4-H NEWS

The April meeting of the Sharon Valley Saddle Club was held Friday evening in the Sharon Town Hall. There were 17 members answering roll call with the name of a horse or pony breed which started with the first letter of the member's last name.

Mr. Fisk reported on the County and State 4-H Horse Judging Contests. There were ten members of the club who had participated in the county finals and one member, Ruth Curtis, who made the state judging contest. Both Mr. and Mrs. Fisk worked in the tabulation department at the state judging contest which was held on April 4.

May 16 is the date for the Washtenaw County Share The Fun Contest. The contest will be held at the Little Theater, Ann Arbor High School, Ann Arbor at 7:00 p.m. Club members are busy working on acts for the contest. This contest is open to the public and there is no admission charge.

There was a lively panel discussion on the Arabian Horse presented by Anna Tobias and Debby Lantis, pro or for the breed, and Ruth Curtis, con or against the breed. Questions were asked and comments were made by the other members of the club. At the next meeting, Amy

Cresson and Reann Drouare will defend the pro side and Denise Way and John Scott will uphold the con side of the Thoroughbred breed.

The 1970 4-H Spring Round-Up was discussed. The date of this event is May 24 at the Rural Activities Center on Saline-Ann Arbor Road. Tickets may be purchased from any 4-H horse and pony member.

The first club workout will be held May 2 at 15857 Kendall Road.

NEW 4-H YOUTH AGENT NAMED FOR WASHTENAW COUNTY

Duncan E. Sanford has been named extension 4-H Youth Agent for Washtenaw County. He will replace Mrs. Carolyn Little.

His appointment was announced recently by Gordon Beckstrand, Michigan State University director of 4-H youth programs, following action by the MSU Board of Trustees.

Duncan's appointment is effective May 1. He comes to Washtenaw County from Kentucky where he was an area youth agent for three years.

He spent two years in the U. S. Army after receiving a bachelor of science degree from Western Kentucky University in 1962.

MICHIGAN BELL PLANS TO EXPAND COMMUNITY DIAL OFFICE IN MANCHESTER

A \$96,700 project to expand the Manchester community dial office is scheduled to begin this week, according to Nicholas J. Prakken, local manager for the Michigan Bell Telephone Company.

Prakken said a 10 by 37 foot building addition will be erected at 328 Madison. The addition will be constructed of face brick to match the existing dial office building.

After the addition is completed in October, technicians will install added dial switching equipment to provide for growth and expansion. The equipment is expected to be placed in service next June, Prakken said.

The project is part of the record \$270 million Michigan Bell will spend on new facilities this year.

The Manchester office now serves nearly 1,400 customers.

The building addition will be built by Braun & Finkbeiner Builders of Saline.

OPEN HOUSE TO BE HELD AT 14TH DISTRICT COURT

The 14th District Judicial Court, 122 S. Main St., Chelsea will hold an open house Sunday, May 3 from 1 to 4 p.m.

As part of the ceremonies, the Dexter American Legion Post 557 will present an American flag to Judge Patrick J. Conlin at 2 p.m.

The 14th District covers Ann Arbor, Scio, Bridgewater, Dexter, Freedom, Lima, Lodi, Lyndon, Manchester, Northfield, Saline, Sylvan and Webster Township. Alternate days are spent in Chelsea, Dexter, Manchester, Saline and Whitmore Lake.

The building where the court is located was the former Chelsea State Bank building and has been remodeled to accommodate the courtroom.

The public is cordially invited.

4-H SHARE THE FUN CONTEST IS MAY 16

Mrs. Dale Weidmayer of 11237 Pleasant Lake Road and the 4-H leader for the Learn and Save 4-H Club along with Mr. and Mrs. Clinton Fisk of 20151 Bethel Church Road, both leaders of the Sharon Leathersmiths Club and the Sharon Valley Saddle Club, were judges for the Monroe County 4-H Share the Fun Contest last Wednesday, April 22. Sixteen acts were presented by the 4-H'ers in the Ida High School.

Washtenaw County's Share the Fun Contest will be held Saturday, May 16 at 7:00 p.m. in the Pioneer-Ann Arbor High School's Little Theater, Ann Arbor, Michigan.

Everyone is invited to attend.

LANDMARK IS GONE

Workmen tore down the old water tower on Ann Arbor Hill last week. It died hard as shown by the above photo. It fell only that far and workmen had to get jacks to force it the rest of the way.

BOARD OF EDUCATION'S BUDGET HEARING WELL ATTENDED

Between forty-five and fifty citizens turned out Wednesday, April 22 to hear the Board of Education explain the 1970-71 budget needs and the proposed Intermediate Building remodeling project. Representation from various community organizations as well as interested participants made up the attendance. Mr. Luther C. Klager, School Board President welcomed the group and outlined the evening's agenda, which was confined to the proposed remodeling project and the forthcoming millage election.

Speaking on the remodeling project, Mr. Klager pointed out that the Intermediate Building was in its thirty-fifth year of a forty year life expectancy. Mr. Klager also noted the maintenance items that have been done over the last dozen years. "Maintenance or sporadic repairs will no longer satisfy the many needs", said Mr. Klager. "We must now concern ourselves with major remodeling to update the building both for safety and curriculum requirements," he added.

An expenditure of approximately \$160,000.00 is planned if the bonding election on Monday, May 4 is approved by the district voters. The district would bond itself for this amount for a period of 16 years. The initial cost to district taxpayers would be .82 of a mill. The overall debt levy would be increased over last year by just .07 of a mill. This would amount to 7¢ a thousand dollars of equalized valuation. On a \$10,000 valuation this would amount to seventy cents (70¢) of tax.

Mr. Klager concluded with a remark that if the remodeling becomes a reality the Intermediate Building would be on a par with the other buildings in the district as far as safety regulations and educational requirements are concerned, and the usefulness of the building as a school facility would be extended by 25 years.

Superintendent Robert D. Swartz presented an outline of the proposed budget for 1970-71, discussed the projected increase in detail and explained the need for increased millage. Citing an improved salary schedule and the need for additional classroom teachers as major causes for the increase, Superintendent Swartz said that the Board of Education was reluctant to ask for additional millage, but there was no alternative at this time. "We are fortunate that our teachers have agreed upon a salary schedule for the 1970-71 school year," Swartz said. "The teacher's association brought reason and prudence to the bargaining table with them, and the community can well be proud of this group of professional persons," he said.

The superintendent went on to explain that the State Legislature has not as yet resolved the school aid bill, and that school districts were "in the dark," as usual, as far as state aid was concerned. This matter could be settled anytime between now and the end of June, but until it is, the schools in Michigan do not accurately know what aid will be forthcoming.

Superintendent Swartz passed out informational sheets showing the necessary budget improvements proposed for the coming year, the areas that would be affected, and the amounts of increase or decrease in those areas. In addition to this, a comparative salary schedule sheet was handed out showing how Manchester stood in regard to other area schools. A sheet was also distributed that indicated the majority of area schools still had a total tax levy higher than that proposed by the Manchester School District.

At the conclusion of the two presentations, members of the audience were given an opportunity to react to the two proposals.

Boat Race

ANNUAL BOAT RACE SCHEDULED FOR MAY 17

It's spring again and time for our annual river event - the Boat Race. This is the one time of the year when the river is utilized to its fullest and everyone has a good time. It is more than a leisurely cruise down from Fellows Bridge because everyone is racing against time, but if you have never come down the course may I suggest you get a boat and try it. It is very picturesque and usually quite abundant with wild life. The peace and quiet surrounding you is very relaxing.

The Fourth Annual Amateur Boat Race sponsored by the Manchester Chamber of Commerce will be held Sunday, May 17 starting at 2:00 p.m. The events will again start at Fellows Bridge north of Manchester and end at the Main Street Bridge.

Rules, regulations, events, etc. will be published in next week's paper.

Join the fun, get yourself a partner and enter the race. We have a new category this year, Husband and Wife boat. Plan on being on hand May 17 either as a contestant or a spectator for another big Manchester event.

WINNERS ANNOUNCED OF POSTER CONTEST FOR CHAMBER BOAT RACE

The Manchester Chamber of Commerce Boat Race Committee ran a contest throughout the school art classes for a different approach on the posters to advertise the boat race. Information was given the students as to date, time, etc. Each entrant was to use his own imagination as to a poster to best promote the boat race. These posters will be on display in local businesses as well as in businesses in surrounding towns.

Three winners were selected from 23 posters entered. They were first, Jennie Olney; second, Connie Fletcher and third Kim Roth. Prizes of \$5.00 for first place, \$3.00 for second place and \$2.00 for third place were awarded the winners.

Judges for the contest were Eugene Bentschneider, David Little and Wendell Reinhart.

The Chamber would like to extend their thanks to the students who entered and also the judges for their time and effort in promoting the race.

BROWNIE TROOP 651 PRESENTED COUNCIL WITH "PRICELESS PIECES OF ART"

On Monday, April 20 the members of Brownie Troop 651 presented the Village Council and Mayor Little with three "rare and priceless pieces of art"; the trash containers which they decorated as a Troop Service Project.

A special "thank you" was given to

the village for purchasing these containers and to Mr. Webb Saeger for donating all the colored bulletin enamels which were used in painting the birds and wildflowers.

The members of Troop 651 are Robin Wellman, Alita Clark, LeAnna Wright, Laurie Watson, Jody Hughes, Sherrie Wolf, Dawn Sanch, Tammy Adams, Deanne Clark, Jill Knickerbocker, Lori Gonyer, Cathy Dettling and Detight Ginter.

WHO, WHAT, WHEN, WHERE & WHY

LETTER TO THE EDITOR

Ground-breaking for the installation of the first of two ABM sites authorized by Congress last August is scheduled for this month or next at Grand Forks, North Dakota. Residents of North Dakota are planning demonstrations and sit-ins to oppose the construction of these missile and radar installations to their state and to prevent the expansion of ABM in other areas. They believe that, far from bringing security, the ABM installation will endanger their lives, destroy their tranquility, and disrupt their economy. The farmers, especially, fear crop disaster caused by the lowering of the water table which will result from the massive use of water to make concrete for the installation. The people of North Dakota were not consulted about the use of their land for an ABM site; and many of them bitterly resent the use of their tax money to, as they put, "develop weapons of war while one third of our citizens are hungry, impoverished and ill."

On April 16, the day SALT began in Vienna, our U. S. House Armed Services Committee overwhelmingly approved Secretary Laird's request to add a third site to the Safeguard ABM system and to go ahead with land acquisition for five more sites. One of these five sites is to be in the Michigan-Ohio border area. The authorization bill for this expansion of the ABM system is expected to go to the House for debate in early May.

If the people of the Second Congressional District wish to avoid having an H-bomb in their backyard, now is the time to let Congressman Marvin Esch know about it. He does read his mail.

An anti-ABM petition addressed to Congressman Esch and to Senators Hart and Griffin was signed by nearly 800 people in Ann Arbor last weekend. The petition, which asks that our congressman and senators vote against Phase II of ABM, will be circulated in the Second Congressional District during the next three weeks. Further information is available by calling 313-483-4712, or by writing STOP ABM, 2260 Gale Road, Ann Arbor, Michigan.

BICYCLE CHECK SET FOR MAY 9

The Annual Bicycle Safety Check will be held Saturday, May 9.

This event is sponsored each year by the Manchester Optimist Club. It will be held at the Tennis Court at the Athletic Field from 1:00 to 3:00 p.m. The bicycles are judged on ten points: brakes, light and reflector, warning devices, wheels and rims, tires, handle bars, crank assembly, saddle, frame, fenders, cleanliness and lubrication.

If the bicycle is judged in good condition or satisfactory condition, the owner will receive a safety club membership sticker to be displayed on your bicycle fender.

BROWNIES VISIT POULTRY FARM

On April 18, 1970, Brownie Troop 651 visited the Ervin Poultry Farm on Myers Road.

The girls each fed baby lambs from bottles before they saw over 5,000 chickens in their coops. Mrs. Ervin told the girls a little about the chickens.

After the visit, Mrs. Ervin surprised the girls with Kool-Aid and cookies. Assisting the Troop Leader, Mrs. Anne Wright was the Assistant Leader, Mrs. Joyce Watson, Mrs. Marilyn Clark, Mrs. Janice Wolf, and Mrs. Jennie Knickerbocker.

"MR. BARRY'S ETCHINGS" TO BE PRESENTED BY TUCUMSEH PLAYERS

The comedy, "Mr. Barry's Etchings" by Walter Bullock and Daniel Archer will be the spring offering of the Tcumseh Players. It is being presented May 8, 9, 14, 15 and 16 at the Tcumseh Community Center. This will be the final production of the current season.

Gail Rothfuss of Wampers Lake stars as Mr. Barry and is delightfully remembered for consistently fine performances in numerous past shows. Gail is joined by his wife, Vesta, as the "busybody neighbor", Carrie Stanwhich. Mrs. Mel Wegner portrays Mr. Barry's housekeeper-sister who remains exasperated by her brother's impractical antics. Duane Steel, as the inept and bumbling crook, Sawbuck Sam, is a hilarious second banana to the schemes of his moll, Fifty Ferris - slyly portrayed by Charlotte Parker of Clinton. Phil Campbell, also of Clinton, handles the role of Marvin, the "stuffed shirt" suitor, with expertise. Tcumsehites besides Mrs. Wegner and Mr. Steel include Phil and Randy Baker, Bartha Valtelunga and Lyle Dornan. Rene Crombez of Irish Hills and Jan Paige of Adrian complete the large cast. All have performed excellently in so many past players performances with the exception of Jan Paige, who is making her debut with the group.

Kathy Bell brings an impressive background of experience to her directorial chores. Miss Bell, an Adrian resident, has worked with the Meadowbrook Theater at Oakland University. Her credits also include stage managing for "Summer and Smoke", assistant directing "Once More With Feeling" and performing in "Oliver" during the summer theater program at the Crosswell Opera House in Adrian. Technical Director of the production is John Day.

Tickets are available at the Gambles Store here in Manchester.

DOG OBEDIENCE COURSE OFFERED THROUGH 4-H

The 4-H Dog Club in Washtenaw County will offer obedience classes starting May 19. The course will have a fee of \$20.00, as it will be given under the supervision of a licensed handler.

The lessons will be given at Town & Country Kennel, 7555 Jackson Rd., Ann Arbor (right where Baker Rd. meets Jackson), and will run until July 7, meeting every Tuesday night at 7:00.

You do not have to join the club to take the obedience course. However, if you do not join the club, you will not be eligible to compete in the County 4-H Show in August. You must, however, be between the ages of 10 and 19.

If you are interested, registration will be at Town & Country Kennel at 6:30 p.m. on May 19, so just be there. Or, call the 4-H office at 863-7511, ext. 227 and ask for Mrs. Lynn. The first lesson will immediately follow registration.

CORRECTION

In the Salute to Bus Drivers in last week's Enterprise it was erroneously stated that Mrs. Florence Kirk was the special education driver. It should have been listed as Mrs. Florence Burch who has carried the responsibility of driving the special education children to classes the past three years.

STEELE-VANDERPOOL TAKE WEDDING VOWS

On Friday, April 3 Mr. Dennis Lorenzo Steele took as his bride, Cynthia Kay Vanderpool at St. Elizabeth Church in Tecumseh. The ceremony was performed by Father Robert Handley.

Parents of the bride and groom are Mr. and Mrs. Joseph Gruber of Tecumseh and Mr. and Mrs. Lorenzo Steele of Manchester.

The bride chose a white empire skimmer of satin with a lace train. The gown had a high scoop neckline with A-line skirt. The chapel-length train was fastened at the waistline. She carried a bouquet of white roses, white carnations and white stephanos.

Miss Jan Costello of Tecumseh served as Maid of Honor. Bridesmaids were Mrs. Betty Mann, cousin of the bride, Manchester and Miss Marcee Meyers, Clinton. All wore empire waist, floor-length apricot dresses with elbow length sleeves. Their dresses were trimmed in white lace which was set off with short white gloves. All the girls carried white daisies and carnations tipped in apricot. Flower girl was Danell Steele, sister of the groom. John Schaible, brother-in-law of the groom served as best man. Seating the guests were Jim Uphaus, John Ball, both of Manchester, John Vanderpool and Mike Gruber, brothers of the bride.

Soloist was Duane Kuebler, Manchester, brother-in-law of the groom. Organist was Mrs. Donald Johnson, Tecumseh.

A reception was held at the K of C Hall following the ceremony. Violet Hoover and Dawna Steele served the cake. Serving coffee and punch were Linda Solarski, Lucy Osburn and Marty Osburn. Melody Grinnell was in charge of the guest book.

The couple now reside at 606 Parr Road, Manchester.

In the first industrial class of the new Red Cross multimedia first aid class conducted in the county, ten selected employees of Double A Products completed their training.

Employees who will be responsible for emergency care in the plant, receiving certificates were: Peggy Beissel, Sophie

Paul, Don Wolf, Ollie Kappler, Jeanne Marrison, Sue Rajotte, Larry Wright, Bill Hainstock, Walt Kies and Betty Bishop.

This is the second of these courses to be conducted in Manchester in recent weeks, and to date the only such classes conducted in the county.

These courses were made possible through the special efforts of Mrs. Kay Roesch. Mrs. Roesch is at present the only Red Cross volunteer in the county trained to teach this special course.

ATHLETIC BOOSTERS CLUB MEETING NOTES

The Athletic Boosters Club met Monday, April 20 with sixteen members present.

A report was given by Ted Gulliver on the wrestling program and presented plans of how he would like to expand this program to include more boys in the lower grades. It certainly would be beneficial but would require additional equipment.

Ted Tapping reported that Jr. High Football will require expanding and additional equipment will be required for the protection of the boys.

The requirements for Jr. High Track were presented by Larry Fielder, who has been using equipment from anywhere he could scrape it from. The Jr. High Student Council came to his rescue and purchased a few essential things. The Boosters Club voted to give \$170.00 toward the program for purchase of additional equipment. This will add a stop watch, starting blocks, tape, take off board for board jump, three hurdles and high jump standard.

John Korican reported the need for a new foam pillow used to fall into when pole vaulting and high jumping. The present one could be passed on to the Jr. High and the protection and safety in both areas would be greatly increased. He also asked for additional funds toward the purchase of Jr. High Football capes. The Boosters Club voted to give \$130.00 toward the High School Track equipment and \$130.00 toward additional payment of the Jr. High Football capes.

Chet Koceski gave a report on the Spring Sports Banquet which is being planned for May 25. This is to be a planned potluck dinner. Mrs. Wm. Minor is to be chairman and other committees will be arranged soon. A speaker has been contacted and it was voted to pay the cost of \$75.00.

Officers for the coming year were elected as follows: President - Keith Reed; Vice-President - Ron Panches; Sec. - Treasurer - Chuck Steele; Trustees - Robert Lowery and Glen Buss.

Adjourned at 10:15.

ROBERT ARMENTROUT RECEIVED DISTINGUISHED SERVICE AWARD

Robert Armentrout was one of three Scouters of Iroquois District to earn the District Distinguished Service Award, reported by Don Holloway, District Chairman. Iroquois District is made up of the following six communities: Chelsea, Dexter, Manchester, Saline, Milan and Whitmore Lake.

Mr. Armentrout of Manchester, Marie Schultz of Milan and Harold West of Saline were honored for the service that they have given to the Scouts and leaders of the District. They received a certificate for their home and their names were the first to appear on a new plaque that will be at the Scout Service Center in Ann Arbor.

The meeting was the Annual Dinner of the District at which over 200 Scout leaders and their wives took part. New officers for the District were also elected at this meeting. Don Holloway of Chelsea will be the District Chairman, and Kenneth Bunn of Ann Arbor will be the District Commissioner for the year 1970-1971.

Harold West, was also presented with his Wood Badge beads, by Daniel Ling of Ann Arbor.

OBITUARY

Mrs. Cecile Emma Bowman, 82, of Lamm Rd., Rt. 2, Manchester died Thursday, April 23 at 3:15 p.m. at Bixby Hospital where she had been admitted on Feb. 10. Mrs. Bowman was born June 18, 1887 in Mayville, Michigan and had lived in the Manchester area since 1926. She married Clarence Lloyd Bowman in 1906 in Mayville and he preceded her in death in 1958.

Mrs. Bowman was a member of the Assembly of God Church, Clinton.

She is survived by seven sons; Ulmont, Alton, Bond, Roland, all of Detroit; Llewellyn and Clarence, both of Manchester; George of Clinton; a daughter Mrs. Harry (Annabelle) Spencer of Clinton; 36 grandchildren and 36 great-grandchildren. She was preceded in death by a son, three sisters and four brothers.

Funeral services were held Monday at 11 a.m. at the Proctor Funeral Home in Clinton. Rev. Ralph Tennyson and Rev. Arthur Clay officiated. Interment was in Rich Cemetery, Mayville.

OBITUARY

Louis S. Grossman of Hillside Terrace Ann Arbor, age 89 years, formerly of Manchester, died Monday at St. Joseph Hospital following a short illness.

Mr. Grossman was born Jan. 1, 1881 in Manchester the son of John and Elizabeth Gross Grossman. He was a life-long resident of Washtenaw County and a retired farmer. He was married to Talitha Pfister. She preceded him in death. On Nov. 17, 1937 he was married to Ida Kulenkamp. She survives.

Mr. Grossman was a member of the Lafayette Grange.

In addition to his wife he is also survived by a son, Waldemar of Chelsea; 3 grandsons; 2 great-grandchildren, 2 brothers, Erwin and Theodore both of Jackson; 3 sisters, Mrs. Leila Pfister, Jackson, Mrs. Alma Barnes, Jackson and Mrs. Lydia Ernst of Ann Arbor.

Funeral services were held Wednesday at 2 p.m. at the Jenter Funeral Home. Rev. C. A. Lawton officiated. Burial was made in Oak Grove Cemetery.

LITTER HARVEST YIELDS WIDE VARIETY OF ITEMS

Twelve diapers, 11 strands of wire, 10 towels, 9 shirts, 8 dead cats, 7 stockings, 8 hats, 5 pairs of glasses, 4 license plates, 3 bed springs, 2 baby pacifiers and 1 rusty bucket with a hole in the bottom.

No partridges or pear trees, but one Christmas tree, a pheasant and four dead owls. Also an old washing machine, a bank money bag, a nightgown, a photograph of a nude woman, a couple of auto batteries, some egg carton fillers and a set of dentures.

That's a sample, and an actual count, of what maintenance crews of 29 state highway departments harvested in a national study of highway litter. The Highway Research Board of Washington, D. C., made the study at the request of Keep America Beautiful, Inc.

The Michigan Department of State Highways, a participant, took inventory of litter collected at 10 widely scattered sites selected by the Highway Research Board. Each was two-tenths of a mile long. Some were in urban and some in rural areas. Some were freeways and others were two-lane highways.

Two pick-ups were made, one month apart.

In the first national pick-up maintenance men retrieved an average of 3,279 items per mile, or nearly two items per yard. The average on the second pick-up was 1,304 items. The accumulation in heavily traveled areas was much larger.

Fifty-nine percent of the discarded items were made of paper. Sixteen percent were glass bottles and jars, six percent were plastic items and the rest miscellaneous items ranging from tires to table legs to toothbrushes.

The State Highway Department will spend more than \$1 million this year to collect trash along the 9,222 miles of state highways. More than \$600,000 of the total will be for collection of bottles, cans and paper items discarded by litterers as they drive along the highway.

"The volume of litter we pick up is about twice what it was not very many years ago," said Paul J. Marek the Department's engineer of maintenance.

"Part of the increase is simply the result of more cars on the highways," he said. "Part of it, however, can be blamed on the growing carelessness of people."

LOCAL GIRLS ATTEND MSU DAIRY FOODS CONFERENCE

Mary Niehaus, left, 3590 Fletcher

Road, Chelsea and Valorie Vogel, right, 11437 Pleasant Lake Road, Manchester were among more than 75 young people

from across the state who learned about dairy foods nutrition and the dairy industry at the 1970 Dairy Foods Conference, April 26-28, at Michigan State University.

"The conference was designed to teach young people the nutritive value of dairy products and create appreciation for the Michigan dairy industry through knowledge of career opportunities in marketing of dairy products," said J. Ray Gillespie, state 4-H youth program leader and coordinator of the conference.

The conference was sponsored by the American Dairy Association of Michigan through the 4-H Club Foundation of Michigan and was conducted by MSU's Cooperative Extension Service.

"If you're unhappy with the phone company, we'll get you action."

"It happens.

"Sometimes people have a legitimate complaint against the phone company.

"But too often they go to someone else for an answer. When we should be the first to hear about it.

"We're service and repair representatives at Michigan Bell, and if you need an answer for a slip up, call one of us first.

"We have a new way to handle complaints and unusual service requests much faster. Now if you should ever have a question for the phone company, you don't have to contact someone else.

"To take care of these hang ups, Michigan Bell has set up 'Special Action

Forces' in its local offices.

"Our 'Special Action Forces' are made up of specially trained people.

"They know the best ways to track down misplaced orders. To process even the most complicated service and repair requests.

"So if you ever have a telephone repair problem, just dial repair service; for any other service requests, call your service representative at your local Michigan Bell business office. If we can't solve your problem through regular channels, we'll turn it over to our 'Special Action Forces'.

"Now, if you contact us first, you'll get faster action."

If your car's air conditioner needs service or recharging, bring it to us. We have all new equipment to do the job.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF MANCHESTER PUBLIC SCHOOL DISTRICT WASHTENAW AND JACKSON COUNTIES, MICHIGAN TO BE HELD MAY 4, 1970

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election of the qualified electors of Manchester Public School District, Washtenaw and Jackson Counties, Michigan, will be held in the Manchester High School Building, in the Village of Manchester, Michigan, on Monday, May 4, 1970.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M.

The following proposition will be submitted to the vote of the electors qualified to vote thereon at said special election:

Shall Manchester Public School District, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed One Hundred Sixty Thousand Dollars (\$160,000) and issue its bonds therefor, for the purpose of remodeling the Manchester Intermediate School Building and constructing and equipping a hallway connector between the Manchester Intermediate School Building and the Nellie Ackerson School Building; and developing and improving the site?

Section 6, Article II, of the Michigan Constitution of 1963 reads in part as follows:

"Whenever any question is required to be submitted by a political subdivision to the electors . . . for the issue of bonds, only electors in, and who have property assessed for any ad valorem taxes in any part of the district or territory to be affected by the result of such election or electors who are the lawful husbands or wives of such persons shall be entitled to vote thereon . . ."

Several recent United States Supreme Court decisions have indirectly raised questions as to the validity of the above constitutional provision. For this reason, all resident qualified school electors who are registered with the city or township clerk of the city or township in which they reside shall be allowed to vote on the proposition of borrowing and issuing bonds of said school district. The votes cast by those electors who have property assessed for ad valorem taxes within the district or are the lawful husbands or wives of such persons and so assessed will be tabulated separately.

This Notice is given by order of the Board of Education of Manchester Public School District, Washtenaw and Jackson Counties, Michigan.

Secretary, Board of Education

IN MEMORIAM

There was no ryme or reason for certain events in his life. He was satisfied to know it was God's will for him to go through strife.

It has been almost a year since his struggle and strife came to an end. To call him back would be selfish of us for he knew God was his friend.

In loving memory of Melvin "Red" Lamb.

EDITOR'S NOTE

We have had several inquiries and comments on why our newspaper does not contain more local news. We are unable to print local news if we are not notified of things that are happening. As far as club news is concerned, we feel a member could possibly be chosen to be responsible for reporting items to

the newspaper. If your sons or daughters win an award, become parents, take a trip; call us. We cannot know these things without being called. If we tried to attend and report on every function that takes place in Manchester, we would constantly be away from our families and our home. Carolyn Ahrens is the gal to call with your local news. In education we are striving not to teach youth to make a living, but to teach youth to make a life, in the sense that a life is useful happiness and well-spent leisure.

MARX & MARX TO CELEBRATE 75 YEARS OF SERVICE TO MANCHESTER THIS YEAR

by Carolyn Ahrens

In 1895 a new business, Yocum, Marx & Co. opened in the thriving village of Manchester, then the center point of the surrounding communities, where several trains carried passengers, merchandise and cattle daily between Tecumseh, Jackson, Ypsilanti and Hillsdale. As pointed out by the son of one of the original owners of Yocum, Marx & Co., the store has figuratively speaking seen, "The transition period from 12 passenger trains and several freight trains to the coming of the automobile (the first in Manchester in 1907) and from then on to the entrance of the truck and finally the disappearance of the trains entirely." That store which has seen so many changes in the community, this year will celebrate 75 years on Manchester's Main Street.

The original store of Yocum, Marx & Co. was opened by Christian Marx, Austin Yocum and Dennis Torrey and was located where the Gambles Store is now. They carried household items, carpets, dry goods and women's clothing and a year later moved the store to the present location. Waldo Marx, the son of the late Christian Marx recalled, "That in the year around 1900 there being no automobiles most everything came by train and the salesmen would have their sample trunks opened for display in the Manchester Hotel located where Grossman Huber is now." He also remembers from childhood that there was a small grocery counter where his shoe center is now located with many exchanges between the owners and farmers in the form of eggs and butter.

The store was successful and a few years later the owners put in an archway to the store now occupied by Widmayer's Furniture and opened a men's store which was later managed by Leroy Marx and Clair (Dutch) Reidel. Shortly after Yocum, Marx & Co. opened a third business, a grocery store, at the present site of Way's Bakery. Early employees included Miss Edith Dietle and Mrs. Clarence Schlicht.

Waldo Marx remembers his first working experience in the store in 1919 when he worked part-time while in high school. Apparently the business was destined to stay with him. After graduation from the University of Michigan he worked for the SS Kresge Co., Main Street, Ann Arbor later to become the Assistant Manager.

But still young and a life-time ahead, Waldo and Ruth Marx decided to open a store themselves. The store, located in Ypsilanti, was opened in 1925 and was successful until the crash of '29. It was then that they returned to Manchester and to what soon became Marx & Marx.

The late Christian Marx and his son formed a partnership in 1930 and seven years later, upon the death of Christian Marx, Ruth and Waldo Marx began their uninterrupted service to the community with the help of Mrs. Leroy (Emma) Marx, Loretta Faulhaber who worked a short time after graduation and Mrs. James (Mae) Fahey who worked at Marx & Marx as well as Mrs. Dorothy Buss.

Mr. Marx has carried many of the original ideas throughout his business career such as the 20% discount sale days which began in the early days of Yocum, Marx & Co. and as pointed out by Mr. Marx, "We have always carried nationally advertised merchandise at a reasonable price and have enjoyed a very fine business from our local people and surrounding neighbors." Also the store carries generally the same type items as the original owners including dry goods, ladies ready-to-wear, a selection of gift items such as towel sets and bedding as well as a wide variety of carpeting.

Mr. and Mrs. Marx are life-long residents of Manchester and are members of Emanuel Church where Mr. Marx previously taught the high school boys Sunday School class and later became the Superintendent of Sunday School for a total of 35 years service. He is a charter member of the original Rotary Club which later became the Exchange Club and now the Optimist Club and enjoys fishing and gardening.

CHAMBER TO HOST MEETING ON STORE FRONTS

The speaker for a dinner meeting to be held at Emanuel Church Hall on Thursday, May 14 will be W. Lockwood Martling, Jr., a registered architect. A graduate of the School of Architecture of the University of Illinois, Urbana, Mr. Lockwood Martling spent many years in his own practice of architecture, specializing in the remodeling of residential as well as non-residential structures.

As Supervisory Architect for the Department of Housing and Urban Development, Chicago, he oversees the architectural aspects of the rehabilitation of structures to remain in residential as well as in downtown areas in the midwestern 10 states.

He will develop a custom tailored slide presentation showing many of our buildings and, with slides from other cities, show how they can be improved.

He will endeavor to suggest an architectural theme most befitting our city and its buildings - restoring and preserving the inherent character present amplifying it where it is lacking. A few architectural refinements plus sympathetic color styling plus landscaping and proper lighting could restore many downtown viable shopping areas.

AMBULANCE SERVICE IN AREA UNDER QUESTION

by Carolyn Ahrens

Recently a remark made by an area resident and one which has been expressed by many others, deemed it necessary to follow up and hopefully bring about a solution or at least an understanding of the problems involved. A few days ago an ambulance was needed and it seems took some time to arrive. "Why," demanded several people, "do we have such poor service?"

General Manager of the Washtenaw and Wayne County Superior Ambulance Service James McLaughlin explained the situation as it presently stands.

"Until a few months ago an ambulance had been stationed in Chelsea. As of February 1, the Chelsea Police Dept. took over the building where a Superior Ambulance was located. There was no other vacancy available at that time and with contract negotiations due in June, we were not in a position to rent on a long-term lease even if we had found a suitable location," McLaughlin explained.

"When an agreeable contract is reached we hope to re-establish a unit in western Washtenaw County, possibly at I-94 and Fletcher Road which is approximately 15 miles from Manchester. At present, he continued, ambulance service must either come from the Zeeb Road and I-94 location or Saline."

Mr. McLaughlin also explained that due to the poor radio communications between the ambulance and the station cause a delay for those needing ambulance service in this outlying area. Should an ambulance be returning from a call or a cancellation call come in, the station operator cannot reach the drivers beyond a certain radio range. "We are definitely handicapped concerning the western side of the county but are hopeful for a correction soon," he said.

Concerning the radio problem, the license for the radio system installed the end of February was denied due to the interference with police radios, he pointed out. But as of last Friday they were authorized to begin tests with the FCC and if the radio frequency doesn't interfere with police radios will be able to operate on a waver license. "We are fully aware of the conditions in the Manchester area and share your concern and we are doing our best to remedy it," McLaughlin added.

"Concerning locations and directions, we do carry maps in the ambulance but even then it is possible to get lost," he said. Perhaps a word of direction especially in outlying or difficult locations might help the drivers to reach a stricken party more rapidly.

But within the past few weeks another Manchester family needed an ambulance and described the service as "very satisfactory" and estimated the time of arrival about 20 minutes after the call was made. The family also added that the drivers were "excellent in their First Aid care."

Mr. McLaughlin stressed that they are doing their best with the present situation of ambulance location and radio communication problems and hope the two major difficulties will be corrected soon.

(Editor's Note: Since contract negotiations are coming up in June, now is the time to express your complaints or comments to our representative on the County Board of Supervisors, Jack Bradbury, call 475-2662.

WHAT DO YOU THINK OF YOUR TOWN?

YOU

THINK OF

YOUR TOWN?

by Carolyn Ahrens

Young and old, married or single, Manchester means a great deal to everyone who has chosen to live here. Better than many small communities, lesser in some ways too, Manchester has a lot to offer but also needs attention. To the elderly "it's fine just as it is" but to the younger generation lacks facilities geared to their wants. It means traveling to Ann Arbor, Jackson or Adrian for a show and pizza, it means no place for the "under 21 crowd" to gather for a coke and hamburger after 9 p.m. and for those over 21 even with a couple places to go there are no facilities such as bowling or dancing. But still these recreation activities are not very far away and today's youth are seldom without a car.

To one single young man, Manchester is his home and he hopes for changes to further benefit the community. A Washtenaw Community College student, majoring in accounting, he can compare Manchester with the larger cities and as a future career-minded individual is also looking for future job opportunities.

At present he is working his way through college and is employed at the Black Sheep Tavern. As a Jaycee and American Legion member he is active in community affairs as well as activities of the Manchester United Methodist Church.

To Guy Gilbert, Manchester means . . . Manchester is a small quiet village that lacks the hustle and bustle of the big city. You know your neighbor and you can walk down the street and know everyone you see. You don't have the fear of being assaulted everytime you step out of your door. There is a quiet serenity in a small village like Manchester.

But Manchester lacks growth. Manchester has no facilities for the youth of the community. There is also no place for a person to go for a good steak and a couple of drinks. Too many issues and developments are decided by a clique of individuals for their personal gain and not for the betterment of the community. It won't be too long and Manchester will be part of Ann Arbor and not Manchester.

More people are going to have to take an active part in the growth and development of Manchester. There is too much apathy in the community. It has been proven by the Chicken Broil and other club projects that everyone can work together and achieve something. But why limit this to once a year? Start attending council meetings and voice your opinion. It doesn't do any good to complain about a decision after the decision has been made by someone else.

One project that should be started by each and every individual is personal ecology. After this gets started on a personal basis, get after the businesses that are littering and polluting. The main roads leading into town look worse than the landfill does. From the bridge past M-52 on Austin Rd., the ditches are lined with beer and pop cans, bottles, paper bags and all sorts of junk. Grossman Rd. is the same way. The fence in front of the cemetery is usually lined with papers, with a lot of the debris drifting into the cemetery. Some businesses in town are dumping raw sewage into the river. They have either no toilet facilities or they are inadequate.

Everyone should take stock of his or her actions. Instead of complaining to your neighbor about some problem or action that was taken or wasn't taken, sound off to the people that make the final decision. Get up and do something about the things you don't like!
