FAMILY TRADITION
MAKING APPLEBUTTER

by Carolyn Ahrens

"It's a thing of the past," is how Mary Blossom described the old-time process of making applebutter, "and I wanted my children to see how it was done." Thus the Maynard Blossoms, with several of the 80 invited guests arriving Saturday afternoon, prepared the big copper kettle, cross-bar frame, five-foot rotating stir-spoon and open fire.

At 3 a.m. last Sunday morning the fire was lit and 50 gallons of cider poured into the kettle to simmer down to 25 gallons. By 7:30 a.m. more guests had arrived to peel, pare and core six bushel of apples.

By mid-morning the apples were slowly added to the simmering cider. "Then the real work began," Mrs. Blossom said. Constant stirring is important now until the apples and cider are thoroughly cooked together and there is no separation, a process that takes at least six hours she pointed out. Finally 20 pounds of sugar is slowly added to the bubbling mixture. The results -- eighteen gallons of thick dark brown homemade applebutter to be eaten warm or canned directly from the kettle.

A family tradition from Germany many years ago, Mrs. Blossom's family at one time made applebutter every fall. Her parents, Mr. and Mrs. Ray Tuckerman of Cement City particularly remember the all-night, all-day gatherings with young and old enjoying the delicious applesauce-like results.

The 60 to 70 guests who braved last Sunday's rainstorm traveled from Fremont, Ohio, Jackson, Brooklyn, Clinton, Tecumseh, Tipton, Cement City as well as several area residents, some with memories of days gone by and others "just plain curious" and the youngest guest, 1½ year old Elizabeth Schultz of Adrian simply enjoying the excitement.

"It took a little longer than usual," Mrs. Blossom said. "Because of the weather the cider and apples cooked much slower than usual so we didn't enjoy the results until 5:30 Sunday afternoon. But then . . ."

Plans for another applebutter-making day? The entire family seems to think it might be a good idea.

WASHTENAW COUNTY
4-Hers TO HOLD AUCTION,
RUMMAGE & BAKE SALE

The National 4-H Center in Washington, D.C. plans to build an addition that will increase its facilities to handle 800 youth at a time. The project requires 8 million dollars in funds with Michigan's quota standing at \$75,000. The 4-Hers of Washtenaw County are responsible for \$1,473.

To raise this quota an auction, rummage sale and bake sale will be held on October 18 at 10 a.m. at the Rural Activity Center on Salina - Ann Arbor Road.

Anyone wishing to contribute to the auction and rummage sale, please contact Vicki Eisele at 428-5683. Contributions will be picked up.

THE GOAL IS \$16,240

Ninety of the 116 workers for the Man-

chester Area United Community Fund and Red Cross Drive met Wednesday night at Emanuel Church Hall as guests of Manchester Tool & Die and Manchester Stamping Corporation. Reports on pre-kickoff solicitation by the Businessmen's and Industrial Divisions and pertinent information regarding the house-to-house drive were the highlights of the gathering.

Jerry Creech, campaign chairman, outlined the aims of the fund gathering effort to meet the needs of fifty-two agencies through the fair share contributions of all. Giving to the united drive gives where help is needed and means the building of a better community.

The honor roll of volunteers this week includes thirty-eight rural and thirty village women who will seek the fair share gifts of all residents of the Manchester School District through house-to-house canvassing, to help meet the goal of \$16,240.

Luther C. Klager, president of the Manchester School Board, welcomes visitors to the open house held Sunday at the new Luther C. Klager Elementary School. Mr. Klager has the added distinction of having the new school named for him. Visitors came to view the school despite the rainy weather. Dr. Harold Sponberg, President of Eastern Michigan University gave the dedication address. A special broadcast of the dedication ceremonies including Mr. Sponberg's speech will be aired on WPAG this Sunday from 2:05 to 3:00 p.m. The ceremony was taped by Howard Heith who attended last Sunday. Flags for each of the rooms were donated by the Manchester American Legion. More pictures on page 12.

BILL TO RELIEVE FINANCIAL BURDEN OF HIGHER EDUCATION

College students and their parents will find the financial burden of higher education eased if a bill co-sponsored by U.S. Senator Robert P. Griffin becomes law.

The legislation provides tax credit of several hundred dollars a year to persons who underwrite the cost of student tuition, fees and other expenses such as books, supplies and equipment.

Parents, guardians or college students paying their own way would be eligible for the tax credit, Griffin said.

Credits would be worked out according to the following formula:

100% credit for up to \$200 in tuition and related expenses.

25% credit for the next \$300 in eligible expenses.

5% credit for expenses between \$500 and \$1,500.

A parent who paid a total of \$1,500 a year for tuition, books, fees and equipment, for example, would be eligible for a tax credit of \$325 under the proposed bill.

Meals, lodging and other personal expenses would not figure in computing the tax credit under the bill.

Similar legislation to amend the Internal Revenue Code was introduced in the 90th Congress and passed the Senate but died in the House.

Prospects for passage brighten with each new Congress, Griffin said, noting that the bill failed to even get out of committee prior to 1967.

"The average cost of a year's schooling at our nation's colleges and universities is now \$1,500," he said.

"It's no wonder the prospects for passage improve each year."

Griffin has co-sponsored similar bills since coming to the Senate in 1966 and prior to that as a House member.

KEEP OUT OF HOT WATER Agriculture in Action

There is an old story that says you can't kill one of those long legged frogs by dropping him in a bubbling kettle of boiling water. The frog every time will react so quickly (just from the rising steam), that at the instant of touching the deadly hot water his springing powerful legs will leap to action to rescue himself from some chef's dinner menu.

But what happens to the poor frog if the cook puts him in cold water and then warms up the water gradually. This time that old frog probably believes he has made his goal in life with the luxury of this warm bath. Mr. Frog never learns because he never decides to jump till it's too late. By then he's cooked!

I sometimes wonder if men are just as foolish? Take away their freedom overnight, and you've got a violent revolution. But steal it from them gradually (under the guise of "security," "peace," or "progress") and you can paralyze an entire generation. Take for an example the income tax. It started out as a harmless sounding one per cent. It would have been easy to jump out of the water, then! But like the old frog, we waited while it climbed even higher. Ever stop to figure out the percentage of taxes you are now paying? Well, try jumping out of the water now.

The tragic thing about the situation is that we never learn. Many people could not believe that the registration of firearms was the warm water that will boil us should our guns be confiscated. And today

the confiscation of hand guns has been suggested to the President of the United States. Many cannot see the connection between farm price supports and Nationalized Agriculture. Others shake their heads when you mention medicare and socialized medicine. If by chance you should draw a parallel between subsidized teachers' pay and federal control of education, you are called "extremist."

The tragedies of history are always repeated by those who refuse to learn from them. To seek guidance from the past is not "turning the clock back" as we are often told. It is merely a good way to keep out of hot water.

AVAILABLE LOCALLY

Washtenaw County Health Director, Dr. Otto K. Engelke announced that his department has received an initial shipment of (Rubella) German Measles Vaccine from the Michigan Department of Public Health. He stated that the vaccine will be made available as it arrives, at no charge to health department clinics, hospital clinics and doctors' offices. Children of school age in kindergarten through the third grade are to be immunized. Expectations are that there will be a minor rise in the peak occurrence of this disease in the spring of 1970.

WASHINGTON REPORT

Congressman Marvin L. Eash

We are moving now toward at least partial solution to one of the most agonizing and patently unfair aspects of our Social Security system: sharp escalation in the disparity between benefits and living costs during periods of rampant inflation. For many of our older citizens, builders of our powerful economy, the cruel inflation of the last four years has been a personal tragedy.

I am most pleased that President Nixon, in his recent message to Congress on Social Security, called for adoption of a cost-of-living formula that would automatically adjust benefits upward to match increases in living costs. This is a significant step which I strongly support and one I have

fought for in Congress for more than two years.

This approach also means that we can at least partially remove the matter of benefit levels from political jockeying. Too often varying factions have scrambled for political advantage in calling for increases, long after living costs have soared. We don't need that game of one upmanship.

At the same time the President proposed the cost-of-living approach, he also proposed that the salary base from which Social Security funds are drawn from employed persons be increased from \$7,800 to \$9,000 in 1972. Thereafter, the base would be automatically adjusted to reflect wage increases.

This is not the type of change that any worker is likely to cheer, but the two steps taken together, along with other aspects of the President's proposal, offer reasonable

hope for a more secure system that will benefit us all. In addition, by specifying a method to finance increased benefits, the President has improved the chance that proposed improvements will be made.

Among the several changes I would like to see made in the system, one concerns the amount of money a person is able to earn and still receive social security benefits. At the present, benefits are reduced for each dollar earned over \$1,680. I believe there should be no limitation on the amount a person can earn. There is no reason that incentive should be deprived merely because a person reaches a certain age or is drawing benefits from a program he helped finance.

I am sure that many more desirable changes will be forthcoming from the Republican Task Force on Social Security and Human Needs which I am pleased to lead as Chairman. We are working diligently to find durable solution to the complex problems of Social Security and retirement.

Where "Freedom of Speech" and "Freedom of Religion" are concerned, there are those who make a strong case that Supreme Court interpretations of these individual freedoms have gone too far and are now infringing on the rights and freedoms of our society as a whole.

These problems will be intensified and compounded as our society grows ever more complex and crowded, and so will a multitude of others. By 1975, just 2 1/2 years away, our gross national product will reach one trillion dollars! It is difficult to visualize all this will mean in multiplying the present problems of education, housing, urban planning, traffic pollution, crime and taxes.

In light of all this, I suggest that young people can hardly afford not to be concerned with the political processes by which decisions are made in a representative democracy. They are the ones who are going to have to live the longest in the world those decisions affect.

I also suggest that the problems that confront our society are really challenges exciting challenges, for persons with new ideas and fresh concepts. Young people tend to have such ideas and concepts. Both of our major political parties need young people today and should redouble their efforts to involve young people in all levels of political activity.

It has been said that Man is the only known living thing that laughs or weeps because Man alone recognizes the difference between the way things are and the way they ought to be.

Perhaps, after a few years go by, all of us who serve in government become too dominated by the way things are. Perhaps, most of all, we need young people to remind us of the way things ought to be.

CHURCH EDITORIAL

by Don Gibson, Emanuel Church

The first letter of John -- near the back of the New Testament -- is brimming with good advice for our present day life fraught with anger and conflict and torment. Indeed, one of its specific purposes seems to be to deepen the spiritual life of anyone who would read its passages. In its own way it powerfully affirms the love of God in Jesus of Nazareth and calls man to radically commit his life to the service of God according to the example of Christ. Moreover, the letter promises freedom to each and every man within the community of faith and intimates to him that he has tremendous potentialities and possibilities. It is a letter, then, which reinforces that conviction that man might best choose to do good works and risk himself to assure it reports to all with a most profound simplicity that only in God can man find the love which will bring full life and mutually reinforcing and edifying existence. It professes the unity of all mankind as brothers and sets before man the simple commandment ... show your love of God by loving all the people with whom you come into contact ... in word and deed. To wit: 1 John 4:20-21 ... "If any one says, 'I love God', and hates his brothers, he is a liar; for he who does not love his brother whom he has seen, cannot love God whom he has not seen. And this commandment we have from him that he who loves God should love his brother, also." And so, by the very words of this theology in 1 John, we are thrown into the world of every day affairs and fellow men ... here and abroad ... as the place wherein we worship and strive to accomplish peace and good will among all men. Do we have the courage and power to conduct such a discipleship?

4-H NEWS

A combined 4-H meeting of the Sharon Leathercrafters and the Sharon Valley Saddle Club was held Tuesday evening, October 7, in the Sharon Town Hall. There were twenty-three boys and girls present. Some of the 4-Hers are members of both clubs.

Leathercraft members selected their projects for the coming year. It was decided, by the members, to meet on Saturday afternoons for their work sessions. Already on the 4-H calendar is Spring Achievement which is scheduled for the latter part of March. One week prior to Spring Achievement is the deadline for the completion of all leathercraft projects.

The members of the horse club discussed the horse judging project. It was decided to hold this learning activity on the club level.

The annual family night and potluck banquet will be held on November 8 at the Pleasant Lake School gym.

There was much discussion on the Treasure Trash Auction, Rummage and Bake Sale set for October 18 at 10 a.m. at the Rural Activities Center, Saline-Ann Arbor Road. Any and all donations will be greatly appreciated.

YOUTH OFFERING
THEIR SERVICES

A group of young people from Faith Community Church have recently started a project they hope will benefit many area elderly and handicapped people. The Christian Youth Workers are offering their services such as reading or teaching Sunday School lessons to shut-ins, raking or mowing lawns, washing windows or any number of household tasks impossible for some area residents to do themselves.

When asked how the idea came about, Mrs. Harold Keasal, presently the advisor for the youth group said, "They just wanted to do something for others." The high school students will be available for anyone needing them after school and Saturdays or depending upon the help needed, on Sundays also.

President of the Faith Community Youth Group is Marilyn Keasal, Vice-President Doyle Keasal, Secretary Joyce McAtee, Treasurer Rosemary Jordan, Historian Sandra Moore and Song Leader Nancy McAtee.

For those needing the services of these young people call Mrs. Keasal at 428-3067 between 9 a.m. and 3 p.m.

SHAKESPEARE CLUB
MEETING NOTES

The Shakespeare Club took their annual trip Tuesday, Oct. 7. This year the group had lunch at the Sweden House and visited the Ella Sharp Museum to see its furnishings and what-nots of yesteryear.

The next meeting will be Tuesday, Oct. 21 at 2 p.m. at the home of Mrs. Don Limpert with Mrs. Ralph Kuether speaking on "Rocks and Minerals." Mrs. Philip Kern chose as her topic "Calvin Coolidge Village."

20TH CENTURY
MEMBERS JOURNEY
TO DETROIT

On October 7, 23 members of the Twentieth Century Club along with 12 guests journeyed by bus to Detroit.

After a dinner at "Jack" members and guests attended a play at the Fisher Theater entitled "Spofford" with Hans Confried.

Arrangements for the trip were made by Kay Koul, Sally Marshall and Margaret Tapping.

The next meeting of the Twentieth Century Club will be at the home of Mrs. Ethel Kerr on November 11.

"I used to stand up and say
the world was a miserable place.
Then I would sit down and
do nothing about it."

Let's face it.

All is not perfect in this land of ours.

America has taken some lumps and quite frankly it hurts.

But maybe we should step back and take a long hard look

... take inventory of how we are and how we got here.

Maybe we should inspect our brighter side as well as some of our ills.

And maybe, just maybe, we'll come out thinking this country's good side far overshadows its bad.

Then maybe we'll start to do something to make it better.

Rather than knocking it, which ends up making it worse.

Now comes the big question. What can you do? You're only one little individual among over 200 million people. How can you help?

For one thing, you might think about investing in your country. Showing your faith in its future.

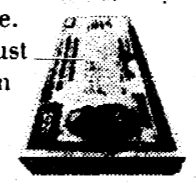

That's exactly what you do when you sign up to buy U. S. Savings Bonds. You're simply buying a share in America.

You're also socking away some money for yourself.

Of course, Savings Bonds are not going to cure all our headaches. But they'll help to provide the economic strength we'll need for the job.

And at the same time, they can cure a lot of your financial headaches in the years to come. Any way you look at it, they make good sense.

And that's just what we need in this country right now.

HOOVER BALL TO HAVE
ON-THE-JOB TRAINING

The office of Congressman Marvin L. Esch announced the signing of an agreement for an on-the-job training program by Hoover Ball and Bearing Company and the U.S. Department of Labor Manpower Administration. The program is expected to cover nearly 150 persons in Michigan's Second Congressional District of Monroe, Lenawee, Livingston, and Washtenaw Counties.

Hoover will provide technical assistance and training for unemployed persons and those already working who want to improve their skills. The one-year program will begin on October 24.

"The training program will develop job skills at the production machine operator level and will provide necessary related instructions, including safe work practices," Esch said. A portion of the direct costs to

FUTURE HOMEMAKERS OF MHS ARE ON THE MOVE

The Future Homemakers Club of Manchester High School, is to "help individuals improve personal, family, and community living." The FHA motto is "Toward New Horizons." The colors are red and white, showing strength and purity. And the flower is the red rose.

The officers for the school year 1969-1970 are as follows:

- President - Cindy Blossom
- Vice-President - Gloria Grossman
- Secretary - Sheryl Hieber
- Treasurer - Gayle Arnold
- Parliamentarian - Nancy Hanewald
- Historian - Sue Pratt
- Song Leader - Karen Stautz
- Ass't. Song Leader - Sue Jacob

On September 16, there were 28 new members initiated to the FHA Club. The ceremony started by lighting the 8 candles, and giving the 8 purposes of FHA. The week was ended by such things as carrying a red rose, and wearing an apron, by new members.

On October 25, the FHA and GAA will get together for a rip-roaring Powder Puff Football Game at the Athletic Field at seven o'clock. At half-time there will be a sensational cake raffle. The admission will be 35 cents. Everybody is welcome to come and see the FHA and GAA in action!

Each succeeding day is the scholar of that which preceded it.

CANDICE KELLY AND JOSEPH BROWN WED

Mr. and Mrs. Royal Richards wish to announce the marriage of their son Joseph Brown to Candice Kelly of Fay Lake in Napoleon. She is the daughter of Mr. and Mrs. Paul Kelly.

The couple spoke their vows on October 11 at 1:00 p.m. before Rev. Bertol in the First Baptist Church, Brooklyn.

Honor attendants were Mr. Daniel Kornel of Whitmore Lake and Mrs. Mike Kelly, the bride's sister-in-law.

A reception was held in Norvell Hall in Norvell. The couple will reside in Norvell.

NO MATTER HOW YOU LOOK AT IT...

Electric Heating

PROVIDES A "SPECIAL" KIND OF COMFORT

The warmth of electric heating is something really special — so clean, quiet, even-tempered and draft-free... like bringing the sun indoors. But more than that, it's the kind of heating comfort that caters to your personal needs with individual room thermostats, a wide variety of heating systems to choose from — or even a combination of various systems. It's thrifty heating, too. The equipment is so simple and compact it costs less to buy and install. Maintenance is practically nothing. When you build or modernize why not get electric heat and make your comfort complete?

SPORTS CORNER

by the Left-Handed Dutchman "Lefty"

DUTCHMEN BEAT MORENCI, RAIN & MUD 26 - 6

The Dutchmen's little halfback Scott Sloat did it again! He ran for three touchdowns; 12, 12, and 18 yard runs. He also hit the 200 yard circle again with 214 yards this time.

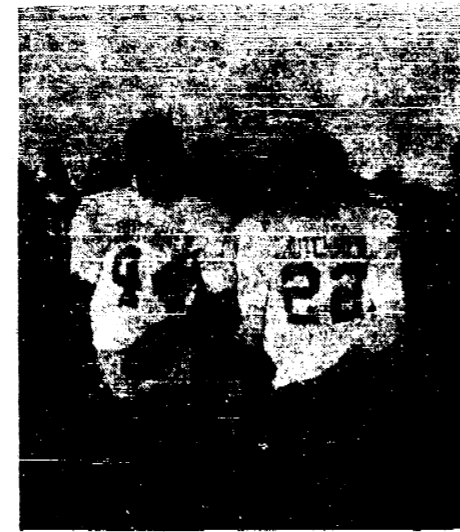

Dave Bucholtz passed to Mark Lentz for 6 yards and the other Dutch touchdown.

Phil Nickerson played a whale of a game on defense for the Dutch earning him the Defense of the Week honor.

All in all the Dutchmen may not have a big football team, but they have some of the biggest hearts in high school football.

Don't forget Friday night's game with Hudson here is Homecoming. So let's get out and give these boys all the support they deserve.

Go Get 'Em Dutch!!!!!! "Lefty"

1969 HOMECOMING FESTIVITIES THIS FRIDAY

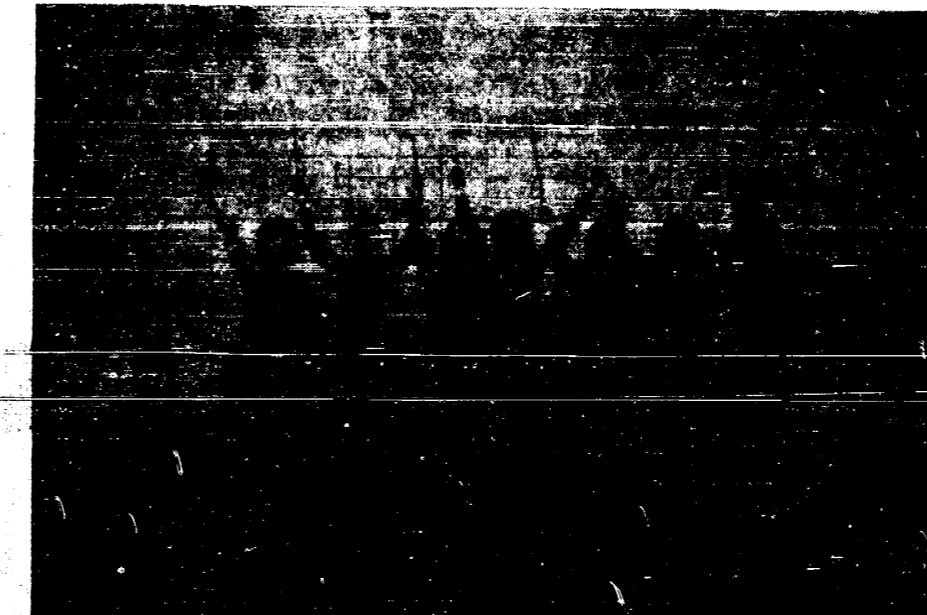

The 1969 Homecoming Parade will begin at 7:00 p.m. at the Methodist Church. The parade is only the beginning of this exciting and eventful evening. At half-time the 1969 Homecoming Queen will be crowned by last year's queen, Patricia Hall. Also winners of first place, second place and third place floats will be announced. The Manchester High School band and majorette corps will perform during half-time and coronation ceremonies. Following the game, the Homecoming Dance will be held in the auditorium.

Homecoming Court

are Candie Stevens, Debbie Beach, Joanne Krzyzaniak, Cheryl Lemon, and Gloria Grossman. The queen will be chosen by the students on Thursday.

Candie Stevens is the daughter of Mr. and Mrs. Ira Johnson and is representing the junior class. She is active in FHA, FWA, GAA, German Club, secretary of her class and a Varsity cheerleader.

Debbie Beach is the daughter of Mr. and Mrs. Donald Beach and is representing the newspaper. She is active in pep club, GAA, student council, FHA, newspaper, yearbook, majorette corps, member of the junior and senior play cast.

MAJORETTE CORPS COLORFUL ATTRACTION

The Manchester High School Band has added a colorful attraction - the majorette corps. This corps consists of thirteen girls who have devoted noon hours and after school hours to practice marching and twirling.

The majorettes have performed at two home games and will perform at the remaining home games. The group is under the leadership of Cheryl Lemon and the guidance of Mrs. Mary George. With a three week interim period between home games, the girls hope to surprise the audience with their homecoming performance.

The 1969-70 majorettes range from 9th to 12th grade. Pictured are from left to right front center is Cheryl Lemon; first row Gayle Trolz, Shirley Egeier, Debbie Davis, Nancy Ganzhorn and Sally Samonek. Second row Gloria Grossman, Rene Gross, Nancy Davis, and Debbie LaRock. Third row Vicki Gorney, Debbie Beach and Cecilia Fielder.

Joanne Krzyzaniak is another senior candidate for homecoming. She is the daughter of Mrs. Eugene Krzyzaniak and the late Mr. Krzyzaniak. She is active in GAA, FHA, pep club, newspaper and yearbook staff, varsity and senior play.

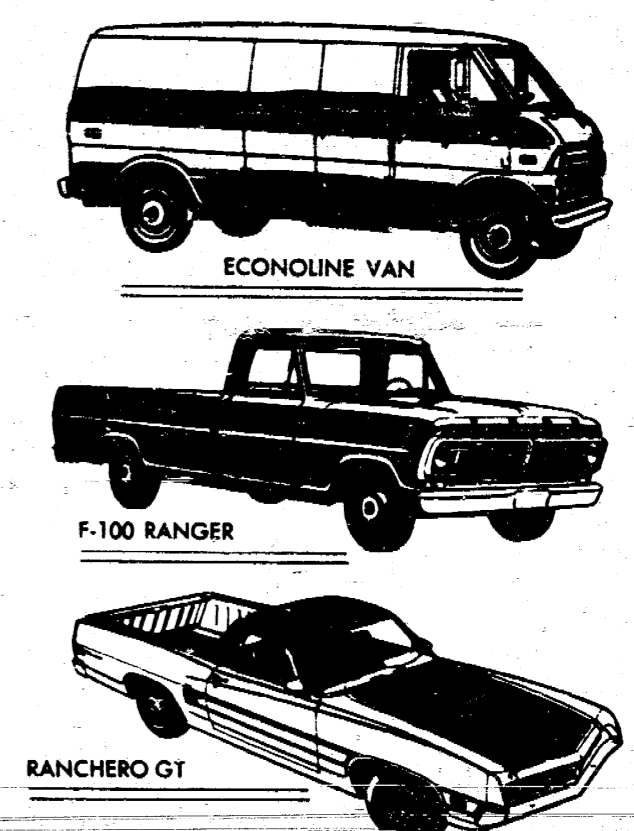

Cheryl Lemon is an active member of the pep club, varsity choir, band, majorette, newspaper, junior and senior play cast member. She is representing the senior class and is the daughter of Mr. and Mrs. Paul Lemon.

Gloria Grossman is representing the pep club as a candidate for Homecoming Queen. She is an active member of FHA, pep club, varsity choir, majorette corps, newspaper, and junior and senior play cast. She is the daughter of Mr. and Mrs. George Grossman.

Don't miss the crowning ceremonies or the big game!

This is what I call the American idea of freedom - a government of all the people, by all the people, for all the people; of course, a government of the principles of eternal justice - the unchanging law of God. - Theodore Parker.

Dentists say that over half the toothbrushes in service are worn out and need replacement. One of the latest beneficiaries of this advice is Frances, a white whale, who opens her mouth daily for a regular

scrubbing. The king-size brush is replaced by her keeper every four months—about the same toothbrush service life that the dental profession recommends for people.

On September 10, 1969, the M.O.M.S. of America Manchester Unit 48 was awarded a Gold Certificate for their service to the Battle Creek VA Hospital. At that time also, dedication of a kiln to be used for the therapy treatment program was held, the ceramics projects made possible through the Manchester M.O.M.S. donation.

**M.O.M.S. TO CELEBRATE 25TH
YEAR OF SERVICE TO
MANCHESTER**

by Carolyn Ahrens

The M.O.M.S. of America (Mothers of Men in Service) Manchester Unit No. 48 will soon celebrate their 25th year of service to the community. Organized in September, 1943 the Manchester unit received their charter on November 7, 1944 and held their first official meeting in Arbieter Hall. Presiding at that first meeting were two ladies who had been a major force in organizing the Manchester M.O.M.S., Mrs. Lily Wolfe President and Mrs. Ora Lowery as 1st Vice-President. Other officers were Mrs. Cora Jenter 2nd Vice-President, Mrs. Glen Snyder 3rd Vice-President, Mrs. Clara Knaves Secretary, Mrs. Anna Middlemiss Treasurer, Mrs. Emma Worman Corresponding Secretary, Mrs. June Harris Financial Secretary, Mrs. Frank Lowery, Historian and Directors Mrs. Celia Fielder, Mrs. Matilda Grossman and Mrs. Lydia Wurster.

M.O.M.S. of America originated in Dearborn, 1941 and has since grown to national proportion with units in almost every community across the nation. The object "shall be united effort toward permanent world peace; to do all possible for our sons and daughters in service" and to "assist veterans and their dependents wherever and whenever possible" the official charter states in part with only mothers of sons and daughters in the service at one time eligible for membership.

The Manchester unit originated "Because we wanted to do something for our boys and girls," Mrs. Ora Lowery said. The unit included Freedom, Sharon, Bridgewater and Manchester Townships with the original club charter listing 47 members. Membership rose steadily that first year to 73 members. Initiation fee in 1943 was 25¢ with 15¢ monthly dues until November, 1944 when the charter set the fees at \$2.00 per year, a M.O.M.S. of America policy yet today. The money was used and still is, for servicemen and women "going away gifts", Christmas packages and a number of ways appropriate for the community needs. Tag Day was an annual money-making event at one time to supplement the unit projects, today the M.O.M.S. of America are part of the Community Chest.

The area unit was as active in those early days as it is today traveling to veterans hospitals to either visit and entertain the patients or set up a nursery for visitors' children; refurbishing a piano donated by George Grossman and later sent to the Battle Creek VA Hospital; collecting clothing for relief programs; sending area shut-

ins and servicemen and women Christmas packages plus regular correspondence with those far away from home, a responsibility Mrs. Ora Lowery had until recently for 11 years; lending a helping hand to families in need; donating books to the Manchester Township Library in memory of deceased members and veterans as well as a countless number of ways these mothers have helped others.

Today the M.O.M.S. activities continue. For the past number of years the ladies have been assigned to the Battle Creek VA Hospital where they travel once a month with refreshments, games and prizes. "And we see that each patient gets a prize," Mrs. Merle Cummings said. Recently they donated \$300.00 for a kiln for the Battle Creek hospital; have donated to Project for Peace and the Biafran Relief; guard duty at the fair exhibits tent; shared the expenses for plants for the Memorial Stone at Wurster Park; and the unit now has 2 pair of adult and 1 pair of children's crutches plus a wheelchair for those in need. Their activities vary as the need arises one lady pointed out.

To supplement their funds, members have a spring plant sale or white elephant sale at special meetings and each spring and fall sponsor a card party, open to the public. The fall card party is scheduled for October 30 at 1:00 p.m. at Emanuel Church Hall. Last Christmas their gift list included 36 shut-ins and 80 servicemen "So we really depend on the card parties to continue our work," the ladies pointed out.

Current officers include Mrs. Norma Dennis, President; Mrs. Helene Kemner 1st Vice-President; Mrs. Helen Dayss 2nd Vice-President; Recording Secretary, Mrs. Emily Cummings; Corresponding Secretaries, Mrs. Cora Steele and Mrs. Hilda Ernst; Financial Secretary, Mrs. Ruth Donko; Treasurer, Mrs. Louise Huber; Chaplin, Mrs. Lydia Wurster; Historian, Mrs. Edith Snyder; Directors Mrs. Helene Kemner, Mrs. Margaret Troiz and Mrs. Mae Fahay; and Hospital Chairman, Mrs. Margaret Troiz and Mrs. Mae Fahay.

**UNITED FUND PROGRESS
REPORT**

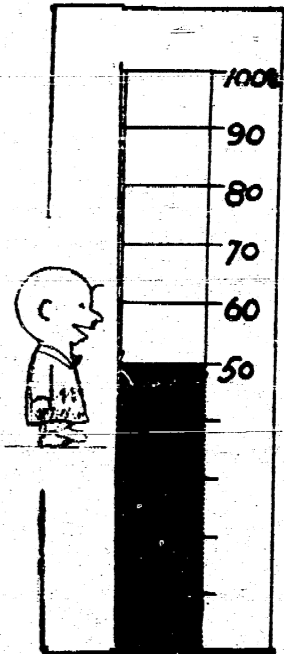

Jerry Creech, campaign chairman for Manchester United Community Fund & Red Cross Drive announces that half the money is raised, to date, for the \$18,240 goal for this year's drive. This includes 80 per cent of the Businessmen's Division quota reported by the chairman, Harry Krauss, at the Kickoff dinner, 80 per cent of Industry Division's quota, 100 per cent of Special Gifts and 80 per cent of organizations.

Manchester High School students are the first group to go over the top, \$162.00 was collected by the class presidents, an amount over three times that of past years. The Sophomore Class won the coveted Oscar trophy when Jim Roberts, president of the Class of '72 turned in the highest contribution of \$55.04. The Seniors presented \$38.73; Freshmen, \$34.74 and Juniors, \$33.49.

Mr. Philip Mains, High School Counselor, praised the student body for their enthusiastic support and whole hearted desire to be of help to others in his report of the contest. He also announced that about 80 per cent of the staff at the High School signed their pledge to the fund. A final report is expected by Friday of this week.

The Middle School report from Mrs. Marian Kime, Counselor, listed a Junior High benefit dance which netted \$37.00. The 8th grade chose the project of selling popcorn at the Junior High football game and made \$8.00 as its contribution to the United Fund Drive. Individual class reports will be forthcoming by the end of this week.

Mrs. Maynard Blossom, School Division Chairman, reported at press time, that 50 per cent of their quota has been reached.

Chuck King and Ovid Rajotte show some of the brooms they will be selling tonight (Thursday). The sale will be house-to-house starting at 6:30. The proceeds go to support such Jaycee projects as the Scholarship Fund and the Halloween Parade.
