

Snowmobile Race This Sunday

by Carolyn Ahrens

The second Annual Manchester Jaycees' Snowmobile Race promises an exciting afternoon for contestants and spectators alike. Scheduled for Sunday, January 4 at the Manchester Speedway, Chairman Bob Rhees said, "We're prepared to run the race regardless of the snow conditions. As of now, it looks like we'll have plenty of snow but we've put 650 bales of chopped straw around the track some time ago so we'll have a good base—snow or no snow."

He pointed out that "We're expecting at least 200 machines with the only qualifications necessary to enter is a machine, the contestant must be at least 18 years old and a \$5.00 entry fee." Registration will begin at 9 a.m. Sunday morning with racing time at 1 p.m. sharp, he added. Race classifications will include stock, modified and three powder puff races, all regulated under MISA rules. For further information on classifications Bob Rhees is available at 428-8572.

Racing teams are expected from Jackson, Hillsdale, Dearborn, Lansing, Ann Arbor and surrounding community "And we expect our own Manchester snowmobile enthusiasts to come out in large numbers," Rhees added. There will be trophies for all first, second and third place event winners with the \$5.00 entry fees to make up a purse "which could be as much as \$1,000 depending on the number of contestants," Rhees pointed out, "as we are expecting about 200 entries."

In addition to trophies and the winner's purse, a drawing is also planned with a side of beef and "a bushel and a peck of joy" the prizes for three lucky ticket holders. Tickets are a \$1.00 donation with tickets still available from any Jaycee member. Winners need not be present to win.

Then as an added exhibition feature during intermission, John Ireland of Clinton will be on hand with his 900 cc Rupp, capable of doing 125 mph. Ireland has traveled throughout Michigan at such events and will demonstrate the skills and thrills of a large machine.

"The event promises to be altogether different for this community," Rhees said, "and I can only say -- get there early."

Working with Rhees is the following committee of Jaycee members consisting of Keith Reed, Harry Sturdevant, Jerry Jacobs, Denny Hamilton, Doug Hughes, Vic Mann, Glen Mann, Ron Mann, Chuck King and Stan Poet plus 82 members on hand the day of the event, none of whom are eligible to race.

Admission fee is \$1.50 per person with children under 12 admitted free when accompanied by an adult. Refreshments will be available at the Speedway concession stand.

The second Annual Manchester Jaycee Snowmobile Race, Sunday, January 4 at 1 p.m. at the Manchester Speedway is an event the entire family will enjoy.

TED STAUTZ RECOGNIZED FOR COMMUNITY PROJECT

Mr. Ted Stautz, local industrialist and civic worker, was recognized by the Manchester Optimist Club at their annual ladies' night and Christmas party for his efforts in procuring a large shelter type building for the local athletic field.

Optimist members and their guests meeting in the Win Schuler Restaurant in Jackson on December 15 heard optimist members Robert Swartz and Luther Klager praise Mr. Stautz for his planning and perseverance in making this building a reality. Through his efforts 50% of the building costs were reimbursed by state funds.

Mr. Stautz as President of the Manchester Fair Board conceived the idea over a year ago and almost singlehandedly brought the project to fruition.

Mr. Klager on behalf of the Manchester Board of Education, the Manchester Chicken Broil Committee and the Manchester Optimist Club, presented Mr. Stautz with a plaque which is to be permanently installed in the building. Mr. Stautz received a standing ovation from the members present at the conclusion of the presentation.

The building will accommodate fair activities, school activities and related community activities throughout the year.

CHURCH EDITORIAL

"God's Supreme Gift"

by Ralph Janofski, pastor Iron Creek United Church

The gifts God has given are universal. For our enjoyment He has given the sun to greet us, the light to brighten our pathway, the laughter of life, the blessed companionship of friends and loved ones, in addition to all the beauties of nature.

But did you ever pause to realize that God has a choice Gift... a Supreme Gift as revealed in His Word? What is this supreme Gift? It is the Lord Jesus Christ!

He came into the world at a time when the mantle of darkness had covered the earth. And darker still was the midnight that reigned in the hearts of men.

And so in the impending silence of Judea's hills that night, God was able to give His supreme Gift. Suddenly the darkness was pierced by a halo of glory, followed by Heaven's own color giving thanks to the Highest: "Unto you is born this day in the city of David a Saviour, which is Christ the Lord." Luke 2:11.

This gift is termed the "unspeakable gift" by the Apostle Paul, and truly those who have received Him can testify that this is true. When one possesses Christ he

possesses more than the wealth of a thousand worlds. Every blessing heaped together cannot compare with God's greatest and best.

This leaves a great responsibility at the door of your heart. You must either accept or reject God's supreme Gift. To refuse is to insult God. To neglect is again to refuse, and brings its own judgment.

So put out the hand of faith, and take Jesus Christ as your Lord and Saviour. He is Heaven's choicest Gift. Then with adoring heart say, "Thanks be unto God for His unspeakable Gift."

TEVOS WIN FIRST PLACE OUTSIDE CHRISTMAS DECORATIONS

Carolyn Ahrens

On Sunday evening, Dec. 28, four Ann Arborites were invited to Manchester to perform a difficult task -- to choose the most outstanding Christmas-decorations. "We were novices at this," Mrs. Arthur Schleede said. "We didn't realize (Manchester) had so many homes decorated or so beautifully done. We were very impressed with the town."

Mr. and Mrs. Arthur Schleede and Mr. Mrs. Armin Dorow were escorted through Manchester "to be sure no home was missed" a hostess of the escort committee pointed out. A number of homes were selected as outstanding with the four judges making notes as they went along. The guidelines were originality, meaning, preparation such as the amount of lights required to put up the display, light effects, etc. "There were so many to choose from," Mrs. Schleede added.

Their final decision -- 1st place to Mr. and Mrs. William Tervo of 512 Duncan; 2nd place to the Charles Knorpps of 630 W. Main; 3rd place to Mr. and Mrs. Al Gaige of 410 Adrian; and Honorable Mention to Freddie's Island decorated each year by Freddie Graboski.

The main theme of the Tervo home was a manger scene with eight Biblical figures against a hand-painted background of animals and a tree. The artist, Mrs. Tervo, also used a number of lights and other Christmas decorations such as candles to complete her setting. The Knorpp home also featured a manger scene with the words "Peace On Earth outlined against the house using blue and green lights throughout their theme. "Ours is a piece by piece collection," Mrs. Knorpp said. The star on the chimney was made by their son. The Al Gaige's, 3rd place selection by the judges, was made "because of the beautiful contrast of lights." The Gaiges had used blue and silver lights in decorating their home. The Honorable Mention to Mr. Graboski was made "because it was so beautiful against the reflection of the water," the judges decided.

Chairman of the committee was Councilman Tom Walton with the Willard Manns and Rolland Grossmans acting as hosts. The prizes, compliments of the Village Council are 1st place \$15.00; 2nd place \$10.00 and 3rd place \$5.00.

ATTACK AGAINST RUBELLA SCHEDULED IN AREA

A campaign to immunize over 16,000 children in kindergarten through the third grade in Washtenaw County against Rubella (German Measles) will begin in the third week of January. The drive is being sponsored by the Washtenaw County Health Department, the schools, the Michigan March of Dimes and the County Medical Society. The drive will involve 50 elementary schools throughout the county and the vaccine will be given to youngsters at no charge.

Dr. Otto K. Engelke, County Health Director, said that the parents or guardians of the children in the kindergarten through the third grade age must give written authorization to have their children participate in the clinic.

The free anti Rubella clinics are possible because the Michigan Legislature voted to spend over a million dollars to purchase vaccine for immunization of all Michigan children in kindergarten through the third grade.

The Rubella clinic will be held January 26, 1970 at Manchester and Pleasant Lake.

FIRE DESTROYS HOUSE

A truck, a tractor, a large quantity of fuel and 200 chickens were lost in fire Sunday afternoon which destroyed a 2-story structure located at 4402 Jacob Rd. in Sharon Township, owned by Morgan Esch, reported James Kensler, Fire Chief.

Full details on a most successful Snowmobile Race which offered thrills for both drivers and spectators will be featured in next weeks Enterprise.

1970 MARCH OF DIMES UNDER WAY

The proclamation by Mayor Althouse announces the arrival of March of Dimes Month.

During the last week almost every household in the Manchester mailing area received an envelope containing brief information on The National Foundation and its March of Dimes along with a request for a contribution.

From past experience The National Foundation has found the "mailers" to be a vital part of their fund raising effort. Although the mail campaign does not usually bring in large amounts of money, it provides a very inexpensive way to bring the problem of birth defects to the attention of large segments of the population who cannot be reached in any other way. It also provides a simple direct way for people to contribute by mail.

The "mailer inserts" (the little picture story included in the mailer envelope) were once again printed free of charge by Mr. Walt Leonard of Chelsea who for many years has volunteered his services to the March of Dimes in Washtenaw County.

The Kulenkamp sisters of Hillside Terrace, Ann Arbor (formerly of Manchester) did not let distance prevent them from preparing the "mailers" for delivery in Manchester.

Mrs. Hugh Sutton, chairman of Manchester's March of Dimes, would like to remind everyone that the symbol of the New Year is a baby -- a happy, healthy baby. So, as we wish one another a Happy New Year, let us help to give every baby a happy, healthy new life! Please join the March of Dimes today!

PAT ROESCH TO PERFORM IN GREAT BRITAIN WITH MUSICAL YOUTH INTERNATIONAL

Pat Roesch, son of Mr. and Mrs. Stanton Roesch of Manchester has been chosen to tour the British Isles with Musical Youth International. The 1970 itinerary will include selected cities in England, Scotland and Wales. A group of one hundred students from the Great Lakes area have been selected to form both a concert band and chorus. Approximately half of the students are instrumentalists, half are vocalists.

They will leave Detroit for London on or about June 28 and return on or before August 8. Rehearsals are being held on Saturdays in Saline Area High School, Saline.

Musical Youth International is a non-profit membership association organized to foster good international relations through experiences in the arts and family living. The organization sponsors an annual tour for selected high school students from ages sixteen to eighteen. These young people hail from Michigan as well as neighboring states and the province of Ontario, Canada.
