

The Dutchmen fill their plates at the Athletic Banquet.

CONGRATULATIONS TO ALL VARSITY AND JV FOOTBALL PLAYERS THIS YEAR

The football season is over for the Dutchmen but what a season they had! The Varsity Team ended up in second place with a seven and one record. The JVs ended up in second place with a six and one record. I would like to thank both Varsity and JV coaches for their fine help again this season. I also want to thank all the football players for putting up with me. I know sometimes I got in their hair, but I am still proud to live in Manchester; the HOME OF THE FLYING DUTCHMEN! See you all next season. "Lefty"

Some of the crowd that attended the banquet Saturday night at the junior high school.

The Offense and Defense players of the year receiving their awards; an Athletic Boosters' Award. Left to right, head football Coach John Korican, Jeff Stevens, Defense Player Rick Lowery, Offense Player and Booster President, Ted Stautz.

MEET THE PLAYERS NIGHT

Next Wednesday, Nov. 20 at 7:30, all parents and interested basketball fans are invited to the high school gym for an informative meeting. The following will take place: (1) Varsity and J.V. teams and coaches will be introduced. (2) Two qualified officials will be there to explain the rule changes for this year and several other important rules. (Will help greatly in understanding the official's job.) Varsity members will demonstrate. (3) The new audio-visual closed-circuit TV will be demonstrated. The meeting will last no longer than one hour. Hope to see you there at 7:30 p.m.

MAKE ALL-LEAGUE TEAM

In the 1968 LCAA All-League Football Team, 5 Manchester players were named. On offense, Bob Pratt, End; Pete Haeussler, Tackle; Rick Lowery, Quarterback. On defense, Pete Haeussler, End; and Irv Roberts, Line Backer. Honorable mention players were Steve Hamilton, Mike Stokwell, Stan Parr, Jeff Stevens, and Lyle Jacob.

The annual Fall Sports Banquet would not have been a success if it was not for Mrs. Norma Stautz and Mrs. Myrtle Roberts. They did a wonderful job. The Boosters would like to say thanks a million. In the picture you see the clean-up crew; Mrs. Stautz, Mrs. Roberts and Mrs. Berry.

TO MEET

A women's Farm Bureau meeting will be held at the Farm Bureau Building, Saline-Ann Arbor Road on Thursday, Nov. 21, at 11 a.m. with a potluck dinner at noon. Each member should invite a city friend. There will be a program and speakers.

MANCHESTER PLASTICS DOES IT AGAIN

Manchester Plastics, Inc. have recently added a 50' x 96' addition across the back of the present building. This is the third addition to the plastics molding factory built in the spring of 1964. The new addition will be used for general production, final products inspection and raw material storage.

Shop Class Fills Need

by Carolyn Ahrens

A few years ago a number of area businessmen became more and more aware of the increasing need for young men trained in Industrial Arts. Their interest and research later developed into the present Manchester High School Industrial Arts program.

total of 120 students. He is also the cross-country and assistant baseball coach. With a major in history and English from Adrian College, he is now attending Eastern Michigan University for

an Industrial Arts degree. His wife Erka is a stenographer at the Tecumseh Fisher Body Plant and is also attending EMU for a teaching certificate. The Pemberton's own a home in Tecumseh.

United Fund Over The Top 107%

Manchester's United Fund Campaign reached 107% or \$15,846.50 last week when the drive was officially closed two weeks late. This is normal for election year and the Community Chest Board extends congratulations to everyone who aided the campaign in any way. "It's the backing of the Community combined with an efficient campaign chairman and his staff of loyal workers that makes for success", Mrs. James Baker, president of the Board said in commending Ted Tapping, campaign chairman, for his 107% total.

Meritt and Schaffer Companies each gave \$50.00. The Grand total for Manchester from Industry is \$8,032.30 or 118% of quota for Chairman Clarence Fielder.

The Public School System guided by Mrs. Ronald Mann went 102% of quota with \$941.73. Mrs. John Bunney's village house-to-house division made 95% of quota with \$1,018.76 while the rural division, under Mrs. Lynn Voegeding's guidance made 98% with \$1348.85. Mrs. Irvin Gill's Businessmen's team went 94% of goal with \$1,993.

Double A Products gave the outstanding gift to the local drive (see picture) with a total of \$7,041.76. \$2500.00 of this was the corporation gift from Brown & Sharpe, Hydraulic Division. Out of this amount \$1,134.20 will go to other United Funds as donations to the home funds of employees. This is reciprocal, for the pledges of residents of Manchester area who work elsewhere will be returned to Manchester if donors are sure to make such a request from their collecting funds.

Chrysler Corporation, Proving Grounds Division, gave \$250.00 and their employees \$495.66. Michigan Gas Storage gave \$50.00 plus \$220.08 from employees.

Manchester Tool and Die gave \$487.00 and Manchester Stamping brought in \$252.00. Manchester Plastics donated \$35.00 from the company.

Chrysler Corporation, Proving Grounds Division, gave \$250.00 and their employees \$495.66. Michigan Gas Storage gave \$50.00 plus \$220.08 from employees.

Manchester Tool and Die gave \$487.00 and Manchester Stamping brought in \$252.00. Manchester Plastics donated \$35.00 from the company.

Chrysler Corporation, Proving Grounds Division, gave \$250.00 and their employees \$495.66. Michigan Gas Storage gave \$50.00 plus \$220.08 from employees.

Manchester Tool and Die gave \$487.00 and Manchester Stamping brought in \$252.00. Manchester Plastics donated \$35.00 from the company.

Donald Roach, Vice-president and general manager, Hydraulic Division, Brown & Sharpe with Secretary Mrs. Irene Wurster, highly approve the Distinguished Service Award which is being presented to Mrs. Jeanne Morrison, Plant campaign chairman, by Ted Tapping, Manchester Campaign Chairman for the United Fund Drive. The Hydraulic Division of Brown & Sharpe (better known in Manchester as Double A Products) gave \$2,500.00 to the Drive and the employees gift totaled \$4,541.76.

THANKS, MANCHESTER!!!

Again, the people of our community, its businesses, its industry, its organizations have chalked up another victory in the win column of United Fund Drives. Your willingness to give to this worthwhile cause, and surpass our goal of \$14,615 by 7% underscores the fact that Manchester does accomplish what it sets out to do, and does have compassion for fellow neighbors in need of the services provided by the funds raised in our drive. Thanks!

Ted Tapping Campaign Chairman

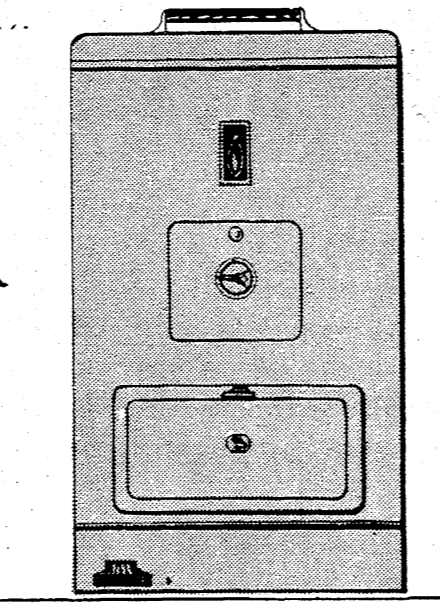

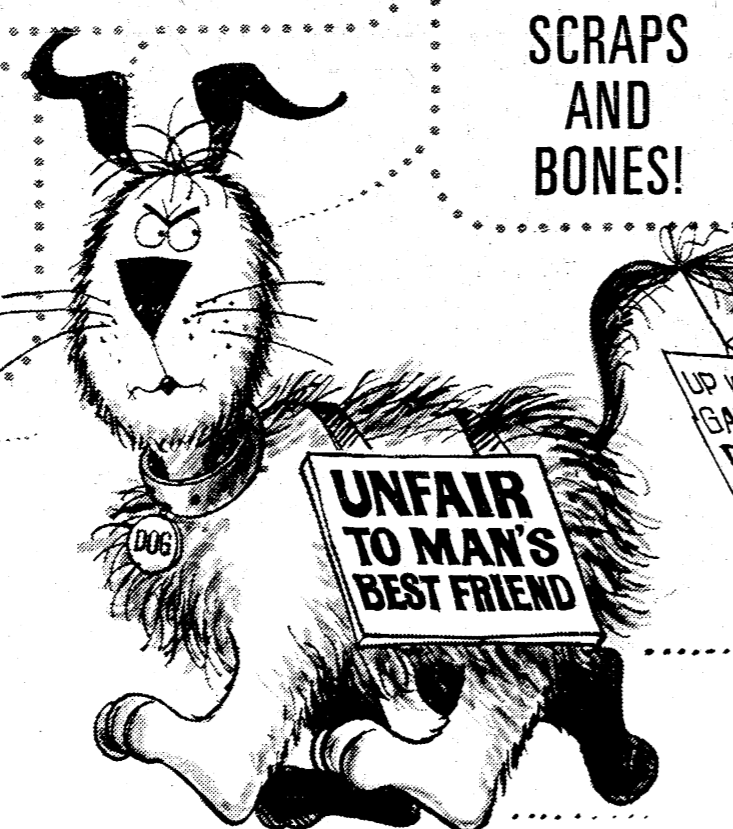

Here we have Duane Roller posing proudly with his 8 point, 148 pound buck. Which was shot Wednesday night about 5:30 near his home. The buck got away, but not for long as Norm Fielder, Clare Arnold, Rex Pratt and Dwight Eisenhauer participated in retrieving it. The buck was found about 9:00 later that night.

A GAS INCINERATOR TAKES THE FUN OUT OF LIFE!

THEY SAY IT EVEN BURNS SCRAPS AND BONES!

NOTHING TO SNIFF-NOTHING TO SCATTER!

From a pet's point-of-view a Gas Incinerator is no fun, but for people it's great! With a Gas Incinerator, you get rid of that insect-breeding garbage can that clutters up the view, get rid of smoldering rubbish that contaminates the air, cut out those daily, rubbish-carrying dashes in the rain and snow. Nice thing about a Gas Incinerator—it's always at hand in your basement, garage or utility room. Burns everything burnable—no mess, no smoke, no odor... and costs only pennies a day to operate.

EDITORIAL

I would first like to apologize to Mr. Roesch. My fellow councilmen tell me that people interpreted my remark about the conflict of interest case as meaning Pat Roesch had received that money from the village. This is not the case and I in no way meant any reflection on Pat's integrity or honesty which I hold very high.

The case involves the village. It started as a drunk driving case and has progressed to conflict of interest in regard to Pat's being both Village Attorney and Justice of the Peace. The \$2,000 has been paid to another attorney who is fighting the case for the village. I would never question Pat's honesty but I did question his advice to council on two village matters, and I still do. I feel strongly we need an attorney that does not reside in the village or have any connection with it financially.

Council also passed the following resolution on which I have only one comment. They told me that my newspaper

articles had nothing to do with their working on the problems with Limpert. All I did was excite everyone. I guess each individual will have to judge that for himself.

Be it resolved that Councilman Macomber is requested to desist from threatening other Council members with a "front page expose" in his newspaper unless they vote as he so dictates, that such threats may have the opposite result, which forces other council members to vote against him, to prove they have nothing to hide, and that they can't be intimidated; also be it resolved that the council is quite desirous of having village citizens well informed, and to this end, that Councilman Macomber first report the facts without bias on council decisions or deliberations in his newspaper before offering his opinion of said decisions or deliberations on the editorial pages; be it further resolved that the council would appreciate in depth, unbiased, reporting of all council proceedings every week as contrasted to the occasional editorial opinion given by Councilman Macomber when he finds himself in the minority.

Moved by Mahony we adopted this resolution, seconded by Lowery, Yeas, Mahony, Reinhart, Bauer and Lowery Abstained, Macomber. I agreed to "Lay Off" while we get these things straightened out. After they are I will print the facts and the solutions we come up with. Something else that surprised me was that Council admitted that Limpert was merely protesting two things he felt weren't right; he was not simply refusing to pay.

LETTER TO THE EDITOR

Speaking for myself as an individual and, I expect, for most of the town, we believe we have the right to know the whole story behind the refusal of the council to approve the transfer of the tavern license to Don Limpert.

You seem to be honest in printing the real facts which is refreshing as our larger presses have a habit of slanting the news. We hope we can depend on you to continue this policy so the people can decide who is in the right in this case. If there has been an error in the taxes and the water bill it warrants several questions: A. Why both mistakes on Mr. Limpert's account or are their just as many on everyone else's? B. If they are mistakes why hasn't Mr. Limpert stated that in his refusal to pay. C. If the taxes & water bill are correct why wasn't collection made before this. Or is this non-payment really a front for some other reason that may or may not be valid and provable. If it is merely personal boggery it cannot be tolerated at any level but it is easier handled at the local level and it must be dealt with. There are probably a number of people who disapprove of Mr. Limpert for one reason or another but no one will force them to patronize him. If however their is a valid reason for councils action we must know it. How else can we support them if Mr. Limpert were an undesirable person for this business.

We are sick of being uninformed and misinformed by big government and we will not tolerate any "credibility gap" in our own local government. Believing firmly that anyone with a valid opinion to express should have the courage to put his name to his opinion, I remain

Sincerely, Gerald W. Pierce

YOUNG HERO

The following is a clipping from the Mio Newspaper. The teenager referred to (the witness did not know the young man's name) is the seventeen year old brother of Mrs. Leonard Ahrens.

A Thank You - We wish to thank a young teen last Wednesday afternoon who was following the car that was weaving all over the road. He followed in his car a short distance behind and saw the lady driver's head tip to one side and saw her car started toward the ditch. He pulled his car ahead of hers and stopped his car.

He then jumped out of his car and ran to catch and stop the car. He lifted the lady out

of her car and carried her and put her into his car. In the meantime another car had stopped and offered their assistance. The driver of this other car happened to be a nurse. Together, the young boy and the nurse rushed the woman to the Sheriff's office and medical help. There is still a lot of good people left in this world, especially the teen-agers.

IMPORTANT MEETING The Adult Citizens Committee has planned a meeting with Earl Schaffer to discuss the proposed new Intermediate School for the County. The meeting will be on Nov. 25th at 8:00 P.M. at the High School. There will be slides and Mr. Schaffer will answer any questions you have. Everyone should attend this meeting as we will be asked to vote on extra millage in December.

IRON CREEK STUDY GROUP Iron Creek Study Group met with Mrs. William Brady with 10 members present. Lesson was on color given by Mrs. William Rhodes.

The next meeting will be with Mrs. Marvin Kirk, Dec. 5th with pot luck dinner at 12:00.

FATE OF THE DEER

A proud young deer head held high Gazed at a hunter passing by. He is so graceful with soft brown eyes His fate may be some hunters prize. He is so gentle and so mild And roams his forest free and wild. Now the season and days of danger And the red coated trespassing stranger. When those rifles shots ring out The startled deer staggers about Perhaps his runways are covered with snow The wounded deer which way to go Off he dashes through the woods then trips The hunter trails the blood that drips There he lies in agony pain and fear Soon to leave his forest a brave dead deer A jacket made from his soft brown hide Or long fingered gloves some hunters pride Perhaps his antlers may adorn some wall But he will still look regal proud and tall.

4-H NEWS

On November 9th the members of the Sharon Valley Saddle Club and the Sharon Leathercrafters were hosts to their families at the third annual awards banquet and family night held in the Pleasant Lake School gym. Michael Fisk gave the welcoming speech to start the evening's activities. Miss Pat Hall and Larry Bowers led everyone in the flag pledges. Miss Anna Tobias gave the prayer. Then seventy-five 4-H'ers and their families enjoyed a pot luck supper.

Following the supper, Mr. Fisk, the administrative leader for both 4-H clubs, presented special gifts to Mrs. Eileen Carlton, Mrs. Sally Tobias and Mrs. Shirley Carlson. Miss Carol Boehler gave a short note of thanks to all the 4-H parents for all their help and support during the year. Mr. Fisk then presented the certificates to all the 4-H'ers who had completed one year of 4-H work and all requirements.

There were also a few very surprised 4-H members. They were the proud recipients of county medals in the following project areas. Larry Bowers in Leathercraft, Monica Curtis in Rabbits and Sheep, Ruth Curtis in Horse and Sheep, Anna Tobias in Horse and Paul Young in Rabbits. All these 4-H'ers are from Manchester. Also receiving medals were Jane Spangler of Grass Lake in Horse and Leathercraft and Mark Teachout of Saline in Beef.

Michael Fisk won the club sales award which is presented to the 4-H'er who sells the most 4-H Spring Round-Up and Farm Council Bar-B-Que tickets.

This year's outstanding 4-H'er award was presented to Jennifer Carlton, Hudson

4-H NEWS

Entertainment through the evening was provided by Debby Lantis and her bright red guitar, Louis "Armstrong" Frey and his coronet, Ruth Curtis at the piano, Mark McCalpin reciting a poem and Valerie McCalpin who sang a song. Fun sids were staged by Anna and Joey Tobias.

FARMERS' WEEK DATES SET

The 1969 Farmers' Week will be held March 17-21 on the Michigan State University campus, general chairman Byron H. Good announced this week.

Farmers' Week has historically been held in late January, but was changed to MSU's spring recess so more facilities would be available for an expanded program.

This year's theme will be "Science, Cybernetics and the Seventies." Cybernetics, the study or use of mechanical-electrical communications systems such as computers, was chosen as part of the theme because of the increased impact this technology is having on modern agriculture.

OUTSTANDING MASON

One Mason from Manchester was among a class of 300 to receive the 32nd Degree in Scottish Rite of Freemasonry over the weekend at the Masonic Temple in Detroit. Rev. W. Glen Harris Pastor of the First Presbyterian Church of Birmingham, Mich., was the speaker at the 32nd Degree Banquet held in the Fountain Ballroom Saturday evening attended by more than 1,500 Masons.

MICHIGAN FARM BUREAU MEMBERS PREPARE FOR 49TH ANNUAL MEETING

Building Tomorrow Together is the theme of the Michigan Farm Bureau's 49th Annual Meeting to be held November 18-19 and 20 on the Michigan State University Campus.

Voting delegates and guests from 71 County Farm Bureaus are certain to take home many ideas to help them build for a better tomorrow from the annual banquet keynote address of Dr. Norman Vincent Peale Tuesday night. Further food for thought along the Building Tomorrow Together theme may be gleaned from Dr. Richard Cutler's talk to the Michigan Farm Bureau Women at their noon luncheon Monday at Kellogg Center. Dr. Cutler is Special Assistant for Urban Affairs and Professor of Psychology at the University of Michigan.

Community singing, a welcome by MSW President John Haman, and the annual message by Michigan Farm Bureau President Elton Smith will open the morning program.

A discussion contest involving six young farmers, chosen from 22 district young farmer winners, will lead off the Commodity Day afternoon program. Their topic will be "What can my farm organization and I do to improve our Marketing and Bargaining position?" Winner of the finals will represent Michigan Farm Bureau at the American Farm Bureau convention in Kansas City, Missouri, December 9-12.

Special interest conferences on Field Crops, Fruits and Vegetables, Dairy and Livestock will be chaired by Michigan Farm Bureau Advisory committee members Harry Nye, St. Joseph; David Morris, Grand Ledge; Richard Wieland, Ell-

U OF M AWARD

University of Michigan Regents have confirmed the awarding of 2,373 degrees this summer to students being graduated from U-M's 17 colleges and schools. Commencement ceremonies were held in August in U-M's Hill Auditorium, where the graduates heard Prof. John Dawson Norman MacLeod of Manchester received a Bachelor of Science in Electrical Engineering.

Putting you first keeps us first. Chevrolet's got a big surprise for the guy who'd buy a sports car if only it had more room. It's the Impala SS 427. Like all Impalas, it comes with a 119-inch wheelbase, Astro Ventilation and full door-glass styling. Like all Chevy Sportsters, it comes with a beefed-up suspension and grabby red-stripe wide oval tires. Under the hood, it's more of the same. We tucked in a 427-cubic-inch 390-horsepower Turbo-Jet V8. That means it's the kind of car you can take for a workout even if you're just going to work. There's driving excitement in these other packages too: Corvette Stingray, Chevelle SS 396, Camaro SS, Camaro Z 28 and Nova SS. Vaaaarrrroooooommm! Listen for it at your Chevy dealer's Sports Shop. Putting you first, keeps us first. See the Super Sports at your Chevrolet dealer's Sports Department now. 69 Impala SS 427 Custom Coupe.

CERTIFICATION PROVES FARMERS CAN BE TRUSTED

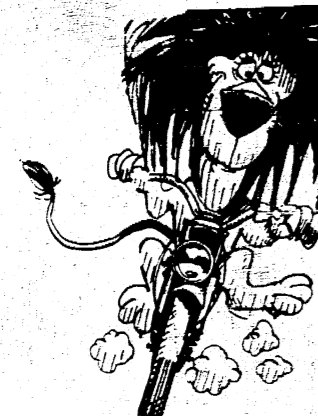

Frank Light, Chairman of the Michigan Agricultural Stabilization and Conservation Committee, stated that compliance work is completed on all farms participating in the wheat and feed grain programs for 1968. There were approximately 66,000 farms that participated in one or both of these programs this year. All of these producers certified that they had planted and/or diverted the necessary wheat or feed grain acreage and that they were in compliance with all other program requirements. Approximately 12,000 of these farms were spot checked by county offices. Spot checks showed that less than 2% of that they are in compliance with Federal farm programs has greatly reduced Government costs in administering these programs. The local county ASCS office spot checks about 25% of

the participating farms to see if they are actually in compliance. These spot checks are made on a random spot check basis but additional farms are spot checked when there is a suspicion that they may be out of compliance. The small percentage of non-complying farmers found by these spot checks proves that farmer certification does work, noted Light.

County offices also provide a measurement service at a very small cost to producers whereby they can have their permitted and diverted acreages measured accurately so that they can be sure they are in compliance with program requirements. More Michigan Farmers are requesting pre-measurement services each year. It is one of

ATHLETIC BOOSTERS

The Athletic Boosters have been very active since school started two short months ago. There have been a number of money making projects as well as several expenditures or commitments for the same in excess of \$2,200.00. In addition to the annual membership drive, another of the most recent projects was the donation-drawing for the Remington 30-06 Deer Rifle. The recipient was Walter "Red" Weid who is employed at the Manchester Tool and Die. And as recent as last Saturday night the annual Fall Sports Banquet was held at the Junior High School. An informal pot luck meal was served and recognition was made of football and cross country athletes as well as the cheerleading squads.

Some of the expenditures include purchase of a wrestling time clock, and special exercising units to assist in the physical development of our athletes. The club has also committed a respectable amount of money toward the purchase of new baseball uniforms. The largest single club commitment is for a complete audio-visual unit, perhaps better known as the "instant replay", to be used primarily by the athletic department but may have a place in various other school activities or programs.

The boosters are planning a variety of other activities which they hope to sponsor during the fall and winter months. These include dances, various other donation projects, a possible basketball game with the Detroit Lions, and of course, there will be the winter and spring sports banquets as well as the annual "fun night." This all adds up to a considerable amount of work for the club membership and it would be most desirable for more members to take a greater interest and participate more fully in club programs and activities. Any-one desiring to join the Athletic Boosters should contact Ted Stautz, Irv. Roberts, or Jerry Creech or attend one of the regular monthly meetings which are held the first Thursday of each month at 8:00 P.M. at Manchester High School. One last note: comments have been made recently about the tremendous support and interest this community provides our young athletes and

"ISRAEL AND THE MESSIAH"

A fact very common to the informed Bible student is that the Jewish people and nation still wait for the first coming of their promised Messiah. Many years ago, Dr. Mary Stone of Shanghai, when visiting the Hebrew University in Jerusalem, was shown a vine-like plant, called in the Hebrew, Tzelaiff. It is mentioned in the Jewish Talmud with the comment that when the Messiah is soon to come it will be found growing in Palestine. "It springs up," explained the Professor of Botany, "bears leaves, and then buds in the forenoon; a full crimson flower blossoming at noon. In the afternoon a berry forms and by night the fruit is full-grown." "Today all over Palestine," he said, "this plant is to be found. We know the Messiah is coming soon."

Then the professor went in

to tell of the erection of the Temple, parts of which, he said, were even then being prepared. He believed that God would help them to secure the much desired Temple area, which until about a year ago was held by the Moslems. He added, "This is our land. Jehovah as given it to us. We must possess it, and we will. The Bible declares that the Promised Messiah has come, and that He is coming back to earth again. His second coming will have a tremendous effect on all peoples of the world. The Messiah will come again. The Church and Israel alike are looking for Him. The 'Church' made up of born-again believers will be caught up in the air at His coming. 'So shall they ever be with the Lord'. 1 Thess. 4:17. Israel will be convinced that He is the Messiah returned the second time, and the unbelieving and wicked will know the wrath of God's Anointed who then

will reign and rule the world. Seek Him with all your heart now, and you will share all the blessedness of knowing Him when he comes again. Lord, at thy coming, may I be Found in the place of duty. My garments white, my spirit free. And clothed in thy own beauty. And grant that I may see thy face. And rise at last to meet Thee, And there preserved by matchless grace, With all the ransomed, greet Thee.

COUPLE WED AT CHURCH IN DETROIT

St. Clements Orthodox Church in Detroit, was the scene of the wedding of Pauline Misalides of Chelsea and Aristedes Varhamedes of Lincoln Park, Sunday afternoon at 2:00 P.M., November 10th 1968. Attendants were Mr. Marcus Pappodellis of Detroit and Melanie J. Hofanesian of Manchester. The very Rt. Rev. George Nicoloff officiated at the ceremony. The bride was attired in sky blue gorgette trimmed in silver and wore a corsage of pink sweetheart roses. Miss Hofanesian's dress was light blue nylon and her corsage was white carnations. A reception was held following the ceremony, in St. Clements Social Hall, where Mrs. John Hofanesian sliced cake, Mrs. Gus Nicholas served punch and coffee and Melanie Hofanesian had charged of the guest book. Later, another reception was held at the newly weds' home in Chelsea, where dinner was served. The wedding cake at the first reception was baked by Mrs. John Hofanesian. The newly weds plan, in early spring, to fly to Cyprus, Mr. Varhamedes native land, for their honeymoon.

OUTSTANDING YOUNG FARMER

Once more, Michigan Jaycees have begun their search for the state's Most Outstanding Young Farmer. This search has been an annual project of the Junior Chamber of Commerce for the past quarter-century and many believe it has done more to build strong relations between farm and city business men than any other project in existence. This year, the live-wire Grand Haven, Michigan, Jaycee Chapter will be hosts to the program which culminates in a March 1 banquet and the selection of four top winners, and naming of the one youthful farmer declared to be "Most Outstanding". Last year's winner was 33 year-old Robert Buist, vegetable grower of Allendale, in Ottawa county. Before it was all over, the Buists spent an exciting three days in Washington, D. C., as guests of the Michigan Farm Bureau, and were entrants in the national contest held in Des Moines, Iowa, in early April.

DEEMS

SONNY SOUTH

Grandpa's Boy

THOSE WERE THE DAYS

While in Washington Bob and Nina Buist visited the White House and Mount Vernon, were guests at luncheons attended by Michigan Congressmen and took part in a news conference called in the National Press Club. Who may be nominated as an Outstanding Young Farmer? Any active young farmer up to 35 years of age. Who may do the nominating? Anyone, with names suggested to local co-operating Jaycee Chapters. A nomination means the filling out of several forms and later

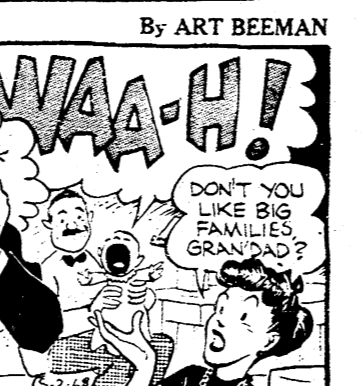

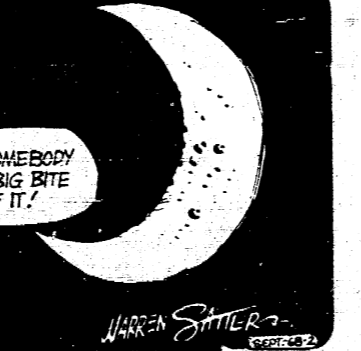

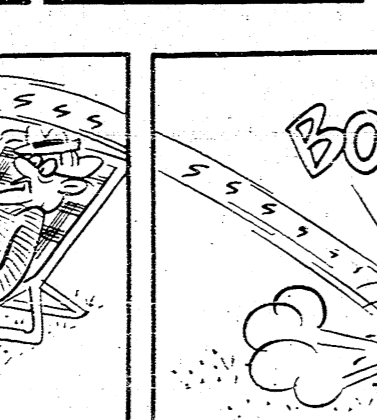

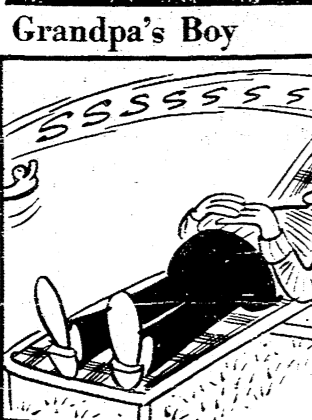

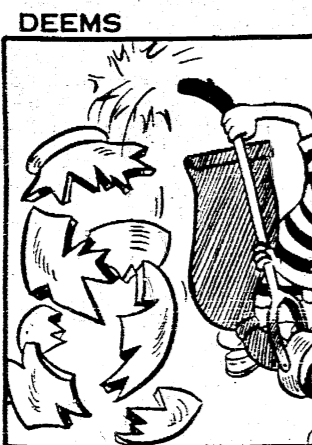

will bring a distinguished panel of judges on a personal visit. This year a number of colored slides showing life on the nominees farm must accompany the entry forms submitted by the local Chapter to the Michigan Jaycees' Lansing office, with all such entrants subject to a January 10 deadline. State Chairman for the Young Farmer event, Roger Brammer of the hosting Grand Haven Chapter, feels that the slides will provide a dramatic highlight to the awards banquet where they will be used to build an interesting climax to the awards program.

Business management, service to humanity and the quality of family life, all are important factors considered by the judges. Besides the all-expense Washington trip, the number one couple, will enter the national contest, scheduled for St. Paul, Minnesota, April 7-8-9, 1969.

BASKETBALL SEASON HERE

The Dutchmen's first game will be here Tuesday, November 26th against Saline. The boys have been hustling in their training camp and all I can say is that all of the fans are in for a real good season.

Go Get Em Dutch "Lefty"

Here is coach Gulliver watching his boys going into their holds and he hopes some of them will be winning holds.

Ted Gulliver wrestling Coach going through some of the holds he wants his boys to know.

JV Coach Brian Schick showing the boys how it is done.

WRESTLING NEWS

Twenty two boys are out for wrestling and all 22 will be in action Nov. 22 at Chelsea and then back here at Manchester Nov. 29th at 3:30. There is no charge for these exhibitions.

SUPPORT THE "DUTCH"

COON HUNT

On Friday, Nov. 8, 1968 the scouts met at the Russ Wolff residence at 7:30 p.m., where we met the Heckaman brothers from Norville with their coon dogs. We proceeded then to our hunt. No sooner than the dogs were turned loose than we were immediately on a track and the excitement began. Within 25 minutes we had the first raccoon treed and spotted. We then proceeded through swamps, over fences and hot on the trail of an old swamp coon. The second raccoon was spotted in a tree. Jim Baker was given the opportunity to shoot the second raccoon; the shot missed the target. Then the gun was given to Scott Gormley, the Senior Patrol Leader. As he was handed the gun, the raccoon came down out of the tree down to the ground where all the boys, men and dogs were gathered around the base of the tree. The excitement which followed cannot be described in words - the wild shouting of the boys - the howling of the dogs - was really something to see and hear. The dogs caught the raccoon and proceeded to kill it. The problem then was getting the raccoon away from the dogs. In the process of accomplishing this, one of the boys was pulling on the raccoon one way and the dog was pulling in the opposite direction and the dog let go and the boy fell over backwards and crash! into the water, from which he was pulled out by Scoutmaster Ted Roberts.

The carrying of the raccoon was given to the boys to trade off. Because of its weight, it changed hands quite frequently.

The hunt ended with hot chocolate and cookies at the Russ Wolff residence. I am sure the outing will never be forgotten by any of the boys who had the opportunity to go on the hunt.

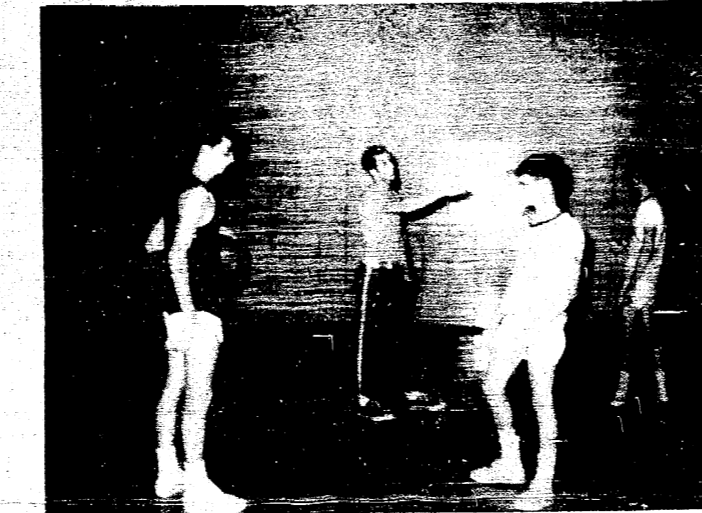

This weekend the boys plan to have a pack and camp out at the Ira Johnson farm about five miles out of town where they will pass their back packing and merit badge requirements.

Here are the JV's going through some of their plays.

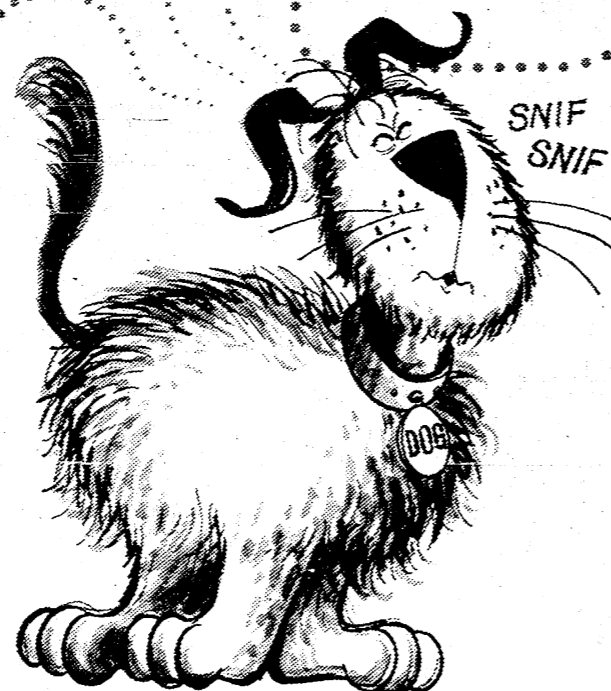

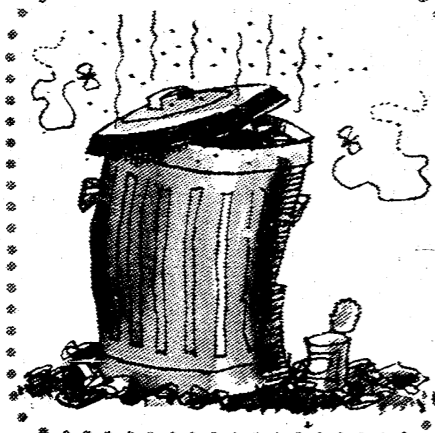

Varsity Coach Cal Poppink telling some of the players what he wants them to do.

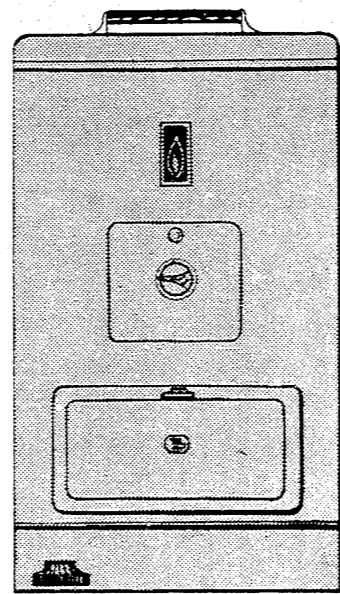

Basketball is in the air but the Varsity team wants to know will it ever come down.

A GAS INCINERATOR TAKES THE FUN OUT OF LIFE!

IT DOESN'T SNIFF "GOOD" LIKE A GARBAGE CAN SHOULD!

A Gas Incinerator may not be an odorless invitation to pets and pests, but what a modern, sanitary, convenient way to get rid of all burnable refuse! Always at hand in your basement, garage or utility room, you can depend on a Gas Incinerator to consume your rubbish indoors. It can rain, snow, sleet, hail—your feet won't get muddied-up by weather... and your garbage won't accumulate either. The Gas Incinerator will quickly and quietly burn everything burnable—without smoke or odor. Costs only pennies a day to operate.

School Board Meeting

The regular meeting of the Board of Education was held at the Superintendent's office, with all members present.

The meeting was called to order at 8:00 P.M. by President Klager.

Mr. Kloocke, the architect's superintendent on the construction at Luther C. Klager School, gave a report on progress to date, and made explanation of some questions which have been raised, especially with regard to soil compaction and footings and concrete strength.

The proposed schedule on the Elementary School under construction is as follows:

- 1. Exterior grading and landscaping 55% complete.
2. Exterior masonry scheduled to be complete by Dec. 1st.
3. Structural Steel to be delivered by Dec. 15th and erected by January 1st, including metal roof deck.
4. Aluminum windows and exterior doors to be erected by the end of January.
5. Interior masonry completed in March and with the aid of temporary heat, other interior work to start at that time.

Minutes of the last meeting were reviewed and approved. The Superintendent explained the need for us to borrow \$50,000. It was moved by Pedersen, seconded by Luckhardt, that the resolution to borrow be adopted.

Mr. Dick Packard, representative of the McFadden Corporation, was presented to explain the lease/purchase plan for buses, to which we have been subscribing, and also certain ramifications of the original plan.

The motion was made by Pedersen, seconded by Albers, that the foregoing loan be requested from the Manufacturer's National Bank of Detroit. Unanimously approved, excepting Boutell who abstained from the vote.

Mr. Bruce Barton, the auditor, was present to discuss the annual audit.

Because of the availability of current prices if buses are ordered at this time, it was moved by Albers, supported by Luckhardt, that we order two buses for summer 1969. Unanimously approved. (Order to be placed with the McFadden Corporation.)

Current claims were considered in the total amount of \$8228.62. On the motion by Boutell, seconded by Pedersen, they were unanimously approved and ordered paid.

Building fund claims: moved by Leeson, seconded by Luckhardt, that they be paid, as approved by the architects, in the total amount of \$48,328.07. Equipment for Luther C. Klager School.

Supt. Swartz presented a summary of bids. It was moved by Boutell, seconded by Pedersen,

that the bid of McFadden Corporation, of \$11,645.55 be accepted. Unanimously approved. The meeting was declared adjourned.

CAR PLATES ARE NOW ON SALE

License plates for Michigan passenger cars went on sale at all branch offices of the Secretary of State and at many AAA offices throughout the state on November 15.

All early-bird plate buyers are urged to bring along the prepared license plate applications sent out to virtually all of Michigan's 3.6-million passenger car owners.

"These applications make it much easier for the public to buy plates and are especially important this year because they have the new license plate fees listed on them," said Secretary of State James M. Hare.

He reminded that weight tax was increased by legislation during the extra session of 1967 as part of a "good roads" package of bills.

"Actually, the increase from 35 cents to the new formula of 55 cents per hundred pounds of vehicle weight is a roll-back to weight tax fees in existence in 1933," explained Hare. "They were 55 cents before that time but were pushed back to 35 cents during the depression. And they have remained at the low rate until this year."

What do plate buyers need when they buy their plates? Certificate of title or previous year's registration. Proof of liability insurance... insurance certificate, insurance policy, or other type of proof.

Cash to pay the plate fee. An extra \$1.00 if the vehicle is covered by liability insurance. If not, the person must pay \$35 into the Motor Vehicle Accident Claims Fund and register as an uninsured driver.

Slogan on all passenger plates remains the same as last year, "Great Lake State." Commercial license plates, on sale since October 1, have no slogan with the space used for the gross vehicle weight tax sticker.

The 1969 plates have white numerals on a red background. They honor Saginaw Valley College, which was founded in 1963 and became the 11th state supported college in 1965.

A Thanksgiving Day Observance with several area churches participating in a union service will be held at Emmanuel Church at 9:30 a.m. Thursday morning. Fr. Raymond R. Schlinkert of St. Mary's Catholic Church will give the sermon this year with Rev. Ralph Kuetner of Emanuel, Rev. Charles Fox of Sharon United Methodist, Rev. O. Wm. Cooper of Manchester Methodist and Bethel United Church of Christ participating in the service. The special offering will be sent to the Biafrain Relief program.

The Combined Thanksgiving Service is open to everyone as Manchesterites, friends and families unite for this service of prayer.

POST OFFICE MEMO

The Post Office Department today advised persons sending Christmas cards that all cards weighing one ounce or less must carry six cents postage.

In previous years, unsealed cards without a written message (only the signature of the sender) could be sent one cent less than first class postage. These would be delivered as third-class mail, without the provision for forwarding or return if undeliverable.

The postage rate legislation which went into effect last January raised the single rate—third class postage to six cents for the first two ounces.

Since virtually all greeting cards weigh less than an ounce, the first class and third-class rates are, in effect, the same.

Thus, the post office notes, all greeting cards bearing six cents postage which are undeliverable as addressed shall be forwarded if a new address is available.

The Department stressed the importance of a return address to assure that undeliverable cards will be returned. This allows mailers to keep their address lists up to date.

MRS. FIELDER HURT

Mrs. Fred (Gertrude) Fielder was seriously injured last Friday afternoon while on an area mail route on Schwab Rd. She is in serious condition and under intensive care at St. Joseph Hospital although her doctors have noted some improvement and are hopeful for a complete although lengthy recovery.

Mrs. Fielder suffered severe facial injuries including a broken upper jaw, a badly broken arm, broken ribs and internal bleeding which was corrected with immediate surgery.

She is allowed no visitors except her immediate family. Anyone wishing to send cards and notes may send them in care of St. Joseph Hospital.

Mrs. Fielder is employed at the Manchester Post Office, a member of the Sharon United Methodist Church, the Eastern Stars, BWP and Pkian Sisters.

MEETING NOTICE

The Board of Education of the Manchester Public School District, Washtenaw & Jackson Counties meet in regular session on the second Monday of every month. The meeting place is the office of the Superintendent of Schools unless otherwise stated in a public announcement. The time of the Board of Education meetings is 8:00 P.M. All meetings are open to the general public.

Regular and special meetings of the Board of Education will be announced in the local paper if time permits, or notice of such meetings will be posted in the west entrance of the Manchester High School prior to regular and special meetings.

The Board of Education reserves the right to hold informational meetings where no official action is taken without posting notification of the meeting to the general public.

Regular meetings of the Manchester Board of Education will be held on the following dates throughout the school year 1968-69.

- Monday, Dec. 9, 1968
Monday, Jan. 13, 1969
Monday, Feb. 10, 1969
Monday, March 10, 1969
Monday, April 14, 1969
Monday, May 12, 1969
Monday, June 9, 1969 Annual Election

This notice required by Act 261, Public Acts of 1968, effective Friday, November 15, 1968.

VOICES FROM HOME FOR CHRISTMAS

Do you have a son, grandson, husband, brother or sister in military service, or know of someone who has? Your Red Cross extends an invitation to send a wonderful surprise to the serviceman far away overseas or hospitalized in the U.S. who cannot be with his loved ones at Christmas.

VOICES FROM HOME is the label on each 15 minute plastic disk which travels like an airmail letter. Families or individuals record in private, much like talking on the telephone -- just chatting about whatever they please. Children or adults can sing, read or recite poems. A helpful hint -- jot down reminders of what you want to say or do ahead of time and bring along.

A volunteer or staff member will assist you prior to recording. The record is furnished by Red Cross and sent without charge -- a Christmas gift money could not buy and only families can give. This is the sixth season for the project here in Manchester. The men overseas write Red Cross, "Record received in good condition --- playback performed well --- would like service continued --- it was a wonderful surprise --- it makes us feel closer together --- it makes a person feel good --- it was the best gift we could ever receive from home --- more servicemen's families should know of this Red Cross service."

For information and appointment, call either Mrs. D. D. Ludwick, 428-2471 or Mrs. Ron Whittington, 428-8172. We plan the recording sessions for Saturday, December 7, starting at 1 p.m. at the Manchester Township Library. The project is again sponsored by the American Legion Auxiliary as part of their Rehabilitation Program.

Send smiles across the Miles!

HIGHWAY DEPARTMENT ANNOUNCES AREAS OF RESTRICTED TRAFFIC

There are only three minor detours and one area of restricted traffic movement on the 9,207 miles of state highway in Michigan, the Department of State Highways reported today.

They are as follows: --- M-52 north of Stockbridge in Ingham County. Traffic is detoured on county roads around two miles of construction. The detour adds no additional mileage and will be in effect until next spring.

--- US-33 between Scottsdale and M-139 north of Benton Harbor. Traffic is detoured on M-139. The detour adds no additional mileage and will be in effect until late December.

--- The interchange of Interstate 75 and M-78 (Miller Road) in Flint. The interchange is open to northbound I-75 traffic only. Other interchange traffic is detoured to nearby M-121 interchange. The detour will be in effect until next spring.

--- Interstate 94 at the Huron Whitaker bridge near Ypsilanti. There is two-way traffic on the westbound freeway, in effect until late December.

James Pratt with his 9 point buck which he shot near Gaylord, Michigan. Also shown is part of the snow which fell the next day.
