4-H BANQUET HELD

The fourth annual potluck supper and family night, hosted by the members of the Sharon Leathercrafters and the Sharon Valley Saddle Club, was held Saturday evening in the Pleasant Lake School gym.

There were over eighty 4-H members, their families and special guests present. The theme of the banquet was Hawaii. Bright colors and Hawaiian leis, made by the 4-H'ers, added zest to the evening.

Michael Fisk opened the evening by welcoming everyone. The flag pledges were led by the officers of the saddle club. Joel Tobias, president; Debby Lantis, vice-president; Ruth Curtis, secretary and Denise Way, treasurer. Amy Creason gave the invocation. The host and hostess for the evening were Mark Teachout of Saline and Anna Tobias of Grass Lake.

After enjoying a delicious ham and potluck supper, entertainment was provided by some 4-H members. A speech, "The Advantages of Rural Living", was done by Gwyn Teachout of Saline. Gwyn had given the speech at the Public Speaking Contest for 4-H'ers in Washtenaw County early this spring. Denise Way, Debby and Mickey Lantis did a short skit entitled, "Echo." Using the little old lady and the little old man characters from the television program "Laugh-In", Amy Creason and Grace Mooneyham did three short skits titled, "In the Park."

Following the entertainment, awards were presented by Mr. Fisk. The top salesman award was presented to Michael Fisk. Mike had sold the most 1969 Spring Round-Up tickets. Certificates and pins for completed club work were given out. Fifth year pins went to Ruth Curtis and Anna Tobias. Mrs. Fisk was also presented with a pin for five years of leadership.

Cheryl Teachout of Saline was awarded

a County Medal in Crafts-leather. The County Medal in the Horse and Pony Project went to Amy Creason of Manchester. The club's annual award for the outstanding 4-H member went to Pat Hall, presently enrolled as a freshman at MSU.

The biggest surprise of the evening was the announcement of the winning of the Summer Trophy by the Sharon Valley Saddle Club.

A movie, "Stampede Fever", was shown. Joey Tobias closed the evening's fun fest by playing "Taps."

The Sharon Leathercrafters will meet Saturday afternoon, November 15, from 1:00 to 4:00 p.m. in the Sharon Town Hall.

APPOINTMENTS NOW BEING SCHEDULED TO SEND VOICES FROM HOME

Nothing can replace having a serviceman home for the holidays, but Mrs. Robert C. Reed and sons Robbie 4, and Nathan 7 months, of Chelsea are sending a little bit of home to Dad-Marine Sgt. Robert C. Reed stationed in Viet Nam. The Reed family are recording VOICES FROM HOME tape furnished and sent free by the Washtenaw County American Red Cross, 2729 Packard Road, Ann Arbor.

Relatives of all servicemen overseas—or stationed in the U.S. and unable to be with their families at Christmas—are invited to make an appointment to send their VOICES FROM HOME.

Appointments are being scheduled now for the private taping sessions which will begin Monday, December 1 through Wednesday, December 17. Families are invited to plan ahead for the 15 minute taping so that they can include all the good news from home. The tape is furnished by Red Cross and sent without charge to servicemen throughout the world. Families wishing to send their VOICES FROM HOME this Christmas should call Red Cross, 971-5300 for an appointment.

COMMUNITY CHEST BOARD WILL MEET NOVEMBER 25

The final reports for the successful United Fund Drive will be reviewed and plans will be made for the annual meeting early in 1970.

NO BIDS RECEIVED ON BRIDGE BONDS

At the scheduled 7:30 bond opening last Monday night, no bids were received on the \$125,000 worth of bridge bonds. Voters authorized the sale of the bonds at an election during the summer.

Council will now re-advertise the bonds and hold another bid opening on December 1 at 7:30 p.m. in the Council chambers.

The lack of bids came as no surprise as the market for municipal bonds is not good with the 6% ceiling on interest.

If no bids are received at the next bid opening, Council is free to pursue private sale of the bonds.

The money is to be used to repair the Main Street bridge and replace the Duncan Street bridge.

LANDSCAPING BANKS OF RIVER MAIN TOPIC OF DISCUSSION AT CHAMBER MEETING

Landscaping the banks of the river was the main topic of discussion of the Chamber of Commerce at last Thursday's meeting.

Mr. Clark Eacker of the U.S. Soil Conservation Service was present to give some tips on planting pines and shrubbery along the river banks. Recommended by Mr. Eacker were white pine and autumn olive bushes.

Loran Bertke, representing the Jaycees, was present at the meeting. An agreement was worked out whereby the Jaycees would clear the river banks and the Chamber would landscape it. Some help from the community as a whole may be asked for buying the trees and plants needed.

Trees of 3' or 4' are wanted so that the view could be enjoyed now. If seedlings are used, it will be several years before the results can be seen according to Mr. Eacker.

Don't forget the informal Chamber meeting on next Tuesday at 8:30 a.m. at the Kopper Kettle. Everyone is welcome.

Who, What, When, Where & WHY

LETTER TO THE EDITOR

Editor's Note: Below is a letter from Manchester's Police Chief answering some highly critical comments in last week's Letter to the Editor. We think Larry's straight-forward remarks without returning the attack made on him speaks highly of his character.

Dear Editor: In answer to Mrs. Larry Wright's letter to the editor which appeared in the November 13, 1969 issue of the Manchester Enterprise, I would like to take the opportunity to give a few facts which are as follows:

1. The Manchester Police Department is as this states; The Manchester Police Department and not a division of the Washtenaw County Sheriff's Department. The Sheriff's Department has no control over this department, as we are governed by the Village Council and the Chief of Police.

2. In case of emergency outside the village limits, we will assist the Washtenaw County Sheriff's Department or the State Police upon their request or upon the request of a private citizen in cases of emergency where we may be able to give assistance until they can arrive.

3. The Manchester Police Department does not have any equipment or place which to keep dogs awaiting pick up from the county dog patrol. The Dog Patrols are fully equipped to handle such dogs and have been asked many times to come into the Manchester area and spend some time picking up the strays and dogs which are allowed to run loose all the time.

4. What a person should do in case of dog problems outside the village is call the Washtenaw County Sheriff's Department 662-2504 as they have two equipped dog trucks or if no satisfaction possibly call your local supervisor and let him know the situation.

YOU CAN'T GET BIG BY THINKING SMALL

S. J. Burgoyne and E. G. Browne

Have you ever stopped to think why some men are great While other ones just stay small? The big men think big and then they do big . . . It's just how you think, that's all. If you think success, you'll have success, Provided you also do, And follow your thoughts with the kind of work That is going to make it true. But you can't get big by thinking small, And you can only go as far As your constant thoughts and daily deeds, For just as you think . . . You are. So watch your thoughts and make them fit, Whenever you'd like to see, For as you think you are bound to live, So whatever you think . . . You'll be!

MIDDLE SCHOOL FIELD AND STREAM CLUB ACTIVE GROUP

In the picture you see (from left to right) Tim Ahrens, Doug Kothe, Leroy Hone, and Ross Haeussler working to get the newly acquired traps ready for the coming trapping season. With the fox becoming a truly troublesome varmint, not only to the pheasant and rabbit population but to the farmer's poultry and livestock, the club has decided to do something about it. The club purchased 120 traps to be set at various locations in the Manchester area.

Trapping is not the only thing that the club has engaged in. It has been given instruction in the reloading procedures of shot gun shells and the club members reload most of their own shells. They have three hand loaders and have recently purchased a larger tool for this purpose. The club has had 2 trap shoots and fox hunts are on the agenda for this winter. This club is financed by its selling hot dogs to Middle School students during the noon hour. To conclude the year's activities the 8th grade members go on a trip the last week in May to Chapleau, Canada, for some fine Canadian fishing. Judging from last year's success, it would be very hard to learn the name of the lake they go to.

\$125,000.00
VILLAGE OF MANCHESTER
COUNTY OF WASHTENAW, MICHIGAN
GENERAL OBLIGATION BRIDGE BONDS

Sealed bids for the purchase of the above bonds will be received by the undersigned at the Village Hall in said Village until Monday, the second day of December, 1969, at 7:30 o'clock p.m. Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds will be dated October 1, 1969, will be numbered consecutively in direct order of maturity from 1 to 125, inclusive, and will mature serially as follows:

- \$ 5,000.00 October 1st of each of the years 1970, 1971 and 1972;
- \$10,000.00 October 1st of each year from 1973 to 1983, inclusive.

Said bonds shall be coupon bonds in the denomination of \$1,000.00 each and shall bear interest from their date at a rate or rates not exceeding six per cent (6%) per annum, expressed in multiples of 1/8 of 1%. Said interest shall be payable on October 1, 1970, and semi-annually thereafter on the first day of April and October of each year. Both principal and interest will be payable at a bank or trust company, qualified to act as paying agent for the State of Michigan or of the United States of America, designated by the original purchaser of the bonds, subject to the approval of the Village. Accrued interest to date of delivery of such one bond shall be at one rate only and shall be represented by only one coupon for each coupon period and all bonds maturing in the same year shall carry the same interest rate. None of said bonds shall bear interest at a rate per annum which is less than 50% of the rate borne by any other bonds of this issue.

Bonds maturing in the years 1980 to 1983, inclusive, shall be subject to redemption prior to maturity, at the option of the Village, on any interest payment date on or after October 1, 1978, at par and accrued interest, plus a premium as follows:

- 3% of par value if called for redemption prior to October 1, 1980;
- 2% of par value if called for redemption on or after October 1, 1980, but prior to October 1, 1981;
- 1% of par value if called for redemption on or after October 1, 1981, but prior to maturity.

Said bonds shall be called in inverse numerical order.

Notice of redemption shall be given to the holders of bonds to be redeemed by publication of such notice not less than thirty days prior to the date fixed for redemption at least once in a newspaper or publication circulated in the State of Michigan which carries as part of its regular service, notices of sale of municipal bonds. No further interest shall be payable on bonds called for redemption after the date fixed for redemption whether presented for redemption or not, provided the Village has sufficient money available for such redemption with the paying agent.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1970 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village.

No proposal for less than all of the bonds, nor for less than 100% of their par value, will be considered. These bonds are being issued to pay the cost of acquiring and constructing bridge improvements consisting of a new bridge on East Duncan over the Raisin River and repairing the existing bridge on East Main Street over the Raisin River, in the Village of Manchester.

The Village is authorized by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay the bonds and interest thereon, without limitation as to rate or amount.

A certified or cashier's check in the amount of \$2,500.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the Village of Manchester, must accompany each bid as a guaranty of good faith on the part of the bidder. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds. The cost of such opinion and the cost of printing the bonds shall be paid by the Village. Bonds will be delivered at Detroit, Michigan, or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

 It was reported that the bond issue for bridge construction has been approved by the Municipal Finance Committee. Bids for the bonds will be opened November 17, 1969 at 7:30 p.m. in the Council room.
 It is the feeling of the Council that trick or treating in Manchester should always take place on Halloween night rather than having some other night designated. One of the main reasons for this is so that adequate police protection can be provided. Scully reported that lights have been installed outside at the police office; and that a new police car has been ordered.
 Police Chief Becktel gave the monthly police report.
 Bill Jones from the Washtenaw County Community Mental Health Center was present with copies of a questionnaire he would like to use for a survey in Manchester. Council gave permission for the survey to be conducted in the village.
 The Village is planning to construct an ice skating area in the new shelter at the athletic field for this winter.
 Moved by Mahony, supported by Macomber, to go ahead and repair filter at the treatment plant. All yeas, carried.
 Moved by Mahony, supported by Fitzgerald, that we adjourn. Carried.

POSTMASTER KIRK ADVISES TO MAIL PARCELS EARLY

"Don't take a chance on disappointing someone you love, send your gift, parcels and cards early enough to insure their delivery before Christmas, not after," Postmaster Marvin Kirk advises.

Such disappointments can be avoided if Christmas mailers will observe the following mailing schedule:
Gift parcels going to distant states should be mailed by December 1. Parcels going to local and nearby areas should be mailed not later than December 13.
The name and address of both the sender and addressee should be enclosed in each gift parcel to permit identity in case of damage or loss of the outside label. The outside label should be placed on only one side of each parcel.

Greeting cards going to distant states should be mailed not later than December 10. Cards going to local and nearby areas should be mailed by December 15.
Postmaster Kirk also emphasized the importance of using ZIP CODES and adding a return address to all Christmas mail. It only takes a couple of extra seconds, but pays big dividends.

ZIP CODES enable postal employees to sort and handle the mail faster. A return address insures that mail that can't be delivered because of an illegible or incomplete mailing address will be returned to the sender.

"A return address might not seem very important," Postmaster Kirk noted, "but last year over 32 billion pieces of mail went to postal dead letter branches because the mailing address couldn't be read and there was no return address on the envelope. If you estimate the worth of each of these pieces at twenty-five cents, including postage, postal customers lost over \$7.5 million last year to dead letter offices. And none of this would have happened if the envelopes had contained a return address."

Embezzlement Bonanza
NEW YORK—Sticky-fingered employees are costing American businesses an estimated \$1.8 billion a year or \$5 million a day in embezzlement losses, according to the Insurance Information Institute.

HELLO MANCHESTER,
The five members of our family love you dearly.
Also, I wish to say here, "Thank you, Ron Walters, for bringing home our younger son last Tuesday. Very kind of you, Ron - plus the added thoughtfulness and going back out of your way."
Bradley was stranded because I forgot it was catechism day. My "efficiency status" may worsen this week - even though I have notes all over the place. Our first daughter's wedding is this Saturday.

SECOND ANNUAL FUN FESTIVAL HUGE SUCCESS

by Carolyn Ahrens

The Second Annual Fun Festival was again a success both profit-wise and as observed by the crowded halls, long lines at the games, white elephant sale, cake walk and all the room projects.

Mrs. Birdella Flood said, "The second Elementary Fall Festival was again a great success which netted approximately \$675. All of this, of course, could not have been possible without the cooperation and hard work of many people. We want to especially thank the teachers, roommothers and all the parents who helped in many ways. Thanks also to the merchants who donated prizes for the lucky drawing. Without all of your help and suggestions it would not have been possible." A special thanks was also added by those involved in the clean-up committees to Mrs. Harold Keasal who did a major part of the clean-up.

The Fall Fun Festival was the combined efforts of the Pleasant Lake School and the Manchester Elementary grades kindergarten through fourth grades. Plans for next year? "Yes, indeed," all agree.

MOONLIGHT MADNESS

FRIDAY NIGHT

"SHE'LL TAKE ANYTHING AND MAKE SOMETHING OUT OF IT."

by Carolyn Ahrens

"She'll take anything and make something out of it," is how a friend describes Mrs. Peg Trolz and her talent for making unusual and beautiful home decorations such as artificial flower and fruit centerpieces, sprayed wreaths, pinecone wreaths and cemetery blankets or her particular hobby, ceramics. Ceramics, a little-known art in this area until 1951 when Mrs. Trolz became "accidentally involved" in this beautiful and fascinating hobby.

While visiting her sister in Toledo, Mrs. Trolz was invited to attend a ceramics club meeting. "Immediately I was interested," she said, "so I came home and started. There was little information or materials available so I found what I could and learned by trial and error. Then one day Florence Kirk called and wanted to know if I'd teach ceramics at an adult education class. After much thought I decided to give it a try." It was about that time also that Mrs. Trolz gathered several interested friends together and the present Ceramics Club began.

Interest and enthusiasm soon demanded more than Mrs. Trolz was able to supply. Finally locating a ceramics instructor she

was able to learn as well as teach. She was soon called upon to demonstrate the art to various groups outside Manchester, all of which brought out a special talent Mrs. Trolz never realized she had prior to that 1951 visit to Toledo.

As pointed out by another talented ceramics enthusiast Mrs. Alfred (Fern) Strang, "When we first started ceramics we had to send to Texas, California and Tennessee for many of our materials such as glazes. They were in powder form then and had to be mixed with water. With no stabilizer to keep them suspended the colors separated quickly, frequent stirring was necessary and very often the mixture would harden beyond use within a few days. We couldn't get greenware so we used clay and made our own. At that time we really worked for it."

The original Manchester Ceramics Club included Mrs. Louise Way, Mrs. James (Mae) Fahey, Mrs. Robert (Augusta) Kuhl now of Ohio, Mrs. Basil (Leota) Schwab as well as Mrs. Strang and Mrs. Trolz. Today the club membership includes Mrs. Carl (Cecelia) Garrison who recently moved to Florida, Mrs. Edgar (Laura) Randall of Clinton, Mrs. Burton (Yvonne) Murray, Mrs. Russell (Delores) Wolff, Mrs. Jack (Olga) Smith and Mrs. George (Clara) Wright both of Tecumseh, and original club members Mrs. Way, Mrs. Fahey, Mrs.

Schwab, Mrs. Strang and Mrs. Trolz. The ladies meet one afternoon each week from fall to Christmas then resume again in January "til spring housecleaning time," Mrs. Trolz added.

"Today we are still a group even though each one of us does our own thing," Mrs. Strang pointed out. She added that they have all "dabbled" in all of the ceramic techniques such as overglaze, underglaze, china painting and stain work. Her particular interest is graduate statues, a talent which has brought repeated requests each year in supplying as many as 37 statues, complete with school color, name, date and class motto. Her graduate statues, purchased by many exchange students, are found in 15 countries as well as all over the United States. Another special interest is making personalized gifts, for Eastern Star, Masons, weddings, etc.

Mrs. Way and Mrs. Garrison specialize in stain work, a process which results in ceramic pieces with a wood grain effect. Mrs. Fahey, Mrs. Wolff, Mrs. Randall, Mrs. Smith and Mrs. Wright enjoy china painting, a delicate blend of soft pastel patterns on china pieces while Mrs. Murray, Mrs. Schwab and Mrs. Trolz enjoy all phases of ceramics.

To make a ceramic piece requires hours of work. To bring out a color requires a

TELEPHONE DIRECTORIES BEING DISTRIBUTED

New Ann Arbor-Ypsilanti area telephone directories will be distributed by Michigan Bell beginning Monday, November 24.

Nicholas J. Pratkan, Manager said some 187,000 directories will be distributed in Ann Arbor, Chelsea, Dexter, Manchester, Whitmore Lake, Ypsilanti, Milan and Willis.

The covers of the new telephone books feature a color reproduction of an oil painting entitled "The Americans Take Over Ft. Mackinac." This is one in the series of historical paintings done by Robert Thom under a commission from Michigan Bell Telephone. Although the Treaty of Paris in 1763 formally ended the Revolutionary War, British garrisons remained in western forts to protect their fur trade. General Anthony Wayne's victory at Fallen Timbers in 1794 convinced the British that eventually the Americans could capture the forts.
