

Pontiac announces the beginning of tomorrow.

The all-new Firebirds are here.

There are four. Why?

People have different ideas of what a sports car should be. Incorporating all of those ideas into one car is equivalent to putting an elephant's trunk, a camel's hump and stripes on a giraffe. You end up with a creature that doesn't do anything well.

So... four Firebirds. Firebird (1). An economical sports car.

Firebird Esprit (2). A luxurious model.

Firebird Formula 400 (3). The Firebird built for drivers.

Firebird Trans Am (4). Our ultimate.

Four distinctly different Firebirds for drivers who agree on only one thing. A sports car.

Comfortable seating for four. Period.

Three have always been a crowd. Especially in the back seat of a sports car. So the new Firebirds have two bucket-type seats in back. Plus two bucket seats up front.

Four comfortable passengers, each in an individual seat.

And a more comfortable ride.

The rear seats gave us room to raise the drive tunnel between them. Which gives the suspension room to travel when you hit a bump. Which, in the Firebird and Esprit, produces a ride that many a full-size sedan would be proud of.

Formula 400 and Trans Am don't have it quite as soft. Enthusiasts like a stiffer ride. Stiffer springs and shocks provide it.

A ride is nothing without quick handling.

We didn't compromise handling a bit. We made the Wide-Track wider. Made fade-resistant front disc brakes standard. And for improved cornering, we installed stabilizer bars up front.

And added rear stabilizer bars to Formula 400 and Trans Am.

Engines to match.

If you read our descriptions of the four Firebirds, the engine lineup makes supreme sense. The basic Firebird has a 250-cubic-inch six. Esprit—a 350-cubic-inch, regular-gas V-8. Formula 400 has a 400-cubic-inch V-8. And Trans Am features a 400-cubic-inch Ram Air V-8.

Endura bumpers that absorb bumps. Pontiac's Endura material is probably

the best thing to happen to bumpers since bumpers. It's a resilient, rubber-like material that looks like painted metal. It resists dings, dents and chips. And it positively won't rust.

A tough bumper. Covering the entire front end of each Firebird.

The decisive victory of functionalism over faddism.

Instrument panels, for instance. Easy to read. With easy-to-reach controls. We even designed the panels so that any light bulb can be changed in 60 seconds. By you. Without lying on the floor.

But you'll undoubtedly want to look at what the troops are doing and what they're going to do. An area leader pointed out. As a relatively new program in Manchester, the girls themselves are setting the groundwork for the future Girl Scout program in this area.

GIRL SCOUT WEEK BEGINS SUNDAY, MARCH 8

by Carolyn Ahrens

Following the Girl Scout Cookie Sale the Manchester Girl Scout Troops go directly into another busy project, Girl Scout Week. With a busy schedule planned, directed to inspire and teach, the girls begin Scout Week on Sunday, March 8 as they attend the church of their choice with their scouting responsibilities in mind.

Monday is Homemaking Day and with it the girls are urged to try a new recipe or attempt some special home project. Tuesday is Citizenship Day and the girls are asked to express their feelings about being a Girl Scout either in school, to a friend or in some personal way.

Wednesday is Health and Safety Day with personal safety stressed; International Friendship Day is scheduled for Thursday and with it the girls are to add to their knowledge of the scouting program with Arts Day on Friday when they will demonstrate their knowledge of friendship toward family and friends. Saturday, the final day of Girl Scout Week will be spent out-of-doors as the girls observe and appreciate nature.

"Girl Scout Week is a good time to take a look at what the troops are doing and what they're going to do," an area leader pointed out. As a relatively new program in Manchester, the girls themselves are setting the groundwork for the future Girl Scout program in this area.

As the Manchester Girl Scout Brownies, Juniors and Cadettes reflect on this past year, they are also working together on a special project. The girls are collecting Betty Crocker coupons toward a kidney machine for the Michigan Kidney Foundation and in the name of "Red" Lamb. With Mrs. Lamb's permission, the girls have started their campaign and will continue through June, 1970, presenting their results to the Manchester Jaycees who will in turn send them to the appropriate center. The scouts have made and placed special coffee can canisters in various businesses in Manchester for the coupons or coupon donations may be given to any Brownie, Junior, Cadette or Troop Leader.

With the Cookie Sale, Girl Scout Week and the coupon campaign plus many individual troop projects the girls and their leaders have proven in a short time their ability to add to the welfare of the community as well as to themselves.

COMMITTEE UNDERWAY ON "HOLLIS" WALKER BENEFIT

A committee of ten people has been working steadfast on organizing a dance for "Hollis" Walker.

Any proceeds to the "Hollis" Walker Fund may be donated to the Manchester Enterprise c/o the Hollis Walker Fund. Remember Hollis needs your help!

Principles become modified in practice by facts.

A set of triplets were born on the Frank Waikow farm on Sharon Hollow Road Monday. The 7 year old mother of these calves has had two sets of twins and two single births before these triplets according to Mr. Walkow.

MOUNTING POLITICAL EXCITEMENT WILL END WITH MONDAY'S ELECTION

Appearance of "Sunday Paper" Seems Doubtful.

This year's political election will have all the excitement of a damp, dreary day in March as no one is opposed on this year's ballot.

For Mayor, Dave Little, for Council; Incumbents Wendell Reinhart and Herb Mahony and a new man to politics Charles Steele. For Clerk Doug Hughes, assessor Russ Widmayer and treasurer, Ed Kirk. Let's all get out and choose those most qualified.

LIMPERT PROMISES REAL ASSET TO MANCHESTER IF LIQUOR BY GLASS PASSES

by Carolyn Ahrens

On Monday, March 9, 1970, Manchester Village residents will be asked to vote for several village officials as well as decide the outcome of a special proposal. This proposal will be written as follows: "Shall the Sale of Spirits in addition to beer and wine be permitted for consumption on the premises within the Village of Manchester under the provisions of the law governing same?"

Don Limpert was asked what he would do should the proposal be passed and how he felt Manchester would benefit if "liquor by the glass" was approved.

According to the present liquor law, as Mr. Limpert understands it, only one license is allowed per every 1500 residents but recently House Bill 2444 was passed by the Michigan Legislature and is now awaiting Governor Milliken's signature. Should the bill be passed several changes would result the Michigan Beverage News reported.

An important change would be the Senate Amendment stating that existing taverns in business for five years and if approved by the state and local channels could be upgraded to "Class C" liquor by the glass. Under this proposed bill however the present 1500 population count regulating the number of liquor licenses issued was not removed and any area under 2250 would still fall under this restriction.

Should the proposal be approved, Mr. Limpert said he would follow up a liquor license application on the state level then to the local government body for final approval. He feels the passage of this proposal would benefit the village economically because if passed, the law would permit him to expand his business and Manchester would benefit from another business. He would add a dining room to the Black Sheep keeping the atmosphere and period of history decor he now has. "This in itself has drawn a lot of business," he said. "People like history and I would promote my business that way. Manchester has a reputation as a quaint, history-laden village and I would expand on this." He continued that with his parking facilities and location the liquor by the glass would permit him to carry out these plans.

PARENTS CAUTIONED AGAINST ALLOWING CHILDREN TO WATCH SOLAR ECLIPSE SAT.

The solar eclipse of March 7 will begin at 12:16 p.m. for Detroiters, at 12:15 for Lansing, and four minutes before that for Chicagoans.

At maximum eclipse, weather permitting, Detroiters will be unable to see nearly 78 per cent of the sun.

Cautioning against looking directly at the eclipse, Prof. Hazel M. Losh, University of Michigan astronomer, urges that "the eyes must be well protected." Sun glasses allow no protection against the rays. The Smithsonian Institute recommends looking thru a double thickness of black and white photographic film, not color film, which has been completely exposed by sunlight and exposed to maximum density.

Another method is to use two pieces of cardboard. Put a pin point hole in one and let the image be directed through the pin point in the cardboard onto another piece of white cardboard and stand with your back to the sun.

Parents are advised to keep children inside during the eclipse to keep them from looking at the eclipse without ample protection for their eyes.

Total eclipse, which will cast a 100-mile-wide shadow on the earth, will be seen along the eastern edges of the United States. The last total eclipse visible within the U. S. occurred seven years ago, and no such major eclipse is expected until next century.

SALINE JUNIOR DEPUTIES TO HOLD DONKEY BALL GAME IN SALINE

The Saline Junior Deputies have scheduled a Donkey Ball game to be held at Saline High School in the gym. This game is played on the backs of real live donkeys and is scheduled for March 14 at 7:30 p.m.

The Junior Deputies have secured the services of the nationally-known Buckeye Donkey Ball Co. to bring their donkeys to Saline for the exhibition.

Tickets are now on sale and can be obtained from members of the Saline Junior Deputies or from Mr. I. Henes or Bill Taylor.

Proceeds go towards buying uniforms and equipment for the Junior Deputies.

Important principles may and must be flexible.

MANCHESTER COUPLE RECEIVES OUTSTANDING YOUNG DAIRY COUPLE AWARD

Earl and Diane Horning of 11834 Pleasant Lake Road, Manchester have been selected as the Michigan Milk Producers Association's Outstanding Young Dairy Couple of 1970 in the state.

The couple was selected on the basis of their efficient dairy operation, individual character and their community involvement, according to Jim Erickson, director of information for MMPA. Mr. and Mrs. Horning will be honored at the annual MMPA meeting set for March 24 at Michigan State University in East Lansing and will represent the state and the MMPA at various functions throughout the year including the National Milk Producers Federation meeting in Las Vegas in the fall. Mr. and Mrs. Horning will receive an all-expense paid trip to Las Vegas for this meeting.

Mr. and Mrs. Horning are the first outstanding dairy couple from Washtenaw County and were selected from 12 young dairy couples nominated and chosen from various MMPA Districts. The Hornings were chosen from District 1, which includes the counties of Washtenaw, Wayne, Monroe, Jackson and Lenawee.

The Hornings operate a 300 acre dairy farm in partnership with Mr. Horning's father, Alton. They are presently milking 55 cows out of a total herd of 110. Mr. Horning was born and raised on the farm he operates and has been milking cows for 15 years. He is a graduate of Ann Arbor High School and received his bachelor's degree in animal husbandry from MSU. He has been secretary-treasurer of the Saline Local of the MMPA for the past three years and is a member of the state nominating committee for District 1 for MMPA. He is also a former vice president of the district. He belongs to TelFarm and has headed discussions with the Farmers Au-Go-Go, a local Farm Bureau Group.

Mrs. Horning graduated from Saline High School and from MSU. She taught first grade three years in the Chelsea School System. She is a member of the Young Homemakers, an extension study group in Chelsea.

Both are former 4-H Club members, are members of the Washtenaw County Farm Bureau and the Zion Lutheran Church in Chelsea. They have two children; a boy, Jeffrey, age 2½ and a 10 month old girl, Tricia.

The Hornings use artificial breeding, raise their own replacement heifers, grow their own feed and use free stalls.

New, even for Pontiac.

(We take the fun of driving seriously.)

Moved by Mahony, supported by Scully, to pay bills as presented; holding No. 827.

Jay Bradbury, area supervisor, was present to ask if there were any problems he could help with.

Reinhart reported that a proposal has been submitted by the County Road Commission pertaining to the gravel at the old water tower site. It was turned over to Attorney Roesch.

Proposal for five year street plan for the Village was presented by Reinhart. Acquisition of the Methodist Church was discussed. Manchester Township hasn't shown enough interest in a new fire hall to warrant a joint purchase. Selling some Village property was discussed. Fitzgerald is to have a report by next meeting on selling some property.

Mahony presented the November account review. The Village is reported to be in the best financial shape in years. Bookkeeping and auditing was discussed.

Moved by Mahony we appoint Don Davis to audit the books for fiscal 1969. All years, carried.

Mahony requested an ordinance on a Park Improvement Fund. It was turned over to the Ordinance Committee.

A letter was received from attorney McGuire and Devine in regards to the water bill of Don Limpert. Council's opinion is that if the Village Attorney states in writing that old ordinance was legal that Limpert's water bill be added to the tax roll.

Moved by Walton, supported by Scully to approve the five year street plan as presented. All years, carried.

Don Bradley of the Washtenaw County Planning Commission was present at Planning Commission Meeting to offer help to the Village Planning Committee to co-ordinate the surrounding townships with the Village.

Moved by Walton, supported by Mahony, that we compose a resolution commending Carl Wuerthner for his years of public service. All years, carried.

Moved by Reinhart, supported by Mahony, that Council accept Mayor Althouse's recommendations for appointments to the Planning Commission of all members presently on Commission with the exception of Gale Koebbe to replace Ted Roberts. Yeas, Mahony, Scully, Reinhart, Fitzgerald and Walton. Nays, Macomber. Carried.

Moved by Scully, seconded by Mahony, we adjourn. Carried.

LIVESTOCK BANQUET HELD LAST SATURDAY IN SALINE

Approximately 400 people attended the annual Washtenaw County Livestock Banquet held Saturday, Feb. 28 at Saline High School.

Howard Heath of WPAG Radio acted as Emcee following a swiss steak dinner.

Following the introductions of the members of the Washtenaw County Livestock Council given by President Herb Duible, the group was entertained by the Dixieland Band from Saline High School.

Featured speaker for the evening was Mr. Bob Miller from the Dale Carnegie Leadership Training Institute. Mr. Miller touched on how attitude makes the difference in life and on how to improve your memory.

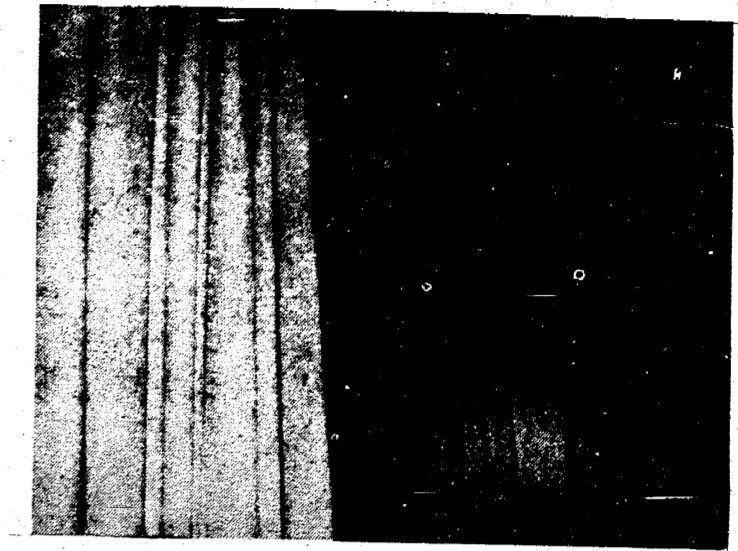

The Livestock Banquet is held annually to recognize the members of the livestock industry.

Members of the Washtenaw County Livestock Council from Manchester are Stan Post and Gerald Jacob.

LIVESTOCK TOUR TO BE HELD ON MARCH 5

The Washtenaw County Livestock Tour on March 5 will begin at the Caldron-Curran Ranches on Willis Road in Grass Lake at 10:00 a.m. It will then move to Sweden House in Jackson for lunch; and on to Marlyle Farms on Little Road in Concord.

If you are interested, be at Caldron-Curran at 10:00 a.m. on March 5. For directions on how to get to the ranch, call the Extension Office at 665-7511, ext. 227.

Mr. Bob Miller from the Dale Carnegie Leadership Training Institute who spoke to a group of 400 at the annual Washtenaw County Livestock Banquet held Saturday night at Saline High School.

DAIRY DAY TO BE HELD MARCH 10

Local dealers in Dairy Supplies and milk equipment will display their products on Dairy Day, Tuesday, March 10 at the Rural Activities Center, Saline-Ann Arbor Road between the hours of 9:00 a.m. and 4:00 p.m. This event is sponsored by the Cooperative Extension Service. Dairy farmers will have an opportunity to visit with the dealers and discuss their products and hear various speakers discuss the different aspects of Dairy Farming.

L. to R. Dan Spiess, Pete Haeussler and Dan Roberts head for State Wrestling Finals at Lansing Waverly this Friday and Saturday.

MANCHESTER SENDS THREE BOYS TO STATE WRESTLING FINALS IN LANSING

The Manchester Wrestling team is sending three boys to the State Finals which will be held at Lansing Waverly this Friday and Saturday.

The boys qualified by placing in the top four in their weight division at the Lenawee County Athletic Association annual regional meet last weekend. Dan Roberts, who placed third in the state last year, and Pete Haeussler are making their second trip to the State Finals, while Dan Spiess at 137 pounds is making the trip for the first time.

SENIORS PAGE WRESTLERS TO SECOND PLACE

Manchester's wrestling team will miss its seniors next year. The five seniors that went to the conference meet last Saturday all made the finals.

Dan Roberts ran his record to 21 wins as he captured the 107 pound crown. Dan Spiess now has a 19-6 record at 137 lbs. and also was the Conference Champion. Pete Haeussler repeated as the Conference Champion at 185 pounds and carries a 19 and 3 record. Tim Preston at 115 lbs. lost in the finals for his title bid 1 to 0. Gary Weidmeyer who has had problems in past tournaments, put it all together for a second place at 145 pounds.

The team took a third place at the tournament and are now in second place in the league behind Clinton.

This Friday and Saturday the wrestlers go to Adrian-Madison for the Regional Competition.

YOUTH ACTIVITY NIGHT IS THIS SATURDAY

The Manchester Recreation Committee is planning a Youth Activity Night for Saturday, March 7 at the High School.

The event is scheduled from 7:30 to 10:30 p.m. with a number of different activities planned.

The event is open to local Junior and Senior High students.

4-H NEWS

The February meeting of the Sharon Valley Saddle Club was held Tuesday evening in the Sharon Town Hall. There were twenty-four members answering the roll call. The question for roll call was: "You have been asked to select one stallion and four mares of two different breeds of light horses for a horse breeder. What two breeds would you select and why?" Arabians were, by far, the most popular breed. They were followed closely by the Quarter Horse. Other horse and pony breeds named were the Thoroughbred, the Standardbred, the Tennessee Walking Horse, the Morgan, The Appaloosa, the Pinto, the Shetland Pony and the Quarter Pony.

After roll call, Mr. Fisk read the names of those 4-H members who had qualified to compete in the Washtenaw County 4-H Horse Judging Finals scheduled for Feb. 28. The members were: Ruth Curtis and Anna Tobias, Senior Division; Jennifer Carlton, Amy Crason, Michael Fisk, Mary Guenther, Debby Lantis, Grace Mooneyham, Angela Snyder, Shelly Spencer and Denise Way, Junior Division. Many of these 4-H'ers have been active in both the club horse judging and the county horse judging activities.

Next, those members, nominated at the January meeting for offices, gave their campaign speeches. Voting was done by secret ballot. The new officers of the club are: Ruth Curtis of Manchester, President; Carol Boehler also of Manchester, Vice President; Cheryl and Gwyn Teachout of Saline, Secretary and Treasurer, respectively. During the meeting, those members who are feeding grain to their animals had been asked to bring in the amount of grain being fed. The grain was weighed on a scale. Feed and feeding were then discussed.

Installation of the new officers and a panel discussion on the Arabian Horse were scheduled for the March meeting.

4-H HORSE JUDGING FINALS WERE HELD SATURDAY

The 1970 Washtenaw County 4-H Horse Judging Finals were held Saturday, Feb. 28 at Classic Farms, 3500 South Wagner Road, Ann Arbor, Michigan.

Twenty-four 4-H horse and pony project members participated in the event which began at 10:00 a.m.

The first class of horses to be judged were Morgan Mares, followed by a class of Arabians and Western Horses. A total time of eighteen minutes was allowed for each class. After the classes were judged, the group traveled to the Rural Activities Center on Saline-Ann Arbor Road to give reasons and take the written test.

Misses Judy Joba and Pat Robinson, Senior members of the Michigan State University livestock judging team, listened to oral reasons on two of the classes. A written test was given on the third class.

By three in the afternoon, the results were known. The Junior Judging Team consists of Amanda "Gussie" Beach of Saline in first place; Shelly Spencer, second; Michael Fish, third; Angela Snyder, fourth. These 4-H'ers are all from Manchester. Mary Guenther of Bridgewater and Denise Way of Manchester are the alternates. The Senior Team is comprised of Bonnie Beach of Saline in first place; Linda Russell also of Saline, second; Ruth Curtis of Manchester, third; Philip Lewis of Ypsilanti, fourth; Anna Tobias of Manchester and Richard Nixon of Plymouth are the Senior alternates.

Shelly Spencer, Michael Fisk, Angela Snyder, Mary Guenther, Denise Way, Anna Tobias and Ruth Curtis are all members of Sharon Valley Saddle Club. Other members who participated in the judging contest were Amy Crason, Debby Lantis and Grace Mooneyham.

Both the Junior and the Senior teams will be working hard for the next month on extra sessions of horse judging. Mr. Clinton Fisk of Manchester, Mr. Richard Wright of Willis and Mr. Richard Measel of Hy Crest Farms in Brighton are working together with the 4-H members in this activity.

On April 4, the Senior Horse Judging team from Washtenaw County will go to East Lansing to compete in the State Contest which is held in conjunction with the annual Block and Bridle Horse Show.

4-H SPRING ACHIEVEMENT TO BE HELD MARCH 13, 14 & 15

The 1970 4-H Spring Achievement will be held March 13, 14 and 15 at the Dwight Beach Junior High School in Chelsea, Michigan.

This meeting is open to the public.

MANCHESTER GIRL SCOUTS NOW TAKING ORDERS FOR GIRL SCOUT COOKIES

by Carolyn Ahrens

Within 50 miles of Manchester is Camp Linden. So what is Camp Linden you may ask. Somewhere in your neighborhood a little girl between 7 and 17 will be able to fill you in on the what, where and why of Camp Linden.

Camp Linden she will tell you is 400 acres of hills, trees, meadows and lakes located on the north edge of Livingston County west of US 23 near Hartland, Michigan. And why should we in Manchester know or care about Camp Linden you may ask your little visitor. "Because it's where I hope to go with my Girl Scout troop on a camping trip this summer and we need your help so there'll be room for me."

For the past number of years Girl Scouts throughout Michigan have sponsored an annual Cookie Sale to provide funds to develop this 400 acres. Today the site can accommodate 2,000 girls for troop camping with facilities for 500 girls in summer resident camping. Thus far the entire camp has been made possible through the profits of the Girl Scout Cookie Sale.

This year Manchester is a part of the Girl Scout program and the Junior and Cadette Troops are calling on their neighbors and friends to help in this annual project. As the only authorized Scouts to order cookies, the Juniors and Cadettes are now taking cookie orders and will continue through March 7. Delivery date is scheduled for April with all cookies 50 cents per box.

But even with the impressive development of the camp the waiting list is long and even now all the girls cannot be accommodated during the summer camping season. Future needs will rise with a predicted 8,000 girls for troop camping and 900 for summer residence by 1980. Something had to be done to help these girls the Board of Directors decided. A study was made and a \$600,000 goal set toward further development of Camp Linden. General Chairman of the Campaign Bill MacFall of Ann Arbor said recently, "When they've done so much by themselves, they certainly deserve the support of the community to finish up the development of the camp."

The fund drive began in January and will continue through April, 1970 with the goal expected to be reached through business and company donations. The Girl Scout Cookie Sale profits would be in addition to the \$600,000 and is not part of the goal, it was pointed out. "This \$600,000 would be a booster and with the Cookie Sale Profits we could provide enough facilities for all the girls," an area troop leader said. "Here in Manchester the only door-to-door soliciting will be the selling of Girl Scout Cookies and so far we've had very good results." She added that if anyone has not been approached and wishes to place an order they should contact any Troop Leader, Junior or Cadette no later than Saturday, March 7.

The Manchester Troops hope to contribute their share toward Camp Linden and depend on you to give them that help when they ask you to buy Girl Scout Cookies. Bill MacFall, impressed by the

development of Camp Linden, said, "I'm concerned about young people because too many of us are looking at youth that express themselves in violent efforts and we forget how many of them don't express themselves this way, or even agree with any of their views. It's great to see what can be accomplished by kids when they're motivated toward worthwhile projects."

TUBERCULIN TESTS OFFERED TO NINTH GRADERS

The annual ninth grade school tuberculin testing program sponsored by the Washtenaw County Health Department in cooperation with the Medical Society and Tuberculosis and Health Association will be held in area schools from March 2 to March 17. Dr. Otto K. Engelke, County Health Director, has urged parents of all ninth grade students to sign request cards to insure tuberculin testing. No charge is made for this program.

The tuberculin test is a simple skin test on the forearm which can detect tuberculosis germs in the body. The results of the skin test are read two or three days after the initial test. A positive skin test does not mean that a person has active tuberculosis. It does mean that further studies are needed. Arrangements for further examinations of children with positive tests and follow-ups of their families will be made by the Health Department. The tests are administered by a team from the Southeastern Michigan Tuberculosis Detection Project.

Tests will be made at Manchester High School on Tuesday, March 10.

OPEN LINE

Q Why is Consumers Power Company involved in this type of program?

A First of all, it is fair and, secondly, it is sound economics in that welfare recipients can be converted to tax-paying citizens.

Q Aren't you giving "special treatment" to a selected few?

A Yes. In business we face many problems that require "special treatment" or attention to solve problems. Operation Outreach is one example of how we try to help solve serious social ills.

Q Are your total efforts in providing equal employment opportunity directed to the so-called "disadvantaged"?

A No. Many highly skilled and well educated persons who are members of minority groups have long been under-employed. Consumers Power Company believes all persons should have the opportunity to utilize their full talents in making their contributions to business and society. We take affirmative action to make this belief a reality.

Making Life Better

Consumers Power Company

John Gray has been working since the age of nine, but this is the first decent-paying job he's had.

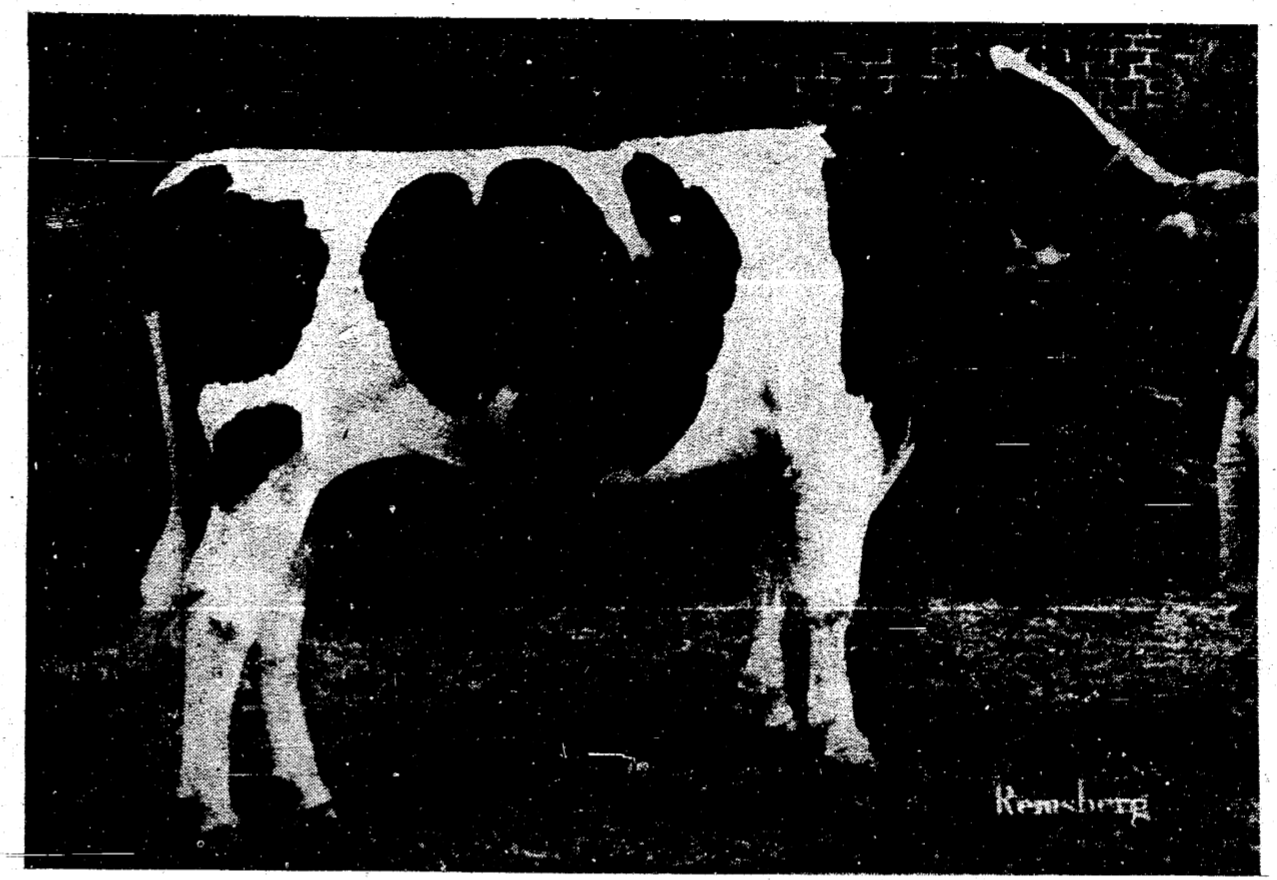

Almost 200 men and women like John Gray are helping us to make a point — that there is talent among those who used to be considered "unemployable." Childhood poverty cut short their schooling. Doors were closed to opportunities. They became "ineligible" for good jobs. Today Consumers Power is reaching people like John, using a variety of techniques, including the "Operation Outreach" program. This is an effort involving the cooperation of a number of government agencies. It is part of the responsibility we feel toward the communities we serve — part of helping to make life better.

102nd Year No. 21 March 12, 1970

Whippoorwill Farm of Manchester has recently received word that Whippoorwill Marquis King has been named All American Jr. Yearling Bull. This honor is bestowed upon only one bull of this age group in the United States. Judges were dairymen from all over the United States. This is the highest honor any animal can win. "King" was awarded the honor after winning at several major shows and fairs across the country. "King" was the only animal to win All American in Michigan or Indiana regardless of the age group. His picture recently appeared on the cover of the Michigan-Indiana Holstein magazine. Whippoorwill is owned by George Macomber & Sons and is located on Sharon Hollow Road.
