MEMORIAL SCHOLARSHIP SET UP IN MEMORY OF JOHN TRUESDALE

The Clinton High School Government Class and the Spanish Club are setting up a Scholarship in memory of the late John C. Truesdale. A deserving senior of Clinton High will receive the scholarship. You can donate toward this scholarship by sending a check to Clinton High School. The Government class or the Spanish Club.

OBITUARY

William A. James
612 Vernon St.
Manchester

Age 78 years died Friday morning at Herrick Memorial Hospital in Tecumseh following an extended illness. He was born Aug. 19, 1892 in Hardin County, Ohio, the son of Samuel and Judith Van Slyke James. He was married to Ethel Lamb on Oct. 29, 1919. She survives. Mr. James was a retired farmer. In addition to his wife he is survived by: 1 daughter Mrs. Dennis (Wava) Headstrum of Denver, Colorado, 2 sons Forest of Manchester and Robert of El Paso, Texas, 13 Grandchildren and 3 Great-Grandchildren. Funeral services were held Monday at the Hanson Funeral Home in Ada, Ohio. Burial was made in MacDonald Fairview Cemetery in Hardin County Ohio.

OBITUARY

Miss Clara E. Landwehr
Formerly of 20433 Bethel Church Rd.
Manchester

Age 94 years died suddenly Feb. 5 at the Cedar Knoll Rest Home near Grass Lake. She was born November 17, 1876 in Washtenaw County the daughter of John and Catherine Dietle Landwehr. She was a life long Manchester area resident. She was a member of Emanuel United Church of Christ. Survived by, one sister, Miss Emma Landwehr, also a patient at Cedar Knoll, and two nephews. Funeral services were held Sunday with Rev. Ralph Kuether officiating and burial was in Oak Grove Cemetery.

MEETING

The Washtenaw County teen leader meeting will be held February 15 at 7:30 p.m.

PRODUCTION CREDIT ASSOC. DIRECTOR ELECTED

Mr. Norman Brassow of Dexter was reelected to a three year term as a Director for the Production Credit Assoc. of Southeastern Michigan. Mr. Brassow farms in partnership with a son on a dairy farm near Dexter. The statement of condition showed the Association having loans outstand-

ing of 9,898,000.00 dollars. Last year it loaned over \$12,700,000.00 to over 900 farmers in the area. Production Credit Associations have become a major source of short and intermediate credit to the agricultural community. Not only does the system benefit farmer members it serves but also adds to the economy of the entire community.

WEST BRIDGEWATER EXTENSION

The West Bridgewater Extension Study Group will meet at the Bridgewater Town Hall February 15 at 7 p.m. for a Jewish Food potluck dinner. Dorothy Mahrie and Dorothy Cook are in charge of the meeting.

WHEREVER YOU GO
WHENEVER YOU GO

Travelers Checks are not the most profitable service a bank has to offer. Why then does a bank, like Union Savings, offer travelers checks? Because, again, we care about your funds, even those funds you may take on a trip to Florida or out of the country. Just another example of what we mean when we say, "We Care."

February 18, 1971

GIRL SCOUT COOKIE SALE TO BEGIN FEB. 19

by Carolyn Ahrens

Friday, February 19, marks the official beginning of the Annual Girl Scout Cookie Sale. Manchester Junior Troops 653, 654 and 676 will take cookie orders door to door or by telephone through March 6. Delivery date is set for April 15-26.

Last year over 1,000 packages of cookies were sold in Manchester and this year the goal for the Huron Valley Girl Scout Council is 320,000 packages. The Huron Valley Council covers more than one county in southern Michigan and should the sale be successful, there would be a \$64,000 profit for the Council and \$16,000 to be divided among the individual troops.

The cookies still sell for \$5.00 per package. Individual troop profit is \$.05 per package, sales tax is \$.02, Huron Valley Council \$.20 and the initial cost of the cookies, \$.23 per package. The Huron Valley portion is used for purchasing new camp sites, maintenance which in this area covers Camp Linden in Brighton, and for sponsoring national and international events. Individual troops use their portion for troop projects, etc. "We do a lot with that \$.25 profit," Mrs. James (Helen) Kensler, Girl Scout Cookie Chairman pointed out. She added that the three Manchester troops are designated to cover certain areas but should a family be missed, they may call Mrs. Kensler at 428-8140.

SECOND MANCHESTER CITIZEN'S MEETING

Tues., Feb. 23 at 8 p.m. in the high school library there will be presented a "Visual Survey of Manchester" which includes photographs of Manchester and discussion of other means of surveying Manchester.

Tammy Rhoades, Kristi Kuntz, Ann Bersuder Missing: Lori Schwab, Lisa Fitzgerald

POST OFFICE CLOSED SATURDAYS

Beginning February 20, 1971, all post offices in Washtenaw County will close their finance sections on Saturdays. Following the practice of the larger offices in the county which have been closed on Saturdays since last October. Public lobbies will be closed to stamp transactions, money order purchases, registry, parcel post, information and other services. Post Office lobbies will be open to lock box customers. General Delivery mail will continue to be collected, dispatched and delivered on Saturdays as heretofore.

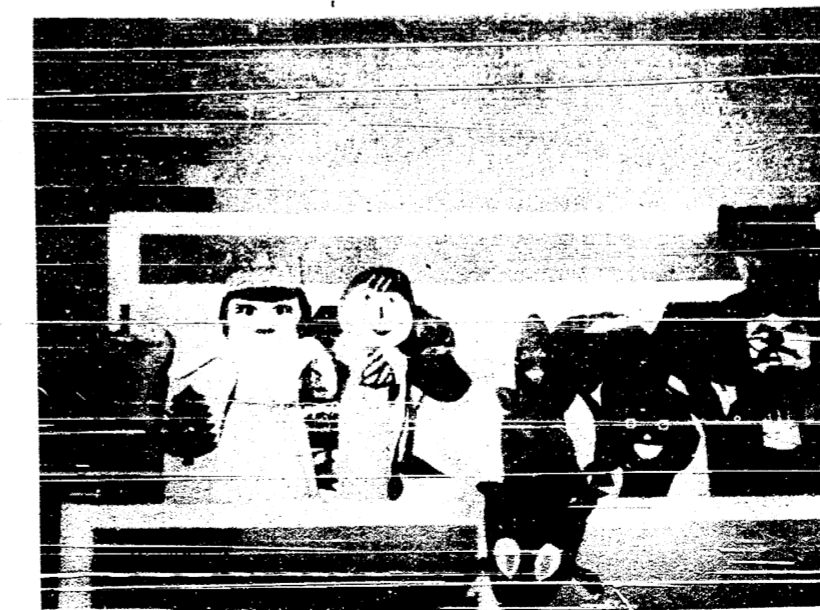

PUPPET SHOW EMPHASIZES DENTAL CARE

Last Thursday the pupils at Pleasant Lake and Klager Elementary schools were entertained by the dental assistants from Dr. Glenn Lehr's office as they presented a puppet show to help emphasize the importance and value of good home dental care.

Billy, the star of the show, was introduced to many characters of both good and bad reputation. Among them was Mrs. Beaver, well known for her beautiful white teeth; Crow, a mischievous chap who had stolen Mrs. Beaver's new toothbrush; Carrot and Tomatoe who were guards at Queen Millicent Milk's palace and the bad witch Carrie Cake and her henchman Gus Gum.

After the performance, members of Dr. Lehr's staff showed the third grade classes how to use the new Dental Health Kits which they had been given in school.

The show was presented as a part of the celebration of National Children's Dental Health Week - a week in which a concentrated effort is made to encourage children in the proper care of their teeth.

Tory and Tere
YOUTH FOR UNDERSTANDING
by Carolyn Ahrens

Chile is a long, narrow country on the western shores of South America. The country, which borders Peru to the north, across the Drake Passage looms the South Pole, to the east ranges the Andes Mountains, and the Pacific Ocean along the entire western side, is unique in shape. It has an average width of only 100 miles with the widest point 250 miles and narrowest 39 miles (15 Km.) yet Chile is over 2,000 miles (4,270 Km.) long.

Over 3/4 of the 9,000,000 inhabitants are concentrated in the central portion of the country which has a southern California-like climate while there is vast desert to the north and extreme cold in the south. The country is divided into 25 provinces, the capitol city is Santiago with nearby Valparaiso the main sea port and tourist attraction. Chile is the second largest producer of copper in the world and by tradition, an agricultural country. As further pointed out by a young visitor in this area, the mines and industries gave Chile an independent worker social class which eventually formed the middle class to which most of the people belong although there are still some very wealthy and some very poor people in Chile.

A democratic Republic, Chile was discovered in 1530 by a Spaniard, Diego de Almagro and gained their independence September 18, 1818. Their president is elected every six years with a senate of 50 representatives and a house of representatives consisting of 150 elected officials. The Christian Democracy and the Popular Union are the two main political parties although there are several smaller parties as well. Most of the people are Catholic but there is freedom of religion with Jewish, Orthodox and Protestant churches established in the country.

Between Manchester and our southern-most neighbor lies thousands of miles of vast country and water and a 14-hour air flight journey but through the Youth for Understanding student exchange program, Chile now seems a bit closer.

One month ago on January 15, Maria Teresa Andraza Magunacelaya from Valparaiso, Chile and Victoria Gonzalez Rodriguez from Donihue, located near Santiago the capitol of Chile, arrived in Manchester for a 5-month visit. Maria, or Tere (Terry) as her friends call her, is staying with the Roger Hardenberghs of Bridgewater. The Hardenberghs first became involved in the program when their daughter toured with the Youth for Understanding coral group. Victoria arrived at the Jim Lyons home to learn that Tere and she were within 50 miles of each other in their home country. The Lyons became interested in the program after reading the Emanuel Church bulletin "and along came Toya," Mrs. Lyon said.

The girls, both high school seniors, applied for the scholarship-type program with part of the application asking why they wanted to come to the United States. Grades, personality and several other factors are considered in the selection of the students, Mrs. Hardenbergh explained, and although it is set up similar to a scholarship program, the student's family is re-

sponsible for the expenses under the program. The 400 Youth for Understanding exchange students from throughout South America left Santiago for Lima, Peru then on to Miami, Atlanta and finally Detroit. They were then transported by bus to Battle Creek for a short orientation program then on to families located throughout the United States. The students are scheduled to return to their homeland June 12.

Toya had been a student at an all-girl school in Santiago for almost seven years so the Manchester school system was more than a language and study-wise adjustment. The most extreme adjustment was the weather. The mild climate is rarely below 40 degrees in central Chile and the sudden change to Manchester's sub-zero weather was difficult. Mrs. Lyons and Mrs. Hardenbergh found the food their greatest problem. "They never mix sugar and salt in a recipe and their taste buds are extremely sharp," Mrs. Lyons added. The Chileans never eat fruit and vegetables mixed as often prepared in a salad and, Mrs. Lyons continued, they use oil instead of butter to flavor their food. But the girls have enjoyed new foods especially ice cream, Tere added and Toya favors beef steak and beef stew.

Tere pointed out that their summer vacations are between January and March as well as a two-week holiday in July so while in the States, they will miss only 3 months of their own schooling. "I like school and am very happy to stay here," 15-year-old Tere said and added that her favorite subject was Algebra 11. She would like to become a dentist and look forward to a visit to the UM Dental School. Her family consists of an 18-year-old sister, a brother 17 and 12-year-old twins, a sister and a brother. Her father manufactures mens clothing and owns a clothing store. She enjoys horseback riding, swimming and is learning to skate.

Toya enjoys all her school subjects especially art and gym. She, as well as Tere, had never seen snow but are fast learning and enjoying our winter sports and for Toya, her favorite is skiing. She also likes ping pong and horseback riding, a sport she can enjoy at her fathers farm where he raises potatoes, oranges and lemons and at which Toya expressed surprise at "my bottle of lemon juice," Mrs. Lyons added. "She's used to picking a fresh lemon whenever she wants one." Toya has a 19-year-old married sister, another sister 15 and a ten year-old brother. She recently received word that her uncle will be in the States in March and hopes to see her then.

In Chile, the language is Spanish and the girls knew very little English when they arrived but "are doing better every day," Mrs. Lyons said. The Hardenberghs and the Lyons are enjoying their visitors "to the hilt" and have plans for the girls to visit points of interest throughout Michigan before they leave. "We've also learned a great deal about another country," both families pointed out. Tere extended an invitation on behalf of both girls and their country when she said, "The Chilean people are very friendly, especially with foreigners, so I hope you'll go there some day." Perhaps more than one Manchester family will accept the invitation after knowing Victoria Gonzalez Rodriguez and Maria Teresa Andraza Magunacelaya.

WHO, WHAT, WHEN, WHERE & WHY

STEPHEN BRISTLE NAMED NEW CHAIRMAN OF W.C.S.C.

The February organization meeting of the Washtenaw County Soil Conservation District Board of Directors saw Stephen Bristle of Manchester installed as chairman. Bristle succeeds Don Zeeb of Ann Arbor who did not run for re-election to the Board of Directors.

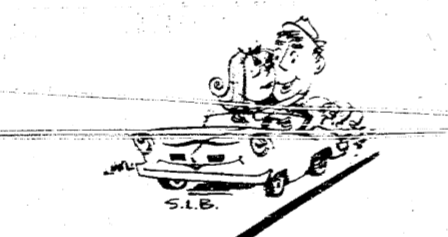

Bristle is a dairy farmer and farms about 240 acres in Freedom Township. He is married and the Bristles have 3 girls. This is Stephen's second year on the Soil Conservation District Board of Directors.

Other officers installed during the meeting were: William Nixon of Dexter was elected Vice-Chairman, Bill Fishbeck of Ann Arbor was voted as Secretary and Orrin Girtbach of Saline was elected treasurer. Archie Bradbury of Dexter is the District's Youth Director.

The District will be holding its monthly business meetings the 2nd Tuesday of each month.

WASHTENAW COUNTY LIVESTOCK BANQUET WILL BE HELD

The Washtenaw County Livestock Banquet will be held at the Chelsea High School Saturday, February 27. The banquet will start at 7:30 and will feature Mr. Mark Horner, Sales Manager for Honegger's and Company. He will be speaking on the "Challenge for Cynics." The dinner ticket will remain at \$2.50 and can be obtained from any livestock Council member.

WASHTENAW COUNTY LIVESTOCK TOUR TO BE HELD

The Washtenaw County Livestock tour will be held on Tuesday, February 23. It will be somewhat different than in the past. We will visit two farms in the morning then convene at the Pittsfield Grange Hall for lunch. The afternoon program will feature Blaque Knirk showing slides of the Great Mark-Western feedlot and processing plant and Dr. Bob Maddex, Agricultural Engineer at M.S.U., showing slides and discussing different building systems and their effect on pollution.

SCUTTLEBUTTE

Amanda and Clara Lehman have been taken to the Cedar Knoll Rest Home in Grass Lake. They are in Room 79.

The Youth for Understanding committee in Manchester will need homes this summer for the exchange students. They will be from Europe and any family interested in learning more about the program may call committee members Rev. Ralph Kuehler, Mrs. Kay Roesch, Mrs. Lillian Uphaus or Rev. Roman Reineck.

Mrs. William (Diane) Schwab of Manchester suffered a severely broken left leg last Saturday afternoon. She has returned home after a short hospital stay.

A car fire was called in to the Manchester Fire Dept. last Thursday evening about 9:30 p.m. Fire Chief Jim Kensler said the 1969 Buick Opel, belonging to L. Gorby of English Road, was a total loss although there was no one injured in the fire.

BEBE Bill says:
Be sure a passenger doesn't interfere with your ability to drive. If you are convicted of this violation, it means 2 points on your record. The Michigan Vehicle Code says this violation covers: child on the driver's lap; driver's arm around passenger; passenger's arm around driver; too many passengers in the front seat; blocking the driver's view to the right, such as might be caused by a lap sitter in the front seat. Non-official stickers on the windshield or in other places where the driver's visibility is impaired also is a violation. Watch that a passenger's conduct doesn't bring you a violation.

There will be a meeting of the Manchester Enact group on Thursday at 3:45 in room 116. The public is invited.

IRON CREEK FARM BUREAU

The Iron Creek Farm Bureau meeting has been cancelled for Fri., Feb. 19 and members are asked to attend Fun Night at the Manchester High School.

Tax day, April 15, comes on Thursday this year and there comes another long weekend.

There will be five eclipses in 1971, three of the sun and two of the moon.

A double-barrel cannon was invented during the Civil War but upon firing it proved to be a failure.

White collar workers received salary increases averaging 6.2 per cent last year, according to the U.S. Labor Dept.

HOW NOW BROWN COW? Rep. John Hunt (R-N.J.) quotes the old saw about government "isms" as follows:

SOCIALISM: You have two cows. The government takes one and gives it to your neighbor.

COMMUNISM: You have two cows. The government takes both and gives you the milk.

FASCISM: You have two cows. The government takes both and sells you the milk.

NAZISM: You have two cows. The government takes both cows and shoots you.

NEW DEALISM: You have two cows. The government buys both, shoots one, milks the other and throws the milk away.

CAPITALISM: You have two cows. You sell one cow and buy a bull. =

COUNCIL MINUTES

Council met in regular session with the meeting called to order by Pres. Little at 7:00 p.m. Trustees present were Curley, Fitzgerald, Mahoney, Reinhart, Scully and Walton. Present also was Elwin Benedict. Minutes from the Jan. 4, 1971 meeting were read and corrected. Moved by Scully, supported by Mahoney to accept the minutes all years carried. Moved by Mahoney, supported by Scully to accept the minutes. All years carried.

Don Ross was present with plans for two ice rinks. He proposed that the council allocate \$1100 in next year's budget for the materials necessary to build the ice rinks at the athletic field. The recreation committee will consider the plans and proposal and make a recommendation to the council. Curley chairs the committee. Little appointed Fitzgerald and Scully as members of the Recreation Committee.

Mr. Gordon E. Gable from Gable and Nelson who represent Mr. Edwards was present to discuss the use of the old Kimble property and railroad right of way. The owner would like to have this 2-3 acre parcel developed into multiple family dwelling units facing the river. Mr. Hewitt, developer of Mill Valley in Saline, explained that the units would be 2 or 2 1/2 stories according to specifications of our ordinance on multiple family dwellings. Approximately 30 units could be erected on the site. Council recommended that the group contact Gate Koebe and the Village Planning Commission.

Larry reported on his meeting with the State Highway Dept. regarding M-52. He suggested that there be no passing on Ann Arbor Hill in the school zone. From information gained on speed average in that section the Highway Dept. felt they could not reduce the speed for that section. They suggested either a flashing speed sign to reduce the speed at times when school is beginning or discharging speed sign to reduce the speed at times when school is beginning or discharging, the approximate cost of which would be \$2000 with 50% of it borne by the Village or 2. a stop light at Main St. and M-52, the approximate cost being \$10,000, \$5000 of which would be the Village's share, with the crossing by the guard-rail assigned to a crosswalk at the school. Larry felt that a letter from the Council affirming the second suggestion would be helpful. It was so moved by Fitzgerald, supported by Curley. All years, carried. The Health and Safety Dept. was designated to write the Highway Dept.

The Health and Safety Comm. presented the proposed snowmobile ordinance they had drafted. Mahoney suggested we table it until August because State legislature will be in effect by then. General feeling was that we should not put it off. In the ensuing discussion of the ordinance sections were changed as follows.

Moved by Fitzgerald, supported by Curley to accept Sec. 2C as stated banning snowmobiles from the full length of Main St. Yes: Scully, Curley, Fitzgerald, Nays: Mahoney, Reinhart, Walton, Little. Motion defeated. Moved by Scully supported by Curley to limit the ban to Main St. between M-52 and Washington St. All years, carried. Moved by Scully, supported by Fitzgerald to approve Sec. 2. All years, carried. Moved by Walton to change time Sec. 3 of 10 p.m. to 1 a.m., supported by Mahoney. All years, carried. On Sec. 6 it was moved by Scully, supported by Curley to put the age limit at 14 yrs. on any Village Street. All years, carried. Chief Becktel is to present the proposed ordinance to the Village attorney for any necessary modifications.

Scully reported that the radio hasn't arrived yet. Reinhart reported that he would be meeting with John Holland regarding Main St. bridge and storm sewers. Bruce had made arrangements for the grader and roller be delivered with payments set up in 3 equal amounts over a 90-day period. He reported that he had replaced the back window on the grader. Moved by Scully, supported by Reinhart to have Bruce send a letter of authorization to Consumers regarding the placement of a 10,000 lumen street light on Duncan at an annual cost of \$65. All years, carried. Moved by Scully, supported by Reinhart to have a residential light installed 475' east of the corner of Hibbard and Duncan. All years, carried.

Fitzgerald reported 3 permits:
To Freedom Electric for electrical work at 115 E. Main
Al Gaige for plumbing at 115 E. Main
Al Gaige for plumbing Duane Roller on Madison St.
As a result of the Ordinance Committee meeting recommendations were made to:
1. increase the inspection fee to \$5.00
2. keep a closer tab on permits at back of them
3. explain to the public the need for a permit
4. remedy the fact that people are not calling for inspections
Resolved by Scully, supported by Walton to change the required inspector's fee on the schedule specified in Sec. 3, Subsection of Ordinance 63 from \$3.00 to \$5.00 All years, carried.
Tom Walton was designated to write an editorial explaining to the public the need for permits.

Walton read the report from the Planning Commission meeting held Jan. 14, 1971. They recommended that we adopt the Model Subdivision Ordinance which supersedes Zoning Ordinance 45. The Council requested copies to study before acting at the next meeting. Koebe recommended that Harry Krauss and John Althouse be appointed to the Planning Commission. So moved by Mahoney, supported by Fitzgerald. All years, carried. Moved by Scully, supported by Curley to authorize Dave to contact as many civic groups as possible requesting 2 representatives from each for the U-M Architectural Group's presentation on Feb. 2 at the high school auditorium. All years, carried.

Dave reviewed letters he had written on behalf of the council in the past 2 wks. Council agreed to disburse with the review of Dec. accounts. Vouchers 1487, 88, 89 & 95 were presented for payment. Moved by Mahoney, supported by Scully to accept No. 1487, 88, 89 & 95 for disbursement from the proper fund. General Fund.

Mr. Irving Roberts	\$ 15.00
Mr. Stanton Roesch	10.00
Bob Armentrout	5.00
Mich. Hospital Service	188.99

All years, carried.

A question was brought up regarding an ordinance on horses. Mahoney suggested that the present ordinance be reviewed and perhaps revised. Resolved by Mahoney, supported by Walton to support Bruce Daniels as single Street Administrator for the Village of Manchester in all transactions with the State Highway Dept. as provided in Sec. 13 of Act 51. All years, carried. Moved by Scully, supported by Walton to adjourn. All years, carried. Adjournment 10:35.

Mary H. Wheeler, Village Clerk

COUNCIL MINUTES

Council met in regular session with the meeting called to order by Pres. Little at 7:09. Trustees present were Curley, Fitzgerald, Mahoney, Reinhart, Scully & Walton. The minutes from the January 18, 1971 meeting were read and corrected. Moved by Reinhart, supported by Scully that the minutes be accepted. All years, carried.

Police Chief Becktel presented his monthly police report: Number of Complaints: 36, Animal complaints: Dog 4, Total complaints investigated: 38. Other Departments: Washtenaw County Sheriff: 7 State Police: 3, Services rendered, etc. 53.

Traffic violations: 9 moving violations issued, 4 speeding violations, 1 improper "U" turn, 1 failure to stop assured clear distance, 1 improper passing (on right). 1

expired driver's license, 1 too fast for conditions. Total warnings: 28. Parking summons: 26.

Arrests: 3 arrests made: 1 unlawful driving away of automobile (arrest made on a warrant of State Police) by Michael Miller. 2 warrants for breaking and entering for Ronald Osborn, 3 warrants for breaking and entering for Manith Armstrong, Accidents: 4, 1 property damage, 3 personal injury. Other police activities: 10 major complaints investigated. 1/8 had new alternator installed in police car. 1/13 met with State Highway Dept. about speed and street lay out of Ann Arbor Street. 1/18 gave information on police operations to girls for a government class project. Collected and turned in \$71.00 in parking summons money for January.

Scully reported that the base station radio was set up and working out well. Becktel reported on his meeting with the State Highway Commission. At this time they will not install a light on M-52 at Main St. since there is not enough traffic on M-52 to warrant it. There will be no parking allowed north 20' from the intersection of Main St. and M-52. They agreed to review the passing - no passing intersection on Ann Arbor Hill. The State Highway Commission recommended caution signs on Ann Arbor Hill during specified hours and a crossing guard at the lights warning of slower speed during specified hours and a crossing guard at the lights warning of slower speed during specified hours and a crossing guard at the school. Such signs would cost \$3,000 rather than \$2,000 as previously estimated. They also recommended parallel parking on the south side of Main St. and no parking 30' - 50' from the intersection. Larry advised them that this was not feasible. If we are not satisfied concerning their decision on a light at Main St. and M-52 we may ask for another count on a day of our choice. It was suggested that this be done in about three months. Mahoney asked if the state would allow a light if the Village picked up the full expense.

Don Ross was present in conjunction with budgeting money for a hockey rink for next year. Curley felt after talking to several School Board members that the point of contention in building it at the athletic field is the proposed fence. Since the School Board was to meet Feb. 8 it was suggested that Don Ross attend that meeting and present his proposal for their approval and then come back to the Council about the budget. Scully suggested that Curley write the School Board asking them to advise us of their decision, since the Council has another meeting scheduled that night and will not be represented at the School Board Meeting.

Mahoney requested the clerk to put a public notice in the Manchester Enterprise of the Public Hearing for the proposed budget, fiscal year 1971 on February

15 at 8:00 p.m. Preliminary information will be due from the Public Works and Health and Safety Committee on February 9. Moved by Mahoney, supported by Scully that we accept for payment from the respective accounts Vouchers 1490-1557 voiding No. 1511, 1515, 1545, and that we hold for mailing No. 1537, 8-9 until funds are transferred from the General Highway Fund to Major and Local Streets and No. 1519, 20, 21, 49 until account numbers are verified.

Total			\$2,252.74

All years carried. Reinhart reported on a suggestion from Rev. Kuether that money be budgeted to set up a youth counselor program, possibly done in conjunction with the Optimists and other civic groups. Discussion ensued. Mahoney suggested that the young people need something 1) to look forward to 2) to enjoy 3) which will displace just hanging around. However, a concrete program is necessary. Groups would allocate money if something could be resolved. Curley indicated that Jan Huber had a proposal he wished to discuss with the recreation committee and which would be reported on at the next council meeting.

Fitzgerald informed the Council that he had submitted his annual report to the Township Supervisor for assessment use. A letter from the Chamber of Commerce regarding a restrictive sign ordinance was discussed. Mahoney suggested such an ordinance include recommendations for signs.

In talking to Dave Little Dave Harit of the Washtenaw County Planning Commission suggested that the Village delete section 300.3 of the Model Subdivision Ordinance. Dave Little felt the Council should look over the ordinance further before adopting it.

Fitzgerald read Ordinance No. 89. An Ordinance to regulate the operation and use of snowmobiles within the Village of Manchester, as prepared by the Village Attorney. Moved by Wendell, supported by Mahoney that the proposed hours during which a snowmobile may not be operated within the Village be changed from 11 p.m. to 7:00 a.m. to 12 p.m. to 7 a.m. Yes: Walton, Reinhart, Mahoney. Nays: Fitzgerald, Scully, Curley, Little. Motion defeated.

Pres. Little reminded the Council of the Feb. 2 meeting with the U of M Landscape Architectural group and the Feb. 4 meeting of the Planning Commission at which a film is to be presented.

Reinhart reported that he would be meeting with Andy Kost and John Holland after Feb. 15 about the bridge and storm sewers. Bids were reviewed for the Village owned 1928 Caterpillar Motor Grader: Neil Baggett \$328.00, David O. Curtis \$101.95, Wm. Powell \$502.00. Moved by Reinhart, supported by Fitzgerald

that the Council accept Wm. Powell's bid of \$502.00 All years carried. A letter was read from Consumers proposing the installation of mercury vapor lights on Madison St. near the post office. Moved by Curley, supported by Mahoney to authorize Bruce Daniels to accept the proposed mercury vapor lights from Consumers. All years, carried. Moved by Scully, supported by Curley to adjourn. All years, carried. Meeting adjourned at 9:50 p.m.

NOTICE BOARD OF REVIEW MEETINGS

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF MANCHESTER

That the Assessment Roll of said Village as prepared by the undersigned will be subject to inspection at

120 S. CLINTON STREET

In the said Village, on

MONDAY, MARCH 8, 1971

And on the following day if necessary, also on

TUESDAY, MARCH 9, 1971

At which place, and on each of said days, said Board of Review will be in session at least six hours, beginning... a check in the afternoon of each day, and upon request of any person who is assessed on said roll, or of his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment on such property in such manner as will in their judgment make the valuation thereof relatively just and equal. After said Board shall complete the review of said roll, a majority of said Board shall endorse thereon, and sign a statement to the effect that the same is the assessment roll of said Village for the year in which it has been prepared and approved by the Board of Review.

NOTICE OF HEARING

On March 8, 1971, the Freedom Township Zoning Board will conduct a public hearing in the Township Hall at 8:00 p.m. E.S.T. The purpose of this hearing is to review the rezoning request from R-1 to CM-1 on the following parcel of land:

Commencing at the northwest corner of Section 22, Town 3 South, Range 4 East, Freedom Township; thence south 10.67 chains in the west line of said section for a POINT OF BEGINNING; thence east 203.52 feet; thence south 222 feet; thence northwesterly to a point in the west line of said section; thence north 99 feet in west line of said section to the POINT OF BEGINNING, being a part of west 1/4 of the northwest 1/4, Section 22, Town 3 South, Range 4 East, containing 0.75 AC of land, subject to the rights of the public over the existing adjoining highways, Freedom Township, Washtenaw County, Michigan.

All persons residing in Freedom Township and wishing to express themselves are invited to attend.

Willis Uphaus,
Chairman

Freedom Township Zoning Board

LEGAL NOTICE

ORDER TO ANSWER

STATE OF MICHIGAN

File No. D-8301

in the Circuit Court for the County of Washtenaw.

Shirley Mozzani, Plaintiff vs. Dominic James Mozzani, Defendant.

On February 1, 1971, an action was filed by Shirley Mozzani, Plaintiff, against Dominic James Mozzani, Defendant, in this Court to obtain a Judgment for Divorce.

It is hereby ordered that the Defendant, Dominic James Mozzani, shall answer or take such other action as may be permitted by law on or before April 7, 1971. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this Court.

Rodney E. Hutchinson
Circuit Judge

Date February 1, 1971

IN LOVING MEMORY of Harold Brustle who passed away 3 years ago February 20th.

He little thought when leaving home He would return no more That he in death so soon would sleep And leave us here to mourn

We do not know what pain to bare We did not see him die We only know he passed away - And could not say good bye

When links of life are broken And loved one have to part It leaves a wound that never heals An ever aching heart

When evening shades are falling And we sat all alone To our heart comes a feeling If he were only home

Friends may think we have forgotten When times they see us smile But little they know the heartache Our hearts hide all the while

Life goes on, we know that's true But not the same since we lost you. Sadly missed by wife, mother, sisters, brothers nieces & nephews.

CARD OF THANKS

Thanks to all who sent cards and good wishes to me during my months stay in the St. Joseph Hospital and Chelsea Medical Center. Any act of kindness to my husband during this time is very much appreciated. To Rev. Damberg for his visits and to all who offered prayers for my recovery.

ELECTROLUX

COACHES CORNER

Brad Roberts has been brought up the the Varsity basketball team to give additional help for the last three games and in the tournaments. We draw next Monday at Napoleon for the tournament.

The JV's has their best night of the year against Grass Lake when they won 77 to 42. Their record is now 6 and 7. Sophomores Brad Roberts and Mandel Armstrong along with Freshman Tom Popkey and Rich Kennedy provided most of the scoring punch for them.

The Varsity played well against Grass Lake also but it seems we play well against the good teams and poor against the weaker teams. We are now in the cellar of the league as Morenci and Clinton have won two games and Manchester has a single victory in the league.

This week's opponent, Morenci, is the shortest club in its league, but as three of the leading scorers, McDowell, Farquar, and Sprague are very good outside shooters and we will have to get a great effort from our big men to control the boards and give them only one shot.

We Care*

.... thats why we say,

yes

We have been accused of staffing our loan department with "Yes Men". It is true. Our loan people say "yes" much more often than they would think of saying, "No". Reason enough why more folks from the Manchester area come to Union Savings Bank when they need money. Come in, meet the "yes men" in our loan department the next time you need funds.

MEMBER F.D.I.C. MANCHESTER

earn *passbook savings account*

daily interest

We pay 5% daily interest (5.09% effective annual rate) on passbook savings accounts. This is the highest rate paid on passbook accounts in this area. Banks pay 4.5% daily interest with an effective annual rate of 4.55% approximately. Any way you slice it, compound it, or figure it you get more interest on your money at the "FED"...about 1/2% more on your regular passbook savings account. Over the years this becomes significant. This is the year to switch to the "FED" and make the most of your money.

SIGNS OF THE FUTURE "TODAY"

EIGHT IN A ROW WITH FOUR TO GO

After trailing 16 to 18 at one point, the Manchester wrestlers stormed back to beat Milan 14 to 18 Thursday night and record their eighth straight victory. Steve Gross started things off with a pin at 98 pounds. Bob Preston and Dave Roberts added decisions. Mike Johnson came through with a pin at 128 pounds before Manchester hit a snag. Mark Chapin picked things up with a 19 second pin at 157 pounds followed by a decision at 157 by Chuck Benedict. Not to be outdone, Ken Tindall pinned his opponent in 16 seconds at 185 pounds. Hugh Haeussler topped things off with a pin at heavy weight.

The wrestlers are now second in the league and travel to Morenci on Thursday, Feb. 18, to Hudson for the League Tournament Feb. 20, to Onsted Feb. 22 and have a meet at home with Hudson Feb. 25.

BIG THREE DO IT AGAIN FOR DUTCH VICTORY

Coach Gulliver has aged a bit in the last couple of weeks as his wrestling team had to come from behind again in order to down Hudson last Tuesday night.

Chuck Benedict, Ken Tindall and Hugh Haeussler have been the "cardiac kids" as they have withstood the pressure and scored pins in order to score a victory for the team.

Dave Roberts ran his victory string to 15 as he scored a pin in the 119 pound weight class. Other point getters for Manchester were Steve Gross, Greg Bertke and George Merriman.

The league tournament will be Saturday February 20 at Hudson and could very well decide the league championship.

MANCHESTER OPTIMIST OUT-STANDING CITIZEN

Mary Simmons, a junior at Manchester High School is the Manchester Optimist Club Outstanding Citizen for the month of February. Mr. and Mrs. Amelto Simmons of 222 Hibbard Rd. are Mary's parents.

Mary is very active in class, club and outside affairs. She is the secretary of the Girl's Athletic Assoc., president of the Future Teachers Assoc., treasurer of her junior class this year and last year. Mary has helped in all class activities. She holds membership in the German Club and the Ecology Club. The Ecology Club is presently involved in a glass pick up campaign.

FATHER - SON BANQUET FEB. 28

Emanuel United Church of Christ is pleased to announce its annual Father and Son Banquet to be held Sunday evening, February 28th, at 6:00 p.m. in the Parish Hall. It is being held on the Sabbath that everyone might be free to attend. In addition to the usual fine food, the men can expect a good program. The speaker for the banquet will be Mr. Jeff Zahn who currently plays for the minor league ball club with the Los Angeles Dodgers. His club was last year's winner of the Triple A Championship. Mr. Zahn is also affiliated with the Fellowship of Christian Athletes and should prove to be most interesting.

Tickets are currently on sale at Lannom's Variety Store, Grossman-Huber's Gulf station, Mann's Mill and through the Church Office, phone 428-5671. Tickets may be purchased until Friday noon, Feb. 26th. The cost: Adults \$2.00; Children twelve and under \$1.00. Plan to attend.

MANAGEMENT CHANGED AT DOUBLE A PRODUCTS

D.A. Roach, President of Double A Products Co. and General Manager of the Hydraulics Division of Brown & Sharpe Manufacturing Company, was elected Executive Vice President of the Brown & Sharpe Manufacturing Company at the regular February Director's meeting held at the company's headquarters in Rhode Island.

Mr. Fred V. Gieryn, formerly Vice President Marketing of Double A Products Co., Brown & Sharpe Hydraulic subsidiary, has been chosen to succeed Mr. Roach as General Manager of the Hydraulic Division and President of Double A.

GLASS PICK UP

Enact Recycle Glass Pick-up Saturday, February 27 from 10:00 to 2:00. Call 6-9421 if you have glass to give.

DEATH OF THE ENTERPRISE

Next week will be the last Enterprise. After that we are ceasing publication on a weekly basis. The reasons are economic.

The biggest losses have been those ads through Michigan Press Association. They used to send Ford, Chevrolet and Pontiac ads every week when we first purchased the paper in 1967. Those advertising agencies that handled these accounts have quit putting ads in small weeklies like the Enterprise. This reason was, needing more money for T.V. ads which reach more people.

The next biggest hardship in our case was no advertising from the two grocery chains represented in Manchester. Each has its own flyer so neither uses the paper as a means of getting response. We are almost unique in not having at least one full page grocery ad per week.

We're not trying to blame anyone, just citing the economic reasons we cannot continue to produce a weekly paper at an actual loss as we have been doing for over a year. At our best period we only broke even.

In discussing stopping the paper with interested individuals in town, they requested that a make a plea and try to get more advertising. Figuring out on paper what it would take to make a profit on the paper, we would need a minimum of 16 pages (8 full size like the Ann Arbor News). When we were working full time on the paper and called on advertisers the biggest we ever got was 14 pages and 4 to 6 of those were of outside ads.

Ceasing publication was a hard decision to make, but starting at our mounting bills we could not justify subsidizing Manchester at our expense. In addition, we are ashamed to send out the measly 6 page paper with nothing in it telling about Council, Planning Commission, School Board, etc. When we bought the paper we were proud to have our name on the masthead. Everyone didn't agree with the stands we took but we had reader interest, lively elections and people talking about their community. Now, because we can't afford to spend time on the paper, the whole community seems to be drifting back into mediocrity.

We want to thank those loyal supporters who advertised week after week and who appreciated our efforts in coming out on time for the past 4 years. They have kept the paper going and we truly appreciate it. Also we would like to thank the subscribers. After taking over the paper in '67 we increased by about 500 subscribers which is roughly a third of the total. Back when we bought the paper we believed that if we came out on time each week, and had items of interest, that the advertising would come. We succeeded in getting everyone interested except the advertisers.

Our future plans call for a monthly publication called "Blaze Magazine". It's front will be like Time or Newsweek. It will serve Manchester as an information media, but we are going outside for additional stories and advertising. Our reason for publishing a magazine is that we can't in good conscience abandon Manchester to silence. (We also do several other magazines of like size and are trading the News paper press for better equipment for our printing plant.)

We hope that we will get some local support so we can at least have a means of communication in Manchester. We are going to print 2,000 copies. All our present subscribers will get their new magazine at the same price of \$3.00. The balance of the magazine will be sold throughout the county. We hope to revive interest in Manchester with good stories. And make it pay with local and outside advertising (our cost of producing it will be about 1/2 of our present expense).

As for the future of the Enterprise, we will keep the name registered and retain ownership, but after next week it will not be published.

IRISH HILLS MERCHANT HAS OVER 700 GUNS

Dave Young recently purchased an unused building on US 12 in the Irish Hills and has set up his business of buying, selling and trading guns. He has over 700 guns in stock and they make an impressive sight. In addition he has a small line of antiques, some groceries and some hardware items. Dave says he will buy-sell or trade anything, (or almost). It's worth a visit just to look at the guns.
