

MANCHESTER TOWNSHIP RESOLUTION ESTABLISHING PLANNING COMMISSION

WHEREAS, the Township Board of Manchester Township, Washtenaw County, Michigan, desires to proceed under the terms and provisions of Michigan Public Act 168 of 1959 as amended, and create thereunder a Planning Commission for said township.

NOW THEREFORE, BE IT RESOLVED AS follows:

Section 1. The Manchester Township Board does hereby create a Township Planning Commission consisting of 9 qualified electors and property owners of the township under the authority of and subject to the powers, duties, and limitations provided in Michigan Public Act 168 of 1959, as amended, and the terms and conditions of the within resolution and any amendments thereto which might hereafter be adopted.

Section 2. The Township Planning Commission shall consist of the qualified electors and property owners of the township as shall be hereafter appointed by the supervisor with the unanimous approval of the Township Board as provided by statute.

Section 3. The members of the Township Planning Commission shall receive as compensation for their services as the Township Board shall hereafter determine.

Section 4. All powers, duties and responsibilities provided by Michigan Public Act 184 of 1943, as amended, for zoning boards created thereunder, are hereby transferred to said Township Planning Commission, to become effective 60 days following the publication of this resolution.

Section 5. Notwithstanding the foregoing transfer, the Manchester Township zoning ordinance presently in effect within the Township, shall remain in full force and effect until otherwise amended, altered or changed by the Township Zoning Board or the Township Planning Commission created hereunder.

Section 6. (1) The Planning Commission shall elect a chairman, vice-chairman and secretary from its members and create and fill such other offices or committees as it may deem advisable. The Planning Commission may appoint advisory committees outside of its membership. The terms of all officers shall be 1 year.

(2) The Planning Commission shall hold at least 4 regular meetings each year. Additional meetings may be called by the chairman or by 2 members upon written request to the secretary, who shall send written notice to all members at least 1 week in advance. All meetings shall be open to the public.

(3) The Planning Commission shall adopt rules for the transaction of business, and shall keep a public record of its resolutions, transaction finding and determinations. It shall make an annual written report to the Township Board concerning its operations and the status of planning activities, including recommendations regarding actions by the Township Board related to planning and development.

Section 7. The Planning Commission shall make and adopt a basic plan as a guide for the development of unincorporated portions of the Township. This is the plan referred to in Act 184 of the Public Acts of 1943 as amended, being sections 125.271 to 125.301 of the Compiled Laws of 1943, being the basis on which the zoning plan is developed. As a basis for the plan, the Planning Commission is hereby empowered to (1) make inquiries, investigations and surveys of all the resources of the Township and (2) assemble and analyze data and formulate plans for the proper conservation and uses of all resources, including a determination of the extent of probable future need for the most advantageous designation of lands having various use potentials and for services, facilities and utilities required to equip such lands. The Planning Commission shall consult, in respect to its planning, with representatives of adjacent townships; with the county planning commission, with any representatives of incorporated municipalities within the Township; and with the county planning commission.

Section 8. Whenever the Planning Commission has adopted the basic plan of the township or more major sections or districts thereof, no street, square, park or other public way, ground or open space, or public building or structure, shall be constructed or authorized in the Township or in the planned section and district until the location, character and extent thereof, shall have been submitted to and approved by the Planning Commission. The Planning Commission shall communicate its reasons for approval or disapproval to the Township Board, which shall have the power to overrule the Planning Commission by a recorded vote of not less than a majority of its entire membership. If the public way, ground, space, building, structure or utility is one, the authorization or financing of which does not, under the law governing same, fall within the province of the Township Board, then the submission to the Planning Commission shall be by the board, commission or body having jurisdiction, and the Planning Commission's disapproval may be overruled by resolution of the board, commission or body by a vote of not less than a majority of its membership. The failure of the Planning Commission to act within 60 days after the official submission to the Planning Commission shall be deemed approval. The Planning Commission shall promote public understanding of and interest in the plan and shall publish and distribute copies of the plan and of any report, and may employ such other means of publicity and education as it determines necessary.

Section 9. The Township Planning Commission may make recommendations to the Township Board, to public officials (including the Zoning Board of Appeals) and to citizens regarding all matters relating to the planning and development of the Township.

Section 10. The Township Board shall refer plats or other matters relating to land development to the Planning Commission before final action thereon by the Township Board and may request the Planning Commission to recommend regulations governing the subdivisions of land. The recommendations may provide for the subdivision design and the standards of design and the physical improvements that may be required.

Section 11. All regulations and zoning activities of the Township Planning Commission shall be subject to the approval of the Township Board of Manchester Township, which approval shall be required before the same becomes effective.

Section 12. This resolution may be amended or repealed at any time by a majority vote of the entire membership of the Manchester Township Board.

Section 13. Any amendments which may hereafter be made to Michigan Public Act 168 of 1959, as presently amended by Michigan Public Act 78 of 1962, shall hereby be deemed to automatically control the activities of the Township Planning Commission created hereunder unless the same are specifically determined not to so apply, by resolution of the Manchester Township Board.

Section 14. This resolution shall take effect 60 days following publication of a notice of the same in the Manchester Enterprise a newspaper having general circulation within the Township.

Section 15. The Township Clerk shall, within 10 days of the passage of this resolution, transmit copies of the same to the Secretary of State for the State of Michigan and to the Washtenaw County Metropolitan Planning Commission as notice of the action hereby taken.

Adopted by the Manchester Township Board at a special meeting held January 25, 1971.

LUNAR ECLIPSE FEB: 9

A total lunar eclipse, which occurs when the moon passes through the cone of the earth's shadow, will take place on the night of February 9th.

The event begins at 12:53 a.m. on the morning of Feb. 10. The moon will be full, directly south and about two-thirds of the way up from the horizon.

A noticeable dimming at the moon's eastern edge marks the beginning of the eclipse. This darkened area will spread to cover the entire surface of the moon at 2:04 a.m.

Between 2:04 and 3:27 a.m., the moon will be totally immersed in the earth's shadow. During this period of totality, the earth is in direct line between the sun and moon.

After 3:27 a.m., the moon will begin to emerge from the earth's shadow. The eclipse will end at 4:38 a.m. when the moon becomes full again and the moon will shine a dull reddish or copper colored glow during the period of total eclipse.

People watching the entire eclipse should also be able to spot four planets visible in February skies.

Saturn will be the first. It appears in the south at sunset and will disappear in the southwest at about midnight.

During the period of total eclipse, Jupiter and Mars will rise. They will appear in the east at about 3 a.m. throughout the month.

Venus, rising about three hours before the sun during February, should appear on the morning of Feb. 10 at about the time the lunar eclipse ends.

Mrs. Franklin (Claire) Reck was feted at a pre-birthday dinner by the Community Chest Board members and spouses on Wednesday, February 3 at the Kopper Kettle. President Phyllis Baker presented Mrs. Reck with a corsage and commended her on services performed for the community and the Chest. Mrs. Reck has completed 23 active years on the Chest Board of Directors and is retiring. She will be greatly missed as a Board member.

Let's give the job to Claire, girls, she'll do it with the rest. And when it's finished, we are sure she's done her very best.

No question, just a statement, when we want a job just right. Let's give the job to Claire and we'll help her just a mite!

We who work along beside are frazzled - the skin by her get up and go her endless gift of give!

Her kids in the East would like to see their lovin' Mom alone. So Claire gets usy for her trip with one hand on the phone.

She sure can write an article, as Frank could well agree. His thoughts she typed and edited with boundless energy.

Now she gets blue and times gets down by injustices around. But it's nice to know a person who just hasn't time to frown.

She never says, "There's just not time, we'll work it in somehow." Now Claire, she says, "slow down a bit, it can't be done right now."

It makes me wonder, now and then if maybe it's not fair for us to very quickly bite, let's give the job to Claire.

MANCHESTER COMMUNITY CHEST ANNUAL MEETING

The Annual Meeting of the Manchester Community Chest was held on Wednesday, February 3, 1971 at the Franklin M. Reck Memorial Library at the High School. Yearly reports were presented by four local and six county and National agencies who benefit from the local budget. Due to the severe weather conditions several budget agencies were unable to attend this meeting.

Outstanding Service Awards were presented to the following industries in the area: Michigan Gas Storage, Manchester Public Schools, Manchester Printing Corp., Manchester Tool & Die, Chrysler Proving Grounds and Dole A products Co. These com-

DONNA GILL "GETS THINGS DONE"

by Carolyn Ahrens

To insure success in any project whether it's planned for ten people or one hundred, requires a great deal of time and effort from somebody. One such individual in Manchester is described by a fellow merchant as "one person in dynamo...she gets things done and always does a good job while she's at it". The lady, who also manages Gambles and owns and operated the Kopper Kettle, is Mrs. Irv (Donna) Gill.

An individual who is undoubtedly involved in many other personal projects, Mrs. Gill has a reputation for "getting things done" and several area citizens and Main Street merchants at the suggestion of one in particular, felt it high time they publicly thanked Donna Gill for all she has done for the community.

At present Mrs. Gill is Vice-President of the Manchester Chamber of Commerce and carries the responsibility of the newly established C of C Information Center and Community Calendar of Events listed weekly in the Enterprise. She helped organize and is chairman of the C of C Boat and Canoe Race; has helped the Jaycees on many projects, one in particular was serving breakfast for the members the day of their annual snowmobile race; and another recent project was the March of Dimes Coffee Day at the Kopper Kettle.

Donna Gill was responsible for Santa's visit to Manchester this year; his special headquarters and also suggested and arranged for several of Santa's elfs to help the day Santa arrived in town. Girl Scout Troop No. 185, under Mrs. Gill's leadership, decorated Santa's house and Mrs. Gill personally saw to it that Santa's headquarters had adequate heat and lighting.

She is a member of St. Mary's, the S.P.W., has worked on Mayor Exchange Day for several years, and at one time was a member of the Citizen's Committee which handled school problems, now channeled through the newly organized P.T.O.

"One person in dynamo" describes Donna Gill very well. We thank you for all you have done for Manchester.

panies have given 100% cooperation for the past several years to the area Campaigns and have contributed many other services to the community.

Seven area residents were nominated for possible election to the Board of Directors. Elected for three year terms were: Incumbents Mrs. D. D. Ludwick, Louis D. Vogel, Robert T. Ross and added as a new Board member, Lt. Col. Douglas Price.

Reorganization Board meeting followed the Annual Meeting. Officers for 1971 were elected as follows: President, Mrs. James Baker, Vice-President: Mr. Harry Krauss, Secretary, Mrs. D. D. Ludwick and Treasurer, Louis D. Vogel. Mrs. Robert Little and Mrs. F. M. Reck will serve as representatives to the Michigan United Fund Budget Conference which will be held in Lansing on May 18 and 19.

The next meeting of the Board will be held in April - date to be announced.

BEBA will say:

"IS AMERICA THE GREATEST NATION IN THE WORLD?" CONTEST WINNERS NAMED

There was a contest in January in Mrs. Wagner's sixth grade reading class at the Middle School. The question her students tried to answer was "Is America the Greatest Nation in the World?" If so, why? If not, what country is better? There were many fine thoughts in the papers as two junior high teachers found out as they rated them. The winners of the contest were Jan Savage and Lorri Auito, first runner-up.

"America" by Jan Savage

To me America is the best country. We can communicate with people of different taste, races and languages, economical backgrounds and people of different places without anybody stopping us.

I think America is the best country because of the freedoms we have. The word freedom does not have the same meaning in all parts of the world. In America the word freedom means that people have certain rights.

We have freedom to vote. Freedom to vote means no one can tell us how or who to vote for. People might suggest who to vote for but they can't make us vote for him or her.

Another right is freedom of religion. Freedom of religion means that the government can't make us go to church or can't make us any special kind of faith. The government does not have any particular religious preferences.

We have freedom of the press. We can write reasonable things in the papers, magazines and books. Canada, America and Great Britain have the freest press.

We also have freedom of speech. Freedom of speech is the ability or power to say privately or publicly what you believe. Some people abuse the privilege of speech by talking against the government.

There are many freedoms. Because of these freedoms I think America is the best country.

"America" by Lorri Auito

I think that America is the best country.

In America a Constitution was written guaranteeing freedom of speech, freedom of religion, freedom of political belief and freedom of press. This means that any citizen has the right to do any of these things. America has tried to give every American freedom and equality of opportunity, especially regarding the black race.

America is one of the stronger nations, as was proven in the last two World Wars.

The United States has the most productive farms on earth. Modern machinery has made it possible for farmers to operate larger farms with fewer workers. American farms increased in size from an average of 150 acres to 325 acres.

America has towns and cities that have playgrounds, swimming pools and parks which provide a place for Americans to spend their spare time.

In America there are many sports such as bowling, baseball, golf, tennis, basketball, football and other sports. These sports are exciting to almost everyone of any age.

School is important in America. Almost every American believes that every person should have the opportunity to receive the best possible education to develop his talents and abilities.

The United States has plentiful water supplies, deep forests, and a lot of animal life. These enormous natural resources have helped make the United States one of the richest countries in the world.

D.A.R. WINNER ANNOUNCED AT MANCHESTER HIGH SCHOOL

Jean Pfau, a senior at Manchester High School is the local recipient of the D.A.R. Award. She will represent Manchester at the county and state levels.

Jean has been very active in her four years in high school - she was class treasurer in the 9th grade, vice president in the 10th grade, and assistant treasurer in the 12th grade. She has worked on class committees - floats, Christmas Card sales, magazine sale, concession stands and Cap and Gowns.

Jean was in the German club for one year, is a member of the F.T.A. Adventure and Visage this year, has sung in the mixed and varsity choir. Jean plays the organ and is secretary of the Youth Fellowship at Bethel Church.

Jean is a student secretary in the high school office and works in a dental office in Ann Arbor.

Upon graduation from high school, Jean is planning on attending Cleary College where she will pursue the secretarial curriculum.

MARCH OF DIMES PRELIMINARY REPORT

Although contributions are still coming in and it may be several weeks before a final report can be made on Manchester's 1971 March of Dimes, Village Chairman, Mrs. Ronald Gonyer has released the following preliminary report:

Coin Collectors	\$ 41.28
Business and Industry	220.00
Mother's March	59.00
4-H Balloon Sale	664.06
Kopper Kettle Coffee Day	180.50
Kopper Kettle Coffee Day	34.64
Total to Date	\$ 1199.48

Mrs. Gonyer points out that due to certain procedure and policy changes, some areas of the 1971 campaign will show decreases compared to previous years - namely, the mail campaign, which this year was limited to residents of the village rather than the entire area. These decreases should be recovered to a large degree by increases in other divisions.

The Mother's March, for instance, shows an increase of well over \$100 above any previous year.

Mrs. William Bunney, Chairman of the Mother's March, has expressed great satisfaction with all phases of her division's 1971 efforts. She reports an exceptional response on the part of the public both in the contribution of money and the cooperation given the March of Dimes volunteers with the Rubella census. Due to the thoroughness and efficiency of the individual Mother's Marchers the Washtenaw County Health Dept. has gained much helpful information for their inoculation program.

Mrs. Bunney said, "Our conscientious local volunteers performed a service for their own community and the entire county. They deserve our appreciation."

Mrs. Gonyer adds, "Michigan State law (effective May, 1970) now requires all children entering school to be vaccinated against Rubella (German mottle). We are proud of the part the March of Dimes has played in subsidizing this dangerous disease!"

JR. HIGH BASKETBALL

The Jr. High Basketball program is off to a good start building up to the tournaments. As the tournament started, their records were 6 wins and 0 losses for the 7th grade, and a 3-3 record for the 8th grade.

In an attempt to give more players game experience the Jr. High has tried to play an extra quarter following the regulation game, but because of the long period of time involved with both games and traveling times, this isn't always possible.

The eighth grade is playing in new uniforms paid for by the Athletic Boosters.

VILLAGE OF MANCHESTER

ORDINANCE NO. 89

AN ORDINANCE TO REGULATE THE OPERATION AND USE OF SNOWMOBILES WITHIN THE VILLAGE OF MANCHESTER

The Village of Manchester Ordains:

Section 1. DEFINITIONS.

A. Snowmobile. A self-propelled vehicle designed for travel on snow or ice in a natural terrain steered by wheels, skis or runners.

B. Operate. To control the operation of a snowmobile.

C. Operator. A person who operates or is in actual control of a snowmobile.

Section 2. REGULATIONS. It shall be unlawful for any person to operate a snowmobile under the following circumstances:

A. On private property of another without the express permission to do so by the owner or occupant of said property.

B. On public school grounds, park property, playgrounds, recreational areas and golf courses without express provision or permission to do so by the proper public authority, and then only pursuant to such rules and regulations as the Village Council shall hereafter by resolution prescribe.

C. In a manner so as to create loud, unnecessary or unusual noise so as to disturb or interfere with the peace and quiet of other persons.

D. In a careless, reckless or negligent manner so as to endanger the safety of any person or the property of any other person.

E. Without having such snowmobile registered as provided for by Statute except that this provision shall not apply to the operation of a snowmobile on the private property of the owner by the owner or a member of his immediate family.

F. Within the right-of-way of any public street within the Village unless the operator shall have a valid driver's license issued pursuant to Act 300 Public Acts of Michigan for 1949 as amended, or is accompanied by a licensed driver, who is actually occupying a seat in the vehicle.

G. On Main Street between the intersections of Riverside Street and Main Street, and Washington Street and Main Street.

H. Between the hours of 11:00 p.m., and 7:00 a.m.

Section 3. EQUIPMENT REQUIRED. All snowmobiles operated within the Village shall be equipped as required under Act 74, Public Acts of Michigan for 1968, and in addition shall have a safety or so-called "dead man" throttle in operating condition; a safety of "dead man" throttle is defined as a device which when pressure is removed from the accelerator or throttle causes the motor to be disengaged from driving track.

Section 4. UNATTENDED VEHICLES. It is unlawful for the owner or operator to leave or allow a snowmobile to be or remain unattended on public property while the motor is running or with the keys for starting the vehicle left in the ignition.

Section 5. RESTRICTION OF OPERATION. The Village Council may, by resolution, prohibit the operation of snowmobiles within the right-of-way of the public roads or streets or other village property within the village when in their opinion the public safety and welfare so requires.

Section 6. TRAFFIC REGULATIONS. Each person operating a snowmobile shall strictly observe all traffic signs and signals and all other traffic rules and regulations applicable thereto, and shall obey the orders and directions of any police officer of the village authorized to direct or regulate traffic.

Section 7. VIOLATIONS, APPEARANCE TICKETS. A police officer may issue appearance tickets for violations of this act pursuant to sections 9A to 9E of Chapter 4, Act number 175 of Public Acts of Michigan of 1927 as amended.

Section 8. This ordinance is adopted pursuant to Section 14 of Act 74, Public Acts of Michigan for 1968 as amended, and is intended to be supplementary thereto.

Section 9. VIOLATION. Any person who violates the provisions of this act is guilty of a misdemeanor and on conviction thereof shall be punished for every such conviction by fine of not more than \$100.00 or imprisonment in the Washtenaw County jail for a period of not longer than ninety (90) days or both such fine and imprisonment in the discretion of the court.

Section 10. EFFECTIVE DATE. This ordinance shall take effect and be enforced twenty (20) days after legal publication thereof.

Section 11. VALIDITY. Should any section, clause or provision of this ordinance be declared by the courts to be invalid the same shall not effect the validity of the ordinance as a whole or any part thereof other than the part so declared to be invalid.

David L. Little, President
Mary H. Wheeler, Clerk

I certify that the within Ordinance No. 89 of the Village of Manchester was duly adopted by the Board of Trustees of the Village of Manchester, at a regular meeting thereof and was duly printed and published on the 11th of February in the Manchester Enterprise a newspaper printed, published and circulated in the Village of Manchester.

Mary H. Wheeler, Clerk

DELINQUENT

We read in the paper and hear on the air Of killing and stealing and crime everywhere. We sigh and we say as we notice the trend, "Are they all rebels, have they no end?" But can we be sure, if it's their fault alone, That maybe a part of it isn't our own? Are we the guilty who place in their way Too many things to lead them astray? Too much money to spend, too much idle time Too many movies of passion and crime. Too many children encouraged to roam By too many parents who won't stay at home. Kids don't make the movies, they don't write the books, They don't paint gay pictures of gangsters and crooks, They don't make the liquor, they don't run the bars, They don't make the laws, they don't make the cars, They don't peddle drugs that addle the brain, That's all done by older folks, greedy for gain. By the law of the blameless the Saviour made known, Who is there among us to cast the first stone? For in so many cases it's sad but it's true, The title 'delinquent' fits older folks too.

PRODUCTION CREDIT ASSOC. DIRECTOR ELECTED

Mr. Norman Brassow of Dexter was reelected to a three year term as a Director for the Production Credit Assoc. of Southeastern Michigan. Mr. Brassow farms in partnership with a son on a dairy farm near Dexter. The statement of condition showed the Association having loans outstand-

ing of 9,898,000.00 dollars. Last year it loaned over \$12,700,000.00 to over 900 farmers in the area. Production Credit Associations have become a major source of short and intermediate credit to the agricultural community. Not only does the system benefit farmer members it serves but also adds to the economy of the entire community.

Travelers Checks are not the most profitable service a bank has to offer. Why then does a bank, like Union Savings, offer travelers checks? Because, again, we care about your funds, even those funds you may take on a trip to Florida or out of the country. Just another example of what we mean when we say, "We Care."

GIRL SCOUT COOKIE SALE TO BEGIN FEB. 19

by Carolyn Ahrens

Friday, February 19, marks the official beginning of the Annual Girl Scout Cookie Sale. Manchester Junior Troops 653, 654 and 676 will take cookie orders door to door or by telephone through March 6. Delivery date is set for April 15-26.

Last year over 1,000 packages of cookies were sold in Manchester and this year the goal for the Huron Valley Girl Scout Council is 320,000 packages. The Huron Valley Council covers more than one county in southern Michigan and should the sale be successful, there would be a \$64,000 profit for the Council and \$16,000 to be divided among the individual troops.

The cookies still sell for \$5.00 per package. Individual troop profit is \$.05 per package, sales tax is \$.02, Huron Valley Council \$.20 and the initial cost of the cookies, \$.23 per package. The Huron Valley portion is used for purchasing new camp sites, maintenance which in this area covers Camp Linden in Brighton, and for sponsoring national and international events. Individual troops use their portion for troop projects, etc. "We do a lot with that \$.25 profit," Mrs. James (Helen) Kensler, Girl Scout Cookie Chairman pointed out. She added that the three Manchester troops are designated to cover certain areas but should a family be missed, they may call Mrs. Kensler at 428-8140.

SECOND MANCHESTER CITIZEN'S MEETING

Tues., Feb. 23 at 8 p.m. in the high school library there will be presented a "Visual Survey of Manchester" which includes photographs of Manchester and discussion of other means of surveying Manchester.

General Delivery mail will continue to be collected, dispatched and delivered on Saturdays as heretofore.

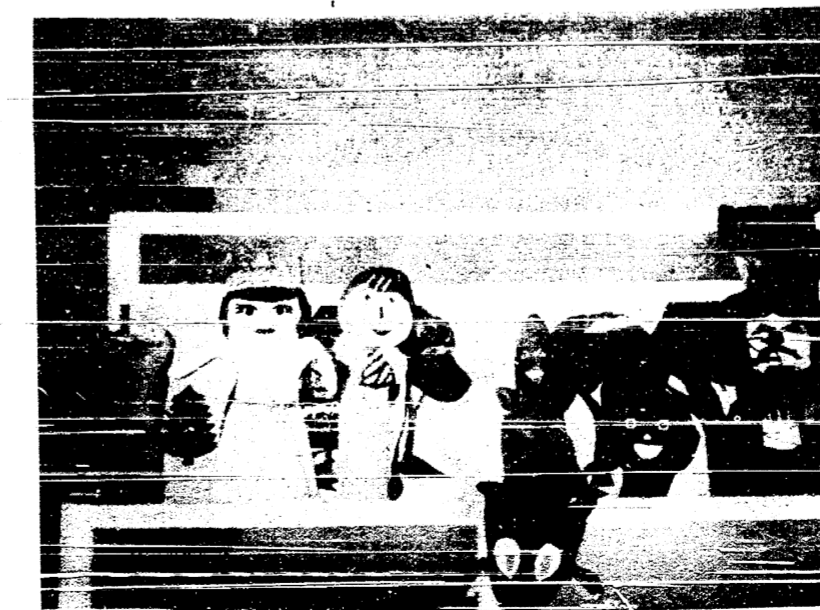

PUPPET SHOW EMPHASIZES DENTAL CARE

Last Thursday the pupils at Pleasant Lake and Klager Elementary schools were entertained by the dental assistants from Dr. Glenn Lehr's office as they presented a puppet show to help emphasize the importance and value of good home dental care.

Billy, the star of the show, was introduced to many characters of both good and bad reputation. Among them was Mrs. Beaver, well known for her beautiful white teeth; Crow, a mischievous chap who had stolen Mrs. Beaver's new toothbrush; Carrot and Tomatoe who were guards at Queen Millicent Milk's palace and the bad witch Carrie Cake and her henchman Gus Gum.

After the performance, members of Dr. Lehr's staff showed the third grade classes how to use the new Dental Health Kits which they had been given in school.

The show was presented as a part of the celebration of National Children's Dental Health Week - a week in which a concentrated effort is made to encourage children in the proper care of their teeth.

Tory and Tere
YOUTH FOR UNDERSTANDING
by Carolyn Ahrens

Chile is a long, narrow country on the western shores of South America. The country, which borders Peru to the north, across the Drake Passage looms the South Pole, to the east ranges the Andes Mountains, and the Pacific Ocean along the entire western side, is unique in shape. It has an average width of only 100 miles with the widest point 250 miles and narrowest 39 miles (15 Km.) yet Chile is over 2,000 miles (4,270 Km.) long.

Over 3/4 of the 9,000,000 inhabitants are concentrated in the central portion of the country which has a southern California-like climate while there is vast desert to the north and extreme cold in the south. The country is divided into 25 provinces, the capital city is Santiago with nearby Valparaiso the main sea port and tourist attraction. Chile is the second largest producer of copper in the world and by tradition, an agricultural country. As further pointed out by a young visitor in this area, the mines and industries gave Chile an independent worker social class which eventually formed the middle class to which most of the people belong although there are still some very wealthy and some very poor people in Chile.

A democratic Republic, Chile was discovered in 1535 by a Spaniard, Diego de Almagro and gained their independence September 18, 1818. Their president is elected every six years with a senate of 50 representatives and a house of representatives consisting of 150 elected officials. The Christian Democracy and the Popular Union are the two main political parties although there are several smaller parties as well. Most of the people are Catholic but there is freedom of religion with Jewish, Orthodox and Protestant churches established in the country.

Between Manchester and our southern-most neighbor lies thousands of miles of vast country and water and a 14-hour air flight journey but through the Youth for Understanding student exchange program, Chile now seems a bit closer.

One month ago on January 15, Maria Teresa Andraza Magunacelaya from Valparaiso, Chile and Victoria Gonzalez Rodriguez from Donihue, located near Santiago the capitol of Chile, arrived in Manchester for a 5-month visit. Maria, or Tere (Terry) as her friends call her, is staying with the Roger Hardenberghs of Bridgewater. The Hardenberghs first became involved in the program when their daughter toured with the Youth for Understanding coral group. Victoria arrived at the Jim Lyons home to learn that Tere and she were within 50 miles of each other in their home country. The Lyons became interested in the program after reading the Emanuel Church bulletin "and along came Toya," Mrs. Lyon said.

The girls, both high school seniors, applied for the scholarship-type program with part of the application asking why they wanted to come to the United States. Grades, personality and several other factors are considered in the selection of the students, Mrs. Hardenbergh explained, and although it is set up similar to a scholarship program, the student's family is re-

sponsible for the expenses under the program.

The 400 Youth for Understanding exchange students from throughout South America left Santiago for Lima, Peru then on to Miami, Atlanta and finally Detroit. They were then transported by bus to Battle Creek for a short orientation program then on to families located throughout the United States. The students are scheduled to return to their homeland June 12.

Toya had been a student at an all-girl school in Santiago for almost seven years so the Manchester school system was more than a language and study-wise adjustment. The most extreme adjustment was the weather. The mild climate is rarely below 40 degrees in central Chile and the sudden change to Manchester's sub-zero weather was difficult. Mrs. Lyons and Mrs. Hardenbergh found the food their greatest problem. "They never mix sugar and salt in a recipe and their taste buds are extremely sharp," Mrs. Lyons added. The Chileans never eat fruit and vegetables mixed as often prepared in a salad and, Mrs. Lyons continued, they use oil instead of butter to flavor their food. But the girls have enjoyed new foods especially ice cream, Tere added and Toya favors beef steak and beef stew.

Tere pointed out that their summer vacations are between January and March as well as a two-week holiday in July so while in the States, they will miss only 3 months of their own schooling. "I like school and am very happy to stay here," 15-year-old Tere said and added that her favorite subject was Algebra 11. She would like to become a dentist and look forward to a visit to the UM Dental School. Her family consists of an 18-year-old sister, a brother 17 and 12-year-old twins, a sister and a brother. Her father manufactures mens clothing and owns a clothing store. She enjoys horseback riding, swimming and is learning to skate.

Toya enjoys all her school subjects especially art and gym. She, as well as Tere, had never seen snow but are fast learning and enjoying our winter sports and for Toya, her favorite is skiing. She also likes ping pong and horseback riding, a sport she can enjoy at her fathers farm where he raises potatoes, oranges and lemons and at which Toya expressed surprise at "my bottle of lemon juice," Mrs. Lyons added. "She's used to picking a fresh lemon whenever she wants one." Toya has a 19-year-old married sister, another sister 15 and a ten year-old brother. She recently received word that her uncle will be in the States in March and hopes to see her then.

In Chile, the language is Spanish and the girls knew very little English when they arrived but "are doing better every day," Mrs. Lyons said. The Hardenberghs and the Lyons are enjoying their visitors "to the hilt" and have plans for the girls to visit points of interest throughout Michigan before they leave. "We've also learned a great deal about another country," both families pointed out. Tere extended an invitation on behalf of both girls and their country when she said, "The Chilean people are very friendly, especially with foreigners, so I hope you'll go there some day." Perhaps more than one Manchester family will accept the invitation after knowing Victoria Gonzalez Rodriguez and Maria Teresa Andraza Magunacelaya.
