INTERMEDIATE BUILDING REMODELING PROJECT CONTRACTS LET

At a special meeting of the Manchester Board of Education last Thursday, the Board authorized the architectural firm of KMM and Associates to send letters of intent to the lowest bidders on the Intermediate Building remodeling. Work should start immediately and the completion time is approximately 120 days from the time of starting. Although the initial bids were over the architect's estimates, a successful negotiation of contracts with a few changes made it possible for the board to start this work. The concessions the board made to meet the bond issue money available for the project were as follows:

- 1. A less expensive connecting walkway between the two buildings.
- 2. The elimination of ceramic tile in the locker and shower area.
- 3. A lowering of the contingency fund as set up in the original cost schedule.
- 4. The elimination of canopies over the north entranceways of the building.

The basic remodeling will remain the same with no changes in the overall project. Mr. Luther C. Klager, President of the Board of Education, said that the school district will get all of the changes in the building that were voted on by the citizens in the May election. However, some of the equipment that was being considered at the time of the planning will have to be held in abeyance until a later date. Had the construction costs been less this equipment would have been purchased this fall. The equipment items not possible at this time were audio-visual machines, wrestling mats, portable science laboratories and some furniture items.

STEER RAFFLE WINNERS

Mr. and Mrs. Elmer Ervin, 9297 Meyers Road, Manchester are the winners of the Optimist Steer Raffle. Mr. Ervin stated that they are just as thrilled to win the steer as anyone who doesn't own steers. Mr. and Mrs. Ervin raise steers on their farm on Meyers Road.

BANK ISSUES STATEMENT ON FUTURE PLANS

(Editor's Note: A copy of the Bank's Interim Report was received at the Enterprise office and we were told verbally that it was for publishing. We reproduce it here in full.)

Union Savings Bank of Manchester Manchester, Michigan 48158 August 12, 1970

Dear Stockholder: Re: Interim Report

The Board of Directors are happy to announce the selection of William K. Cray to fill the position as President and Chief Executive Officer of the bank. Mr. Cray is now Executive Vice President, Cashier and Chief Executive Officer of the Iron River National Bank, Iron River, Michigan. He and his family are looking forward to moving to Manchester within 30 days or as soon as the change over can be made in his present position.

Bill Cray has been brought up in banking. His father having been a life-time banker at Lime Springs, Iowa. His life has been closely associated with agriculture and banking. His banking experience involved bank management, accounting, real estate and farm management. He is a graduate of the School of Banking, the

University of Wisconsin, Class of 1963; a graduate of the University of Iowa, Iowa City; American Institute of Business, Des Moines, Iowa; attended Luther College, Decorah, Iowa. He also served three years in the United States Navy, receiving his commission as a naval aviator.

Your Board of Directors firmly resolved by unanimous vote to remain as an independent bank. The Board is not and has not been interested in any merger. The Directors are of the opinion this community will best be served by an independent bank owned and controlled by local people. This will provide the community with better banking service.

The Union Savings Bank takes pride in being a vital force in the economic and community life of Manchester, and it will continue to lend its support to the betterment of this town. The Directors, as a Board and individually, are keenly interested in the prosperity and growth of this community. The hiring of Bill Cray, as President, is a step forward in this direction. We will continue to pursue a vigorous policy of leadership in civic affairs.

Your loyal support and patronage have helped and promoted the bank's growth and also the community's growth. Our many customers and friends have been a vital part of our life. We look forward to serving your future needs. Further reports will be made to you as our program develops.

Very truly yours,  
Board of Directors  
James C. Hendley,  
Chairman

HIGH SCHOOL TEXTBOOKS STILL NEEDED

The high school is still purchasing textbooks that will be used for this school year. If you wish to sell your books that are in good condition you may do so any day in the future from 9 to 12 and 1 to 4 p.m.

The school already has enough of typing and How to Use Adding and Calculating Machines books.

### MIDDLE SCHOOL NEWS

Because of the renovation and remodeling of the Intermediate Building, the starting of this year on Tuesday, September 5 at 8:30 a.m. for registration. At this time each will receive their individual class schedules and course assignments. No fees will be collected for workbooks, towels, railway tickets, etc. at all. However, the charge for using school owned property will not be a larger amount as in past years, but will reflect the actual cost of replacing that item.

Fifth and sixth graders will register on September 5 at 8:30 a.m. with their respective homeroom teachers. Lists of assignments will be placed in the hallway of the Nellie Ackerson Building at the time of registration but not before.

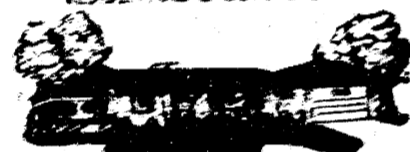

Because the school will not have facilities to wash and dry towels for individual education classes and football, students must provide their own towels.

All new residents of the Manchester Senior District since June 1, 1970 are urged to pre-register their Middle School students before the official opening of school. This can be done by coming to the Middle School office in the Nellie Ackerson Building from 9 a.m. to 3 p.m. any weekday beginning August 24.

Letters will be mailed to all seventh and eighth grade boys announcing the opening of football practice and the

Student Guides will be given to all students in the Middle School at the time

Mr. Harvey went on: "And quite frankly, Mr. President, out here (in the Midwest) we don't think there's anything in Indochina worth that."

This is the kind of thing we're seeing more and more of.

### MANCHESTER SPEEDWAY RACING RESULTS

by Nancy Martin

There was excitement galore here tonight as all the cars were really turning it on. The best in racing and live music for entertainment at intermission can't be beat.

The fastest qualifiers were Louie Jay Stemen, in the Sportsman Modified, and Chuck Clark in the Super Stocks.

In the sportsman modified class the first heat got the program off to a flying start with Mary Carmen taking the win over Louie Jay, Jerry Tryon, and Cal Byrd.

The second heat saw Howard Woodman take the lead early in the race and hang on for the checkered flag, followed by Bill Heeney, Jerry Carmen and Jerry Murphy.

In the third heat one leader was disqualified, leaving the way open for Gene Gilbert to pick up the win over Jerry Lippert, Paul Whitaker and Gary Rhoades.

Jim Martin, driving car no. 115, after transmission trouble in his own car, took the checkered flag in the fourth heat, followed closely by Fred Wordon, Dave Marcum, and Dick DeBolt.

In the Pursuit, Louie Jay came through on the last lap to take the win over Curt Kelly, Carmen and Tryon.

Bill Heeney did a good job of wheeling around his white no. 81 to pick off the Semi. Trailing him across the line were Lippert, Gary Rhoades, Ken Liedel and Whitaker.

There were some anxious moments in the feature, as on the fifth lap, Curt Kelly had just taken the lead on the backstretch when he started flipping violently several times. Several more cars tangled and the race was stopped. With a sigh of relief from the crowd, Curt climbed out unharmed and received an upside down trophy. His pretty blue no. 25 was very badly bent and twisted. On the restart, Carmen took the lead and tried to stave off Louie Jay who used his experience and skill to take the lead on the last few laps for the win, by a few car lengths, Carmen finished second over Woodman, Dean Mackey and Farmer Budwitt.

In the Stockers division tonight, everything went to Chuck Clark who won the heat, pursuit, feature. The heat race saw Clark a half-track ahead of the second place finisher, Ed LaRoe. Third, and fourth places went to Larry Hinkle and Bob Shrauser.

Runner-up positions in the pursuit were Harold Heisler, Bill Kimbler and Dick Lomax.

The feature was fast, with no stops. Clark took the lead on the sixth lap and was never headed. Following him across the finish line were Dale Brenner, LaRoe, Schrouser and Heisler.

Friday, Sept. 4 will be our Labor Day Trophy races at the regular times, 7 for time trials and 8:30 for racing. Come on out and see some of the prettiest and fastest little machines in Michigan, plus the bigger Super Stocks, all running flat out.

### AREA FAMILIES TO HOST VISITORS FROM DENMARK

The first group of civil defense officials to visit southeastern Michigan from Denmark arrive August 24 and leave August 29 by charter bus. Their month in the USA was planned by People to People - Scandinavia, and Michigan arrangements have been made by Musical Youth International.

The Roesch family, 620 West Main St., Manchester, will host Mr. and Mrs. H. Zachariassen. Mrs. George Merriman, 107 West Duncan, will host Mrs. R. Lorenzen.

The 33 Danes arrived at the Arborland shopping center in Ann Arbor at 5:30 p.m. August 24 and were met by the host families.

Tuesday, Aug. 25 Mrs. Roesch drove the Danes living in Manchester to the Ford Motor Company for a tour lasting an hour at the steel mill. Because of the new models, assembly line tours are not possible now. The group also visited Greenfield Village.

On Wednesday, Aug. 26 the Danes visited the Office of Civil Defense facilities in Battle Creek. On Aug. 27, they tour civil defense facilities at the Ann Arbor City Hall and north campus of the University of Michigan.

August 28 will feature a local tour including civil defense plans in Manchester. Aug. 29 the Danes go to Kansas City, and later to Atlanta. They have already been at the Pentagon in Washington, in Boston, and at Niagara Falls. They will combine sightseeing with their serious study of civil defense preparations.

### AREA FAMILY HAS GERMAN VISITORS

Wilhelm and Eri Schukrast and 11-year-old son Gerd of Heilbronn, Germany are visiting their daughter and family, the Paul Greens of Parr Rd., Manchester. They are especially enjoying the visit with their 2-year-old grandson Michael, whom they had never seen, as well as meeting and visiting their son-in-law's parents and family.

While here they traveled to Mt. Clemens to visit with a friend's daughter, have met and visited the homes of several area people, enjoyed picnics and parties given in their honor, spent a day at Bob-Lo and "generally seen much of southeastern Michigan" with plans to return within a few years to enjoy and see more of the states. Mr. Schukrast also visited Oak Grove Cemetery and pointed out that 70% of the names were of German descent. They liked the peace and quiet of Manchester, enjoyed some fishing and "wished it were hunting season" as Mr. Schukrast is an avid hunter.

The Schukrasts are scheduled to leave Manchester, Thursday, Aug. 27 but plan to return soon, their daughter said.

### SEVERAL MANCHESTER TEAMS ENTERED SHOTGUN TOURNAMENT AT GRASS LAKE

The first annual Summer Shotgun Tourney produced all sorts of fireworks at the Boondocks Golf Course in Grass Lake.

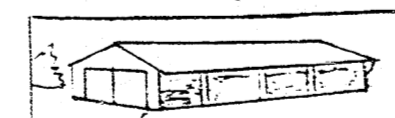

Not only did several teams use the unique "preferred shot" feature of the event to turn in par-breaking scores, the closest-to-the-pin competition was won in the most convincing manner possible, as Tom Brzezinski scored a hole-in-one.

The ace was the first both for the new course and for Brzezinski of 3409 Ranch Blvd. in Jackson. He accomplished the feat with a 9 iron playing the 155-yd. second hole. Witnessing the shot were his playing partners Dave Arnold, Frank Deptula and his brother Ron Brzezinski, all of Jackson.

Several teams from Manchester entered the event in which each team hit four shots, selected the best and then all played from that spot. Using the shorter men's red tees, the winning foursome scored three eagles, three birdies, and three pars to win with a 26 on the par 35 course on which no player has even broken par alone.

The winning team was captained by

The Manchester Community Fair has been completed for another year. It was well-attended and at this point appears to be a financial success. We would like to thank everyone who worked on various committees and assisted with the activities. Without their help it would be impossible to carry on.

The parade was better than ever and entertained a good number of spectators while covering the route. The committee wants to thank the business people, merchants and all individuals who participated to make it such a colorful event.

Thank you... Fair President

Several young people from Manchester will attend the 1970 4-H Youth Exploration Days formerly 4-H Youth State Show at Michigan State University this week, August 28-29. ### FOUR-TUNE YELLERS TO APPEAR IN JACKSON

Bud Knorr, Tom Gushman, Red Shaw and Sam Gushman, the Four-Tune Yellers, will appear in their 1,000th public appearance on Sept. 10 at Jackson High School. They will be one of the quartets at the Annual Barbershop Show.

The slogan for the event is "We Sing So They Shall Speak." The funds will go to the institution of Linguistics where silent filmers throughout the world will be given speech in every community. There are silent children who cannot articulate even the simplest song or thought imprinted in their hearts. They look to the Barbershoppers for escape from their

lonely prisons of silence. There are 30,000 who found solace at the institution which the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. proudly claim as their own.

The Four-Tune Yellers have been members of the Society for twenty years and have appeared in nearly every type of event.

If anyone would like to donate to Linguistics, tickets are available from D. H. Knorr, phone 426-2301.

### SCUTTLEBUTT

The regular meeting of the Appleton Society has been changed to the second Monday, Sept. 14 due to Labor Day.

Dr. and Mrs. Paul Harbeck and family, Paul, Christian, 11 and Cars, 3, recently returned to their God, Goddard, West Germany home after spending a month in the states. While here they visited Mrs. Harbeck's sisters and brother-in-law, the Roger Stoll of Pittsburgh, Pa. Miss Mary Leaman of Lansing and Mr. and Mrs. P. Reed Jenkins of Bloomfield Hills, as well as Mrs. Harbeck's parents, Mr. and Mrs. Sylvan Leaman of Manchester.

Mr. and Mrs. Roger Stoll of Pittsburgh, Pa. recently spent a weekend with Mr. Stoll's parents, Mr. and Mrs. Kenneth Stoll of Okemos and Mrs. Stoll's parents, Mr. and Mrs. Sydney Leaman of Manchester.

Mrs. P. Reed Jenkins and daughter Krista Nora and Kelly Ann spent Tuesday and Wednesday of last week with Mrs. Jenkins' parents, Mr. and Mrs. Sylvan Leaman of Manchester. While here they attended and enjoyed the local fair.

Sunday, Aug. 16 the Harold Ahrens families, Robert Blackmer families and Ezra Beuere families enjoyed a family reunion at the Beuere home in Farmington, Michigan. Guests included those from Manchester, Ann Arbor and Ypsilanti, Mrs. Blackmer and Mrs. Beuere's sisters of Mrs. Harold Ahrens.

Mr. and Mrs. Raymond Douglas Sr. Rita, Mr. and Mrs. Francis Douglas and Mrs. Charles Schiles attended the funeral of Mrs. Gertrude Acker on Aug. 17 at Sylvania, Ohio. Burial was at Pleasant View Cemetery, Blissfield.

Mrs. Acker was Mrs. Raymond Douglas's step-mother.

### DANES VISIT MANCHESTER

by Carolyn Ahrens

Manchester has been fortunate several years when at least one high school band or choral student was chosen to travel to various parts of the world with the Musical Youth International. The students were guests in the homes of various families in the countries where they toured. Last week two Manchester families returned at least one country a favor when they opened their homes to three civil defense officials from Denmark who are touring and studying civil defense programs throughout the country.

Mr. & Mrs. Pat Roesch arranged for Mr. & Mrs. Zachariassen from Copenhagen to stay with them and Mrs. George Merriman opened her home to Mrs. Lorenzen also from Copenhagen. Two Saline families, Mrs. Lester McCoy and the William Kleins opened their homes to six visiting Danes. The sixteen hosts and guests especially enjoyed an afternoon of swimming and relaxation followed by dinner at the home of the Pat Roesch family last Friday evening. "We enjoyed them very much," the Manchester hosts said. The Danes in turn thought Manchester "a lovely town, especially the trees and liked the small village atmosphere and felt it would be a wonderful place for children."

The Danes toured much of southeastern Michigan, several large American cities and will return to their homeland in mid-September. Their tour is part of the People to People program under the local direction of Mr. Carl Zwenck of Ann Arbor.

### PARENTS WITHOUT PARTNERS TO SPONSOR DANCE & BUFFET

The Ann Arbor Chapter of the Parents Without Partners will sponsor a dance and buffet on Sept. 12 from 9 p.m. to 1 a.m. at the American Legion Hall, 1035 S. Main St., just off Stadium Blvd., 1/2 block from Michigan Stadium.

The ticket price is \$3.00 and includes dancing to the "Overstreet Quartet" and buffet. Drinks are priced reasonable.

All Parents Without Partners members or prospective members or single parents are cordially invited to attend.

### AMERICAN LEGION AUXILIARY

The American Legion Junior Auxiliary will hold their first monthly meeting for the fall on Sept. 10, 1970 at 4:00 p.m.

The meeting will be held at the home of Mrs. William Hainstock, Junior Leader for 1970-71.

All eligible and interested girls please attend this important meeting. Mothers are cordially invited to come with their daughters.

### PTO GETTING ORGANIZED

by Carolyn Ahrens

Last spring several area women suggested that Manchester reorganize a parent-teacher group. They spoke to school officials, checked into the state organization and set up a "test meeting." The response was good with over sixty interested parents and teachers attending this informal meeting. From this meeting came a Steering Committee to officially reorganize the Manchester Parent-Teacher Organization. The committee consisted of Glen Lehr, Tom Schill, Charles Dettling, Jan Proffrock, Evie Seeger, Birdella Flood, Sue Achtenberg, Lynn England, Pat Spencer and Dacia Daniels.

It was decided not to break the Manchester PTO into three groups (Klager, Middle and High School) but rather the programs and the organization be geared as one body to these three age groups. Following this idea the committee nominated two parents and two teachers from each of the three schools to establish a Board of Advisors. Nominations will also be accepted from the floor at the first PTO meeting as well as the selection of a slate of officers. The committee suggested the following names to be brought before the September PTO meeting. For PTO Officers: President, Glen Lehr and Don Wheeler; Vice-President, Jan Proffrock and Lois Kuntz; Secretary, Sue Achtenberg and Sandy Downey; Treasurer, Tom Schill and Paul Boehler; for the Board of Advisors from Klager School, Mary Blossom and Betty Cresswell (teachers), June Wellman and Maria Lehr (parents); from the Middle School, Jack Raffaelli and Dacia Daniels (teachers), Jean Smith and Charles Dettling (parents); and from the High School, Cal Poppink and Ted Gulliver (teachers), Mary Munson and L. V. Kirk (parents). The President of the Pleasant Lake PTO will automatically be on the Board of Advisors. It was further suggested that the first officers and advisory board hold office from September, 1970 to January, 1972 (which would be just over one year) so that the organization would run on a January to December basis.

The meetings are to be kept short and within a reasonable time limit with a suggested 30-minute business meeting and 30 minutes for a guest speaker followed by an hour of discussion and social contact between parents and teachers. "The purpose of the PTO is both social and supporting," it was pointed out, "with the social to mean a chance for parents to meet teachers and the supporting to mean that we as a PTO would help the school board in projects and they could help us."

At this first meeting also will be a guest speaker and one who has created a great deal of controversy recently, Dick Songer, organizer and promoter of the Goose Lake Rock Festival will be the first speaker of the Manchester PTO.

The first meeting of the Manchester PTO will be most important for both parents and teachers. The future of Manchester's PTO depends on the support and attendance of these parents and teachers of the Manchester School District and the Steering Committee urges at least one if not both parents of school-age children to attend this initial meeting to adopt the PTO rules, elect officers and voice an opinion in this important organization. Plan to attend the first PTO meeting Wednesday, September 23 at 8 p.m. at the high school auditorium.

### GIRL SCOUT TROOP 186 MEETING SCHEDULE

The Girl Scout Cadette Troop 186 will meet at the home of Mrs. Ralph (Bud) England every Wednesday evening at 7 p.m. until further notice. The first meeting is scheduled for Wednesday, September 2.

### SCHOOL NEWS

The Manchester Public Schools will open for the 1970-71 school year on Tuesday, Sept. 8, 1970 with a full day session. Bus routes will remain the same as last year for the first few days and if changes are necessary these will occur starting the second week of school.

Textbooks and materials will be furnished this year free of charge. However, some materials may be in short supply for the first few weeks due to the inability of supply houses to furnish these items in adequate number. Normally these houses do not stock crayons, notebook fillers and other small items that are normally purchased by the student from other sources.

The school district will furnish textbooks, paper, pencils and those items necessary for class use. There will be no fees charged for locks, towels, or special class areas such as art, science, home-making or industrial arts. However, materials used in industrial arts projects for personal use will be purchased by the students. The school district will not furnish any items used in connection with extracurricular activities such as football shoes, basketball shoes, etc.

While school districts are required under the new Supreme Court ruling to furnish textbooks and materials, the school districts may also charge for damages or loss of school property when such property has been provided to students without charge.

School officials may determine the quality and quantity of school supplies such as textbooks, paper and pencils that are reasonable for the use of pupils, and determine the length of time such materials shall be provided. Likewise, pupils may voluntarily bring their own supplies for any curricular subject.

Kindergarten students will attend classes as of the following schedule:

Nellie Ackerson Building: Afternoon - All kindergarten youngsters living in the village south of Main Street.

Luther C. Klager Elementary: Morning - All rural kindergarten youngsters in Manchester and Bridgewater Townships

Luther C. Klager Elementary: Afternoon - All village youngsters living north of Main Street and Sharon Township youngsters, except those who have been notified that they will be attending the Pleasant Lake morning session.

Pleasant Lake Elementary: Morning - All Pleasant Lake area youngsters plus those from Sharon Township who have been notified.

School hours for all buildings are indicated below:

High School: School begins 8:30 a.m. Lunch begins 12:04 p.m. School begins 12:49 p.m. School dismissed 3:25 p.m.

Middle School: School begins 8:35 a.m. Lunch begins 12:00 School begins 12:50 p.m. School dismissed 3:25 p.m.

Klager Elementary: School begins 8:45 a.m. Lunch begins 12:00 School begins 1:00 p.m. School dismissed 3:15 p.m.

Pleasant Lake Elementary: School begins 8:45 a.m. Lunch begins 12:00 School begins 1:00 p.m. School dismissed 3:15 p.m.

Work is now progressing rapidly on the Intermediate Building remodeling project. Workmen are removing classroom ceilings and flooring in preparation of replacing them with new ceilings and floors. All middle school students (5th through 8th grades) will be housed for several months in the Nellie Ackerson Building.
