owned by Lynn and Dorothy Burch. The new store will continue to carry patent medicines, gifts, Hallmark cards, Revlon and Dorothy Grey cosmetics, model cars and games, and several items such as ice cream, potato chips, bread and milk.

There will also be a 24-hour film service with free film in either black and white or color film numbers 120, 126, 127 and 620 with an order of six or more prints. Fountain service will also be continued. The L & M Party Store will be open daily from 9 to 9 and Sunday from 10 a.m. to 3 p.m.

Larry and Jean Gaige, who live at Michigan Center, have three children and several grandchildren. Mr. Gaige, originally from Manchester, retired from the Army after a 22-year career. He was the only 1st Sgt. EA at the Pentagon at the time of his retirement four years ago.

Mike and Vera Williams are from Gilberts Lake and have four daughters. Mr. Williams

was a Nurse Supervisor at the Jackson Prison before he became part-owner of the L & M Party Store.

The Gaiges and Williams cordially invite everyone to drop by the L & M Party Store and especially for their grand opening, Friday, August 30.

School Opens

By Carolyn Ahrens

The 1968-69 Manchester School year will officially begin on September 3, 1968. The superintendent reports that the bus routes will be much the same as last year with any necessary changes to be made the first week of school.

Books for the high school students are available at the high school August 26-30. They will also be available the first two weeks of school.

High school students will meet at 8:30 a.m. on Sept. 3 in the study-auditorium and classes will resume as a regular school day following the assembly. Registration will follow in the separate classes.

Junior high students; seventh and eighth grades, were requested to register August 26 and 27. Those late in registering may still do so by calling for an appointment on Friday, August 30.

Kindergarten students in Manchester village will attend

GUEST TEACHER STAYS AT THE LIMPERS

A young teacher from Germany who is a member of the People to People Movement was a guest of Mr. and Mrs. Donald E. Limpert last week.

"Everything is about the same," said Bridget Klemm of Esslingen, Germany, about the comparison between America and Germany.

There were 240 people from Germany who came to the United States for three weeks. Seven people from around Fuedingen came to their sister city Ann Arbor. Before returning home the entire group will tour New York, Philadelphia and Washington.

Miss Klemm thinks that all Americans are very rich. "They find gold in the streets," she added.

"Food is cheaper over there," she said, "even though the dollar is equal to four marks."

The places of interest which Miss Klemm thinks Americans should visit in Germany are the Rhine Valley and the Black Forest where the annual wine festival is held. Wertenburg a city which remains intact in its medieval architecture and Nuremberg.

Miss Klemm teaches an age group between 10 to 16 biology, German and English. To become a teacher she took an entrance exam at age 11 for the Gymnasium a nine year secondary preparatory school. Then she went to a two year teacher's college. Miss Klemm said one may qualify for a teaching certificate by attending either the two year college or the four year university.

About the Berlin Wall Miss Klemm does not think much can be done about it especially by the people.

"I don't think there will be a reunion between the East and the West," she said, "even though we want it."

"Now the main reason for crossing into East Germany is to visit relatives at Easter and Christmas," she said. "A visa is needed."

"We think they (East Germans) want to be a part of the West again," she said, "but the children are being educated under Communism." "Their ideas are different and will not promote uniting the two countries."

Miss Klemm said they have accepted the fact Communism exists so close to them and they no longer view it as a threat.

Miss Klemm said she noticed Americans have so many cars. The Germans own many cars especially Volkswagens.

"Still not everyone can afford as many as the Americans can," she said. "We have a terrible problem with traffic because the streets are so narrow and with parking."

Miss Klemm prefers the government-owned train.

SCHOOL OPENS

The afternoon session in the Nellie Ackerson Elementary School while students outside the village limits will attend the morning session. Students in the Pleasant Lake area will attend morning classes at the Pleasant Lake School.

First grade pupils will again attend class in the Emanuel Church of Christ. Further information is available in the School Newsletter or by calling the schools your children will attend.

Water Report

By Carolyn Ahrens

In answer to the many questions concerning the Manchester water system, Gale Koebbe and Bruce Daniels who have been working on this problem for over two years, have a "near completion" progress report.

According to Mr. Koebbe the new 300,000 gallon water tower on Ann Arbor St. has been completed, rinsed with a chlorinated sterilization mixture and rinsed twice with clean water. Earlier this week a sample of water was taken from the tank for testing.

Upon completion of the contractor's work on the 12" water main which runs from Hubbard St. to Macomb in the old railroad bed, the new water tower will be connected with the village water line. These will then be an approximate 22 pounds per square inch water pressure increase. The hook-up should be completed within a week Mr. Koebbe said.

The iron removal equipment which will do away with the present rust problem is a combination of three filters. Two of these filters are reusable from the present system and a third filter is to be installed as soon as the building located near the water tower is completed.

The Layne Northern Co. plans to move in their equipment on the 3rd of Sept. This iron removal equipment is scheduled to be installed within a month to six weeks. The equipment will make possible a 450 gallon per minute filtering process from the present 300 gallon per minute process.

Mr. Koebbe pointed out that although the new equipment will remove the rust it will not soften the water. The

NEW POLICE CHIEF AT LAST

Police Commissioner Wendell Reinhart announced Monday the hiring of a new Police Chief for Manchester. He is Lawrence (Larry) Becktel, formerly Police Chief of Eaton Rapids, Michigan.

Larry graduated from Charlotte High School and spent three years in the Army where he was in charge of classified material. He has also studied various facets of police work at Lansing Community College including administration. He has had five years experience in police work.

Larry has a family; his wife, Hannelore and two children; Tom, 4 years old and Tia, 3 months.

Larry will be rooming at Bani Schwab's at 340 Duane until a home is available.

Fire Destroys Two Barns

Fire departments from Manchester, Chelsea, Geas Lake and Napoleon fought a fire which started at 5:10 p.m. on the farm of Walter Botke, 15075 Below Rd. on Thursday, August 22.

Three calves and three heifers were killed. A milking parlor, as well as farm equipment, was destroyed as the fire ripped through the barns and a 5,000-bale hay stack.

Manchester Fire Chief James Keniser said the fire was apparently caused by children playing with matches.

The Manchester Fire Department succeeded in putting out a fire which started in the top of the three-story, 20-room home before too much damage was done.

haxness of the village water is 255 grains with an 8/10 iron content.

According to a spokesman the new water and sewer rates will take care of the new water facilities expense.

LETTER TO THE EDITOR

Dear Editor: In your editorial of Aug. 22, 1968 you had some interesting comments as to the condition of the roads in this area and also as to the operations of the township in the past. I feel that if you had been more careful in presenting facts and less active in making unfounded charges against our township operations your article would have been much more enlightening.

It so happens that whether good or bad the present township board has been on the job for quite a long time. It might be interesting to point out that the present members of the board have contributed a combined total of nearly 125 years of continuous service in their jobs.

Besides the so called 'sitting on our hands' as you stated I feel we have made several worthwhile improvements to our community with the limited funds we had at our disposal. To name a few: A home was provided for our Township Library, by the way the only township library in the county. We are all proud of it and I believe a conservative estimate of its value to be \$35,000. Also we have provided funds for its operation in late years over \$3,000 per year. Also we have provided fire protection for the community. We believe The Manchester Volunteer Fire Department is second to none. Our equipment today is valued at least \$75,000. We also provide the operating expense which totals \$4,000 to \$5,000 annually. Every resident reaps a benefit from this when he pays his fire insurance as he gets the lowest possible rate served by a volunteer department.

Although the township provides the finances we do not take the credit for all of this. Neither of these projects would have been possible without many hours hard work and assistance by many in-

ROLLER JEWELRY

area. However, because the families in my area were not selected for Head Start, because of government stipulation, my center "folded up." This has upset me greatly because we too in Manchester and Saline have a definite need for some type of program to help these people. We will never ever qualify for Head Start because of the stiff government criteria, (i.e. - first requirement - economic income of \$3200 or less), but why leave our children out totally???? We may not be as Negro and we may not be as deprived or as underprivileged as the ghetto, but we do have poor needy families with children, which I personally want to help.

The money set aside for our particular center has gone where? Has it gone into another area and left Manchester-Saline out? Why can't we be helped too??? Can the government come to our aid once?

Consequently, I will not be teaching Head Start in Manchester this summer and our children's needs are being left unmet. In the future or another year, I have a deep interest and concern to begin some type of local program for our needy and deprived. Can any assistance be aided to us? How much action does one have to take to be Noticed??? I have learned a great deal about the government in the past few weeks and I am still trying to find out more.

We do need help from you and I want to find out more how I can get this type of help. Then I, in turn, can aid our people in this area. I would appreciate a reply from you. Thank you for listening----

A very concerned teacher----- Judy Mann

Dear Senator Bursley: I have received your communication of July 1 relative to the phasing out of the Head Start program for the Manchester-Saline area.

As you undoubtedly know, Head Start programs are funded by grants through the Office of Economic Opportunity. Unlike Title I of the Elementary and Secondary Education Act, states do not receive a definite appropriation under OEO legislation. Local areas which have community action programs submit projects to the regional Office of Economic Opportunity for Michigan, which is part of the Regional Office of Economic Opportunity is located in Chicago. The Chicago office approves Head Start projects and subsequent funding of such projects. The State Department of Education in no way has any relationship to administering such programs or funding procedures. However, I have asked my staff

LETTERS OF INTEREST

Dear Mrs. Mann: By way of followup to our telephone conversation this morning, I am enclosing a copy of Dr. Ira Polley's letter in response to your questions about the Head Start program in the Manchester area.

I am also sending a copy of this correspondence to Mr. Nick Isaak, Superintendent of the Washtenaw County Intermediate School District as well as Harry Macomber, Editor of the Manchester Enterprise.

It is my feeling that your letter and Dr. Polley's response are of sufficient community interest so that the Enterprise may wish to print them in part or in full.

Thank you again for writing me and I shall be following this matter closely.

Gilbert Bursley Representative Bursley:

Recently I was selected as a Head Start teacher for the Manchester-Saline area. Having attended training programs at Eastern Michigan University and Sullivan School in Ann Arbor, I have become overly concerned about the needy and disadvantaged child in my respective

to investigate the situation and I would like to report the following:

1. The young lady, Mrs. Judy Mann, who wrote to you was offered a choice of teaching positions in other Head Start centers when it was learned that there would not be sufficient children to operate a center near her home and in the service area of the Manchester Public Schools; but of her own volition she decided to take summer course work in one of the state universities.

2. Unfortunately, the funding of the proposed program was held up simply because in the past in the Manchester area there was an insufficient number of eligible children and the center was relocated in another area. This was done because they could only find four children who qualified on a poverty criterion. There is no deviation from the first requirement that children who participate in Head Start programs, must come from families who have an economic income of \$3,200 or less. It is generally agreed that this is not the only indication of poverty but the Office of Economic Opportunity informs us that they are held strictly to the guidelines and rules and regulations under the Economic Opportunity Act. Of course, we are sorry that legislation does not allow the serving of all children who may certainly

be considered economically and educationally deprived by other definitions.

3. Mrs. Mann has maintained a good relationship with the Head Start staff in Washtenaw County and her letter is not intended as a complaint but rather as recognition of a need which cannot be met by this particular program. Therefore, she is merely seeking other sources of funding for her area.

4. The money was not lost, that is, it was not returned to Washington but shifted to another center in Washtenaw County where there is a concentration of children to warrant a program.

I thought you would be interested in knowing that under Title I of ESEA the School District of Manchester in Washtenaw County has received through our office the following sums for the education of disadvantaged children: \$17,220 for the school year 1966-67 and \$17,783 for the school year 1967-68. However, the Manchester Public School operates the program during the regular school year for disadvantaged children and does not have sufficient funds for the operation of a summer program for preschool disadvantaged children. I am in sympathy with the young lady and anyone who honestly seeks any possible source to offer additional programs for deprived children. However,

In this case there are no other state sources of funds available. I can only suggest that the total community must recognize a need and devise a solution for the problem.

Sincerely yours, Ira Polley Supt. of Public Instruction

GUEST EDITORIAL

The following is an article written by Mrs. A. VanLunen of Ann Arbor. The comments and views are those of the writer and do not necessarily reflect those of this newspaper.

Perhaps the Communist conquests in Finland, Poland, China and Hungary in 1956 are such old stories we are not moved. But when the world again stands aghast at what the Soviet government will do to her own allies when they are peacefully working out their own internal affairs, I hope our citizens will believe that they will -- destroy us, "bury us. We should realize they now have the capacity to do this because they are being given our country piecemeal, as well as its secrets. Our communications ship, the U.S.S. Pueblo, with 83 of her men still remains in North Korea after being "illegally seized" Jan. 23 off the coast of North Korea.

It is now more than six months ago this ship, equipped with one hundred million dollars worth of new electronic gear, was seized while 12 to 16 miles from the shore or was pirated from us and the crew imprisoned. Navy Cmdr. Lloyd Bucher had asked in writing for self-destructive equipment so that his precious cargo with its secrets would not fall into the hands of Communists, but it was denied him. I heard McNamara say that the Navy provided no air or water protection. They had a few small guns and every Navy man knows Navy tradition dictates a ship is never given up without a fight. They were refused permission to use those guns.

Why was there a fleet of Soviet Mig jets standing ready to carry piece-meal this expensive, secret equipment to Moscow? Why were none of our aircraft sent to help them? Our ship was certainly in international waters, where they had a perfect right to be. No doubt our men are still held prisoners because North Korea expects a huge indemnity and apologies. We were a great nation when we would not let our ships or men be so humiliated, dishonored and abused. As the supposedly strongest nation in the world, why haven't we seized one of the prize ships of a 34th class country in reprisal until our ship and crew are returned? Communists respect only force and to get results we must get tough if we are not to have this happen over and over again.

The families of the crewmen have never received from the government any word concerning sons or husbands. Mrs. Rose Bucher asked for a list of the crew, but was given none. From memory and correspondence she has contacted the families of the men. None of them knows any more than you or I know from the meager coverage in the news media. I heard her say on radio that more than half of these crewmen are under 20 and have never received any "survival training" for the severe Communist torture and brainwashing they are presently enduring. Think of the misery of those lonely boys for nearly 200 days; a long time in a boy's life!

Our President has never been willing to talk to Mrs. Bucher in person or on the telephone although he does to men who lead riots and plan to destroy cities if they don't get what they

want. One official to whom she spoke in Washington told her, "I don't know why I let you bother me, Mrs. Bucher. You harass me."

Teenagers and other red-blooded Americans, ask your State Department and your Congressmen to get tough with these pirates. Write to Mrs. Rose Bucher, "Remember the Pueblo" Committee, San Diego, Calif. She has bumper stickers at 25¢ each to bring this to the attention of everyone. We can no longer expect our boys to risk their lives if their countrymen and government do not stand back of them. Remember, we have won great wars, but then we were totally mobilized and totally dedicated.

A. Van Lunen

Christ's Church is Faithful?

Have we realized that the biblical prophecies which describe the signs of the end of this dispensation called "grace," foretell the very apostate practices we are witnessing in our churches today? I Timothy 4 & II Timothy 3.

This past week I was one of the many who optimistically prayed for eternal results (salvations and rededication of Christians) might result from the witness of the churches booth at our Manchester Fair.

I commend the sponsors and all who strove to exalt Jesus Christ as Savior and Lord in this venture of faith. The final tabulations are not in, however, the present findings reveal overwhelmingly that our churches are not effectively communicating the Gospel. Please do not misunderstand me, for I commend the booths presentation as excellent. Its scriptural center, carefully selected Gospel tracts and the gift of a new translation of St. John could and should have been introductory. Yet I find that the general caller did not comprehend the motives behind the booth. Basically I think we must admit that it stems from ignorance of what Christianity truly is. Can you give any other explanation? If you are a Christian let me challenge you to investigate how you and your church is communicating the gospel?

The Bible says that the faithful church is a people who zealously proclaim the Bible as the plenary verbal inspiration of God, as its rule of faith and practice. Secondly the truly faithful church will support any and all truly evangelical methods and materials. Third, the faithful church is a people of courageous Biblical Standards and Practices. Fourth, the faithful church is a Holy Spirit directed Church. Its members have been saved by the Holy Spirit's ministry and thus display real charity, real humility, real detachment from the world, real service, real unselfishness, and real suffering for others as Christ directs them. In conclusion let me again commend to your attention any and all who sought to exalt the Gospel of Christ this past week at the fair. They are all of the household of faith and their labors are not in vain, in the Lord.

Rev. Thos. E. Hicks

SHARON UNITED METHODIST CHURCH CALENDAR

The guest speaker on Sunday, September 1 will be Rev. Forrest Cook at 11:00 a.m.

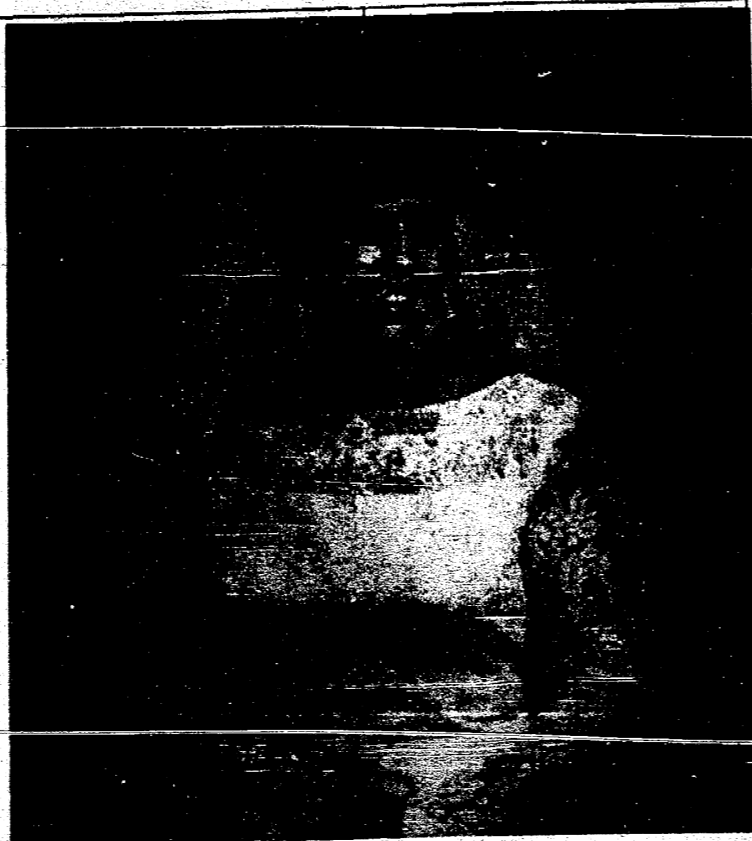

FAITH COMMUNITY CHURCH CALENDAR

Saturday, Aug. 31 - a family night potluck supper at 7 p.m. after which Douglas Keasal will show pictures taken during his trip with M.Y.I. this past summer to Mexico and southwestern United States. Doug leaves next week to enter Grand Rapids Bible and Music College.

Sunday, Sept. 1 will be Missionary Sunday. During Sunday School hour 11 a.m. letters from missionaries the church helps to support will be read. Tuesday, Sept. 3 at 8 p.m. the Church Board will meet.

ST. JOHN Ch. 11
Verses 9 and 10

Jesus answered, Are there not twelve hours in a day? If any man walk in the day, he stumbleth not, because he seeth the light of this world. But if a man walk in the night, he stumbleth, because there is no light in him.

DEMINE STEELE BECOMES MRS. SCHAIBLE

On Saturday, August 24, 1968 at 7:30 in the evening Mr. John Albert Schaible took as his bride Demine Marie Steele at Emmanuel United Church of Christ. The ceremony was performed by Rev. Ralph Kuether.

Parents of the bride and groom are Mr. and Mrs. Lorenzo W. Steele of Manchester and Mr. and Mrs. Leon Schaible of Ann Arbor.

The bride chose a white empire skimmer of silk organza and chanted lace with seed pearl trim. The gown had a high scoop neckline with A-line skirt with wide double rows of lace. The bodice and sleeves were chanted lace. The chapel length train with lace appliques was fastened at the back shoulders. She carried a bouquet of roses and carnations with pearls throughout. She had a double crown headpiece with elbow length veil.

to create a train. All had short sleeves and scoop necklines. Colors included yellow, blue, pink, mint green and white. All girls carried carnations tipped in the color of their dress. Flower girls were Danell Steele, sister of the bride, and Denise Kuebler, niece of the bride, both of Manchester.

Richard Schaible, brother of the groom, served as best man. Seating the guests were Gerry Mann, Manchester; Dennis Steele, brother of the bride, Manchester; Jim Uphaus, Manchester and Steve Carson, Manchester. Russell Hieber, God-child of the groom, was ring-bearer.

Soloist was Duane Kuebler, Manchester, brother-in-law of the bride. Organist was Mrs. Hazel Davidson, Manchester. A reception was held at the K of C Hall following the ceremony. Margaret Oldendorf and Margaret Feldkamp served the cake. Serving coffee and punch were Suzanne Massa, Dona McLeod and Carol Samonek. Jeannine Swank was in charge of the guest book.

Mother of the bride wore an aqua dress with white accessories and a corsage of roses and carnations. The groom's mother also wore an aqua dress with matching jacket with aqua and white accessories. Her corsage was also of roses and carnations.

After a wedding trip through the south the couple will make their new home at 220 Ann Arbor Hill, Manchester.

3,500 ATTEND STATE 4-H SHOW
Over 3,500 young people from throughout Michigan participated in the State 4-H Show last week (August 20-23) on the campus of Michigan State University.

"The Wonderful World of 4-H" was the theme of the week. 4-H - Youth Programs are a part of the Cooperative Extension Service of Michigan State University. Over 150,000 youth have participated in 4-H - Youth programs during the past year under the guidance of more than 15,000 volunteer 4-H leaders.

MANCHESTER YOUTH WINS 4-H AWARDS

Vicki Lynn Eisele, 16, 211 Beaufort, Manchester, won the top award for her home design demonstration during State 4-H Show, Aug. 20-23, at Michigan State University. She will receive an educational trip to Chicago later this year.

Vicki Eisele of Manchester presented an action exhibit in foods - nutrition personal appearance this week at the State 4-H Show.

The exhibit involved an explanation of Japanese foods. Over 2,000 action exhibits were given during this event.

Vicki's parents are Mr. and Mrs. Paul Eisele.

Margaret Kemmer of Manchester presented an action exhibit in foods - nutrition this week at the State 4-H Show.

The exhibit involved an explanation of freezing. Over 2,000 action exhibits were given during this event.

Lois Kemmer of Manchester presented an action exhibit in foods - nutrition this week at the State 4-H Show.

Big name race drivers from the new International Speedway will be visiting Manchester for this race.

The exhibit involved an explanation of freezing vegetables. Over 2,000 action exhibits were given during this event.

Lois' parents are Mr. and Mrs. Bernard Kemmer.

AGRICULTURE IN ACTION

Michigan housewives are being used by politicians and labor-union leaders in an all-out, long-distance effort to force California farm workers into labor unions. Never one to hold back where there might be headlines or political hay to be made, Detroit Mayor Jerome Cavanagh has gotten into the act. All in all, it appears to be a lot of excitement over a relatively few California-grown table grapes, but the issues are much more deep.

Involved is an effort by union leaders to unionize California farm workers, with major efforts aimed at the grape growing areas where hand-labor is a "must" and where a few large growers have been the special target.

However, the total boycott affects the small family farms as well as the larger producer. Failing in direct (and sometimes drastic) efforts to unionize the farm workers, the United Farm Workers Organizing Committee headed by Cesar Chavez and sponsored by the AFL-CIO -- has called for a total boycott of California grapes in major markets.

Originally aimed at New York, the idea has spread to Detroit with the public approval of Mayor Cavanagh, who urged enforcement of the table-grape ban.

Recently, a number of unions engaged in the distribution and retail sale of California grapes in the greater New York area invited brokers, jobbers and chain-store representatives to a meeting, in which they were told that stores selling California grapes would be picketed. The Meat Cutters have said they would not cross such picket lines.

With this ultimatum, the flow of California grapes into the greater New York area has dropped to practically zero, and in the process it appears there

has been a clear-cut violation of a major section of the Taft-Hartley labor Act, relating to secondary boycotts and "hot cargo" practices.

What does this mean to Michigan farmers and city consumers? Obviously, there is much more at stake than final disposition of a few tons of grapes. It is clear

that labor is attempting to set a pattern for total organizing of all farm workers, and eventually, a take-over of America's farm productive ability; for if a small group of organizers in California can cut such a huge city as New York off from a grape supply, it could obviously happen to your total food supply

MF 165 is the work champ of 4-plow farming

MF 165 is the 4-plow tractor that challenges all the others in work output. It has the power plant to get the job done fast... an economical 203 cu. in. direct injection diesel engine or high torque gasoline and LPG engines. Now the MF 165 has Pressure Control that transfers thousands of pounds of weight from pull-type implement and tractor front end to the drive wheels. Advanced Ferguson System transfers weight from mounted implements automatically. This means less slippage and more work done every day. Independent PTO operates free of transmission drive clutch. Equip your MF 165 just the way you want it. Multi-Power lets you shift on-the-go. Power steering, differential lock available, too. Standard clearance, tricycle, wide adjustable row crop models.

OBITUARY

Irving H. Kuhl age 73 a life-long Manchester area resident and farmer died Aug. 24, at Herck Memorial Hospital in Tecumseh. His home was at 10403 Noggie Road. He was born November 26, 1894 in Manchester the son of Henry and Minnie Steinway Kuhl. On March 3rd he was married to Esther Toole. He was a member of the Iron Creek United Church and of the Iron Creek Farm Bureau.

He is survived by, wife, a son Stanley of Adrian, a daughter Mrs. Thomas (Gertrude) Cushman of Lake Columbia, 6 grandchildren, 3 brothers, Lawrence of Mapleton, Iowa, Clarence of Billings, Mont., and Walter of Austin,

Minn., a sister Mrs. Alma Frey of Jackson. He was preceded in death by a son, Allan in 1923.

Funeral services were held Monday August 26 at 1:30 PM at the Jenter Funeral Home. Burial was made in Rowes Corner Cemetery.

ACCEPTS HIGH SCHOOL PRINCIPAL POSITION

Mr. Ronald McNally recently accepted the position of high school principal at Litchfield, Michigan.

Litchfield is located about 40 miles southwest of Manchester.

Mr. McNally has been employed by the Manchester School System for the past ten years.

The McNally's new address is 221 N. Chicago Street, Litchfield, Michigan.

KING OF THE ROOST STARTS SCHOOL

Soon the school bells will ring again. And soon these will be boys and girls answering it for the first time in their lives.

It would be difficult to describe with what mixed emotions the first timers and their parents feel. But one mother set down some of her thoughts and hopes in an essay which came across my desk today. It follows:

"World, take my son by the hand."

"My son starts school tomorrow," the essay began. "It's going to be strange and new to him for awhile."

"And I wish you would sort of treat him gently."

"You see, up to now, he's been king of the roost."

"He's been boss of the backyard, I have always been around to repair his wounds, and to soothe his feelings."

"But now -- things are going to be different."

"This morning, he's going to walk down the front steps, wave his hand, and start on his great adventure that will probably include wars and tragedy and sorrow."

"To live his life in the world he has to live in will require faith and love and courage."

"So, world, I wish you would sort of take him by his young hand and teach him the things he will have to know."

"Teach him ... but gently, if you can."

"He will have to learn, I know, that all men are not just, that all men are not true."

"Teach him that for every scoundrel there is a hero -- that for every crooked politician there is a dedicated leader -- that for every enemy there is a friend."

"Let him learn early that the bullies are the easiest people to lick."

"Teach him the wonders of books. Give him quiet time to ponder the eternal mystery of birds in the sky, bees in the sun, and flowers on the green hill."

"Teach him that it is far more honorable to fail than to cheat. Teach him to have faith in his own ideas, even if every one else tells him they are wrong."

"Try to give my son the strength not to follow the crowd when everyone else is getting on the bandwagon. Teach him to listen to all men, but to filter all he hears on a screen of truth and to take only the good that comes through."

"Teach him to sell his brawn and brains to the highest bidder, but never to put a price on his heart and soul."

"Teach him to close his ears on a howling mob -- and to stand and fight if he thinks he's right."

"Teach him gently, world, but don't coddle him, because only the test of fire makes fine steel."

"This is a big order, world, but see what you can do. He's such a nice little fellow."

FR. KALINOWSKI, K OF C CHAPLIN SUCCEUMS

Fr. Edward E. Kalinowski, 59, of St. Raphael's in Garden City died August 20 in Wayne County General Hospital. Fr. Kalinowski was the chaplain of St. Mary's Knights of Columbus and at one time pastor of St. Dominic's, Clinton and St. Andrew's Mission in Saline.

A requiem mass was held Friday, August 23 at St. Raphael's and members of the K of C Chapter of Manchester attended the service.

HOSPITALIZED

Anche Bailey of Duncan St. has recently undergone surgery at the Cleveland Clinic in Ohio. His son, reports that Mr. Bailey is doing "real well." Those wishing to send cards or letters may send them to Mr. Bailey at the Cleveland Clinic, Cleveland, Ohio. Mr. Bailey is Alma Arnett's father.

DIABETES ASSOCIATION WILL MEET SEPT. 4

The Ann Arbor Diabetes Association, a Unit of the Michigan Diabetes Association, a United Fund Agency, will hold a breakfast and meeting, Wednesday, September 4, at 9:30 A.M., at the home of Mrs. Bernard Hitting, 427 Ballard Street, Ypsilanti.

Mrs. Wayne Van Wagoner will give a report on the Annual Meeting of the American Diabetes Association held in San Francisco in June. Also, plans will be discussed to attend the Regional Lay Society Lecture Program, sponsored by the Michigan Diabetes Association, at the Detroit Institute of Art, September 26 at 8:00 P.M.

Diabetics, relatives of diabetics and other interested persons are cordially invited to attend.

THREE AREA STUDENTS ON DEAN'S HONOR LIST

The Dean's list at Washtenaw Community College includes 200 students who earned a "B" grade average or better for the spring semester. A student must be a full time student (12 credit hours or more) to be eligible for the Dean's List. Manchester Students on the Dean's List are: Gary G. Chavey of 19220 Bethel, son of Mr. and Mrs. Leslie Chavey; Sally Schabile of 208 Washington, daughter of Mrs. Bettie Schabile; and Kim R. Swartz of 204 Hibbard, son of Mr. and Mrs. Robert Swartz.

New Teachers Hired

Among the new teachers employed by the Manchester Public Schools for the 1968-69 school year are three teachers who were formerly employed by the system. Returning for the school year are Mrs. Ruth Cooper, a graduate of Wayne State University, who will teach high school German, Mrs. Nondus Buss, a graduate of Eastern Michigan University, who will return to a fifth grade assignment, and Mrs. Phyllis Hamilton, a graduate of Eastern Michigan University, who will be teaching fifth grade in the Nellie Ackerson Building.

One high school mathematics position and a fourth grade position remain to be filled as of this date.

Teachers new to the Manchester School District for the coming year and their teaching assignments are listed below:

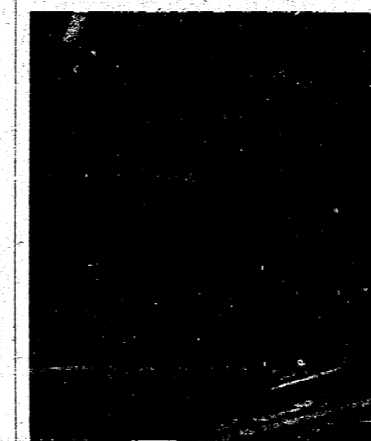

Mrs. Carol Spence will teach special education classes at the Pleasant Lake Elementary School. Mrs. Spence is a graduate of Western Michigan University where she majored in Special Education. Mrs. Spence taught special education classes in the Plainwell School System during the 1967-68 school year.

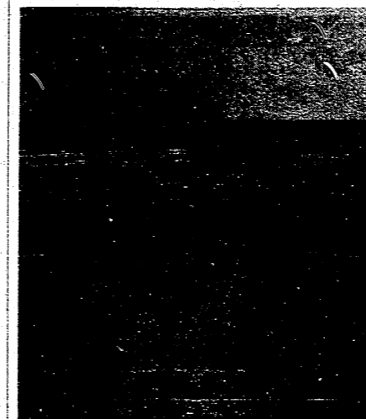

Mr. William Poppink, a graduate of Hope College, will teach mathematics in the high school. Mr. Poppink will also take charge of the varsity basketball assignment as head coach and will assist Mr. Kozican in varsity football. Mr. Poppink has taught and coached three years in the Addison School District.

Heading up the agricultural department in the Manchester High School will be Mr. Roger Dean Merrillat. Mr. Merrillat attended Morenci Area Schools and received a Bachelor of Science Degree in Vocational Agriculture from Michigan State University. Mr. Merrillat brings to this position a well

rounded background in agriculture and related areas.

Miss Diane Joldersma, a graduate of Hope College, has also attended school in Vienna, Austria. After living in Michigan for most of her early life, she was graduated from Staples High School in Westport, Connecticut. She returned to Michigan to attend Hope College and her first teaching assignment was last year in an Illinois school. Miss Joldersma will teach English in the Manchester High School.

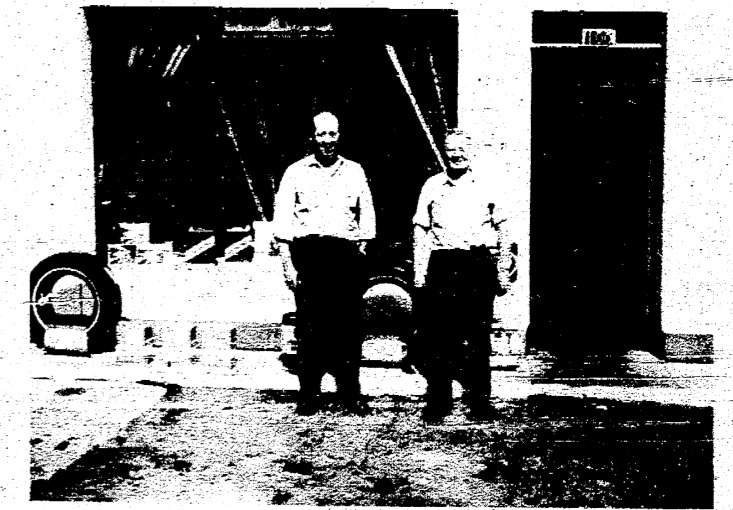

Miss Mary Piers, a graduate of Hope College, will be the new art instructor in the Manchester School System. Miss Piers attended high school in Zeeland, Michigan and received her baccalaureate degree and teaching certificate from Hope College.

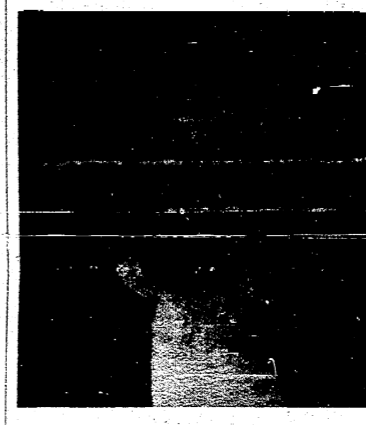

Mrs. Alice Beers, a grad-

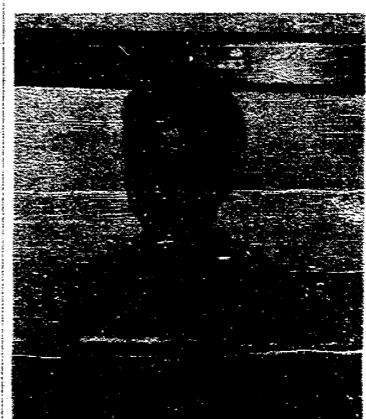

NOTICE
The Village Water Improvement Program is almost complete. Within the next 10 days, the new standpipe will be connected to the system. This will mean an increase of at least 22 lbs. water pressure all over town.
The Village Council

uate of Duke University in Durham, North Carolina, will teach High School English and Speech. Mrs. Beers graduated from Jacksonville Beach Florida High School, received her Bachelors Degree in English from Duke University and has worked with the Upward Bound Program in Washington, D. C.

Mrs. Patricia Morris Berry will teach girl's physical education at the high school. Mrs. Berry attended the Notre Dame of Maryland High School and received her high school diploma from Bryn Mawr School in Baltimore, Maryland. She attended Smith College in Northampton, Massachusetts and received her Bachelor of Arts Degree from the University of Pennsylvania. Mrs. Berry will also coach girl's basketball and the high school cheerleaders.

Mrs. Marilyn Williams, a graduate of Ohio State University, will teach sixth grade in the Intermediate Building. Mrs. Williams attended high school in Columbus, Ohio. Mrs. Williams has lived in Ann Arbor for the last fifteen years and is the mother of five children. The oldest son will be a college freshman this year and her youngest daughter will be enrolled in nursery school.

Here are the three teachers returning to teach this year. In order they are, Mrs. Ruth Cooper, Mrs. Nondus Buss, and Mrs. Phyllis Hamilton.

"Friendliness"

"The station at the top of the hill" often directs out-of-town customers to the Grossman-Huber Gulf Service station on the corner of Main and Clinton. The station has been a part of the community for over thirty years when the late Carl Toburen opened the business in the late 1930's. Mr. Grossman was one of Mr. Toburen's original employees.

Red Huber sold out his gas station, the locale of Don Walter's Body Shop, served in the U.S. Army for two years and upon his return in 1946 also began working for Mr. Toburen.

Then in 1954 Red Huber and Rollie Grossman became owners and partners of the Gulf Service station. Today they employ four full-time and several part-time employees and both are usually on hand to serve their many customers. Grossman-Huber handles minor tune-up and repair work as well as car washing facilities. They also sell many auto and truck accessories. The station is open daily from 6:30 a.m. to 10 p.m. and Sunday from 8 a.m. to 8 p.m.

Rollie Grossman and his wife, Liz, live in Manchester and are members of Emmanuel Church where Mr. Grossman is also on the church council. He is a member of the Optimist Club and a volunteer fireman and has been for over twenty-five years.

In May of 1964, Rollie Grossman was awarded one of the four awards given so far by the Manchester Junior Chamber of Commerce "in recognition of services to the community" involving such activities as the annual chicken broil.

Red Huber and his wife, Jerry, are life-time residents of Manchester and are members of the Emmanuel Church. Mr. Huber is also a member of the Optimist Club and the American Legion.

Grossman-Huber Service invites you to stop in any time.

Did you miss out?
