Hollis Knickerbocker at the age of 36 has finished his high school courses at Ypsilanti High School and is the holder of a high school diploma.

Mr. Knickerbocker in addition to attending Ypsilanti High School has been taking courses at Washtenaw Community College in Hydraultics.

Mr. Knickerbocker advises all young people to stay in school and get their high school education while they are young and have more of an ability to learn and have good study habits. "Job opportunities are much better with the diploma which young people are told often but is true," he added.

Mr. Knickerbocker was among 106 adults who received diplomas in a ceremony held in the Ypsilanti High School Auditorium on January 14, 1970.

Cold Weather Fires

NEW YORK—Fire losses usually are higher in the winter than any other time of the year, says the Insurance Information Institute. Although other factors are involved, this is a result mostly of heating hazards.

Crime Rate Spirals

NEW YORK—The Insurance Information Institute notes that crimes involving property, which have a pronounced effect on insurance losses and rates climbed sharply again in 1969. Robbery increased 25 per cent over the 1967 figure. Larceny rose 21 per cent, auto theft 15 per cent, and burglary 13 per cent.

Insurance Claims Climb

NEW YORK—The cost to insurance companies of paying claims growing out of auto accidents is mounting steadily, says the Insurance Information Institute. From 1958 through 1968, the average bodily injury liability claim rose 34 per cent from \$961 to \$1,336 and the average property damage liability claim climbed 77 per cent from \$154 to \$267.

Accident Death Tolls

NEW YORK—Accidents, the fourth most frequent cause of death, killed approximately 115,000 persons in the United States in 1968, says the Insurance Information Institute. Only heart disease, cancer, and strokes claimed more lives.

High Cost of Accidents

NEW YORK—Economic loss from auto accidents in 1968 hit a record \$14.25 billion, reports the Insurance Information Institute. This figure, which takes into account such factors as property damage, legal and medical bills, and lost income, is equivalent to a bill of approximately \$71 for every man, woman, and child in the country.

Home Accident Deaths

NEW YORK—Accidents in homes cost more than 28,500 persons their lives in 1968, reports the Insurance Information Institute.

MANCHESTER GIRL SCOUTS SHOW INTEREST AND ENTHUSIASM IN TROOP PROJECTS

By Carolyn Ahrens

Manchester, known throughout the state as an active community in many local and state activities involving youth and adults, recently picked up another program which had been dormant a decade, the Girl Scouts. Interest conferences with the Girl Scout Council and the troop leaders resulted in the formation of the Cadette Troop in May, 1969 while the junior troops got underway in September. As pointed out by leader Mrs. Thomas Burch, who has been active in Boy Scout activities for many years, it is her responsibility in bringing the program back to Manchester. The program, as outlined in an informal educational program to help girls become re-individuals and "to provide a practical goal that girls can aim at daily lives." With eligibility between 12 and 17 years of age, Girl Scouting is open to all ethnic groups, creeds and nationalities who are willing to make a commitment to the Girl Scout Promise, attend at least four executive meetings and pay a \$1.00 initial Membership fee. Adapted to 4 group levels, the Brownies must be in the second or third grade; the Juniors in the 4th, 5th or 6th grade; the Cadettes in the 7th, 8th or 9th grade; and the Senior Girl Scouts in the 10th, 11th or 12th grade.

In Manchester, there are now four Brownie Troops with 17 girls in each group, all under the sponsorship of the Jaycees. Troop Leader for 649 is Mrs. George Daubner with Assistant Leader Mrs. Joseph Fitzgerald; Troop 650 Leader is Mrs. Thomas Burch, assisted by Mrs. Clare Knickerbocker; 651 Troop Leader is Mrs. Larry Wright with Mrs. Barney Watson as her assistant leader; and Troop Leader for 652 is Mrs. Robert Achterberg assisted by Mrs. William Merriman.

The first Junior group organized in Manchester was under the direction of Mrs. Robert Downey. Her troop 676 has 23 girls and is sponsored by the WSCS of the Methodist Church. Mrs. William Rhoades is her Assistant Leader. In Troop 654 there are 24 girls with Troop Leader Mrs. Thomas E. Schill assisted by Mrs. Glen DeClaire. Mrs. Richard Kuntz is Troop Leader of 653 with 22 girls in her group with no assistant at the present time. Both Troops are under the sponsorship of the Manchester Chapter Order of the Eastern Star.

The Cadette Troop 186 Leader is Mrs. Ralph (Bud) England and is assisted at the present time by Mrs. Clare Knickerbocker with 26 girls in the troop. They meet on Wednesday evening at the home of Mrs. England and are sponsored by the Jaycees.

In addition to the troop leaders and assistants, Mrs. Titus Schneider, Jr. of Pleasant Lake is a substitute Brownie leader. The Manchester, Saline, Chelsea and Dexter troops make up the Huron Valley Girl Scout Council and meet periodically to discuss, learn and plan future activities. A Troop Committee is also active in each group providing additional help whenever needed. Although the girls are guided by several factors the projects and activities are largely planned by the girls themselves, the troop leaders pointed out, thus the girls learn responsibility in their own age level.

As with all organizations, the official Investiture Ceremonies was a highpoint of the year for the girls as well as their leaders. In addition to each troop ceremony the 130 girls involved in the Manchester troops have been active in a number of ways. Troop projects included making holiday decorative objects, cookie baking days at the leader's homes, Christmas caroling around Manchester and to an Ann Arbor hospital, a number of hikes, toboggan parties, viewing Mrs. Edna Knauss' rock collection and several other winter activities planned for the near future as well as a mid-June weekend camping trip for the older girls.

With only a few months of activity behind them, the girls are showing interest and enthusiasm in their troop projects and with the troop leaders and assistants are learning a great deal about this world-wide organization aimed to help girls of all race, color and creed set an example of achievement both in their personal lives as well as those in the community around them.

COMMUNITY CHEST TO HOLD ANNUAL MEETING FEB. 4

The Manchester Community Chest annual meeting will be at 7:30 p.m., Feb. 4 at the Franklin M. Reck Memorial Library in the high school. Brief reports will be given by all agencies supported by the local fund and there will be an opportunity for those present to learn more about each agency.

All contributions to the Manchester United Community Fund and Red Cross Drive are eligible to vote for the four board positions to be filled at this time. Nominees must give their consent to be placed on the ballot. Suggestions may be given to any of the three members of the nominating committee - Mrs. Del Ludwick, Clarence Fielder and Mrs. Victor Wurster.

BANK CHANGES INTEREST MAXIMUMS

The Union Savings Bank of Manchester announced that effective February 1 (See full page advertisement this issue) the interest rate on savings book accounts would be increased to 4 1/2% and several other types of time certificates would be offered which in effect allows the maximum interest to local depositors as permitted under Federal laws.

The bank's president, Dan J. Boutell, stated that the local bank's Board of Directors was desirous of seeing that customers of the Union Savings Bank be given the same investment opportunity that can be offered in any insured bank in the country.

Mr. Boutell also stated it was the opinion of the Board of Directors that the local bank should encourage the small and medium depositor rather than making higher rates available only to the large depositor which accounts for the bank's low \$500 minimum on time certificates.

An excellent opportunity for savers is pointed out by the bank's officers in the 5% 90-Day Certificates with the interest checks endorsed and deposited to a 4% savings account, thus drawing a fair amount of interest income and still having availability of funds on a short-term or immediate withdrawal basis. A more liberal interpretation of the rules on savings accounts has also been adopted by the bank's Board of Directors which results in no lost interest to depositors on amounts deposited by the 10th of any month and left on deposit for three months.

Mr. Boutell also reminds bank customers that all depositors are insured up to \$20,000 by the Federal Deposit Insurance Corporation with all premiums paid by the bank.

Who, What, When, Where & WHY

LETTER TO THE EDITOR

Stop Worrying

Most people worry about the future. We should stop worrying and start doing something to improve it. My parents were thinking about mine when they told me to put part of my earnings in the bank so I would have something to live on when I was too old to work. They also said if I had money in the bank I would feel independent. I have always had that feeling but it has changed. They didn't know that by the time I was old enough to be thinking about getting married that the banks would have failed, or by the time I was old enough to be thinking about a place to be buried,

that what the average person could have saved in one year would only be enough to pay for a hospital room for two days or a payment on the doctor's bill. Not only has the cost of living increased to have saved enough at that time to be buried now would have taken nearly 10 years. When the prices of things we must have increase this fast it isn't because of progress. It's because of greed.

All it took to cause the banks and stockmarket to fail 40 years ago was a few greedy people that had ways of getting more than their fair share. Those that were working for a living during the depression that followed never forgot about it. Those that came to me for jobs didn't just ask; they begged. They didn't ask what I could pay them. I didn't even know because many times we traded our services for meat, butter, eggs, fruit and vegetables. The hired help were glad to get part of it. This wouldn't work now because the hired help would want more than they could carry.

Nearly everyone wants all they can possibly get. Many of them even refuse to work until they get it. This is why we don't have to worry about another depression starting in forty years. It will take longer than that to find a way to end this one.

GERMAN CLUB SCHEDULE OF MONEY-MAKING PROJECTS

As the time for their departure to Munich draws nearer, the members of the German Club are busy planning their last few money-making projects.

The first event is a bake sale scheduled for this Saturday, Jan. 31 at the Union Savings Bank, from 9 a.m. till noon. The German Club members are very grateful to the many folks who have supported their bake sales in the past by donating home-baked goodies and buying the various items they had for sale. They wish to send a special thanks to the bank for "putting up with them."

The second project will be a Card Party to be held Feb. 21 at the high school Study Auditorium from 7:30 till 10 p.m. A similar party was held recently, at which time all participants received many free samples from various advertising companies. The same will hold true for the party in Febru-

ary. Tickets of \$1.00 can be purchased from any member of the club. Prizes will be given and refreshments served.

The next project will be a Rummage Sale in the early part of March. The exact location and date will be announced later. If you have any items which you might like to contribute, please contact Renee Kirk or Valerie Vogel or Mrs. O. W. Cooper.

In the meantime, the General Mills Company has given the German Club members permission to collect Betty Crocker Coupons which the company will redeem in cash. A 1/2 cent for each point doesn't seem a whole lot, but it adds up. The club members in your neighborhood will be glad to pick up the coupons or you may send them with any high school student to Room 107.

Wednesday evening, Jan. 21 the Sharon Valley Saddle Club, held a regular business meeting in the Sharon Town Hall.

There were twenty members and five visitors present. Members were asked to bring their brides. For roll call, they had to show their brides and tell what kind it was and what kind of bit was being used in the bridle. During the course of the meeting the members had to disassemble their brides and then reassemble them later in the evening.

Nominations were taken for the offices of the club. The elections will be held at the next meeting.

Many of the club members are actively involved in the county and club horse judging program. Mr. Richard Wright of

Willis and Mr. Clinton Fisk of Manchester are in charge of the county program. The finals for the county will be held in February. The Washtenaw County Senior Horse Judging Team will then go on to the

state contest which is held each year in conjunction with the annual Block and Bridle Show in East Lansing. The Block and Bridle Show is set for April 4, 1970.

No. 1 place to take your son or daughter for a used car

It's just plain good sense to take your son or daughter to a dealer you can trust for a used car. Ford Dealers are in business to stay. We stand behind our used cars and we treat our used car buyers like new car customers. Because that's what we hope they'll be some day. And if you want another reason to see us... check our low prices.

FOUR WRESTLERS PLACE AT LESLIE TOURNAMENT

Four Manchester wrestlers won medals at the Invitational Tournament held at Leslie January 17. Dan Roberts placed first at 107 lbs. to keep his record unblemished. Dan has won 13 straight matches without a loss. At the close of the tournament Dan was named as the most valuable wrestler in the entire tournament.

Dan Spiess took a third place at 137 lbs. His record is 11 wins, 4 losses. Pete Haeussler lost his first match of the season in the 185 lb. finals as he took a second place behind the state champion. Pete now owns a 11 and 1 record. Hugh Haeussler, who was out with an injury at the start of the season, took a third at heavyweight. Hugh has a record of 2 wins and 1 loss.

DUTCHMEN WRESTLERS SCORE WIN OVER ADRIAN MADISON

Manchester's wrestling team scored an upset victory over Adrian Madison, who was ranked sixth in the state. Manchester won seven and tied one match to defeat the Trojans 29 to 22 last Thursday night in the high school gym.

Winners for Manchester were Bob Preston 98 lbs., Dan Roberts 107 lbs., Tim Preston

115 lbs., Dan Spiess 145 lbs., John Weidmayer 165 lbs., Pete Haeussler 185 lbs., and Hugh Haeussler at Heavyweight. Dan Ganzhorn wrestled to a draw at 130 lbs.

DUTCHMEN WRESTLERS WIN SECOND TROPHY

Manchester's wrestling team now has added two trophies to the high school trophy case. The latest addition was a runner-up award from the Vandercook Lake Invitational. Place finishers in the Vandercook Tournament were Bob Preston 3rd place 98 lbs., Dan Roberts first place 107 lbs., Tim Preston fourth place 115 lbs., Dan Spiess second place 137 lbs., Gary Weidmayer fourth place 145 lbs., Pete Haeussler second place 185 lbs., Hugh Haeussler second place heavyweight.

The wrestling team is having a great year and will finish well up in the conference standings. Some injuries have weakened the squad at a few weights, but the replacement boys have potential and hopefully some new boys will be able to step in and do a good job. Some senior wrestlers are having outstanding years; Dan Roberts is 18 and 0, Tim Preston is 10 and 4, Dan Spiess is 15 and 5, Gary Weidmayer is 11 and 5, and Pete Haeussler is 14 and 3.

SPORTS

Dutchman "Lefty"

DUTCHMEN LOST TO BOTH CLINTON AND CHELSEA

The Dutchmen basketball team lost to Clinton and Chelsea over the weekend. Clinton beat the varsity team 67-57 and the J.V.'s lost 61-31. The varsity had a cold first quarter, but came back to tie the game up at 43 all in the third quarter. Then some costly turnovers and poor free throw shooting (missed five one-and-ones) in the last quarter cost them the game. Rich Schaible led the team in scoring with 23 points and rebounding with 9. Dave Tapping was second in both departments with 13 points and 8 rebounds.

Saturday the Dutch traveled to Chelsea and lost 80-60. The visitors were one point ahead at the quarter and only three points down at half time, but they had a bad lapse in the third quarter. Schaible and Tapping again led the way for Manchester with 24 and 16 points respectively. They were in the same order in rebounds with 13 and 11 apiece. The J.V.'s lost to Chelsea 75-39.

This Friday night Addison comes to town and the Dutchmen hope to break a four game losing streak. The J.V. game starts at 6:30 p.m.

JR. HIGH BASKETBALL TEAM TO PLAY ADDISON THEN ACC AT HOME

The Jr. High Dutchmen will play against Addison on Thursday, January 29 at 5:00 p.m. at Manchester.

On Thursday, February 5 They will meet ACC at 4:30 p.m. on the home court.

OFFICIAL NOTICE OF SALE

\$125,000.00
VILLAGE OF MANCHESTER
COUNTY OF WASHTENAW, MICHIGAN
GENERAL OBLIGATION BRIDGE BONDS

Sealed bids for the purchase of the above bonds will be received by the undersigned at the Village Hall in said Village until Thursday, the 5th day of February, 1970, at 7:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds will be dated October 1, 1969, will be numbered consecutively in direct order of maturity from 1 to 125, inclusive, and will mature serially as follows:
\$ 5,000.00 October 1st of each of the years 1970, 1971 and 1972;
\$10,000.00 October 1st of each year from 1973 to 1983, inclusive.

Said bonds shall be coupon bonds in the denomination of \$1,000.00 each and shall bear interest from their date at a rate or rates not exceeding eight per cent (8%) per annum, expressed in multiples of 1/8 of 1%. Said interest shall be payable on October 1, 1970, and semi-annually thereafter on the first day of April and October of each year. Both principal and interest will be payable at a bank or trust company, authorized to act as paying agent, under the Statutes of the State of Michigan or of the United States of America, designated by the original purchaser of the bonds, subject to the approval of the Village. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery. The interest rate on any one bond shall be at one rate only and shall be represented by only one coupon for each coupon period and all bonds maturing in the same year shall carry the same interest rate. None of said bonds shall bear interest at a rate per annum which is less than 50% of the rate borne by any other bonds of this issue.

Bonds maturing in the years 1980 to 1983, inclusive, shall be subject to redemption prior to maturity, at the option of the Village, on any interest payment date on or after October 1, 1979, at par and accrued interest, plus a premium as follows:

- 3% of par value if called for redemption prior to October 1, 1980;
- 2% of par value if called for redemption on or after October 1, 1980, but prior to October 1, 1981;
- 1% of par value if called for redemption on or after October 1, 1981, but prior to maturity.

Said bonds shall be called in inverse numerical order.

Notice of redemption shall be given to the holders of bonds to be redeemed by publication of such notice not less than thirty days prior to the date fixed for redemption at least once in a newspaper or publication circulated in the State of Michigan which carries as part of its regular service, notices of sale of municipal bonds. No further interest shall be payable on bonds called for redemption after the date fixed for redemption whether presented for redemption or not, provided the Village has sufficient money available for such redemption with the paying agent.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from March 1, 1970, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village.

No proposal for less than all of the bonds, nor for less than 100% of their par value, will be considered. These bonds are being issued to pay the cost of acquiring and constructing bridge improvements consisting of a new bridge on East Duncan over the Raisin River and repairing the existing bridge on East Main Street over the Raisin River, in the Village of Manchester.

The Village is authorized by law to levy upon all the taxable property therein each ad valorem taxes as may be necessary to pay the bonds and interest thereon, without limitation as to rate or amount.

A certified or cashier's check in the amount of \$2,500.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the Village of Manchester, must accompany each bid as a guaranty of good faith on the part of the bidder. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Padcock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds. The cost of such opinion and the cost of printing the bonds shall be paid by the Village. Bonds will be delivered at Detroit, Michigan, or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Clerk, Village of Manchester

Here's an adventure! What awaits Beyond these closed, mysterious gates? Whom shall I meet, where shall I go? Beyond the lovely land I know? Above the sky, across the sea? What shall I learn and feel and be? Open, strange doors, to good or ill! I hold my breath a moment still Before the magic of your look. What shall you do to me, O Book?

As a friend to the children, commend me the Yak; You will find it exactly the thing; It will carry and fetch, you can ride on its back. Or lead it about with a string. Then tell your papa where the Yak can be got. And if he is awfully rich, He will buy you the creature - or else he will not. (I cannot be positive which).

JAYCEES CELEBRATE GOLDEN ANNIVERSARY

Polyn Ahrens

The year 1970 is the beginning of a new year bringing with it reflections of the resolutions for the future, perhaps of peace, world understanding and of the achievements in man's exploration of the universe. These plus many will require support from all Americans as well as our world neighbors as individuals. One such organization contributed heavily in personal time toward community understanding, youth projects and valued past years such as President Richard Nixon. The United States Jaycees will have a year of special importance as they celebrate the Golden Anniversary of the founding of their club.

The Jaycees as it is known today had a beginning in St. Louis, Missouri when a young man Henry Giessenbier, Jr. organized a dance club with the main purpose of the social elevation of its members. The next ten years brought many changes at the now civic club striving toward community development, an affiliation with the St. Louis Chamber of Commerce and finally in 1920 the national organization was founded as the United States Junior Chamber of Commerce later renamed the United States Jaycees in 1965.

A club which began with 12 chapters and 400 members to the 6,000 chapters and 300,000 members today, the Manchester Jaycees Headquarters is located in Michigan, Oklahoma with achievements and contributions toward community development the major objective of the organization. The Michigan Jaycees are among the top states in membership and activities with the Manchester Jaycees, one of 269 state chapters, contributing a great deal toward the state and national organization. Rated in the top ranks of the state Jaycee Parade of Chapters, the Manchester Jaycees will also observe 1970 as a special year as their 15th year of community service.

A 71-member chapter, the Manchester Jaycees have contributed toward the community with such projects as sponsoring the Lamb Club, several Boy and Girl Scout troops, two yearly high school scholarships, the Chicken Broil and Snowmobile Race. They also sponsor the annual Halloween party and Easter Egg Hunt for area children, were responsible for the picnic stoves at Carr Park, decorate the business district during the holidays and are planning another river bank clean-up day Feb. 8 plus many other community projects designed to further benefit Manchester.

As part of the national and state Jaycees, the Manchester Jaycees also participate in many national activities on a local level. One of these is Bosses Night when a Jaycee honors his boss at a special dinner during National Jaycee Week. Last Thursday evening the Manchester Jaycees honored their boss and welcomed guest speaker Judge John Swainson, past governor of Michigan. Master of Ceremonies Herb Mahony pre-

sented Judge Swainson who spoke on the controversial topic of today, narcotics.

The Jaycees then presented three outstanding bosses of the year with certificates and plaques in recognition of their activity in community civic and religious organizations and also for their continued support financially as well as in personal, company time and equipment contributions toward Jaycees projects.

A 21 to 36 age-limit organization, the Manchester Jaycees have had many outstanding members including the fifteen Past-Presidents. The 1st Manchester Jaycee President was Ralph Sharp who served from 1954 to 1955. He was followed by Allen Luckhart, 1955-56; Ronald Jenter 1956-57; Donald Fielder, 1957-58; Bill Schaffer, 1958-59; Bill Baker, 1959-61; Joe Fitzgerald, 1961-62; Jim Cannon, 1962-63; Ron McNally, 1963-64; Keith Doelker, 1964-65; Bill Bunney, 1965-66; Dave Little, 1966-67; Gary Brokaw, 1967-68; Bob Rhee, 1968-69 and Lauren Berke serving 1969-70. A young man's organization, the Jaycees have been and will continue to be an important asset in the continual strive for world peace and understanding.

MARCH OF DIMES CAMPAIGN IN WIND-UP STAGE

"It is true that after January 31 we stop beating the drums and mute the trumpets but it will be a couple of more months before the 1970 March of Dimes will go into the record books," Mrs. Hugh Sutton, Chairman of Manchester's March of Dimes stated. "We hesitate to be overly optimistic but we are hoping to at least equal our 1969 performance," she added.

The Mother's March, directed for the second consecutive year by Mrs. Ronald Gonyer, broke all existing records with an unofficial total of \$553.16.

Contributions are up in every division with donations still coming in from the mail campaign and envelopes left by Marching Mothers. Additional funds are expected from business and industry, clubs and organizations and some youth activities. A full report will be published sometime in March.

Both Mrs. Sutton and Mrs. Gonyer wish to express their heartfelt appreciation to the people of Manchester for their generosity and good will and to the devoted army of volunteers who gave so fully of their time and talents in the fight against birth defects.

CHAMBER CHANGES MEETING DATE

Ken Wolf, Chamber President announces that the regular February meeting will be held one week late.

This change was made in order that a speaker from the Federal Government

The Manchester Jaycees have extended an invitation to the members of other civic organizations to join them for their River Clean-Up this Sunday, Feb. 8 beginning at 10 a.m.

MARCH OF DIMES COFFEE DAY AT KOPPER KETTLE HUGE SUCCESS

On Wednesday, Jan. 28 the Kopper Kettle restaurant proved that "Fund Raising Can be Fun," by holding a benefit "Coffee Day" for the March of Dimes. Free coffee was furnished all day in return for contributions to the March of Dimes. The Manchester Bakery cooperated in the event by furnishing fried cakes for dunking.

A total of \$39.25 was in the kitty at the close of the day.

On Thursday, Jan. 29 patrons of the Kopper Kettle were asked to guess the amount of money in the glass container, with the closest guess winning a free cup of coffee every day for a week. Jay Lantis was the lucky winner with an estimate of \$38.64 and Dave Bunn was a close runner-up with \$40.00.

Mr. and Mrs. Irv Gill, owners of the Kopper Kettle report that they enjoyed sponsoring the event so much that they plan to make it an annual affair.
