

MANCHESTER SPEEDWAY RESULTS

With the season rapidly coming to a close here, the point leaders are trying to hang onto their margins. Marv Carmen, the leader in the sportsman modified class was driving tonight with a dislocated shoulder, but did a good job of placing to add to his total. Bill Paxton, the leader in the stockers class also built up more points to protect his lead.

The fastest of 62 cars qualifying in were, in the sportsman modified class, Louie Jay Stehler, and in the stockers, Red Heath, on his first night here in a new car.

In the sportsman modified class the first heat went to Ron Moore all the way for the win. Louie Jay was closing the gap quickly but settled for a close second followed by Dick Thiede and Dick Slade. The second heat saw Bud Eiting start on the pole and take the checker over Larry Blaisdell, Gordy Schultz, and Jr. Gary.

Leonard Hale started on the pole in the third heat and won by a photo finish ahead of Dick Carr, Jim Martin, and Howard Woodman. The fourth heat was a complete change as Dean Mackey started on the back and worked his way thru for the win, followed across the line by Jim Vrooman, Jerry Lippert, and Tim Driscoll.

The pursuit was about as close a finish as it could be, as Louie Jay was about a hair ahead of Thiede at the line for the checkered flag. Don Macey was third and fourth place went to Ken Liedel.

Twenty-one cars took the track for the semi, with about half of them finishing. Howard Woodman came from the back to the front and was never headed. Finishing closely behind him were Carr, Hale, Martin and Mackey.

The feature was filled with action as cars were spinning all around the track. Dick Thiede got his new engine running and once in the lead he was not about to lose it. Marv Carmen finished second a few car lengths behind, and further back were Louie Jay, Cal Bryd, and Larry Shellenberger.

In the super stock class, Louie Jay's bad luck in this division continued from last week. He was second fastest qualifier but on the first lap of the heat race, most of the cars played destruction and

three cars were out including Louie. The winner in this one was Bill Paxton over Chuck Clark, Harold Reynolds and Jerry Pelkey.

The pursuit lasted only eight laps, when Red Heath passed Paxton for the win. Third and fourth were Pelkey and Harold Heisler.

Bill Paxton avoided all trouble in the feature to take the checker by a commanding lead over Reynolds, Larry Hinkle, Gary Wordon and Heath.

"Moose" Thornton from Napoleon, won the demolition race in a slam-bang finish.

Next Friday, Sept. 4, is the Labor Day Trophy races, and on Sunday, Sept. 13, we will run the Season Championship with a 100 lap feature, plus a full program. This one only is in the afternoon, with time trials at 1:00 p.m. and racing at 2:30 p.m. Don't miss it! We'll see you there!

FREE SQUARE DANCE

**NEW BANK PRESIDENT
COMING MONDAY**

William K. Cray, the new President and Chief Executive Officer of the Union Savings Bank, will assume his duties on Monday, Sept. 14.

Mr. Cray was previously Executive Vice-President, cashier and chief executive officer of the Iron River Nat'l Bank, Iron River, Michigan.

Mr. Cray has been brought up in banking, his father having been a life-time banker at Lime Springs, Iowa. His life has been closely associated with agriculture and banking. His banking experience includes bank management, accounting, real estate and farm management. He is a graduate of the School of Banking, the University of Wisconsin, Class of 1963; a graduate of the University of Iowa, Iowa City, American Institute of Business, Des Moines, Iowa; attended Luther College, Decorah, Iowa. He also served three years in the United States Navy, receiving his commission as a naval aviator.

**REPUBLICAN OX ROAST
THIS SUNDAY**

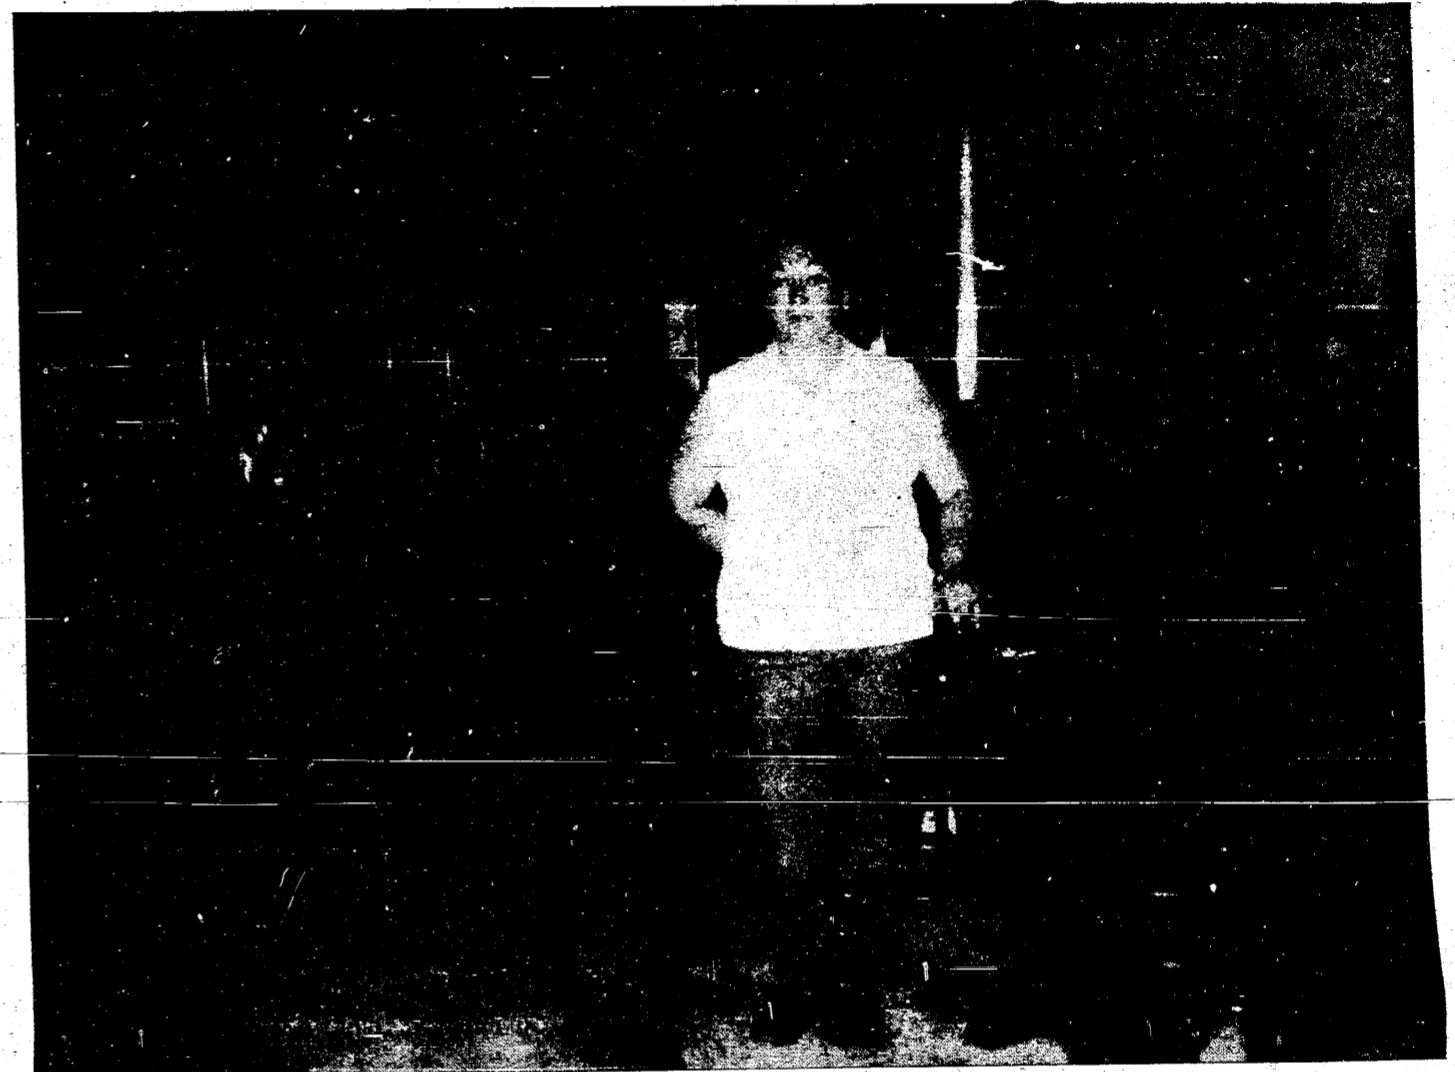

County Republicans will hold their annual Ox Roast from 1 to 6 p.m. this Sun., Sept. 13 at Delhi Park.

This event offers area voters a unique opportunity to meet and talk with Republican officeholders and office-seekers while enjoying a picnic with fun for the whole family. Attendees will again include City Councilmen, County Commissioners and Officials as well as US Congressman Marvin (Boh), and State Senator Gilbert E. Burdick and State Representatives Tom Sharpe, Roy Smit and Roy Smith. Judges Henry Anthon, Ross Campbell and S. J. Elden will also participate.

Social guests are Governor William Milliken, who will give a short talk, Secretary of State nominee Emil Lockwood and Supreme Court Justice John R. Dethmers. Jack Shuler and Paul Goebel, Jr. nominees for UM Regent and WSU Board of Regents candidates Earl Kennedy and Raymond Hayes will be joined by David Robinson and Robert Geake who seek seats on the State Board of Education.

Mrs. L. Ray (Sharlene) Bishop, 1970 Ox Roast Chairman notes that the menu will include the traditional "Ox" burgers (roast beef), german potato salad, apple mugs and a choice of coffee or lemonade. The Republican Ladies Club will offer a wide variety of home cooked baked goods for dessert. The County Young Republicans will have pop and ice cream as well as again providing a fish pond, penny pitch and dart games for the children. Last year's very popular baseball dunk, which delighted young and old alike will be repeated. Special entertainment feature will be a group of clowns.

Advance tickets are \$1.50 for adults and \$.75 for children. They may be obtained by calling Ticket Chairman Barbara Johnson at 761-0961 or Republican Headquarters at 662-2721. Tickets will also be sold at the gate at slightly higher prices.

A prize item listed in the Antique Buyer's Guide is this intricately carved liquor cabinet and spindle-steel hand organ with Mrs. Matt Walden, owner and operator of Walden's Auction and Antiques.

**AUCTION AND ANTIQUE
BUSINESS CHALLENGING
AND INTERESTING**

by Carolyn Ahrens

"I've always liked antiques and we quite often went to antique sales and shops. Then one day I decided I'd like to sell them and since we already had the building I just opened my shop," Mrs. Matt (Geneva) Walden said in describing how she became involved in her auction and antique business.

Located on the corner of Noggles and Herman Roads approximately 6 miles southwest of Manchester, Mrs. Walden is open daily from 9 a.m. to 6 p.m. except Sunday with an auction scheduled every other Saturday night beginning Sept. 19 and special antique auctions when advertised. Art Johnson of Brooklyn, a member of the Auctioneers' Association, will begin the Sept. 19 auction at 7:30 p.m.

"And we have just about anything anyone would want for home use," Mrs. Walden pointed out. Stock varies daily but normally includes household items such as lamps, chairs, desks, kitchen equipment, bedroom furniture and radio and TV sets. Antique and/or old items presently include a marble-top dresser, china cabinets, a 100-year-old 3/4 Jenny Lynn twin-bed set, milk glass, hand-painted Nippon and an original Easy copper-tub washing machine. Other interesting items are the late Judge James Breakey's desk, carnival glass, thunder mugs, a Tiffany lamp, castle and paddle-wheel boat bottles and a variety of old trunks, crocks and picture frames.

Mrs. Walden also buys separate pieces of antique and/or used furniture or entire groups of household items. She pointed out that she will buy them outright or sell them on a commission-basis. She further added that she refinishes furniture and will gladly display any items she has done before a customer decides to have an item refinished.

An interesting and challenging business, Mrs. Walden enjoys her work and knows her antiques. She personally invites everyone to stop by to browse or for private purchases during the day or to enjoy the

excitement and bargains of the public auctions. "We're sure to have something useful or an added attraction for your home in an antique item." For refinishing information or to inquire about an item to buy or sell, Mrs. Walden may be

**SCHOOL BELLS RING
FOR ADULTS**

September has arrived and children all over Michigan are returning to school. But public school is no longer just for children. Programs for adults, and specifically for adults sixteen and over who missed the chance to complete their eighth grade education, are provided by the Continuing Education Department of the Ann Arbor Public Schools.

Registration for classes in Basic Education is scheduled for Sept. 21, 1970, from 7:00 p.m. to 9:00 p.m., in room 211 at the Jones Building, 401 North Division, Ann Arbor, Michigan. Persons interested in returning to school are encouraged to enroll at this time, although enrollment is open throughout the year.

Classes will meet twice a week on Monday and Wednesday evenings, beginning September 23, 1970, from 7:00 p.m. to 10:00 p.m., in room 307 at the Jones Building. Additional classes may be held if there is sufficient demand.

Instruction will be provided in the basic skills of reading, writing, and arithmetic with emphasis on everyday, practical problems such as learning to read newspapers, to read street signs, to read menus, to make grocery lists, to budget income, to write letters, to fill out applications forms, and to answer classified ads. These short term objectives often motivate students to undertake more academic subject matter which is also provided.

Classes are FREE. According to Kenneth Greer, Director of the Continuing Education Department, Ann Arbor Public Schools, the federal government and the local school district pay for books, materials, and all other expenses. Classes are available to all citizens of Washtenaw County as there is no residence requirement. For further information call Mrs.

reached between 9 a.m. and 6 p.m. daily at 428-3842.

She and her husband have two children Robin, a sophomore at Manchester High School and 8-year-old Troy at Klager School.

**UNITED COMMUNITY FUND
SLOGAN WINNER ANNOUNCED**

Mrs. Armond Dresch is the 1970 slogan contest winner for the United Community Fund and Red Cross Drive with the motto, "Helping is Happiness." Out of the 150 entries placed in the ballot box at the Manchester Fair, the Board chose Mrs. Dresch's as most appropriate for the 1970 theme.

Mrs. Victor Wurster and Mrs. William Schaffer, co-chairmen for the contest and the Community Chest Board wish to thank the Boy and Girl Scouts who assisted with the fair booth as well as all who participated in the contest.

Dates for the 1970 Drive were set by the Board for the month of October. Business and Industrial Divisions will begin on the first of October. The first report day and Kick-Off for the House-to-House campaign will be October 7 at 6:30 sharp (place to be announced). The Rural and Village Divisions will start soliciting October 12 and it is hoped all will be completed by October 31.

Follow the ENTERPRISE for campaign information.

**BENEFIT DANCE
DATE CHANGED**

The David Heslip Benefit Dance will be held Sept. 26. More details in next week's paper.

**P.T.O. SPEAKER WILL
NOT APPEAR**

Due to circumstances beyond the Steering Committee's control, Mr. Richard B. Songer will not appear at the P.T.O. meeting on Wed., Sept. 23 at 8:00 p.m.

WHO, WHAT, WHEN, WHERE & WHY

A disgruntled teacher resigned. She gave the following reason for her resignation: "IN OUR PUBLIC SCHOOLS, THE TEACHERS ARE AFRAID OF THE PRINCIPAL, THE PRINCIPALS ARE AFRAID OF THE SUPERINTENDENTS, THE SUPERINTENDENTS ARE AFRAID OF THE SCHOOL BOARD, THE BOARD MEMBERS ARE AFRAID OF THE PARENTS, THE PARENTS ARE AFRAID OF THE CHILDREN AND THE CHILDREN ARE AFRAID OF NOBODY."

LETTER TO THE EDITOR

To the Editor:

I am writing this letter in disgust after reading in the Enterprise of the coming Sept. 23 P.T.O. meeting. First the Steering Committee nominated themselves for all offices. I'm glad they have so much confidence in themselves. I don't think some of these people would rather join anything they can instead of staying home with their own families. Secondly, I cannot find any reason why parents would want to encourage someone like Mr. Songer, much less listen to him speak. If he is getting paid, I would like to know who is paying him. If these glory-seekers would pay more attention to their own families, we wouldn't have so many Goose Lakes.

Manchester needs a P.T.O. and I think most parents would like to support one, but I hate to think what will happen if these are an example of the newly elected officers.

POSITION STATEMENT FROM MANCHESTER BOARD OF EDUCATION

Traditionally and with great enthusiasm, the Manchester Board of Education has always supported the Parent-Teacher Association and the wholesome educational concepts this organization has fostered. The support which this organization can give to a school district is invaluable. The high level and informative programs made available by this organization to the citizens of the school district have always been most beneficial and enlightening. In every instance these programs have related in a meaningful way to the ongoing educational program or educational climate of the school district. In some instances controversial subjects have been introduced and debated, but only such controversial subjects that directly relate to the Manchester educational program or community.

It is regrettable that the Manchester Board of Education must feel compelled to make a public statement relative to the judgment of an organization or a committee within that organization. Nevertheless, in all good conscience this must be done for the edification of the district's constituents.

The Manchester Board of Education and the administrative staff did not and do not condone the presence of the promoter of the Goose Lake Rock Festival on the PTO's platform of guest speakers. Such a program does not relate to this community, nor is it a controversial subject in this community. In no way is it related to the educational program of the Manchester School District. Had members of the Board of Education or the administrative staff been consulted on such a plan they would have indicated this feeling at that time. Unfortunately, that was not the case and this declaration, while painful, is necessary.

MARV ESCH TO VISIT MANCHESTER

Congress will reconvene in September to consider the many items left undone after seven months in session. During the second week in September Esch will travel throughout the Second Congressional District, meeting with citizens, to learn of your views and help you with your concerns.

He will be traveling in his mobile office and plans to be in Manchester on Friday, Sept. 11 at 11:30 to 12:00 noon, at the Manchester Post Office, 108 E. Madison St., Manchester, Michigan.

If you would like to meet personally with Esch to air your views on legislation or seek his help in dealing with the govern-

ment, please stop at the Post Office Friday.

In the event official Congressional business prevents his presence, a member of his staff will be on hand to relay your thoughts to him. He welcomes hearing from you, so please do not hesitate to contact him by mail or phone at any time.

DANCE CLASSES TO START SEPTEMBER 30th

Mrs. Walter J. Weid, Jr. will be conducting dancing classes in Manchester during the 1970-71 school year. It was announced today by Mrs. Hugh R. Sutton, chairman of the Community Dance Association.

Mrs. Weid, (Sue Ann) replaces her sister, Mrs. Nancy G. Whiteford, who has moved to Denver, Colorado to be with her husband Neil, while he receives special electronics training with the Air Force.

Mrs. Weid will be remembered by students and their parents for her appearances in Mrs. Whiteford's recitals and for her assistance in staging those performances. She has been a student of dance since early childhood and has worked as an assistant with Mrs. Marjory Randazzo as well as for her sister, Mrs. Whiteford. She has danced professionally as a solo performer and with others and is presently

under contract with the Garden City, Michigan Parks & Recreation Department as head of their program of dance education.

Mrs. Weid, together with her husband, small daughter Andrea, two dogs and a cat live on a farm on Reiman Road, in Grass Lake Township.

The dance classes will be held on Wed., beginning with September 30th, in the multi-purpose room of the Luther C. Klager Elementary School. Instruction will be offered in Ballet, Tap, Jazz and Acrobatic dancing. Registration of students must be completed by Sept. 19, 1970. To register your child or for information on the classes please call Mrs. Weid at Chelsea 479-6182 or write her at 14900 Reiman Road, Grass Lake, Mich. 49240.

25th WEDDING ANNIVERSARY CELEBRATED

The 25th wedding anniversary of Mr. and Mrs. Eugene Kaupp was celebrated August 30. Hosting the couple were their two daughters Mr. and Mrs. John Steele, Jr. of Manchester and Mr. and Mrs. Ronald Weiss of Chelsea. 120 friends and relatives attended the celebration at the home of Mr. and Mrs. John Steele, Jr.

MANCHESTER SPEEDWAY RACES

It was a great night of racing here tonight. Being the last Friday night race seemed to bring everyone out and there were 79 cars qualified. As this was our Labor Day Trophy races, each winner was presented with a trophy, providing he had raced here 6 times before.

The fastest times of the evening were turned by Dick Slade in the sportsman modified at 18:92, and Red Heath in the super stock's at 20:14. Bill Paxton received the trophy as Heath has only been here once before.

In the sportsman modified class the first heat win went to Dick Thiede who took the lead on the fourth lap and held on for the checker over Slade, Jim Stemen and Louie Jay. The second heat saw Larry Shellenberg do a good job of driving to take the win, followed by Ron Moore, Ray Barnard, and Dean Mackey.

The closest race of the night was the third heat as Butch Moull started in third hole and took an early lead. Jim Martin worked his way through from the back of the pack, but ran out of laps and settled for second by a radiator. Third and fourth went to Jim Drumhiller and Gary Rhoades.

Bud Elting took the win in the fourth heat over Darrel Lee, Rex Kreig, and Paul Whitaker. The yellow flag was out twice in the fifth heat for spins, but Leonard Hale held on for the checker, followed closely by Dick Carr, Art Kimball, and John Weinhardt.

The pursuit turned into a battle between brothers as Louie Jay Stemen and Jim Stemen were side by side for five laps, with Louie finally edging past Jim for the win. Stade was second, Jim third, and Cal Bryd, fourth.

The leader in the semi was black flagged for being over his time, opening the way for Moull to take the lead and the checkered flag. Trailing him across the line were Whitaker, Hale, Lee and Kreig.

The 35 lap feature was the best in racing with several cars bunched together and several lead changes. Narrowing down to a seesaw battle between Thiede and Marv Carman, with Thiede having a slight lead at the finish for the win. Carman took second over Jerry Tryon, and grouped closely together, Sam Henson, Drumhiller and Martin, in that order.

In the super stock class tonight, Heath came from the back of the pack in the first heat, to pick off the win, however, Dale Brenner, in second place took the trophy. Third and fourth were Larry Hinkle and Larry Conant. In the second heat the lead changed so quickly it was hard to keep track of for awhile, but Ray Skinner made it out in front for the checker, followed by Harold Heisler, Dick Lomax, and Paul McNamera.

The pursuit was paced by the official pace car from the Checkered Flag Raceway in Windsor, Canada, and was a wild affair, with only two cars left on the fifth lap. Norm May stayed off Heath until the eighth lap when Heath passed on the inside. May took second, Brenner, third and the trophy, and Conant, fourth.

Someone dumped oil on the back stretch during the feature, causing cars to spin all over the track in the thirteenth lap.

NOTICE

VILLAGE OF MANCHESTER

Any residents who have complaints about burning rubbish should notify the police while the burning is taking place so the problem can be alleviated.

NOTICE

VILLAGE OF MANCHESTER

There will be a public hearing of the Water & Sewer Dept. budget for the fiscal year July 1, 1970 through June 30, 1971 on Sept. 21, 1970 at 8:00 p.m. in the village council chambers.

Paxton and Heath were leading at the time and with Heath going to the pits and Paxton to the back of the pack on the yellow. Gary Wordon was first to take the green again and held on for the first place finish. Paxton came back up to take second place and the trophy. Following him across the line were Chuck Clark, McNamera, Conant, and Skinner.

Two big races will wind up the season here for 1970. On Sunday, Sept. 13, will be the Season Championship Trophy Races with a 50 lap feature for the super stocks and a 100 lap feature for the sportsman modified. Also all the special awards for the year. And on Sunday, Oct. 4, starting at 1:00 p.m., we will have a 100-car demolition derby. The race on Sept. 13 will have time trials at 1:00 p.m. and racing at 2:30. These should both be exciting races. Don't miss them!

"MAKE IT YOURSELF WITH WOOL" COMPETITION NOW OPEN

The Grand Tour is the Grand Prize in the "Make It Yourself With Wool" Competition, now in its 25th Anniversary year.

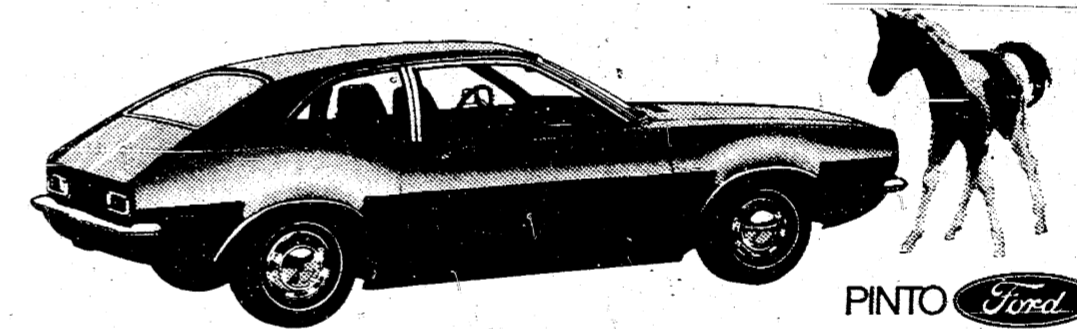

Win at National and off you go via KLM Dutch Airlines for an unforgettable vacation in the fun and fashion capitals of Europe. Other prizes include college scholarships, U.S. Savings Bonds, sewing machines, stunning accessories, luggage and toiletries. And, there are all kinds of lovely prizes offered at District and State

competitions, too. State winner in the competition receives a free trip to the National Finals to be held in Las Vegas, Nevada, January 19, 1971.

Mrs. Gerald Plumb, 11 Sterling Road, Jonesville, Michigan 49250, telephone (517) 849-9322 will serve as district director of District Two for the "Make It Yourself With Wool" competition in Michigan, Mrs. Lawrence G. Boettner, State Director of Bridgewater, has announced. Mrs. Plumb's district includes Hillsdale, Jackson, Lenawee, Monroe, and Washtenaw counties.

To enter Make It Yourself With Wool, a girl must make a 100% wool suit, coat dress or pants outfit from fabric loomed or knitted in the United States. She must model her own garment before judges and appear in fashion shows beginning at the District level.

Meet Ford's new Pinto. The little carefree car.

If you have the questions, Pinto has the answers.

Q. What do you mean, "carefree"?
A. Pinto's designed to free you from car cares, big and little. Cares about high prices and big gas bills. Cares about parking. Cares about service and reliability. Power and stability. Quiet and roominess.

Q. You say Pinto is little. How little?
A. Pinto is only 3 inches longer than VW. But its turning circle is actually a little less, so Pinto can slip easily into tight parking spaces.

Q. And inside?
A. Pinto gives you more interior roominess overall than Volkswagen. And getting in and out is easier because Pinto's doors are a good half-foot wider.

Q. What about price?
A. Pinto is priced like the little economy imports, too.

Q. What about power?
A. Pinto delivers 75 horsepower and averages over 25 miles per gallon in simulated city suburban driving. The engine is front-mounted and exceptionally quiet for a car in this class. Pinto is the only American economy car equipped with a 4-speed, fully synchronized transmission at no extra cost.

Q. What else is standard equipment?
A. High Back bucket seats. Direct-Aire ventilation with upper-level fresh air outlets. Heater/defroster with 3-speed fan. Two-speed electric windshield wipers. Electric windshield washers. Your choice of 15 exterior colors. And more.

Q. How about optional extras?
A. Pinto offers a 100-hp engine and 3-speed automatic transmission. Front disc brakes. Even built-in air conditioning. Tinted glass. Vinyl roof. "Flipper" rear quarter windows. Fold-down rear seat. Bumper guards and side molding with vinyl inserts to protect the paint. More than most imports offer—at prices economy-car buyers can afford.

Q. Reliability?
A. Pinto's engine has already logged 50 million owner-driven miles. And the strength of some of Pinto's parts makes ordinary little economy cars look puny by comparison. Parts like the starter motor, ball joints, rear wheel bearings are heavy duty. Craftsmanship? Pinto is the only American car with hand-matched transmission gears.

Q. What's Pinto like out on the road?
A. Pinto has a wider stance than any economy import, for better stability in turns and gusty crosswinds. For more road feel, and more precise handling, Pinto has rack & pinion steering—like Porsche and Jaguar—something you won't find on any other American car.

Q. Tell me about service.
A. Pinto is so simple you can do much of the maintenance yourself, if you like. The Owner's Manual shows you how. And Pinto's free Do-It-Yourself Key helps you perform minor service functions.

Q. Suppose I don't service Pinto myself?
A. You still save when your Ford Dealer does it. For example, Pinto needs an oil change half as often as the leading import. And a chassis lube only one-sixth as often.

Q. Sounds great—where can I test-drive Pinto?
A. Your nearest Ford Dealer. And if you have any more questions, he can answer them.

EMANUEL CHURCH

Church school teachers and workers with youth in the Manchester area are invited to attend an exciting training opportunity next Sat., Sept. 12, at Zion Lutheran Church in Ann Arbor. Sponsored by the Christian Education Department of the Washtenaw County Council of Churches, the day will be one as a Skills Workshop... geared to fortify the Sunday School Teacher's sense of self-confidence and give him or her some guide-lines in preparing an exciting and worthwhile lesson.

The Morning will begin with a panel presentation on "Philosophies of Christian Education" and will then break at 11:15 so that those attending may attend sessions on their own age group interests, pre-school, lower elementary, upper elementary, junior high or senior high school. In each of these sections, highly qualified resource persons will discuss what the students in different age groups are like, and what they learn and how they learn best.

Noon will be a time for lunch and browsing through the book display.

"Building the Lesson" will be the theme of the afternoon session beginning at 1:45. The resource leaders will lead their groups through a lesson, sharing with them their particular philosophy and thus the reasons why and wherefore. The leaders will help the teachers set forth goals, objectives, and some specific methods.

All of this will be held on Sat., Sept. 12, from 9 a.m. to 4 p.m., and is open to all interested persons in the county. The general theme of the day is "WHY AND WHEREFORES" indicates that it will deal with methods rather than doctrine. Registrations may be made by calling the office of the Council of Churches: Phone 761-0930. Much time and energy has been spent on this venture, and with the excellent staff that has been assembled, it should prove to be a very good day for those wishing to improve their ministry of the faith as Sunday School teachers, or prospective teachers. See you there!

UNITED IN MARRIAGE

Sheila Joan Fish became the bride of Gerald Kent Zeller in a ceremony performed by Rev. Walter Damberg at the Faith Community Church Sept. 5.

The bride is the daughter of Mr. and Mrs. Lewis J. Fish of Chelsea. The bridegroom is the son of Mr. and Mrs. Robert Zeller of Manchester.

The bride chose a white floor-length gown with a chapel train. Venice lace encircled the bodice and sleeves. Organza lace covered the skirt of the gown with satin on the edge of the skirt. She wore a Venice lace and seed pearl headpiece and carried a bouquet of white carnations and yellow roses.

May E. Fish, sister of the bride was maid of honor. She wore a light blue lace empire waist gown and carried a bouquet of white carnations with yellow sweetheart roses. All flower arrangements done by Mrs. Lewis Fish, mother of the bride.

Best man was Karl F. Davis of Ann Arbor, Michigan. Ushers were Mike Weber and James A. Fish, a brother of the bride.

A reception was held in the basement of the Church. Ruth Fish, sister of the bride poured punch and coffee. Mrs. Linda Geer cut the cake and Gloria Fish, sister of the bride was in charge of the guest book.

Mr. and Mrs. Zeller will reside at 227 Washington, Manchester.

VILLAGE COUNCIL MINUTES
Aug. 17, 1970

Council met in regular session with the meeting called to order by President Little at 7:15. Trustees present Scully, Reinhart, Curley, Fitzgerald and Mahoney; absent Walton. An invocation was given by Rev. Kuether.

The minutes of the Aug. 3, 1970 meeting were read. Scully moved and Fitzgerald seconded that the minutes be approved as read. All yeas carried.

Police Chief Becktel reported that he had had a complaint from Mrs. Townsend about Mr. Fillyaw's parking vehicles in front of her house. It is a parking area available to both parties and the only possible solution would be to designate it as a "no parking" area which would also cause problems for the church on Sunday. Since parking in Manchester is not in great abundance it was decided to leave it a parking area to which any party has access.

In regard to the installation of a 4-way red light on Clinton and Main, various sources have estimated the cost at \$90 - 125. The advisability of such a light is still in question because of the possibility of tying up volunteer firemen in the traffic back-up. It was suggested that Becktel stop all traffic at the next fire to see how such a light would affect the situation.

Mahoney advised the Council of the financial status of the accounts. There will be a public hearing of the Sewer and Water Department budget at 8:00 p.m., Sept. 21. This is for the fiscal year July 1, 1970 - June 30, 1971. A public notice should be published for this.

In regard to the repairing of West Main Street, it was decided that we could go ahead on the engineering and publishing of bids.

Mrs. Gibbons had inquired about the zoning of Schaffer Lumber Yard. She was to be advised that it is zoned commercial and any use of the property as residential and commercial would require application for variances.

A letter was read from McNamara, Porter and Sealey requesting a letter from the Council giving permission to move the bridge three feet. Reinhart moved and Mahoney supported that the letter be drawn up. Mahoney, Scully, Reinhart, Fitzgerald - yeas. Curley - nay. Reinhart was asked to draft the letter.

On August 12, 1970 R1 bids were opened for road, curb and gutter work. The amount put out for bids was 1000 sq. yds. off, which changed the amount of the final bids. The bids are as follows: Washtenaw Asphalt \$4.16 unit price \$26,246.27 and Ayling - Cunningham \$3.70 unit price \$22,673.20. Ayling - Cunningham bid at the corrected figure of 4,890 sq. yds. was still low at \$26,373.20. Curley moved and Fitzgerald seconded that the contract be awarded to Ayling - Cunningham. All yeas carried. There was a discussion on the bridge engineering and inspections.

At 8:00 p.m. Scully moved and Curley seconded that the Village Council general meeting be adjourned and the Zoning Board of Appeals be brought to order. All yeas carried.

The letter requesting a variance for Miss Amanda Schaible at the 416 Madison, Manchester address was read. The opinion expressed from the floor indicated no objections. Reinhart moved and Fitzgerald supported the motion that the variance be allowed. All yeas carried. Mahoney moved and Scully seconded that the meeting be adjourned.

At 8:25 the Village Council general meeting was again called to order by Pres. Little.

Bruce Daniels reported on proposed projects of the Michigan Bell Telephone Co. in Manchester. Order 5982, Phase 1 and 2 concerns underground cable from Ann Arbor Hill to Hibbard St. Mahoney moved and Curley supported the motion to go ahead on this project. All yeas carried. The second project concerns installation of conduit in the new bridge. Mahoney moved and Reinhart seconded the motion to advise Michigan Bell that they have our permission to work with our engineers

and general contractor on the installation of such conduit in the bridge at no cost to the village. All yeas carried.

Fitzgerald listed permits applied for as:		
Paul Reinhart	alter & addition enclose & replace outside stairway	\$500
Irwin Kensler	12 x 14 bedroom addition replace window	\$300
Albert Gebhardt	sliding glass door remodel kitchen structure	\$600

Electrical permits were issued for Mrs. Gertrude Ahrens, Irwin Kensler, Ronald Jenter. A permit was issued to Crestwood Homes to build a home for Miss Amanda Schaible valued at \$15,000.

The ball diamond has been surveyed. Curley reported that there has been more response at the youth center. He proposed that when school starts possibly the K-C Hall could be open Friday evenings instead of Wednesday. A discussion of possibilities for the fall program ensued. Curley requested that \$600 be given the Teen Age Fund for expenses. Mahoney moved and Scully seconded that \$600 be forwarded to the group. All yeas carried. Scully moved and Fitzgerald supported the motion to change the first Sept. Council meeting from Sept. 7 to Sept. 8. All yeas carried.

Mahoney reported that Mr. Kenyan of Manchester Plastics has objected to the \$60 annual charge for sprinkler (fire protection) service. He feels the amount is excessive.

A formal motion was made by Mahoney and supported by Scully to extend the tax deadline from Aug. 21, 1970 to Oct. 9, 1970. All yeas carried. Scully moved for adjournment. Reinhart supported the motion. All yeas carried. The meeting was adjourned at 9:55.

World of Tomorrow

Farm tractor cabs in the year 2000 (top) will have all the comforts of home, and some will serve as control centers for other smaller, operatorless tractors. Ford Motor Company farm machinery experts predict. The interior of tomorrow's cab will look much like the cockpit of a jetliner and will evolve from cabs such as those found today on Ford's model 9000 tractor (bottom). Cabs will include air conditioning, sound-proofing, wall-to-wall carpeting, television for monitoring implements and receiving the latest weather reports, telephones, refrigerators, food warmers and controls that can override the programmed systems guiding automatically either the central control tractor or any of the auxiliary tractors.

HOGS AND PIGS in every corner of the huge Fairgrounds could hear the shrill, loud calls of Ron Kuhl, of Manchester, who stood in front of the "mike" and literally shook spectators out of their seats to win the hogcalling contest at the 121st annual Michigan State Fair. Ron had to beat 10 challengers including the defending champion and won by quite a few decibels on the judging meters.

"The office computers broke down and we all had to think."

PUBLIC NOTICE

I, the undersigned, have received and filed a petition containing names of registered voters totaling 35% of the votes cast for Secretary of State at the last state general election.

The following question will appear on the November 3, 1970 election ballot:

"Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the Township of Manchester under the provisions of the law governing same?"

Signed:
 Waldo C. Marx
 Manchester Township Clerk

Dated: September 1, 1970

NEW LICENSE FOR HUNTING

The following information was received from the Department of Natural Resources - License Bureau and we at Gambles would like to pass it along to the sportsman in the Manchester area.

"With the 1970 licenses we are sending a supply of the new Sportsman's License. This license is for residents only, who have passed their 17th birthday. The license sells for \$18.50. The license covers: small game, deer (bow and firearm), bear, trap (except beaver and otter), fish and trout.

"A person who purchases this license and who intends to hunt bear, is instructed not to use the kill tag for a bear. It will not be necessary for them to tag the bear.

"Please keep in mind that under a

Newly Enacted Law no person under the age of 12 may purchase a small game or bow license. For firearm deer hunting, they still must have reached the age of 14 to be eligible for a license. For minors 12 through 16 years of age, a parent or guardian must apply for a license. This is not necessary when they reach 17."

We are always glad to help you with any information we can pertaining to hunting or fishing regulations and opening dates of seasons, etc.

THE INCOMPLETE ANGLER:

Fishing has been described as the sport that features a jerk at one end of the line waiting for a jerk at the other end of the line.

102nd Year No. 48

ANNOUNCES CANDIDACY

Thomas S. Roberts of 11485 Pleasant Shore Drive, Manchester has announced his candidacy for the position of Washtenaw Community College Trustee. Mr. Roberts is the president of Arri Arbor based Masterco Press, Inc. a publisher of business finance and management books. Additionally, he is active as a consultant to industry in the areas of management, training and organizational planning through Thomas S. Roberts Associates.

From 1963-1969 he was associated with the University of Michigan's Bureau of Industrial Relations where he rose to the position of Director, Courses Div. During this period he was intimately associated with all phases of a wide variety of nationally known business-oriented training programs. He has also been a high school teacher in rural Maine and held posts in industry. Mr. Roberts has been a county resident since 1962 and belongs to the American Society for Training and Development.

In announcing his candidacy Mr. Roberts said, "WCC faces the most critical and difficult problems of a young growing institution in the coming years. Attaining the proper balance of curriculum, funding and planning and growth policies will demand deep consideration and careful experimentation by Trustees and administrators."

"Historically, WCC has a commitment to vocational-technical or practical skills education. It is essential that this orientation not be sacrificed. Gov. Rhodes' recent statewide study in Ohio showed that over 80% of the available jobs did not require college degrees, but they did require specific skills training for satisfactory performance."

"In other words, we are dealing here with the kind of education that can and should provide the job skills training most needed. As a resident of the rural area, this point is of principle importance. Many of our youth have neither the funds nor the interests required for a four year college education. These young men and women do, however, seek a wide variety of skills training as well as the specialized training needed to deal with the increasingly complicated and sophisticated agribusiness machinery and techniques. Here tofore the interests of this large group have not been represented."

"As we campaign during the coming weeks, I will present a series of statements dealing with areas such as cooperative industry training programs, salvaging high school dropouts and the financial picture in relation to our community college."

MANCHESTER MEETS ITS QUOTA

I want to thank everyone who contributed toward filling the "ditty" bags. A special thanks to the Fellowship Circles of the Emanuel United Church of Christ and the Manchester United Methodist W. S.C.S. To many of our servicemen at Christmas, the ditty bags the Red Cross sends will be all the remembrance they will receive. A special thanks to Mrs. Chas. Gauss for all the lovely Christmas cards she made to go into the bags.

Mrs. Ben Creason, Chm. for Manchester

NEW RATES FILED FOR MICHIGAN BELL

The Michigan Bell Telephone Company has filed new statewide rate schedules designed to produce \$14.8 million in additional revenue authorized by the state Public Service Commission. This is the first general rate increase for the company in over ten years.

The proposed rates will not become effective until approved by the Commission. "Every effort has been made to simplify the new rate structure so that rates may be more easily understood by customers," said Nicholas J. Prakken, local Mich. Bell manager. "The new rates also are designed so that customers pay on the basis of the amount of service and facilities they actually use," he said.

Prakken said the new rates obviously will result in higher phone bills for most customers. However, by streamlining rates and making them more flexible, he added, the company is seeking to have charges relate more closely to customer usage.

Major features of the new rates include a discount to customers for dialing their own long distance calls; the dropping of the three-minute initial period for long distance calls within Michigan with all such calls being charged by the minute; and a uniform \$9 charge for installing, moving or changing service, including customer initiated number changes. This is the first statewide use of the one-minute charge for all intrastate long distance calls.

The new long distance rates in Michigan range from five cents a minute for calls below 20 miles up to 35 cents a minute for calls over 200 miles. Customers dialing their own calls will receive a discount of 20 percent on weekdays from 7 a.m. to 5 p.m. and on Sundays from 5 p.m. to 11 p.m. A 40 percent discount will be given at all other times and on certain holidays (Christmas, New Years, July 4, Labor Day and Thanksgiving). There is no discount where operator work is required to handle station calls, except in a few areas where customers cannot dial their own long distance calls. For person-to-person calls there is a 50 cent additional charge for each call to help cover the extra costs.

Fewer than five percent of long distance calls within Michigan are now person-to-person.

Prakken explained that the basic rate for residence and business telephones is set in each locality according to the number of telephones there. To recognize the overall growth in telephones in recent years, all rate band classifications have been expanded. Despite this, Prakken said that the growth in Manchester had been so much that it had been reclassified into a higher rate group.

The new proposed one-party residence rates will be \$4.75 as compared to the old rate of \$4.10 in the lower rate group. Twenty-five cents of this is due to the new rate classification. The other 40 cents is an increase in the basic rate itself. Other rate changes include \$3.75 for 2-party residence, from the present \$3.35; \$3.00 for 4-party residence, compared to the present \$2.60; and \$3.00 for residence budget service in place of the current \$2.25.

The proposed one-party business rate is \$10.00 instead of \$8.05. The new charge for each trunk line will be \$15.00. The present rate is \$12.00. Two-party business service is being increased the same amount as one-party business service. Rural residence goes to \$3.50 from \$3.35 and business rates is \$5.85 from \$5.60.

The various current installation, connection and move charges will be replaced by one uniform charge of \$9. For residences, this generally covers all the work done at one time. For business firms, the charge applies to each PBX trunk, each line for key telephones and each phone at the time it is installed, moved or changed. Restoring service discontinued for non-payment of bills will be \$5 instead of the present \$1.

The company is reducing the monthly instrument charges on some equipment. The present monthly charge of 75 cents for Princess telephones becomes 60 cents. Special telephones for impaired hearing and impaired speech are reduced to 75 cents a month from the current \$1 and \$1.25. The uniform service charge replaces the present one-time extra charges for color sets, long cords, Princess and Trimline sets and Touch-Tone service.

ALASKAN TRIP WAS "SPIRIT OF ADVENTURE TRIP"

by Carolyn Ahrens

The Gaslight Follies, an old-time sourdough show, moose tracks, a deserted town, two grizzlies and a herd of twenty caribou are only a few of the interesting things two young Manchester men saw on an 11-week, 13,600-mile journey to Alaska this summer. "We both had been planning such a trip," Bruce Oates and Larry Alber said, "without knowing of the other's plans. We happened to get together one night and just combined our idea. We both wanted to see the country, especially Alaska so it was just a sort of spirit of adventure trip."

They left the 19th of June in a 1967 Ford pick-up, complete with boat, motor, camping gear and Larry's dog Sparky "who really enjoyed the trip." But their adventure had barely begun when they had the first of three flat tires between Jackson and Lansing. On the road again they crossed the Mackinaw Bridge, over the border at Sault St. Marie and followed Lake Superior to White Shell Park, Manitoba.

They kept a daily log which proved to be very interesting and which later brought back already forgotten memories. Stops and sights included Lake Winnipeg and Flin Flon, Manitoba; northern Saskatchewan.

DAVID HESLIP BENEFIT DANCE COMING SEPT. 26

by Carolyn Ahrens

Last March 1, David Hespil an 18-year old freshman at MSU was critically injured in a one-car automobile accident while returning to Lansing. The son of Mr. & Mrs. James Hespil of Sharon Hollow Rd., remained in St. Joseph Mercy Hospital for several months in a semi-conscious state.

Recently he returned home and his doctor described his condition as "still coming out of a coma and is now observing a lot more and is in a much better physical condition." David is slowly regaining the use of his right side which was paralyzed. He has a visiting nurse twice weekly and a physical therapist three times each week and both feel that he is responding very well. His family, which includes two brothers and two sisters, includes two who are able to sit in a wheel chair for an hour at a time and is fed by tube as he is still unable to swallow."

David may not know or realize now just how many friends he has in Manchester but perhaps the day will soon come when he can personally thank one group of individuals who hope in some way to help him. A committee composed of Mr. & Mrs. Lauren Huber, Mr. Charles Dettling, Mr. & Mrs. Robert Padley and Mr. Larry Kirk have organized a benefit dance in David Hespil's behalf.

Scheduled for Saturday, September 26 from 9 p.m. to 1 a.m. at the Manchester Sportsman's Club on Grossman Rd., the Brothers 3 + 2 will provide music for the young and old. Tickets are \$2.00 per person for the dance with several door prizes to be given away that evening. These items were donated by the Manchester merchants, a group of men and women who have long supported and donated hundreds of dollars worth of merchandise to such community and individual projects and the committee wishes to publicly thank each and every one for their donation. Raffle tickets are also available for a \$1.00 donation. Tickets for the dance and raffle are available at Keith Reed's Barber Shop, from any of the committee members or at the door the night of the dance. A lunch and set-ups will be available at the dance by the Iron Creek Farm Bureau.

Plan to attend the David Hespil Benefit Dance, Saturday, September 26 at 9 p.m. at the Sportsman's Club.
