

National FHA Week

March 28 through April 3 is National F.H.A. Week. The Manchester High School F.H.A. Club will be doing three projects, one for our school, one for our community, and one for our country.

For our community we are letting the people of our town know about our school's different clubs, their activities, projects and what they stand for.

For our school we will give our faculty a bowl of apples, and for our country we will be having a bake sale, with the proceeds going to the American Cancer Society.

PEP CLUB

This club helps build enthusiasm and develops school-team spirit. The membership is open to all students.

The club helps to put on side at assemblies and pep-rallies on the field for foot-ball games. We also have a poster contest in which every class tries to out-do the others in color, style, and meaning, to help with spirit of the team. As games we try to get everyone to help cheer along with the cheer-leaders.

To help the spirit along the Pep Club also sells pens saying "Manchester Flying Dutchmen" and are now planning to sell Maroon and Gold Dutch Antenna Flags for cars, bicycles, etc., which will go along with the pens.

This year the girls volunteered to ride along in the Jaycee Donkey Basket-Ball Game. This was loads of fun, but we were a little sore for a few days.

GERMAN CLUB

The German Club directed by Miss Wolff has been one of the busiest clubs around. Since our initiation dinner we have had several bake sales, a rummage sale, and are now planning spring visits to Frankenuth and dinner at the Old German Restaurant in Ann Arbor. All members must have taken one year of German and each has their own individual account, through which everyone receives their share of the profits.

THE MANCHESTER VARSITY CLUB

The Manchester Varsity Club has been organized for the past 14 years, and is open only to students who have earned major awards in high school athletics.

The club is organized to earn money for various school projects. Some of the projects already achieved by the club are: track warm-ups, new varsity basket-ball blazers, track hurdles, room lens for T.V. foot-ball travel bag, and are going to try to get a weight-lifting machine within the next two years.

The Manchester Varsity Club puts on the Junior High Invitational Tournaments each year, helps the Athletic Boosters with Fun Nite. We gave money to the Napoleon Athletic Department hoping they could keep promoting an Athletic Program, for we certainly realize how important it is. We also said hats this year to earn more money.

SCIENCE CLUB

Although the Science Club does not have very many members, the club has been quite active. The Club has attended "Technology 1971" at the University of Michigan, and is currently planning a Science Fair for April 27. Several members are also working on individual projects.

The "Technology 1971" is sponsored by U of M College of Engineering for the purpose of providing high school students in this portion of Michigan an opportunity to go on tours and listen to lectures that would not ordinarily be available to them. There were lectures on electrostatics, civil engineering, and aerospace. Among the tours were ones to the nuclear reactor, the wind tunnels, the auto laboratory, and one allowed students to visit with a computer.

The Science Fair on April 27, is to be held in conjunction with an art showing by the art students, at the high school. Students from all science classes will submit projects for judging. Awards will be given to the top projects. It should prove to be an exciting event. See you there!

F. F. A. ACTIVITIES

The following is a list of F.F.A. projects or activities and the reason for them: Mowing school lawn, to raise money for awards trip to Kansas City.

Com. Project, to raise money for general fund, and to gain experience for those who have never done it before.

Steward Sanitation Sale, retail sales experience, and money for general fund.

Awards Trip to FFA National Convention held in Kansas City, Mo., in October, to reward outstanding participants in chapter activities.

Leadership Contests to develop leadership qualities. Farm Forum, 1st. district 2nd. region, gold award to discuss farm problems. Demonstration - 1st. district, 3rd. region to demonstrate abilities.

Parli Pro - 2nd. district, Silver Award to show Proficiency in Parliamentary procedure. Public Speaking - 2nd. district, Silver Award to develop speaking abilities.

Field Trip to Stockbridge MABC Selective Service Seminar to learn how to raise broilers and use them for our banquet.

Field Trip to Lansing, Michigan for Farmers Week to see new ideas in farming.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is an organization of girls who take an interest in Home Economics. Our club has done several different activities this year for the community and school.

We held a Scavenger Hunt to get foot food for people, also the girls put a lot of energy into a Powder Puff ball game. Another activity of the club was Daddy Date Night, which gave the boys a chance to take an interest in H.M.A. and the girls a chance to show the world they have been doing in the club.

In April several girls have the opportunity to go to a State Convention to learn more about F.H.A. The future officers hope to improve and keep up a good job, as the officers have done this year.

Also in May, two big activities which will be held are, the Style Show, and a Mother-Daughter Banquet.

The club has enjoyed doing these things for the community and school.

F. N. A.

The Future Nurses Club provides students interested in the Medical Profession with the opportunity to visit neighboring hospitals and to learn more about this type of work as a career. This year we have visited the Jackson Foote Memorial Hospital, Saline Hospital, and the Chelsea Medical Clinic, and are scheduled at the Herford Memorial Hospital. Our projects have been a Banquet Dinner, Bake Sales, and the refreshment stand at the Girl's Powder Puff games. Also we have F.N.A. pens and charms that we are ordering for our club members, and are scheduling volunteer workers at the Saline Hospital.

VISAGE

The Visage Staff is the group responsible for putting together the high school yearbook. This includes everything from taking our own pictures to organizing and laying out the pages.

The yearbook is a student project - made up of mainly upper-classmen. At the present time, the staff is very concerned with the financial aspect of producing a good book. The advertising program, the biggest source of income is nearly completed. Other money making projects include, selling sandwiches at noon and we have sponsored a dance.

Everyone is invited to attend services Good Friday, at this union service or any other time. Anyone who calls himself Christian let him gain wisdom and strength from daily worship.

FILM SPONSORED BY SHARON

The Young Adults of Sharon United Methodist Church are sponsoring a Walt Disney movie Wednesday, April 14, at 2:00 p.m. in the All Purpose Room at the Middle School. The film "Rusty and the Falcon" is open to all school children, admission is 25 cents.

Will You Help!!

A house is needed, preferably in the Manchester area or between Manchester and Rawsonville, for the William R. Brown family which burned out on March 23rd. WILL YOU HELP? Since the burn-out the eight children and father have been living with relatives in Brooklyn and Onsted, and the school children have been commuting to their former Manchester school bus to keep up with their classes.

All of the clothing and essentials that the family can handle at this time while living in already full houses with relatives have been picked up. An Aunt, Mrs. Robert Davis of Onsted, expressed the appreciation of everyone who has come to their so bountifully. "It is fabulous the way people have opened their hearts to help us," she said.

Mrs. Reck is holding the list of items offered by neighbors far and near -- the things that will have to wait for a house in order to be used and accepted. If anyone is going to be disposing of usable furniture and furnishings, please list them with Mrs. Reck. A stove, refrigerator, dining table and small automatic washer are large items that have already been offered. The Red Cross burn-out committee hopes that donors will not have to wait too much longer to have their gifts moved to the much needed house.

Townships Increase 71 Budgets

Elected and appointed Sharon Town- officials were given pay increases \$17,000 budget was adopted for year. The supervisor's pay was raised from \$600 to \$2,400, the clerk's salary was raised \$400 to \$1,500, and the treasurer received a \$500 increase, to \$1,000. Board of Review members were paid a pay raise from \$20 a day, to \$25 a day. A member of the Zoning Board Zoning Appeals Board will receive \$9 per meeting.

MANCHESTER

The 1971-72 proposed budget for Manchester Township was hiked from \$400 to \$43,013.50. The supervisor, treasurer and clerk received salary increases of \$200 more each year. Volunteer firemen will now receive \$1.50 per hour for fire runs. Before, they received \$1.00. The road improvement fund budget increased from \$2,496 to \$4,000. Increased was the proposed town-library fund budget from \$4,236 to \$4,800.

DOM

Freedom Township residents approved a \$500 budget for this year, the same amount that was allocated last year. Residents also voted to pay for chloride on all township roads. Township meetings will be held quarterly beginning in April.

DOGWATER

The 1971 - 72 proposed budget of Dogwater Township of \$19,566 was passed during the annual township meeting. This figure represents a 10 percent increase over last year's budget. The budget hike is attributed to an increase from \$4,200 to \$5,000 for salaries for township roads and for general expenses. Salaries for township officials were unchanged.

ENGAGED

Mr. and Mrs. Robert J. Popkey of Manchester, Michigan are announcing the engagement of their daughter Judy Marie, to Rodney James Hoelt, son of Mr. and Mrs. David Hoelt also of Manchester. Judy is employed at the National Bank and Trust in Ann Arbor, and Rodney is employed by Short Hill Gravel Co., in Manchester. A September 4, 1971 is planned.

TREES AND SHRUBS STILL AVAILABLE

Stephen Bristle, of Manchester, announces that the Washtenaw County Soil Conservation District is still accepting orders for evergreen trees and shrubs for the spring planting season.

The Soil Conservation District still has the following species available: Blue Spruce, White Spruce, White Pine, Red Pine, Scotch Pine, Autumn Olive and Multiflora Rose.

The distribution of trees and wildlife shrubs has become an annual event for the Washtenaw County SCD. The seedlings are made available to landowners in the interest of promoting conservation plantings. Last year, over 206,000 trees and shrubs were provided to 400 landowners and organizations.

According to Bristle, tree planting has a number of environmental benefits. Trees can be planted for erosion control, wind-breaks, reforestation, Christmas trees and natural beauty. Wildlife shrubs provide food for songbirds and other wild animals in the form of berries.

For those who would like to do some planting but do not have the time, there are several groups interested in doing both machine and hand planting. In addition, the Washtenaw County Soil Conservation District has several machine tree planters available that can be used for a very nominal fee.

The deadline for ordering tree and shrub planting stock is April 15. Order forms and a complete price list can be obtained by writing or calling: Washtenaw County Soil Conservation District, 6101 Jackson Road, Ann Arbor, Michigan 48103. Phone: 761-6721.

EXPLORER SCOUTS

This is the first of hopefully many monthly articles to tell the people of Manchester what their Explorer Post 404 is doing.

The post has already planned a canoe trip for the summer. We have also planned to have a practice run on Sunday, April 18th, from one o'clock to five-thirty. The post does need a few more canoes than are now available, and if you could lend a canoe for this date it would be most helpful. If you can, call 428-3069.

Don Brown, the president of the post will be receiving his Ad Altamè Dei award for service to God and his country. He will be awarded at St. Mary's Church at 6:45 p.m. on Thursday, April 15th, congratulations Don!

Give Blood Good Friday

Blood is urgently needed in all of Washtenaw County as well as across the country. Because of this need the Red Cross reminds you that there is an Open Clinic at the Red Cross Center at 2729 Packard Road in Ann Arbor on Friday, April 9 from 1 to 7 p.m.

One can give to his own club (if it is Manchester, please designate this), to a personal account for family or friend who owes blood at a hospital anywhere in the United States or a family account if he is not a member of a club.

What better way to spend 45 minutes of that Good Friday afternoon off? Please call for a reservation at 971-5300 so you will not have to wait in line -- but be sure and come!

Manchester's own Bloodmobile from the Red Cross Regional Center in Detroit will be at the United Methodist Church on Monday June 7 from 12 to 6 p.m. If one is in good health one can give five times a year and many donors do. Or, if this date is more convenient than June 7 especially for families of employees in Manchester who live in Ann Arbor, make a date, give blood and save a life.

Civ-Art

On Tuesday, April 13, at 8:00 p.m. in the high school library, the Civ-Art group will make their final presentation to the community on the findings of Manchester. This group arrived at these findings through studying Manchester, talking to citizen groups, and questionnaires given to the public. There will be a visual presentation, giving an excellent opportunity to view our home town through new eyes. Recommendations will be given on preserving the best qualities of Manchester, as well as making the citizens aware of the positive attributes of the community. This will be an open meeting, and everyone is invited to attend.

SHAKESPEARE CLUB

The Shakespeare Club will meet at the Emanuel parking lot Tuesday, April 13 at 11:00 a.m. to go to Leutheuser's Restaurant in Saline for luncheon. After the luncheon a Mystery Trip is planned. This will be the last meeting until fall.

Serve A Different Cherry Pie

A quick and different cherry meringue pie uses thickened canned cherries and a meringue sprinkled with cinnamon sugar for a spicy flavor.

SPICY CHERRY MERINGUE PIE

- 1 8-inch baked pastry shell
- 2 egg whites
- 1/2 cup sugar
- 4 tablespoons sugar
- 2 tablespoons corn starch
- 1/4 teaspoon desired flavoring
- 1 (16 to 17-ounce) can water pack cherries
- 2 tablespoons cinnamon sugar (about)

Combine 1/2 cup sugar and corn starch in saucepan. Drain juice from cherries and blend with sugar mixture. Add cherries. Stirring constantly, bring to boil and boil 1 minute. Pour immediately into baked pastry shell.

Beat egg whites until foamy. Add 4 tablespoons sugar, 1 tablespoon at a time, beating well after each addition. Continue beating until stiff peaks form when beater is raised. Beat in desired flavoring. Spread some meringue around edge of filling first, to touch crust all around; then fill in center or arrange in peaks in center. Sprinkle with cinnamon sugar. Bake until meringue is lightly browned, 15 to 20 minutes in 350° F. (moderate) oven or about 5 minutes in 425° F. (hot) oven. Cool at room temperature, away from drafts.

For 9-inch pie: Prepare double recipe of filling. Increase ingredients for meringue to 3 eggs whites and 6 tablespoons sugar.

A Union Savings Checking Account Makes it Easier

Usually, nothing is especially "easy" about filling out your income tax. Your cancelled checks, though, make your deductions easier to find... and to prove! You'll be doing it again next year. Better open that checking account this year!

Council met in regular session with the meeting called to order by Pres. Little at 7:07. Trustees present were Benedict, Mahoney, Fitzgerald, Scully, Reinhart, and Walton. The clerk swore in Walton for a two year term of trustee. The minutes of the March 1 regular meeting were read and corrected. Moved by Fitzgerald, supported by Reinhart to accept the corrected minutes. All years, carried. The minutes from the annual session held on March 11, 1971 were read. Moved by Scully, supported by Mahoney to approve the minutes. All years, carried.

At 7:25 Irv Roberts of Consumers Power Co. read a letter requesting a resolution to terminate the present contract. The revised contract would be in effect until March 1, 1973, with its inception March 1, 1972. Resolved by Mahoney, supported by Scully, that it is hereby deemed advisable to enter into a letter agreement with Consumers Power Company, of Jackson, Michigan, for the purpose of establishing March 1, 1973, as the termination date of the existing municipal pumping contract dated February 17, 1958, between the Village of Manchester and said Consumers Power Company; and Resolved, further, that the President and Village Clerk be and are authorized and directed to execute such letter agreement on behalf of the Village. All years, carried.

Bectel reported that he had called the sign company and ordered a sample sign which should arrive in time for the Jaycee meeting. Fitzgerald read the letter from the Jaycees requesting a representative from the Council at the next regular Jaycee meeting. Fitzgerald was asked to represent the Council. Resolved by Reinhart, supported by Fitzgerald that a request from D. E. Lempert for a new Dance Permit to be held in conjunction with 1870 Class C and SDM licenses located at 115-119 East Main Street, Manchester, Michigan 48158, Washenaw County, be granted. All years, carried.

Reinhart advised the council that there would be a meeting with Andy Kost in two weeks regarding the bridge on Main Street. According to tests done so far the cement seems to be in bad shape. Possible a new structural slab will be necessary. A parcel of land, described as Original Plat-All that part of Blocs 19 and 20 lying N of Pulhemus Addition and the NE 1/4 prolongation of the SE line of Pulhemus Addition, was offered to the Village by the State of Michigan, Dept. of Natural Resources for \$1.00. Moved by Reinhart, supported by Walton to buy the above described property for \$1.00, under option 2 of the application. All years, carried. Resolved by Fitzgerald, supported by Scully that repair work to be done on sewer lines beneath M-52 be done solely at the risk of the Village. All years, carried.

Fitzgerald read the Chamber of Commerce's suggestions on the proposed amendment to the sign ordinance:

- 1) that a three man committee be appointed by the Mayor to serve as a reviewing board for all sign applications to be erected within the village limits.
- 2) the guidelines of this committee should include:
 - a. all signs to be of appropriate size for intended use
 - b. all signs to be painted with a one face or a two face sign in the style used at the "turn of the century"
 - c. the illumination of such signs would be by incandescent lighting
 - d. the mounting of the sign would be subject to the approval of the Building Dept. for safety
 - e. that all existing signs would, after the adoption of the new sign ordinance, comply at the time of their replacement.

Moved by Reinhart, supported by Benedict that the Chairman of the Planning Commission, Chairman of the Ordinance Committee, and Vice Chairman of the Chamber of Commerce to the above suggested committee. All years, carried. Fitzgerald was requested to be appointed to advise the Chamber of Commerce of the Council's action.

A letter from the Chamber of Commerce concerning a proposed parking ordinance offered a committee to work with the Village Council in coming up with an acceptable solution. Moved by Fitzgerald, supported by Scully to accept the committee of Ted Stautz, Roscoe Lannom, and Dick Krauss. All years, carried.

Fitzgerald reported one permit: Ben. Evilsizer 801 City Rd. Aluminum siding. Moved by Mahoney, supported by Scully that vouchers 1602-1645, voiding 1609, rewriting it on two separate vouchers, be accepted for payment from the respective accounts, and holding voucher 1614 until released by the ordinance committee. All years, carried.

Those Were the Days

Manchester, Michigan in 1871
Written by Nataniel Schmid in 1921

It is the intention of the writer who went to the village of Manchester, Michigan on the 12th day of April, 1871 and remained there for 47 years, to give a list of the persons who were there at time engaged in the business affairs of the village, also the professional men, mechanics and some of the older citizens, thinking it might be of interest to the present generation. In those days fifty years ago, business was conducted in a much different style than now. We knew not anything about telephones, automobiles, electric lights or water works and seldom had traveling salesmen call upon us with their samples.

We were obliged to go into the markets or order our goods by mail or wire.

We will begin on the north side of Exchange Place with the Manchester House Hotel.

Which was at that time run by one

Who was named Charles O'Dell.

This house had a reputation both near and from far

In the basement was a billiard hall - also a bar

On the first floor, where Reffel and Fish are now shaving,

Was Peabody the barber who took care of our savings.

Next east, a small frame building then there stood,

On the place where Wuerthner Brothers now

Are in the store that makes good.

Here Andrew Safe, the French shoemaker, made shoes,

And right next to him, east, John Bauer

Sold all kinds of boots.

Next, where Youm and Mack now are, was a small frame shanty,

This was a meat market, run by John Koch, (he was a dandy).

Then came an alley, about fifteen feet wide

It was the entrance to a livery and stores on the east side.

Next, a one story frame building we saw

Occupied by Charlie Craft, an attorney at law.

In the store now owned by J. Fred Schabale

In a new three story brick

Was Isaac L. Clarkson with a new stock of new merchandise

And every thing was slick.

Next east was Mrs. Thompson in a dressmaking and millinery store

Who sold bonnets and hats and everything that women wore.

Then came John Clarkson, who was one

Of the oldest merchants in those days,

He had general merchandise, which he disposed of in various ways.

Then came the drug store run by Van Durn, Blosser and Lynch

They also sold books, notions, groceries, and snuff by the pinch.

Then came William Henry Fodde, the merchant from Maine

Who sold boots, shoes and dry goods both fancy and plain.

In the upper floors of this block, you will have heard tell

Goodrich Conklin and wife ran a neat little hotel.

In the rear of the second floor, to you may be a surprise

But here Mat D. Blosser printed the Manchester Enterprise.

You may talk about perseverance and stick to itiveness of men

Well for 56 long years, Mat has wielded the editorial pen.

Mat was also one of the best singers of that time,

He often favored us with Swoof of Bunker Hill and Watch on the Rhine.

Next was Bill Baxter the oldest merchant though always quite frisky

He had a general store and in the back room a barrel of whiskey

Right next to this barrel on a neat little shelf,

Was a tin cup labeled, "Help yourself".

Those early times, best you forget

Was the time when Manchester surely was wet.

In the Snowman store was Charley Nicholls, clothier, who did no one harm

He got tired of the business and went back to the farm.

Next, Rose and Miller sold hardware, machinery and nails.

They had no wire fence, for in those days, fences were made of rails.

In the Neumann store, where Kern Brothers have an electrical display

Was a saloon and restaurant, run by one Nathan Hay.

Joe Ottmar came next, the harness maker, he mended the old and sold the new.

He was quite prominent then, and a council man too,

Flowers

Next to the river was Chubbuck, the jeweler With a large stock of silverware, watches and chains He also did repair work with which he took pains. We now cross the river and go to the east side below Here much could be said, could the waters speak as they flow. On the corner was Dr. Conklin who made a specialty of treating cancer And at any time, day or night, a call he would answer. Now we go up Ann Arbor Street, there was Philo Millen in his blacksmith shop He later moved near the depot and sold lunches and pop. Edwin Jaynes lumber yard was north of the Ypsilanti, Hillsdale track He sold his lumber so cheap that his patrons always came back. Returning to Jefferson Street we go east and there make a stop We find Bill Neebling in his Blacksmith shop He had a large factory, made carriages, wagons, the cutter and sleigh And had the well earned reputation of always getting his pay We now cross the street, just east of Art Jaeger, There we found William Lockwood, with furniture, he was the undertaker. Going south on Water Street, we find the blacksmith, Peter Vreeland On the Hofer lot, and working for them was jolly Joe Gordanier. At the foot of Water Street, Amos Dickerson's foundry made castings of every kind. This is the property N. Schmid later sold to the village you will mind Going north on the bank of the river was Henry Eichele's shop He did blacksmithing, made wagons and lived in the top. On the corner of Water and Boyne Street, Lawrence Traub brewed lager and ale Which he sold quite extensively, both by barrel and the pail. On the corner of Water Street and Jefferson was the old Banner Store Which Mack and Schmid of Ann Arbor had opened the fall before Next west in the old two story brick, Conrad Lehn had a grocery saloon, He built a new block across the river and moved there very soon. George Doty's variety store was next west on the street He handled most everything and kept things very neat. Kurfess and Wwise had a queer combinations. Mike tended the bar and sold the booze, While Richard at the back was cobbling the shoes. Where Kimble's store now stands, Alvimo Doty sold shovels and plows All sorts of farm machinery and beels for the cows. Warren Kimble owns the property and the building stands there still. Where Porter and Jaynes had their woolen mill, Charlie had a livery stable, over the river built on piles He kept the best horses and they travelled many miles There was Flying Malinda, Stonewall Jackson, Chalkline and Kitty These could beat anything that was ever brought from the city. Charlie Trefethern was a wagon maker by trade His shop was in the alley and stood in the shade Coming back to Jefferson street, west of Mattie Swift's near the dam on the hill Stood the old wooden building, known as William Brown's little grist mill. We now cross the river to the Southern Washtenaw Mills, run by Reynolds and Hewitt. This mill was one of the best in the land, and everyone knew it. Going south on Railroad street is the Red Bird, where Joe Weiss is at work. Nicholas Stringham sold all kinds of fresh meat and also salt pork Further south on the corner, just south of Springer the shoemaker Was John Roller's furniture store, he was also an undertaker. On the other side of the corner of the alley, Jim Henderson's blacksmith was found. He was a jolly old man, his favorite song was, The green grass grows all around. On the other side of the alley, where the Co-op shop is now located, Was old Mother Green, who ran a saloon, over which she somnated. Next was Hiram Dodge the furniture man in a two story building. By the way he was a relative of Dodge Brothers of Detroit of automobile fame. Next in the Louis Kuebler store was a saloon and grocery store, run by Mike Dealy and Henry Cash. This was the place where they played cards and got rid of their cash. The Traubs had a billiard hall and saloon next door in the place now known as the Robert Mahrie store. On the Union Savings Bank corner then known as the Old Union Hall Was the general store of Abraham Polhemus - but that was not all On the second floor was a barber shop with the entrance and outside stair Here a colored barber did the shaving and cutting of hair In the west side was the post office where for many years Chauncey Walbridge, the one-armed Postmaster, distributed the U.S. mail George Wheeler, the clothier in the Secidinger store one door west Handled men's and boy's clothing and furnishings of the best. Miss Speechley, the photographer, in the second floor stayed She came from Ann Arbor and was an old maid. Next Weir and son ran a hardware store in a frame building not fire-proof Jim Kelly was their timer, he put on the tin roofs. Next west in the building now owned by Bill Sloat Was Refior the tailor who made our pants and coats Next west the old frame City Bakery run by W. Karchgesmer was in line On the west side in front, Gustav Adolph Fausel sold jewelry fine

Gerney Lovejoy was painter, always ready for a horse trade. Al Youngmans painted the carriages which Bill Neebling made There were four attorneys, Ezra Norris, Ralph Hewitt and Co., Rodney Palmer and Charley Craft who was also a farmer. In those days, same as now, people stood up for their rights The result was that the Dutch and the Irish often had fights Munson Goodyear then was Justice of Peace He let the boys off easy, by paying their fees. Charley Sanford, and Joe Lazzelle bought junk, old iron and rags They traded the farmers tin ware for dried apples and rags John Betz and Charlie Senger in the fall were always about They made it their business to cut and pack the sauerkraut Frank Freeman, the drovier bought cattle, sheep and wool Mort Case was always on the street and bought grain to keep the elevators full There was Marsden, Refior, Filber and Couch the tailors four Grossman, Wwise, Engel, Walker, Sam Perkins, Andrew Safe were the six shoemakers, living in this town of the free and the home of the brave. Mark Case was station agent of the Detroit, Hillsdale and Indiana depot While Al Spencer eas the boss at the old station below. In the basement of the Goodyear Hall block, George Sherwood had a billiard room, While Roy Conklin, where Mrs. Wurster now lives was making the brooms On Boyne street in the old brick shop, which then stood on the Bill Uhr lot Was Pierce the old blacksmith, which I almost forgot. Professor Wing was then the principal of the High School He married one of the teachers by the name of Poole Captain Spencer was the sexton at Oak Grove, He buried the dead. An this is the end of my story. I think enough has been said.

This was submitted to the Editor by Mrs. Alfred Strang, many thanks.

YOUNG BAKERS CREATE TASTY SNACKS IN 4-H BREAD PROGRAM

What do teenagers enjoy most for in-between-meal snacks? Today's popular teen snacks include pizza, tasty buns, rolls and coffee cakes.

The nearly 600,000 4-H'ers enrolled in the bread program have a variety of recipes available to them. And with a little creativity, they provide their families and friends with exciting taste sensations.

Standard Brands Incorporated, sponsor of the 4-H bread program for 20 years, has developed a variety of recipes for pizza, breads and bread products. The recipes enable 4-H'ers to get personal enjoyment from baking, entertaining their friends and often results in added recognition.

According to Miss Lois Howard, National 4-H Service Committee home economist, "The young people experience the tactile pleasures of working with yeast doughs and batters. Added to the sensory pleasures, the 4-H bakers also receive hidden benefits. One of the four basic food groups - bread is overflowing with nutrients that go into basic bread - stuff-enriched flour, milk, eggs, margarine or oil and added bonus variations such as raisins, whole grain flours, wheat germ and cheese," the home economist says.

She also points out that the program, supervised by the Cooperative Extension Service, is equally popular with boys and girls. This year Standard Brands is providing added incentives and recognition for members enrolled in the program. The company also presents six scholarships of \$700 each to national winners selected by the Cooperative Extension Service.

A maximum of four gold-plated medals of honor are offered in each participating county and an expense-paid trip to the 59th National 4-H Congress in Chicago, Nov. 28-Dec. 2 to one winner from each state. The 4-H awards program is arranged and announced by the National 4-H Service Committee. Locally, the information on the 4-H bread program is available from the county extension office.

There is definitely a feeling of spring in the air. The main topic of the day is fishing and golf. People are thinking of preparing their campers for the first time to the campgrounds, kids are already out roller-skating, and numerous flocks of ducks and geese have been sighted. Ah, for balmy breezes and sun-drenched days. But before we begin our series on summer sports we would like to devote this article to the many commemorative guns on the market for 1971.

We have already given you a summary of the Winchester Commemorative for the National Rifle Association, their Model 54 Marlin and Carbine. They are both outstanding collector's items.

Marlin has a special version of the famous Marlin Model 39, the "Article II Rifle," which commemorates "The Right of the People to Keep and Bear Arms." Another salute to the N.R.A. is a 22 rifle with a tapered 24" diameter barrel, American Walnut stock with a brass butt plate and forearm tip.

Also available as a straight grip 20" barrel carbine. The Article II will only be made in '71, either gun retails at \$335.00.

Savage presents the "Stevens Favorite" 22 long rifle. Savage has recreated the original model in limited quantities for '71 as a tribute to Joshua Stevens, the father of 22 hunting, and to his invention of the cartridge and rifle that made rim fire hunting the world's favorite shooting sport. The '71 edition boasts a fully octagonal barrel with solid brass blade front sight, Walnut stock with authentic schnabel fore-end, and solid brass crescent butt plate. The receiver is inscribed with "Stevens Favorite" in gold on both sides, while hammer and lever are also encased in gold. It is a perfect father and son rifle, ready to build a boy into a marksman or challenge the aim of a man. For the seasoned expert, collector, or newcomer, it's a great masterpiece, retailing for \$75.00.

With all the gun controversy going on now, and we will go into some of the proposals a little later, it is extremely important to be a good teacher for your son or daughter, if they show any interest in hunting or shooting. An excellent quote "It is better to take your boy hunting, than to go hunting for your boy". Tell them you read it in Woods and Water.

The Annual Meeting of the Washtenaw County Federation of Women's Clubs will be Monday, April 19, 1971 at the Frontier Beef Buffet, 2333 E. Stadium Boulevard, Ample Parking.

Board Meeting: 9:30 a.m.
Registration: 10:00
Meeting: 10:30
Luncheon: 12:30 p.m.
Theme: Butterflies of Happiness
Speaker: Mrs. Van Dusen, "On Girl's Town"

Music: Mr. and Mrs. Robert Zajac Owners of the Michigan Conservatory of Music in Ypsilanti will present a program of Oriental type music.

Reservations by April 12, to: Mrs. Roy D. Berry 107 E. Liberty Street Ann Arbor, Michigan 48108 Telephone: 662-2830 (days) 668-7103 (nights)

Mr. and Mrs. Robert Eisenhauer of Manchester entertained Sunday in honor of their son Bryan's confirmation. Forty guests attended, with people present from Manchester, Willis, Birmingham, and Saline.

Mrs. and Mrs. Edward E. Steele entertained fifty people Sunday, in honor of their son Tom's confirmation. Guests attended from Lehman, Maryland, Monroe Lincoln Park, Tecumseh, Ann Arbor, and Manchester.

We would appreciate any and all news items.

Phone them to 428-8173 or drop them off at 305 Beaufort Street, the new Enterprise office.

LETTER TO THE EDITOR:

I want to take this opportunity to express my thanks and the thanks of the Manchester Police Department for supporting us as you did for the 3rd Manchester Policeman's Ball.

To the Merchants who supported us by purchasing the sponsor tickets; to the people who purchased the donation tickets for the TV Set; which was won by Doug Gilmore, and to the people who came and enjoyed the dance at the Sportsman Club.

This enabled the Police Department to clear over \$800.00 on this Ball. With this money, we will be able to purchase a major piece of equipment for the department use, which otherwise it would not be possible to do.

A special thanks to the Sportsman's Club for the use of the Hall; to Erwin Henes of the Washtenaw County Sheriff's Department for Patrol work the night of the Ball; to Mrs. Harold Burch and Mrs. Ann Becktel for preparing the food and to the Police Officer's who worked to make this the success it was.

We hope to see all of you again next year for the 4th Policeman's Ball.

Respectfully: Lawrence G. Becktel Chief of Police

ARBOR WEEK APRIL 18 - 24, 1971

Governor Milliken has proclaimed April 18-24, 1971, as Arbor Week in Michigan.

"More than half of Michigan's land area is classified as commercial forest land and our state and its people are blessed with an abundance of forests.

"These forests have been the basis for great industries throughout our history and help make Michigan one of the most beautiful of all states.

"Aside from the harvest of wood, fruits and beauty, Michigan's more than 90 species of trees serve a vital function in today's increasingly polluted world as they help combat air pollution by removing carbon dioxide from the air and give off oxygen.

"Because Michigan's more populated areas are those most in need of trees, it is to the advantage of many of us that this natural asset be enlarged and that preservation, conservation and restoration of trees be considered a major step in continuing the benefits of this heritage.

"Various programs seeking to cope with the environmental crisis facing people throughout this state and nation are to be encouraged.

"Therefore, I, William G. Milliken, Governor of the State of Michigan, do hereby proclaim April 18 - 24, 1971, as ARBOR WEEK in Michigan, and urge the planting of trees during this week with proper ceremonies so that they will be a constant reminder of a priceless gift we must preserve for this and future generations."

Hoelt-Jacob Vows Exchanged

Rev. John Morris of Zion Lutheran Church in Chelsea officiated at the ceremony uniting Linda Ann Hoelt and Lyle Raymond Jacob in marriage. The service was held Saturday, April 3 at 7:30 p.m.

The bride is the daughter of Mr. and Mrs. David E. Hoelt of Manchester, and the groom is the son of Mr. and Mrs. Raymond Jacob, Jr., also of Manchester.

The brides' gown was of white bonded crepe accented with beaded lace on the stand-up collar, sleeves and front panel. The pleat in the back fell into a short train. She wore a fingertip veil and carried a bouquet of white daisy pompons.

Miss Judy Popkey of Manchester was maid of honor. Bridesmaids were; Miss Susan Jacob, sister of the groom, and Mrs. Joseph Lozier. Their gowns were floor length blue and green flowered with green ribbon trim, and they carried bouquets of blue daisy pompons and green carnations.

Mr. Rodney Hoelt, brother of the bride served as best man. The ushers were Mr. Lynn Niehaus of Grass Lake and Mr. David Bucholtz of Manchester.

The reception following the ceremony was held in the church hall. Miss Lana Lutz attended the guest book, Miss Dawn Harwood of Willis served ice cream, Mrs. Robert Burkhardt and Mrs. Richard Service served cake, Mrs. Russell Burkhardt of Saline poured coffee, and Miss Cecelia Fielder poured punch.

The bride is a radiologic technology student at Washtenaw Community College, and the groom is in the United States Navy.

Methodist Church Ground Breaking Sunday, April 18

The congregation will then meet at the site for the new church building. The architect for this building is Mr. Alexander Grant of Grand Rapids. The building committee is composed of the following: Robert Lowery, Chairman, Wendell Reinhart, Egbert Treat, Ruth Blanchard, Margaret Hanks, John Rigg, Tom and Mary Walton, LeRoy Knickerbocker, Gerald Randall, Walter Emers, and Jean Little.

TWENTIETH CENTURY

The Twentieth Century Club was entertained by the Varsity Choir, Tuesday night April 6 in the Franklin M. Reck Memorial Library at the High School. Following a delightful hour of vocal music under the direction of Roger Morrison, the Club served the group refreshments. Hostesses were Mrs. Robert Swartz, Mrs. Alvin Kappler, Mrs. Chester Kocesski and Mrs. Ray Kern.

At the Club business meeting, the Main Street Basket Committee reported that the hanging flower baskets would be refurbished and ready to put up early in May by Mother's Day. The Local Res. Committee recommended an Easter gift to be sent to each of the nine girls who are at present residents of the Michigan Federation of Women's Clubs Girls Town at Belleville. The Club accepted the responsibility.

Mrs. Willard Mann is a new member of the Club.

The next and annual meeting will be April 20 at Mrs. Charles Creswell's. Mrs. James Pratt will be co-hostess. The final meeting of the year will be a Spring Luncheon, May 15. Details will be announced at the April 20 meeting.
