

SPEEDWAY RESULTS by Nancy Martin

We had a very good field of cars for our Tri-State Championship races tonight with 62 cars qualifying. Louie J. Stemen picked up a trophy for fastest time of 19:12. This being his very first night back since suffering burns here on July 20. We are glad to have him back with us.

The first heat was very fast with John Luderman jumping into the lead and holding on for the win over Don Taylor, Jack Sharp and Jim Stemen.

In the second heat the red flag was thrown as several cars spun out in the

fourth turn. On the restart, Don Macey started on the pole and took the checkered flag followed by Ray Barnard, Dennis Carrier and Bill Kepka.

The winner of the third heat was Howard Woodman, chased by Jr. Gary, Larry Gray and Butch Moull. The fourth heat had one caution flag, but Mike Shaw held on to first place with Dick Slagle 2nd, Farmer Budwick 3rd, and Jim Shook 4th. Bob Kash took the fifth heat over Clarence Swan, Leonard Hale, and Jack Wirth.

The pursuit was good racing with Jack Sharp staying just ahead of Taylor all the way 3rd and 4th going to Luderman and

Bill Younkin.

The coney and semi both were run straight through tonight with no trouble. The coney saw Dick Slagle come from the back of the pack to pick up the checker over Art Call, Kash, and Gary Rhoades. Howard Woodman took the win in the semi, his second of the night, Paul Whitaker was second followed by Moull, Gary, and Allen Teubert.

In the 50 lap feature, Don Taylor had a big lead and looked like he had it in the bag when on the 40th lap he and Valentine tangled, with Taylor spinning out. Dick Crup took the lead for two laps, but had to drop out leaving the way clear for Jack Sharp to take his second win for the night. Younkin finished second over Val-

entine, Taylor, and Carrier.

All winners were presented with trophies after the feature race.

Friday night we will have another Destruction Derby after our regular program. Men drivers this time. Come on out and see them "tear them up"!!

year he attends manufacturer's school where the latest up-to-date knowledge enables him to service today's highly technical equipment. "Maybe some of today's college students have time for demonstrations but there's a lot more you never hear about that are responsible for the tools, equipment and knowledge I use to service my customer's sets."

"And," Mr. Brown continues, "I couldn't do business without my wife Stella who takes care of the store or my sons who are a very important part of the business." Doug, a junior in high school, and Donald a sophomore are learning some of the trade although neither has decided what their future careers will be.

"This is a business that has a good future for a young man but he must like the work and have a dedicated interest in it," Mr. Brown pointed out. "The hours are long, it's frustrating at times when all the parts fit but still the set doesn't work properly. It's not hard work but patience and interest are most important."

Brown's TV & Radio Sales & Service serves the Manchester area mainly "because traveling too far only costs the customer more and is time-consuming for me," he said. His inventory includes Zenith and Voice of Music radio, TV, hi-fi and stereo in console and portable models.

A life-long resident of the Manchester area, Mr. Brown is a member of the Chamber of Commerce, Moose of K of C and he and his family are members of St. Mary's Catholic Church.

Who, What, When, Where & WHY

Letters to the Editor

Money makes us go. By spending it we are able to travel around the moon. By trying to make more of it some of us have reached a new low. They reached it by being greedy enough to take advantage of others. Because of this many cannot afford to buy the things they should have. When it isn't what something is worth but how much we can be made to pay for it, when there are over 30 million of us that are unable to buy enough to eat and at this same time farmers are paid for not raising as much grain as they would like, there is

something wrong. If we don't know what what it is, its time we got on our knees and asked someone to help. You may think it would take more than prayer to correct this. Don't be so sure. If there were enough of us that made a practice of asking our Creator for guidance we wouldn't have these problems or be afraid to be on our streets after dark.

Earl Koebbe

Your August 21 issue carried an article to the effect that your paper might be sued because of disclosures related to property taxes. You mention figures of \$1.83 per

acre. Is this an isolated case of the tax rate in this township? If so you should check further on the tax rolls. I pay over \$6.50 per acre.

If your figures are reasonably correct I would suggest that you, as an interested editor, should explore the possibilities of a public township meeting (with the assessor present) to determine if there has been any favoritisms and/or discriminations practiced in this area.

I think that because your paper has raised the questions you should follow it through. In the event you decide otherwise, I would welcome an answer to this letter on your editorial page.

Russell C. Smith

Dear Mr. Smith:

Your proposal of a public township hearing is an excellent one, but it may not be of any value unless there is a fairly large representative number of the township interested in it. On October 13, the township board will hold its regular meeting. Anyone who would like to have a public hearing held should go to the next meeting and make this request known to the entire board.

SCUTTLEBUT

The third annual Wolff Reunion was held Sun. Aug. 24 at Carr Park with 20 people present. Carl Wolff of Parma was the oldest and Jay Bertke, 6, son of Mr. and Mrs. Lauren Bertke, the youngest. Wolff's

came from Texas, Illinois, Ann Arbor, Coldwater, Brooklyn, Garden City, Parma and Manchester to eat a pot luck dinner and to visit.

The reunion will be held next year at Carr Park and Gertrude Bertke will send out cards giving the date.

After the Wolff reunion, Mr. and Mrs. Glen Bertke and Paul Wolff of Coldwater, attended a birthday party given for Mr. Bertke's sister, Madeline Holten of Jackson, by her children at the home of Mr. and Mrs. Thomas Gormely in Norwell. There were 31 present from Coldwater, Norwell, Toledo, Jackson and Manchester.

Mrs. Joseph Welsh's daughter of Toledo made the birthday cake and Mrs. Holten received many lovely gifts.

Miss Henrietta Wolff of Moline, Ill. was a supper guest of Mr. and Mrs. Glen Bertke Wednesday evening.

what's a funny place for a phone?

That depends on your sense of humor. If interrupting your washing or ironing to rush upstairs to answer the telephone leaves you breathless, then an extension telephone makes good sense.

An extension telephone saves steps and lets you do your telephoning from where you are. You can select from many smart styles and decorative colors.

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny place you'd like.

Mr. and Mrs. Wilber Sellers and family were the guests of Mr. and Mrs. Max Sellers of 18527 Sanborn Rd. last week. The family from North Salem, Indiana posed for a picture with Mr. and Mrs. Max Sellers. The children from left to right are Lisa, 9; Melissa, 3; Brent 6 and Brian, 8. Wilber is Mr. Seller's nephew.

MANCHESTER SPEEDWAY

The races here were a little late getting started as new clay on the fourth turn proved to be defective and had to be replaced between qualifying and the first heat. It was improved but continued to plague the drivers throughout the program. All times were about a second slower than usual with Louie J. Stemen and Bill Younklin, both turning 19:86, as fastest time.

Bill Kopka jumped into the lead in the first heat, until the third lap, when Jack Sharp "Flaw" past and held on for the win. Don Taylor was pushing hard but had to settle for second, Younklin 3rd, and Kopka 4th. The second heat had one caution flag when Dick Carr spun in the fourth turn. Curtis Kally came through for the checker over Dick Slade, Butch Moull and Ray Barnard.

In the third heat Junior Gary started on the pole and stayed there followed by Larry Gray, Bob Kash, and Mel Sroufe. Les Harris took the lead in the fourth heat but went wide in the fourth turn, letting Leonard Hale through to take the win. He was chased across the line by Ray Jennings, L.J. Bumpus, and Jack Wirth.

The pursuit was very fast, with three cars passed in the first turn of the first lap. Don Taylor took the lead on the first lap for the win over Stemen, Younklin and Kopka.

24 cars lined up for the Semi, but with several spin-outs on the bad fourth turn, only about half finished. First place went to Larry Gray of Adrian, in his maroon No. 32, followed by Jennings, Gary, Hale and Allen Te.

Although the year-end out three times, the Feature was a exciting race to the finish. The lead changed several times with 5 cars closely bunched. Don Taylor finally pulled away to take his second win of the night. Finishing close behind were, Stemen, Sgarpe, Crup, and Younklin.

The Firelite Inn, located at the intersection of M-52, City Road and Austin Road, Manchester, is scheduled for a grand opening celebration September 5, 6 and 7. The new owner and manager, Fred Johnson, announced.

Food, dancing and entertainment is planned with Don Powers and the Spoiler's scheduled to appear September 5 and 7 and Bruce Green and the Branded Men the featured band on September 6. Johnson also announced that after the official opening there will be live music Saturday nights, Sunday afternoons and on special occasions only will feature a band on Friday nights.

Originally opened in 1961 by Lauren Huber and Jim Walkowe as the J & L Bar, the Firelite Inn will undergo several changes. Johnson said, "I'm going to make more changes after the official opening and many future plans will depend on the people of Manchester. If and only if the liquor-by-the-glass proposal is passed in the fall of 1970, I will remodel the entire building inside and out." His plans include a new bar which would be necessary if liquor-by-the-glass is served, carpeting, new furniture, air

conditioning, a paved parking lot and a general Thompson's of Saline atmosphere. "But," he continued, "it all depends on the people of Manchester. Whether or not they want such a place will depend on the liquor ballot.

Current plans following the grand opening call for a daily hot-plate special, hamburgers, hot beef and ham sandwiches as well as Jim and Nancy Yungkans' pizza specialty on Friday and Saturday nights from 5 p.m. to 1 a.m. Other employees include Beverly Brookhart and Bruce Green.

The Firelite Inn is open daily from 11 a.m. to 2 a.m. and Sunday noon to 2 a.m. with the telephone number for pizza orders 426-8924.

Mr. Johnson is a member of the Manchester American Legion and VFW Post and at present he and his family reside in Dexter although they hope to eventually move to Manchester.

BLOODMOBILE HERE SEPTEMBER 12

One hundred fifty units of blood have been given to nineteen Manchester area residents and industrial members of the local Red Cross Blood Club since August 1, 1969. The amount per individual has varied from one to fifty-four units during this time.

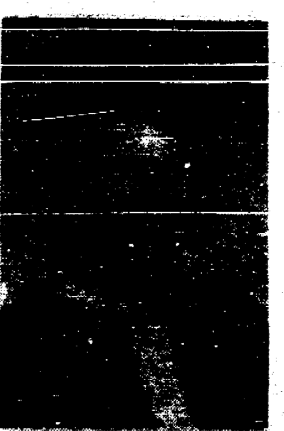

The Red Cross Bloodmobile will be at the Emanuel Church of Christ on Friday, September 12 from 12 to 6 p.m. to give the area the opportunity to replenish the local club's "bank." (The next Bloodmobile scheduled for the area is July 14, 1970.) Simple mathematics shows the number of people who will be needed on the twelfth to carry the area through a normal year of need. The age for donors is now 18 through 65. Those under 21 should bring a parental release unless they are married or in the armed forces.

Manchester has had a Red Cross Blood Club since they were first organized in 1951. Stanton Roesch, the Red Cross branch chairman at that time, the American Legion Post and the Legion Auxiliary combined with Dr. Arthur Holstein to hold the first club clinic with a Red Cross Bloodmobile on March 19, 1951. One hundred and twenty-seven pints were donated. Mrs. Rolland Grossman was Chairman-of-the-day and remained in that capacity for 19 of the 22 clinics held since then. She's vacationing this September 12 and Mrs. Eugene Bentschneider will be her substitute.

One thousand nine hundred eighty-five pints of blood have been donated by club members at local clinics in the past 18 years, and all but fifty of them have been used by the club to date. Statistics did not reveal how many different families and individuals in the club had been assisted, but all of those families could give testimonials for the worth-whileness of one of Manchester's many outstanding civic ventures.
