

WRESTLERS WIN ONE FOR MOMS AND DADS

The Manchester wrestling team honored their parents Wednesday night at their match with Napoleon. It was the first Mom and Dad's Night and was a huge success. The team capped the affair with a 36 to 15 win over Napoleon. Over fifty parents were in attendance at the match. Winners for Manchester were Bob Preston, Tim Preston, Dave Roberts, Chuck Benedict, Mark Chapin, Pete Haeussler, Hugh Haeussler. Dan Roberts won on a forfeit and Dan Ganzhorn wrestled to a draw in his match. Manchester is now 8 wins and 3 losses.

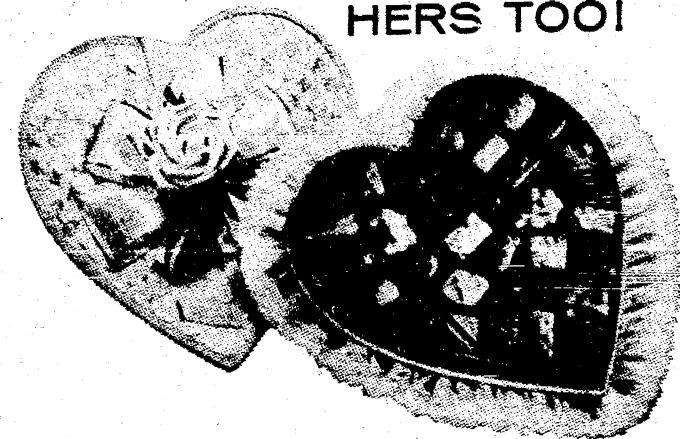

J. V. WRESTLERS SHOW PROMISE FOR THE FUTURE

The freshmen and sophomores of the wrestling team showed that they had the makings for a good future varsity team when they placed third in the first match of the Tecumseh Freshman, Sophomore Invitational. Four boys made the finals and there was one individual champion. Many of the other boys won matches or lost by scores. Bob Preston, Randy Seegert, and Mark Chapin all placed second while Hugh Haeussler was the lone champion for the Dutch.

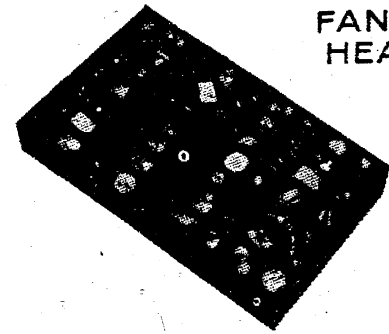

He that loseth wealth, loseth much; he that loseth friends, loseth more; but he that loseth his spirit loseth all. Spanish Maxim

The only good luck many great men ever had was being born with the ability and determination to overcome bad luck.

FIVE MANCHESTER STUDENTS TO PERFORM IN ALL-STAR BAND

The top 228 high school musicians from all over Michigan will meet at the high school in St. Johns, Michigan on Saturday, Sunday, Feb. 21 and 22. These musicians were selected for membership in the 1970 Ninth Annual Greater Michigan All-Stars Bands. They will prepare for a Sunday concert. The 4:00 p.m. program will be given in the high school gymnasium and is open free to the public.

The following students from Manchester school were selected: Beverly Feldkamp, Marcia Steele, Gale Janofski, John Hochstetler and Toni Roesch.

In the Sunday concert the All-Stars bands will perform the Michigan School Band and Orchestra Association's required high school band numbers for their coming district and state festivals.

This annual event is organized and sponsored by the Lansing Conservatory of Music, Inc., with St. Johns Public Schools band directors, Mr. Walter P. Cole and Mr. John Speck, local chairmen. The event is organized to recognize and honor these outstanding high school musicians and to provide an educational project for all music directors and their students.

If you wish your children to think deep thoughts, to know the holiest emotions, take them to the woods and hills, and give them the freedom of the meadows; the hills purify those who walk upon them.

Sooner or later, all the people of the world will have to discover a way to live together in peace, and thereby transform this pending cosmic elegy into a creative psalm of brotherhood.

Who, What, When, Where & Why

OPEN LETTER TO THE ESTABLISHMENT

Dear Establishment, You are the group, a minority I'm told, that runs this country. You are the over 30 group that went through a war and depression in your "younger" years. Now I can understand these were hard times and they had a bearing on your outlook, but why are you trying to shove your conservative views on us. The Youth of today are the most informed of all past generations, our knowledge of the world surpasses that of an average adult. But when we try to do something about war, segregation and inhumanity, you look down on us in your perfect spheres of corruption and call us rebels and communists.

Our generation isn't perfect either, we have our hang-ups too. If only you would help us instead of turning your backs hoping we'll go away, it just doesn't work that way. There is a small group who go at everything the wrong way by rioting and killing, while the other 95% of our generation is overlooked.

You have built us colleges for higher learning and given us a secure home, I thank you for this, but you can't run our lives forever, we want to get involved for the sake of the world. I'm not completely down on the Establishment but you have to take change for everyone's benefit not just your own.

P.S. What the world needs now is love and understanding.

Editor's Note: All letters sent to our paper should carry a signature and if the writer wishes their name withheld, we will withhold it.

I couldn't agree with you more about the younger generation being more informed. It's almost impossible for you not to be informed with television, radio, etc.

I have been out of school only five years and I have learned a great deal about how our political machine works since my graduation. I thought that my getting involved and trying to change things would do the trick, but the present political parties are so "self-centered" and "you do something for me, I'll do something for you" types that it is hard for a small group of young people who want to do something besides play favorites to get ahead in the party. You have to wait your turn and get enough seniority or become "party favorite" to get anywhere.

I feel the "new generation" that Mr. Hoffman and the other seven that are being tried for inciting a riot during the Democratic National Convention are speaking of should not be represented by them. The "new generation" will have to take the ideals that are already here in this country and live up to them. The "new generation" should be the one to hire a Negro or start a factory and give these people opportunities. There are several people that sing and praise morals and peace: Elvis Presley, John Lennon, etc. and sing ghetto songs. These same singers have the money to do something about the ghetto of which they sing, yet do nothing. Let's face it, it does take more than flowers and words to do something. With money, a factory could be started in the ghetto and poverty could literally be wiped out by employing these people (providing they were willing to work), but all they do is talk and sing about the poor conditions.

You say we need "love and understanding." I would lay odds that if I brought my Negro friends to church in Manchester, the reception would be far from warm, loving

and understanding even from the younger people. You ask some of your classmates if they would be willing to adopt a Negro child and see what type of reaction you get. It is easy to say the things you say in your letter, but not as easy to live up to them.

My husband and I have adopted two Indian boys and you should hear the comments and questions asking if they are colored. One man asked that question and then said to one of the boys, "If you had been colored that wouldn't be too good would it?"

I don't feel anyone is turning their backs on anyone. I feel that most of the

"Establishment" would envy you if you could do more than they did.

I hope that you at least live up to the things you think and believe and practice it in your life. If enough of us do, maybe there will be changes.

MUSICAL COMEDY "ANYTHING GOES" TO BE PRESENTED BY CUMSEH PLAYERS

All aboard for "Anything Goes", a musical comedy, being presented by the Cumseh Players on Feb. 27 and 28 and March 6 and 7 at 8:00 p.m. and on Sunday, March 1 at 2:00 p.m.

The entire action of "Anything Goes" takes place aboard the "S.S. American" sailing from New York to England. Among the passengers are beautiful American Miss Hope Harcourt (Judy Hoyt), her fiancée, Sir Evelyn Oakleigh (Craig McCort) and Hope's mother Mrs. Harcourt (Lise Lawson). Other travelers arriving aboard are Bishop Dobson (Phil Campbell), Elisha J. Whitney (Ron Wetter), adipsopompous Wall Street Broker. Reno Money (Dorothy Wetter) ex-evangelist, and her bevy of not-so-angelic angels are also passengers.

Next we meet Billy Crocker (Dennis Ryan), "a broken down broker." He is a hunky of irascible E. J. Witney. Billy has just planned to sail, but when he learns that Hope Harcourt (a dear friend) is planning to marry the guffawing boob Sir Evelyn Oakleigh, he decides to stay aboard and somehow contrive to break up the proposed marriage. To be near Hope, he assumes a number of disguises; however, he may have assumed one identity too many.

We learn from crew chat that Miss Hope Martin (Dr. Carlton Cook), Public Enemy Number 13 and a fugitive from the Feds, has boarded the liner with his moll Bonnie (Diana Harbaugh). Moon aids Billy in several of his disguises, and when everything seems to be falling in the attempt to break up the proposed marriage, Moon tries to lift Billy's spirits with sound advice singing: "Be Like the Bluebird."

Other favorite songs in the musical include: Anything Goes, Bon Voyage, It's Delovely, Friendship, I Get A Kick Out of You, Let's Misbehave, Blow, Gabriel, Blow and several more.

Cast in supporting roles are Howard Furry as the Captain; Judy Dorman, Linda Hughes, Laura Hughes and Ellen Todd as the four Angels; also Bill Fowle, Brad Fowle, Mike Valentine, Chuck Froehlich, April Cook, Bill Cook and Dean Foresyth.

Tickets for the show may be purchased at Gambles here in Manchester. Reservations may be made by calling 423-7670.

BASKETBALL TEAM WINS TWO IN A ROW, THREE OF LAST FOUR

The hoopsters have won their last two games easily. Two weeks ago they beat Deerfield 85-57. All twelve players scored for the Dutch, a real rare occurrence for any team. Manchester outscored the visitors by 31 points in the two midget periods to put the game out of reach. The JV's last a close one 55-48. Points and rebounds were as follows:

	Pts.	Rebounds
Sloat	5	3
Schaible	18	5
Stockwell	5	10
Ahrens	9	11
Tapping	20	11
Kress	2	2
Roberts	11	9
Minor	4	1
Westfall	4	1
Bucholtz	3	0
Lentz	2	0
Myers	2	0

Last Friday the Dutch went to Morenci and came away with their third league win, 72-56. Coach Poppink said the first half was the best the Dutch have played all season, as they led by 24 points at half-time, 43-19. After a lull in the third quarter, they came back, and again all twelve players got into the game. Dave Tapping scored 17 points and had 11 rebounds at the half. The Sophomores played well but came out on the short end 58-48. Points and rebounds were:

	Pts.	Rebounds
Sloat	2	1
Schaible	14	4
Stockwell	4	5
Ahrens	13	5
Tapping	20	18
Kress	2	2
Roberts	3	1
Minor	14	3

Manchester now has a 6-3 overall record and a 3-7 record in the league. If they win the remaining two regular season games they will finish with a .500 record. Two

tough foes are in the way, however, with Hudson here Friday night and Madison coming to town the following weekend.

MISS VOGEL IS OUTSTANDING CITIZEN FOR FEBRUARY

Valorie Vogel, daughter of Mr. and Mrs. Louis Vogel of 11437 Pleasant Lake Road is a junior at Manchester High School, is February Outstanding Citizen. Valorie has gained this exalted position through her various involvements, hard work, initiative, and her ability to get along and work with her peer group, teachers and church personnel. One wonder is how Valorie can maintain a 3.9 grade point average throughout her high school years and still be so active in school and church activities. Just relating her participation is exhausting — school activities: secretary of her 9th grade class, treasurer of her 10th and 11th grade classes, treasurer of German Club in the 10th grade, secretary of the German Club in the 11th grade, business manager for the Yearbook, secretary-treasurer of the Science Club, member of the Newspaper Staff for three years, member of the orchestra and band throughout high school, member of the girls basketball team for two years, member of the F.N.A. for two years, on all class float committees, presently working with the prom committee, and junior play committee, playing a part in the Junior Class play, member of the Pep Club, and participated in the Solo & Ensemble Festival the last three years. In 4-H work Valorie has been vice-president, reporter, and this year has received the K-Club award, a very important award in 4-H work. The Vogels are members of the Bethel United Church of Christ where Valorie has been president of the Youth Fellowship, secretary of the church cabinet, and sings in the choir. Valorie likes to sew, knit, and play the piano. Last summer Valorie studied German for six weeks at the University of Kansas at Lawrence, Kansas. Her experiences in traveling include the New York World's Fair, Expo 67 in Montreal, Canada, summers in Iowa and surrounding western state, and New York and surrounding states. Valorie will be going to college at either the University of Michigan or Albion, where she plans on receiving a teaching certificate in German and Science.

Can We Wave The Flag Too Much?

by SIDNEY L. DeLOVE
Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much? The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough, not nearly enough waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us... for loyalty, character, and faith in democracy. Isn't our flag a symbol of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the result of achievement, the goal to which generations have aspired? Ladies and gentlemen, I believe it is time for us... for the mad, rushing Twentieth Century American... to stop for a moment and think. Let us revive our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbibe and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded. Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gaysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, The Merrimac, Wake Island, and Korea? Let us forget isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag. It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted, and truly God's gift to mankind. That is what the flag means to me. Can we wave it too much? I don't think so.
