

MANCHESTER CHRISTMAS BUREAU HELPS NEEDY

The aim of a Christmas Bureau is to be sure that no child or needy person or family in the area goes without a Christmas while particularly appealing needy cases might receive an avalanche of attention.

In Washtenaw County the Christmas Bureau is a division of the Salvation Army which in turn receives its names from the Department of Social Services, the County Health Department and many other agencies as well as churches and individuals.

All names should be in the files of these agencies now, but additions can still be made by contacting the Christmas Bureau at the Salvation Army by calling 668-8353.

Manchester Family Service has been aided in its work at Christmastime for many years by the F.H.A. "scavenger hunt" which took place last week. The Future Homemakers of America spent an evening collecting groceries to fill the boxes which go to the needy families in this area.

Again this year the Sheriff's Department and the Ann Arbor Police Department through the funds from their annual football game, "The Pig Bowl", take complete charge of donating and delivering toys and games to all children in the area who might otherwise have a cheerless Christmas.

The County has been featuring "The House by the Side of the Road", but Manchester has been fortunate to have its own version of this project at the Emanuel United Church of Christ for several years. Clothing is collected at the church where it is periodically offered to families on assistance before it is sent to the various missions.

LIBRARY NEWS

The Library will be closed the day before and the day after Christmas.

The winter snows have begun. The Christmas lights are bobbing in the branches and George Harrison gives us "My Sweet Lord" just in time for His birthday. If you are feeling pressed and anxious, come in and visit us. Find a good book and right after Christmas, settle in a corner and forget the world.

We have lots of good record albums with carols and hymns for the season.

SERVICE NEWS

Army Private First Class Paul E. Herrst, son of Mrs. Mary Herrst, 12050 Elmdate Dr., Manchester, Michigan recently completed a 12-week Communications Center Specialist Course at the U.S. Army Southeastern Signal School, Ft. Gordon, Ga.

Mr. Herrst learned to operate and maintain a communications center and acquired a working knowledge of various kinds of communications equipment and systems.

Pfc. Herrst entered the Army in January, 1970 and completed basic training at Ft. Jackson, South Carolina.

The 20-year-old soldier is a 1968 graduate of Theodore Roosevelt High School, Wyandotte, Michigan. He also attended Washtenaw Community College, Ypsilanti, Michigan.

OUTSTANDING CITIZEN FOR DECEMBER

Richard Kennedy, son of Mr. & Mrs. Douglas Kennedy of 6379 M-52, Manchester is the Manchester Optimist Club choice for the citizen of the month of December. Richard is a member of the freshman class.

In the seventh grade Richard was president of the Field and Stream Club, President of his class, member of the student council, participated in track, basketball and football. As a very fine quarterback, he led last year's eighth grade team to the finest record that they have had - 5 wins 1 loss.

Richard entered high school as a good quarterback and has had a very successful year and led the J. V. football team to an excellent season - 7 wins and 1 loss.

Richard has an A- academic average and enjoys science and General Business. His interests lie in hunting, fishing and all sports.

Richard belongs to the Evangelical United Brethren Church where he is a member of the Youth Fellowship.

HOLLY HOP RECAP

The Manchester High School Study Auditorium was the scene of the 1970 Holly Hop on Dec. 12 from 9:00 - 11:00.

The theme of this Senior Class sponsored dance was "Tannenbaum" with music by the Bobby Dee Trio.

Dave Bucholtz and Connie Whittington were crowned King and Queen with a court of Lori Clark, Sheri McAteer, Carol Hone, Sheryl Hieber, Richard Hosmer, Brad Widmayer, Dave Roberts and John Kress.

Welcome to our "old time" Christmas issue. Featured are pictures from Manchester's past dating from approximately 1860 to 1960. We hope you enjoy looking at the pictures and helping us to identify some of them. We also take this opportunity to wish you and yours a very Merry Christmas and a Happy New Year from the staff of the Enterprise and Rymack Printing Company.

SNOWMOBILE RACE SET FOR JANUARY 3

Sunday, January 3, 1971 is the date the Manchester Jaycees have set aside for their 3rd Annual Snowmobile Race to be held at the Manchester Speedway. A day which promises thrills and excitement for the entire family whether dad is racing in one of the MISA (Michigan International Snowmobile Association) sanctioned races or mom zooms off in the powder puff race, all the family will enjoy the fun-packed event.

Over double last year's entries are expected this year with machine class entries from 292 cc to the big 800 machines. For those who plan to enter the race or would like more information on machine qualification, the races, etc., a meeting is scheduled for Wednesday, December 23 at 7:30 p.m. at the Sportsman Club. MISA officials will be at this meeting. Any Manchester Jaycees has information on the race as well or call Bob Rhee at 428-8572.

Further details and information on the race will be in next week's paper.

& WHY

COUPLE EXCHANGE VOWS

A Christmas tree, white poinsettias and evergreen arrangements decorated the altar of Sharon United Methodist Church Friday, Dec. 18 for the candlelight service uniting Miss Marjorie Spike and Joseph Edwin Lozier. Parents of the couple are Mr. & Mrs. Lowell Spike of 3260 Sharon Hollow, Manchester and Mr. & Mrs. Carl Lozier of Holly.

Dr. Peter Spike of Hasielt, brother of the bride sang "The Lord's Prayer" accompanied by another brother, Douglas Spike of Hillsdale. "Trumpet Voluntary" by Purcell was the processional and "Psalm XIX" by Marcello the recessional.

Rev. Michael Peterlin officiated at the double ring ceremony during which the bride was given in marriage by her father.

Miss Spike chose for the occasion a gown of white velvet accented with white fur. She carried a cascade arrangement of yellow rosebuds and white snowbust.

Miss Karen Spike of Southfield attended her sister in a royal blue velvet gown. Similarly gowned was bridesmaid Linde Hoelt of Pleasant Lake Rd., Manchester.

Henry C. Lozier served his brother as best man. Groomsmen were John Guisbert of Ortonville, Dan Autin, cousin of the groom, of Pontiac and Philip Spike, another brother of the bride of East Lansing.

The young couple left for a trip through the south after which they will reside at Manchester.

LIBRARY NEWS

Good news for the folks with overdue books - for the Holiday no fines will be charged from December 21 to January 4.

We will be closed the day before and the day after New Year's.

Let's try a few Christmas teasers and test our brain power.

1. Why is Christmas sometimes written "Xmas"?

2. The United States of America has a National Christmas Tree. Where is it located?

3. When was the first Christmas card dispatched?

4. How did Santa Claus get his name?

5. Where did the custom of kissing under the mistletoe originate?

6. Who conceived the first Christmas seal?

7. Was Saint Nicholas a real or mythical character?

8. Which evergreen makes the best Christmas tree in the home?

9. Where did the custom of placing holly on doors and windows originate?

10. Was "Silent Night" written by an Austrian, Dane or Italian?

ANSWERS

1. "X" is the Greek equivalent of "Ch" and represents the "Christ" in Christmas.

2. In General Grant National Park, California.

3. Reputedly sent in England in 1845 by W. C. Dobson, a painter.

4. Santa Claus is the shortened American name for "Santa Nikalaus" the Dutch settlers name for Saint Nicholas.

5. It has its basis in a Scandinavian myth.

6. E. Holboell conceived seal in Denmark in 1904; sold in U.S. since 1907.

7. Saint Nicholas was a real person, born in Asia Minor; accepted in later years as the patron saint of children.

8. The Balsam Fir because of the superior holding quality of the needles when brought indoors.

9. In England, presumably, Holly was considered the bugaboo of witches and was hung up to ward them off.

10. Words by Father Josef Mohr, music by Franz Gruber, Austrians.

ENGAGEMENT ANNOUNCED

Dr. and Mrs. Henry P. Eames are announcing the engagement of their daughter Brenda Jean to Stephan Eugene Grames, the son of Mr. and Mrs. William Grames of Elkhart, Indiana.

The bride-elect is a graduate of Manchester High School and Western Michigan University where she was affiliated with Sigma Alpha Iota. She is now in her first year of teaching at Schoolcraft, Michigan.

Her fiancé is a graduate of Elkhart High School and is completing his schooling at Western Michigan University where he is affiliated with Phi Mu Alpha, Sinfonia.

The couple are planning a June wedding.

ENGAGED

Mr. & Mrs. Laurence E. Bowers of Manchester are announcing the engagement of their daughter, Joyce Ann, to Michael A. Spiess, the son of Mr. & Mrs. Fred Spiess of Manchester.

Miss Bowers is a senior at Manchester High School. Her fiancé attends Washenaw Community College and is employed at Tom Marshall, Inc. in Manchester. No wedding date has been set.

BRAUN IMPLEMENT & HARDWARE

WHEN GREAT GRANDMOTHER WAS YOUNG.

Great grandmother, on a winters day, Milked the cows and fed them hay, Stopped the hogs, saddled the mule, And got the children off to school, Did a washing, mopped the floors, Washed the windows and did the chores; Cooked a dish of home dried fruit, Pressed her husband's Sunday suit, Swept the parlor, made the beds, Baked a dozen loaves of bread; Split some firewood and lugged it in, Enough to fill the kitchen bin, Cleaned the lamps and put in oil, Stewed some apples she thought would spoil; Cooked a supper that was delicious, And afterwards washed up all the dishes, Fed the cat and sprinkled the clothes, Mended a basketful of hose, Then opened the organ and began to play "When you come to the end of a perfect day."

Wishing you and yours a very MERRY CHRISTMAS

COUNCIL MINUTES
Nov. 19, 1970

Council met in special session with the meeting called to order by President Little at 9:30 p.m. Trustees present were Curley, Fitzgerald, Mahony, Reinhart, Scully and Walton.

The Village Planning Commission recommended that the Council approve the bank proposal for a T.V. banking facility, temporarily using Main Street entrance with no left turn off of Main St. into the banking facilities, with the T.V. window to be adjusted in distance from the building and exit at the Adrian St. sidewalk, and with the fences eliminated. This is predicated on the expectation that the entire parking service area be redesigned within a year. Scully suggested that the Main Street entrance should be eliminated before the facility opened. Mr. Cray, when asked, estimated that actual construction would take 4-5 days once begun. Bruce Daniels estimated that the job of revamping the parking lots on the north side of the alley would take 2-3 days. He suggested temporary barricading to mark and double-check parking spaces and through traffic lanes. Moved by Walton to accept the Planning Commission's recommendation without any changes. No support to the motion.

Mahony reminded the Council that the Bank has applied for no permits on the application of which dimensions, people flow, as well as several other things must be indicated. Any motion, therefore, must be subject to permit approval.

Moved by Walton to adjourn if no official business can be conducted. No support. Discussion ensued on whether or not a decision could be made at this time. The Ordinance Committee is empowered to approve or disapprove according to previous verbal agreement made at this time.

The chair then entertained a new motion with the understanding that the approval by such motion is not a permit to go to work.

Moved by Reinhart, supported by Mahony, that the Planning Commission's recommendation amended to read as follows be approved: to approve the bank proposal for a T.V. banking facility with the T.V. window to be adjusted in distance from the building and exit at the Adrian St. sidewalk, with the fences eliminated, with the entrance from Main St. closed upon completion and opening of the T.V. window and with the previous parking plan north of the alley to the back of stores put into effect. This is predicated on the expectation that the entire parking service area be redesigned within a year. Curley, Fitzgerald, Mahony, Reinhart, Scully - yeas; Walton - nay. Motion carried.

Mr. John Merrill, Miss Anne Christoph and Mr. Martin Troutman of the University of Michigan Landscape Architecture Department proposed to develop studies with the village. They wish to help Manchester preserve what exists, not only in the commercial area. The Chamber of Commerce would like the group to work with them. Since their project is more encompassing than the business area they would like other interested people to join them. Moved by Reinhart, supported by Scully, to invite the group to proceed and accept help from interested citizens. All yeas, carried.

Moved by Fitzgerald, supported by Scully, to adjourn. All yeas, carried. Meeting adjourned at 10:30 p.m.

COUNCIL MINUTES
December 8, 1970

Council met in regular session with the meeting called to order by Pres. Little at 7:10. Trustees present were Curley, Fitzgerald, Mahony, Reinhart, Scully and Walton. The minutes of the Nov. 16, 1970 regular meeting and the Nov. 19, 1970 special meeting were read. Moved by Scully, supported by Fitzgerald, to accept the minutes from the Nov. 16 meeting. All yeas, carried. Moved by Scully, supported by Mahony to accept the minutes from the Nov. 19 meeting. All yeas, carried.

Police Chief Becktel gave his monthly report for the period ending Dec. 6, 1970. There were 38 complaints, all of which were investigated. The Washtenaw Co. Sheriff had 6 calls in the area handled by the Manchester Police Dept. outside of the Village. There was a total of 41 services rendered. Traffic violations: 24 moving violations issued; 12 speeding violations, 1 failure to yield right of way, 4 disobeyed stop signs, 2 expired driver's license, 1 driving on revoked, 2 no vehicle registration with person, 1 excessive noise, tires, 1 reckless driving. Total warnings: 44. Parking summons: 27. Arrests: 3 arrests made. No. 1 Bench warrant; No. 2 warrant, destruction of property; and No. 3 warrant, breaking and entering. Accidents policed: 2 - 1 property damage accident, 1 personal injury accident (3 injured). Other Police Activities: 8 major complaints investigated - 2 doors found open - 2 traffic assists for funerals - 2 traffic assists for fires 11-7-70 - girls were caught soaping windows Halloween night; had them clean windows in the downtown area; the following Saturday - subject finished work detail assigned by court to police dept. and did a good job. 11-27-70 went to Cedar City, Utah and picked up Michael Miller on breaking and entering charge - collected and turned in \$37.00 in parking summons fines for November. Moved by Reinhart, supported by Scully to accept the police report as part of the minutes. All yeas, carried.

Vouchers were reviewed and submitted for payment. Moved by Mahony, supported by Scully to accept vouchers 1375 through 1444, voiding 1394, and No. 32 from the 1956 General Obligation Bond and Redemption Fund. All yeas, carried. (See separate listing).

Mahony reviewed the November financial report. Moved by Reinhart, supported by Scully to transfer \$10,000 from the General Highway Fund to the Major Street Fund. All yeas, carried.

Reinhart reported that there is still a rough area on the sidewalk near the Methodist Church site. Mr. Powell questioned whether or not the 3 dead maple trees in front of his home are his or on village right of way. He felt that overflow from Mr. Stren's well was causing flooding of his land which killed the trees. Hollis Walker requested that the village wait on cutting down the marked trees in front of his home until curb and gutter goes in there. Tile prices were obtained on the sewer line needed for the bathroom in the DPW building. At \$1.10 foot for pipe it will cost about \$220 for 199 ft. so the cost of getting sewer and water up through the floor will be about \$800.00.

Bids from Standard Oil and Gulf Oil were read. Moved by Curley to accept Grossman-Huber's Gulf Oil bid, supported by Fitzgerald. All yeas, carried.

There are complaints on the asphalt work on West Main St. Washtenaw Asphalt Co. has been contacted regarding the matter.

A question of a guard rail near Richardsons and the new bridge was discussed with the council deciding that no guard rail was needed.

Fitzgerald reported that 2 permits had been issued to Bill Bunney \$1,800 for residing and L. Dean Trolz \$1200 for a garage.

A burning ordinance was discussed. It was decided that our present ordinance adequately covers no burning of refuse except in containers. Arrangements will be made for pickup of leaves.

Fitzgerald resolved to adopt ordinance No. 88, supported by Scully. Said ordinance reads:

An ordinance to amend ordinance number 63, entitled "an ordinance regulating the erection, construction, enlargement, alteration, repair, moving, removal, demolition, conversion use and occupancy, height and area and maintenance of all buildings and/or structures and their appurtenances and service equipment in the Village of Manchester, Michigan: providing an office for the building official;

defining the scope of authority of the building official; providing penalties for violation thereof."

The Village of Manchester Ordains:

Section 1. Section 3, Subsection E of Ordinance Number 63 is deleted therefrom and the following substituted therefor:

"Section 3-E Schedule of Inspections. All construction work shall be inspected before covering, including footings, backfilling against foundation, sewers, plumbing, rough framing, electrical wiring, heating units before operating equipment, final inspection before occupancy and in a final inspection of all construction work for which a permit has been issued under this ordinance shall be made by the Building Official and by the Village Assessor or the Assessor for the Township of Manchester, Washtenaw County, Michigan. When such work is ready the holder of the permit shall so notify the Village Clerk and secure approval before continuing. Failure to do so shall constitute a violation and shall be subject to the penalties of Section 3-C."

"Section 2 - When effective. This Ordinance shall be in effect from and after twenty (20) days from legal publication thereof. All yeas, carried.

Resolved by Curley, supported by Mahony to adopt Ordinance 87 which amends Ordinance 61 and reads as follows:

An ordinance to amend Ordinance Number 61, entitled "An Ordinance to regulate the ownership and control of dogs within limits of the Village of Manchester."

The Village of Manchester Ordains:

Section 1. That Ordinance Number 61 be and the same hereby amended by the addition thereto of a new section known as Section 13, reading as follows:

Section 13: Kennels. No person shall own or operate any dog kennel in the Village of Manchester without having first secured a license therefor pursuant to the Dog Law of the State of Michigan Act 339 of Public Acts for Michigan for 1919. For the purposes of this Ordinance a kennel shall be construed as an establishment wherein or whereon any person keeps three (3) or more dogs, six months old or older, regardless of whether any remuneration is received therefor. No such kennel shall be operated in any district within the Village specified as a residential district under the terms of the Zoning Ordinance, and no such kennel shall be operated in any district within the Village, except under the terms of said Zoning Ordinance.

Section 2. Effective Date. This Ordinance shall be in effect from and after twenty (20) days from legal publication. All yeas, carried.

Harry Macomber questioned where the village is going with planning. Mahony felt that some professional assistance is necessary. The Council as a whole felt that the Village Planning Commission should keep the village currently advised of what it's doing.

A letter was read from the Manchester Student Council requesting a change in location of one of the trash cans on West Main St. Council decided to provide an additional receptacle between Mrs. Davidt's home and the high school, the location requested, rather than moving one to that location.

Harry Macomber asked if the Council wished to place a Christmas ad in the Enterprise as in the past. He explained the format of this year's issue. Moved by Curley, supported by Scully, to place an \$8.00 ad in the Enterprise for Christmas with the wording and picture left to the discretion of the editor. All yeas, carried.

A letter was read from our attorney, advising us that the U.S. Court of Appeals, Sixth Circuit, had denied George J. Wallace "the relief he sought." Since, according to Mr. Wallace's attorney he intends no further appeals the case is closed Dec. 8, 1970, except that Mr. Wallace will now have to serve his sentence "and pay whatever fine and costs were levied against him."

Moved by Scully, supported by Mahony to adjourn. All yeas, carried. Adjourned at 10:30 p.m.

FOR YOU

Here's wishing all the Sports fans, players and all a Merry Christmas from your long, lyrical Sports Reporter Lefty Ross.

Two Washtenaw County Co-eds Attend National 4-H Congress

Can a left-handed girl win success in food canning? Can a single girl win a husband-calling contest? The answer is yes in both cases.

Despite a southpaw approach, Vicki Eisele, 18, of Manchester, won top Michigan honors in the 4-H food preservation program. And JoAnn McCalla, 18, of Ann Arbor, though not yet married, won her contest and also the state 4-H swine program.

Both Washtenaw County girls were in Michigan's delegation to

She was a guest of Kerr Glass Manufacturing Corporation at the congress. The company also provided \$600 scholarships to six national winners.

Miss McCalla, who entered Eastern Michigan University this fall, is one of five children in the William McCalla family. She showed the champion sow in the state fair junior show, first place junior yearling sow and first place March gilt in the open show. During her eight years in the project, she raised

the 49th National 4-H Congress at Chicago, Nov. 29-Dec. 3, as guests of business firms with expenses paid.

Miss Eisele, one of two children of Mr. and Mrs. Paul Eisele, is a freshman at the University of Michigan and planning a math or science career.

She recalls that when she first undertook the food preservation program, she needed her mother's help in handling the blancher, preserving kettles and canner "because nothing seemed to be in the right place" for her left-handed bent. But she learned how to can and freeze left-handed and the results were every bit as good as right-handed preserves.

and exhibited 72 market hogs, six carcass animals and 137 breeding animals.

It was at last year's state fair that she entered the husband-calling contest on a bet and won it by calling her uncle, Morgan.

Moorman Mfg. Co. provided her trip expenses as sponsor of the swine program. The firm also donated six \$600 scholarships for national program winners.

The 4-H programs are supervised by the Cooperative Extension Service which judges records of members. The awards program is arranged by the National 4-H Service Committee.

PROCLAMATION

Whereas, the objective of the National Foundation March of Dimes is to prevent birth defects and their mentally or physically disabling aftermath, and

Whereas, birth defects strike more than 250,000 babies in the United States every year, and

Whereas, research financed by the March of Dimes and others points the way toward prevention, and

Whereas, more than 100 March of Dimes Birth Defects Treatment Centers across our nation demonstrate that mounting numbers of young birth defect victims can be returned from hospitals to their loved ones to lead useful lives, and

Whereas, this outstanding voluntary health organization, which led the war to conquer polio, placed unremitting stress on pre-conceptional and prenatal public education programs for the well-being of future mothers and their infants, and

Whereas, our community of enlightened citizens cannot in good conscience close its eyes to a continuing tragedy of such magnitude,

Now, therefore, I, David Little, President of the Village of Manchester, do hereby proclaim January, 1971 as March of Dimes Month, and call upon and appeal to all our thoughtful citizens to contribute generously to this fight against birth defects.

COMMUNITY CHEST BOARD TO MEET

The Community Chest Board meeting will be held January 14, at 8:00 p.m. in the Franklin M. Reck Memorial Library at the High School.

SNOWMOBILE RACE THIS SUNDAY, JANUARY 3

by Carolyn Ahrens

The 3rd Annual Jaycee Snowmobile Race, scheduled for next Sunday, January 3, 1971, may just be the biggest race yet due to the snow and wide-spread publicity over the past two years on the excellent track and the fast growing interest in snowmobile competitive racing. The race will again be held at the Manchester Speedway with registration to begin at 9 a.m. and continue until 11:30 with the race set for 12 noon sharp, Bob Rhees said.

Tickets for the event will be available at the gate only, he pointed out, and general admission is \$1.50 per person with children under 12 to be admitted free when accompanied by an adult. "Last year we had approximately 1,270 paid attendance and 147 snowmobile entries. This year we expect to double on everything," he said. "We hope to be better equipped for parking this year, the food concessions will be in full swing and there will be warming pits located throughout the area. I can only add . . . get there early."

There will be trophies for all first, second and third place event winners and the purse will be made up of the entry fee which, Rhees pointed out, "should be considerable because we are expecting as many as 250 machines this year." Machine entry fee is \$10.00 per entry per rider. He stressed that only racing

machines will be qualified to enter the races under MISA-sanctioned rules and will include 292 cc to the big 800 machines. "We expect to see speeds up to 90 mph on those big machines, too," he added. Race classifications will include stock, modified and powder puff races.

In addition to the winner's purse and trophies a drawing is also planned with a side of beef and "a bushel and a peck of joy" the prizes for three lucky ticket holders. Tickets, at a \$1.00 donation, are available from any Manchester Jaycee.

Questions prior to the race can be answered by any club member or call Bob Rhees at 428-8572. In the event of problems the day of the race, contact trouble-shooters Ron Mann, Gary Brokaw, Larry Hazen or Denny Hamilton, Rhees pointed out. "We expect a large turn-out of our club members to cover various job areas," he continued and pointed out that none of the Jaycees are eligible to enter the race. Racing teams are expected from Jackson, Lansing, Detroit, Ann Arbor and the general southeastern Michigan area with the hope that many Manchester snowmobile enthusiasts will support this Jaycee project as well.

A portion of the snowmobile profits has already been designated toward the new Little League Park, the most recent Chicken Broil-sponsored project, the Jaycees announced. The 3rd Annual Jaycee Snowmobile Race -- Sunday, January 3 at 12 noon is a day the entire family will enjoy. Mark your calendar and plan to attend!

MARCH OF DIMES CAMPAIGN BEGINS JAN. 1

The Proclamation seen in this issue by David Little, Mayor of the Village of Manchester signals the beginning of the 1971 March of Dimes.

Within the next few days every household in the Village of Manchester will receive an envelope containing brief information on the National Foundation - March of Dimes and a request for a contribution. Rural residents of the surrounding 4-township area will not receive "mailers" this year. Washtenaw County Campaign Chairman, Mrs. Kitty Lewis explains that the March of Dimes is constantly experimenting with new and better ways to inform the public of its work and a new and more personalized educational program will be carried on in the rural areas this year.

Mr. Walt Leonard of the Chelsea Standard, has once again printed (free of charge) all of the "mailer inserts" (the little picture story) used in Washtenaw County.

Manchester residents will be happy to know that the Kulenkamp family, formerly of this village, now living at Hillside Terrace, Ann Arbor, feels that it is keeping in closer touch with old neighbors by preparing the "mailers" for local delivery.

The annual Kick-Off Dinner for Washtenaw County March of Dimes workers will be held at the Moose Lodge on Monday, January 4 at 6:30 p.m. Volunteers are urged to send in reservations.

Mrs. Jan Griffin of Ann Arbor, Rural Township Chairman for Washtenaw County's March of Dimes has announced the following township chairman for this area: Manchester - Mrs. John Day; Bridgewater - Mrs. E. Glenn Mann; Freedom - Mrs. Thomas Roberts; Sharon - Mrs. Reno Feldkamp.

SPECIAL EDUCATIONAL MEETING TO BE HELD FOR MARCH OF DIMES TOWNSHIP VOLUNTEERS JANUARY 5

A special educational meeting for March of Dimes volunteers from the 4-townships surrounding Manchester will be held at Bethel Church, Freedom Township on Tuesday evening, January 5 at 7:30 p.m.

A firm will be shown and volunteers will have a chance to meet and discuss their plans for the house-to-house campaign scheduled for Jan. 15-27.
