RED CROSS SEEKS YOUTH

Young people for summer volunteer service in hospitals are now being recruited by the Washtenaw County Chapter, Mrs. Lynn Estevez, Chairman of Red Cross Youth Program, announced today. Cooperating hospitals are St. Joseph Mercy Hospital, Veterans, and Washtenaw County Medical Care Facility.

To serve effectively, Mrs. Estevez said, each Red Cross Youth Hospital Volunteer receives intensive classroom and on the job training by means of a 20 hour program developed especially for Youth volunteers. Highly skilled technicians handle this training program and upon successful completion a "capping" ceremony is held. The first meeting will be held Saturday, May 24, 1969, from 9:30 a.m. until 2 p.m. at the Red Cross Operations Center, 2729 Packard Road, in Ann Arbor. Any student who will be age 14 by July 1 is eligible. Applications for this service may be obtained by calling the Red Cross Operations Center.

Red Cross Youth Hospital Volunteers successfully handle such responsibilities as: Assisting a new patient to the correct ward or room, assisting in occupational therapy and recreation, assisting patients in the dining room, carrying trays for disabled patients, distributing mail, handling in-hospital errands and messenger service, as well

as various other necessary tasks. Service is rendered only to the general medical and surgical patients excluding the isolated, the acute psychotic, and the actually ill patients. Because of the important tasks Red Cross Youth Hospital Volunteers are called upon to accept and for their protection, each Youth Volunteer must have a current physician's certificate and parental consent form.

Further information can be obtained by calling the Red Cross Operation Center, 971-5300.

POPPY DAY

"Let us forget . . . wear a poppy!" This will be the message of the American Legion Auxiliary to the citizens of Manchester on Poppy Day, May 23 and 24.

Members of The American Legion Auxiliary, Unit 117, of The American Legion, as well as other volunteers who will join in the activities of Poppy Day, will be stationed at numerous places all day offering baskets of Memorial Poppies and urging each

citizen to join them in wearing one of the little red blossoms in honor of our Nation's war dead.

"We know that everyone in Manchester will wish to express a personal remembrance and gratitude by wearing a poppy on that day," said Mrs. Elaine Steele, President of Unit 117, American Legion Auxiliary.

SERVICE NOTES

One of the Army badges that soldiers wear with special pride is the Combat Infantryman Badge. It was awarded to Army Private First Class Edwin G. Houck near Pleiku, Vietnam March 29.

Pvt. Houck, son of Mr. and Mrs. Edwin G. Houck, 13530 Brooklyn Road, Brooklyn, Michigan is assigned as a rifleman with Company D, 1st Battalion of the 4th Infantry Division's 14th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against the enemy.

COUNCIL MINUTES

Council met in regular session. Called to order by President Althouse. Trustees present were Mahony, Scully, Reinhart, Macomber, Fitzgerald and Walton. Minutes of the previous meeting were read and approved, correcting General Highway millage to read .0044.

Moved by Scully supported by Reinhart bills be paid as read voiding check No.412. All yeas, carried.

Mike Scully and Gary Brokaw were present at the meeting to find out why the Village is billing people within the village for sewer where there is no sewer?

The village has an obligation bond on sewer treatment plants which has to be paid by all tax paying residents.

Gary Brokaw also requested that the village revise their water billing for people outside the village limits.

McNamee Porter and Seeley submitted plans for the Duncan Street Bridge to be approved for bids. Moved by Fitzgerald, supported by Scully, that McNamee Porter and Seeley quote cost of Aluminum railing, alternate, steel, based on recommendations of the Public Works Committee.

A resolution was read authorizing the village to hold a special election for the purpose of selling \$125,000 in General Obligation Bonds to replace the Duncan Street Bridge and repair the Main Street Bridge. Moved by Reinhart, seconded by Scully we adopt this resolution. All yeas, carried.

Budget for period ending February 28, 1970, was presented by Herb Mahony. Moved by Mahony, supported by Reinhart, budget be adopted. All yeas, carried.

Moved by Scully, supported by Fitzgerald \$2,000.00 be transferred from the General Fund to the Local Street Fund, all yeas, carried.

Moved by Mahony, supported by Fitzgerald, Public Works Department be authorized to purchase mower. All yeas, carried.

Conrad D. Gonyer submitted his resignation. Moved by Scully, supported by Reinhart we accept. All yeas, carried.

PUBLIC WORKS REPORT

The council received the preliminary plans for the new bridge. Final plans will be made this week.

We would like everyone to participate in Clean-Up, Paint-Up Week. Filters to be hooked into water system this week.

Plans are being completed for Special Election to build new bridge on Duncan Street and repair Main Street Bridge.

Chloride will be applied to streets this week. The new building will be painted this week for the filter system.

W. Reinhart

Moved by Mahony, supported by Scully, we adjourn, all yeas carried.

101st Year No. 32

VILLAGE TO VOTE ON NEW BRIDGE

By Karen Kirk

On June 23, the village council will ask voters for approval to issue bonds in a special election. The issuance of bonds is necessary for financing the rebuilding of the Duncan Street bridge and repairing the Main Street Bridge.

A clear-span, cement pre-cast bridge with all new pillars will replace the present one which has been out of use since last spring. The new bridge will be 39 feet long with a 24 foot wide, two lane roadway. It will also have five foot wide sidewalks.

The estimated cost of the new bridge is \$65,000. If the bridge were replaced with the same one lane style or the present one given minimum repairs the cost would be \$30,000. The council believes another two lane bridge is necessary with Manchester's future growth.

Presently the village has 10 major streets for which it receives state funds for upkeep. When the new bridge is finished all of Duncan Street will be a major street.

Herbert F. Mahony, village council member and Bruce T. Daniels, superintendent of public works determined the village spends \$4000 per mile on major streets and \$800 per mile on local streets in a year. The village received \$17,208 for major streets and \$8,898 from state aid this past fiscal year. With the completion of the Duncan Street project, the village will get 4% times more money from the state for W. Duncan Street annually.

The Main Street bridge has places where rusting is occurring. Salt leakage from past winters has developed some cracks. The steel structure is in good condition but it needs to be sandblasted to protect the beams from erosion. A new decking, sidewalks and railings are also needed. This will be the first major repair for this bridge.

The total cost for both bridges is estimated at \$120,000. The council is asking for approval to issue bonds for \$125,000, in order to pay off interest in the first year.

"For the past 10 years," Mahony said, Manchester has been at the same tax rate and the village has been able to expand public works and the police force and make road improvements. At the most it would not cost any taxpayer more than two mills or between \$15 to \$25 to repair and rebuild these bridges."

Mahony indicated that the village charter states if money over the amount of the budget is needed, a three-fifths approval of the voters is necessary for the issuance of bonds. State law, he said, requires that the village can not enter into any project on streets over \$2000 without a civil engineer.

The council wants to continue their present program for the upkeep of the village without infringing on the budget for the bridge project. They want to start a storm sewer program this year.

When the council meets June 16, the public is urged to attend and obtain more information about these two projects. At that time the council expects to have the final bids. The public is welcome to attend any earlier council meetings.

THANK YOU FROM JAYCEES

Letter to the citizens of Manchester and Manchester Township:

The Manchester Jaycees wish to express their thanks and gratitude to the people of the area who have contributed to the success of the Jaycees projects during the past year. The two basic purposes of the Jaycees are service and leadership training; neither of which can be fulfilled without the support of the community in which they exist. Manchester has provided both the support and enthusiasm during the past year to make it one of the most rewarding for the Jaycees. The individuals who have supported us are too numerous to mention; but we hope they receive this as our gratitude to them for their interest in the Jaycees and the community.

Work And A Sense Of Humor

By Carolyn Ahrens

With a 2 way radio he is in constant contact with his wife and any emergency or routine calls are handled promptly. Dr. Eames serves a 20 mile radius although he has had animals trucked in over 100 miles for treatment. His routine day is usually 12 to 16 hours long with emergency night calls "a regular part of my day."

"I like my work and it is important that my wife like it too because she has had the patience and the understanding to put up with many long hours, phone calls and all the problems, emergencies and work involved in just being a doctor's wife." He added that some of the funniest things they have had to cope with is understanding what the client wants in every day language against scientific terminology. Dr. Eames and his wife have a daughter Brenda at Western Michigan University and a son Bruce attending Eastern.

Janie Walter, Miss Poppy 1969 presents poppy to World War I Veteran Harry Sutton.

POPPY DAY

Members of our American Legion Auxiliary Unit 117 are asking that we wear a memorial flower on Poppy Day set for May 23 and 24. By wearing a poppy on those days all thoughtful citizens have an opportunity for a simple but sincere tribute to those who have made the supreme sacrifice in behalf of our nation. Contributions made on that day go entirely to aid living victims of the war and the widows and children of our war dead.

With heated buildings, 37 stainless steel kennels, 2 x-ray machines, an operating room and lab facilities, Dr. Eames is equipped to perform almost any animal surgery from a small kitten to a 1500 pound horse. Over one-third of the horse surgery is performed in these heated stalls recently including 8 criptorchids which is major abdominal surgery. After care means the difference between success and failure in animal treatment he pointed out.

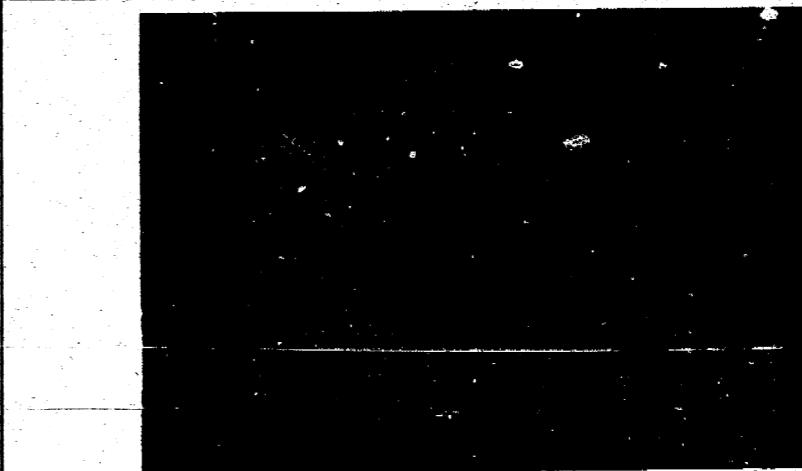

Dr. Eames is one of 20 Equine Practitioners in the state and is listed in a national veterinarian directory for the convenience of out-of-state horse owners or trainers who may need the services of a reputable animal doctor while visiting or racing in the area.

"And we are going urban in this area," he said in the sense that half his practice is pets-either dogs, cats or horses and the need for domestic pet care is now in great demand. He pointed out that there is a dog or cat for every 3 people in the United States. "Because of the many fields of animal medicine as in any scientific area, it only takes 6 years to become obsolete," he said. Dr. Eames believes you can only do as good a job as you are equipped to do thus he takes a 1 to 2 week refresher course each year.

KEEP TANK FROM BURNING

Firemen spent 6 hours at the scene of a leaking 20,000 gallon storage tank located near the E G Mann storage barn. A leak had occurred due to rusting of the tank. An estimated 6,000 gallons of gasoline spilled on the ground. The tank belongs to McPherson Oil Company of Howell.

Chief Kensler expressed the hope that something could be done with this dangerous situation.

Mayor's Exchange Day Dinner; from l. to r. Mr. and Mrs. Gale Koebbe, co-chairman with Mr. and Mrs. Lyle Widmayer, Councilman and Mrs. Goble, M.C. Dave Little and Mrs. Little, visiting Mayor Kohler and his wife, Elizabeth. The dinner climaxed a day of events honoring the visiting mayor of Blissfield.

REVOLUTION

By M. L. Woell

Student and non-student protesters in Michigan and across the nation are calling for a revolution. Sometimes the call is for a "Black" revolution—most often, it is a poorly defined revolt against the "establishment."

Almost always the admitted goal is overthrow of the free enterprise system and our governmental, religious and educational institutions.

Overthrow is the key word, and usually this is as far in their thinking as the protesters have gone. They say nothing about the system which will emerge on the other side of the chaos, but from every action it is apparent that the "new economic order" which they profess to prefer is to be some form of communism or socialism.

Not too many years ago we recognized these people for what they are, anarchists and saboteurs; with treason the proper word for much of what they do.

Above all, they are blind people—blind to the freedoms they now have, including the freedom to protest, and in most cases, freedom from work.

In most socialistic, communistic countries including Red China and the Soviet system, all able bodied citizens must work to support the government's production schemes and five-year plans. In Russia all men and most women work at every description of job. Disruptive protest is not tolerated. A professional protester would soon find himself in a labor camp if not liquidated.

To the hippies, yuppies, black militants and SDS'ers, this should throw a whole new light on the revolution they've been seeking.

It's been fun to riot and demand the impossible because it is much more exciting and easier than working within the system to bring about change. Above all, it has been easier than working.

Parents, college administrators and law officials (in that order) would spare everyone a lot of trouble by cutting off the money from home, chopping off the federal funds to rioting "students" and by slapping anarchists and public nuisances in jail and into workhouses.

Under these conditions they could share in what are normal fruits of a revolution, without disturbing the rest of us too much.

Who, What, When, Where & WHY

KNOW YOUR MICHIGAN LAW

The Federal Highway Act of 1968 not only extended the completion date for the interstate highway system from 1972 to 1974, but also increased, significantly, the relocation assistance to which property owners had heretofore been entitled. The federal act provided that by 1970 all states should amend their acts providing for relocation assistance, and that any states failing to do so would no longer receive federal aid for highway projects.

The 1968 act places no limit on the moving expense which an individual family, business or farm operator, displaced by a federal aid highway project, is entitled to receive, except that said sum must be "the actual reasonable moving expense" for a distance not more than fifty miles.

The new act gives the operator of a business the option of receiving, in lieu of the statutory moving costs, the average annual net earnings of the business, but not in excess of \$5000 in the event the business cannot be relocated without a substantial loss of patronage.

A revolutionary change in the federal law applies on acquisition of real property

IMPORTANT MEETING DATES

- Council - first and third Mondays each month at the Village Hall 420 S. Clinton Street.
- Planning Commission - second Thursday of each month at Village Hall 120 S. Clinton Street.
- School Board - second Monday of each month at the High School Library.
- Chamber of Commerce - second Thursday of each month noon meeting at the various church halls.
- Optimists - second Monday of each month at the Emanuel Hall.
- Jaycees - third Thursday of each month at Mrs. Ed Kirk's home.
- Townships:
 - Manchester - second Monday of each quarter.
 - Sharon - first Thursday of every other month starting in May.
 - Bridgewater - second Monday of every other month starting in May.
 - Freedom - third Tuesday every quarter.

FROM CONGRESSMAN ESCH

The question of who shall serve in the armed forces when not all persons must serve has been a troublesome one. For one person to be required to spend two years and perhaps risk his life, while another stays home to begin a career, marriage and family is unfair. There is no completely "fair" way to draft men into military service.

The present Selective Service system is riddled with inequities and uncertainties. Two boys in exactly the same circumstances may be treated very differently by their local draft boards. States in which draft boards are efficient, such as Michigan, consistently draft more than their share of inductees. Every young man is liable for the draft over a period of seven years—making it impossible for him to make rational career and educational plans. No man is spared in making commitments or planning his future until his 26th birthday.

The President this week proposed a major change in the Selective Service System which will correct many of these inequities. Under his proposal there will be a national lottery which will select those who are to serve by random chance. All young men will be included in the prime age group for drafting at the age of 19 and will be vulnerable for the draft for only one year. Although draft deferments for college students will be continued, they will be placed in the prime age group immediately upon graduation. College will not provide a haven from military responsibilities.

READ WHAT YOUR REPRESENTATIVES ARE DOING

YOU MAY NOT AGREE!

The order for call up will be determined on a national basis. The selection will be made on a random basis with every person bearing an equal chance for induction.

I was disappointed that the President did not include in his recommendations a program of national standards for deferment. I will strongly push for an amendment of his proposal to insure that all draft boards in the Nation apply standard considerations for deferment purposes.

As the President said in his message to the Congress "any system which selects only some from a pool of many will inevitably have some elements of inequity." However, I believe that this proposal will reduce the inequities to a minimum; and I am hopeful that it will be promptly adopted by Congress.

SENATOR GILBERT BURSLEY

Michigan school administrators can expect an 11 percent increase in state school aid for next year if the House of Representatives accepts a school aid bill totaling more than \$845 million that was approved by the State Senate last week.

This is an increase of about \$86 million over what is being received in state aid this year by Michigan public schools.

The bill is slightly larger than Governor William Milliken's proposed budget for public schools but it is within the expected revenues for next year. Barring unexpected decreases in income or unforeseen increases in other expenditures, it will not require any new taxes to finance.

Despite the \$86 million increase, many school officials contend that it is not enough to meet increased demands of teachers for higher salaries next year, even though Michigan teacher salaries are the third highest in the nation.

The bill passed the Senate amid indications that the legislature will consider the possibility of an overall reform in the method of financing education later in the fall—probably in the month of October.

Recent action by the State Tax Commission requiring reassessment of property values has raised a strong cry from property tax owners that they are being taxed out of property ownership.

Since the largest portion of locally-raised taxes goes to schools, this is likely to lead to a new means of raising money for school operations.

In government at any level, the facts of life are that the word "reform" means more taxes as well as different taxes.

No one should be fooled into thinking that any substantial reduction in property taxes will mean anything other than that an even larger increase in some other form of taxation will replace them.

The immediate and handiest target, of course, is the recently adopted personal and corporate income tax.

Since there are constitutional limitations on the property tax and on the sales tax, virtually the only major tax left that can be used to provide additional money for schools is the income tax, unless some entirely new form of taxation is devised.

The Legislature, of course, could resort to the old "nuisance taxes" and increase levies on cigarettes, beer and liquor and other such items, but the amount to be raised on these items—unless the increase were prohibitively high—would not meet the amount school people were talking about.

Governor Milliken has now named the five members of his Blue-Ribbon Committee on Education Reform, of which he intends to be an active chairman. It is a well-balanced highly qualified group.

He said this committee would be an "Action Committee" and, by next fall, would come up with suggestions for making better use of existing funds for education, and if necessary, to provide reforms for financing education.

While anything can happen in any legislative session, even the strongest proponents of aid to parochial schools feel chances of passing a meaningful appropriation for non-public schools are dim, at least until next fall.

The fact that any substantial appropriation for private schools would require increased taxes has served to cool the ardor of many legislators, who want to wait and see what Governor Milliken's special committee produces in the way of reform.

CHURCH EDITORIAL

It is time to write a "Church Editorial" again-an opportunity for which we are thankful to the editor of this publication.

We could do the accepted thing by finding a Biblical text to prove our point and then to weave a nice story around it-but at this moment it seems that we all need to be reminded that the prophets of the Old Testament and indeed Jesus Christ Himself seldom quoted from written material but usually spoke to the contemporary situation with a view to making things a bit better than they are.

It appears to me that one area in which our community might profit would be in the area of constructive criticism and praise of our many community leaders. There is so much critical comment, fault finding, and back biting, that praise and thankfulness and appreciation seem to be all but forgotten. As someone has said, "It is easy to work with the wrecking crew but much harder to work with the builders." Manchester needs many more of the latter and fewer of the former!

"It's off" to our village council, teachers, School Board, police and firemen, to our merchants, and civic organizations-not that they have not made mistakes but they have at least been trying to do what they could to make our community a better place in which to live. A recent statement often heard applies here: "If you are not part of the solution you are part of the problem". These, people and many others are trying to find solutions and for this we are grateful.

Let's stop kicking people in the shins and instead begin to pat them on the back! It might do us all good!

ZION LUTHERAN CHURCH

May 28 the Junior Youth Fellowship will meet at the church at 7:30 p.m.

SCHOOL BOARD MINUTES

The regular meeting of the Board of Education was held at the Superintendent's Office, with all members present. The meeting was called to order at 8:00 p.m. by President Kieger.

The minutes of the last meeting were reviewed and approved.

A bid from Lodi Town and Country Furniture for carpeting was considered. It was moved by Pedersen, seconded by Pedersen, that we have the Kindergarten rooms at Nellie Ackerson and Pleasant Lake Schools be carpeted at the total cost of \$1701.51. Passed unanimously.

Annual Election: It was moved by Leeson, seconded by Pedersen, that we request 9.5 mills extra voted taxes for operational expenses, at the forthcoming (June 9) Annual Election. Passed unanimously.

The financial report for April was studied and on the motion by Pedersen, seconded by Boutell, was unanimously accepted for filing.

Current claims were considered in the total amount of \$4393.97, and on the motion by Pedersen, seconded by Fielder, were unanimously approved and ordered paid.

Current claims on the Building and Site fund in the total amount of \$22,139.25 were considered, and on the motion by Leeson, seconded by Luckhardt, were unanimously authorized and ordered paid.

At 8:15 the officers of the Citizens' Committee Messrs. Bentzschneider, Mahony, and Dr. Lehr joined the meeting. Following a short discussion the meeting was recessed and moved to the Library for the planned public gathering.

President Kieger gave some introductory remarks; then called on Superintendent Swartz who presented several sheets of questions which people might have, with prepared answers. There ensued a general review of the current conditions of our schools and the financial situation.

The business meeting of the board reconvened in the Superintendent's Office at 10:00 p.m. and was called to order by President Kieger.

President Kieger summarized the desirability of an annual agenda, and also a broadened program of communication between the Board, the administration, and the public. More on this subject will be brought up at a near future time.

A special meeting for continuance of routine business is to be held on Wednesday week, May 21, at 8:30 p.m. at the high school.

The meeting was declared adjourned.

Laurin F. Leeson, Secretary *****

The Varsity Choir Concert will be Friday May 23 at the high school.

FAITH COMMUNITY CHURCH

Thursday evening May 22 at 7:30 p.m. there will be a congregational meeting, followed by a going-away party for Mike Hasset who leaves for the Army June 6.

Friday evening May 23 at 8:00 p.m. there will be a miscellaneous shower at the church honoring Nancy Sipes and Dewey Gilbert Jr. who are being married.

Saturday evening May 24 the Young Adult Sunday School Class will have a bowling party, returning later to the parsonage for refreshments.

Sunday evening May 25 at 7:30 p.m. a representative from the Good News Camp at Gladwin will be the speaker followed at 8:30 p.m. by the Singerspiration at the North Sharon Bible Church.

Monday June 9 from 7 to 9 p.m. Vacation Bible School will start and will be conducted by Rural Life Mission.

GERMAN CLUB BAKE SALE

The Manchester High School German Club will hold a bake sale May 24, 1969. It will be at the Union Savings Bank in the morning.

Coffecakes, pretzels and German pastries will be for sale.

All proceeds from the bake sale will go toward the purchase of German records, books, magazines and newspapers for our high school library for use by the German classes.

SCUTTLEBUTTE

Rev. Raymond Schlinkert, Mr. and Mrs. Guy Little, the Leo Scullys, and Walter Schaibles recently returned from an 8-day trip to Germany, Switzerland and Austria. The Guy Littles spent the week with Mrs. Little's parents, family, and friends in her hometown located approximately 175 miles from Zurich.

The tour was sponsored by the Wash-tenaw County Catholic Deanery.

The Kings Daughters will meet at the Manchester Methodist Church at 1:00 p.m. on Thursday May 22 for a dessert luncheon. Mrs. Elias Dennis will be the hostess. A business meeting will follow.

The annual "Regatta Ypsilanti" will be held on June 14 and 15. This major in-board Power Boat Race will take place on Ford Lake, which is South of I-94 in Ypsilanti.

Freedom Evangelical Memorial Cemetery will hold its annual meeting at the cemetery Sunday May 25 at 3:00 p.m.

The Elementary and Jr. High Instrumental program is at 7:30 p.m. at the civic auditorium on May 27.

PAVILION AGAIN TO BE OPEN

Wampler's Lake Pavilion in the Walter Hayes State Park in the Irish Hills will re-open this year beginning Memorial Day Weekend, Friday, May 30 and Saturday May 31.

Featured bands will be from Cleveland "The James Gang", from California "Orpheus", from Detroit "Stoney and The Wilson Mower Pursuit" and "The Bob Seger System".

After the Memorial Day Weekend Wampler's Lake Pavilion will open every Saturday night. Bands will be of national character and top local groups.

The new ownership of the Pavilion will be Something Different, Inc. Presently they operate three clubs in the Detroit area, and Something Different also produces High School and College Concerts. Bob Busiak and George Goulson will manage and operate Wampler's Lake Pavilion.

My commission expires 10-18-70.

OPTIMIST AWARD FOR APRIL

Janet Reinhart, daughter of Mr. and Mrs. Wendell Reinhart of 207 Riverside Drive, Manchester, is the April Outstanding Citizen Award Recipient.

Janet Reinhart is a very active and outstanding member of the senior class. Janet has been a leader throughout her high school years. During this school year Janet was secretary of the Varsity Club and secretary of the senior class which she has held for three years.

The registered nurses who worked were Mrs. Willard Mann, Mrs. Stanton Roesch, Mrs. Theodore Tapping, Jr., Mrs. James Kress and Mrs. Amelto Simmons. Nurses Aides included Mrs. Ronald Jenter, Mrs. Millard Ughaus, Mrs. Eugene Bantschneider, Mrs. Norman Higgins, Mrs. Allen Schaffer, and Mrs. Ralph England.

Members of the Future Nurses Club at the Manchester High School who assisted the Nurses Aides were Monica Kirk, Ethel Kellogg and Betty Kellogg.

When a community has used as much blood as the Manchester area has in the club's sixteen years of existence, it is hardly necessary to explain how the club works.

Janet has maintained a B average throughout her years in high school and has been accepted at Ferris State College where she plans on becoming a dental assistant.

Congratulations on winning this award.

BLOODMOBILE A SUCCESS

Manchester's Red Cross Blood Club is again out of debt, thanks to a record clinic on May 13. With both Double A Products and Hoover Ball and Bearing supporting the club as industrial participants, 122 pints were collected with 55 donors deferred.

The donors from the two plants were brought during working hours to the clinic by five volunteer drivers, Mrs. John Bunney LeRoy Marx, Herman Kuebler, Joseph Schwab and Clayton Parr. The American

FARM NEWS

In Washtenaw

4-H NEWS

The Sharon Valley Saddle Club held its May meeting in the Sharon Town Hall last Friday evening. There were 18 members and 10 visitors present.

Safety around horses was the topic discussed during the meeting.

New members joining the club were Jodie Morley, Vicki Wurster, Mike and Wanda Powers, all of Manchester.

Spring Round-Up was discussed. Sunday, May 25, is the date of the show at the Farm Council Grounds located on Ann Arbor-Saline Road. This show is open to all 4-H members in all counties.

Most of the members are already looking forward to County Show which is scheduled for August 5 - 9, 1969. In order to get ready for the show, some outdoor work and riding sessions are scheduled for June.

On Saturday afternoon 34 4-H members attended the stage production of "You're a Good Man, Charlie Brown". The group, accompanied by Mrs. Bobbi Kirtland of the 4-H office and Mr. and Mrs. Clinton Fisk of Manchester, traveled by chartered bus to the Fisher Theatre in Detroit.

These 4-H'ers were all participants in the Share-The-Fun contest last month.

HOME NURSING TEACHERS BADLY NEEDED

Due to the shortage of rooms in the hospitals and also nursing care, Mrs. Ella Smith, Chairman of Nursing Services Committee of Washtenaw County Chapter American Red Cross is making an all-out effort to recruit teachers and nurses to take the instructor's course so that they may teach home nursing. The course consists of a series of lessons designed to aid a homemaker in taking and reporting temperatures, symptoms; and also teach skills in caring for the sick in the home, thus relieving the hospitals and doctors.

The class will be taught by Miss Rowena Hahn, RN, State Nursing Representative for The American Red Cross. It will begin June 3, 1969 from 9 - 11 a.m.

Interested persons should register by calling The American Red Cross Center in Ann Arbor, at 971-5300.

There is no charge for this course. The American Red Cross is a United Fund Community Chest Partner.

CHRISTMAS CARD CONTEST

The Spaulding for Children Auxiliary will be sponsoring a contest to find two designs to be used for their second annual Christmas card sale. There will be two winners in the contest and each will receive a \$15 check and their entries will be displayed at the Chelsea Fair and will be used for printing the Christmas cards.

Anyone is eligible to enter the contest and the rules are as follows.

- All entries should be 8 1/2 by 11 in size.
- Entries may be in any medium of art but must be in black and white.
- Entries should relate to some aspect of Christmas.
- All entries will be judged by the Auxiliary members on the basis of "eye appeal" alone not quality.
- All entries should be mailed to: Christmas Card Contest Spaulding for Children Auxiliary 3860 Watrous Road Chelsea Michigan 48118 and should have the name, address and telephone number of the contestant on the back of the entry.
- All entries must be received no later than June 25, 1969.
- Entries will not be returned but may be picked up at the Auxiliary Booth at the Chelsea Fair on August 30, 1969.
- Entries will not be returned but may be picked up at the Auxiliary Booth at the Chelsea Fair on August 30, 1969.

The finished Christmas Cards will be available for sale at the Auxiliary Booth at the Chelsea Fair and all proceeds from the sale of the cards will go to Spaulding for Children, a specialized adoption agency which attempts to find parents for children with special needs.

Last year the Spaulding Auxiliary had two types of Christmas Cards available for sale—a red on white woodcut and a black on white pen and ink drawing—and they sold 12,000 cards. Their goal for this year is 20,000.

HIGHWAY DEATHS IN 1968

The year 1968 marked the eighth year that Michigan's highway death toll exceeded the 2000 fatality figure. Specifically, 2388 people met death on the state's roads and highways and another 160,413 were injured.

WILDFLOWER TRANSPLANTS

You may be digging yourself into a lot of trouble if you start digging up wildflowers, shrubs and trees to transplant in your garden or lawn.

Springtime, with wildflowers coming into bloom, attracts suburbanites into the Michigan woodlands, and many people would like to take a bit of the wilderness home with them.

Dean Lovitt, chief of the Plant Industry division, Michigan Department of Agriculture, warns that transporting such materials without an inspection certificate is illegal. "You might inadvertently take some serious insect pests or plant diseases along with the materials you dig up. This is one of the principal reasons why state law requires a certificate of inspection to transport flowers, plants and nursery stock," Lovitt said.

Transportation of uninspected live plant materials is the greatest single source of unwanted plant problems, Lovitt explained. Pest-free areas can easily become infested by uncertified materials from infested areas. Provision for certification applies to all types of hardy plant materials, such as wild plants, shrubs, and trees as well as those grown by commercial nurseries.

And it doesn't matter if the material is given away or sold. Well-intentioned friends and neighbors may unknowingly violate the law by offering you uncertified materials. An inspection certificate will eliminate any possible difficulties with law enforcement officers if you are transporting such materials.

REGIONAL TRACK NEWS

The track team went to Schaffer High School in Southgate May 17 for the regionals. The team took ten members. If you take a first, second, or third at the regionals you are awarded to participate in the State meet the following week. Of the ten representatives of Manchester one will go to the State finals at Mount Pleasant on May 24. Mike Hamilton is the one who will represent us. He won the mile run of a field of 12 schools. His time was a remarkable 4:36.8. This time was also a new school record. These are the remaining 9 thinclands and the events they entered. Ahrens-pole vault, 880 relay. Fielder-2 mile run. J. Hamilton 1/2-mile. Sutton-100 yd. dash, 880 relay. Lowery 100 yd dash, 220 yd dash, 880 relay. Colo 880 relay. Roesch mile relay. Lentz-mile relay. Rybak-mile relay.

Mike Ahrens and Mike Hamilton will also be going to Jackson Parkside Monday, May 26 for an invitational meet.

DUTCH TIED FOR FIRST

The Dutch went to Hudson last Thursday and played one of their best games of the year in downing Hudson 3-0. Mike Stockwell allowed only two hits and they were in the first inning. After that it was all Dutch. Mike struck out six Hudson batters and was helped out with three double plays. The double play combination is Lowery to Sloat to Jacob. Not a bad combination. With Sloat back in the line up it has boosted the Dutchmen. The Dutchmen had eight hits in the game with Irv Roberts and Bob Pratt leading the way with two apiece.

The Dutchmen are 4-1 in league play and 6-3 overall.

Dutch Power "Lefty"

The State Track Finals will be held May 24.

May 22 the Dutchmen play Clinton away and May 23 they play Madison at home and their last game of the season will be at home with Ypsilanti Roosevelt on May 27.

CLINTON 70 MANCHESTER 48

The Manchester Thinclands dropped a duel meet to Clinton at Onsted. The Dutchmen got out to a slow start in the field events. After the field events were over the Dutchmen were behind 32 to 4. The pole vault was captured by Clinton, however, Mike Ahrens and Max Gormley salvaged a second and third respectively. Randy Fielder took the 2 mile run with a time of 12:15.2. Mark Chapin backed him with a second. The 880 relay team which consists of Ahrens, Roesch, Colo, Ahrens won with a 4:52 clip. Pat Roesch back in form took a second in the hurdles. John Kirk picked up a point by taking a third in the 1/2-mile. Our two fine quarter-milers of Tad Rybak and Mark Lentz took first and third respectively. Rick Lowery took first and Rich Sutton took a second in the 100 yd. dash. Al Colo tied for a third in the low hurdles. The 220 dash was won by Rick Lowery and Mike Ahrens was given third place.

GREATEST TIGER STANDINGS

Leaders in the latest tabulation of the voting:

First base - Hank Greenburg 7,806; Norm Cash 2,111.

Second base - Charley Gehringer 7,225; Dick McAuliffe 1,945.

Third base - George Kell 7,425; Don Wert, 1,158; Pinky Higgins 595.

Shortstop - Harvey Kuenn 3,242; Billy Rogell 2,784; Donie Bush 1,756.

Outfield - Al Kaline 8,228; Ty Cobb 7,714; Harry Hallman 4,703; Goose Goslin 1,778; Willie Horton 1,322; Sam Crawford 1,183.

Catcher - Mickey Cochrane 4,454; Bill Freehan 3,407.

Right-handed pitcher - Denny McLain 5,563; Schoolboy Rowe 2,648; Tommy Bridges 1,830.

Left-handed pitcher - Hal Newhouser 6,072; Mickey Lolich 2,245.

DEVOTED TO A MORE PROGRESSIVE MANCHESTER

101st Year No. 32

May 29, 1969

L. to R. "Via Appian", Dave Bunn, and Harry Bennett.

For A Summer Drive ...

By Carolyn Ahrens

Manchester, as well as much of the surrounding area, has in the past few years become more and more populated with small horse farms. Rolling green hills, the ideal cities nearby has brought many city dwellers to this vicinity in search of prospective horse farms. One such farm on Grossman Road was sold by Merle Cummings to two businessmen from the Detroit area who breed, raise and race thoroughbred horses.

The 90 acre farm was ideal for their needs and soon a number of changes took place. Harry F. Bennett of Troy and Charles L. Pugh of Hazel Park moved their manager Dave Bunn and his family to the farm to replace and repair and most importantly to begin the task of breeding and raising thoroughbreds. White split-rail fence replaced wire fencing, cattle barns were converted into horse barns, corn fields became pastures and horse trailers were housed in tool sheds. A thoroughbred Via Appian stallion soon sired three foals including the first born colt on the Francis Leon Farms, Manchester, on January 30, 1969 and perhaps a future racing champion.

After the initial raising and handling, the horses are then turned over to trainer H R Riley who prepares them for track racing. Mrs. Bunn pointed out that a horse of any breed is a smart animal and with the proper handling, care and training learns quickly, and she added that beginning care often means the difference between a gentle and a mean animal.

At present there are 15 horses at the farm with several more now racing at Hazel Park. Of those at the farm there are 4 brood mares, 3 foals, the stallion, a yearling, a 3-year-old 3rd stakes place mare from Hazel Park, one "retired" pacer and several recreation horses for the owners and manager. Although there are numerous calls for riding horse rental, Mr. Bunn said visitors are always welcome but there are no public riding facilities.

Mr. Bunn and his wife Cheryl also expressed their appreciation for the help they have received from neighbors and now friends.

ends, the two young men who worked at the farm last summer and especially to Dr. Henry Eames and Willard Mann. "It's pretty hard to start out in an unfamiliar place but we have had some wonderful people helping us," he said. Mr. Bunn also pointed out why the barn was painted green and what the red and white design on the barn represents, a question often asked. Green is the Francis Leon Farm racing color and the red and white design their crest.

Future plans include boarding race horses and thoroughbred breeding which can now be arranged by calling Mr. Bunn. He added, "We've got a lot of ideas but it takes time to work them out. We do hope to have an open house the latter part of the summer but visitors are welcome anytime."

RED LAMB DIES

Melvin "Red" Lamb a life long resident of Manchester, died May 20 in Cleveland Ohio following a long illness. He had been under treatment at the Cleveland Clinic following a kidney transplant in 1966. Mr. Lamb remained in satisfactory condition following the operation, returned home and worked a short time at a Chelsea barbershop. Infection later caused further complications and he returned to the hospital.

He was born April 30, 1935 the son of Mr. and Mrs. Leroy Lamb. He attended school and graduated from Manchester High School in 1954, was a member of the Emanuel Church of Christ and the Washtenaw County Barbers Association.

Mr. Lamb is survived by his wife Jeanette, a daughter Jackie Ann 8, a son William John 5; his parents; a sister Mrs. Victor (Irene) Wurster; a brother Eideon and several aunts, uncles, nieces and nephews.

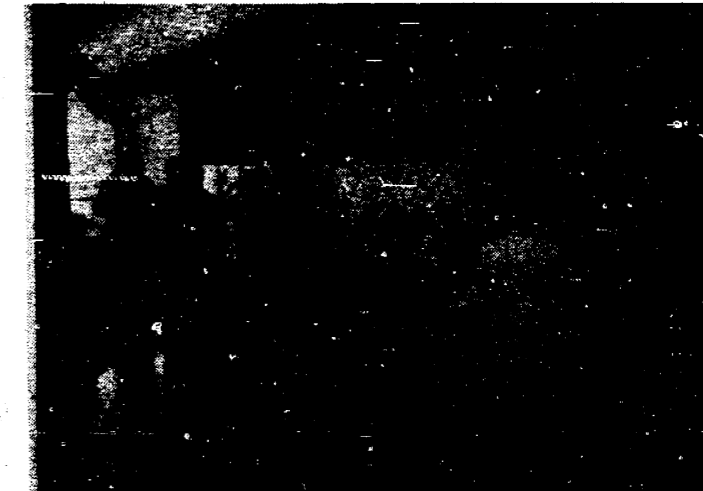

Services were held at Emanuel Church and burial at Oak Grove Cemetery.

MEMORIAL DAY PROGRAM

The Memorial Day program will begin with a parade at 9:30 assembling on the bridge. A service will be held in Norvell following the Manchester service. Cars will be furnished for all World War 1 Veterans.

A potluck luncheon will be served at the Legion at 12:00. Meat will be furnished but bring a dish to pass and table service. Fifteenth Anniversary tie bars will be presented to all World War 1 Veterans at the Legion after the service. Please be present.

Indignation boils my blood at the thought of the heritage we are throwing away; at the thought that, with few exceptions, the fight for freedom is left to the poor, forlorn and defenseless, and to the few radicals and revolutionaries who would make use of liberty to destroy, rather than maintain, American institutions. . . . Arthur Garfield Hays

PATCHWORK COVERLETS FOR YPSI STATE HOSPITAL

Twenty four patchwork coverlets were displayed Sunday, May 25, in the Fellowship Hall of the Manchester United Methodist Church. More than two hundred of the congregation viewed them, following the special Homecoming service.

The bright colored coverlets, size 72 x 30 inches, were completed as a winter project by the women of the church, sponsored by the Lydia Circle of the WSCS with Mrs. Elias Dennis, chairman. Several senior members, including one of 84 years, gave much assistance. One coverlet used hand stitched quilt blocks made by the late Mary Lowery

Merriman, given by her daughter, Mrs. Tosselo Knorpp.

Twenty women of the project group, delivered the coverlets to the Ypsilanti State Hospital, Tuesday, May 27, to be used in one of the Womens' Wards. Last year, coverlets were also made for a ward. Other projects for the hospital have included tote bags, house coats, and lingerie.

To us Americans much has been given; of us much is required. With all our faults and mistakes, it is our strength in support of the freedom our forefathers loved which has saved mankind from subjection to totalitarian power. — Norman Thomas.

SCHOOL MILLAGE REQUEST IS THE SAME AS LAST YEAR

The Manchester Board of Education is requesting the same amount of school millage for the 1969-70 school year as was requested during the 1968-69 school year. THE REQUESTED 9.5 MILLS FOR OPERATIONAL PURPOSES IS A RENEWAL AND NOT AN INCREASE.

It has been noted that some people in the school district are under the impression that the 9.5 mills being requested by the Board of Education for the 1969-70 school year is in addition to that same amount which was levied last year. THIS IS NOT THE CASE. There IS NO INCREASE in operational millage.

Below are the areas for which taxes are levied in the Manchester School District and a comparison for the school years 1968-69 and 1969-70.

	Levied 1968-69	Requested 1969-70
County Allocated operational millage	11.22	11.22
District Extra voted operational	9.50	9.50
*1958 Debt Retirement (Nellie Ackerson)	1.30	1.30
1966 Debt Retirement (High School add.)	2.00	2.00
1967 Debt Retirement (Luther C. Klager Ele.)	1.95	1.95
	25.97	25.97

The Manchester School District asks for extra operational millage on an annual basis. The Board of Education feels that the advantages of doing this are as follows:

1. Voting extra operational millage annually provides the Board of Education and the administration the opportunity to apprise the school community of their programs their needs and their concerns on a regular and frequent basis. The people of the school district are kept in closer touch with pertinent items of interest relative to the educational program.
2. Voting extra operational millage annually permits the Board of Education and the administration to plan more realistically and factually relative to the financial needs of the school operation. Our budget is kept "current" and we are able to meet inflationary factors as they occur, thus reducing the possibility of deficit financing.
3. We feel that voting annually on such propositions creates a continuing interest in and encourages active participation on the part of citizens in matters dealing with the school program. Inasmuch as there is no extra cost for an annual millage election when it is done in conjunction with the annual school election, the taxpayers enjoy the advantage of current control of activities.
4. The citizens of the school community are kept in frequent touch with curriculum changes or revisions, proposed program changes and other matters of interest. By being frequently apprised of the school program the citizens become knowledgeable of the benefits for children that the Board of Education, the administration and the staff are trying to improve or attain.

The 9.5 mills of operational millage will be voted upon by the citizens of the school district on June 9, 1969. This is the date of the annual election. In addition to the operational millage vote, one vacancy on the Board of Education will be filled. Petitions for two local school district residents, Mr. Robert Clark and Mr. Louis Vogel, have been submitted and will be voted upon at the annual election. Mr. Dan J. Boutell, Treasurer of the Board of Education, is not seeking re-election. The election will be held in the Manchester High School and the polls will be open from 7:00 a.m. to 8:00 p.m.

*The 1958 Debt Retirement on the Nellie Ackerson Building will be paid off in its entirety in the 1969-70 School year.
