UNITED FUND REACHES GOAL

Jerry Creech, campaign chairman for the Manchester United Community Fund and Red Cross Drive, announced this week that the goal of \$16,240 has been reached through the oversubscription of six of the eight divisions of the local drive. Two divisions did not make their quotas and there are a few citizens of the area that have not yet been given the opportunity by a solicitor to donate their "fair share."

The Division Chairman's reports are being collected and a financial statement on the success of the drive will be given at the November Board meeting -- date and place to be announced.

Anyone wishing to send his unsolicited contribution to the drive may use the coupon below.

HAVE YOU BEEN OVERLOOKED DURING UNITED FUND DRIVE?

Despite wide-range effort, Manchester United Drive campaigners believe they may have missed some persons who wish to contribute. If you are one of these persons, you may wish to mail your check with this coupon to Manchester Community Chest, Jerry Creech, Manchester, Michigan.

RAISING STOCK OR POULTRY IS WAY OF LIFE AROUND MANCHESTER AREA

by Carolyn Ahrens

In a rural community such as Manchester, raising stock or poultry is a way of life. Time-consuming, satisfying and often profitable, many area residents whether a full-time farmer or young man in an area 4-H program specialize in raising a particular livestock for show and/or sale.

One such business is located at 18885 W. Austin Road. Here, among the well-known Higgins Orchards now the property of Ron Mann, is a \$30,000 building equipped for raising several thousand baby chicks. Working on a contract basis with Klager Hatchery, Bridgewater, Ron Mann and Guy Little recently received their third batch of 17,000 day-old baby chicks in their year-old business venture.

"And it's quite a process to breed chicks like these even before we get them," Guy Little pointed out. Today the eggs are a nearly perfect egg, a completely different shape than those 20 years ago. There are more eggs produced per chicken, are of better quality and, he continued, the eggs are of uniform size, a particularly important factor because so much of the processing, such as candling, washing and grading, on that end of the business is done automatically.

On their particular end of the business however, raising poultry requires a great deal of hand-care with the first 20 days to 2 weeks especially important, Ron Mann pointed out. Although automatic equipment is necessary in regulating the feeders, air-circulating fans, temperature control and lights, many hours of hand-care is essential in this early stage of growth. He continued that it may require as many as 12 to 15 hours per man per week the first couple of weeks of growth.

The chicks are hatched at Klager's and transported to Manchester immediately. Here, the chicks are debarked the first week, a process which is done with a special machine using a hot knife to cut off part of the bottom beak and which will minimize cannibalism and picking among the chicks. The chicks are kept in the 240 x 40' controlled environment building in an even 85 degree temperature with gas brooders supplementing heat the first two weeks. As the chicks feather out and produce more body heat the temperature is gradually lowered to 60 to 70 degrees.

The young chicks require 600 to 700 pounds of feed daily and by eight weeks old will consume 1200 to 1500 pounds of feed. Full grown, these 17,000 chickens will use as much as 3,000 pounds of feed or over \$100.00 worth of feed per day.

When the chicks are 8 to 9 weeks old, they will be put into cagehouses. These in particular will be moved to Floyd Proctor's farm on Washburn Road where they will grow to adulthood or more commonly known in this business, starting pullets. These 20-week-old pullets are now producing eggs and will be purchased by commercial egg producers.

Mann and Little will receive another batch of day-old KeKalt highbred leghorn No. 151 chicks yet this year which will total close to 80,000 chicks they will have raised this year.

DOES THIS FLAG MAKE US FREE?

Whiteman are you really free?
No responsibility you see,
For righting wrongs that you helped bring,
You let them smother freedoms ring.
Your take home pay's usually adequate,
Your living good, 2 T.V. sets,
Home in the suburbs, your out of sight,
For freedom let the others fight.
When taxes come you feel the pinch,
But giving money's such a cinch,
Compared to a neighbors scornful look,
If you went by rules not in the book.

Say Blackman in your Cadillac,
You've made it big, now don't look back,
You've did it on your own tis true,
Has money gave real pride to you?

So ashamed you're black, no one should see,
A minute you spend to make a brother free,
Your living in a racists dream,
Where winnings not what you must seem.

You've no bargain in your higher plain,
Your skin and attitudes the same,
Your life was better when you dared,
To show your own, you really cared.

Hey Ghetto man sittin on the porch,
A problems never solved by torch,
You've only one life to live you know,
By sittin there where will you go?

On poverty you place the blame,
But our greatest presidents were raised the same,
It's attitude that holds you slaves,
Whity can't give, what God already gave.

You'll live for 80 years they say,
Self pity is your crutch today,
What will you feel at lifetimes end,
Will that useless crutch make you happy then?

Rich man in your factory,
You live the part for all to see,
Cars, 2 homes, a fancy boat,
This talk of rights is just a joke,

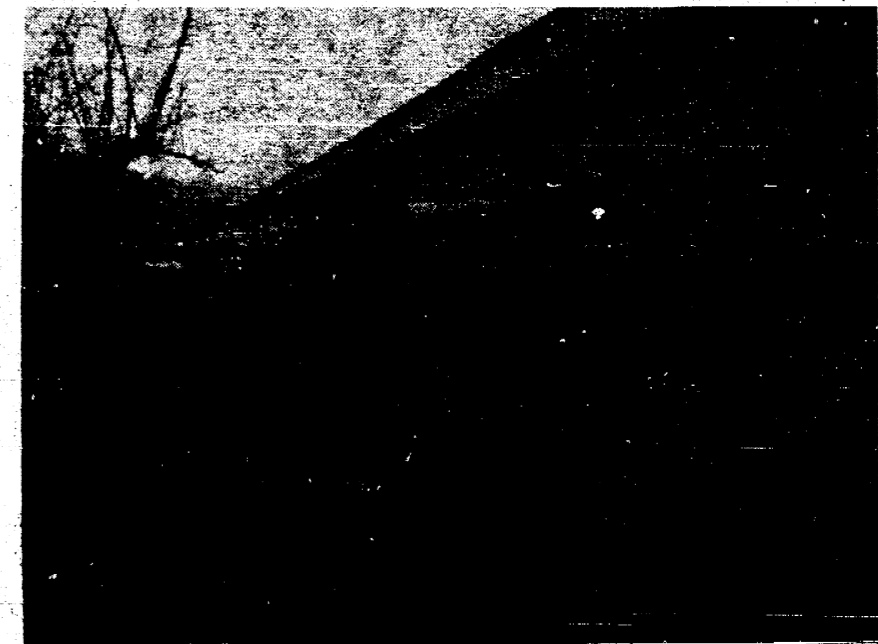

You've made yours, no doubt of that,
You have the right, grow old and fat,
But that quiet time when you stop and think,
Does that hard won wealth kinda start to shrink?

When you die, what will you leave?
A million bucks they won't believe?
Or a thousand men of darkened hue,
Who made it big because of you.

This flag belongs to all of us,
But it doesn't legislate our trust,
No guarantee of honor gives,
Just the right to choose the way we live.
It doesn't say "Blackman you've no rights"
Or "Whiteman you better face his plight"
We each can go our separate way,
And pretend we're free from day to day.

And there's no law that says we must,
Adopt its creed of rights and trust,
But if we anothers skin should wear,
Would we still show our flag so little care?

Who, What, When, Where & WHY

LETTER TO THE EDITOR

I would like to take this opportunity to thank the Washtenaw County Humane Society?? Washtenaw Co. Sheriff's Dept. and especially the Manchester Division of the Sheriff's Dept. for the help which I received last Friday.

Approximately 10 a.m. I called the Humane Society to see if two dogs could be picked up. They had come to our house Thursday p.m. I was told to contact Dog Patrol, Sheriff's Dept. as the Humane Society doesn't pick up strays.

I called the Sheriff's Dept. and told them of the dogs and that the one was hurt. The evening before, I had gone out to the car and it came at me from the garage. It had also nipped at several others. I was told the Dog Patrol would be contacted.

In the late afternoon the dogs were gone. My 5 year old son and a playmate were in the yard when the dogs came back and the injured one came at my son. Had he not covered his face with his arms and gotten into the house he would have been bitten.

I then contacted the Sheriff's Dept. in Manchester asking if something couldn't be done about the dog? I was told the radio had been on all day and that they had not even heard a truck dispatched to this area. I asked if they could get any help out here, but they said I'd probably get faster results by calling myself. So I contacted Ann Arbor and they were sorry but the Dog Patrol was off duty, but they knew just how I felt.

I asked if someone had to be bitten and undergo shots for rabies before something was done? Again I was told they certainly knew how I felt, but they would take my name and I could call back at 8 a.m. when the Dog Patrol went on duty.

I was contacting my husband at work and he was going to come home and take care of the dogs when my father-in-law drove in from work. He got out of the car and the dog went for him. He had to shoot the dogs, practically on his door step while our two children, 7 and 5 and their playmate looked on.

Now I ask you, sirs, did you really know how I felt and can you possibly know how the children and I feel now? Just in case this should happen to someone else, just what is a person to do????

Again, thank you to everyone concerned, especially the Manchester Dept. It's nice to know you're never too busy and are close at hand willing to help in any emergency.

Sincerely,
Mrs. Larry Wright

STAY HOME TO HUNT

Lauren and Pat Bertke and Dave and Cheryl Bunn attended a State Jaycee Fall Board meeting in Cadillac this weekend.

They reported they didn't see a single deer all the time they were on the trip, but just inside the Manchester Village limits, Lauren and Pat saw two deer run across the road from the yard of the Luther C. Klager Elementary School.

Lauren would advise all deer hunters thinking of going North for deer to stay here and hunt in their own backyard.

FALL FUN FESTIVAL THIS FRIDAY

The second Fall Fun Festival is scheduled for Friday, November 14 from 7 to 10 p.m. at the Klager Elementary School. An event started last fall, teachers, pupils and roommothers are expecting another profitable fund-raising Festival this year. Proceeds are used for grade school "extras" such as art supplies, records, paint, maps, puzzles, kindergarten play things and supplementary readers. The money is proportioned equally "pupil-wise" among the Pleasant Lake and Manchester kindergartens through fourth grades.

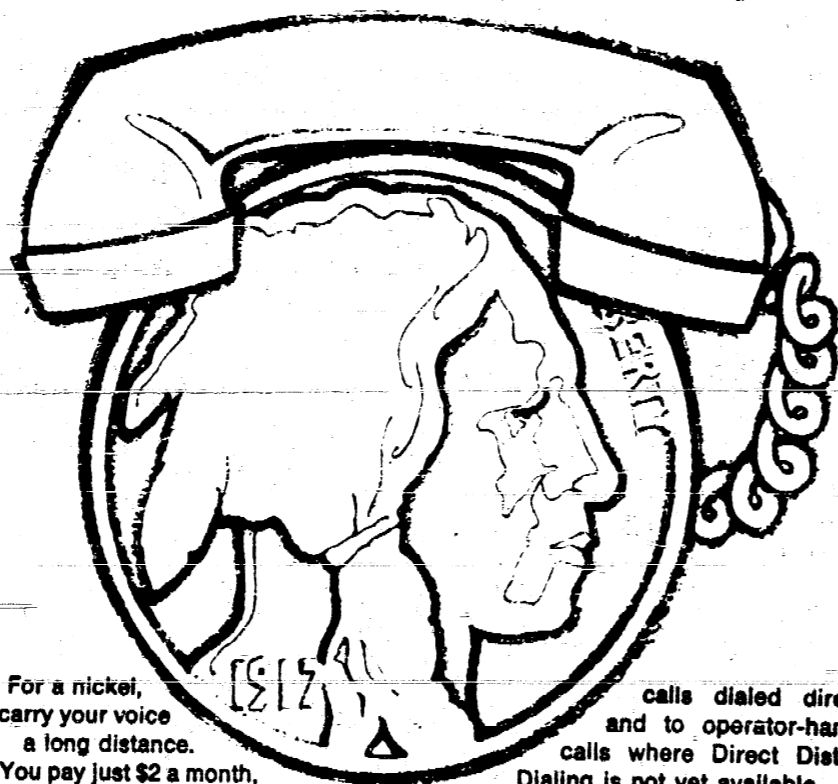

Manchester elementary grades will hold something special for young and old. Fish ponds, a country store, surprise packages, a fun-house and many more games and activities are planned with a food concession in the All-Purpose Room.

Tickets for any of the room activities will be available at the main entrance at 10 cents each. Also this year a drawing is planned each half-hour with 10 cent tickets available at a special table. The prizes are donations from area merchants with the first drawing scheduled for 7:30.

The students, teachers, roommothers and principal Birdella Flood extend their welcome to all to attend the second Fall Fun Festival this Friday. See you there!!!

FREE BLOOD-SCREENING TESTS TO DETECT DIABETES TO BE HELD IN ANN ARBOR

Free blood-screening tests to detect diabetes will be available in Ann Arbor during the week of November 17-22 as part of the search for the more than 100,000 "hidden" diabetics in Michigan.

A "hidden" diabetic is a person who has the condition but is unaware of it, explained Dr. Fred W. Whitehouse, President of the Michigan Diabetes Association.

The testing locations in Ann Arbor: Ann Arbor Diabetes Association Trailer Maple Village - near K-Mart Arborland

November 17 - 22 from 1 to 8 p.m.

Persons planning to be tested are advised to have a meal rich in sugars and starches two hours before testing, to ensure the most accurate results.

Untreated diabetes can lead to serious health problems. Dr. Whitehouse said. These include hardening of the arteries, kidney trouble, heart disease, cerebral hemorrhage, impairment of vision, gangrene, and others.

The longer diabetes goes undetected and untreated, the more serious a problem it becomes. Why wait?

After all, it is possible to get an education without playing football.

WOOL CONTEST NOW OPEN FOR ENTRIES

The National Make It Yourself With Wool Contest is drawing many talented teenage contestants from Washtenaw Co.

According to Mrs. Donald Whelan, Local District Director of the contest, interest among girls is running high in the try for some \$30,000 in prizes to be awarded by the American Wool Council and some 40 National sponsors. Awards include two all-expense paid vacations in Europe, college scholarships, Government Bonds, sewing machines, luggage, cosmetics, and accessories.

To enter girls must make a garment of 100% wool fabric loomed or knitted in America and model it before a panel of judges. Local winners progress to State and then National judging with awards at each level.

The National finals will be in Denver, Colorado, on January 22, 1970.

Girls interested in entering or wanting more information should contact Mrs. Donald Whelan of 3940 Whelan Road, Tipton, Michigan 49287, telephone (313) 431-2490 or write to Make It Yourself With Wool Center, The American Wool Council, Suite 520, 909 17th Street, Denver, Colorado 80202.

DEER HUNTERS WITH HAY CAUTIONED

Deer hunters headed north across the Big Mac should plan to buy their hay or straw in the Upper Peninsula.

B. Dale Ball, Director, Michigan Dept. of Agriculture, warned hunters and others who plan to take along straw or hay on their U. P. trips, that such action is in violation of the cereal leaf beetle quarantine. The entire lower peninsula is under quarantine, but so far the Upper Peninsula has escaped the insect pest.

"We want to keep the U. P. cereal leaf beetle free," Ball said. "Hunters could easily transport the bug along with their hay."

Ball said most farmers and even gasoline dealers north of the bridge will know of a local straw dealer.

Last year during deer season, Michigan Department of Agriculture plant inspectors had to seize and burn a considerable amount of hunter's straw headed north across the bridge.

Home may be man's castle, but some men enter their castle so very cautiously and quietly.

DUTCHMEN END SEASON WITH A VICTORY 14-0

The Dutchmen Defense was great again! It held Napoleon off the scoreboard for the entire game.

Napoleon had the ball on the Dutch three yard line, with first and goal to go; but the defense went to work and the Dutch took over from their own two yard line.

Phil Nickerson again was the Offense star. Phil ran for 35 yards on one touchdown and then went five yards on his second touchdown. Phil, for the night, had 110 yards. Nice work, Phil!

John Weidmayer went 5 yards for the Dutch's other touchdown.

The Dutchmen finished the season with a 6-3 record.

4-H BANQUET HELD

The fourth annual potluck supper and family night, hosted by the members of the Sharon Leathercrafters and the Sharon Valley Saddle Club, was held Saturday evening in the Pleasant Lake School gym.

There were over eighty 4-H members, their families and special guests present. The theme of the banquet was Hawaii. Bright colors and Hawaiian leis, made by the 4-H'ers, added zest to the evening.

Michael Fisk opened the evening by welcoming everyone. The flag pledges were led by the officers of the saddle club. Joel Tobias, president; Debby Lantis, vice-president; Ruth Curtis, secretary and Denise Way, treasurer. Amy Creason gave the invocation. The host and hostess for the evening were Mark Teachout of Saline and Anna Tobias of Grass Lake.

After enjoying a delicious ham and potluck supper, entertainment was provided by some 4-H members. A speech, "The Advantages of Rural Living", was done by Gwyn Teachout of Saline. Gwyn had given the speech at the Public Speaking Contest for 4-H'ers in Washtenaw County early this spring. Denise Way, Debby and Mickey Lantis did a short skit entitled, "Echo." Using the little old lady and the little old man characters from the television program "Laugh-In", Amy Creason and Grace Mooneyham did three short skits titled, "In the Park."

Following the entertainment, awards were presented by Mr. Fisk. The top salesman award was presented to Michael Fisk. Mike had sold the most 1969 Spring Round-Up tickets. Certificates and pins for completed club work were given out. Fifth year pins went to Ruth Curtis and Anna Tobias. Mrs. Fisk was also presented with a pin for five years of leadership.

Cheryl Teachout of Saline was awarded

a County Medal in Crafts-leather. The County Medal in the Horse and Pony Project went to Amy Creason of Manchester. The club's annual award for the outstanding 4-H member went to Pat Hall, presently enrolled as a freshman at MSU.

The biggest surprise of the evening was the announcement of the winning of the Summer Trophy by the Sharon Valley Saddle Club.

A movie, "Stampede Fever", was shown. Joey Tobias closed the evening's fun fest by playing "Taps."

The Sharon Leathercrafters will meet Saturday afternoon, November 15, from 1:00 to 4:00 p.m. in the Sharon Town Hall.

APPOINTMENTS NOW BEING SCHEDULED TO SEND VOICES FROM HOME

Nothing can replace having a serviceman home for the holidays, but Mrs. Robert C. Reed and sons Robbie 4, and Nathan 7 months, of Chelsea are sending a little bit of home to Dad-Marine Sgt. Robert C. Reed stationed in Viet Nam. The Reed family are recording VOICES FROM HOME tape furnished and sent free by the Washtenaw County American Red Cross, 2729 Packard Road, Ann Arbor.

Relatives of all servicemen overseas—or stationed in the U.S. and unable to be with their families at Christmas—are invited to make an appointment to send their VOICES FROM HOME.

Appointments are being scheduled now for the private taping sessions which will begin Monday, December 1 through Wednesday, December 17. Families are invited to plan ahead for the 15 minute taping so that they can include all the good news from home. The tape is furnished by Red Cross and sent without charge to servicemen throughout the world. Families wishing to send their VOICES FROM HOME this Christmas should call Red Cross, 971-5300 for an appointment.

COMMUNITY CHEST BOARD WILL MEET NOVEMBER 25

The Manchester Community Chest Board will meet Tuesday, November 25 at 8:00 at the High School Franklin M. Reck Memorial Library.

The final reports for the successful United Fund Drive will be reviewed and plans will be made for the annual meeting early in 1970.

We Have! Have you noticed? An important news flash over radio or television is usually preceded by the more "important" commercial? Christmas Science Monitor.

NO BIDS RECEIVED ON BRIDGE BONDS

At the scheduled 7:30 bond opening last Monday night, no bids were received on the \$125,000 worth of bridge bonds. Voters authorized the sale of the bonds at an election during the summer.

Council will now re-advertise the bonds and hold another bid opening on December 1 at 7:30 p.m. in the Council chambers.

The lack of bids came as no surprise as the market for municipal bonds is not good with the 6% ceiling on interest.

If no bids are received at the next bid opening, Council is free to pursue private sale of the bonds.

The money is to be used to repair the Main Street bridge and replace the Duncan Street bridge.

LANDSCAPING BANKS OF RIVER MAIN TOPIC OF DISCUSSION AT CHAMBER MEETING

Landscaping the banks of the river was the main topic of discussion of the Chamber of Commerce at last Thursday's meeting.

Mr. Clark Eacker of the U.S. Soil Conservation Service was present to give some tips on planting pines and shrubbery along the river banks. Recommended by Mr. Eacker were white pine and autumn olive bushes.

Loran Bertke, representing the Jaycees, was present at the meeting. An agreement was worked out whereby the Jaycees would clear the river banks and the Chamber would landscape it. Some help from the community as a whole may be asked for buying the trees and plants needed.

Trees of 3' or 4' are wanted so that the view could be enjoyed now. If seedlings are used, it will be several years before the results can be seen according to Mr. Eacker.

Don't forget the informal Chamber meeting on next Tuesday at 8:30 a.m. at the Kopper Kettle. Everyone is welcome.
