

Lawrence Scheid, chief cook at the block party, was assisted by Jim Kensler, Fire Chief, who would be immediately available in case the roasting party got a little too hot. Scheid is basting the 112-pound pig with a gallon of his own famous South Carolina barbecue sauce.

### FIRST ANNUAL PIG-ROASTING POTLUCK BLOCK PARTY HELD LAST SATURDAY

Early last Saturday, July 4, several neighborhood men gathered at the Ed Kirk residence on Territorial to begin the process of roasting a whole pig. Pre-heated charcoal was placed in a special-built grill, made by Lawrence Scheid out of a 250 gallon fuel oil tank, and a 112 pound dressed pig was wrapped in foil and placed flesh-down on the grill by 8:30 a.m. By noon the pig was turned over to the skin-side to finish cooking through by 6 p.m. using 140 pounds of charcoal in the process.

Chief cook Lawrence Scheid explained that the charcoal is placed along the sides of the grill thus keeping the grease free of the charcoal and with holes in the bottom of the grill, will run free. Small openings at either end of the grill permit adding charcoal as needed.

The First Annual Pig-Roasting Potluck Block Party was held at the Kirk's with the Schaffer and Widmayer pools in use for the children from 2:00 p.m. and after 10 p.m. that evening the adults made use of the Widmayer facilities.

"It took 8 hours, 1 keg of beer and 2 cases of coke to cook the pig," Ed Kirk said. Approximately 50 neighbors gathered for the pig-roast and all agreed it was a "fun day." With volleyball, dart games, dominoes and three piano players providing music, it never knew there were so many good singers on Territorial Street. Mrs. Marie Schook said.

### FIRST WOMAN CLERK IN VILLAGE GOVERNMENT

Village Council recently accepted the resignation of Douglas Hughes and appointed Mrs. Donald (Mary) Wheeler of 416 E. Main to fill the unexpired Village Clerk post which ends in February, 1971. Hughes said he resigned because of lack of sufficient time required in such a position.

Mrs. Wheeler, formerly of Alma, taught high school English and Latin in Milwaukee before the family moved to Manchester last September. "When we moved to Manchester we decided a good way to get involved in the community was to attend the council meetings. I find it quite interesting and you can certainly keep abreast of what's going on in the community this way," Mrs. Wheeler said.

Mr. Wheeler is a Fluidics Design Engineer at Double A. The wheelers and their four children Kathy 5, Kari 4, Rick 2 1/2 and 15-month-old Mike are members of St. Mary's Catholic Church.

# DELICIOUS CHICKEN THURSDAY ...

by Carolyn Ahrens

The last minutes rush is on as Manchester irons out the final preparations for the 17th Annual Chicken-Broil scheduled for this Thursday, July 16 at 4 p.m. at the Athletic Field.

The tables and chairs are set up, the charcoal stacked and ready to light and the 11,998 pounds of chicken is ready for the grill. One thing remains in question - the weather, a factor less than agreeable the last two years. The past record of clear weather has been favorable however so hopefully the weatherman will co-operate once again this year.

With take-out lines at the Wolverine Street gate, service was more rapid last year than ever before. Designated parking at the Double A and high school lots lessen the ever-present congestion and danger when over 10,000 cars, trucks and bicycles converge within a few hours at the Athletic Field. Only the workers will be permitted to park on the field.

Tickets are available at the gate or from the workers and remain at \$1.75 per person with the proceeds to provide a little league baseball diamond.

The Black Sheep Tavern will oppose the First National Bank of Findley, Ohio at 7 p.m., WPAG radio will be on hand as well as several important guests. An after-broil party for the workers at Carr Park will then conclude a year of planning and a day of hard work for Manchester residents.

The efforts and proceeds are the result of countless hours of everyone in the community. Plan to support the project - attend the 17th Annual Chicken Broil, Thursday, July 16 at 4 p.m.

# Come back Wednesday SIDEWALK SALE

This will be the fifth year for the Manchester Sidewalk Sale. It has grown in size and popularity each year and judging by the enthusiasm of several merchants this promotion should be far be the biggest ever.

WHO, WHAT, WHEN, WHERE & WHY

### LETTER TO THE EDITOR

In response to my questioning the Bank concerning Dan Boutell's resignation, I have been advised that the Union Savings Bank is growing. If this is the way to grow, I'm sorry for the community. Manchester Plastics and other industries and local businessmen regret to see Mr. Boutell resign his position. I feel thru his personal contact and 21 years of service, he has the qualifications to run this bank and keep the confidence of the local businessmen.

The Board of Directors I'm sure, realize that it's satisfied people working together that has helped Union Savings Bank grow to what it is today.

I would like to point out to the people of this community that Mr. Boutell was instrumental in Manchester Plastics purchasing land and locating in this community, and in getting us help from the local businessmen to purchase stock in our company. To date all of our loans and banking has been through Union Savings Bank. This last month we have been working with Mr. Boutell and other larger banks to secure a loan larger than the local bank could handle, but definitely having this bank be a correspondent bank.

I will always respect Mr. Boutell for guidance given us thru the past 6 years. He has given me the confidence I needed and he has gained the respect of some of the largest banking facilities in the state.

I am left with the feeling we have a divided bank. In industry and home a divided house will not stand. I cannot help but think that a man like Mr. Boutell will be a loss to community growth and to the growth of our local bank.

Sincerely,

Max Kenyon  
 President  
 Manchester Plastics, Inc.

### MINIMUM WAGE LAW CHANGE

As of July 1, 1970, the minimum wage will be \$1.45 per hour, on July 1, 1971, the minimum wage will be increased to \$1.60 per hour. Remember, this law pertains only to employers of four or more employees between 18 and 65 years of age at any time within any calendar year.

The piece rates will not be changed until later, possibly August or September, in order to conform with the new hourly minimum wage rates.

### MANCHESTER SPEEDWAY RACING RESULTS

Manchester Speedway won one and lost one, as they say in baseball, tonight. After a complete rain-out Friday night, the regular program, plus make-up races that were rained out June 26 were scheduled to be run.

Under threatening skies the qualifying was completed, and first on the docket was the make-up Sportsman Feature. As flagman, Don Hunt dropped the green, the cars roared thru the first three turns fine, but on the fourth, half of them spun, calling for a complete restart. It was a great race with three cars closely bunched for the lead, Curtis Kelly, Dick Thiede, and Marvin Carmen, who dropped out on the last lap. Kelly picked up the win over Thiede, Jim Bissel, Jr. Gary and Bud Elting.

The Semi was run straight thru with Dave Marcum taking an early lead and holding on for the checkered flag. Following him were Howard Woodman, Gary

Rhoades, and Jim Martin.

In the Stockers Feature, Dale Brenner jumped out in front and was never headed. Second and third places went to Harold Heisler and Paul McNamara.

That was the win part, as that program was finally completed. The loss was the regular program for tonight, as the cars lined up for the first heat, the rain came down and that was it! The rainchecks will be honored Friday night (July 17). That will be the Mid-Season Championship, with trophies awarded to each winner, and "PLEASE, NO MORE RAIN!!!" See you at the races!

### MECHANIZATION REQUIRES FARM SAFETY

Modern farm equipment is much more dangerous than traditional "horse power", points out Richard Pfister, Michigan State University extension safety engineer.

Farm safety becomes more important each year with increased mechanization and automation of farm operations, reminds Pfister.

He suggests that farm workers start practicing safety by reading -- and heading -- instruction manuals. Keep guards and safety devices in place, he warns. Stop machines before unclogging or adjusting. Stay clear of moving parts. Keep children off and away.

Avoid tractor upsets by going slowly on turns, on slopes or rough or muddy ground, Pfister cautions. Slow down near ditches

and embankments and watch for hidden hazards, holes or other obstacles. Equip tractors with safety belts, plus protective frames or crush-resistant cabs.

Have proper lighting and SMV (slow-moving vehicle) emblems for safer road travel. Keep the SMV emblems clean, in good repair and correctly mounted. Have a first aid kit and fire extinguisher on each tractor.

Always train young or inexperienced workers to operate machinery safely.

National Farm Safety Week is July 19-25. Safety should begin that week and continue throughout the year.

### THIRD ANNUAL HORSE SUNDAY, JULY 26

The Michigan Quarter Horse Association will present its Third Annual Horse Show on Sunday, July 26 at the Farm Council Grounds on the Saline-Ann Arbor Road. Mr. June Mitchell of Town Creek, Alabama, will be the judge. The events will start at

8:00 a.m. and will continue throughout the day.

Halter classes will be held in the morning, at which time horses with the best conformation, character and manner will be selected. The afternoon classes will consist of action classes such as cattle cutting, barrel racing and reining, in addition to youth activity classes.

In the past this Show has drawn some of the top riders and high point horses in the nation. Included in the local participants are Denise Tirb and Laurie Smith.

During the afternoon Tom Nowatzke, a Detroit Lions football player and quarter horse enthusiast, will crown the Michigan Quarter Horse Association Queen.

Food and concessions will be handled by the "Good Samaritans", and profits from their efforts will go to a charitable organization. Admission donation is \$1.00 for adults, children under 12 years of age will be admitted free of charge.

## RICHARD FAY OF HOWELL VOWS TO RUN AS IF HE HAD TO "BEAT THE DEVIL" FOR HOUSE SEAT IN 51st DISTRICT

Vowing to run as if he had to "beat the devil," Richard Fay officially opened his campaign in Hell, Michigan for the House of Representatives seat in the 51st District.

"Since it's an uphill race, I figured we might as well start as low as we could," Fay said.

"Hell is a good place to start our crusade because it symbolizes both how tough the opposition is and how hot the battle is going to be," Fay added.

Fay, a 34-year-old insurance executive, is challenging Rep. Thomas Sharpe for the House seat. The district includes Livingston County and part of Washtenaw County.

Fay is basing his campaign on the theme that citizens in the District are tired of the "old politics" and want a fresh, vigorous spokesman in Lansing.

Fay was greeted at Hell's Gate by the town's official Devil, Kem Charboneau, who is appointed by the Hell Chamber of Commerce.

Dressed in his red and black silk costume, Charboneau made it plain that he was neutral in politics.

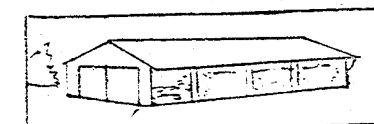

"Besides, I doubt that any politician wants my endorsement," quipped the Devil.

Hell is a tiny town near Pinckney in Livingston County that has a permanent population of only about 50 persons. Its summer population swells considerably.

A newcomer to the political scene, Fay is a veteran who served in Korea before returning to his home in the Howell area.

"At 34 I'm at an age where I can offer both maturity and vigor in Lansing," said

### SUNDAY SCHOOL TEACHER RETIRES AFTER 65 YEARS

by Carolyn Ahrens

Miss Amanda Lehman recently retired from teaching Sunday School at Emanuel Church, a responsibility she's held for 65 years. "I loved it and I loved the children and was always sorry to move a class on," she said and always found "that to show kindness toward children they would return your kindness."

Miss Lehman, who has taught three generations of many Emanuel Church families, instructed various age groups throughout her many years of teaching with her last class in the Lower Junior Department. Her classes usually included "lots of parties, hikes and interesting projects" with an average class numbering 12 children and were "usually girls although I did teach some boys," she added. One particular boy she recalls, "always wanted to help me out on my galoshes." Another incident she remembers was when the children were asked to bring in a token to be sent for a special project. "But I like money too," one little boy retorted when the final offering came. Another little boy would always leave with the others but would then come back and say "good-bye Miss Lehman, I'll see you next Sunday." Miss Lehman added, "Perhaps he was too bashful to say it in front of the others."

"She loved teaching the children," her sister Esther pointed out, "and regardless of her personal health she seldom missed Sunday School." Miss Esther Lehman donated a substantial amount toward a portable organ used in her sister's class and for caroling parties.

Miss Lehman was presented several gifts including a Bible in appreciation of her years of service to Emanuel Church. One token in particular means a great deal to her and was written by Mrs. T. V. Ludwick.

"This year she celebrates a span of teaching, we are told, that sums up sixty years plus five, 'tis something to behold!!"

We know that all who benefit from her kind loving care will certainly be better off because they have been there.

Her church and children are her life, a dedication great. The kids come smiling from her class, they

are so seldom late. To sing and pray and listen as she tells of God's great gift. Sometimes she isn't feeling well, but, she gives us all a lift. God gives us special people to administer His will, And we know that we are fortunate here at Emanuel. We have Amanda, with her wisdom, made from a special mold. We give a little to her and she gives it back ten-fold."

Miss Lehman attended Elmhurst College and is a member of Emanuel's Women's Guild and the Manchester Circle of the King's Daughters. She lives on Beaufort Street with her two sisters Esther and Clara.

DICK FAY LIKES LADIES . . . . .

. . . . . and he listens to what they have to say. He knows that women are concerned about education, the breakdown of law and order and a growing disrespect for any kind of authority. As a family man and father of two children, Fay also is concerned about how well his children are being educated, about what is being done to curb increasing drug abuse and alcoholism, and about the upheavals on our campuses. Dick Fay's crusade to make politics a personal thing between elected officials and the voters has brought him into contact with all kinds of people in Livingston and Washtenaw Counties. He has learned that too often the views of women are ignored in the mad rush of politicking. He is trying to correct this oversight by making a special point of seeking out the opinions of women voters. Mr. Fay will work for a society in which children can grow up with proper respect for law and order and duly constituted authority; a society in which senior citizens will get relief from a straitjacket of soaring property taxes; a society which will be humane but will not coddle loafers and criminals. As a life-long resident of the 51st District, Mr. Fay has watched with alarm as apathy and self-interest have gnawed at the vitality of the area. He believes that his election as your state representative will give him an opportunity to fight against the inroads being made in what used to be a place where a person could live in peace and decency. If you are concerned and would like to show your concern, vote for Richard Fay in the August 4 Republican primary.

ALL THE WAY WITH FAY!!!!

**JOIN US AT "DAN AND MARY NITE"**

Tuesday, July 28, a Community Recognition Banquet for Dan and Mary Boutell will be held with a cocktail hour at 6:30 at the N. of C. Hall and dinner at 7:00 at the high school gymnasium. The roast beef dinner will be catered by Romanoffs of Ann Arbor.

Ticket deadline is July 24 with tickets available at \$5.00 per person from Grossman Huber, Krauss Pharmacy or any committee member. Members of the committee are Eugene Bentschneider, Clarence Fielder, Ronald Jenter, Roland Grossman, Luther Klager, David Little and Robert Swartz.

The initial response to this "Dan and Mary Nite" has been overwhelming, the committee pointed out. "It's for all Dan has done for us." The public is invited to express their appreciation of the continued dedicated service to the community by the Boutells. To repay them is impossible but to thank them as a community will be possible through this evening planned in their honor. "Dan has been a friend to

farmer and businessman alike and now there is unlimited facilities for those who wish to thank him at this recognition banquet."

**BLOODMOBILE SUCCESSFUL**

Manchester Red Cross Blood Club is ready to serve the area again after a most successful Bloodmobile at the Manchester Methodist Church on July 14. Out of 110 donors who attended only 17 were deferred, leaving 93 pints of blood to be divided between Clinton and Manchester Dearborn Steel Tubing of Clinton sent 22 prospective donors and were credited with 15 pints of blood for their bank, leaving 78 for Manchester.

Four new one-gallon donors were put on the Honor Roll—Jay Jackson, Joseph Kastl, Roger Merrill and Charles Rose. Jerry Kirk received his 2-gallon pin and Charles Palmer of Dearborn Steel Tubing in Clinton donated his 16th pint at this clinic.

As in all Red Cross projects many volunteers besides the 110 donors are responsible for the venture. William P. Purfield, M. D. and D. M. Petersen DO donated their time so that the clinic might be held. Double A Products donors were transported to and from the plant by volunteer drivers Clayton Parr and Joseph Schwab. The Methodist Church W. S. G. S. furnished the canteen refreshments and the American Legion Auxiliary, the orange juice. St. Mary's Church loaned two large fans to help keep the Fellowship Hall at the Methodist Church cool and comfortable on a very muggy day.

Mrs. Eugene Bentschneider who was Chairman-of-the-Day and twenty volunteers assisted the professional Bloodmobile staff from the Southeastern Michigan Regional Blood Bank in Detroit.

Nurses were Mrs. Theodore H. Tapping, Jr., Mrs. Allan Faulhaber, Mrs. James Kress, Mrs. Joseph Schwab and Mrs. Stanton Roesch.

Nurses Aides were Mrs. Millard Uphaus, Mrs. Ted Stautz, Mrs. Allan Schaffer, Mrs. Ralph England and Mrs. James Pratt.

The Staff Aides who registered the donors were Mrs. Tom Walton, Mrs. Norman MacLeod and Mrs. William Schaffer.

Mrs. Ray Kerr was chairman of the Canteen assisted by Mrs. Amanda Gage, Mrs. John Bunney, Volunteers Betty Kellogg and Charlene Sannes, Mrs. Basil Schwab and Mrs. Ronald Jenter who recorded the Honor Roll donors.

Credits also go to two members of the American Legion Auxiliary who assisted with phoning prospective donors - Mrs. Don Sutton and Mrs. Lauren Huber. The newly formed Jaycee Auxiliary contacted the members of their dual organizations. Radio stations WPAG, Ann Arbor, WNRN, Saine and WLEN, Adrian all helped publicize the time and place for the clinic.

The Club reminds all residents of the Manchester School District and all who live in Manchester Township that their needs for blood are covered by the Manchester Red Cross Blood Club. When such a need arises contact any of the following persons: Mrs. Franklin M. Reck, Mrs. Roland Grossman, Mrs. Millard Uphaus or Mrs. Robert Huber. If the family is connected with Double A Products, contact Jerry Langowski, Personnel Director at the plant.

Give the releasing committee the name of the recipient, the hospital, anyplace in the United States or Canada, where he owes the blood and the amount needed and the Red Cross does the rest.

Manchester's next Bloodmobile is January 14, 1971.

**THE ISSUES WHERE TURNER STANDS**

- 1. Cost of Living:**  
The people MUST have control of their own money.
- 2. Crime:**  
Whether organized or street, it must be STOPPED or we'll have utter chaos.
- 3. Legal and Judicial Reform:**  
It's like cleaning a barn lot—one shoveful of manure at a time until you get down to clean bedrock.
- 4. Education:**  
Consider the alternatives—a return of local control or an explosion.
- 5. Abortion:**  
It should be between a woman, her doctor and her God.

### LEGAL AND JUDICIAL REFORM

I stand four-square on the conclusion that corruption in our judicial branch of government has direct relationship to the moral and social decay in our political process. The power of our judiciary has been misused and perverted out of all sense of proportion, as to its intended service and responsibility to society. If elected Governor of this state, I solemnly promise to give first priority to judicial and legal reform and implement the following:

1. A State Board shall license and discipline all members of the legal profession.
2. The new State Licensing and Grievance Board shall have (7) seven members. Four of the members shall be attorneys, three shall be laymen.
3. All judges shall be chosen by lottery.
4. The new American Bar Probate Code will immediately be considered, modified and adopted, by our legislative body.
5. No lawyer will be allowed in Estate, except by invitation of a judge.
6. All divorce proceedings will be handled in Probate Court, behind closed doors and without attorneys, as per present current juvenile affairs.

### CRIME

We must attack crime on all levels—at home by fighting individual moral decay, on the streets and against the organized crime machine with tougher law enforcement and honestly uncorrupted courts. Then and only then can we hope to be effective enough to win the battle. The main point is that we can no longer tolerate, nor can we afford, a crime-controlled society. We must control crime, and smash it, before it controls us.

### COST OF LIVING

As prices rise to a point where a normal citizen can't make a decent living, our economy is falling into a virtual recession. I simply CANNOT believe the answer lies in some economic planner in Lansing. The solution to this inflationary-recessive impossibility, I believe, is to: run the economy as a good private home is run. Don't spend what you can't afford. Curtail some of the spending by careful investigation and if there's ANY doubt, slap it on a ballot and let YOU, the people decide.

### EDUCATION

You CANNOT have a system which allows out-state politicians control over a Detroit school or any school in an area they do not directly represent. What we have now, as I see it, is the politicians in Lansing attempting to ram through school programs without the consent of the people which I believe is an impossible situation tickling the edge of disaster. The only way I believe the issue of school reform can be effectively resolved is at the community level. It will take the consent of the

### CHICKEN BROIL IS NOW A MEMORY

by Carolyn Ahrens

The last ember has died away, the final chicken eaten and the endless hours of work finished as Manchester completes the most successful year of serving charcoal broiled chicken to slightly over 10,000 guests. "It was the best year yet," many observed. The weather was perfect, a major factor in bringing guests from near and far and with past experience and improvements each year the service was fast and the seemingly endless lines at take-out and on-field guests moved along rapidly.

Guests included those from California, Florida, Maryland, Illinois, Indiana and Ohio. There were no major accidents, the Black Sheep Tavern won both softball games and all agree "it was a perfect year for the broil."

Proceeds of the 17th Annual Chicken Broil will now be used for the little league baseball diamond on village-owned property on S. Adrian Street. Co chairmen Ludie Klager said that the total amount cleared will not be determined for at least another week due to money and ticket return, bills, etc.

Co-chairman Klager and Rollie Grossman wish to thank all those working to make the broil a success from the committee chairmen, workers, Boy Scouts, to those involved in the clean-up operations and the Washtenaw County Sheriff's Dept. and Mounted Posse as well as radio station WPAG. "Manchester proved once again that working together we can do almost anything," Mr. Klager pointed out.

### BROWNIE TROOP 650 TAKES NAME OF "BUSY BEAVERS"

The Brownies in Troop 650 have been quite busy this past year and deserve some credit for some of the fine Service Projects they enjoyed doing for their community and other people. Some of the projects included collecting Betty Crocker coupons for the Kidney Foundation, cleaning up Main St., helping the Jaycees dye Easter eggs for their Easter egg hunt and making Memorial Day tray favors for the patients at the Washtenaw County Home in Ann Arbor.

They also enjoyed such crafts as making jewelry boxes, paperweights and sit-upons. They learned how to build and put out campfires and how to use the jackknife and compass. They also had a short lesson on "First Aid" in case of any accidents (which luckily there were none).

The Brownies had fun doing things together and some of the outside activities included hiking, Christmas caroling and baking Christmas cookies. They had so much fun baking cookies that they all decided to plan a tea party for their mothers and so in May they baked cookies for this occasion and served them with punch and coffee. It was like a Mother's Day Gift to their "Moms" because the girls did everything themselves with the leaders only supervising.

In June the troop spent their last day together at Camp Linden near Brighton. Everyone had a great time building their own campfire and cooking their hotdogs over it. They also enjoyed sharing their dessert with their Sister Troop 653. They ended the day with a nice long hike observing some of the many wonders of nature on the campgrounds.

A few weeks later a few of the Brownies were fortunate enough to attend Gypsy Glade Day Camp which is near Chelsea. It was a rewarding experience for the girls and perhaps next year there will be room for more of our Girl Scouts.

### DANCE NEXT WEDNESDAY

There will be a dance on Wednesday, July 29 in the Manchester High School Study Auditorium beginning at 8:30 p.m.

### MR. & MRS. BOUTELL TO BE HONORED ON JULY 28

Dan Boutell, friend and businessman to the entire community, will be feted for his twenty years of service to the community Tuesday, July 28 at a cocktail hour and dinner in his honor. "Dan and Mary Nite" will show our appreciation to the Boutells and should be the gathering of the entire community.

At the time of Mr. Boutell's resignation he was President and a member of the Board of Directors of the Union Savings Bank. His twenty years of service to Manchester were years of activity and interest in civic and church affairs as well as business. He has been treasurer of the Manchester Public School District for fifteen years, a member of the Board of Education, actively involved in the Citizen's Committee, former president of the Optimist Club and a major force in organizing the Steer Club. He is a charter member of the Chicken Broil Project, honored and respected by the Jaycees and was chairman of the Village Water Committee which brought about the recent improvements of Manchester's Public Works Department.

Mr. Boutell has been directly or indirectly responsible for many existing community projects and improvements both personal and public and has given unselfishly of his time, talent and energies to countless projects and activities in the Manchester area and is a friend, advisor and confidant to hundreds in the local community and state."

Robert Swartz said, "The Boutells are members of the Emanuel United Church of Christ and Mr. Boutell a member of the Twentieth Century Club. She is also known by many through her work at the Manchester Township Library, a position she's held for three years.

Tickets for "Dan and Mary Nite" are available from: Grossman-Huber, Krauss Pharmacy and the committee members which include Eugene Bentschneider, Ronald Jenter, Roland Grossman, Luther Klager, David Little and Robert Swartz. Ticket deadline is July 24. The cocktail hour will be held at the K of C Hall at 6:30 p.m. followed by dinner at the high school gymnasium at 7:30 which will be catered by Romanoff's of Ann Arbor.
