WE SUPPORT

JAMES C. TURNER

Republican Candidate for Governor

BLOODMOBILE SUCCESSFUL

Manchester Red Cross Blood Club is ready to serve the area again after a most successful Bloodmobile at the Manchester Methodist Church on July 14. Out of 110 donors who attended only 17 were deferred, leaving 93 pints of blood to be divided between Clinton and Manchester Dearborn Steel Tubing of Clinton sent 22 prospective donors and were credited with 15 pints of blood for their bank, leaving 78 for Manchester.

Four new one-gallon donors were put on the Honor Roll—Jay Jackson, Joseph Kastl, Roger Merrill and Charles Rose. Jerry Kirk received his 2-gallon pin and Charles Palmer of Dearborn Steel Tubing in Clinton donated his 16th pint at this clinic.

As in all Red Cross projects many volunteers besides the 110 donors are responsible for the venture. William P. Purfield, M. D. and D. M. Petersen DO donated their time so that the clinic might be held. Double A Products donors were transported to and from the plant by volunteer drivers Clayton Parr and Joseph Schwab. The Methodist Church W. S. G. S. furnished the canteen refreshments and the American Legion Auxiliary, the orange juice. St. Mary's Church loaned two large fans to help keep the Fellowship Hall at the Methodist Church cool and comfortable on a very muggy day.

Mrs. Eugene Bentschneider who was Chairman-of-the-Day and twenty volunteers assisted the professional Bloodmobile staff from the Southeastern Michigan Regional Blood Bank in Detroit.

Nurses were Mrs. Theodore H. Tapping, Jr., Mrs. Allan Faulhaber, Mrs. James Kress, Mrs. Joseph Schwab and Mrs. Stanton Roesch.

Nurses Aides were Mrs. Millard Uphaus, Mrs. Ted Stautz, Mrs. Allan Schaffer, Mrs. Ralph England and Mrs. James Pratt.

The Staff Aides who registered the donors were Mrs. Tom Walton, Mrs. Norman MacLeod and Mrs. William Schaffer.

Mrs. Ray Kerr was chairman of the Canteen assisted by Mrs. Amanda Gage, Mrs. John Bunney, Volunteers Betty Kellogg and Charlene Sannes, Mrs. Basil Schwab and Mrs. Ronald Jenter who recorded the Honor Roll donors.

Credits also go to two members of the American Legion Auxiliary who assisted with phoning prospective donors - Mrs. Don Sutton and Mrs. Lauren Huber. The newly formed Jaycee Auxiliary contacted the members of their dual organizations. Radio stations WPAG, Ann Arbor, WNRN, Saine and WLEN, Adrian all helped publicize the time and place for the clinic.

The Club reminds all residents of the Manchester School District and all who live in Manchester Township that their needs for blood are covered by the Manchester Red Cross Blood Club. When such a need arises contact any of the following persons: Mrs. Franklin M. Reck, Mrs. Roland Grossman, Mrs. Millard Uphaus or Mrs. Robert Huber. If the family is connected with Double A Products, contact Jerry Langowski, Personnel Director at the plant.

Give the releasing committee the name of the recipient, the hospital, anyplace in the United States or Canada, where he owes the blood and the amount needed and the Red Cross does the rest. Manchester's next Bloodmobile is January 14, 1971.

A man who stands for truth, honor, and fairness in government

THE ISSUES WHERE TURNER STANDS

- 1. Cost of Living:**
The people MUST have control of their own money.
- 2. Crime:**
Whether organized or street, it must be STOPPED or we'll have utter chaos.
- 3. Legal and Judicial Reform:**
It's like cleaning a barn lot—one shovelful of manure at a time until you get down to clean bedrock.
- 4. Education:**
Consider the alternatives—a return of local control or an explosion.
- 5. Abortion:**
It should be between a woman, her doctor and her God.

LEGAL AND JUDICIAL REFORM

I stand four-square on the conclusion that corruption in our judicial branch of government has direct relationship to the moral and social decay in our political process. The power of our judiciary has been misused and perverted out of all sense of proportion, as to its intended service and responsibility to society. If elected Governor of this state, I solemnly promise to give first priority to judicial and legal reform and implement the following:

1. A State Board shall license and discipline all members of the legal profession.
2. The new State Licensing and Grievance Board shall have (7) seven members. Four of the members shall be attorneys, three shall be laymen.
3. All judges shall be chosen by lottery.
4. The new American Bar Probate Code will immediately be considered, modified and adopted, by our legislative body.
5. No lawyer will be allowed in Estate, except by invitation of a judge.
6. All divorce proceedings will be handled in Probate Court, behind closed doors and without attorneys, as per present current juvenile affairs.

CRIME

We must attack crime on all levels—at home by fighting individual moral decay, on the streets and against the organized crime machine with tougher law enforcement and honestly uncorrupted courts. Then and only then can we hope to be effective enough to win the battle. The main point is that we can no longer tolerate, nor can we afford, a crime-controlled society. We must control crime, and smash it, before it controls us.

COST OF LIVING

As prices rise to a point where a normal citizen can't make a decent living, our economy is falling into a virtual recession. I simply CANNOT believe the answer lies in some economic planner in Lansing. The solution to this inflationary-recessive impossibility, I believe, is to: run the economy as a good private home is run. Don't spend what you can't afford. Curtail some of the spending by careful investigation and if there's ANY doubt, slap it on a ballot and let YOU, the people decide.

EDUCATION

You CANNOT have a system which allows out-state politicians control over a Detroit school or any school in an area they do not directly represent. What we have now, as I see it, is the politicians in Lansing attempting to ram through school programs without the consent of the people which I believe is an impossible situation tickling the edge of disaster. The only way I believe the issue of school reform can be effectively resolved is at the community level. It will take the consent of the

cont'd. page 2

CHICKEN BROIL IS NOW A MEMORY

by Carolyn Ahrens

The last ember has died away, the final chicken eaten and the endless hours of work finished as Manchester completes the most successful year of serving charcoal broiled chicken to slightly over 10,000 guests. "It was the best year yet," many observed. The weather was perfect, a major factor in bringing guests from near and far and with past experience and improvements each year the service was fast and the seemingly endless lines at take-out and on-field guests moved along rapidly.

Guests included those from California, Florida, Maryland, Illinois, Indiana and Ohio. There were no major accidents, the Black Sheep Tavern won both softball games and all agree "it was a perfect year for the broil."

Proceeds of the 17th Annual Chicken Broil will now be used for the little league baseball diamond on village-owned property on S. Adrian Street. Co chairmen Ludie Klager said that the total amount cleared will not be determined for at least another week due to money and ticket return, bills, etc.

Co-chairman Klager and Rollie Grossman wish to thank all those working to make the broil a success from the committee chairmen, workers, Boy Scouts, to those involved in the clean-up operations and the Washtenaw County Sheriff's Dept. and Mounted Posse as well as radio station WPAG. "Manchester proved once again that working together we can do almost anything," Mr. Klager pointed out.

BROWNIE TROOP 650 TAKES NAME OF "BUSY BEAVERS"

The Brownies in Troop 650 have been quite busy this past year and deserve some credit for some of the fine Service Projects they enjoyed doing for their community and other people. Some of the projects included collecting Betty Crocker coupons for the Kidney Foundation, cleaning up Main St., helping the Jaycees dye Easter eggs for their Easter egg hunt and making Memorial Day tray favors for the patients at the Washtenaw County Home in Ann Arbor.

They also enjoyed such crafts as making jewelry boxes, paperweights and sit-upons. They learned how to build and put out campfires and how to use the jackknife and compass. They also had a short lesson on "First Aid" in case of any accidents (which luckily there were none).

The Brownies had fun doing things together and some of the outside activities included hiking, Christmas caroling and baking Christmas cookies. They had so much fun baking cookies that they all decided to plan a tea party for their mothers and so in May they baked cookies for this occasion and served them with punch and coffee. It was like a Mother's Day Gift to their "Moms" because the girls did everything themselves with the leaders only supervising.

In June the troop spent their last day together at Camp Linden near Brighton. Everyone had a great time building their own campfire and cooking their hotdogs over it. They also enjoyed sharing their dessert with their Sister Troop 653. They ended the day with a nice long hike observing some of the many wonders of nature on the campgrounds.

A few weeks later a few of the Brownies were fortunate enough to attend Gypsy Glade Day Camp which is near Chelsea. It was a rewarding experience for the girls and perhaps next year there will be room for more of our Girl Scouts.

DANCE NEXT WEDNESDAY

There will be a dance on Wednesday, July 29 in the Manchester High School Study Auditorium beginning at 8:30 p.m.

MR. & MRS. BOUTELL TO BE HONORED ON JULY 28

Dan Boutell, friend and businessman to the entire community, will be feted for his twenty years of service to the community Tuesday, July 28 at a cocktail hour and dinner in his honor. "Dan and Mary Nite" will show our appreciation to the Boutells and should be the gathering of the entire community.

At the time of Mr. Boutell's resignation he was President and a member of the Board of Directors of the Union Savings Bank. His twenty years of service to Manchester were years of activity and interest in civic and church affairs as well as business. He has been treasurer of the Manchester Public School District for fifteen years, a member of the Board of Education, actively involved in the Citizen's Committee, former president of the Optimist Club and a major force in organizing the Steer Club. He is a charter member of the Chicken Broil Project, honored and respected by the Jaycees and was chairman of the Village Water Committee which brought about the recent improvements of Manchester's Public Works Department.

Mr. Boutell has been directly or indirectly responsible for many existing community projects and improvements both personal and public and has given unselfishly of his time, talent and energies to countless projects and activities in the Manchester area and is a friend, advisor and confidant to hundreds in the local community and state."

Robert Swartz said, "The Boutells are members of the Emanuel United Church of Christ and Mr. Boutell a member of the Twentieth Century Club. She is also known by many through her work at the Manchester Township Library, a position she's held for three years.

Tickets for "Dan and Mary Nite" are available from: Grossman-Huber, Krauss Pharmacy and the committee members which include Eugene Bentschneider, Ronald Jenter, Roland Grossman, Luther Klager, David Little and Robert Swartz. Ticket deadline is July 24. The cocktail hour will be held at the K of C Hall at 6:30 p.m. followed by dinner at the high school gymnasium at 7:30 which will be catered by Romanoff's of Ann Arbor.

WHO, WHAT, WHEN, WHERE & WHY

people, not a high-priced and often wasteful Board of Education bureaucracy to resolve our present school crisis. Obviously, the majority of our citizens want and deserve the right to self-determination and community control of their children's schools. I believe that the parents of our school children should have this right, not only in the interest of economy, but because I believe it will save us from the social and moral decay of our public institutions.

PAROCHAID

How in a Nation which states through its constitution that we are a people of religious freedom, can we justify giving tax money to RELIGIOUS schools? But worse, far worse in my estimation, is the fact that by giving primary financial aid to parochial schools, we might compromise the integrity of those schools, giving the state a chance to control at least non-religious teachings through funding. I believe parochial schools need and deserve some aid, but I firmly do NOT believe that the aid should be tucked onto a general school reform bill involving \$500 million of your money—it is neither fair to the public, or to the parochial schools. Nor do I believe that the majority of our citizens will approve of public tax support of parochial schools. Therefore, I believe the issue of parochial aid should be determined on the ballot, not behind closed doors in Lansing.

ABORTION

In my opinion—and I should point out that I'm not a Catholic—you cannot legislate a moral issue. I personally consider abortion an extremely moral issue and there should be NO law about it, either for or against. An abortion should be between the woman, her family physician and her God, and nobody else.

Why is it that ladies are usually so impressed with other people's other clothes and other husbands?

MANCHESTER SPEEDWAY RACING RESULTS

By Nancy Martin

The weather finally cooperated and it was a beautiful night here for the Mid-Season Championship races. 63 cars were on hand to entertain the largest crowd so far this season, with trophies going to the winner of each event. The fastest qualifiers were Sportsman Modified, Curt Kelly and Stockers, Dale Brenner. In the Modified class, the first heat saw several caution flags with Dick Slade coming thru for the win over Man Carmen, Sam Henson, and Dick Thiede. In the second there were many spin-outs, but Jim Stevens did a good job to take the checker followed by Ray Barnard, Bruce Moult and Dave Marburn.

Paul Whitaker took the third heat over Rex Kreig, Dick Carr, and Howard Woodman. The yellow was out in the fourth when Don Jalbert hit the wall coming out of the fourth turn. After the green fell, Cal Byrd hung on to take the checkered flag, chased across the line by John Weinhardt, Jim Hutton, and Gary Nicholson.

The pursuit was fast with Carmen and Kelly passing all the cars from the back of the pack, for first and second places. Third was Sam Henson and fourth, Thiede.

A couple eager leaders of the Semi received the black flag for running more than 1/2 second faster than their qualifying times. Dick Carr was first across the line followed by Whitaker, Kreig, Leonard Hale and Gary Rhoades.

As the green came out for the Feature, eight cars promptly spun out on turn two, calling for a complete restart. As the green fell again, Jim Martin jumped out into a commanding lead until the caution came out for a spin on the thirteenth lap. On the go again, Slade took over the lead for four laps, when Curt Kelly passed him and led all the rest of the way for his second trophy of the evening. Following him were Thiede, Slade, Don Macey and Jerry Tryon.

In the stockers class, there was one leader black flagged for running over his time, in the first heat. Paul McNamara came thru for the win over Lynn McMillan, Harold Reynolds, and Larry Hinkle. The pursuit went to Harold Heister, beating out Brenner.

In the feature, Brenner took his second trophy, taking the lead early in the race for an easy win over Dale Moor, Heister and Hinkle.

Friday night is another Destruction, and there are already about 20 cars signed up. These are wild, so for an evening of enjoyment, come on out and you won't be disappointed. See you there!!!!

It is often better to remain quiet around older people than to share your profound knowledge.

BOONDOCKS GOLF TOURNAMENT THIS SATURDAY

Several Manchester area golfers are expected to participate in the season's largest golf tournament at this area's best golf course. The tournament is The Boondocks

Classic and play begins July 25 with qualifying rounds to be shot any time at the player's convenience for the next seven days.

The final rounds will be held on August 1 and 2. The new course is located on Curtis Road 4 1/2 miles southeast of the village of Grass Lake. Players may enter either 9 or 18-hole

divisions and all entrants not qualifying for the championship flight will be placed in handicap flights. All competition will be on a medal play - total strokes - basis for the final two rounds.

There will be separate divisions for junior golfers and for women. Prizes or trophies will be awarded to winners and runners-up in each flight.

Entry fee of \$6 for the nine-hole divisions includes three 9-hole rounds of golf; the \$8 entry fee for the eighteen hole division includes three 18-hole rounds. All prize funds and other fees are included in these entry fees.

Reserved starting time for all rounds may be obtained. Further details are available by calling the pro shop of The Boondocks Golf Course, area 517, 522-4245.

BROWNIES WEATHER THE RAIN

Despite a very rainy day, Brownie Troop 651 held a family picnic at Carr Park Sunday, July 19. The blessing was given by Rev. John A. Pierson and good food was enjoyed by all.

Those attending were the Troop Leader Mrs. Larry Wright and her family, the Assistant Leader, Mrs. Barry Watson and her family, the Allen Clarks, the Hollis Knickerbockers, and the Franklin Wellmans. Guests were the sister and brother-in-law of Mrs. Watson, Rev. and Mrs. John A. Pierson and sons, Bruce, Todd and Scott. The Piersons are vacationing in Michigan from Oakland, Nebraska

Drive carefully and avoid the sorrow that will come to you if you cripple a child for life.

COUNCIL MINUTES June 1, 1970

Council met in regular session. Invocation given by Rev. Cooper. Trustees present: Scully, Reinhart, Curley, Fitzgerald. Absent: Mahony, Walton.

Minutes of the May 19 regular meeting were read and approved. Mahony entered the meeting. Scully presented the idea that the Village is in need of a better loitering ordinance. Some pertinent ordinances from other communities have been obtained for reference.

Loading zone area of IGA is not being observed. Several suggestions were made to bring this loading zone to people's attention. Walton entered the meeting.

The problem of street signs, stop signs, no parking signs, crosswalk signs was discussed. The Public Works Department will look into this problem. Police Chief Bekstel gave the monthly report. Moved by Mahony, supported by Scully to accept. All years, carried.

Mahony presented tentative budget for Fiscal 1970. Moved by Fitzgerald supported by Scully to approve the budget as presented. All years, carried. Reinhart reported that both pick-up trucks are in bad shape, one of which should be replaced. Reinhart is to get bids on new truck.

Reinhart was given okay to get moving on Duncan St. Project from Double A to Hibbard St.

Resolution by Reinhart, supported by Curley, to grant Bell Telephone underground cable per specifications submitted to Council. No trees to be removed. All years, carried.

Lease has been negotiated with Gulf Oil Co. for \$1,000 per year. Curley reported on Youth Recreation that a meeting was held last Wednesday, and there were 13 people present. General need for teenagers to meet, some search took place. The program would need a paid director to make it work. Moved by Reinhart, supported by Curley that we adjourn. All years, carried.

COUNCIL MINUTES May 19, 1970

Council met in regular session. Called to order by President Little. Trustees present: Mahony, Curley, Fitzgerald, Walton. Absent: Scully, Reinhart. Minutes of the April 20 regular meeting were read. Moved by Mahony to accept. Supported by Fitzgerald. All yeas, carried. Don Brown was present to see if something could be done about a stake or rod apparently remaining from old abutments in the river. Public Works Dept. will look into removing this.

Russell Widmayer, Assessor, was present to present the 1970 tax roll.

Real	\$4,592,000
1969 Personal	2,391,300
	\$6,983,300 Total
Real	\$4,627,000
1970 Personal	2,457,900
	\$7,084,900 Total

1970 Roll \$101,600 more than 1969 roll.		
General Fund	4.4 mills	\$31,173.56
Debt Service	2.0 mills	14,169.80
Highway Department	4.4 mills	31,173.56
Bridge Bond	2.2 mills	15,586.78
Tax Levy 1970		\$92,103.70

Moved by Mahony, supported by Curley to accept the tax roll as presented by the assessor. All yeas, carried.

Scully entered the meeting. At the next regular meeting, June 2, there will be a hearing on the 1970 budget. Mahony reported that the Catholic Social Services is interested in helping set up a youth recreation program in Manchester.

Scully made a recommendation that the area on Main St. east of the Ashland station be posted as a bus loading zone, or no commercial vehicles. Scully recommended that Council make a resolution adopting the Turn of the Century Motif for store fronts in central business district. Moved by Scully, supported by Walton. All yeas, carried.

Daniels reported for Reinhart that sod and trees were done at well house. Building permit - Norm Walz - from 1 to 2 car garage - \$700.

Walton reported on May 12 Planning Commission Meeting. Minutes as follows: The meeting was called to order by Chairman Bentschneider. Roll Call: Present: D. Little, L. Leeson, T. Walton, R. Clark, E. Bentschneider, L. Widmayer, G. Kuebbe, D. Bradley. Absent: L. Kirk, S. Roesch.

The Commission meetings will be held on the First Tuesday of the month during the summer period.

A discussion was held pertaining to rezoning the total block bounded by Main, Adrian, Duncan, and Clinton Streets as commercial. The motion was so made by G. Kuebbe and supported by L. Leeson. All yeas, carried.

Mr. Don Bradley requested the Mylar print of the Existing Land Use of Manchester. Mr. Bentschneider will contact Vilican-Leman for the said map.

He additionally discussed the coming Chamber of Commerce meeting to be held May 14, 1970, at which Mr. Lockwood Marting will be the speaker. He will speak on development of the central business district, and a representative of the Washtenaw County Planning Commission will attend.

The next regular meeting is to be held on Tuesday, June 2, 1970. The meeting was adjourned.

Moved by Walton, supported by Curley to accept recommendation of the Planning Commission and have a public hearing June 15, 1970 at 8:00. All yeas, carried.

Moved by Scully, supported by Walton that we adjourn. All yeas, carried.

WEST BRIDGEWATER STUDY GROUP NOTES

The West Bridgewater study club met July 15 at the home of Mrs. John Wallace, Sr.

Three ladies volunteered to go to the Ypsilanti State Hospital August 3 to help with the carnival. Five dollars will be spent on gifts to take along.

Election of officers followed with the same officers for another year.

The next meeting will be October 20 at Mrs. Armin Weidmayer's home.

STRAIGHT TALK FROM DICK FAY

ABOUT THE REAL ISSUES

TAXATION: In 1773 our forefathers held a "tea party" because of unjust taxation schemes, and I believe we are nearing a similar stage of revolt. The people are angry because they feel the tax burden is unfair, especially in the area of property taxes. My position is that there should be a more equitable formula worked out to equalize the burden of taxes. For example, a farmer should be taxed according to the profitability of his farm, rather than according to the alleged value of his land based on speculation as to its value when subdivided. Such taxation drives the farmer out of business because it makes his land too expensive.

Similarly, senior citizens and others on fixed incomes should have their taxes adjusted.

EDUCATION: Demand for educational facilities has exceeded our tax base. It is time for new thinking. The biggest tax bite comes from the cost of building new classrooms. The cost of such building has jumped from \$10 per square foot in 1958 to \$42 per square foot now. I propose legislation which would encourage modular construction of schools which would permit easy expansion of classrooms. Such a system would eliminate soaring architects fees since each school and classroom would be uniformly designed, and a classroom could be fitted into place as needed. Additionally, I will support an increase in the taxes on public utilities. Since the profits of these utilities is guaranteed by the state, I feel they should carry a fairer share of the tax burden.

REPRESENTING EVERYBODY: I have received support from persons in all walks of life including farmers, factory workers, doctors, hardhats, lawyers and housewives. I am grateful for all of their help; I am beholden to none of them. I will work for the interests of all of the people, and where that means calling to task any group for whatever reason, I will not hesitate to do so. The era of special interest dominance in the district will end when I am elected.

VOTE FOR RICHARD FAY AUGUST 4!!!!!!!!!!!!!!

(P. S. Congratulations on the wonderful Chicken Broil)

Wouldn't it be great to have a computer select the perfect dishwasher for you? But that's not the way it happens.

Buying a dishwasher takes planning. It's a major buying decision and a long term investment - just like buying a car. The correct choice will give you years of satisfactory service; the wrong choice can lead to years of dissatisfaction.

In making your buying decision, remember this - choose only the dishwasher best suited to your needs. And you are the only one who can determine this.

Even though I can't make any buying decisions for you, I can tell you what's available today. You have a large choice in models, colors, features. Dishwashers built today not only do a great job washing dishes but have some marvelous extra features, too.

Your most basic decision will be what type of dishwasher to buy. There are three types available - undercounter models, and front and top-loading portables.

Undercounter or built-in models are unfinished on the top, sides and back and are designed to be built in like a kitchen cabinet. They open from the front. This type has a permanent spot in your kitchen and doesn't need to be connected for each use.

If you plan to remodel your kitchen, you may consider this type. Remember that there will be an installation charge in addition to the purchase price.

Portables are on casters and can be easily rolled around. They connect to the water faucet and plug into the electric outlet for each use. If you don't have room in your present kitchen for a built-in, you may prefer a portable. It is portable may be your choice.

As the name suggests, top-loading models have a lid that raises for loading. They are normally the most inexpensive full-sized dishwashers.

Front-loading portables often have extra features, such as a cutting board top or food warmer top. Some can be built in later if you like.

Prices vary quite a lot on dishwashers. One way to be economical is to consider which cycles you will use most often. But keep this in mind - sometimes an extra cycle only adds a few dollars cost to a particular model. Over a period of years a slight extra cost may be well worth its value in time saved and convenience.

Most dishwashers built today do a good job washing dishes, but there are some variable factors. Understanding these will make the task of selecting the right model easier.

For example, there are several types of water spray systems. All dishwashers have a lower spray system, but in addition many have some type of upper spray system. With only a lower spray system you must use more time when loading the dishwasher. If you should accidentally splash the water flow with a large bowl, that dishes on the upper rack may not get clean.

There can be a great difference in capacity among models and brands. The rack design and space above each rack will determine this. Silverware baskets may be a critical factor in capacity also. Judge the dishwasher's capacity by the kinds of dishes you wash most often.

Next: How to Use Your Dishwasher

ONLY YOU CAN WEIGH THE VALUE.

HIGH SCHOOL STUDENTS ATTEND EMU ORIENTATION

Some 750 high school students who expect to enroll as freshmen at Eastern Michigan University in September attended a one-day orientation program on the campus recently.

During their visit, they received individual and small group counseling and registered for the fall semester. A campus tour, an opportunity to meet other freshmen in residence hall surroundings and 24 hours to become acquainted with campus routines were other parts of the program.

A special parents' orientation was held twice daily. The parents heard talks by University personnel and had a chance to ask questions.

Attending from Manchester were Gaylord W. Knauss II, son of Mr. & Mrs. Gaylord W. Knauss, 601 Spring St. and Charlene Versham, daughter of Mr. & Mrs. James Versham, 10870 Burmeister Rd.

Lake America.
In a sense, that's what you're doing when you buy U.S. Savings Bonds. Investing in the traditions that made America great.
And, realizing the economic strength it takes to keep the nation going, to build highways, to improve schools, to complete the things that we're doing to keep America great.
Does the investment pay off?
You bet it does.
You and millions of other Americans own the benefits of your Bond investment... and you personally reap a monetary benefit when you cash Bonds.
All you need to do is buy U.S. Savings Bonds.
Buy U.S. Savings Bonds.

July 30, 1970

BANK ANNOUNCES NEW APPOINTMENT

James C. Hendley, Chairman of the Board of the Union Savings Bank of Manchester, announces the appointment of Ed R. Kirk as Vice President of the Bank effective immediately. Mr. Hendley says the continued growth of the Bank has made it possible to add another senior officer to the staff and that the Bank is fortunate in having a man of Mr. Kirk's ability and experience available to assume added duties and responsibilities.

Mr. Kirk started his banking career with the Union Savings Bank in Feb., 1927 and became Assistant Cashier in 1935, a position he has held continuously since that time. Mr. Kirk has also served the Village of Manchester for almost as many years as Treasurer, an office he has held continuously since 1935.

Mr. Kirk is past president of the Optimist Club and now serves as secretary-treasurer. In 1962 he served as Washtenaw County Finance Chairman of the Greater Michigan Week Foundation. He is a member of the Knights of Columbus, the Holy Name Society and serves his church by acting as secretary-treasurer of the Ushers Club of St. Mary's, secretary of St. Mary's Cemetery Association, and as chairman of the Archdiocesan Development Campaign for St. Mary's Church.

When the Manchester Public Schools started the use of school buses in 1949, Ed was the first driver and now is the senior driver in years of service for the system.

Mr. Kirk and his wife Dorothy are life-long residents of the community and have five children, Joseph of Shafter, California; Jerry, a mechanic for Tom Marshall, Inc.; Judith, Mrs. Edwin Walz of Manchester; Patricia of Ann Arbor and John, at home.

Mr. Kirk's attitude towards his job and the community was well expressed by him when he was informed of his appointment as vice president. Ed says that regardless of title, he wants to remain at his present desk where he can greet all of his friends as they come into the bank.

BOARD LOSES SECOND KEY MAN

Though no official word has been received from Union Savings Bank, Ken Wolf, Head Cashier, has resigned his position effective July 27.

Though a special news release was drawn up by Board Chairman James C. Hendley at the time of Dan Boutell's resignation, apparently the Bank Board did not feel compelled when Mr. Wolf left to announce the fact to the local paper. Apparently the community is expected to listen to the many rumors about both men's resignations in so short a time and come to the conclusion that the Bank Board was right in accepting the resignations of these two key men.

The paper also understands that a man from Ann Arbor Bank is temporarily taking Ken's place.

Hopefully, after the many hard feelings created by the recent resignations have died down, the bank will share with its customers the facts of what has happened and why.

TOWNSHIP ELECTION FINALLY HAS SOME ACTION

The primary election shows some life this year as not just the incumbents are running. Long-time supervisor Clayton Parr is not seeking re-election. All other members of the Township Board whose terms expire are running. They include Waldo Marx for Clerk, Mike Wolfe for Treasurer and Malcolm Billings as Trustee.

Running for supervisor on the Republican ticket is Clarence Fielder. Opposing him on the Democratic ticket is Ralph (Bud) England. No one is opposing incumbent Clerk Waldo Marx. For Treasurer is Mike Wolfe and opposing him on the Democratic ticket is Lehman Wahl.

For Trustee, all on the Republican ticket, are incumbent Malcolm Billings, Lyle Widmayer, George Macomber, Don Limpert and Harold Kessal. Only one Trustee position is open. Voters should note that contrary to an ad in this paper by "Citizens for Better Local Government", the Republican Party does not support any candidate among the running. The title Republican Party above the ad could be misleading as some people might think those candidates listed had official party sanction. Neither party supports any particular candidate in a primary and ads of this kind are unfair to the other men running on the Republican ticket. This slate of men is supported only by friends of the candidates and not by the Republican Party.

The Primary Election is next Tuesday, August 4.

FOR SUPERVISOR

Ralph (Bud) England was born and has lived in Manchester for 29 years. He is a graduate of Jackson Junior College and has been a member of the Jaycees and is now a member of the Chamber of Commerce. He owns his own painting company and is married and has two children.

"There should be more local government. That is one of our society's big problems today - we depend too much on State aid. Too much money is being lost when you send money to the state and they in turn return it to you."

Clarence L. Fielder son of the late Fred and Cecelia Fielder, has been a life-long resident of the Manchester area. He graduated from Manchester High School in 1941 and completed a four year Tool & Die Apprenticeship with Ford Motor Co. Mr. Fielder served 27 months in the Armed Services, serving in the states and the European Theater. He was employed by the Ford Motor Co. for 11 years and Ratel Radio Television for 2 years. In 1954, he together with Eugene Bentschneider organized Manchester Tool & Die and were joined in partnership by Ted Stautz in 1955. They later bought Manchester Stamping, then located in Brooklyn and moved the operation to the present location at 17951 Austin Rd. Besides his post as President of Manchester Tool & Die and Vice-President of Manchester Stamping, he has been active in many fraternal and civic organizations being a charter member of the Knights of Columbus and a Past Grand Knight. He is a member of St. Mary's Church where he is presently serving on the Church Council as chairman of the Education Dept. and also is a member of the Ushers' Club. He has been on the Board of Education for over eight years and presently is Treasurer of the School Board he was on the Review Board of Manchester Township. He is a member of the Optimist Club and a Past President, trustee on the Family Service, Past President of the Community Chest and currently a trustee, also a member of the Recreation Committee. He has been active in athletics in the area for many years having played softball for a local

team for 20 consecutive years. He was instrumental in the organization of the Little League Program in Manchester having coached the Yankee team since its formation 13 years ago. Mr. Fielder also is a member of Tecumseh Country Club.

He is married to the former Margaret Feldkamp and the father of six sons, Ron, Jim, Dick, Pat, Craig and Curt, two of whom are serving the U.S. Army in Vietnam and Korea and three daughters, Mary Frances, Cecilia and Bernadette.

"I believe in a strong and vigorous government at the local level. A government concerned with local people, local issues and willing to solve local problems at that level. The first lesson of civics is that efficient government should begin at home."

Invariably when one sees a healthy, progressive and dynamic community it is evident that the people who make up that community are responsive to their local needs and are willing to devote interest, work, energy and their vote to satisfy those needs. Active participation by all citizens is vital to the well being of a healthy community. Government is a cooperative effort in which all citizens must take part to the full extent of their ability. If it is otherwise, the citizens will one day discover they are being ruled.

Healthy and progressive organizations, whether they are civic, fraternal, political or religious do not just happen. They become that way through the active involvement and participation of all who make up their membership. The lack of this involvement and participation on the part of the individual citizen makes for a weak and ineffective organization or community. Apathy or disinterest in governmental matters is the surest and quickest way to lose those freedoms we hold sacred in our democratic way of life. And yet today apathy on the part of the citizenry is evident in all levels of our government. For this reason I subscribe to the concept of active participation and involvement by all citizens. I believe if our local government is strong the higher levels will be that much stronger.

I do not believe that local governmental bodies should relinquish their control to the state or federal levels. I remember reading a statement by Samuel Johnson once which said, "Those who cannot govern themselves must be governed."

This frightens me, and I would like to check the eroding possibilities of our own right to govern. Any government that is big enough to give you everything you want is big enough to take everything you've got."

FOR TREASURER

Mike Wolfe, incumbent made the following comment to our reporter:

"There should be more local government with someone who is willing and able to perform the duties of that office if elected." He also pointed out that in 1945 there were 125,000 on the tax roll and in 1969 it had reached 450,000.

Lehman Wahl was born in Chelsea and has been a Manchester Township resident, where he owns and operates a dairy farm, since August, 1948. He is 49 years old, married and has one daughter. He is a member of St. Mary's Church, has served on the parish steering committee and is presently serving on the Worship Committee. Mr. Wahl has been a member of the Manchester Community Fair Board for the past 11 years serving as President for 3 years and in the capacity of Treasurer for 8 years. He also serves as its Resident Agent.

A charter member of the Father Fisher Council of the Knights of Columbus, he is presently Grand Knight. He has served as District Deputy of the organization for 6 years and during that period organized the local council.

Turner also believes that the runaway cost of our state and local government must be stopped and reduced or there will be a tax rebellion that will make the "Boston Tea Party" look like child's play. We have far too long tried to legislate our individual responsibility to some state agency, and they have failed to solve any problem and now Turner believes the people must do for themselves by becoming again a meaningful part of the political process. The Republican Party WILL become the people's party and the political bosses of both parties will lose control. Turner promises if elected. He pledges to return the government to the people where it belongs.

"It is not too late, the people have all power if they will only vote August 4th," he said.

JAYCEES TO HOLD FIRST ANNUAL COUNTRY & WESTERN SHOW SUNDAY

The Manchester Jaycees will hold their first annual Country & Western Show on Sunday, August 2, 1970 at the Manchester Speedway. First show will be at 1:00 p.m. Second show at 5:00 p.m.

JAMES C. TURNER CANDIDATE FOR GOVERNOR

The last week of the primary campaign will find James C. Turner, Republican candidate for Governor, running hard to get his positions known to all Michigan voters. He will cover the entire state in the last week, making at least five personal appearances daily and as many other stops as possible in his marathon-like-bid to upset the Republican machine.

Turner believes the Republican party under the leadership of "milk-toast" Milliken has broken faith with the people. In fact neither party establishment offers the needed leadership and now is the time for members of all political parties to nominate a man who can bring a fresh approach to the political process. Turner is saying that there is a serious crisis in our society today and now is not the time for an apologetic sympathetic milk-toast leader, but a time for leadership of strong convictions and an even stronger courage to face up to the challenges of the seventies.

Turner believes that among many other things, Milliken will destroy our Public Schools if he is not stopped on August 4. He has strongly criticized his opponent for the recent signing of the school aid bill which includes aid to parochial schools.

Turner has promised again and again to use the full power of the executive branch of State government to return government to the local level if he is nominated on August 4 and elected in November.

Turner has fought for two and a half years to expose the corruption in the Judicial branch of State government and feels that our boy governor has turned his back on the problems of both organized and street crime. Justice will come to all when the laws of this state are enforced with fairness, firmness and honor and if this does not come, we are rapidly approaching a time when no laws will be obeyed.

Turner also believes that the runaway cost of our state and local government must be stopped and reduced or there will be a tax rebellion that will make the "Boston Tea Party" look like child's play.

We have far too long tried to legislate our individual responsibility to some state agency, and they have failed to solve any problem and now Turner believes the people must do for themselves by becoming again a meaningful part of the political process. The Republican Party WILL become the people's party and the political bosses of both parties will lose control. Turner promises if elected. He pledges to return the government to the people where it belongs.

"It is not too late, the people have all power if they will only vote August 4th," he said.
