### JAYCEES CELEBRATE GOLDEN ANNIVERSARY

Polyn Ahrens

The year 1970 is the beginning of a new year bringing with it reflections of the resolutions for the future, perhaps of peace, world understanding and of the achievements in man's exploration of the universe. These plus many will require support from all Americans as well as our world neighbors as individuals. One such organization contributed heavily in personal time toward community understanding, youth projects and valued past years such as President Richard Nixon. The United States Jaycees will mark a year of special importance as they celebrate the Golden Anniversary of the founding of their club.

The Jaycees as it is known today had a beginning in St. Louis, Missouri when a young man Henry Giessenbier, Jr. organized a dance club with the main purpose of the social elevation of its members. The next ten years brought many changes at the now civic club striving toward community development, an affiliation with the St. Louis Chamber of Commerce and finally in 1920 the national organization was founded as the United States Junior Chamber of Commerce later renamed the United States Jaycees in 1965.

A club which began with 12 chapters and 400 members to the 6,000 chapters and 300,000 members today, the Manchester Jaycees Headquarters is located in Michigan, Oklahoma with achievements and contributions toward community development the major objective of the organization. The Michigan Jaycees are among the top states in membership and activities with the Manchester Jaycees, one of 269 state chapters, contributing a great deal toward the state and national organization. Rated in the top ranks of the state Jaycee Parade of Chapters, the Manchester Jaycees will also observe 1970 as a special year as their 15th year of community service.

A 71-member chapter, the Manchester Jaycees have contributed toward the community with such projects as sponsoring the Lamb Club, several Boy and Girl Scout troops, two yearly high school scholarships, the Chicken Broil and Snowmobile Race. They also sponsor the annual Halloween party and Easter Egg Hunt for area children, were responsible for the picnic stoves at Carr Park, decorate the business district during the holidays and are planning another river bank clean-up day Feb. 8 plus many other community projects designed to further benefit Manchester.

As part of the national and state Jaycees, the Manchester Jaycees also participate in many national activities on a local level. One of these is Bosses Night when a Jaycee honors his boss at a special dinner during National Jaycee Week. Last Thursday evening the Manchester Jaycees honored their boss and welcomed guest speaker Judge John Swainson, past governor of Michigan. Master of Ceremonies Herb Mahony pre-

Allan Schaffer receiving his award at Bosses' Night.

Willard Mann accepting award from Herb Mahony.

sented Judge Swainson who spoke on the controversial topic of today, narcotics.

The Jaycees then presented three outstanding bosses of the year with certificates and plaques in recognition of their activity in community civic and religious organizations and also for their continued support financially as well as in personal, company time and equipment contributions toward Jaycees projects.

A 21 to 36 age-limit organization, the Manchester Jaycees have had many outstanding members including the fifteen Past-Presidents. The 1st Manchester Jaycee President was Ralph Sharp who served from 1954 to 1955. He was followed by Allen Luckhart, 1955-56; Ronald Jenter 1956-57; Donald Fielder, 1957-58; Bill Schaffer, 1958-59; Bill Baker, 1959-61; Joe Fitzgerald, 1961-62; Jim Cannon, 1962-63; Ron McNally, 1963-64; Keith Doelker, 1964-65; Bill Bunney, 1965-66; Dave Little, 1966-67; Gary Brokaw, 1967-68; Bob Rhee, 1968-69 and Lauren Berke serving 1969-70. A young man's organization, the Jaycees have been and will continue to be an important asset in the continual strive for world peace and understanding.

### MARCH OF DIMES CAMPAIGN IN WIND-UP STAGE

"It is true that after January 31 we stop beating the drums and mute the trumpets but it will be a couple of more months before the 1970 March of Dimes will go into the record books," Mrs. Hugh Sutton, Chairman of Manchester's March of Dimes stated. "We hesitate to be overly optimistic but we are hoping to at least equal our 1969 performance," she added.

The Mother's March, directed for the second consecutive year by Mrs. Ronald Gonyer, broke all existing records with an unofficial total of \$553.16.

Contributions are up in every division with donations still coming in from the mail campaign and envelopes left by Marching Mothers. Additional funds are expected from business and industry, clubs and organizations and some youth activities. A full report will be published sometime in March.

Both Mrs. Sutton and Mrs. Gonyer wish to express their heartfelt appreciation to the people of Manchester for their generosity and good will and to the devoted army of volunteers who gave so fully of their time and talents in the fight against birth defects.

### CHAMBER CHANGES MEETING DATE

Ken Wolf, Chamber President announces that the regular February meeting will be held one week late.

This change was made in order that a speaker from the Federal Government

Rolly Grossman, one of three men receiving the Boss of Year Award.

### JAYCEES ASK OTHER ORGANIZATIONS TO JOIN IN RIVER-CLEAN-UP

The Manchester Jaycees have extended an invitation to the members of other civic organizations to join them for their River Clean-Up this Sunday, Feb. 8 beginning at 10 a.m.

### MARCH OF DIMES COFFEE DAY AT KOPPER KETTLE HUGE SUCCESS

On Wednesday, Jan. 28 the Kopper Kettle restaurant proved that "Fund Raising Can be Fun," by holding a benefit "Coffee Day" for the March of Dimes. Free coffee was furnished all day in return for contributions to the March of Dimes. The Manchester Bakery cooperated in the event by furnishing fried cakes for dunking.

A total of \$39.25 was in the kitty at the close of the day.

On Thursday, Jan. 29 patrons of the Kopper Kettle were asked to guess the amount of money in the glass container, with the closest guess winning a free cup of coffee every day for a week. Jay Lantis was the lucky winner with an estimate of \$38.64 and Dave Bunn was a close runner-up with \$40.00.

Mr. and Mrs. Irv Gill, owners of the Kopper Kettle report that they enjoyed sponsoring the event so much that they plan to make it an annual affair.

Speaker Judge Swainson.

Dear Friend,

Once again the Executive Board of the Auxiliary of the Washtenaw County Medical Care Facility brings you a report of the year's work. As you know, this work is the responsibility of the people of Washtenaw County and your gifts and membership fees provide the financial support for the extra needs and comforts not included in the budget of the County.

This year the Auxiliary has provided films for movies, records for music lovers, the monthly Birthday parties, card service, gifts for each patient at Christmas time and a wonderfully planned Christmas Party. Among more expensive items are equipment such as the tea water drinking fountains which have been needed for some years for the comfort and convenience of both patients and staff. Several large gifts from various organizations made it possible to provide for these installations. All gifts, large or small, are welcome and will be used for the needs of the patients through the year.

By renewing your membership or joining as a new member, you will be sharing in the work of the Auxiliary. An individual membership is \$1.00--This is the minimum and larger gifts are needed. Organizations and groups may become members by paying \$2.00. If you can offer your services you will be very welcome, but you become a full member just by paying your dues.

Please use the enclosed envelope for your membership donation, making the check payable to the Washtenaw County Medical Care Facility Auxiliary. Your return address, plus Zip Code, will insure your inclusion in all mailings for the year's activities.

Sincerely,

President

No, John Halberstam isn't a farmer. He's planting trees for the power company.

For Consumers Power, cultivating trees is an important part of our good neighbor policy. The company owns some 750 miles of land along the banks of the Au Sable, Manistee and Muskegon Rivers. By combining the operation of our hydroelectric plants with scientific forest and land use management, we are able to provide vacationers with some of Michigan's most beautiful recreation areas. Where riverlands have been misused in the past, we have worked with state and federal conservation agencies and with volunteer groups to reclaim the areas. Because we live here and work here, we care about making life better.

ABRAHAM LINCOLN WALKS AT MIDNIGHT

Vachel Lindsay

It is portentous, and a thing of state  
There here at midnight, in our little town  
A mourning figure walks, and will not rest,  
Near the old courthouse pacing up and down.

Or by his homestead, or in shadowed yards  
He lingers where his children used to play,  
Or through the market, on the well-worn stones  
He stalks until the dawn-stars burn away.

A bronzed, lank man! His suit of ancient black,  
A famous high top hat and plain worn shawl  
Make him the quaint great figure that men love,  
The prairie-lawyer, master of us all,

He cannot sleep upon his hillside now.  
He is among us, as in times before!  
And who toss and lie awake for long  
Breathe deep, and start, to see him pass the door.

His head is bowed. He thinks on men and kings:  
Yea, when the sick world cries, how can he sleep?  
Too many peasants fight, they know not why,  
Too many homesteads in black terror weep.

The sins of all the warlords burn his heart.  
He sees the dreadnaughts scouring every main.  
He carries on his shawl-wrapped shoulders now  
The bitterness, the folly and the pain.

He cannot rest until a spirit-dawn  
Shall come; the shining hope of Europe free;  
The league of sober folk, the workers' earth,  
Bring long peace to cornland, Alp and sea.

It breaks his heart that kings must murder still,  
That all his hours of travail here for men  
Seem yet in vain. And who will bring white peace  
That he may sleep upon his hill again?

**MY VALENTINE WISH**

Marian L. Moore

A year has rolled by, and it's Valentine's Day  
So I'm sending this wish for you,  
In hopes that the day will bring joy of the best  
With enough to last your life through.

May the days as they pass,  
a sequence of song,  
Bring love, that is true  
to your heart,  
Which will weave all your dreams  
in a pattern of hope  
And a fullness to life impart.

So with Valentine's Day,  
and all that it means,  
I shall offer my love and my best;  
May fortune's bright smile shine  
forever on you  
And God grant your slightest request.

### GIRL SCOUT COOKIE SALE CHAIRMAN CHOSEN

Mrs. James Kensler, 309 Territorial Rd., has been appointed Girl Scout Cookie Sale Chairman for Manchester, according to Mrs. Jack Hagopian, Plymouth, Cookie Sale Chairman for the entire Huron Valley Girl Scout Council.

According to Mrs. Kensler, the council covers such a large area that many volunteers are needed to make the sale run smoothly. Girl Scouts in Washtenaw, Livingston, western Wayne and northern Monroe counties comprise the council. They will take orders for cookies from Feb. 20 thru March 7 and deliver the cookies to the customers from April 13 thru 25.

This year the sale is especially important to the Girl Scouts, according to Mrs. Kensler. They've set their council goal at 300,000 boxes of cookies, an increase of 3,000 boxes over what they sold last year. The Council profit, 21 cents per box, will be used partly to further develop Camp Linden, their year-round camp in northern Livingston County. The Scouts are conducting a public fund campaign now to help raise \$600,000 to develop the camp, but they need the profit from this year's sale to take care of some camp development costs that are not included in the \$600,000 fund goal. In addition council profits provide camperships for needy Scouts, help pay expenses of older Scouts selected for national and international opportunities, and cover some operating expenses connected with camp operation.

"Camp Linden is really important to our local Scouts," says Mrs. Kensler, "some of them will attend resident camp there in the summer and go week-end camping there with their troops."
