

OFFICIAL NOTICE OF SALE

\$160,000.00

MANCHESTER PUBLIC SCHOOL DISTRICT
WASHTENAW AND JACKSON COUNTIES, MICHIGAN
SCHOOL BUILDING BONDS

Sealed bids for the purchase of general obligation bonds to be issued by Manchester Public School District, Washtenaw and Jackson Counties, Michigan, of the par value of One Hundred Sixty Thousand Dollars (\$160,000), will be received by the undersigned at the High School Building, Manchester, Michigan, in said School District, until 8:00 o'clock, p.m., Eastern Standard Time on the 17th day of August, 1970, at which time and place said bids will be publicly opened and read.

Said bonds will be dated July 1, 1970, will be coupon bonds in the denomination of Five Thousand Dollars (\$5,000) each, will be numbered consecutively in direct order of maturity from one (1) to thirty-two (32), both inclusive, will bear interest from their date at a rate or rates not exceeding eight per cent (8%), per annum, expressed in multiples of 1/8 or 1/20 of 1%, or any combination thereof, the difference between the highest and lowest rates bid shall not exceed 2%. Said interest will be payable on the first day of November, 1970, and semi-annually thereafter on the first day of May and November in each year. The interest rate on any one bond shall be at one rate only and represented by one interest coupon for each coupon period, and all bonds maturing in the same year must carry the same interest rate. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at time of delivery.

Said bonds will mature serially as follows:

\$ 5,000 on May 1 of each of the years 1971 to 1975, both inclusive;
\$10,000 on May 1 of each of the years 1976 to 1981, both inclusive; and
\$15,000 on May 1 of each of the years 1982 to 1986, both inclusive.

Both principal and interest will be payable at a bank or trust company to be designated by the original purchaser of the bonds, which paying agent qualifies as such under the Statutes of the State of Michigan or of the Federal Government, subject to the approval of the School District.

Bonds of this issue maturing in the years 1971 to 1982, inclusive, are not subject to prior redemption.

The right is reserved of redeeming bonds maturing in the years 1983 to 1986, inclusive, at the option of the district, in inverse numerical order, on any interest payment date on or after May 1, 1982, at par and accrued interest to the date fixed for redemption, plus a premium as follows:

2% on each bond called for redemption prior to May 1, 1985.

No premium on bonds called for redemption on or after May 1, 1985.

Notice of redemption shall be given to the holders of bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the School District has money available for such redemption with the paying agent.

The bonds are to be issued for the purpose of remodeling the Manchester Intermediate School Building and constructing and equipping a hallway connector between the Manchester Intermediate School Building and the Nellie Ackerson School Building; and developing and improving the site.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from September 1, 1970 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. Each bidder shall state in his bid the interest cost to the School District, computed in the manner above specified. No proposal for the purchase of less than all the bonds or at a price less than 100% of their par value will be considered.

The bonds are to be issued pursuant to the provisions of Chapter 12, Part II, Act 269, Public Acts of Michigan, 1955, and the School District is authorized and required by law to levy upon all taxable property therein such ad valorem taxes as may be necessary to pay these bonds and the interest thereon, without limitation as to rate or amount.

A certified or cashier's check in an amount of \$3,200.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail. Payment for said bonds shall be made in Federal Reserve Funds.

Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paaddock and Stone, Attorneys, 2500 Detroit Bank and Trust Building, Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The School District shall furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at a place to be designated by the purchaser. Said bonds will be delivered within sixty (60) days from the date of sale and if said bonds are not delivered by twelve o'clock, noon, Eastern Standard Time, on the sixtieth day from the date of sale, the successful bidder may withdraw his proposal by serving notice of cancellation in writing on the undersigned in which event the good faith check shall be promptly returned.

In the event that prior to delivery of the bonds the interest received by private holders from bonds of the same type and character shall be taxable by the terms of any Federal income tax law, ruling, regulation or court decision, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase the bonds, and, in such case, the deposit accompanying his bid will be returned.

The right is reserved to reject any and all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Secretary, Board of Education

THAT'S A FACT

FIRST BOND!
ALEXANDER HAMILTON, SECRETARY OF THE TREASURY AT THE AGE OF 34, ISSUED THIS NATION'S FIRST GOVERNMENT BOND IN 1789. IT WAS A SECURITY ON A LOAN MADE FROM A NEW YORK BANK AND WAS IN THE AMOUNT OF \$20,000.

ADDITIONAL INCENTIVE
TODAY MILLIONS OF AMERICANS OWN THEIR COUNTRY'S SECURITIES IN THE FORM OF U.S. SAVINGS BONDS AND FREEDOM SHARES.
NOW BONDS PAY 4 1/2% FREEDOM SHARES 5% WHEN HELD TO MATURITY!!!

UP AND AWAY!
HAWAII BOASTS A WATERFALL THAT FLOWS UPWARDS! IT IS ON MT. LANIULU ON OAHU. IT'S STRANGE BEHAVIOR IS CAUSED BY THE POWERFUL GUSTS OF THE NORTHEAST TRADE WINDS.

SIX POSSESSIONS

I met a man the other day, whose sunny manner seemed to say, that he had found the happy way. I asked the secret of his smile; he answered somewhat in this style:
"Six things have I that spell content, six things that mean a life well spent, that make for real accomplishment:
A peaceful mind, a grateful heart, a love for all that's true,
A helping hand, real tolerance, and lots of things to do."
—Author Unknown

SHARING

There isn't much that I can do . . . but I can share my bread with you . . . and I can share my joy with you . . . and sometimes share a sorrow, too . . . as on our way we go.
There isn't much that I can do . . . but I can sit an hour with you . . . and I can share a joke with you . . . and sometimes share reverses, too . . . as on our way we go.
There isn't much that I can do . . . but I can share my flowers with you . . . and I can share my books with you . . . and sometimes share your burdens, too . . . as on our way we go.
There isn't much that I can do . . . but I can share my songs with you . . . and I can share my mirth with you . . . and sometimes come and laugh with you . . . as on our way we go.
There isn't much that I can do . . . but I can share my hopes with you . . . and I can share my fears with you . . . and sometimes shed some tears with you . . . as on our way we go.
There isn't much that I can do . . . but I can share my friends with you . . . and I can share my life with you . . . and often share a prayer with you . . . as on our way we go.
—Maude V. Preston

Too frequently, too many people do the right thing for the wrong reason when it is too late to do anything else.

Enterprise

2nd Year No. 43

It's too good to be true, but the bridge work has started —

IN MY OPINION

by Carolyn Ahrens

Charles Detting, the father of seven children, once made the remark, "With my kids all gone off in different directions, I'm always happy when they're back under my roof," and with his children Curt, Joe, Debra, Cheryl, Bruce, Cathy and Jill, ages 8 through 16, the activities of each must seem endless to him and his wife Janet. "Somebody is always going somewhere," he remarked on that same occasion, but because he is active in the community and cares about Manchester he encourages his family's participation in school and community projects. Employed at Double A Products as a tool and fixture designer, Mr. Detting is on the Steering Committee of the PTO, a member of the K of C and he and his family are members of St. Mary's. A lifelong resident of the area, to Charles Detting, Manchester means . . .

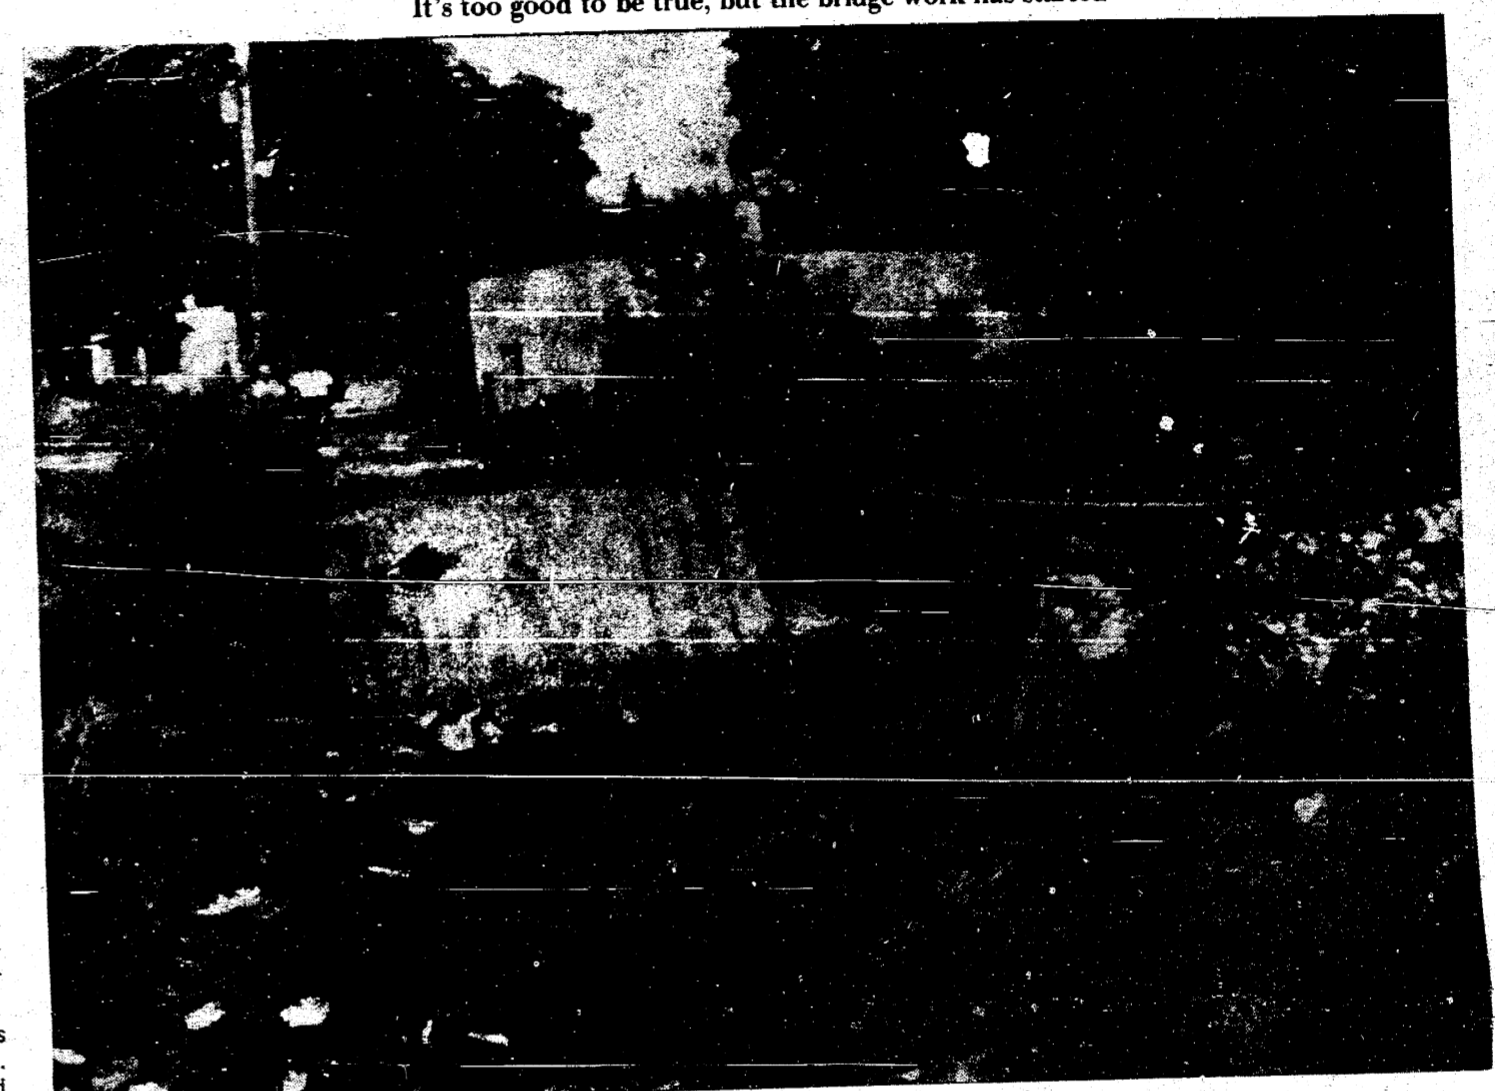

"When asked to do an article for this column, I wasn't sure what I would write. I'm not much of a writer at best and don't usually write anything unless "fired-up" or "fired-up" by something. Well, I'm not "fired-up" now but nevertheless I will attempt to present a few things as I see them.

I appreciate Manchester most after returning from the larger nearby cities. After backing traffic, attempting to park, waiting at the checkouts, etc., it's a downright pleasure to shop in Manchester. And, oh yes, did you ever try to cash a two-party check in Ann Arbor. Forget it. You can't. Ever paw thru 1,000 pairs of trousers in a large department store only to find they don't have your size? Try Walt Schalte. He will have them. Ever try to find a set of spark plugs in that same department store. Ten thousand spark plugs and not one for a Chevy 6. Try your local merchant. He'll have what you need; and your car will run on them. These are a few reasons I appreciate a town like Manchester.

It's nice to see the merchants painting and repairing. I get a feeling they care what people think of their town. Hats off also the JC's for the fine job they have done in the past cleaning the river front. Too bad more owners of river frontage in town don't see fit to keep it neat and attractive.

Have you ever traveled in or near town and seen large bags or boxes of trash "left on the road"? This is deplorable and should not be tolerated under any circumstances. The thought occurs to me that maybe, just maybe, if the Township Department opens the public seven days a week and advertises as such, these dumpsites might be reduced. I know of a dump site that has been handled this way for many years and is the cleanest, neatest and most accessible dump I have seen. Of course there will always be thoughtless people who don't care about others and who continue to litter.

When I was a boy we lived near Pleasant Hill where there were two public swimming holes and plenty of vacant frontage for swimming. The kids of Manchester at that time had their "swimming holes" too. There isn't a free public beach or any public access on Pleasant Lake. I don't know of any in Manchester but think there be, swimming would be prohibited because of the polluted water.

Being able to "go swimming" is one of the greater pleasures of life to a child. I think it's a shame the kids of the area don't have a place to swim. There are several small lakes or areas on which a lake could be developed in or near Manchester, which would be a clean, safe place for kids to swim. Some time ago there was discussion concerning the purchase and/or development of a small lake near town to provide recreation for our kids. I don't know what if anything has been done toward this end. I urge the people of Manchester to work toward providing this type facility.

Our peace corps people go to the poor, backward countries of the world, and with the help of the local backward people, build bridges. God bless these corpsmen for their sacrifices to perform this great and needed service. We tax our people to death to pay architect fees, engineers, surveyors, etc., and get bogged-down in red tape and build a \$70,000.00 bridge across a 40-foot wide river. While I am sure some of this is unavoidable, I can't help wondering who is backward.

I have often wondered why there aren't more homes built in Manchester. Many individual homes and whole subdivisions have sprung up in surrounding towns. Why not here? What don't we have to attract residents? What do we have that repels them? Maybe some village official could answer this.

This is one more thing I believe in. If you want your school, community, village, township and county to function as you would have it, get involved! Maybe we have grown too complacent. We have been inclined to "let George do it."

We don't realize George isn't doing it just as we would. Take a good look at your village, township, county and school authorities. You may think you know them but you might be surprised to see them in action. Do they decide the issues as you would have them? Or are the really important decisions made by a handful of persons bent on making a name for themselves under the guise of being interested in your welfare or your children's welfare or that of the community? There are a lot of second-rate politicians in office today because of the first-rate citizens who

didn't take time to exercise their rights. They aren't all in Washington either. People of the community — don't let "George do it!" It might even be worth missing a night of bowling, a card game or lodge meeting occasionally to see just what your elected and appointed officials are doing. You might be pleasantly surprised or you could be terribly disappointed. You won't know unless you take the time to find out.

In writing it seems that I have offered more criticism than praise. Let me say however, I do like Manchester. Its people are for the most part, honest, hard-working, generous Christians who are always ready with a helping hand for our good cause. We should be thankful to be a part of this community and strive to keep it the kind of place we would like our children to inherit.

SLOGAN CONTEST FOR UNITED FUND TO BE HELD AT THE FAIR

A \$5.00 prize will be awarded for the slogan selected from those turned in at the Fair for the 1970 United Community Fund and Red Cross Drive. There is no age limit for this contest.

The voting box and forms for the contest will be found in the Exhibitor's Tent, manned by Boy and Girl Scouts from 3:00 p.m. to 9:00 p.m. each day of the Fair.

The slogan box will be opened at the late August meeting of the Community Chest Board and the \$5.00 award, which has been donated to the Chest by an anonymous donor will be mailed to the winner early in September. The decision of the Board is final and all entries will become the property of the Chest.

Last year's slogan "Good Grief Give" was turned in by an anonymous slogan writer. It became the idea for a poster contest at the school and was an inspiration to the entire community.

MANCHESTER WOMEN BOWLERS

RED CROSS SHOPS EARLY

Christmas is coming early to the Washtenaw Chapter of the American Red Cross — in the form of filling "ditty bags" for our soldiers in Vietnam.

The bags are already sewn and need only to be filled by donations from our town people. Two years ago we were asked to fill 45 bags and we had to sew them. The quota then was 975 bags to be filled. This year the quota is only 250 bags to be filled, and we are asked to fill only 20! Last year we contributed nothing. The deadline is Sept. 15 so we don't have much time.

Some of the boys receiving these small items at Christmas may be all the Christmas remembrance they will receive. This year the bags will contain only 8 items instead of 10. Some of the items may be gift wrapped if anyone wished to. The items needed are ballpoint pens, pen-sized flashlights with batteries, small pen knives, windproof-type cigarette lighters with accompanying package of lighter flints, plastic soap case, small package of writing paper with self-seal envelopes, small address book, plastic toothbrush holder, terry cloth washcloth (other than white or red), nail clipper, plastic cigarette case, comb, mailing-size voice tapes (reels of 3" tapes - 150" length), small tins of nuts or nonmelting candies - vacuum packed, small plastic snapshot holders, small kitchen size and sandwich-type plastic bags (minimum of 3 - not wax paper type), "wipe and shine" - packet black shoe polish, pocket games (small enough to put in pocket or plastic bag, i. e., small decks of playing cards, chess, pinocle, etc.), pocket or diary-type calendars, "wash & dries" - pre-moistened towelettes, adhesive bandages - approximately 1" x 3", "C" batteries (long-life type) for transistor radios, white cotton socks, soap holders (suction type) and stainless steel mirrors.

I'm sure our community will help all they can on this small project, which will bring a little bit of Christmas to some of our soldiers and let them know we haven't forgotten them. For further information please contact Mrs. Ben Creason, 714 Granger St., 428-8136 or Mrs. Franklin Reck, 428-4491.

WHO, WHAT, WHEN, WHERE & WHY

LETTER TO THE EDITOR

To The Editor:

Many people are concerned with highway safety and the mounting toll of human suffering and loss of life that occurs every day.

A new organization, Michigan Women for Highway Safety, has been formed hopefully to educate and inform the public of factors that contribute to the high incidence of traffic accidents.

After extensive research by Dr. Pfister, Michigan State University safety specialist, as well as work at other state institutions, a slow moving vehicle emblem was designed and recommended for use on the public highways. These emblems triangular in shape, orange and red in color and of reflective material are attached to the rear of any vehicle with a maximum

speed of 25 miles per hour. This includes implements of husbandry, farm tractors and special mobile equipment.

These emblems have reduced rear end collisions immeasurable and are of great value in alerting motorists to possible traffic problems during both daylight and evening hours. These emblems properly used are a tremendous safety asset.

We are concerned with the use of the emblem by some people for other than its intended purpose. Using emblems as reflectors to outline parking areas, driveway markers, on mailbox posts or standards, etc. create some confusion for the motoring public when confronted with slow moving equipment properly displaying the emblem and is actually against the law.

When you see the orange and red triangle, slow down and let the other fellow live.

Mrs. Neil Nixon, County Chairman
Michigan Women for Highway Safety

MANCHESTER SPEEDWAY RACING RESULTS

by Nancy Martin

The fastest qualifiers at Manchester Speedway tonight were Marvin Carmen in the Sportsman Modified class, and Harold Reynolds in the Super Stock class.

In the Sportsman Modified division, the first heat was quick with Dick Thiede taking the win over Sam Henson, Carmen and Ken McLaughlin. The second was almost as fast with Gordon Schultz taking over after the leader was disqualified. Following him across the line were Ray Barnard, Jim Beissel and Howard Woodman.

Jim Slade took the lead in the third ending up stuck in the mud. It took three wreckers to pull him out, as the smaller ones tried first, but the biggest one was successful. After the restart, Gary Wordon took the win by a big lead over Larry Hinkle, Harold Heister and Burnham.

The pursuit saw only three cars left on the second lap. Wordon took the checkered flag when Reynolds pulled into the pits on the sixth lap. Third and fourth places went to Bill Kimbler and Lonnie Weistein.

Reynolds took the lead in the feature on the fourth lap and was never headed. Wordon held a comfortable second until he spun on the last lap between 3 and 4 turns, letting Hinkle and Burnham by for second and third spots. Wordon recovered for fourth ahead of Kimbler.

Next Friday night a full program is planned with the Tri-State Championship trophy races, and as added attractions, there will be a mechanics race and something new called a Demolition Team Race, not to be confused with a destruction derby. Just come and see for yourself what it is!!!

The feature was really wild with bumping, spin-outs, blown engines, etc.! Thiede led most of the way until the 23 lap when Carmen took over for his second win of the evening, followed closely by Thiede, Henson, Curt Kelly and Murphy.

The stockers class got off to a good (?) start in the heat race when several cars got into trouble with Harold Burnham

ending up stuck in the mud. It took three wreckers to pull him out, as the smaller ones tried first, but the biggest one was successful. After the restart, Gary Wordon took the win by a big lead over Larry Hinkle, Harold Heister and Burnham.

ARBIETOR PICNIC HELD

The Annual Arbiotor Picnic was held last Monday, August 3 at the home of Mrs. Grace Stockwell. Twenty-eight Arbiotor members and guests enjoyed a potluck noon dinner.

We wish to express our thanks for the support given us in getting liquor by the glass in the Black Sheep Tavern.

Within one year we will have expanded the business into a restaurant. Present appearance will be maintained and we hope we will be able to serve the real purpose of the tavern - which is to serve as a social center.

For the present time, the Cracker Barrel Antiques will be open 6 days a week.

SUPPORT OF AMENDMENT TO END THE WAR WANTED FROM THIS AREA

Over 30,000 county residents will sign a petition in support of the "Amendment to End the War" in August, according to a spokesman from the Washtenaw McGovern-Hatfield Amendment team.

To date over 15,000 signatures have been collected from citizens in Ann Arbor, Brighton, Chelsea, Dexter, Hamburg, Howell, Manchester, Milan, Pinckney, Plymouth, Saline, Whitmore Lake, and Ypsilanti. The national drive has counted 2 million signatures.

The Amendment to End the War provides that all American boys will be withdrawn from Vietnam in a safe and orderly manner by June, 1971. The bill is now awaiting action in the U.S. Senate.

Headquarters for the drive are the Peace Center at 604 E. Huron in Ann Arbor (north wing of Wesley Foundation, First Methodist Church). Organizers of the campaign report that those Manchester residents who are interested in helping can come in to the Peace Center or call 662-9484.

FROM THE OFFICE OF THE SUPERINTENDENT

The Manchester Public Schools will open for the 1970-71 school year on September 8, 1970. Bus schedules and routes will remain the same as last year with routes changing the second week if passenger stops warrant such a change. All but two vacancies on the teaching staff have been filled, and these two positions are expected to be filled shortly. New families in the district may register their children at any time between 8:00 a.m. and 4:00 p.m. in the Superintendent's office.

The Manchester Intermediate remodeling project has been delayed because of excessively high bids from the bidding contractors. The Board of Education is presently reviewing possibilities relative to this matter, and is hopeful that the problem will be resolved soon and the construction starts immediately afterwards. On the basis of estimates from the architect the bond issue approved by the voters on May 4, 1970 was set at \$160,000.00. When the bids were opened the construction costs were some thirty-five per cent over the architect's estimate. The Board of Education rejected all bids and advertised for new bids. The second opening saw a slight revision downward, but still much higher than the architect's estimate. The Board of Education has had a number of meetings with the architect to see if the matter can be favorably resolved, but at this point this change has not been forthcoming. At the present time they are waiting for information from the architect relative to some possible alternatives, and when these have been reviewed a decision will be made.

Plans were made early in the spring to accommodate the entire middle school program in the Nellie Ackerson Building during September and October, so while the delay is irritating and annoying the extension of this time in the Ackerson Building is feasible and workable.

MANCHESTER STUDENTS ATTEND ORIENTATION
 Approximately half the 3,400 students who will make up the Class of 1974 at Western Michigan University have completed their orientation programs on campus.

In groups of 150, they registered for fall classes, took placement tests and generally, became acquainted with the WMU campus and facilities. They were assisted by 51 upperclassmen and graduate students who served as counseling aides, student leaders and residence hall staff members. The visiting freshmen were housed in residence halls in Goldsworth Valley during their two days at the university.

First classes for the 1970-71 school year at Western Michigan will be held on Monday, Aug. 31 starting at 8 a.m. Students from Manchester who took part in Freshmen Orientation are Beverly Feldkamp, James Claus and Cynthia Schiller.

AREA PEOPLE RECEIVE DEGRESS FROM EMU
 William Bunney, 339 Territorial received a Bachelor of Business Administration; Bruce Eames, 18600 W. Austin, also received a Bachelor of Business Administration; James Fielder, 124 Macomb received a Bachelor of Science degree and Victoria Smith, 14658 Henzie Road received a Bachelor of Arts degree from Eastern Michigan University. The degrees were awarded at the end of the spring semester at Eastern Michigan University.

AREA PEOPLE RECEIVE DEGRESS FROM EMU
 William Bunney, 339 Territorial received a Bachelor of Business Administration; Bruce Eames, 18600 W. Austin, also received a Bachelor of Business Administration; James Fielder, 124 Macomb received a Bachelor of Science degree and Victoria Smith, 14658 Henzie Road received a Bachelor of Arts degree from Eastern Michigan University. The degrees were awarded at the end of the spring semester at Eastern Michigan University.

MANCHESTER HIGH SCHOOL TEXTBOOKS

Textbooks will be issued to high school students for the 1970-71 school year. There will be new textbook adoptions in the following areas: Algebra II, Book-keeping, Geometry, German I, German II, Biology, Advanced Biology and Chemistry.

As of now there are no plans to use the literature and grammar books. The English courses in grades 9-12 will be using paperbacks.

People owning books in the other areas of learning will have an opportunity to sell their books to the school in accordance to the number that the school will need. The school will begin buying books on August 24 and thereafter.

Students will receive their books at the start of school.

UNITED IN MARRIAGE

JoAnn Evelyn Koernke and Glenn Theodore Klosterhaus exchanged wedding vows at a 7:30 evening ceremony on Friday, August 7 in the Christ of the Good Shepherd Church in Lincoln Park, Mich. Father John L. Phalen performed the ceremony uniting the daughter of Mr. & Mrs. Otto Koernke of Manchester to the son of Mr. & Mrs. Edwin G. Klosterhaus of Wyandotte, Michigan.

The bride chose a white silk organza gown with Venetian lace and daisy applique on the long sleeves and on the long flowing train. Her veil was of silk illusion. She carried a bouquet of pink rose buds and white stephanotis, with pink and white streamers.

The maid of honor, Mrs. Sandra Marsh of Ann Arbor wore a long gown with a pink skirt and white bodice, appliqued with a daisy design on the long sleeves. She carried a pink basket with pink and white daisies mingled with ivy. As a headpiece, she wore ivy entwined with her Grecian curl coiffure.

Bridesmaids Mrs. Kersten Bauer of East Detroit and Miss Dee Ahlick of Detroit wore dresses identical to the maid of honor. Each carried a pink basket with pink and white daisies with ivy.

Mr. Edwin Klosterhaus, Jr. of Ann Arbor was his brother's best man. Ushers were Gerald Koernke, brother of the bride of Manchester, Kenneth Klosterhaus, brother of the groom of Wyandotte, Mich and Edward Pomeranian of Cincinnati, Ohio.

The bride's mother wore a dress in powder blue with blue lace and a corsage of pink roses. The groom's mother wore a pale apricot dress and a corsage of roses.

A reception was held at the Serbian Memorial Hall in Ecorse, Mich. A Detroit band played for the dinner and for the dancing which followed. Guests were from Michigan, Ohio, Illinois, Indiana, Georgia, North Carolina, South Carolina and Tennessee. Mr. & Mrs. Klosterhaus will live at 113 W. Brentwood, Detroit, Mich. following a northern Michigan honeymoon.

EX MANCHESTER LITTLE LEAGUER SIGNED BY FORMER YANKEE PITCHER

Rick Berry, ex Manchester Little Leaguer, who started his ball playing under the coaching of Clarence Fielder and Bob Panches is now with the Pirate Organization.

Rick played at Washtenaw Community College for a year under the coaching of Larry Slepky. He had a successful year there and was sixth in the nation in RBI's for Junior Colleges.

He was drafted in June of this year and signed by Ken Beardslee, former Yankee Pitcher, and sent to the Bradenton Pirates in Bradenton, Florida.

HIGH SCHOOL YEARBOOKS AVAILABLE NEXT MONDAY

High school yearbooks may be picked up from the high school office starting Monday, August 17. The books are available for sale on a first-come basis.

FAIR QUEEN CANDIDATES l. to r. front row - Shirley Egler, Sherri McAteer, Becky Evisizer, Terry Gonyer, Sue Westfall, and Patty Kastamis. Back row l. to r. Beth Merriman, Renee Gross, Sheryl Hieber, Lori Clark and Liz Hosmer. Not pictured is Nancy Simmons.

CANDIDATES FOR FAIR QUEEN
by Carolyn Ahrens

A fair wouldn't be a fair without a Fair Queen and this year is no exception. Following the parade on Tuesday, Aug. 18, which is the official beginning of the 1970 Manchester Community Fair, twelve young ladies will vie for the 1970 title of Fair Queen. Then upon the judges decision, Mrs. Vicki (Gorney) Galbraith, last year's Fair Queen will crown one of the following young ladies as the 1970 Manchester Fair Queen.

Three young ladies were chosen by their classmates before school was out last spring to represent their class in this contest. Representing the in-going seniors are Lori Clark, Shirley Egler and Sheryl Hieber.

Lori Clark, 17, is the daughter of Mr. & Mrs. Kenneth Clark of 20830 Pleasant Lake Rd. Active in school, she has been involved in the FHA, Pop Club, Varsity Cheerleader, vice-president of the junior class and was president of the freshman class. She would like to attend Western Michigan after graduation to study physical therapy.

Shirley Egler also 17, graduated from the Joan Jewett Career modeling school this past July and would like to go to modeling school next summer. Clubs and activities include girl's basketball, church youth fellowship, FHA, GAA, 4-H, student council, a Varsity Cheerleader and majorette. She is the daughter of Mr. & Mrs. Paul Egler of 9351 Weber Rd.

Sheryl Hieber, 17, is the third senior selected from the Class of 1971. The daughter of Mr. & Mrs. Elton Hieber of 10510 Bethel Church Rd., she would like to attend EMU to become a junior high teacher. High school clubs include FHA, German Club, student council, Pop Club, 4-H, FNA and Varsity Cheerleading.

Representing the Class of 1972 is Beth Merriman, Sue Westfall and Renee Gross. Miss Merriman, the daughter of Mr. & Mrs. William Merriman of 7780

Lamb Rd., is 15 and enjoys horseback riding and sewing. A junior this fall, she is active in school and clubs include GAA, 4-H, student council, vice-president of her sophomore class and president of the junior class.

Sue Westfall, 16, is the daughter of Mr. & Mrs. Richard Stein of 322 Ann Arbor St. She enjoys horseback riding, sewing and cooking and would like to go to MSU after graduation. She will be vice-president of the junior class, a member of the band, GAA, FHA, Pep Club, a Junior Varsity Cheerleader and the girl's baseball club.

Renee Gross, also 16, would like to be a stewardess someday. She also enjoys horseback riding, sewing and swimming and has been active in school projects including student council, majorette, GAA, FHA, German Club as well as the Walther League church club. She is the daughter of Mr. & Mrs. Frank Gross of 10255 W. Ellsworth Road.

Liz Hosmer, Nancy Simmons and Sherrie McAteer were chosen to represent the Class of 1973. Miss Hosmer is 15, was in the student council her first year in high school, a Junior Varsity Cheerleader and member of the FHA and GAA Clubs. She enjoys "any sports activities whenever I get a chance" especially horseback riding, tennis and swimming. She plans to attend college for further education. She is the daughter of the Russell Hosmers, 418 Territorial St.

Nancy Simmons, the daughter of Mr. & Mrs. Al Simmons, 212 Hibbard, enjoys sewing and swimming among her many activities. School clubs include student council, GAA, FHA and cheerleading as well as 4-H, with college plans after graduation.

Sherrie McAteer, 15, is the daughter of Mr. & Mrs. Jim Lubbe of 15226 Sharon Valley Rd. Clubs and activities include student council, FHA, FNA and GAA. Her hobbies include swimming, sewing, listening to music and "just being outside" whenever time permits from

her job at Dr. Glenn Lehr's dental office. She plans to attend college to become a doctor of neurology.

From the Class of 1974, Becky Evisizer, Terry Gonyer and Patty Kastamis represent the freshmen class. Miss Evisizer is the daughter of Mr. & Mrs. Jack Evisizer of 5269 Reno Rd. She has been chosen by her classmates as vice-president of the freshman class, a Junior Varsity Cheerleader and is active in the Methodist Youth Fellowship. Her hobbies include water skiing, horseback riding, dancing, swimming and singing.

Terry Gonyer enjoys swimming, horseback riding, dancing and any type of sport. The daughter of Mr. & Mrs. Ron Gonyer of 212 Wolverine, she is active in school activities including student council of which she was treasurer in 69-70 as well as participating in 4-H.

The third freshman representative is Patty Kastamis of 9825 Bethel Church Rd. and the daughter of Mr. & Mrs. John Kastamis. Swimming, dancing horseback riding and other sports take top priority for her spare time. School credits include cheerleading and orchestra.

CARD OF THANKS

We wish to thank the neighboring villages of Manchester, Dexter, Pittsfield Township, Ann Arbor for the cooperation and equipment during the disastrous fire in the downtown area of the village. Also F & M Restaurant for serving coffee and breakfast to the firemen, firemen's wives who helped make sandwiches and coffee and all men who in any way helped in the handling of hose lines, getting gas for trucks and the many other tasks that were performed. It is nice to know that when a crisis arises that people will become involved.

James Gaken, Chief
Chelsea Fire Department

We wish to thank all our new friends and acquaintances in Manchester for the magnificent way you responded to the tragedy that recently hit us. Your support and thoughtfulness continue to bolster us as we begin to put the pieces of our lives together again. We are staying in Manchester, and after a short vacation we'll be at home to you all. We love you and our town very much.

Sincerely,
Tammy, Tracy and Tom Schill *

LISTINGS WANTED

**MANCHESTER AREA WINNERS
1970 WASHTENAW COUNTY
4-H SHOW**

Grand Champion Individual Market Hog - Mary Ann McCalla.
Highest Rate-of-Gain - Swine - Paul Young.
Champion Ewe - Shropshire - Rick Haller.
Champion Ewe - Corriedale - Shelley Curtis.
Passport to Understanding State Show - Martha Sutton.
Jr. Foods-State Show - Beth Feldkamp
Alternate Marilyn Uphaus.
Sr. Foods-Detroit Edison Award - Ann Vershum, Charlene Vershum, Jean Feldkamp, Karen Sullivan.
State Show - Sue Vogel and Margaret Kemner.
Dog Care and Training - State Show - Kris Soehler and Bill Mann.
Jr. Demonstrations - Honor Group - Jodie Scott and Jane Schaible.
Creative Arts - State Show - Vicki Eisele.

Outdoor Meals-Michigan Consolidated Gas Award - Ann Vershum and Mary Alice Girbach, Saline.
Wildflowers - State Show - Jean Feldkamp.

Food Preservation - Detroit Edison Award - Beth Merriman, State Show - Vicki Eisele, Lois Kemner, Jean Feldkamp
Dairy Jr. Champion Brown Swiss - Beth Feldkamp

Dairy Jr. Champion Other Breeds - Nancy Kennedy
Dairy Jr. Reserve Champion Brown Swiss - Bob Feldkamp
Dairy Sr. Champion Brown Swiss - Shelley Curtis

Dairy Sr. Champion Holstein - Gordon McCalla.
Dairy Sr. Reserve Champion Brown Swiss - Jean Feldkamp.

Dairy Champion Female Brown Swiss - Shelley Curtis.
Dairy Champion Female Holstein - Gordon McCalla.

Dairy Reserve Champion Female Jersey - George McCalla
Dairy Reserve Champion Female Brown

John Young with his pigs at the 4-H Show.

Shelly Curtis and Grand Champion Brown Swiss

Swiss - Beth Feldkamp
Dairy Individual Herd - Gordon McCalla
Sr. Demonstrations - State Show - Margaret Lancaster, Valerie Vogel.
Horticulture Identification Contest - Jr. Division - Beth Feldkamp.

4-H NEWS

Fourteen members of the Sharon Valley Saddle Club exhibited their horses and ponies at the 1970 4-H Youth Fair held this past week at the Rural Activities Center on Saline-Ann Arbor Road. There were approximately 230 horses and ponies at the fair.

Carol Boehler of Manchester, with her gelding, Shir-Rich Duke, placed sixth and received a "C" rating in the Fitting and Showing Class for Registered Arabian and Half Arabian Mares and Geldings. In the same fitting and showing class with Carol was Patty Carlson, also of Manchester showing her gelding, Shir-Rich Sugarfoot. Patty received a fifth place ribbon and a "C" rating in this halter class. In the per-

formance classes, Carol received a sixth place ribbon in the Western Pleasure Horse Class for members 17 and older. Patty and Sugar also placed first in the Horse Pleasure Driving Class.

In the Fitting and Showing Class for Western Mares, Grade, Member 10 to 13 years old, Mary Guenther of Bridgewater with her Pinto mare, Linda Lee, received a "B" rating. Mary also placed sixth in the Second Year 4-H Western Equitation Class, Member 13 and older. In the same Fitting and Showing Halter Class with Mary was Debby Lantis of Manchester. Debby received a "C" rating with her mare Trinket.

John Scott of Manchester, with his gelding, Sucades Nino, placed fourth and received a "C" rating in the Fitting and Showing Class for Registered Morgan and Registered Half Morgan Mares and Geldings. John also won a fourth place ribbon in the First Year 4-H Western Equitation Class for Member 10 to 12 years old.

In the Fitting and Showing Class for Western Mares, Grade, Member 14 and

older, Reann Drouare of Grass Lake, showing her mare, Darlene, received a "B" rating. Cheryl Teachout of Saline and her mare, Cookie, placed fourth and received an "A" rating in the same halter class.

In the Fitting and Showing Class for Registered Appaloosa Mares and Geldings, Gwyn Teachout of Saline with her gelding, Akala Chief, received a "C" rating. Also receiving "C" ratings were Joey Tobias of Grass Lake, showing his mare, Gier's Lady Bird and Anna Tobias and her mare, Miss Michianna. Anna also placed fourth in the Western Pleasure Horse Class for Members 15 years of age.

Shelly Spencer of Manchester won a sixth place ribbon and an "A" rating in the English Horse Fitting and Showing Class for Members 14 and older with her horse, Prince. Shelly and Prince also received a third place ribbon in the English Pleasure Horse Class. In the First Year 4-H English Equitation Class for Members 14 and older, she won a first place ribbon. This win entitled Shelly to ride in the Championship Class which included all the first and second place winners of all English Equitation classes on Friday evening.

In the pony division on Thursday afternoon, Ruth Curtis received a fifth place and an "A" rating ribbon in the Fitting and Showing Class for Ponies, 52" to 56" with her Quarter Pony gelding, Chunky. Denise Way, showing her pony, Misty, in the Fitting and Showing Class for Ponies, 47" to 52", received a "B" rating. Both Ruth and Denise are from Manchester. Vicki Hansen of Saline, with her pony, Sawdust, received a second place ribbon and an "A" rating in the Pony, up to and including 47" Fitting and Showing Class. With this win, Vicki and Sawdust were eligible for the Fitting and Showing Championship Halter Class on Thursday evening. Vicki also won a sixth place ribbon in the Pony Pleasure Class for Ponies, up to and including 47".

The judges were Mrs. Gallie Meadows of Ashland, Kentucky on Wednesday, Mr. Robert Morgan of Galesburg, Michigan on Thursday and Mr. Elmer Schneider of Howell, Michigan on Friday.

102nd Year No. 44

**TROPICAL FISH IS AN
INVOLVED YET
INTERESTING HOBBY**

by Carolyn Ahrens

"Correct water temperature and the P. H. (mineral count) of the water are the two most important elements in raising tropical fish," Alvin "Ike" Kappler pointed out in describing a hobby he has enjoyed the past eighteen months. "With too much P. H. count the fish can go into P. H. shock. Most tropical fish prefer it neutral which is about 7.0 (acid-alkaline) although it can go as high as 7.8," he continued, "so it is advisable especially for beginning tropical fish owners to purchase an inexpensive P. H. tester."

The second most important element, water temperature, usually averages about 75 degrees especially for guppies, he pointed out, and for his numerous tanks keeps the temperature as close to 77 degrees as possible. Not only do his fish thrive in it but by keeping the tanks close in temperature he can move them from one tank to another without first using a floating bag to equalize the fish to the new water temperature. He added that he changes about 1/3 of the water per tank about every two weeks. "The water is so hard in Manchester you can almost hear a fish swim in it," he said and counteracts this by using 1/3 distilled water per tap water. Soft water also helps keep the tanks clean he noted.

Mr. Kappler has been interested in raising tropical fish for a number of years but didn't actually become involved in the hobby until two years ago. A friend had found three fish tanks and wanted only two, "so I decided then and there to buy the extra tank . . . then I needed some fish," he said. Today he has ten tanks and when asked how many fish were in those tanks replied, "Fish are uncountable," but he would guess at 350.

His first tropical fish were Metynnis or Silver Dollars along with Cardinal Tetra and Corydoras, commonly known as catfish. The Silver Dollars are a very nervous fish, he explained, due to the wild conditions in which they live. They prefer dark living quarters and a bright light will send them into wild churning to the point of injury or death. Their breeding grounds are in the Amazon at the equator and, Mr. Kappler added, there is no record of a Silver Dollar born in captivity. He now has six Silver Dollars, a beautiful gold lame-color fish about 2" in diameter.

Catfish, another of his "first fish", are nature's vacuum cleaners he said. Referred to as "bottom feeders", tropical catfish are similar to river catfish in appearance. "They are an interesting fish," he explained, "because they have a peculiar habit of rushing to the top of the tank for a bubble of air (a need due to different intestines) at feeding time or under excitement." Further, he explained, they tend to stay close together as do most species of tropical fish. Tropical fish will never do well alone in a tank, he added, without another of the same or near-the-same species.

Today his tanks include several Cherry and Gold Barb, one Hyphessobrycon or Rosy Tetra, 4 Sepra Tetra, 2 Silver-tipped Tetra, a Pistogramma Ramirezii or Ram which are various shades of blue, green and red especially during spawning when most fish become their brightest colors, the Pelmatochromis Kribensis or Kribi Cichlid which are a soft purple pastel color and the Labistes Reticulatus, commonly known as the guppy, a species he hopes to breed extensively.

Recently he received four descendants of the 1970 National Champion guppies. "The parents of these 3 1/2 month-old guppies are also expected to take the International Championship," he added and explained that a champion fish should have a tail that is equal to the body length

Queen Shirley Egler

First runner-up Lori Clark.

Second runner-up Liz Hosmer

and the height with the dorsal fin roughly in the shape of a parallelogram. Champion fish are also judged by their ability to swim with the muscle in the upper back dorsal fin clearly visible and moving strongly as the fish swims. The 1970 champion guppies were inter-bred by Aqua Engineers of Detroit.

Another important factor in raising tropical fish is live plants. "They create oxygen under light and use it in the dark," he explained. The overhead lights in the tank are lit about five hours a day for the plants rather than the need of the fish. "Too much light will cause green algae and not enough clogs the pores and creates brown algae." His plants include a temple plant which is a bark-like tree, the cork-screw which prefers hard water, the giant and dwarf sagittaria, a floating plant, water sprite especially preferred by guppies because the plant sprouts will rise to the surface and the young hide there protect themselves from the parents who will eat them soon after birth, plus numerous other plants of various size, description and usefulness.

Under-gravel filters aid in keeping the tanks clean and a bubble filter pumps the water through wool (which needs changing once a week) and under the wool is activated charcoal to further clarify the water. Mr. Kappler also uses a special-made apparatus similar to a vacuum cleaner he invented to take any other dirt out of the sand and/or gravel at the bottom of the tank.

"But even with all the filters, plants, lights, etc. one major factor remains in raising and breeding tropical fish - the food," he said, "and live food is all important." Thus he became involved in another time-consuming aspect of tropical fish . . . brine shrimp hatching. One quart of brine shrimp eggs costs \$11.50, " . . . but is well worth the investment and they will last for years," he added. Brine shrimp eggs are very small, resembling fluorescent sand and are magnetic to the point that they will cling to the human hand. To hatch brine shrimp the eggs are placed in a circular container with rings or dividers in a mixture of 8 tablespoons of course salt per one gallon of water. During the hatching process the minute eggs

gradually flow from one divider to another until they reach the inner ring clean and hatched. In 75 degree water the process takes 24 hours and an adult brine shrimp is about 3/8" in diameter.

"To raise tropical fish takes patience and persistence," Mr. Kappler said, "and it's expensive." Tropical fish vary in price from \$1.00 to more than \$100.00 per fish depending on the species. He added that sea fish are even more expensive than tropical fish and as of yet man has only scratched the surface on sea-water fish for aquarium use.

The variety, challenge and satisfaction of raising aquarium fish from gold fish to the rarest of tropical fish has long been a popular hobby of the thousands of Americans both for individuals and for entire family projects. He added that should anyone wish to discuss tropical fish he would be more than glad to help them. " . . . and I might learn something from them too." Perhaps Mr. Kappler will one day enter a prize fish in a national contest and bring that championship to Manchester but at present he has a very interesting hobby both he and the members of his entire family enjoy.

GET YOUR SCHOOL CALENDAR THIS WEEK AT THE FAIR

School Calendars for 1970-71 are available for purchase during the Fair on the fairgrounds from 7 p.m. to 10 p.m. each day. For as long as the supply lasts, they will also be available at any of the school offices and at Gambles. The price of the calendar will be \$1.00 and as last year the proceeds go for Middle School Student Council projects.

IN MY OPINION

by Carolyn Ahrens

Manchester means something different to each and everyone living in the area. From the retired farmer, teacher or businessman to the eager young adults about to launch their life's work, each will and has expressed a variety of opinions about the town and community in which they live. But regardless of their phrase or criticism they all agree on one point - they like Manchester and in expressing their opinions, would only hope to better the community.

In this column several housewives, a minister, a number of businessmen, a farmer and people with various interests, age groups and beliefs have expressed their opinion on what Manchester meant to them. Most, however, have been married, home-owners and parents and are what is referred to as "the older generation." Important as their opinions and ideas may be, the younger generation is also vital to a community and their opinions are also to be respected and very possibly worthwhile if someone takes the time to listen.

One young adult has been a life-long resident of the community. She graduated from MHS in 1967, from Jackson Business University and is now a secretary for 15th District Court Judge Pieter G. V. Thomassen at Ann Arbor City Hall. Although not yet a home-owner or of age to vote, she has several ideas and is interested in Manchester's future. To Miss Elaine Kasti, the daughter of Mr. & Mrs. Joe Kasti of Sharon Valley Road, Manchester means . . .
