VOCATIONAL EDUCATION CENTER PROPOSAL BEING STUDIED AND DISCUSSED

About sixty Manchester area residents met Monday evening, January 12 to continue a study of the Vocational Education Center proposal which will be presented to Washtenaw County voters in June, 1970. Although it was defeated in 1969, supporters felt it was due only to lack of information and facts known to the voters and feel a complete presentation to the public will merit the validity of such a center.

To ensure complete presentation of all the facts concerning this matter, the Washtenaw Intermediate School District, at the request of all the schools in the county, has collected information from each area and is assisting the local information committees in the study of the proposed project. Mr. Chester Koeski, Manchester High School Principal has been appointed to area contact and will work with a county planning group. Clarence Fielder is Manchester's General Chairman of the Washtenaw County Vocational Education Center Project and Mrs. Louis Vogel, trustee of Washtenaw Intermediate School Board, is assisting the local committees in Manchester and Saline.

A proposed county project endorsed by all twelve school systems in Washtenaw County, the committees will thoroughly study the plans for the proposed center and then present the facts to area clubs and organizations during March, April and May.

Mr. Earl Schaffer, Consultant for Vocational Education for Washtenaw County pointed out that the plans call for a \$5 million complex, with taxation of 1 mill on the county \$1,006,623, 391 evaluation. In comparison the 1 mill would be levied on a state equalized valuation of \$21,569, 531 in the Manchester School District. This would raise \$21,570 per year in Manchester. The center would provide Manchester students as well as all Washtenaw County students with 25 vocational programs.

The center plans call for a 2,000 student enrollment who would be spending one half day in their local school and the other half at the center which would be located at Washtenaw Community College, population center of Washtenaw County. The center would permit all high school students as well as high school dropouts to enroll. Manchester students expressed an interest in attending such a center if one were available according to a survey. For the students who do not plan to attend college, this would provide courses in learning basic skills of a meaningful vocation it was pointed out. Under the proposed center the local high schools would continue to offer some industrial arts programs in preparation courses for the advanced studies offered at the center.

It was also pointed out by Mr. Schaffer that schools would not forfeit state aid because students would be registered at local schools also. He added that local control would come through representation to the Controlling Board by the local superintendents.

A question brought up a number of times by interested citizens: "I thought Washtenaw Community College was taking care of vocational-technical education; why do we need another program?" It was answered as follows: "Washtenaw Community College is developing an excellent post high school technical education program. Their technical program is not available to high school students. Furthermore, technical programs normally continue where a good vocational program leaves off. Most students from this county who wish to enter the technical program at W.C.C. have not had access to a good vocational program. More important, however, is the fact that all students who do not finish high school and at least 60% of those who

do graduate go immediately into the labor market. They must have saleable skills in order to compete for available jobs."

This question and answer plus many others will be discussed and thoroughly examined by area representatives and interested citizens before the June ballot. Manchester citizens will have an opportunity to ask questions and become familiar with the proposal at the planned March, April and May meetings.

To further observe an operating center in Genesee County, a bus trip is planned for the near future for anyone interested in learning more about such a project, (date and details to be announced) or for further information please contact Mr. Koeski, Mr. Fielder or Mrs. Vogel.

MOTHER'S MARCH TO BE HELD JANUARY 29 and 30

Mrs. Hugh Sutton, village chairman of the National Foundation's March of Dimes has expressed satisfaction with the progress of this year's fund-raising effort. "If the half-time score is any indication of the final outcome - the 1970 March of Dimes should set new records," Mrs. Sutton said.

The Marching Mothers account for a large percentage of the total funds collected each January for the March of Dimes. Manchester's Mother's March, under the direction of Mrs. Ronald Gonyer, will take place on January 29 and 30. Two days have been set aside for the Mother's March to allow for the bad weather usually experienced at this time of year.

Mrs. Gonyer has recruited approximately 30 women who will canvas every house in Manchester, spreading the word about the work being accomplished with the dimes and dollars given to the March of Dimes and to solicit your contribution. Please welcome your neighborhood's Marching Mother!

LIFE-LONG RESIDENT OF MANCHESTER PASSES AWAY

by Carolyn Ahrens
Carl F. Wuerthner, a life-long resident of Manchester, passed away Friday, Jan. 16 at the age of 96 at the Evangelical Home, Detroit. He was born October 28, 1873 the son of John and Caroline Yeutter Wuerthner.

Mr. Wuerthner attended Manchester High School and Brown Business College. Adrian then returned to work in his father's clothing store. In 1909, he and his brother bought an interest in the store, adding a wholesale business in 1942 and operating the business until 1952.

During his lifetime, Mr. Wuerthner played an active part in Manchester's development. In 1907 he was instrumental in organizing the Young Men's political party, organized the Progressive Party in

1924 and was elected Village Mayor in 1944 then served three terms. He played a major part in bringing Double A Products to Manchester in 1939; was a major force in the development of Carr Park; was a member of the United Commercial Travelers for over 75 years; an honorary member of the Rebeccahs; active in the Washtenaw County Historical Society; served as MacCabe Supreme Lieutenant Commander in the U. S. and Canada and a former vice president of the Municipal League of Michigan. He was also a member of Manchester's Senior Citizens Group and the Emanuel Church of Christ.

Widely traveled the world over, Mr. Wuerthner was cited for his continued community service in civic, religious and political activity in June, 1966 by the Michigan House of Representatives. In 1956 he was appointed Vice-President of the Union Savings Bank at the age of 83, a position he held until the time of his death. His activity continued as long as Mr. Wuerthner remained a resident of Manchester as well as his interest in the well-being of Manchester.

He is survived by a daughter Mrs. Gladys Rague of St. Joseph, one granddaughter, a brother Julius of Great Falls, Montana and several nieces and nephews. Funeral services were held Monday at Emanuel Church of Christ with Rev. Ralph Kuether officiating. Burial was made at Oak Grove Cemetery, Manchester. Memorials may be made to Emanuel Church or the Evangelical Home in Detroit.

SCUTTLEBUTTE

Mr. and Mrs. Glen Bertke were Sunday dinner guests of their son and his family, the Lausten Bertkes.

Shown above is one of the reasons why we were late with our paper this week. It is called a Royal Zenith 30" Press. It took three days just to install and set-up this press. A man from Chicago engineered the set-up. This press will run at 6 1/2 x 11" sheet six up and is designed mainly for long run 2, 3 and 4 color process.

In addition to this confusion of setting up the press, our typewriter broke down and the part that was broken had to be ordered and would not be received for two or three days. Thus you will find three different styles of type in the paper.

 New Washtenaw County Court System to hold weekly court in Manchester.
 Beth Merriman named December Outstanding Citizen.
 Dutchmen are top contenders in L.C.A.A. standings.
 Dan Bouteil is elected President of Union Savings Bank.
 Mrs. Mina Trolz celebrates her 91st birthday.

ABORTION LAW REFORM TO BE ONE OF MAJOR ISSUES IN 1970

Abortion law reform is one of the major issues which will be decided in the 1970 Legislative session. Three bills are in committee, one to allow the decision to be between patient and physician in an accredited hospital, one to exempt physicians from the criminal law prohibiting abortions, and one to allow abortion in cases where there is significant risk to the mental or physical health of the mother or child, and in cases of rape or incest.

Senator Gilbert E. Bursley, R-Ann Arbor, is leading the campaign for change in the archaic Michigan law, which permits abortion only to save the life of the mother. Since the law does not allow therapeutic abortion for unwanted pregnancies or defective children, the desperate mother must seek criminal abortionists or use home remedies to induce termination of pregnancy and risk sterilization or death, or she must bear the child and give it up or care for it herself. Non-hospital abortions have become the major cause of maternal death. However, therapeutic abortion, performed by a licensed doctor in an accredited hospital is safer than a tonsillectomy or routine birth. Statistics are unreliable, but the estimate is that more than one million illegal abortions are performed annually in the United States.

Twelve other states have revised their abortion laws in line with the model code designed by the American Law Institute, similar to the bill introduced by Senator Bursley. A Washington, D. C. judge recently ruled the abortion law unconstitutional and asked for a Supreme Court decision on the ruling. The California Supreme Court also ruled unconstitutional its earlier law, allowing abortion only to save the life of the mother.

Many groups in Michigan are working for abortion law reform, including the Michigan Council of Churches, the YMCA, Michigan Public Health Association, Michigan State Medical Society, Michigan Social Work Council and Michigan Women for Medical Control of Abortion.

A series of public hearings are being conducted by the Senate Committee on Health, Social Services, and Retirement, under the chairmanship of Senator N. Lorraine Beebe.

Interested persons or groups may contact Senator Bursley for further information on abortion reform.

ALL ALIENS MUST REPORT ADDRESS DURING JANUARY

Mr. Walter A. Sahli of the Detroit, Michigan Immigration and Naturalization Service has again reminded all aliens to report their addresses during January.

Cards with which to make the reports are available at Post Offices and offices of the Immigration and Naturalization Service throughout the country. The reports must be submitted to one of those offices.

Parents or guardians submit reports for alien children under 14 years of age.

Mr. Sahli urges all aliens to report before the end of January, as willful failure to do so may lead to serious penalties.

WASHINGTON REPORT

Marvin L. Eash

While crime and fear of crime spread in a truly alarming manner, a sluggish Congress has failed to give even proper consideration to President Nixon's anti-crime proposals, let alone pass meaningful legislation. It is impossible to justify such inaction.

Organized crime, clearly a federal responsibility, engages in a variety of damaging activities known to us all, including the corruption of individuals and units of government and private institutions. It is, as President Nixon has noted, "a totalitarian and closed society operating within an open and democratic one."

The President has recommended immunity from prosecution against persons on the basis of their testimony although they would be subject to prosecution based on other evidence. Refusal to testify under this immunity would constitute contempt punishable by imprisonment. This provision will help in the gathering of evidence against the leaders of organized crime.

The President also asked for a new law to make bribery of police or other local officials a federal crime. And he asked for additional powers to fight gambling. While gambling is viewed as only a minor crime by many and by others as no crime at all, it provides revenue for far more serious crimes, such as drugs. As is so painfully evident, illegal drugs are destroying the lives of thousands of high school and college students.

The legislation suggested by the President would not mean the end of organized crime, obviously. But it would give the federal government some needed tools to better wage the fight. The President's recommendations, I am happy to say, are along the line of ones I made in the summer of 1968 after a study of the matter.

There is irony in our need to get

Congress moving on the President's proposals. Public apathy, perhaps the Cosa Nostra's greatest strength, requires that we give crime fighters at all levels every proper power. Yet, that same apathy is one reason Congress has failed to move.

But Congress has leadership function it must fulfill even in the absence of desired public concern.

For the sad truth of the matter is that in too many cases crime appears to pay, in itself a corrupting influence on our society.

WILLIAM BUNNEY RECEIVES BS DEGREE

William Bunney, 339 Territorial, Manchester was among 995 undergraduates and graduates who received degrees from Eastern Michigan University on January 18 at its 21st January Commencement.

A crowd of 5,000 parents and other guests witnessed the ceremonies in Bowen Field House as Mr. Bunney received his Bachelor of Science degree.

JOLLY FARMERETTES BALLOON SALE SUCCESSFUL DESPITE WEATHER

Mr. Don Gibson, Youth Activities Chairman for Manchester's 1970 March of Dimes, reports that the Jolly Farmerettes 4-H Club realized \$156.14 from their balloon sale last Saturday.
 Valerie and Sue Vogel supervised their fellow club members who worked through a wet snowfall to help the March of Dimes.

The Jolly Farmerettes were given aid and comfort by the "Jolly Dutchmen," the messers. Grossman and Huber, who furnished a warm dry place for balloon storage, moral support and an air hose.

Mrs. Bernard Kemner, administrative leader of the Jolly Farmerettes feels that these girls, who range in age from 9-19 years, have a special interest in preventing birth defects because they will become the teachers, nurses, technicians and mothers of tomorrow.

The Jolly Farmerettes 4-H Club wish to take this opportunity to say thank you to all those who contributed again this year to the March of Dimes Balloon Sale. They feel this is a worthy project and that the generosity shown has helped them to show that Manchester residents want to help fight birth defects.

TOWNSHIP OF MANCHESTER

WASHTENAW COUNTY, MICHIGAN

NOTICE OF MEETINGS

Regular meetings of the Board of Trustees of the Township of Manchester, Washtenaw County, Michigan, will be held immediately after the Annual Township Meeting on April 4, 1970 and on the second Monday of July, October, 1970 and January, 1971 at 8:00 o'clock in the afternoon, at the Manchester Village Hall, 120 South Clinton Street, in the Village of Manchester, Michigan.

This notice is given pursuant to Act 261 of Public Acts of Michigan for 1968 by resolution adopted at the regular meeting of the Township Board held on January 12, 1970.

Waldo Marx, Clerk
 Township of Manchester
 Washtenaw County, Michigan

COUNCIL MINUTES

January 5, 1970

Council met in regular session. Called to order by President Althouse. Trustees present: Mahony, Scully, Macomber, Fitzgerald, Walton. Absent: Reinhart.

Minutes of the previous meeting were read and approved. Bruce Daniels gave estimate on 12 inch water main from Duncan St., around treatment plant and out Parr Rd. of \$77,511.91. Scully reported that the new police car has arrived.

Police Chief Becktel gave the monthly and yearly reports, and also the goals of the police department for 1970.

Mahony moved to award Mrs. Kirk a \$50.00 bonus and a letter of appreciation for services over the past years. Supported by Fitzgerald. All yeas, carried.

Moved by Walton, supported by Scully, to adopt a resolution amending the previous resolution on redemption dates and interest rates for the bridge and bonus issue. All yeas, carried.

Village attorney Roesch was present to explain the above-mentioned resolution.

Don Limpert presented a petition for the question of sale of spirits for consumption to be presented on the ballot for the March 9 elections. Don also presented a letter reaffirming application for a liquor license.

Bids were opened for sale of the old police car. Bids were Clifford Haines \$762.00; Sam Kies \$761.99

Moved by Mahony, supported by Walton, to accept the highest bid. All yeas carried.

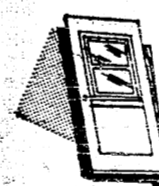

Walton reported the winners of the Christmas decorations judging. First place - William Tervo, second place - Charles Knorpp, third place - Albert Gaige.

The Clerk presented the names of the persons who have submitted nomination petitions in order to have their names on the ballot for election to village office.

President -	David L. Little
Trustee -	Herbert F. Mahony
Trustee -	Wendell Reinhart
Trustee -	Charles Steele
Clerk -	Douglas A. Hughes
Treasurer -	Edward R. Kirk
Assessor -	Russell H. Widmayer

Moved by Scully, supported by Mahony, that we adjourn. All yeas, carried.

Douglas A. Hughes, Clerk

SCHOOL AID ALLOTMENTS ANNOUNCED FOR 1969-70

State Representative Thomas G. Sharpe has announced the school aid allotments for the year 1969-1970 as set forth by the Michigan State Board of Education. The first payment will be made by February 1, according to Representative Sharpe.

The payment to the Manchester School District is \$59,910.00.

Manchester 148 F & AM F.C. Degree meeting will be held next Monday, Jan. 26 at 7:30 p.m.

KINGS DAUGHTERS TO MEET

The King's Daughters will meet this Thursday, Jan. 22 at the Methodist Fellowship Hall at 1:00 p.m.

Mr. and Mrs. George Grossman, Jr. were feted at a surprise dinner party Sunday, Jan. 18 in honor of their 25th wedding anniversary. The party was held at Mr. Grossman's sister and husband, the George Goodells. Co-hosts were Mrs. Rolland Grossman, Milton Grossman, Barry Grossman and Mrs. Jim Hartman and their families.

The Grossman's were married Jan. 13, 1945 in Dallas, Texas where Mr. Grossman was stationed with the U.S. Army.

Among the 30 guests were Mr. and Mrs. Grossman's children, Gerald and Gloria, presenting them with a number of gifts. The families also celebrated Mrs. Hartman's Jan. 13 birthday. Mrs. Hartman is a niece of the Grossman's.

Those miles really creep up in today's fast world. Better check how long since that last grease job.

In terms of maintenance, we're your car's best friend.

SPECIAL DEALS

TO YOU!

4-H OFFICE TO OFFER DOG CARE AND TRAINING CLUB

The Washtenaw County 4-H Office is offering a club in Dog Care & Training. The club will include learning the care feeding and grooming of dogs as well as general knowledge of all dogs of dogs and the fundamentals of showing dogs. In April an obedience course will be offered. A small fee will be charged for this.

The next meeting will be a grooming demonstration at Town & Country Kennels, 7355 Jackson Rd., in Ann Arbor.

The club is open to all Washtenaw County youths between the ages of 11 and 20. However, there will be a limit of 20 for the dog care section. There is no limit for the obedience section.

For further information, and to sign up, call the 4-H Office at 663-7511

MY ROLE

I saw them tearing a building down, A gang of men in a busy town; With a ho-heave-ho and a lusty yell, They swung a beam and a sidewalk fell.

I asked the foreman, "Are these men skilled As the men you would hire if you had to build?" He laughed and said, "No, indeed! Just common labor is all I need. I can easily wreck in a day or two What builders have taken a year to do."

I asked myself as I went my way, Which of these roles have I tried to play? Am I a builder who works with care Measuring life with the rule and square, Or am I a wrecker who walks the town, Content with the labor of tearing down.

OBITUARY

January 22, 1970

Marie Frances Below, 2987 S. Fletcher Road, Chelsea, age 57 years died Thursday at St. Joseph Mercy Hospital. She was born Nov. 13, 1912 in Sharon Township the daughter of Charles and Bertha Marshall Bauer. On Oct. 8, 1936 she was married to Elmer Below. They lived in Sharon Township until moving to their present home 4 years ago. Mrs. Below was a member of St. Mary's Catholic Church in Manchester.

Mrs. Below is survived by her husband, Elmer, a son, Dwight Britton; a daughter, Mrs. Harold (Deloris) Strahle of Grass Lake; her mother Mrs. Bertha Strahle of Michigan Center; a sister Mrs. Irene Watson of Michigan Center and several nieces and nephews.

Funeral services were held Monday at St. Mary's Catholic Church with Fr. Daniel Emerine and Fr. Raymond Schlinkert officiating. Burial followed in St. Mary's Cemetery. The Rosary was recited Sunday at the Jenter Funeral Home.

OBITUARY

Hugh G. Walsh, 134 Adrian St., Manchester age 56 years, died Wednesday at Veterans Hospital. He was born January 25, 1910 in Detroit the son of William and Catherine Walsh.

In 1938 Mr. Walsh married Isabel Flynn. They lived in Rochester, Mich. until he entered the Navy in 1944. He was discharged in 1946 and in 1947 they moved to Manchester where they operated a restaurant for many years.

Mr. Walsh was a member of St. Mary's Catholic Church, and of K of C and the Manchester American Legion Post.

Mr. Walsh is survived by his wife Isabel, one son, Petty Officer 1st class Michael Walsh stationed in the Philippines; 2 grandchildren, one brother, Thom of Walled Lake and a nephew, Fr. Jerome Walsh of Groesse Pointe.

Funeral services will be held Saturday at 11 a. m. at St. Mary's Catholic Church with Rev. Fr. Raymond R. Schlinkert officiating. Burial will follow in St. Mary's Cemetery. The rosary will be recited Friday at 8 p. m. at the Jenter Funeral Home where friends may call.

FIRST AID CLASSES SCHEDULED

If you are among the many untrained people in our county who would have to stand by helplessly and watch an injured person, perhaps a child or a loved one die because you could not help. Then you should register immediately for a Red Cross First Aid Class.

Classes will soon be available on any of 3 different week nights. They will start on Tuesday, Jan. 20, Wednesday, Jan. 21 and Thursday, Jan. 22. They will meet once-a-week from 7 to 9 p. m., for 6 consecutive weeks. You may register for any one of the three classes.

The classes will be taught by trained Red Cross volunteers. The classes are free with a 75c charge made for the textbook.

Courses content will include not only lifesaving first aid skills and techniques but also stress accident prevention, especially in the home. Some specific areas covered include bleeding, artificial respiration, shock, burns, fractures and common emergencies.

Register by calling the Red Cross at 971-5300. Your Red Cross is a participating member of the United Fund.

ELECTRICAL ORDINANCE

For MANCHESTER TOWNSHIP

AN ORDINANCE for safeguarding life and property by regulating, and providing for the inspection, the installation, alteration, repair, servicing and maintenance of electrical equipment, to provide for the licensing and registration of Electrical Contractors and Journeyman Electricians; to provide for the administration and enforcement thereof; to provide for a Board of Electrical Examiners and its powers and duties; to provide a reciprocal arrangement for the recognition of examinations and licenses issued by other municipalities in the State of Michigan voluntarily cooperating in the enforcement of a similar ordinance; to provide a penalty for violations thereof and to repeal all ordinances in conflict therewith.

IT IS HEREBY ORDAINED BY THE PEOPLE OF MANCHESTER TOWNSHIP, WASHTENAW COUNTY:

SECTION 1: ELECTRICAL INSPECTION

A. The Board of Electrical Examiners, also referred to in this Ordinance as the Inspection Authority and Examining Board, shall have and hereby is given jurisdiction, subject to review as hereinafter provided, over the inspection of all electrical installations, including changes, repairs and additions thereto within the Township of Manchester. The Township of Manchester shall appoint an Electrical Inspector who shall inspect all electrical installations and report to the Inspection Authority. This jurisdiction shall apply to the installation of wiring devices, apparatus and equipment for connection to electricity supply systems of all electrical forces except as provided in Section 4 (b); however, jurisdiction shall apply in all systems and all voltages when safety to life and property is involved.

SECTION 2: FEES FOR INSPECTION

A. When an application is made for a permit required under the terms of this ordinance, a fee shall be paid in an amount as prescribed by the Electrical Board of the Township.

SECTION 3: RIGHT OF ACCESS TO BUILDINGS

A. The Electrical Inspector and/or his deputy shall have the right during reasonable hours to enter any building in the discharge of his official duties for the purpose of making any inspection or test of the installation of electric wiring, electric devices and/or electric material contained therein and shall have the authority to cause the turning off of all electric supply and cut or disconnect, in cases of emergency, any wire where such electrical circuits are dangerous to life or property or may interfere with the work of the Fire Department.

SECTION 4: PERMITS

A. No alterations or additions shall be made in the existing wiring of any building, nor shall any building be wired for the placing of any electric lights, motors, heating devices, or any apparatus requiring the use of electrical current of all electrical forces, nor shall any alterations be made in the wiring in any building after inspection, without first notifying the Electrical Inspector and securing a permit therefor. Applications for such permit, describing such work, shall be made by the person, firm, or corporation installing same and permit when issued shall be to such applicant.

B. This section shall not apply to maintenance and repairs on the premises of a person, firm or corporation regularly employing qualified electricians for that purpose, nor such minor repair work as repairing flush and snap switches, replacing fuses, changing lamp sockets and receptacles, taping bare joints or repairing drop cords.

SECTION 5: INSPECTION

A. Upon the completion of the wiring of any building, it shall be the duty of the person, firm or corporation installing the same to notify the County Building Department, who shall notify the Electrical Inspector to inspect the installation as soon as possible, and if it is found to be fully in compliance with this ordinance and does not constitute a hazard to life and property, he shall issue on request to such person, firm, or corporation for delivery to the owner a certificate of inspection authorizing connection to the electrical service and the turning on of the current. All wires which are to be hidden from view shall be inspected before and any person, firm or corporation installing such wires shall notify the Electrical Inspector, giving sufficient time in which to make the required inspection before such wires are concealed.

SECTION 6: RE-INSPECTION

A. The Electrical Inspector may make periodically a thorough re-inspection of the installation in buildings of all electric wiring, electric devices and electric material now installed or that may hereafter be installed, within the Township of Manchester; and when the installation of any such wiring, devices, and/or material is found to be in a dangerous or unsafe condition, the person, firm or corporation owning, using or operating the same shall be notified and shall make the necessary repairs or changes required to place such wiring, devices and material in a safe condition and have such work completed within fifteen days, or any longer period specified by the Electrical Inspector in said notice. The Electrical Inspector is hereby empowered to disconnect or order in writing the discontinuance of electrical service to such wiring, devices, and/or material so found to be defectively installed until the installation of such wiring, devices and material has been made safe as directed by the Electrical Inspector.

SECTION 7: CONSTRUCTION REQUIREMENTS

A. No certificate of inspection shall be issued unless the electrical installation is in strict conformity with the provisions of this ordinance, the statutes of the State of Michigan, the rules and regulations issued by the Michigan Public Service Commission under the authority of the State statutes, and unless they are in conformity with approved methods of construction for safety to persons and property. The regulations as laid down in the National Electrical Code, as approved by the American Standards Association, and in the National Electrical Safety Code, as approved by the American Standards Association, and in the Township of Manchester rules and regulations established as hereinafter provided (Section 10, Par. D) shall be prima facie evidence of such approved methods.

SECTION 8: APPROVED MATERIALS

A. It shall be unlawful to install or use any electrical device, apparatus, or equipment designed for attachment to, or installation on any electrical circuit or system for heat, light or power that is not of good design and construction and safe and adequate for its intended use. The Electrical Inspector shall have power to disapprove the use of installation of devices not fulfilling these requirements. Devices, apparatus and equipment approved by such generally recognized authorities as the United States Bureau of Standards, Electrical Testing Laboratories of New York, or Underwriters Laboratories shall be held to have the approval of the Electrical Inspector unless explicitly disapproved by said Authority for reasons of faulty design and poor construction involving danger to persons and/or property.

B. It shall be the duty of the Electrical Inspector from time to time to inspect devices, apparatus and equipment offered to the public for use in installation to see that such items conform to the above requirements.

SECTION 9: RECORD AND REVIEW

A. The Electrical Inspector shall keep complete records of all permits issued and inspections made and other official work performed under the provisions of this Ordinance.

B. When the Electrical Inspector condemns all or part of any electrical installation the owner or his agent may within five days after receiving written notice from the Electrical Inspector, file a petition in writing for review of said action of the Electrical Inspector with the Board of Electrical Examiners, upon receipt of which the said Board of Electrical Examiners shall at once proceed to determine whether said electrical installation complies with this ordinance, and within three days shall make a decision in accordance with the findings.

SECTION 10: LICENSE FOR ELECTRICAL WORK

A. It shall be unlawful for any person, firm or corporation to engage as an independent contractor in the installation, alteration, maintenance or repair of electrical wiring, equipment, apparatus or fixtures for light, heat or power purposes in or about buildings and/or structures located within the Township of Manchester without first having procured a contractor's license.

Persons making applications must be 21 years of age, shall have held a license as a Journeyman electrician for a period of at least 2 years, and shall have passed a suitable examination for Contractor's License. Persons, firms or corporations applying for Contractor's license must have at least one member of the firm with the above qualifications and experience or may have one or more men employed with the above qualifications and experience.

A Board of Electrical Examiners is hereby constituted consisting of the Electrical Inspector of the Township of Manchester, a representative of an Electrical Utility Company, a licensed Electrical Contractor, a licensed Journeyman Electrician and an Electrical Engineer, and the said Electrical Contractor and Journeyman Electrician shall have had at least 10 years experience in electrical work. The members of said Board of Examiners shall be appointed by the Township of Manchester for such terms as shall be designated at the time of appointment. This Board shall examine all applicants for either Contractor's or Journeyman electrician's licenses. Applicants failing to pass will not be eligible for re-examination in any reciprocating Municipality for a period of thirty days. All applicants for licenses shall designate their legal address as the location of their residence in the case of Journeyman electricians, and their legal address as the principal place of business in the case of electrical contractors. All electrical contractors and journeyman electricians having their legal address within the corporate limits of the Township of Manchester shall secure their license from the said Board of Electrical Examiners.

The Board of Electrical Examiners shall prepare the application blanks, prescribe the examination and meet at least once a month or on call of the Chairman to hold examinations. Due notice shall be given applicants of the date of examination.

B. It shall be unlawful for any person to engage in the occupation or trade of Journeyman electrician in the installation, alteration, maintenance or repair of electrical wiring equipment, apparatus or fixtures for light, heat, power or medical purposes in or about buildings and/or structures within the Township of Manchester without having first taken the examination and obtained a license as herein provided. This provision shall not apply to helpers and apprentices, provided such work as they may do is performed under the direction and supervision of licensed Journeyman electricians who shall be on the premises at all times when such helpers or apprentices are performing such work on the premises.

All applications for said examination shall be in writing. The examination shall consist of an oral or written examination as the Examining Board shall determine, and such other practical tests in examination at the discretion of the Examining Board. Stenographic notes shall be taken of all oral examinations.

Minimum qualifications for examination for Journeyman electricians shall be four years of practical experience. Time spent in trade school attendance shall be credited as apprentice experience. Four years in technical school and one year practical experience shall also qualify for examination.

C. The fee for an Electrical Contractor's license shall be \$25.00 per year. The fee for a Journeyman Electrician's license shall be \$5.00 per year. Licenses shall expire on December 31st of each year, and shall be renewed upon application by the licensee, together with the payment of the required fee. After March 1st all licenses not renewed shall be considered cancelled and may not be renewed except upon approval of the Examining Board. Electrical Contractor's licenses and Journeyman Electrician's licenses shall be issued by the Electrical Inspector upon recommendation of the Examining Board. Licenses issued under this ordinance shall be non-transferable and shall be displayed when required. Electrical Contractor's licenses under the terms of this ordinance shall not secure permits for work to be done by any person not employed by said electrical contractor, and license may be revoked for violation of this rule.

No license shall be recognized by the Township of Manchester unless such licenses are issued by a cooperating Municipality having an Examining Board.

The Township of Manchester shall permit Electrical Contractors lawfully licensed by other municipalities of the State of Michigan to install, alter or repair electrical wiring, equipment, apparatus or fixtures for light, heat or power purposes within the corporate limits of the Township of Manchester upon payment of a \$5.00 registration fee, provided that such municipalities reciprocate in recognizing Electrical Contractors who are duly licensed under the provisions of this ordinance by granting them the same privilege and charging the same uniform license and registration fees. Provided further, that the licensing ordinances are substantially equal to the requirements of this ordinance. Journeyman Electricians duly licensed by any municipality cooperating in the reciprocal arrangement shall be permitted to work in the Township of Manchester without the payment of a registration fee. However, that any Journeyman Electrician doing work within the Township of Manchester, and holding a license from a cooperating municipality, shall register with the Electrical Inspector.

No Electrical Contractor's licenses shall be recognized, for the purpose of registration, by the Electrical Inspector of applicants who maintain their principal place of business in a municipality which fails to approve, by affirmative action of its legislative body, the reciprocal and mutually interchangeable licensing arrangements covered by this ordinance.

Corporations applying for Electrical Contractor's licenses, whose principal place of business is not in the State of Michigan, should obtain such license from the State of Michigan Electrical Administrative Board upon the payment of the prescribed fee.

Any Electrical Contractor's or Journeyman electrician's license may, after a hearing, be suspended or revoked by the Examining Board having issued such license upon evidence presented that false statements have been made upon application for license or upon evidence presented that the person, firm or corporation holding such license willfully or by reason of incompetence repeatedly violates any rules and regulations relating to the inspection, maintenance, alteration or repair of electrical wiring, devices, appliances or equipment.

D. The Board of Electrical Examiners is hereby empowered and it shall be their duty to promulgate and recommend such rules and regulations concerning electrical work in the Township of Manchester as may be required to properly provide for the situations therein. The rules and regulations so made by the Board of Electrical Examiners shall be effective upon approval by the Township Board, and shall take precedence over plans, specifications and National Electric Code rules.

E. A licensed electrician shall not be required for any wiring in or on a home and accompanying outbuildings owned, occupied or to be occupied by the person performing the installation, alteration or repair of wiring, devices, appliances and apparatuses, providing the inspector deems such person qualified to perform such work and such person obtains a permit as required by this code.

SECTION 11: EXEMPTIONS

The provisions of this ordinance shall not apply to the following: A. The installing of radio receiving sets and equipment. (The installation of convenient outlets for power supply to a radio set shall be subject to such rules and regulations.)

B. This ordinance and its provisions shall not apply to apparatus and equipment installed by or for any public utility operating under jurisdiction of the Michigan Public Service Commission in the exercise of its function as a utility and when such apparatus or equipment is used primarily for the generation or distribution of electric current or for signal or communication purposes.

SECTION 12: PENALTY

A. Any person, firm or corporation who shall fail to comply with any of the provisions hereof, shall upon conviction thereof, be subject to a fine of not more than \$100.00 or imprisonment in the City prison or the jail of Washtenaw County or any other place of confinement provided by the Court for such purpose in the discretion of the Court for a period not to exceed ninety (90) days, or both such fine and imprisonment in the discretion of the Court unless otherwise provided in this ordinance.

SECTION 13: REPEAL OF CONFLICTING ORDINANCES

All ordinances or parts of ordinances conflicting with the provisions of this ordinance are hereby repealed.

Should any section, subdivision, sentence, clause or phrase of this ordinance be declared by the Courts to be invalid the same shall not affect the validity of the ordinance as a whole or any part thereof other than the part so invalidated.

SECTION 14: LIABILITY

A. This ordinance shall not be construed to relieve from or lessen the responsibility or liability of any party owning, operating, controlling or installing any electrical wiring, electric devices and/or electric material for damages to person or property caused by any defect therein nor shall the Electrical Inspector be held as assuming any such liability by reason of the inspection authorized herein, or certificate of inspection issued as herein provided.

This ordinance shall take effect thirty (30) days after publication in the Manchester Enterprise, a newspaper having general circulation within Manchester Township, Washtenaw County, Michigan as required by Act 191 of Public Acts of the State of Michigan for the year 1968 as amended.

WALDO C. MANN Manchester Township Clerk

MR. KNICKERBOCKER RECEIVES DIPLOMA

Hollis Knickerbocker at the age of 36 has finished his high school courses at Ypsilanti High School and is the holder of a high school diploma.

Mr. Knickerbocker in addition to attending Ypsilanti High School has been taking courses at Washtenaw Community College in Ypsilanti.

Mr. Knickerbocker advises all young people to stay in school and get their high school education while they are young and have more of an ability to learn and have good study habits. "Job opportunities are much better with the diploma which young people are told often but is true," he added.

Mr. Knickerbocker was among 106 adults who received diplomas in a ceremony held in the Ypsilanti High School Auditorium on January 14, 1970.

Cold Weather Fires

NEW YORK—Fire losses usually are higher in the winter than any other time of the year, says the Insurance Information Institute. Although other factors are involved, this is a result mostly of heating hazards.

Crime Rate Spirals

NEW YORK—The Insurance Information Institute notes that crimes involving property, which have a pronounced effect on insurance losses and rates, climbed sharply again in 1969. Robbery increased 25 per cent over the 1967 figure, larceny rose 21 per cent, auto theft 15 per cent, and burglary 13 per cent.

Insurance Claims Climb

NEW YORK—The cost to insurance companies of paying claims growing out of auto accidents is mounting steadily, says the Insurance Information Institute. From 1958 through 1968, the average bodily injury liability claim rose 34 per cent from \$961 to \$1,336 and the average property damage liability claim climbed 77 per cent from \$154 to \$267.

Accident Death Tolls

NEW YORK—Accidents, the fourth most frequent cause of death, killed approximately 115,000 persons in the United States in 1968, says the Insurance Information Institute. Only heart disease, cancer, and strokes claimed more lives.

High Cost of Accidents

NEW YORK—Economic loss from auto accidents in 1968 hit a record \$14.25 billion, reports the Insurance Information Institute. This figure, which takes into account such factors as property damage, legal and medical bills, and lost income, is equivalent to a bill of approximately \$71 for every man, woman, and child in the country.

Home Accident Deaths

NEW YORK—Accidents in homes cost more than 28,500 persons their lives in 1968, reports the Insurance Information Institute.

When's the last time you got goose bumps when they played the Star Spangled Banner?

It's been a while, right? Well, then you're like a lot of us.

It seems that many of us are too grown-up to get excited about things like the Star Spangled Banner any more.

You could almost say that patriotism makes us feel embarrassed.

Besides, it's hard to really feel patriotic when you hear so much about how this country is falling apart.

But, of course, America still has a Bill of Rights.

And free elections. An incredibly high standard of living.

And a free enterprise system that lets you hitch your wagon to any star you want.

And plenty of other things you can't find anywhere else in this world.

Know what? Looking at it that way, America deserves a lot more credit than it's been getting.

One of the best ways to give this country the support it deserves is to buy U. S. Savings Bonds.

They strengthen the country so that it's better prepared to solve its problems.

And they happen to be one of the best ways to provide for your own welfare.

The interest is exempt from state and local income taxes. And you don't have to pay Federal tax until you cash your Bonds.

Buy U. S. Savings Bonds through the Payroll Savings Plan where you work. Or at your bank.

It'll give you a good feeling.

And a perfect excuse for getting goose bumps the next time they play the Star Spangled Banner.

If they're lost, stolen, or destroyed, we replace 'em.

Take stock in America Buy U.S. Savings Bonds

MANCHESTER GIRL SCOUTS SHOW INTEREST AND ENTHUSIASM IN TROOP PROJECTS

By Carolyn Ahrens

Manchester, known throughout the state as an active community in many local and state activities involving youth and adults, recently picked up another program which had been dormant a decade, the Girl Scouts. Interest conferences with the Girl Scout Council and the troop leaders resulted in the formation of the Cadette Troop in May, 1969 while the junior troops got underway in September. As pointed out by leader Mrs. Thomas Burch, long active in Boy Scout activities, it is the responsibility of bringing the program back to Manchester. The "scout program," as outlined in an informal educational program to help girls become re-individuals and "to provide a practical goal that girls can aim at daily lives." With eligibility between 12 and 17 years of age, Girl Scouting is open to all ethnic groups, creeds and nationalities who are willing to make a commitment. Promises, attend at least four executive meetings and pay a \$1.00 initial Membership fee. Adapted to 4 group levels, the Brownies must be in the second or third grade; the Juniors in the 4th, 5th or 6th grade; the Cadettes in the 7th, 8th or 9th grade; and the Senior Girl Scouts in the 10th, 11th or 12th grade.

In Manchester, there are now four Brownie Troops with 17 girls in each group, all under the sponsorship of the Jaycees. Troop Leader for 649 is Mrs. George Daubner with Assistant Leader Mrs. Joseph Fitzgerald; Troop 650 Leader is Mrs. Thomas Burch, assisted by Mrs. Clare Knickerbocker; 651 Troop Leader is Mrs. Larry Wright with Mrs. Barney Watson as her assistant leader; and Troop Leader for 652 is Mrs. Robert Achterberg assisted by Mrs. William Merriman.

The first Junior group organized in Manchester was under the direction of Mrs. Robert Downey. Her troop 676 has 23 girls and is sponsored by the WSCS of the Methodist Church. Mrs. William Rhoades is her Assistant Leader. In Troop 654 there are 24 girls with Troop Leader Mrs. Thomas E. Schill assisted by Mrs. Glen DeClaire. Mrs. Richard Kuntz is Troop Leader of 653 with 22 girls in her group with no assistant at the present time. Both Troops are under the sponsorship of the Manchester Chapter Order of the Eastern Star.

The Cadette Troop 186 Leader is Mrs. Ralph (Bud) England and is assisted at the present time by Mrs. Clare Knickerbocker with 26 girls in the troop. They meet on Wednesday evening at the home of Mrs. England and are sponsored by the Jaycees.

In addition to the troop leaders and assistants, Mrs. Titus Schneider, Jr. of Pleasant Lake is a substitute Brownie leader. The Manchester, Saline, Chelsea and Dexter troops make up the Huron Valley Girl Scout Council and meet periodically to discuss, learn and plan future activities. A Troop Committee is also active in each group providing additional help whenever needed. Although the girls are guided by several factors the projects and activities are largely planned by the girls themselves, the troop leaders pointed out, thus the girls learn responsibility in their own age level.

As with all organizations, the official Investiture Ceremonies was a highpoint of the year for the girls as well as their leaders. In addition to each troop ceremony the 130 girls involved in the Manchester troops have been active in a number of ways. Troop projects included making holiday decorative objects, cookie baking days at the leader's homes, Christmas caroling around Manchester and to an Ann Arbor hospital, a number of hikes, toboggan parties, viewing Mrs. Edna Knauss' rock collection and several other winter activities planned for the near future as well as a mid-June weekend camping trip for the older girls.

With only a few months of activity behind them, the girls are showing interest and enthusiasm in their troop projects and with the troop leaders and assistants are learning a great deal about this world-wide organization aimed to help girls of all race, color and creed set an example of achievement both in their personal lives as well as those in the community around them.

COMMUNITY CHEST TO HOLD ANNUAL MEETING FEB. 4

The Manchester Community Chest annual meeting will be at 7:30 p.m., Feb. 4 at the Franklin M. Reck Memorial Library in the high school. Brief reports will be given by all agencies supported by the local fund and there will be an opportunity for those present to learn more about each agency.

All contributions to the Manchester United Community Fund and Red Cross Drive are eligible to vote for the four board positions to be filled at this time. Nominees must give their consent to be placed on the ballot. Suggestions may be given to any of the three members of the nominating committee - Mrs. Del Ludwick, Clarence Fielder and Mrs. Victor Wurster.

Pictured top row l. to r. Ann Wright, Liz Daubner, Joyce Merriman and Betty Schneider. Bottom l. to r. Beverly Knickerbocker, Sue Achtenberg, Ruth Burch and Joyce Watson.

BANK CHANGES INTEREST MAXIMUMS

The Union Savings Bank of Manchester announced that effective February 1 (See full page advertisement this issue) the interest rate on savings book accounts would be increased to 4 1/2% and several other types of time certificates would be offered which in effect allows the maximum interest to local depositors as permitted under Federal laws.

The bank's president, Dan J. Boutell, stated that the local bank's Board of Directors was desirous of seeing that customers of the Union Savings Bank be given the same investment opportunity that can be offered in any insured bank in the country. Mr. Boutell also stated it was the opinion of the Board of Directors that the local bank should encourage the small and medium depositor rather than making higher rates available only to the large depositor which accounts for the bank's low \$500 minimum on time certificates.

An excellent opportunity for savers is pointed out by the bank's officers in the 5% 90-Day Certificates with the interest checks endorsed and deposited to a 4% savings account, thus drawing a fair amount of interest income and still having availability of funds on a short-term or immediate withdrawal basis. A more liberal interpretation of the rules on savings accounts has also been adopted by the bank's Board of Directors which results in no lost interest to depositors on amounts deposited by the 10th of any month and left on deposit for three months.

Mr. Boutell also reminds bank customers that all depositors are insured up to \$20,000 by the Federal Deposit Insurance Corporation with all premiums paid by the bank.

Two kinds of men generally best succeed in political life: men of no principle, but of great talent; and men of no talent, but of one principle - that of obedience to their superiors.

GLORIA GROSSMAN IS OUTSTANDING CITIZEN FOR MONTH OF JANUARY

Gloria Grossman, daughter of Mr. and Mrs. George Grossman, Jr. and a senior at Manchester High School is the Manchester Optimist Club January recipient of the Outstanding Citizen Award.

Gloria has distinguished herself in a number of ways. In her junior year she was treasurer of the F.H.A., member of the Junior Class play.

She was also a member of the basketball team. Her father was a member of the club and she planned the year Gloria is president of Varsity Club with in the "Quick" - a trophy.

Throughout her life Gloria has been an active and school act and old being around humor are out.

As a member of the Church of Christ she has been a helper and is now a member of the church.

The Grossman family has been a family camping in her studies, in art, English and a 2.9 point average.

Western Michigan hopes to gain a team in English or mathematics.
