MARX and MARX MANCHESTER, MICHIGAN

Some handy information about new phone rates within Michigan.

They're simpler. With the chart below, for instance, you can figure out what it will cost to call any number in the state. Any number outside of your local calling area. Four things determine what you pay: How far you call within Michigan. How long you talk. Whether an operator calls the number or you dial in yourself. The time and day.

Long Distance rates within Michigan

Table with columns: How long a distance, Basic rate per minute, Discount rate per minute. Rows for 0-20, 21-25, 26-30, 31-50, 51-100, 101-200, Over 200 miles.

- 1. Includes the following types of operator-handled calls... 2. Areas of Michigan without dial direct service... 3. If you dial direct between 7 AM-7 PM... 4. If you dial direct between 7 PM-11 PM...

For intrastate calls around Detroit, Pontiac, and Grand Rapids.

Table with columns: How long a distance, Basic rate per minute, Discount rate per minute. Rows for 0-20, Over 20 miles.

- 1. Person-to-person calls. There is a 50¢ operator service charge in addition to basic rates.

### WHO, WHAT, WHEN, WHERE & WHY

### "VOICES FROM HOME"

Service men's families are invited to make a 15 minute tape recorded message at the American Red Cross Center in Ann Arbor between December 7 and 15 for their servicemen or women at bases in this country or overseas. The tapes are "left" at the Center and sent out at no cost to the families.

Further information may be had and an appointment time for recording the tape can be made by calling 971-5300.

The "Voices from Home" project was started eight years ago by Washburn County Chapter of the Red Cross and many servicemen from this area have enjoyed the Christmas programs and messages from their families. If you wish to call "local" about the project contact Mrs. D. J. Ludwick at 426-2471.

The family is advised to prepare notes on what they wish to record, areas of time. Some families read messages of letters and other greetings and often when there are small children they recite something learned in school or church. Many families accustomed to singing in the home sing Christmas carols for the recording.

Instructions are given by a Red Cross volunteer on the use of the tape recorder. The taped messages are then sent in private so that families need feel no embarrassment over the personal nature of their messages.

Recordings are completely prepared for mailing while the family is present and a card is enclosed for the serviceman to give his reason to the collector.

Make your appointment early and be

### OPEN BLOOD CLINIC DEC. 6 IN ANN ARBOR

Blood is greatly needed by all hospitals during the winter months when donations are apt to be low. The next Bloodmobile in Manchester is Jan. 14. Anyone able to give at that time is urged to mark the date on his calendar now.

If one is not going to be available to give blood January 14 in Manchester, please attend the Michigan Bell employees Open Clinic at the Red Cross Center in Ann Arbor, December 8, next Tuesday. Make an appointment as soon as possible by calling 971-5300.

The hours of the clinics are 10 a.m. to 4 p.m. You may donate for your Manchester Blood Club if it is in need or to an individual's account at a hospital. Anyone living outside the Manchester School

# MANCHESTER Chamber of Commerce Community Calendar

District and not covered by a Group Plan can establish his own Family Plan by contributing at least one pint of blood per year. A person in good health can donate four or five times a year.

**WOODS AND WATER**

Now that the 1970 firearm deer season is over and the hunters settle down to reminisce or talk about next year, little do they realize that they will miss a heck of a lot of outdoor fun, if they choose to sit in their easy chair getting eye strain in

front of the boob-tube. When the deer season closed for the redcoats, the bow hunters still have the entire month of December to chase the whitetails. Grouse season is open in the entire lower peninsula until Dec. 31. Cottontail bunny season has been open since Oct. and will

Page five

**WOODS AND WATER**  
created by Lucky DeVant

remain open until March 1. The bushy tail fox, the coyote and the coon, favorites of the hunters, are all ready to be chased during December. So even though you may put up your high-powered rifle, bring out the shotgun, 22 or 30.06 and continue to enjoy hunting for the next month or so.

It seems a party of hunters traveled to Grayling for opening day of the whitetail. While they were skillfully scanning the North woods to no avail, a local hunter, Clark Arnold, bagged a beauty just behind "Chink" Roller's house. Nine points and it seems Chink didn't see a deer. Another similar episode happened to Ted Stautz. Although Ted's party saw deer they only "got back", but he took his son Larry hunting the following Saturday and it took Larry about 45 minutes to bag a nice 8 point buck. Many nice deer have been taken locally, but to an old time deer hunter you just have to make that trip North.

With a few hints of snow here in the past two weeks the snowmobilers are anxious to run their machines. While the season for snowmobiling will soon be in

full swing, we would like to remind you that it is against the law to chase any Michigan wildlife with a motor-driven vehicle. While snowmobilers have become a great past-time and lots of fun, chasing wildlife with machines is neither sporting or humane. Persons arrested for harassing wildlife with their snowmobiles face a maximum fine of \$100.00 and 90 days in jail. Have fun with your machine but be a good sport. From time to time in the next few months we will bring you tips and information pertaining to snowmobiles. As a reminder, keep Sunday, January 3 open and join the Manchester Jaycees who will present their 3rd Annual Snowmobile Race.

What happens if you hit a deer with your car? Aside from running up a fast repair bill to take out the king-sized dents, you have just "won" a free supply of venison. Next week we will tell you the procedure you are to follow from the Michigan Dept. of Natural Resources.

Make it a Merry Christmas for Dad by checking your local ads for gift ideas for the hunter, fisherman or camper. Tell them you read it in Woods and Water.

# COACHES CORNER

Coming back to win from 13 points behind in the third quarter was the largest score the Dutch have overcome since I've been here.

The league basketball coaches have voted Hudson and Addison the pre-season favorites to win the LCAA basketball championships.

Heard after the game Saturday night, "O.K. Poppink, now what are you going to do for an encore?"

According to pre-season rosters, every team we play this season will have a height advantage over us with the possible exception of Clinton and Morenci.

The Freshmen basketball team under J. Korican open their season this Thursday at 5 p.m. at Clinton.

### WRESTLING A FAMILY AFFAIR

There is a family affair on the wrestling team this year with five sets of brothers: John and Dave Roberts, John and Roy Weidmayer, Dave and Harry Krauss, Ross and Hugh Haeussler, Dave and Chuck Benedict and Gary Benedict, as manager.

### WRESTLING OPENS THURSDAY AT CLINTON FOR THE DUTCH

Manchester wrestling team begins its fourth year under Coach Ted Gulliver, with a squad of thirty boys. Bernard Roulo and David Roberts are the co-captains for this year's team and have returning lettermen to work with.

This year's team will lack experience with a possibility of four freshmen on the starting line-up. The probable starting team for Thursday's match with arch rival Clinton will be Steve Gross 98 lbs., John Roberts 105, Bob Preston 112, Jim Miller 119, David Roberts 126, Harry Krauss 132, Gene Kemeter 138, Bernard Roulo 145, John Weidmayer 155, Chuck Benedict 167, Ken Tindall 185, and Hugh Haeussler heavyweight.

Coach Gulliver showing one of the boys a few holds in wrestling.

Who says you have to be big to wrestle? Just look at 5'2" 98 lbs. Steve Gross. He told big Hugh Haeussler 6'7" 270 lbs. Go ahead and rest, I can hold you. Both of these boys will be wrestling this Thursday night at Clinton starting time 7:00 p.m. Exhibition matches before Varsity meet.

The Dutchmen wrestling coach Ted Gulliver and co-captains Dave Roberts and Bernard Roulo.

### FALL SPORTS BANQUET

The Fall Sports Banquet will be held on Saturday, Dec. 5 at 7:00 p.m. at the high school study auditorium.

The Athletic Boosters Club is sponsoring the planned potluck Fall Banquet honoring the football players, cross country runners, cheerleaders, managers and coaches.

Chuck Steele will act as master of ceremonies. Marley Fraser, Director of Athletics and Chairman of the Physical Education Department at Albion College will be the main speaker. The coaches will introduce the athletes and present special awards.

The Jaycee Auxiliary with Karen Ahern acting as Chairman are making preparations for the banquet.

### LEFTY'S LONG LYRICAL LOOK AT SPORTS

### DUTCHMEN OPEN BASKETBALL SEASON WITH A BANG 70-64

The Dutchmen opened the season with a victory over Saline last Saturday here. The Dutchmen at one time in the game were 17 points behind. The Dutch caught fire in the final period when Jim Roberts and Don Tapping came into the game.

I don't know what Coach Poppink did, but Saline saw their lead fade away mighty fast.

Leonard Minor was high for the Dutch with 17 points. Mark Roberts and Dave Tapping each scored 13 points. Dave also had 13 rebounds. Don Tapping tossed in 9 of his 11 points in the final period.

The Dutchmen will host Clinton here Friday night. Don't miss it. The coach may have another surprise for us.

### JVS LOSE TO SALINE 73-56

The J. V.s just could not stay with Saline Saturday night and suffered their first defeat. Brad Roberts was top JV with 17 points. Tom Popkey finished with 13 points. Rich Kennedy had 12 points and Tom Bruestle scored 10 points.

The J. V.s play Clinton here Friday starting at 6:30 p.m.

## Notice of Restrictions in the Sale of Natural Gas by Consumers Power Company

The Michigan Public Service Commission, because of a shortage in natural gas supply and to protect service to existing customers, has authorized Consumers Power Company to impose certain restrictions on the sale of natural gas to existing and prospective customers, and has directed the Company to publish the essential portions of the Commission's order. These are:

- All commitments and applications for future residential service, including apartments and mobile homes, existing on the date of the Commission's order (November 9, 1970) are voided.
- No new commercial or industrial customers shall be added to the Consumers Power Company system. However, commitments already made to existing commercial and industrial customers will continue to be honored. The base period to measure commercial and industrial loads shall be the 12 months ended June 30, 1970, or the amount of the commitment if a new customer.
- No new residential customers or additional residential space heating loads, including apartments and mobile homes, shall be added to the Company's system, except as follows:
  - Persons who had installed gas space heating equipment or were in the process of installing gas space heating equipment on October 1, 1970, shall be given first priority on remaining gas supplies, provided that such persons otherwise qualify for gas service in accordance with the Company's standard rules and regulations. The right to obtain gas service in accordance with this provision shall cease unless Consumers Power Company is notified in writing of a desire for gas service prior to December 15, 1970.
  - All other persons desiring residential gas service, including service to existing residential units, and

new construction, must make application in writing to the Company for such service.

C. Applications for existing residential units may be made at any time. Applications for new residential construction shall be made after the footings and foundation walls are completed at the location desiring gas service or, in the case of mobile homes, after the concrete slab is poured.

D. Consumers Power Company, as soon as practicable, will verify by field inspection that the residential units are in existence and that the required construction is completed, and upon such verification will issue a dated commitment. Thereafter, the Company is directed to make a second field inspection in not less than 80 nor more than 100 days. If construction has not proceeded to completion of the framing and roofing of the structure the Company will advise the applicant that he has 30 days in which to carry construction to that stage of completion, or the permit will be irrevocably canceled. In any case, gas service must commence within 12 months of the original date of issuance, or the commitment will be voided. Dated commitments are applicable only to the locations specified, and may not be transferred to any other site.

E. Owners of buildings now receiving gas service in a building which is torn down because of public improvements, may transfer such gas service for the same uses to another location owned by such person, provided the transfer is completed within 12 months after discontinuance of service at the original location.

F. The procedures set forth in paragraph 3 hereof shall be followed by the Company until such time as its total confirmed, estimated connected annual requirements are approximately 370 billion cubic feet.

104th Year No. 8

December 10, 1970

The Gambles store has followed the Turn of the Century Theme with a new sign. Future plans under consideration will further carry out the village theme.

**GAMBLES MANAGED BY GILLS SINCE 1964**

by Carolyn Ahrens

Gambles on Main Street has been managed since October, 1964 by Donna and Irv Gill. Buying into the business with silent partner "Chink" Roller, the Gills have added many new and modern-day features for home, farm and personal use over the past six years. Gambles carries a wide selection of hardware, custom paint with over 2,000 colors available "and even some in between" and mixed special paint colors for several of the newly decorated Main Street store-fronts. They carry a wide variety of sporting equipment plus hunting and fishing licenses, kitchen and household items, bicycles and wagons for the junior members of the family, and in the basement a large selection of furniture and wallpaper. "And," Donna Gill added, "if we haven't got it, we can order it." A recent addition is the car and home 8-track stereo tape center.

Although he is not actually selling TV sets any longer, Irv Gill still maintains the sets he sold from his one-time radio and TV center, located at the back of the Gambles store. Gill, operating his business from his home since 1968, to the present jewelry store location in the fall of 1962 and two years later to the present location, also carries component parts for the do-it-yourself stereo and TV set builders.

In addition to the Gambles store and TV repair center, the Gills own and

operate the Kopper Kettle. Open since July, 1968, the Kettle is open daily from 5:30 a.m. to 8 p.m., six days a week and currently features a salad table with all dinners served Wednesday night.

Irv and Donna have a 12-year-old daughter Kim and are members of St. Mary's. Donna is Vice-president of the Chamber of Commerce, a member of the B.P.W. and manages the Kopper Kettle. Irv is a member of the Optimist Club, the American Legion, Sportsman Club, and is employed at Double A Products.

**90 FT. PINE DECORATED FOR CHRISTMAS**

by Carolyn Ahrens

An obvious and much appreciated addition to the Main Street Christmas decorations this year is the decorated 90-foot pine tree along the riverbank and bridge. Donations from many area merchants made the several 100-foot string plastic lantern-type decorations possible. Those donating toward this community project, "and hopefully to help didn't miss anyone who wanted to help on this," a member of the committee said, are Fred & Ellen's Restaurant, Krauss Rexall Pharmacy, Schaibles, Lannom's, Marx & Marx, Gambles, Union Savings Bank, Grossman-Huber, Sutton Agency, Inc., Tom Marshall, Walter Body Shop, Al's Custom Plumbing & Heating, IGA, Alber Standard Service, L. V. Kirk, Manchester Tool & Die, Rumlir & Shannon, Dorothy Mae Beauty Shop, Village Beauti-Land, Don Limpert, Spike's Mobil Service, Manchester Plastics, Inc., Brown's TV & Radio Sales & Service, Village Floors, Hendley & Kensler Atty's, Double A Products, Riverview Barber Shop, Widmayer Hardware, Tirb Chevrolet Co., Wurster Greenhouse, Jenter Funeral Home, Manchester Enterprise, Manchester Bakery & Delicatessen, Dr. Henry Eames, Dr. Glen Lehr and Roller Jewelry.

The wiring was done by L. V. Kirk and the Michigan Bell Co., Ann Arbor donated the labor and equipment to actually decorate the 90-foot tree. The three men from the telephone company who decorated the tree and who even managed to put lights near the 3-foot in diameter top were Gerry Marshall, Richard Adler and David Walton.

This was a community project a spokesman pointed out, and we hope to add to it next year. Our sincere thanks to everyone who donated toward the decorations, to Michigan Bell and to anyone who helped on this project, he added.

The lights are especially noticeable coming into town and to the delight of the children, "are really pretty on that great big tree," one 5-year-old commented.

Village Mayor Dave Little cutting the ribbon to open the new Duncan Street Bridge. Helping him is ex-mayors John Althouse, Gale Koebbe, assisted by Bruce Daniels, Superintendent of Public Works.

**POST OFFICE TO REMAIN OPEN**

The post office will be open on Sat. Dec. 12 & 19 all day due to Christmas rush.

**CLEAR SNOW FROM FRONT OF MAILBOXES**

Postmaster Marvin Kirk has asked that in bad weather the snow be kept clear from in front of mailboxes for ease in delivering the mail.

**PREPARATIONS UNDERWAY FOR 1970 MARCH OF DIMES**

Plans are now being formulated for the National Foundation's 1971 March of Dimes.

Wachtenaw County Campaign Chairman, Mrs. Lynn Lewis of Ann Arbor, has announced the appointment of Mrs. Ronald Gonyer, 212 Wolverine, Manchester as General Chairman of Manchester's 1971 March of Dimes.

Mrs. Mary Gonyer brings a wealth of valuable experience to her new volunteer post. She has for many years participated in the Mother's March effort for the March of Dimes, as a solicitor and for the past two years as chairman. Under her leadership the Mother's March has broken all previous fund-raising records. She presently serves as a member of the General Board of the Washtenaw County Chapter of the National Foundation.

In preparation for her new responsibilities, Mrs. Gonyer, together with nine representatives of other Washtenaw County communities, attended a Regional Convention and Workshop in Chicago last Oct. 19 and 20. Delegates to the workshop were briefed on the current aims and accomplishments of the National Foundation in its fight against birth defects.

Continuing the policy of recent years, Mrs. Gonyer states that no specific campaign goals have been set for the Village of Manchester. She sees her task as one of public education rather than fund-raising. Sighting her own personal experience as an example, she feels that once the public is made aware of the enormity of the problem of birth defects, and the many positive means with which the March of Dimes is combating it, they will make the funds available in ever increasing amounts.

The following sub-chairman will serve in the 1971 campaign: Mother's March - Mrs. William (Delores) Bunney; Business & Industry - Mrs. Al (Simone) Gaige, and Mrs. Leonard (Carolyn) Ahrens; Mrs. Hugh (Doris) Sutton, Professional Solicitation; Clubs & Organizations - Mrs. Richard (Gwen) Way; Youth Activities Co-Chairmen - Mrs. Marian Kime and Mr. Don Gibson.

Anyone interested in obtaining more information on the National Foundation and its March of Dimes or wishing to volunteer their services are asked to call Mrs. Gonyer at 428-3742.

Featured speaker Judge John Swainson giving a few appropriate remarks before the ribbon cutting.

Mayor Little and Councilman Wendell Reinhart, thanking Union Construction for the fine job in constructing the bridge.

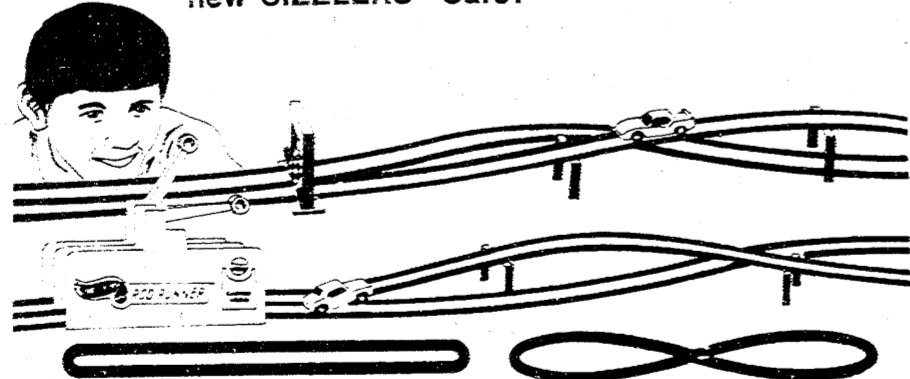

Cigar chewing Jaycee raises the platform for hooking up the lights for the new Christmas decorations added this year. The Jaycees put up \$500 and Council \$500 to purchase some badly needed new decorations. The committee headed by Cal Poppink, tried to follow the "Turn of the Century" motif in selecting decorations. It is hoped that more decorations can be purchased next year. Our hats off to the Jaycees for the cold job of putting up Manchester's Christmas spirit for everyone to see. Especially those brave enough to ride the "Kouba Elevator."
