

**DUTCH OPEN SEASON FRIDAY**

Manchester's own Dutchmen will open their season at home this Friday with Whitmore Lake as their opponent. Game time is 8:00 p.m.

Whitmore Lake, a young team, appears on the Dutch schedule after a two year absence.

The Dutch will be led by Tri-Captains Dave Bucholtz at Quarterback, Phil Nickerson at Halfback and Dave Tapping at End. Other returning starters are Den Herman at Tackle, John Kress at Tackle, Ken Tindall at Center, John Weidmayer at Fullback. Senior Mark Lentz will start at the Wingback spot. Senior Mark Roberts at Split End, senior Rich Hosmer at Guard and junior Len Minor at Guard.

Again the Dutch Defense will be its strong point, with junior Linebacker Scott Limpert and junior Tackle Hugh Hausler among its leaders.

The Manchester J.V.'s open their season this Saturday at home with the Tecumseh Freshmen. Game time is 10:00 a.m. Saturday morning, Sept. 19.

**COACHES CORNER**

by Cal Poppink

Something new! The Coaching Staff has for some time been interested in a method for relating certain information to the followers of Manchester Athletic programs. We've come up with the idea of a column in which all coaches may write about their sport. For example: Information about an upcoming game; about a passed game; individual achievements, etc. We will try to follow the pattern of coaches writing when their particular sport is in season.

We feel the Athletic Booster Club did a great job again this summer with the slow pitch softball league. It's great to see some movement from the stars of yesterday. Congratulations to Double A for winning this year. (We will purposely omit any mention of what happened to the JC team at their state tournament.)

Steve Chapman, the new high school math teacher, has been added to the coaching staff. He is coaching the Cross Country team and faces a difficult job with only two lettermen returning. Their first league meet is September 23, with Addison.

We don't know much about Whitmore Lake's team because we haven't played them in three years (when the League-of-the-Lakes dissolved). We are happy to open at home and we'll write more about the game next week.

**BIRTH ANNOUNCEMENT**

Mr. & Mrs. Milton Weidmayer are the proud parents of a baby girl, Sarah Janet who weighed 9 lbs. at birth Sunday, Sept. 13. Mr. & Mrs. Weidmayer live on Eisenman Rd., Manchester.

Grandparents are the Raymond Webers of Ann Arbor and the Armind Weidmayers of Manchester.

**BIRTH ANNOUNCEMENT**

Mr. and Mrs. Eldaan Weidmayer of Belleville, Mich., are proud parents of their daughter, Patricia Ann, born Sept. 9, weighing 8 lbs. 11 oz., and was 20 in. long. Patricia Ann was born at University Womens Hospital.

Grandparents are Mr. and Mrs. Chas. Bunye and Mr. and Mrs. Armin Weidmayer of Manchester. She is the first granddaughter for Mr. and Mrs. Armin Weidmayer.

**IRON CREEK STUDY GROUP**

The Iron Creek Study Group met at the home of Mrs. Marvin Kirk Sept. 10 for a potluck dinner with 14 members present and one new member, Mrs. Edna Wisner. A nice time was had by all.

**BIRTH ANNOUNCEMENT**

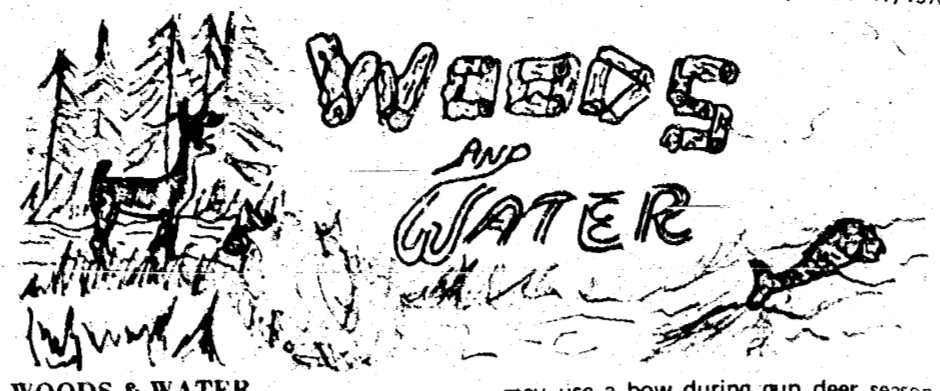

Mr. and Mrs. Laverne Leach are proud parents of baby girl, Dawn Renee, born Sept. 4, weighing 7 lbs. 5 oz. Paternal grandparents are Mr. and Mrs. Maynard Leach of Manchester.

**KINGS DAUGHTER TO MEET**

The Kings Daughter will meet on Thur., Sept. 24 for a 1:00 p.m. dessert luncheon at the Fellowship Hall of the Manchester Methodist Church. The business meeting will follow.

**ATHLETIC BOOSTERS TO MEET**

The Athletic Boosters will meet Monday, Sept. 21 at 7:30 p.m.

**WOODS & WATER**

created by Lucky DeVant

Welcome to "Woods & Water." This will be a weekly column for the sportsman, with information on hunting and fishing seasons, tips and new ideas, information on new guns, recipes for wild game, etc. As seasons change we will bring you information on skiing, snowmobiles, and other interesting subjects pertaining to sports.

With the passing of Labor Day we can say "Goodbye to Summer, Hello Fall." Along with fall goes hunting both small game and deer. On Tuesday, Sept. 15 squirrel season opened in all zones and will remain open until Nov. 10. Shooting hours are 6 a.m. to 7 p.m. e.s.t. Bag limits Day - 5 - possession season - 10 combined, 25 per season, on fox, gray or black squirrels. Despite the rain and bad weather we talked to a few brave hunters who were going after squirrel. Remember game shot in Michigan or brought in from another state may be stored without permit for 60 days. You may keep your game indefinitely under a permit obtainable from a conservation officer. A tip on fixing squirrel - if you have never eaten broiled squirrel try it sometime using just salt, pepper and just a touch of garlic salt or your favorite barbecue sauce.

A reminder to hunters interested in the Antlerless-Deer-Permit, your application must be postmarked by midnight Sept. 30. This application is available with Bow & Arrow, Firearm or the new Sportsman License for Deer, Bow and Arrow season for deer opens statewide Oct. 1 through Nov. 14 and Dec. 1 thru Dec. 31. You

may use a bow during gun deer season, but you must have a gun deer license. An antlerless deer permit is required to take antlerless deer in the firearm season.

To the avid duck hunter, all water fowl seasons open Oct. 7. Duck stamps are available from the post office or a local sporting goods store also keeps them on hand. You must have a small game license to hunt waterfowl. Ready your shotgun now and check your ammo. Practice with clay pigeons will usually help you determine if a gun shoots high or low. If you start to miss birds after powdering every clay target thrown for you in pre-season practice, it's probably because you forgot that ducks lose speed in flight, while live birds usually accelerate. Sweep the gun smoothly through the bird's flight path and they should start coming down. In the next few weeks we will bring you numerous tips on waterfowl hunting, shells to use, recipes for cooking your birds, gun points, blind building, etc. Shotguns, shells and equipment can be obtained locally.

A late tip for the squirrel hunters: Early morning and late afternoon are the best times of day to hunt for squirrels, not only because they are more active then, but because the woods are quieter. So whether you pussyfoot through the nut groves or wait on a stand, it will pay to get up early or stick it out till dusk. When the ground is wet, a folding camp stool works great.

Next week, look for tips on duck hunting. Remember sports are what the sportsmen make them so be a good sport.

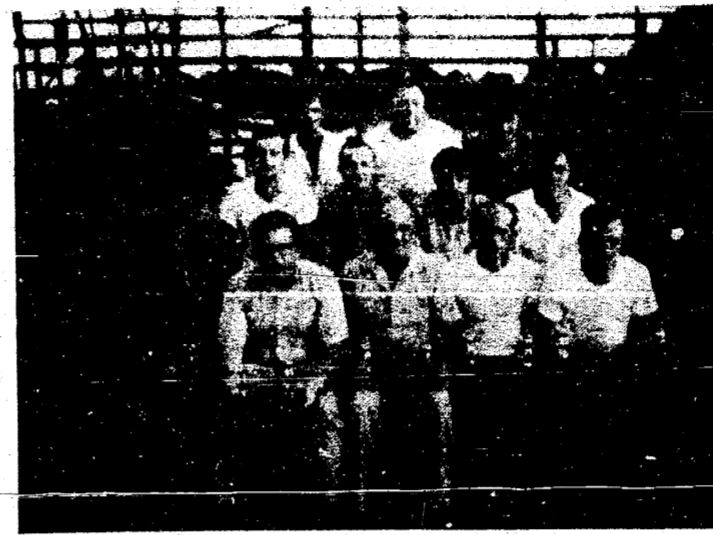

**manchester**

Jaycees annual River Clean-up will be held Sunday, Oct. 4, starting at 10 a.m.

**Enterprise**

102nd Year No. 50

**SLOW-PITCH CHAMPS**

Double A number one team won the Manchester Athletic Boosters Slow Pitch Tournament held last month with four straight wins.

First row: John Day, Ellie Pipkins, Dick Payton, Roger Handy, Paul Green.

Second row: Doug Gilmora, George Roth, David Adams, Larry McGee.

Third row: Renee LeBlac, Mr. Art McGee and Jack Smith.

Not in picture: Dick Groves, Len Bailey, Mike Schnieder, John Emery, and Jim Yunkgans.

**P.T.O. MEETING HELD**

The newly formed Manchester P.T.O. held their first regular meeting Wednesday, Sept. 23 at the high school auditorium. The speaker was Det. Sgt. Robert Foster from the Jackson Post of the Michigan State Police. His topic was the Rock Festival at Goose Lake in August. He was one of the plain clothes officers inside the gates part of the time. He had photos and slides taken that weekend, also samples of the different types of drugs used that weekend. The ages of the young people ranged from 15-25, a few older, the average age being 18-21. The officers made arrests only outside the gates for obvious reasons, it was noted there were 89 narcotic arrests made that weekend in comparison of 65 for the whole years of 1969 in the same police district. According to Det. Foster's talk, what was in the papers was the way it was.

Det. Foster noted that he had given several hundred talks in the last couple of years and also to many PTO groups and that this was the largest PTO group he had spoken to. There were approximately 130 interested parents and teachers in attendance.

Election of officers was held: President; Don Wheeler; Vice-President, Jan Proctor; Secretary, Sue Achtenberg; Treasurer, L. V. Kirk; Luther Klager Board, June Weisman, parent, Mary Blossom, teacher; Middle School Board; Parent, Charles Detling, teacher Jack Raffaelli; High School Board; parent, Bill Merriman, teacher, Ted Gulliver.

The next P.T.O. meeting will be held Wed., Oct. 28 at 8:00 p.m. in the high school auditorium. Please try to attend.

**BUSINESSMEN'S DRIVE STARTS OCTOBER 1**

Members of the business team are Mary Francis Fielder, Ed Kirk, Mildard Uphaus, Mrs. Ronald Whittington, Rosco Lannom, L. V. Kirk, Mrs. Harry Krauss, Dr. Glenn Lehr and Glenn Lehr, Sr.

All local businesses and the Pleasant Lake firms are included in this part of the Drive, which hopes to be completed by the middle of the month. The Drive will continue with house-to-house and follow-up through the month of October.

"Helping is Happiness"

**WASHTENAW COMMUNITY COLLEGE TRUSTEE CANDIDATE**

Elmer E. White, an Ann Arbor attorney, recently filed his nominating petitions for the position of Trustee of Washtenaw Community College. In announcing his candidacy White stated: "The position of Trustee calls for a person to be responsible to the people of this county who have made possible our community college. The progress of the community college since its inception has been remarkable in terms of growth of physical plant but, more importantly, in terms of services provided to this community by a very fine and dedicated faculty and administration. This community is only now beginning to reap the benefits of the programs of the college. As trustee, I pledge my service to continue the quality education offered by the college."

White earned an Associate of Arts degree from Henry Ford Community College. He received a Bachelor of Arts degree from Wayne State University and the degree of Juris Doctor from the University of Michigan. A veteran of the U.S. Air Force, he practices law with the firm of White, Bell and Carter in Ann Arbor. White is a Trustee and Treasurer of the University of Michigan Interfaith Center, Inc. and is a member of the administrative board of the First United Methodist Church in Ann Arbor. The candidate resides at 1024 Western Drive in Ann Arbor with his wife, Barbara and two daughters.

**PASS, PUNT & KICK**

Again this year Tom Marshall Ford and the Manchester Jay Cees are sponsoring the Pass, Punt, Kick contest here in Manchester.

Contest will be held Sat., Oct. 3 at 10:00 a.m. at Athletic Field. Contest is open to boys - ages 8-13.

Entry blanks may be picked up at Tom Marshall Ford or from John Korican, who will tour the schools, Mon., Sept. 28.

**PLEASANT LAKE P.T.O. TO HOLD FAMILY POTLUCK**

The Pleasant Lake P.T.O. will hold a Family Potluck on Tues., Oct. 6 at 6:30 p.m.

Following the potluck dinner, entertainment will be provided by Ronald Dawson of Ann Arbor, Michigan.

**FARM BUREAU TO MEET**

The Iron Creek Farm Bureau will meet at the home of Gladys Johnson on October 9 at 8:30 p.m.

**TIM ARMENTROUT SAW COUNTRY FIRST-HAND**

by Carolyn Ahrens

One way to see the country first-hand is by riding a 350 Motocross Honda 2,584.2 miles cross-country as Tim ArmentROUT of Vernon Street found out recently. He left the Seattle, Washington naval base Monday, August 24 and arrived the following Sunday "a bit less for the wear and on foot." It seems the bike chain broke the last 2/10 of a mile and he arrived home pushing his Honda. The trip took 151 hours and 30 minutes with travel time varying because of side-trips and road conditions from 100 miles one day to 670 miles the greatest distance he traveled in another.

The son of Mr. and Mrs. Robert ArmentROUT and a 1967 graduate of Manchester, Tim joined the US Navy in March, 1968 and is now classified AOF3. While stationed aboard the USS Hancock on a 9-month cruise in Vietnam the squadron spent some time in Japan where Tim and 825 others in his squad purchased motorcycles. They returned to the states in April and the Woody Island Naval Base. The bikes proved interesting and exciting so Tim decided to see the country and what better way than riding his Honda from Seattle to Manchester on his recent month-long leave.

"Everyone was very friendly especially when they learned I was in the service," he said and because he wore his Michigan jacket many were curious as to his exact destination. One regular question was however, "How come the beard if you're in the Navy?" The "no beard, long hair" policy in the states at least, he explained, has been changed. Regulations now permit a beard and longer hair if kept trimmed and clean. Another man worried about him one rainy night. "Because of my sparse equipment he was sure I'd be soaked by morning but after learning I was an Eagle Scout he decided I really could set up camp and keep dry, rain and all." He added that the police departments were especially helpful several times in locating camp sites, finding directions and at one stop even permitted him the use of their telephone to call home.

Camping in state parks and roadside camp sites he soon learned that Michigan must be the only state with mosquitos. One other discovery he hopes will soon be corrected that leaves Michigan a bit short in his opinion is that Michigan is the only state through which he traveled that does not fly a state flag with the US flag. He noted that private homes as well as many public parks and buildings displayed both flags and to him was most impressive.

Camping sites included Spokane, Washington; Butte and Billings, Montana; Rapid City and Murdo, South Dakota; Des Moines, Iowa and finally Manchester that seventh night. Points of interest included the Louis and Clark Caverns and Little Big Horn in Montana; Mt. Rushmore and the Reptile Gardens in South Dakota and "a town no one should miss," Tim added, "Wall Drug, South Dakota."

"It's a first-rate tourist trap but one that's worth a 100-mile side trip to see," he said. Billboards line the highways for miles advertising the unique drug store that was the first of its kind in the territory in the 1800's. Today it's equivalent to the size of the Black Sheep to Widmayer's Hardware and a block deep. One particular attraction is the movable wooden figures, some playing musical instruments, in an old-time setting complete with a wooden dog scratching a flea.

Another interesting stop was at a car museum in Murdo, S. D. which displayed the Packard once owned by one-time famous cowboy Tom Mix, the car Mickey Rooney drove in a 1940 movie, The Big Wheel and a special section in tribute to Henry Ford with 30 automobiles from a

Model T to a 1955 Thunderbird. And he enjoyed the trip enough to try it again. Last Thursday Tim left for Alameda, California (This time aboard a jet) and in November will leave for an 8 to 10-month cruise back to Vietnam aboard the USS Kittyhawk. He plans to buy two motorcycles this time and upon his return to the states will meet his brother, Todd in California and the two will travel cross-country back to Manchester. Tim claims "It's the only way to go."

**HELPING IS HAPPINESS**

This year 1376 persons in the Manchester area have been served by one or more of the 52 agencies aided by the Manchester United Community Fund and Red Cross Drive. For the first time in history the budget of \$16,222 has not been increased.

The following budget was determined by a committee from the Community Chest Board working with the agencies. Luther Klager, chairman was assisted by Robert T. Ross, Harry Krauss, Mrs. Victor Wurster, Louis Vogel, Robert Swartz and Mrs. Franklin Reck who is a member of the volunteer State budget committee for the Michigan United Fund. Ted Stautz, campaign chairman approved of the quota as a realistic amount with which he could work.

**BUDGET:**

Manchester Community Chest Goal	\$16,222
Man. Family Service	200
Man. Student Council	200
Man. School Band	300
Man. Recreation	3,800
Pleasant Lake Recreation	50
MOM'S Club	75
Am. Red Cross and Blood Bank	4,345
Cystic Fibrosis	200
Salvation Army	950
Huron Valley Child Guidance	100
Mich. Children's Aid (Child and Family Service of Washtenaw)	320
Portage Trails Council (Boy Scouts)	1,200
Huron Valley Girl Scout Council	700
Catholic Social Service	400
Wash. Assoc. Retarded Children	200
Mich. United Fund (36 agencies)	3,182
Man. Community Chest Goal	\$16,222

Although six of the agencies are for Manchester alone, all give individual service to the area, often times in amounts which cannot be determined in dollars and cents.

Michigan United Fund includes 36 agencies with the USO probably being the best known, at least to all servicemen in the area. The solicitor who comes to your door has the names of all the agencies in this group and can give you the information you want to know about them.

"Helping is Happiness" and the coming drive during the month of October is your chance to HELP.

**The Billion Dollar Beer Mug**

The Billion Dollar Beer Mug plays an important role in helping keep the American economy on the move, strong and dynamic! Before beer reaches the consuming public it employs 60,000 workers in the brewing industry alone and 1 million in collateral and support businesses and industries, paying \$1.5 billion in state and federal excise taxes, over \$2.7 billion in wages to employees and distributors, and \$1 billion for agricultural products and packaging. In Michigan and throughout the nation beer is good business.

WHO, WHAT, WHEN, WHERE  
& WHY

### LETTER TO THE EDITOR

We had the same Indian as our guide on several canoe trips in Canada. He was about 16 years old when we went with him on our first trip. We had had him as our guide for more than 6 months since then. He told me "you shouldn't hit your guide on the head with a paddle except on rare occasions because you might want him to do something later." I learned many things from him, even though he hadn't attended school. His sister had taught him reading, writing and arithmetic. She had attended school for 4 years in the nearest town that is 50 miles from where they lived. I have all the letters that he has written to me. I think his handwriting is as good as that of some people with a high school education. He knew the importance of being able to read and write. I realized the importance of this when his dad was our guide on a fishing trip. I cooked a big old rooster that had been frozen and wrapped in a sleeping bag to keep it from thawing out on the trip. I added some of this chicken broth to Lipton Chicken Noodle soup mix. He thought this was the best soup he had ever eaten and said it was the first time he had ever had chicken that was prepared with way back in the bush. A few days later, he asked me to look at something. When we were away from the others, he took a package of this soup mix from his pack and asked me to read the directions so he could prepare it for our supper. I told him how and that it wouldn't be as good because he didn't have extra chicken broth. He said he was ashamed to let others know that he couldn't read. I told him that he had many things to be proud of and the most important was the way he had taken care of his children.

I am trying to tell you in a way that you will remember the most important things children can learn are reading, writing and arithmetic. Their parents should teach them to respect others and the value of things but not what their parents could learn by attending a Goose Lake music festival or by having the promoter of this hell hole visit them. I think this is an awful name to call someone's place of business, but just right for this one because the hell that we should worry about is the one we make for ourselves here on earth and this place has everything our young people need to give them a head start on ruining their lives. They not only can make life a living hell for themselves but for the ones that love them.

When you find someone that is willing to spend \$1 million to make a place where young people can do what they please without being bothered by the law, they are interested in making money not friends. We need friends. We should try and keep the ones we have and do things to make more, especially in a small community. Like the Indian said, "You might want them to do something later."

I would be ashamed to attend a Goose Lake festival. I think most normal people feel the same way. The Bible says that Christ will return. Wouldn't it be a shame if He landed there when they were having a 3-day festival and would have to ask, "Where in hell am I?"

Let's be thankful that we have people in our schools that know right from wrong.

E. Koebbe

### FORMER MANCHESTER SUPERINTENDENT OF SCHOOLS DIES

Memorial services will be held in Farmington, Michigan at the Salem United Church of Christ on Sept. 27, 1970 at 3:00 p.m. for Mr. Orville E. Dunckel. He died Sept. 16, 1970 at the War Memorial Hospital at Sault Ste. Marie, Michigan. In continuation of his life-long interest and activity in the field of education, his body has been given to Michigan State University Medical School for medical education and research. Arrangements for final interment are to be made at a later date. Memorial gifts for Mr. Dunckel may be made to the Orville E. Dunckel Memorial Fund for Education. The family requests no floral contributions.

Mr. Dunckel was born July 21, 1896 on the Dunckel homestead near Williamston, Michigan. He obtained a Life Certificate from Western Michigan University. A Bachelor of Science at Michigan State University and a Master of Arts at the University of Michigan. He served as

Superintendent of Schools at Sand Creek, Manchester, and Farmington, Michigan. At the time of his retirement following 15 years at Farmington, the Orville E. Dunckel Junior High School was named in his honor. His military service included both world wars with retirement from the United States Naval Reserve with the rank of Lt. Commander. He held membership in the Masonic Lodge, American Legion, Kiwanis International, Florida and Michigan Chamber of Commerce, Michigan Education Association and the National Education Association. His retirement residency was on Neebish Island at Barbeau, Michigan and at Orlando, Florida.

In addition to his wife Marian, he is survived by two sons, Allen E. Dunckel, DVM at Plainwell, Michigan, Elbridge L. Dunckel, DVM at Ceresnke, Michigan and

seven grandchildren. Also surviving is a brother L. Dale Dunckel of Williamston, Michigan.

Sun., Oct. 4 Missionary Sunday observed during 11:00 a.m. Sunday School hour.

Tues., Oct. 6 Church Board to meet at 7:30 p.m.

### MR. KULENKAMP RECEIVES PH.D. IN POULTRY

Alwin Kulenkamp of Spartan Village, East Lansing recently received his Ph.D. in Poultry Science at Michigan State University.

Mr. Kulenkamp and his wife, Caryn and son Christopher have moved to Glastenbury, Connecticut where he has accepted a position at the Arbor Acres Broiler Research Center.

Mr. Kulenkamp is the son of Mr. and Mrs. Otto Kulenkamp of Manchester.

### GIRLS INTERESTED IN GIRL SCOUTING - MEETING THIS THURSDAY, OCT. 1

Girls between the ages of 12 and 14 or in the 7th, 8th or 9th grades who are interested in knowing more about Girl Scouting are invited to attend a meeting with their mothers Thursday, Oct. 1 at 7 p.m. at the Emanuel Church upstairs hall.

It's most important for the mothers to attend this meeting with their daughters.

### THE SHAKESPEARE CLUB

The annual fall trip of the Shakespeare Club will be Tues., Oct. 6. The members meeting at the Emanuel Church parking lot at 10:30 a.m. sharp.

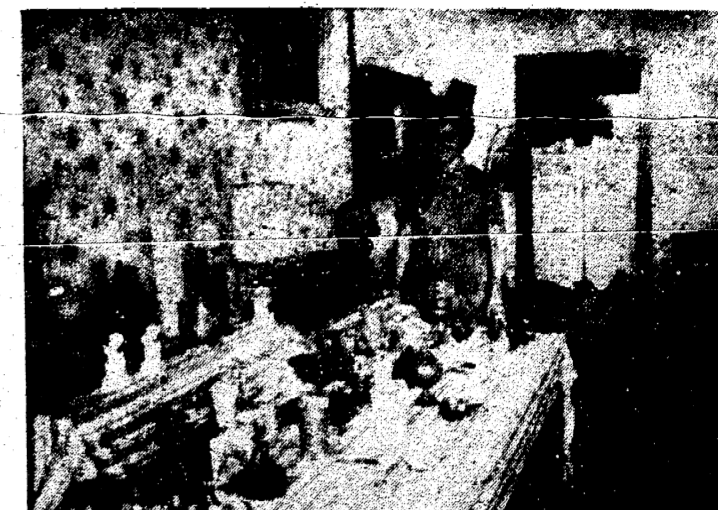

A trip through Jiffy-Mix at Chelsea will be the club's itinerary, with luncheon later at 1:00 p.m. at Schumm's.

### DR. J. V. FISHER SPEAKER FOR CHELSEA UNITED METHODIST HOME VOLUNTEERS

Dr. J. V. Fisher will be the speaker at the Fall Volunteers program to be held at the Chelsea United Methodist Home Chapel on Oct. 8 at 1:30 p.m. His topic will be "Understanding the Older Adult". All women in this area are invited to the meeting and to take part in the volunteer program which will be explained by Rev. Richard Clemans.

### RIVER RAISIN FARM BUREAU

The River Raisin Farm Bureau will meet Wed., Oct. 14 at 8:00 p.m. at the Sharon Town Hall, Mr. and Mrs. Ed Schuman will be hosts.

### ANTIQUY STORE RE-OPENED

by Carolyn Ahrens

Antiques are as much a part of Manchester as the large spacious homes which house them. Family heirlooms, perhaps of no dollar value except to the family who owns them, items purchased in any of the numerous antique shops in the area simply because they blend in the decor of the home or possessions packed away because they were great-grandmother's are all a part of Manchester.

Recently an antique shop was re-opened on Main Street for those from the area and many from some distance away to browse or buy anything from a very old priceless antique to an assortment of modern ceramic pieces. Mrs. Kenneth (Jane) Clark of Pleasant Lake Road is now

managing the Cracker Barrel and will be open daily from 1 p.m. to 5:30, Wednesday from 1 to 9 p.m., Saturday from 9 a.m. to 5:30 and will be closed on Tuesday.

Customers will find the back of the store filled with everything from old dressers, mirrors, crocks, rocking chairs, lanterns and Civil War relics to scented candles and soap, stick candy and feather flowers in the front of the store. Mrs. Clark also has plans for a "barber pole gift shop" with special Christmas items in the near future.

Need an unusual ceramic gift, a miniature lantern lamp or Carolina soap or perhaps a gift for an antique buff then Mrs. Clark invites you to browse or buy at the Manchester Cracker Barrel. You're bound to find something for that special person.

**A THANK YOU TO THE COMMUNITY**

We want to thank each of you for your open hearts and helping hand in a time of need; David's friends, the merchants who donated prizes and helped in any way to support the dance for David, the members of the K of C, committee members Lauren Huber, Charles Dettling, Mr. & Mrs. Robert Padley and Larry Kirk, Iron Creek Farm Bureau for the lunch, Sportsman Club for donation of the hall and any other individuals who helped in any small way. We appreciate your help and concern. God Bless You.

James Heslip and Family

Many thanks to all the people of Manchester and surrounding area for the support we had in making the David Heslip Benefit Dance a huge success.

Special thanks to the Manchester merchants and all who helped sell tickets, to Wilma Lentz and Joyce Stein for decorating the hall, the Iron Creek Farm Bureau for the lunch, the Manchester Sportsman Club for the use of the hall and everyone else who helped in anyway.

The Committee

**HELPING HANDS PROJECT UNDERWAY**

The HELPING HANDS project is well underway. It has been heartily approved by the school principals, Mr. Chester Koceski, Mr. Theodore Tapping and Mrs. Birdella Flood, the Mayor, Mr. David Little and the Town Council, Mr. Luther Klager and the Board of Education, the Superintendent, Mr. Robert Swartz, the Police Chief, Mr. Larry Becktel, the Pleasant Lake PTO and the Manchester PTO.

The project will be explained in the schools the week of Oct. 19-23. The children will be drawing hands and cutting them out and putting the signs together. These will then be distributed to the volunteer homes. If you did not receive an application form in the school newsletter, and you still would like to be a volunteer, there will be more applications forms available at the Union Savings Bank and the Enterprise Office.

The HELPING HAND sign is a symbol of help all over the country. If a child is hurt, sick, or molested, he may receive aid at a home displaying a HELPING HAND sign. The volunteer will notify the

parents and the proper authorities and the situation will be taken care of. Complete files will be kept by the Auxiliary whenever the Hand is used. We hope this will help make Manchester a safe place for all children.

**LOCAL HOLSTEIN EXCELS IN FOOD PRODUCTION**

Whippoorwill Chip Bell 7203273, a two-

year old Registered Holstein in the herd tested for George Macomber & Sons, Manchester, has produced a noteworthy record of 15,280 lbs. of milk and 565 lbs. of butterfat in 305 days.

The information is made available through the cooperative efforts of the state and local testing associations and Holstein-Friesian Association of America. Dairyman enrolled in the program pay for the service.

**REGISTRATION NOTICE**

**FOR GENERAL ELECTION TUESDAY, NOVEMBER 3, 1970**

To the Qualified Electors of the Township of **Manchester** (Precinct No. 1 & 2) COUNTY OF **WASHTENAW**, STATE OF MICHIGAN

Notice is hereby given that in conformity with the Michigan Election Law, the undersigned Clerk, will upon any day except Sunday and a legal holiday, the day of any regular or special election or primary election, receive by registration the names of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT THE FOLLOWING PLACES ON  
**Mon., Sept. 28 1970, at MARX & MARX STORE**  
**Tues., Sept. 29 1970, at MARX & MARX STORE**  
**Wed., Sept. 30 1970, at MARX & MARX STORE**  
**Thurs., Oct. 1 1970, at MARX & MARX STORE**

**Friday, October 2, 1970 -- Last Day**

From 8 o'clock a.m. until 8 o'clock p.m.  
**The Fifth Friday preceding said Election and on Saturday, September 26, 1970 — 8 a.m. to 5 p.m.**

As provided by Section 498, Act No. 116, Public Acts of 1954 As Amended.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said OWNERSHIP as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

**ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE**  
SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration by securing from the Clerk of the Township, City or Village in which he is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the face of the registration card and designate his title.

**UNREGISTERED PERSONS NOT ENTITLED TO VOTE**  
SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1954.)

**TRANSFER OF REGISTRATION, APPLICATION, TIME**  
SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved there, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made after the Fifth Friday next preceding any regular or special election or primary election, (unless such Fifth Friday shall fall on a legal holiday in which event registration transfers shall be accepted during the following day).

**TRANSFER OF REGISTRATION ON ELECTION DAY**  
SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village and has not recorded such removal with the local Clerk shall execute a transfer of registration request, listing the new residence address thereon over his signature, with the election board in the precinct in which he is registered at the next ensuing primary or election. The inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and, if the signatures correspond, then the inspector shall certify such fact by affixing his initials upon said request. The applicant for transfer, after having signed an application to vote as provided in Section 523 of this act, shall then be permitted to vote in such precinct for that primary or election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any precinct in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Wanda C. May, Township Clerk

- None if called on or after May 1, 1995

Interest is payable May 1st and November 1st each year.

Citizens Commercial & Savings Bank, Flint, Michigan - Agent.

EDDIE SPOONER TO APPEAR IN ADRIAN FOR DISABLED AMERICAN VETERANS

by Carolyn Ahrens

"Ed Spooner, A Troubador in a New Age..." Detroit Free Press writer Chuck Thurston wrote in an article describing the exciting new talent of a 22-year-old singer from Jackson, Michigan.

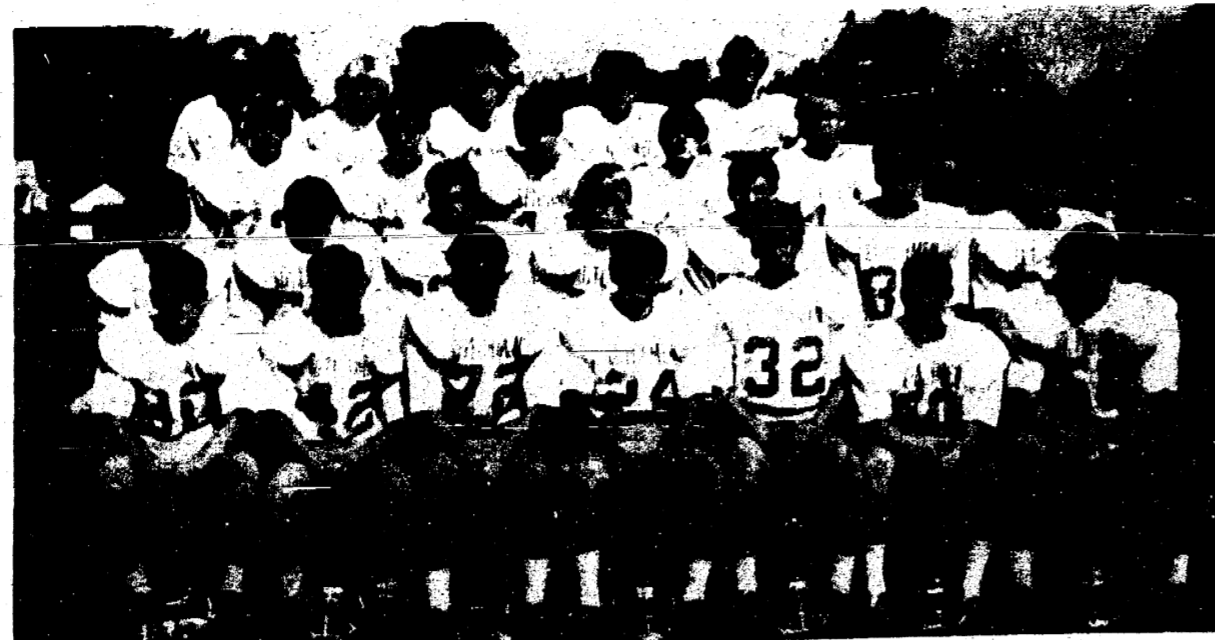

A talented singer with a rich baritone voice, Eddie Spooner also plays a 12-string guitar and recently introduced two of his own compositions at the Republican State Convention at Cobo Hall.

Eddie Spooner has crisscrossed the country from New York to California, Florida to Alaska and is presently at the Terrace Room of the Grand Hotel on Mackinaw Island where he has performed repeatedly.

For those in Washtenaw County, they can hear the newest recordings of Eddie Spooner firsthand on Ann Arbor radio station WFAG. "We'll be playing them on all our music shows," WFAG Tom Gray and Bob Barnett said.

Spooner previously appeared on the Jackson State and Jesse James and his band recordings "Run For Your Brother" and "Never Look Twice" were also among his last U.S. recordings.

There is no question whether or not the U.S. can afford the cost of the war, but when it comes to the cost of the war, it is not as much as it is being made to be.

AGRICULTURE IN ACTION

Michigan's first 200 week news column and 55 cent Oct 4-12 will be the National Newspaper Week.

papers - 200 Years of Freedom - 1770's to 1970's." So, it is appropriate that agriculture salute these vanguards of freedom in joining with congratulations to the more than 10,000 nationwide newspapers.

Michigan Farm Bureau members of 58,000 families have established in their organization policy book this recognition: "We are grateful to Michigan news media for their continued support, understanding and recognition of agriculture.

"We are aware of continued attempts to expand government 'guidance' within the news media industries, and compare these attempts with similar interference by government within the agricultural industry.

"In both cases, we believe the least amount of governmental intervention is best.

"Farmers oppose further government control of the news media industry just as we oppose further supply-management schemes for agriculture. However, we note that in both cases the best defense for such attacks is the acceptance of self-responsibility and self-discipline.

"The future prosperity for farmers, we believe, depends strongly upon our success in working together to develop farm programs and facilities through which we can coordinate production with demand, rather than allow this privilege to pass to government.

"In similar fashion, we believe the news media must work together to maintain accurate reporting and quality business standards, and the acceptance of public interest responsibility - both for the sound growth of their own industry and as the best assurance that they will be allowed to continue to cooperate with minimum government interference in the future."

CAST YOUR BALLOT

The age of protest says if you don't like the system change it, because that's the democratic way. But the trouble begins with changes that are not worthwhile.

VILLAGE OF MANCHESTER Washtenaw County, Michigan COUNCIL RESOLUTION TO VACATE STREET

WHEREAS, the Village Council of the Village of Manchester, Washtenaw County, Michigan has determined that the unnamed alley or street lying between blocks 15 and 16 original or old plat of the Village of Manchester should be vacated, discontinued and abolished, and

WHEREAS, said street has never been used by the public or opened as a public thoroughfare, and

WHEREAS, said Village is the owner of Lots 11 and 12 in said Block 16. NOW, THEREFORE, BE IT RESOLVED, that the Village of Manchester Council deem it advisable to vacate, discontinue and abolish all that part of the unnamed street or alley lying between blocks 15 and 16 original or old plat of the said Village of Manchester.

And the Village Council does hereby declare its intention to vacate, discontinue and abolish said unnamed street or alley on November 2, 1970 and any objections to the same shall be filed in writing with Mary Wheeler, Clerk of said Village on or before 8 p.m. of said day.

This resolution shall be published for four consecutive weeks prior to said date in the Manchester Enterprise a newspaper published and circulated in said Village.

Unanimously adopted at a Regular meeting of the Village Council of Manchester, Michigan, on September 21, 1970.

# CORNER COACHES

Last Friday's 36-0 win over Addison was delayed 15 minutes due to a flat tire on the team bus. Our bus was broken down in the last mile and after several hurried calls it was apparent that a long wait was due. But an Onsted coach came along and called his school, which hurried to our rescue with a bus and took us to Addison. Thank you Onsted High School.

Phil Nickerson gained 101 yards rushing 20 yards passing and did not score a T.D. Dave Bucholtz's hero accounted for 34 of our 36 points.

This week the Dutch take on the Onsted Wildcats at Onsted. The Wildcats are 0-1-1 for the season with a 12-12 tie last week against Grass Lake and losing 35-0 against Columbia Central in its opening game.

### BOOSTERS DRIVE IS ON

The Manchester Athletic Boosters Club, with its Pres. Keith Reed, Vice Pres. Ron Panches, and Sec.-Treas. Chuck Steele, along with its members would like to make this club number one in the area.

The only way to do that is to have lots of members and workers. "We, Boosters can make a lot of big towns look at us." For one of the finest athletic programs around anyone who wants to join this club can buy their membership card at Keith's Barber Shop.

Keith said he would like to have his place the busiest place in town. Just to take on new members for the Boosters. A list of some of the things the Boosters have done will be in next week's paper. Wouldn't you like to be on this team. Join tomorrow! We want to be No. 1.

### LEFTY'S LONG LYRICAL LOOK AT SPORTS

#### BUCHOLTZ STARS IN DUTCHMEN VICTORY 36-0

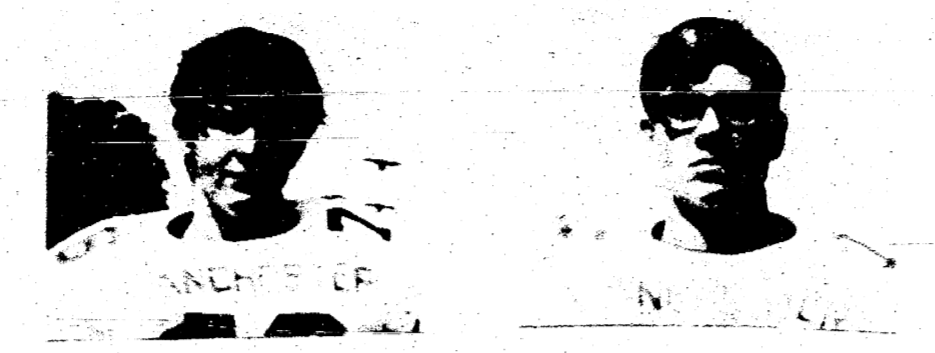

Dave Bucholtz, one of the most talented Dutchmen shows Addison how it is done. Bucholtz ran for three T.D.s on runs of 13, 10, and 25 yards and also completed two 5 yard passes to Dave Topping and Mark Roberts for touchdowns. Dave also ran for a pair of conversions. The Dutchmen had a total of 312 yds. and 15 first downs. Mark Roberts also intercepted two passes. Phil Nickerson ran for 117 yards for the Dutch. Mark Lantz scored on one conversion. The Dutch defense held Addison to 39 yards all on the ground and two first downs both by way of penalties.

The Dutch defense has not allowed a point in two games that surely deserves a little mention. Keep up the good work Dutch!

Coaches pick of the week - Mark Roberts.

The Dutch will go to Onsted this Friday, with one thing in mind "VICTORY!" If you can't make it to the game, see us report every week.

Tim Spiess is Lineman of the Week. Dave Bucholtz is Back of the Week.

### COUNCIL MINUTES September 8, 1970

Council met in regular session with the meeting called to order by Pres. Little at 7:15. An invocation was given by Rev. Reineck. Trustees present were Scully, Reinhart, Curley, Fitzgerald and Mahony; absent Watson. The minutes of the Aug. 17, 1970 meeting were read. Fitzgerald moved and Curley seconded that the minutes be approved as read. All yeas, carried.

Police Chief Beards gave his monthly report. A motion was entered by Curley and seconded by Reinhart to accept the report. All yeas, carried. The four-way flashing red light again was discussed. Fire Chief Kersler asked that consideration of the light be dropped for the present time.

Mahony informed the council that the June statements had been delayed because of incorrect data given the computer.

Reinhart told the council that the DPW is waiting to put OP-1 down until the drive is over. The road had to be moved over about 6' in conjunction with the Duncan St. bridge. Duncan and Division are ready for blacktop and curb and gutter as soon as the strike is over. The fence was to be removed on the north property between the county and village so the gravel can be removed soon. The new pump for the treatment plant is here and is to be put in this week. There has been a request for 2 larger lights in the alley by Rumlair's and Morgan Kern's. The cost of new street lights was questioned. Reinhart will find out actual cost. The new county landfill inspector wants a new layout. The lift station is all back together. Reinhart was delegated to work out a program to rewire lift station so it works in sequence as is supposed to. The new truck is here. Two purchase orders must be made out to TIRB Chevrolet. Bell Telephone has a new proposal to work on the East side of the street rather than the west side. This was to be approved subject to the conditions that no trees be removed and that sidewalks be replaced. Reinhart moved and Curley seconded that the council give their approval to this proposal. All yeas, carried. Mahony moved and Scully seconded that Reinhart's report be accepted. All yeas, carried.

Fitzgerald reported on permits issued. Chester Kocinski, Bob Lowery, contractor, remodel porch area \$250.00; Robert Page, Bridgewater Lumber Co. 24 x 24 garage \$2,476.00; Richard Knouese, Bridgewater Lumber Co. removal house; \$10,000. Electrical permits: Manchester Plastics L. V. Kirk; Bell Telephone L. V. Kirk; Amanda Schable; Richard Burke, electrician; Mrs. Anna Thomsly.

There was a discussion about the Gulf Oil Co. lease being at our attorney's office. It was felt that the original should be filed with the village and a copy of it with our attorney. There was no information from our attorney in regard to McPherson Oil Co. It was suggested that Dave Little contact our attorney again to have McPherson either repair or tear down the tanks. They must comply with the ordinance. A permit form and check were received from Turner Electric for work done on the school. The check was to be returned via Supt. Swartz. Curley moved and Scully seconded that Fitzgerald's report be accepted. All yeas, carried.

Curley reported on the suggested program for ball diamond development. 1. On the map from Mr. Klager for the new ball diamond it is indicated that a 40' strip south of the road would be required from Ed Kirk to make the size regulation. It was proposed that the property be leased with first option to buy if the plot was sold. Kirk is willing to lease it for \$1 a year. 2. The group proposed to trade a lot on Clinton with a lot on Adrian - number 66 for number 1. 3. Chicken Broil will pick up the legal fees. 4. The village must take steps to close the street.

Mahony moved and Fitzgerald seconded that the council approve the projected plan. All yeas carried. Curley resolved that we vacate the 33' roadway southerly and adjacent to the village property between Clinton and Adrian Streets known as the Old Plat bordering lots 11, 12, 1 & 2, the north boundary of said roadway being 396' southerly of Duncan Street.

The resolution was supported by Reinhart. All yeas, carried. Objections to such proposed action of the council will be heard on Oct. 19, 1970 at 8:00 p.m. after having been filed with the clerk in writing previous to that time.

Dave Little reported that Lefty Ross inquired about the availability of funds from the recreation fund for a hockey rink on the tennis courts. Ted Curley was to approach the recreation department.

Dave Little suggested that a great amount of funding is available from the

Federal Government on DPW projects. For future budgets this should be considered. A letter was read from Richard C. Masten about the improvement of M-52.

A letter was read from the Manchester Jaycee Auxiliary concerning the council's approval of their proposed "Helping Hands Project." Scully moved and Reinhart seconded that the council extend its approval to this project. All yeas, carried.

Mahony reported that Mr. Krauss and Mr. Fisher on the day after the fireworks brought in fireworks that had come down in their yards. It was felt that there should be a certain amount of area designated in separating the place of detonation from homes. It was moved by Scully and supported by Mahony that Dave Little write a letter to the Fair Board advising them of the situation. All yeas, carried.

A list of vouchers was presented for payment. Mahony moved and Scully supported the motion that vouchers 1200-1260 be paid, voiding 1257 and returning the invoice to Roesch and Delhey. All yeas, carried.

102nd Year No. 51

October 8, 1970

### MR. LEESON RESIGNED SCHOOL BOARD POST

Laurin F. Leeson, a member of the Manchester Board of Education for twenty-three years, resigned from that body on September 21, 1970 to accept a position on the high school faculty in the Industrial Arts Department. No stranger to the teaching profession, Mr. Leeson taught one year in North Carolina and spent eleven years in the Dearborn Public Schools. Prior to his acceptance of the teaching position Mr. Leeson was in charge of the drafting department at Double A Products in Manchester.

During Mr. Leeson's tenure on the Manchester Board of Education he served three years as treasurer and twenty years as secretary of the Board of Education. In that period of time Mr. Leeson attended 596 regular and special meetings and recorded the minutes the 528 meetings. His carefully recorded minutes of the many board meetings are a work of art and the Manchester Public Schools can well be proud of this man's outstanding work and dedication. While the Board of Education was most reluctant to accept Mr. Leeson's resignation, they were extremely happy that his services and dedication would not be lost to the school district.

In the twenty-three years that Mr. Leeson served on the Board of Education he was involved in a district consolidation, and the following building programs: The original Nellie Ackerson Elementary Building; the Nellie Ackerson Addition, the original High School; the high school addition, the special education addition to the Pleasant Lake Building, the Luther C. Klager Elementary Building and the Middle School Remodeling Project.

Mr. Leeson's last official act with the Board of Education was to sign the bonds on the Intermediate Building Remodeling Project. The Board of Education appointed Mr. Carl Pedersen, Board Trustee, to the position of Secretary. At a later date the board will appoint a school district resident to the vacancy that now exists on the Board of Education.

### UNITED FUND DRIVE IN FULL SWING

Eighty volunteers for the 1970 United Community Fund and Red Cross Drive met at the Methodist Fellowship Hall for the official Kick-Off Wednesday night. Ted Stautz, campaign chairman, for the \$16,222 fund welcomed the campaign personnel and guests. "Helping is Happiness", the chairman pointed out, when the essential health, leisure time, character building, family and children's services are used by the people who live in the Manchester area as well as our share of the national emergencies and research.

The Reverend Father Raymond Schlinkert gave the inspiring keynote message for the drive. The main portion of the evening was spent in going over the kit material with each solicitor and hearing the reports of the Divisions already in progress.

The honor roll of volunteers this week includes Mrs. Erwin Huber whose name was missing from the Business Division team last week and the Rural and Village household solicitors.

Mrs. Lynn Voegeding announces her rural teams by the township in which they work: Manchester Township - Mrs. Ambrose Lentz, captain, Mrs. Otto Kulenkamp, Mrs. Clark Norgaard, Mrs. William Walkowe, Mrs. William Brady, Mrs. Harold Sutton, Mrs. Lynn Carpenter, Mrs. Grant Smith, Mrs. Erwin Paul and Mrs. Russell Braun.

Sharon Township - Mrs. Norman Bucholtz, captain, Mrs. Earl Daisher, Mrs. Michael Rosettie, Mrs. David Hocht, Mrs. Floyd Proctor, Mrs. Gerald Jacob, Mrs. Larry Kouba, Mrs. Ruth Sord and Mrs. Glen Feldkamp.

Freedom Township - Mrs. Robert

Little, captain, Mrs. Neil Stierle, Mrs. Leon Trinkle, Mrs. Eugene Galinis, Mrs. Patrick Handy, Mrs. Thomas Pyle, Mrs. Louis Spiese, Mrs. Harold Dresselhouse, Mrs. Gary Zsuncke, Mrs. Titus Schneider, Mrs. Joseph Moore, Mrs. Dale Weidmayer, Mrs. Lynn Wright, Mrs. William Haeussler and Mrs. Duane Kuebler.

### LANDMARK WILL SOON BE GONE

by Carolyn Ahrens

"The old landmark hill on Ann Arbor Hill will soon be gone," District Foreman of Manchester Yard 4 George Goodell said upon final plans to use the gravel in the hill that once supported the old Manchester Village water tower. "Within an estimated five years we will very probably have drawn 40,000 to 60,000 yards of gravel from that hill depending on how we use it and the needs of the county per year."

Goodell went on to explain that the decision to use the gravel was made recently in an agreement between the Village of Manchester and the Washtenaw County Road Commission who is paying for the digging, processing and piling of

Team B - Mrs. James Kenster, captain, Mrs. Claude Gage, Mrs. Gale Koebbe, Mrs. Paul Kemmer, Mrs. Paul Wilde and Mrs. George Wacker.

Team C - Mrs. Lauren Huber, captain, Mrs. Keith Reed, Mrs. Jerry Waters, Mrs. Carol Fransted, Mrs. Robert Padley and Mrs. Louise Huber.

Team D - Mrs. Duane Beuerle, captain, Mrs. Richard Rigney, Mrs. Cecil Arnold and Mrs. John Bunnay, Mrs. Cecil Arnold and

### RESPONSE POOR ON HELPING HANDS PROJECT

The response to the Helping Hands Project of the Manchester Jaycee Auxiliary has been poor for all the support the group felt they had before beginning the project. They need more volunteer homes!!!!

The applications to become a Helping Hands holder will now be sent home with the school children in a final attempt to get more volunteers. The Pleasant Lake area is also included and volunteers are needed here also.

There is not much responsibility involved. The rules are listed below. Fill out a form today and return it to the school and help the children in your neighborhood.

1. Do not administer first aid
2. Do not give food or beverage (child may be allergic or diabetic).
3. Do not transport the child in your car.
4. Call the police immediately in any case, no matter how minor, involving a crime of an adult against a child or a malicious act of one child against another.
5. If you suspect the presence of a molester, call the police immediately.
6. When calling the police, be sure to write down the name and rank of the officer to whom you have spoken. Include time and date.
7. Post cards with an informational form on the back will be left in the home to be filled in and mailed to us whenever the hand is used.

8. HELPING HAND signs are not to be transferred to another person or another home. When and if you no longer wish to participate in the program, contact one of the numbers listed below. We have recommended replacement homes.

9. You are not expected to break up fights or give medical attention, etc., only to bring the situation to the attention of the proper authorities and the parents.

10. Children are not to use volunteer homes merely as toilet facilities.

11. When a HELPING HAND Parent is going to be out of their home for a short period of time or on vacation the sign should be removed from the window until their return.

Karen Ahern - 1-467-2837

gravel. "We are buying the gravel from Manchester but are repaying them in the form of finished gravel," a spokesman said. Manchester will get a percentage of gravel per year and Washtenaw County another percentage.

He further explained that the four townships in the county who will benefit from this gravel in addition to Manchester will be Saline, Bridgewater, Freedom and Sharon "and it's not much gravel when it's spread all over five townships," he added, "especially when we only figure on using 10,000 to 15,000 yards per year. But we work on a budget too and it's expensive to operate the equipment, payroll, etc." Yard 4 has nine men working full-time under Goodell and their equipment includes nine trucks, one grader and 3 hydros (scrappers). "We cover a lot of territory and especially in the winter we can only do so much. This gravel will be a definite asset to the community." The old fence divided the village property from the county-owned property and Goodell pointed out that the village purchased a 200-foot rightaway to the new pumping station.

Yard 4 was established over 20 years ago and the 100' x 50' garage was "one of Allen Schaffer's first projects," Goodell pointed out. Goodell, who has been at that location 19 years said, "I'm told they had a real old-fashioned German sauerkraut supper after the building was completed and ever since this place has been known as Sauerkraut Junction. They even put up a wooden sign to prove it."

Research brought about additional information about the original water tower. Clayton Parr recalls that "the summer I graduated from high school they were digging trenches for the water pipes." Mr. Parr graduated in 1909 and Frank Lowery said that the work was not completed until 1912. The tower was built by John J. Crowley Boiler Works from Jackson, the old metal pipe states. George Champagne was the Civil Engineer and L. R. Hatch, Superintendent. Village Council members were Lewis Lohier, village president, W. J. Hoffer, Clerk, Charles E. Seckinger, Treasurer and Trustees Howard Clark, B. C. Tracy, Henry L. Renau, W. A. Klopfenstein, Henry Landwehr and Lewis Kuebler. Mr. Parr remembers several area boys who got jobs digging the ditches with shovels for 15 cents per hour "and they were in clover on payday." Leroy Marx recalls the bond issue to pay for the tower was voted on in 1912.

But the old water tower out-lived its usefulness and in 1939 the present 300,000 water tower was completed. Now, as a stately gentleman pointed out, "We can put the hill to good use for the people in Manchester Township."
