Successful 18th Annual Manchester Chicken Broil

By C. Chapin

The 18th annual Chicken Broil was concluded with smiles all around. After a slightly nervous day of heavy rain, with all interested citizens torn between being glad for the rain and sorry about the broil, the crowd was unfeeling. Arriving late but in force, the line extended two blocks long. Approximately 9,000 diners were served with between one third and one half of these being take-out. Barbara Kemner, Miss Honey Queen of Michigan, was on hand to welcome everyone, along with our good and loyal friend, Bud Guest who has attended so many of the Broils in the past.

A great many out of state and out-of-country people were as usual made welcome and went home remarking about the outstanding flavor of the chicken.

Softball games provided later entertainment with one pitcher giving a wind up that remains in this viewers memory as unforgettable.

Proceeds from this affair are earmarked. Two thousand dollars for the new Kirk Park with the balance for equipment for the site. A full city block in size, the new Park is bound by Adrian, Clinton, and Territorial Sts. and is slated to contain a little league ball diamond.

DON'S CONTENTED SOLE

Mr. and Mrs. Don Smith, owners of Don's Beef Buffet in Tecumseh, have now opened Don's Contented Sole also in Tecumseh. The name, like the decor, was captured by the Smiths on a trip to England. So fascinated were they by London, its historical treasures and its fish and chips eateries that they returned to Michigan intent on recreating a little of the British Isles in the city named for a famous American Indian chief. Their hopes were completed with the opening of Don's Contented Sole in a former corner drugstore location.

A friend vacationing in London bought them a 1962 Austin taxicab and shipped it to Michigan. Mr. Smith drives the cab around town to transport food prepared at the Buffet to the Sole.

The rich woodwork used throughout the Sole is from two old Tecumseh homes. Painted white when obtained, it was antiqued and is used impressively with brown and gold Victorian velvet wallpaper. The focal point of the restaurant is an arch, moved intact from one home. It houses an old player piano. Exterior scroll woodcraft is used effectively. Railroad spikes are coat hangers.

Thirty sewing machines lacquered black serve as the table bases under shiny plank wood tops. Seating is at black bentwood chairs and at pews. Musical instruments, placed strategically on the walls, are also antiques. Many were donated by friends.

Mr. Smith has followed the same food service plan that he has found successful at the Buffet - self service.

The house specialty is fish and chips which includes slaw, roll and butter. The fish is batter-dipped and deep-fried cod. The clam and chips and shrimp and chips is another feature.

THE BOONDOCKS GOLF COURSE

One of the most unusual and exciting formats for a golf tournament will be featured at an upcoming event at one of the area's newest courses.

It will also be among the most lucrative for some team, as \$100 cash will go to the winners of the Boondocks Summer Scramble.

Bill Haney, who built and operates the course, has announced that his course will hold its second annual Boondocks Summer Scramble on August 14-15 at its testing 9-hole layout southeast of the village of Grass Lake.

Last year several area teams finished high on the prize list and, according to Haney, a repeat of the unique event has been much in demand.

Players make up their own foursomes and play together against the field. Each

team has its own captain who selects the best tee shot of the four. All four players then hit from that spot and continue hitting from the preferred shot of the four until holding out.

Thus, there is but one score for the foursome for the hole, yet each player gets to hit a good number of shots.

"Last year we had several teams of relatively high handicappers right in the thick of it for the top prizes," Haney said. "Because you have four shots to select from, one bad shot really doesn't hurt a team much. Players who shoot fifty or more for nine holes suddenly get the thrill of putting for birdies for their team on nearly every hole."

Entry fee for the event is \$4 per player, including prize fund, golf, beer, and refreshments. Teams may play additional rounds for \$3 per man and except for the Grand Prize winner-a team may win more than one prize.

"Last year we had several teams play three or four rounds in a single day," Haney said. "So this year we expanded it to cover the entire weekend to give everyone a chance to enter whenever they like and as often as they like. We expect quite a turnout and if we get it we will have a large and generous prize list. For sure some body is going to win \$100 cash."

Entries are now being accepted at the Boondocks, 13202 Curtis Road, Grass Lake. Further information can be obtained from the pro shop, area 517-522-4245.

"DON'T SHARE"

We all look to today's medications as life-saving and health-giving agents. However, there is one point that can never be overemphasized: That is the danger involved in sharing one's medicine with someone else.

One reason why many potent products are available by prescription only is because of potentially dangerous side effects that require professional supervision.

Prescribing for another person, unless you are a physician, could have damaging results. For the same reasons, do not let anyone else "prescribe" for you. Consult with your physician before attempting to use someone else's medication. Only a physician can determine which medication is best for you.

MOST "WRONG-WAY" ACCIDENTS INVOLVE DRINKING DRIVERS

Drinking drivers are involved in well over half of the "wrong-way" accidents on Michigan freeways.

Analysis of such accidents on the more than 1,400 miles of freeway in the five years from 1966 through 1970 showed that between 50 and 75 percent involved drinkers who had been drinking.

A total of 219 "wrong-way" accidents were reported on state freeways from 1966 through 1970. They claimed 50 lives.

The worst in state history occurred July 17 when an auto and a station wagon rammed each other on I-75 freeway near Grand Blanc, south of Flint. Nine persons were killed and one permanently injured.

A large portion of the accidents are caused by drivers who enter a freeway on an exit ramp. Others occur when vehicles cross a median or, rarely, when a car goes the wrong way on an entrance road to a freeway rest area.

Erection of median guard rail has helped prevent wrong-way crashes. However, no practical method has been developed to prevent vehicles from entering exit ramps. The main deterrents are warning devices.

IRON CREEK CLIMAXES V. B. S. WITH "THE MUSICAL BETTS"

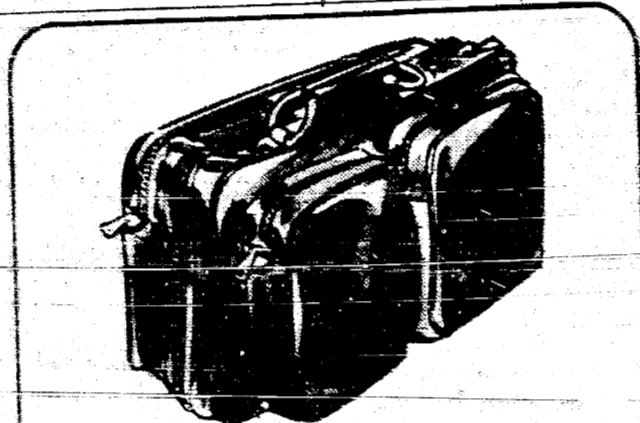

The Iron Creek Church at the corner of Sharon Hollow and English Road was the scene of much enthusiasm last Friday evening when 78 boys and girls marched in to give a program for a packed church of moms, dads, and friends. Every child wearing a gold crown and a Hawaiian lei, gave a very interesting hour of songs and memory verses interspersed with musical selections by the Rev. and Mrs. Betts on the 500 sleigh bells, Hawaiian guitar and Musical saw. A special feature was the English Piano-Bell Choir given by 8 of the young people. Refreshments were served following the program.

The attendance was very gratifying, having an average of 110 which included about 15 adults daily. The Penny Offering which was an existing event each day totaled \$126.00 which was sent to make it possible for five children to have a week at Camp at "Youth Haven", a Christian Camp for underprivileged and needy children which is located near River Junction.

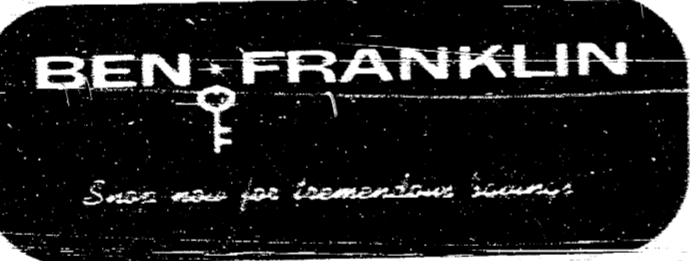

Honor children in the V.B.S. were Sue Halchislaik, Queen; Billy Fox, King; Beckey Lannon, Princess; Jeff Trole, Prince; and Philip Janofski, Scripture King. It is hoped to have "The Musical Betts" return again in two years to conduct our Bible School. They are highly respected for their leadership, musical talent and devotion to the Christian teaching of children. We wish to thank all parents and workers who helped make this V.B.S. such a success.

PASTOR JANOFSKI'S MOTHER AND SISTER TO RETURN TO SOUTH AM.

Tuesday evening, August 3rd at 7:30 will be a Farewell at Iron Creek for Mrs. Minnie Janofski and Mrs. Mabel Hunt and her two children. All of the friends of the church who wish to have this final meeting with them are cordially invited.

HUNGAR MARCH

For those with good and long memories this article will be of special interest! The money raised by area youth participating in the Hunger March from town to Chelsea, Sunday afternoon, May 23, has finally all been collected. The total sum of \$372.70 has been forwarded to CROP, Christian Rural Overseas Project, a Christian agency serving the poor and hungry across the globe. Over forty young people from the area's churches particularly Emanuel United Church of Christ, St. Mary's Church of Manchester, The Manchester Methodist Church, Sharon United Methodist Church, Bethel United Church, hiked some twelve miles to raise the money, asking people to promise to pay them so much for every mile they walked! Special commendation has been sent them from Dr. Duane Vore, Conference Minister for the United Church of Christ in Michigan. Special thanks go to all those who helped in the project by serving as "checkers" or planners or communicators. But especially many thanks to Sue Jacob and her committee from Emanuel for spearheading the event and to Faith Community Church for bringing every body back from Chelsea in their bus. Let's hope next year sees another successful walk!

Michigan Bell Report to Customers

A clarification of facts concerning your telephone service and usage

Fixed- and low-income families can save on their telephone bills.

Actually, almost any family can reduce its telephone bill... by first understanding that increased bills come largely from increased telephone usage (not increased rates). Your present telephone rate structure is based on the idea that you pay for what you use. We think that's only fair. Now, if your family doesn't need to use your telephone too frequently, there is a money-saving plan that may be right for you: **Measured Budget Service for \$3 a month... available statewide.** Michigan Bell's two-party line Budget Service is not best for everyone, but can be just the thing for retirees or, perhaps, singles with minimal telephone needs. Because, you pay just \$3 a month, if you stay within the monthly calling allowance on

local and interzone calls. Also, in most areas a one-party line Budget Service is available at \$4.50 a month. **Talk for a minute, pay for a minute, not three.** Another way to save... with Michigan Bell's "pay for what you use" plan, you are no longer automatically charged for three minutes on long distance calls within Michigan. In other words, if you make a brief long distance call, you pay only for what you use. If you talk for one or two minutes, that's all you pay for. Plus, by dialing direct you can save 20% or 40% on long distance calls within Michigan.

For more information on economic use of your telephone, call your Michigan Bell Business Office. We want to help.

CHERRY BROWN BETTY

4 cups dry bread cubes
1/4 cup melted butter
1/4 cup all-purpose flour
3/4 cup granulated sugar
1/4 cup brown sugar
1/4 teaspoon salt
1/2 teaspoon cinnamon
1/8 teaspoon nutmeg
Dash of cloves
4 cups thawed, drained, frozen pitted tart red cherries
Toss bread cubes with butter; put 1/3 in 2-quart baking dish. Combine flour, sugars, salt and spices, mix with cherries. Spoon 1/2 of cherry mixture over bread. Repeat layers ending with bread. Bake at 350°F for 25 minutes. Serve warm or cold with cream, sour cream or ice cream. Makes 6 to 8 servings.

CHERRY ANGEL TORTE

1 10" Angel Food Cake
4 cups thawed, frozen pitted tart red cherries
1 cup sugar
1/2 cup corn starch
1 cup heavy cream
Drain off 1/2 cup cherry juice and mix with corn starch. Heat cher-

ries, remaining juice and sugar to boiling point, stirring to dissolve sugar. Stir in corn starch mixture gradually and boil until thickened, at least 2 minutes, stirring constantly. Cool, stirring occasionally. Cut Angel Cake horizontally into four slices. Spread cherry mixture between slices, sandwich fashion, and on top of cake. Serve with whipping cream, sweetened or not, as desired.

CHERRY PIE

1 cup sugar
3 tablespoons quick-cooking tapioca
1/4 teaspoon red food coloring
1 teaspoon lemon juice

Pastry for 2-crust 9-inch pie
Combine cherries, sugar, tapioca, food coloring, lemon juice, extract and butter. Let stand about 15 minutes. Meanwhile, make pastry. Pour cherry mixture into unbaked pastry shell. Bake in hot oven (400°F) for 55 minutes, or until well browned. Serve with whipped cream cheese, whipped cream, or prepared whipped cream topping, if desired. Serves 6 to 8.

Treehouse Lunch

What child or adult doesn't have his own secret "thinking" place... a hidden cave... a bend in the river bank... a "fort" in the woods... or an old treehouse perched high, almost in the stars? This treehouse lunch goes perfectly to any of those special places. It contains only "child-favorite foods"—and it's so easy, your five-year-old can prepare it himself! Who else would think of these luncheon combinations?

"AIR CONDITIONED FOR YOUR COMFORT"

"ACTION" was really the big word here tonight as each race was full of excitement from start to finish, and most of them had to be restarted for pile-ups before one lap was completed. The drivers were all running as if it were their last race with a pile of gold at the end!

The first race of the evening was the rain-out 50 lap sportsman feature from last week, with Louie Reynolds taking the lead on the ninth lap and hanging on for the win over Dick Wade, Denny Donaldson, Ray Johnston and Jim Stemen.

For tonight's program, in the same class, Don Macey came up with the fastest time of 18.83. With one start and one yellow flag, Louie Jay took the lead on the third lap and led the first heat and stretched it out for the victory, followed by Johnston, Bill Kopka and Harold Reynolds. The second heat had the same problems with the caution out on lap #5 when Jerry Wislizer tried to climb inside of Dick Sealey's car, but succeeded with only his front bumper! Jim Bwissel came from the back of the pack to pick this one off over, Ed Hage, Mike Budwitt and Jr. Gary. Larry Gray was first across the finish line in the third heat, chased by Floyd Dillon, Jim Martin and Gordon Shultz.

The pursuit was run straight through (seemed good) with Chuck Rouhelli holding a big lead, for the checker, over Louie Jay and Macey.

The red flag was thrown on the third lap of the semi when Martin, who was leading, ran half-way up the parking ramp; he was out with a steering problem. With another leader black flagged for being over his time and several more caution flags, Larry Gray took his second win of the night. He was closely followed by Shultz, Dave Veselius, Dick Taylor and L.J. Bumpus.

The yellow was out on lap #10 of the feature when Ken Liedel and Bill Kopka collided with Kopka's car bouncing high in the air, but landing on all four wheels, luckily. Harold Reynolds really made Louie Jay run for his money tonight, as they came to the front of the pack on the sixth lap and never had over 2 or 3 car lengths between them. Louie kept the lead to rack up his 14 feature win of the season, Reynolds finished a close second over Macey, Slade and Donaldson.

The super stock class, not to be outdone, was just as action packed, with Dale Brenner picking up the fastest time.

The first heat as saw a novel ending as Richard Lomax led all the way to the eighth lap when two cars passed him. On the white flag lap the front two cars spun out on the third turn and Lomax came through with the win after all. He was trailed across the line by Don Dunn, Floyd Dillon and Frank Wilkes. Only four cars finished the second heat, with Darwin Hall picking up the checker over Danny Bolster, Al Katona and James Murry.

In the pursuit, Dunn passed 6 cars on the first lap to take the lead, followed by Brenner. And that's the way they finished.

We had two restarts before the feature was finally underway. Dunn again took the lead on the second lap and kept his foot in it for the win, followed by Wilkes, Bud Howard, Hall and Katona. ANNUAL MILLER REUNION

The annual Miller reunion was held at Jerome, Michigan this year. The reunion is held the last Sunday of July every year. A business meeting followed the pot luck dinner. Officers were elected for the coming year. 55 people were present from Manchester, Jerome, Adrian, Hillsdale, Vandercook Lake, and Jackson.

here's why it pays to deal with the savings and loan SPECIALISTS

Our primary business is savings and home loans. We have been doing these two things for eighty one years, so we do them well. Because we have specialized, we have been able to refine our techniques to the point where we offer the broadest, most sophisticated savings and loan services available in Washtenaw County.

SAVINGS

We have consistently paid the highest rates on passbook savings, so your money builds faster at Ann Arbor "FED" than it does at banks. This can be especially significant when you have a long range savings program.

Too, we offer more savings opportunities; passbook savings, and hundreds of perpetual money savings plans. With the perpetual money savings plans, you can save lump sums of twenty, forty, fifty thousand dollars and in addition have monthly income for your lifetime and for your children thereafter during their lifetime. We have college education savings plans, retirement plans, home savings plans and at the "FED" you reach your savings goals sooner because your money earns more.

MORTGAGES

Because savings dollars go primarily into home loans at the "FED", we have more money available for mortgages. Ann Arbor "FED" is always the first place to go for a mortgage whether you're building or buying a home. We offer conventional loans, HUD (FHA) and VA home loans.

We also have HomeSav plans. You can buy your home and a ten, twenty or thirty thousand dollar savings nestegg at the same time. Ask our money managers about these plans when you are arranging your mortgage.

SAFETY

At the "FED" your capital is completely safe. It never shrinks as some investments do. It just grows and grows. Your savings account is insured to \$20,000 by the FSLIC and backed with solid local mortgages. We make it easy to save. You can make your deposits easily and safely by mail. Just send us the coupon below and we'll send you a supply of save-by-mailers and details on our save-by-mail program.

National 4-H Dress Revue Turns Dreams Into Reality

Every young girl dreams of being a storybook princess with a prince charming gazing at her in admiration.

At the close of the 1971 National 4-H Dress Revue, six winners will be awarded \$700 scholarships. Selection of the scholarship recipients will be made on the basis of their 4-H records, leadership and work in the dress ensembles at the 1971 National revue program.

Leading to this national event, 4-H girls are expected to earn more than 26,000 medals of honor at county dress revues. The company, through the National 4-H Service Committee, also provides these awards and gives added support through assistance of its 4-H stylists and publications on modeling.

For information about the program and locally scheduled 4-H dress revues, contact the county extension office or state 4-H leader.

Fire Destroys Two Barns Friday

By C. Chapin

Two barn fires in the last week indicate to Fire Chief James Kensler a strong possibility of arson in the area.

The same morning at 4:20 a.m. the barn at 14521 Schleweis Road owned by Russell Walker was destroyed, containing a tractor and small tools totally destroyed.

On August 1, a grass fire was reported at the site of the Feldkamp fire, which was soon controlled. The Washtenaw County Sheriff's Department is investigating.

On Monday, August 2, Chief Kensler reports, Lawrence Boettner reported a fire in the motor and drive mechanism of a combine owned by Lloyd Hughes of Bridgewater Township. No one was hurt.
