JV's BEAT CLINTON 13-6

Mark Lentz scored both touchdowns for the JV's. He had runs of 20 yards and 10 yards. The boys played one of their better games last Wednesday night.

"Lefty"

DUTCHMEN 21, CLINTON 6

Rick Lowery showed Clinton he not only can pass but can run too. Lowery went 12 yards for the Dutch third touchdown. Jeff Stevens went 30 yards on an intercepted pass for the Dutchmen's second score. Irv Roberts took Lowery's pass and went 25 yards for his touchdown.

"Lefty"

Here are some very happy Dutchmen, they have just beaten Clinton, 21 to 6.

CROSS COUNTRY SPORTS FLASH

Mike Hamilton finished the 1968-69 Cross Country season by placing 6th in the state meet at Ypsilanti, Mich. His time was 10:35.8 minutes. This performance preceded by his first place in the Lenawee county league meet at Clinton, Mich., and 6th place in the regionals at Napoleon, Mich., gives every indication of a bright future in cross country for Mike.

WORK PROGRESSING ON NEW SCHOOL

Satisfactory progress is now being made on the new Luther C. Klager Elementary School being constructed on the Ann Arbor Street site. Most of the perimeter walls of the building have been completed and interior supporting walls have been started in some sections of the building. The brick being used on the exterior walls is a textured, antique brick that will blend nicely with the overall site. Floors have been poured in approximately six classrooms and in some of the corridor areas. The underground mechanical and electrical work has been completed for the most part. Heavy concrete curbing has been installed in the entrance of the building proper and on the perimeter of the faculty parking lot. This will be black topped at a later date along with the driveway from the street to the building. Services to the building are complete except for connections. When the interior walls are completed the steel for the roof deck will be put in place and the roof area installed. It is hoped that with the present rate of progress a substantial part of the building will be under cover by the time severe weather sets in.

SPAULDING FOR CHILDREN TOPIC FOR COAC MEETING

The November Council on Adoptable Children meeting will host the executive director of a unique and exciting adoption agency called Spaulding For Children. Mrs. Kay Haar Donley will speak about the agency's innovative policies and process on November 22, 1968 at 8:00 PM at Church of the Good Shepherd, 2145 Independence Blvd., Ann Arbor, Mich.

WORK STARTED ON NEW ATHLETIC FACILITY

Through the generosity of the Manchester Jaycees and the Manchester Optimists, co-sponsor of the Manchester Chicken Bowl, a sum of money was granted to start the initial work on a new outdoor athletic complex. The two organizations have pledged \$7,000.00 to construct a new running track and develop a future football field in the center of the track. The new track and football field are located on the north side of the new elementary school site on Ann Arbor Street. This project has been under consideration for several years by these two organizations and the Board of Education. Some few months ago interested officials from the three groups met with a representative of the Kingscott Architectural Association and asked that plans be drawn up for such a project. The plans furnished by the architectural firm encompass a complete athletic facility, including in addition tennis courts. At the present time only the track and the future football field will be developed with the funds that are available for this purpose. Later, as additional funds are available and as interest in the project develops, the rest of the new outdoor facility will be developed.

CRAFT SALE NOV. 15

The Ann Arbor Art Association is again sponsoring the Annual One Day Craft Sale. The date is November 15; the place is the YW-YMCA; the hours are 10:00 a.m. to 9:00 p.m.

The Annual Craft Sale contains original work in ceramics, enamels, jewelry, textiles and Christmas Cards. The work is juried and is attended by the craftsman who created it.

Last Friday evening the first Fall Fun Festival was held at the Nellie Ackerson Elementary School and termed by observers as a "success." Miss Birdella Flood, elementary school principal, said, "It was a wonderful success beyond all our expectations". She added that the festival went smoothly; the halls were crowded from the moment the doors were opened; the refreshment area tables were continually filled and everyone enjoyed themselves as teachers, parents and pupils had an opportunity to become better acquainted. Miss Flood added that the gross amount was over \$800.00.

AN OPEN INVITATION

At present, Council has stated they intend to do nothing and Don Limpert intends to do nothing. The tax isn't paid, the water bills aren't collected and Mr. Ross still owns the tavern. In an attempt to get things going I am inviting Don Limpert and the mayor or anyone of the councilmen to express their viewpoints here on the front page next week. From Don I would like an explanation of why he has not paid his tax and what there is about the water bill which he finds objectionable. From council I would like an explanation of the tax situation and why they charge the water rates they do. Maybe this way we can let air on this mess without an angry confrontation erupting. I would like these statements in writing by Tuesday noon of next week. I think this would be a better approach than my putting in my opinion in an effort to force a settlement. If I do not receive any cooperation on either side, then I will go ahead as planned and put my version in, and let the chips fall where they may.

ROLAND GUENTHER KILLED IN FARM ACCIDENT

Roland E. Guenther age 60 years was killed in a farm accident at his home Saturday. He was born Jan. 27, 1908 in Saline the son of John and Clara Bremer Guenther. He was married to Emma Matt on Sept. 1, 1932. They moved to their present home in 1941.

He was a member of Emanuel United Church of Christ, and of the Beagle Club.

Survived by: wife Emma, son, Marvin, at home. Four daughters, Mrs. Joan Barth of Saline, Mrs. Melvin (Jeanette) Lamb of Manchester, Mrs. Delbert (Marilyn) Tallman Jr. of Clinton and Mrs. Mark (Margie) Blumentauer of Manchester. Eleven grandchildren, two brothers, Harold of Dexter, and Erwin of Ann Arbor. Two sisters, Mrs. Leslie Russell of Ypsilanti and Mrs. Joseph Weber of Dexter.

13 IS LUCKY NUMBER

The month of October was a busy one. The children took a trip to the Albee Cider Mill on Bethel Church Road. They picked their very own apples from the trees and had a tour of the cider mill. They took the apples back to the school so they could make apple sauce. Time did not allow for them to do it that same day. On Thursday, they were successful at making the apple sauce and enjoyed eating it during their snack time.

ST. MARY'S CHRISTMAS BAZAAR SCHEDULED

St. Mary's Annual Christmas Bazaar will be held Wednesday, November 20 at the K of C Hall from 9:00 am to 8:30 pm. Free coffee and cookies will be served throughout the day as shoppers enjoy St. Mary's hospitality and a large selection of Christmas and everyday household items.

Mrs. Marvin Kirk is handling the food section and featured items include homemade jams, jellies, baked goods, candies and a variety of such delicacies. General Chairman Mrs. Richard Way noted there will be handmade aprons, children's clothing, toys, dolls and Christmas

decorations as well as many other items.

And as a special feature for the children this year, Mrs. Way has contacted Santa Claus. Provided a name and address is included in each letter brought to the special "chimney mail box" at the Bazaar, Santa will answer each child's letter.

St. Mary's Christmas Bazaar, November 20 from 9-8:30 at the K of C Hall. The ladies of St. Mary's extend an invitation to join them for some pre-holiday Christmas shopping.

The number thirteen is sometimes thought of as an unlucky number. According to the members of the Manchester Day Care Center, Inc., thirteen is a delightful number. There are 13 happy pre-school children enrolled in the co-operative nursery.

The Manchester Co-Operative Nursery is a member of the Huron Valley Council of Cooperative Nurseries. On October 19, 1968, the HVCCN held their third fall conference in Ann Arbor, Michigan. Mrs. Herbert Mahony and Mrs. Larry Hazen attended this all day conference which was in a form of a workshop.

Tuesday morning the "13" children had their pictures taken along with the Manchester Public School. Then they hurried back to their room so that they could bake their Halloween cookies. The Halloween Party was held on Thursday, Oct. 31

EDITORIAL

The story I said I might print is not there. Its not there for two reasons, 1st. I am going to be gone this weekend. My wife and I are going up north to adopt 2 boys. We won't be home until Monday. I didn't want any nasty phone calls coming to my employees in my absence. 2nd. I have not had enough time to gather the information I want printed. I will not print my version, yet. When I publish these facts it will be those individuals who were involved doing the explaining.

I would like to state that I do not consider the present or past council members anything but good honest citizens who have undertaken a thankless job. The reason I have never said anything about this before is that I hoped it could be settled privately without hurting anyone. However as a citizen and a businessman who wants his business to grow, I am forced to take a stand now, because it involves town growth. These matters now in the public limelight could have and should have been settled before I became councilman. I made reference to these things hanging over our head before I decided to run for council. I was told not to be concerned. After some checking (with

other towns on water billing and lawyers on taxes and water) I am convinced that if these matters were to go to court, the village stands a good chance of losing both cases with some very serious consequences.

This is why I would have liked to see council judge the transfer on its own merit and then negotiate the other problems. The way it stands now, Don has been made the villain because he questioned two things the village has done that to him appear illegal. I feel it was our place to work these things out so that they were right (namely our water ordinance, the tax he has agreed to pay) I think its a sad state when someone who questions is called the trouble maker.

The way things stand now, no one is going to win. I won't be liked, Limpert won't be liked and council won't be very popular. However, I am going ahead anyway. My purpose is not to hurt anyone, but I have to decide something. Do I want this town and my business to grow or am I wasting my time until things like a shopping center is located in the township, our streets become all gravel again and the main street stores become empty? I can't wait. We have an individual who can improve our town, and I'm willing to do anything in my position as

councilman to help him. This doesn't mean giving in, but if someone questions what I'm doing, I'll be glad to check to make sure I am right and if I am then they will have to obey the rules just like anyone else. If I am wrong I will concede and straighten it out.

If I am to find fault if would be with the village attorney. He was at the meeting where the tax role was adopted and on the water ordinance he has let the village get into a position where they can't collect (not to mention the case against the village charging Pat Roesch with conflict of interest which has already cost us almost \$2,000.)

In regard to my somewhat pessimistic plea for support, I stopped counting after 50 people had called or stopped by to tell me how they felt. The feeling seemed to be that I should print the story so they could judge for themselves if Limpert should be given the go ahead. They also felt that if someone was questioning, maybe something was wrong.

There is always tomorrow, the last I heard the letter of denial had not been sent to Lansing regarding Don's transfer application. This gives hope that the matter can be settled before the point of no return is reached.

No matter what happens we won't have any winners in this game. The only ray of sunshine is that the ordinary everyday citizen in Manchester wants progress and wants the town to grow whether its Limpert or someone else. It makes me wonder who my fellow councilmen are representing, themselves, or the people who live here.

LETTER TO THE EDITOR

This refers to an editorial and a Letter to the Editor over the signature of John Althouse, both of which appeared in the November 7th issue of the Enterprise.

Firstly, I want to commend you when you offer to publish all of the facts surrounding the Councils approval of a personal property tax roll which, according to existing State tax law and

regulations governing Village procedures, was and is an illegal basis for the levy and collection of taxes. Furthermore the attempt by certain Council members and Village Officials to cover up this situation gives rise to many questions, not the least of which is - Does our Council have adequate and competent legal counsel?

I can not agree with the premise that it would be futile for the Enterprise not to report all of the facts, past and present, in this situation if you do not have at least a dozen citizens who are interested. Some years ago the Detroit Free Press characterized Manchester as a "Sleepy little town of 1300 Souls". I do not agree with this conception and would like to feel that our apparent apathy is due more to the fact that we have believed that our Councilmen are cognizant of their responsibilities to the Community, that they are capable of exercising prudent judgement in all areas

involving the welfare of the Community and that they have provided themselves with the best available legal and technical counsel. The Althouse letter. It is not clear whether John signed this letter as a citizen or as President of the Village Council. I assumed it was the latter. Substantively it is one of the finest examples of "Double Talk" I have read in many years. In an attempt to realign between the lines and put this verbiage in context, I can only conclude that the Village council has and will continue to withhold their approval of any and all projects suggested by Don Limpert, regardless of their merit and or benefit to the community, because somebody doesn't like the way he parts his hair. Its a disgraceful situation and the Community should be aroused.

LETTER TO THE EDITOR

I would like to know the real reasons for Don Limpert not getting the transfer. There has to be more to it than is being said. As taxpayers and residents of Manchester, I feel we all have the right to know what is going on and why.

I personally would be delighted to see Don get that building, and if anyone can't see why, they are invited to come look out my dining room window.

All of the buildings Don owns have been cleaned up and remodeled and are very attractive. I'm sure that if all those buildings looked the same as they did a few years ago, we would not have bought this house.

As a "new-comer" to this area, I can't help but get the feeling that people are balking

at what Don is trying to do because he, too, is an 'outsider!' The people should be glad he's trying to improve the village instead of fighting his every attempt. You have only to drive down the sily to see that he has done a great deal for this community.

Mrs. Robert (Sue) Achtenberg

LETTER TO THE EDITOR

After reading your opinion of the way things are happening with the council and then the letter from John Althouse, it seems we are sitting back and watching a fight between children (the council and Mr. Limpert) where neither party will give in and compromise if one or the other can't have their own way.

The main thing that occurs to me, is there must be more

to this than meets the eye because if any other tax payer had let their taxes go for a full year the council would have gone into their place of business and confiscated the necessary property to have paid their taxes. My question is, is the council wrong in the way they assessed Mr. Limpert's taxes? This is the only reason I can think of that would explain the reason why the council is afraid to go in and collect these overdue taxes. If Mr.

Limpert is right in not paying these taxes I think it is about time the rest of us tax-payers looked into our taxes too.

According to Mr. Althouse, Mr. Limpert has never taken time to try to talk to the council, well what ever happened at the meeting in September when Mr. Althouse, Mr. Limpert and Mr. Mahoney met to try and resolve this matter?

As a council member, Mr. Macomber would you please print in your paper the whole

facts about this matter. I think it is time we the people find out just what the council we elected is doing to help or hinder our township, or if this is just a personal battle between Mr. Limpert and some of the council members.

BIRTHS

Born to Mr. & Mrs. Carl Kemmer, November 4, an 11 pound boy, Eric Carl. His grandparents are Mr. and Mrs. Vernon Herman and Mr. and Mrs. Ernest Kemmer both of Manchester.

Rev. Kuether and his volunteers for UNICEF collected \$111.49. They wish to thank everyone who contributed.

South American guests of Mrs. Franklin M. Reck this past week were Sr. and Sra. Athanael Martins da Fonseca of Rio de Janeiro. Sr. Fonseca is the executive director of the 4-S Nacional Comite, the Brazilian counterpart of our National 4-H Foundation in Washington, D. C.

Sr. and Sra. Fonseca had been attending the Inter-American Rural Youth Leaders Conference in El Salvador. They stopped in Manchester enroute to the 4-H Foundation to bring a personal report to Mrs. Reck regarding the three Brazilian 4-S youths who are attending High School in their home states in Brazil as recipients of the Franklin M. Reck Scholarship to that country.

SALLY JO TASE BECOMES BRIDE OF LONNIE YOUNG

Sally Jo Tase became Mrs. Lonnie Young, Nov. 2, 7:30 P.M. at the Manchester Methodist Church. Rev. Oscar Wm. Cooper performed the ceremony.

Mrs. Young is the daughter of Mr. and Mrs. Robert Tase of Saline. Mr. Young is the son of Mrs. Harry Young of Tennessee.

The bride chose a floor-length taffeta and lace high empire waist, a - line skirt. Fitted lace bodice, long lace sleeves, high cameo neckline, trimmed with tiny sequins and pearls. Detachable train edged with sequins. Finger tip veil. She carried a bouquet of red roses with orchid.

Maid of Honor was Miss Shirley Tate of Adrian, Mich. She wore a floor-length yellow brocade high empire waist a-line skirt and carried green carnations. Bridesmaids were Mrs. Harold Kungelman and Mrs. Richard Shadley both sisters of the bride.

Flower Girls were Miss Linda Rose and Miss Brenda Rose.

Mr. Bill Buchanan was best man and Mr. Harold Kungelman and Mr. Everett Bailey were ushers.

A reception was held in the church hall. Serving were Mrs. Ray Meyer, Mrs. Day Tase, Pouring, Mrs. Jackie Prowant, and Mrs. Richard Herrer. Another reception was given at the brides parents home.

The couple plan a one week trip to Tennessee.

They will make their home at 262 Clark St. Saline, Mich. Thorncrest Apartments.

DOING THE TRUTH

Recent events have focused attention on law and order. All over the world, people turn to violence in a vain effort to solve problems that intelligent processes have not solved to their satisfaction.

These trends are not new. The author of Judges described the frustration of his day when he said, "In those days there was no king in Israel; every man did what was right in his own eyes." Judges 17:6 Anarchy is synonymous with confusion and disorder. Anarchy is only possible when selfish interests take precedence over the interests of society.

Whatever one may think of Martin L. King, history will certainly record that he very clearly understood that changes needed to be made and that unless they were accomplished without violence, the cause was lost.

Anarchy, in any form, is the most destructive and the least productive tool available to solve social inequities. The problem with force and violence is that it produces counter force and violence. This inherent characteristic always leads to a stand-off where negotiation must intervene to prevent total loss.

This social convulsion is often used to cover a need for justice. The poverty stricken people of Germany in 1930 had great needs. Hitler made them so aware of their needs that upheaval completely screened his own evil designs. In our own time, the desperate need for law and order is great. Law and order without justice for everyone is too big a price to pay and is unworthy of intelligent society.

History is very helpful at this point. Violence and anarchy, as tools of social change, have never produced solutions that have survived over thousands of years. The teachings of Jesus are a tool of human change. The health of the people of almost every nation have been greatly improved by the ministry of Christians concerned about human need. The story of the rise of education and literacy throughout the world has been greatly affected by Christian concern. Hunger is universally serious.

The story of Biafra, India and the refugee-ridden Near East has received a major thrust from Christian concern. In each area, great changes in the plight of needy people have been made, but anarchy was not a useful tool in any one. We minister to the needs of a traumatic world by being

an example of our own concern. The early Christians did not threaten to reduce the city to rubble unless the gentiles were properly treated. The Christians simply accepted every man as a brother and thus shook caste systems in every nation of the world. The followers of Jesus in Asia did not bring life to a stand-still to force people to give women the respect God intended them to receive. Christians simply treated all women with due respect and thus shattered a centuries old system of world-wide disrespect.

All through the centuries the followers of Jesus have modeled human society by living an example of obedience to God and concern for others. It will not be different today.

I think this is what Jesus meant when he said, "You shall love the Lord your God with all your heart, and with all your

soul and with all your strength and with all your mind, and your neighbor as yourself," Luke 10:27.

BEER—toast to America's economy

The brewing industry is a massive and dynamic part of the national economy. Each year it pours billions of dollars into commerce and government.

- \$1.4 billion in state and federal excise taxes.
\$3 billion to employees, suppliers and distributors.
\$875 million in agricultural products and packaging materials.

The brewing industry is a proud contributor to America's prosperity.

DIABETES ASSOCIATION TO SPONSOR TESTS

The Ann Arbor chapter of the Michigan Diabetes Association will sponsor free blood-screening tests for diabetes in observance of Diabetes Detection Week, November 17-23.

The tests will be given in the Diabetes Detection trailer beginning Monday, November 18 through Saturday, November 23, from 1 to 9 PM.

On Monday, Tuesday and Wednesday, the trailer will be parked at the K-Mart in Maple

Village, at Maple Road and Dexter Road. On Thursday, Friday and Saturday, the trailer will be at the parking lot at Arborland, at Washtenaw and U.S. 23.

The purpose of the program is to find the unknown diabetic and refer him to his physician for treatment. Diabetes can be controlled when found early. Persons most likely to be diabetic are over forty, overweight and blood relatives from someone with diabetes.

Persons planning to be tested should eat a hearty meal two hours before the test.

CONGRATULATIONS TO ALL VARSITY AND JV FOOTBALL PLAYERS THIS YEAR

The football season is over for the Dutchmen but what a season they had! The Varsity Team ended up in second place with a seven and one record. The JVs ended up in second place with a six and one record. I would like to thank both Varsity and JV coaches for their fine help again this season. I also want to thank all the football players for putting up with me. I know sometimes I got in their hair, but I am still proud to live in Manchester; the HOME OF THE FLYING DUTCHMEN! See you all next season. "Lefty"

MEET THE PLAYERS NIGHT

Next Wednesday, Nov. 20 at 7:30, all parents and interested basketball fans are invited to the high school gym for an informative meeting. The following will take place: (1) Varsity and J.V. teams and coaches will be introduced. (2) Two qualified officials will be there to explain the rule changes for this year and several other important rules. (Will help greatly in understanding the official's job.) Varsity members will demonstrate. (3) The new audio-visual closed-circuit TV will be demonstrated. The meeting will last no longer than one hour. Hope to see you there at 7:30 p.m.

MAKE ALL-LEAGUE TEAM

In the 1968 LCAA All-League Football Team, 5 Manchester players were named. On offense, Bob Pratt, End; Pete Haeussler, Tackle; Rick Lowery, Quarterback. On defense, Pete Haeussler, End; and Irv Roberts, Line Backer. Honorable mention players were Steve Hamilton, Mike Stokwell, Stan Parr, Jeff Stevens, and Lyle Jacob.

The annual Fall Sports Banquet would not have been a success if it was not for Mrs. Norma Stautz and Mrs. Myrtle Roberts. They did a wonderful job. The Boosters would like to say thanks a million. In the picture you see the clean-up crew; Mrs. Stautz, Mrs. Roberts and Mrs. Berry.

United Fund Over The Top 107%

Manchester's United Fund Campaign reached 107% or \$15,846.50 last week when the drive was officially closed two weeks late. This is normal for election year and the Community Chest Board extends congratulations to everyone who aided the campaign in any way. "It's the backing of the Community combined with an efficient campaign chairman and his staff of loyal workers that makes for success", Mrs. James Baker, president of the Board said in commending Ted Tapping, campaign chairman, for his 107% total.

Meritt and Schaffer Companies each gave \$50.00. The Grand total for Manchester from Industry is \$8,032.30 or 118% of quota for Chairman Clarence Fielder.

The Public School System guided by Mrs. Ronald Mann went 102% of quota with \$941.73. Mrs. John Bunney's village house-to-house division made 95% of quota with \$1,018.76 while the rural division, under Mrs. Lynn Voegeding's guidance made 98% with \$1348.85. Mrs. Irvin Gill's Businessmen's team went 94% of goal with \$1,993.

Double A Products gave the outstanding gift to the local drive (see picture) with a total of \$7,041.76. \$2500.00 of this was the corporation gift from Brown & Sharpe, Hydraulic Division. Out of this amount \$1,134.20 will go to other United Funds as donations to the home funds of employees. This is reciprocal, for the pledges of residents of Manchester area who work elsewhere will be returned to Manchester if donors are sure to make such a request from their collecting funds.

Chrysler Corporation, Proving Grounds Division, gave \$250.00 and their employees \$495.66. Michigan Gas Storage gave \$50.00 plus \$220.08 from employees.

Manchester Tool and Die gave \$487.00 and Manchester Stamping brought in \$252.00. Manchester Plastics donated \$35.00 from the company.

Donald Roach, Vice-president and general manager, Hydraulic Division, Brown & Sharpe with Secretary Mrs. Irene Wurster, highly approve the Distinguished Service Award which is being presented to Mrs. Jeanne Morrison, Plant campaign chairman, by Ted Tapping, Manchester Campaign Chairman for the United Fund Drive. The Hydraulic Division of Brown & Sharpe (better known in Manchester as Double A Products) gave \$2,500.00 to the Drive and the employees gift totaled \$4,541.76.

THANKS, MANCHESTER!!!

Again, the people of our community, its businesses, its industry, its organizations have chalked up another victory in the win column of United Fund Drives. Your willingness to give to this worthwhile cause, and surpass our goal of \$14,615 by 7% underscores the fact that Manchester does accomplish what it sets out to do, and does have compassion for fellow neighbors in need of the services provided by the funds raised in our drive. Thanks!

Ted Tapping Campaign Chairman

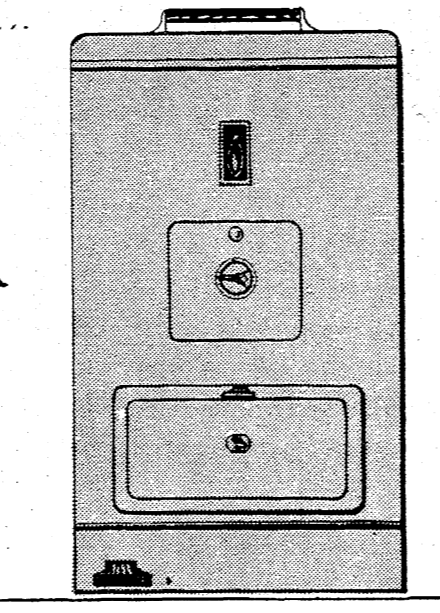

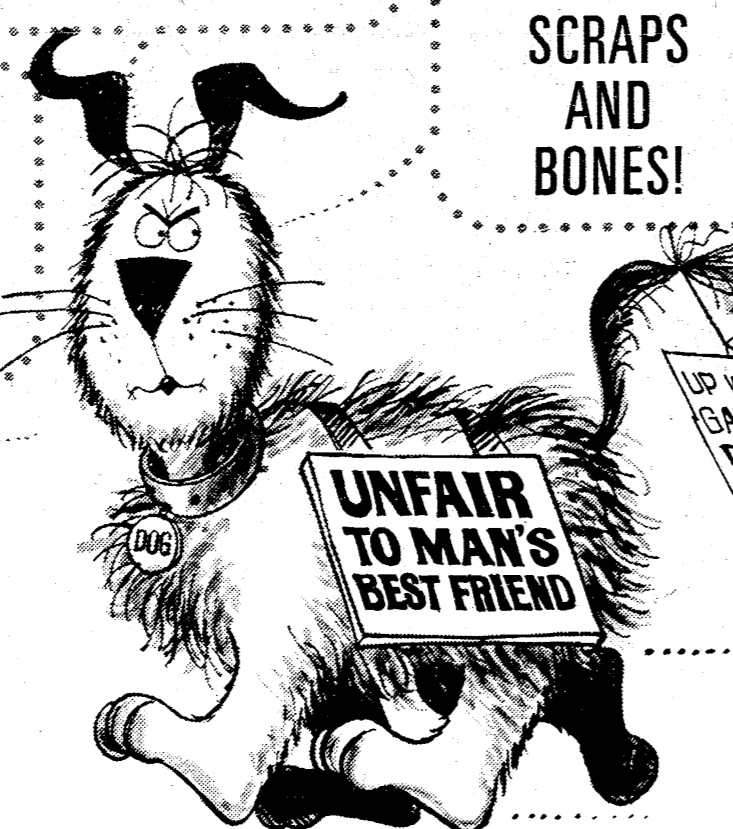

Here we have Duane Roller posing proudly with his 8 point, 148 pound buck. Which was shot Wednesday night about 5:30 near his home. The buck got away, but not for long as Norm Fielder, Clare Arnold, Rex Pratt and Dwight Eisenhauer participated in retrieving it. The buck was found about 9:00 later that night.

A GAS INCINERATOR TAKES THE FUN OUT OF LIFE!

THEY SAY IT EVEN BURNS SCRAPS AND BONES!

NOTHING TO SNIFF-NOTHING TO SCATTER!

From a pet's point-of-view a Gas Incinerator is no fun, but for people it's great! With a Gas Incinerator, you get rid of that insect-breeding garbage can that clutters up the view, get rid of smoldering rubbish that contaminates the air, cut out those daily, rubbish-carrying dashes in the rain and snow. Nice thing about a Gas Incinerator—it's always at hand in your basement, garage or utility room. Burns everything burnable—no mess, no smoke, no odor... and costs only pennies a day to operate.
