**Fire Destroys Two Barns Friday**

By C. Chapin

Two barn fires in the last week indicate to Fire Chief James Kensler a strong possibility of arson in the area.

At 3:15 a.m., July 30, three thousand bales of hay were destroyed in the barn owned by Mrs. Bertha Feldkamp at 6517 Lamb Road in Sharon Township.

The same morning at 4:20 a.m. the barn at 14521 Schleweis Road owned by Russell Walker was destroyed, containing a tractor and small tools totally destroyed.

On August 1, a grass fire was reported at the site of the Feldkamp fire, which was soon controlled. The Washtenaw County Sheriff's Department is investigating.

On Monday, August 2, Chief Kensler reports, Lawrence Boetner reported a fire in the motor and drive mechanism of a combine owned by Lloyd Hughes of Bridgewater Township. No one was hurt.

**3 Open Blood Clinics Scheduled**

There are three open blood clinics in Ann Arbor during the month of August which will enable the Manchester United Methodist Church and Manchester Plastics to make their "20 per cent" quota. The church needs only 5 more donors and Plastics will need 2 to make their goals.

**OPEN BLOOD CLINICS**

DATE	LOCATION	HOURS
Fri. Aug. 13	Red Cross Center 2729 Pack. Rd. Ann Arbor	1-7 PM
Mon. Aug. 23	V.A. Hopt. Ann Arbor	10-4PM
Tues. Aug. 24	Wylie Middle School 3360 Kensington Dexter	2-8 PM

Please make your appointment in advance by calling the Red Cross 971-5300. When you give blood designate it for the Manchester Blood Club and if for a "20 Per Cent Plan" give the name of your organization or place of employment.

As a reminder, the Manchester Blood Club covers all residents of the Manchester School District and when Blood is needed the request should be given the local Releasing Committee - Mrs. Franklin Reck, Mrs. Rolland Grossman or Mrs. Millard Uphaus. The "20 Per Cent Plan" enables all the members or employees and their families, their parents and parents-in-law, grandparents and grandparents-in-law, brothers and sisters of single members and children over 18 who are unable to give no matter

Dear Editor:

I would like the people of Michigan to know about a very gratifying experience I have just had with Senator Robert Griffin. I feel he has dramatically proven that our system of representative government is not only workable but is truly responsive.

I am a 24 year old medical student who wrote to Senators Griffin and

Hart about a solution that could alleviate the critical shortage of physicians in rural and ghetto areas. Apparently Senator Griffin, who was aware of the problem, felt my idea has merit. In less than one month Senator Griffin transformed my basic concept into an amendment to the draft bill. The amendment was then passed by the U. S. Senate. Presently the bill is in the Conference Committee where I hope the amendment will remain as part of the final bill. If not, the Senator has assured me he will enter an entirely new bill concerning this matter.

I want to point out that I am an ordinary citizen who is opposed to the war and tends to vote democratic. I have no prior political experience, no money, no connections, or political influence, yet I was able to convince Senator Griffin of the urgency of the problem and the validity of my solution. He then took the action which he deemed to be the most rapid and effective. The results of the Senate vote are a testimony to his skill as a legislator.

I wish I could relate this experience to every citizen of this nation and especially to those who feel the individual citizen cannot be heard. Certainly, the credit must go to Senator Griffin who recognizes his responsibility and listens to his constituents irrespective of their political views and financial influence. Although I tend to vote democratic, I sincerely hope that the people of Michigan will see fit to reelect this capable and responsive Senator in 1972.

Sincerely yours,  
Sol Edelstein

#### AGRICULTURE IN ACTION TAX CREDITS

On the throne sat the king, and he announced to the noblemen gathered about: "Why don't we all share our revenue like one big happy family?" And the noblemen looked at him, silently and in amazement.

It's just a jest of course, but there are some similarities in this jocular job at the king and his noblemen to the revenue sharing plan proposed to the states by the present federal administration.

The plan is essentially an administrative revision to attempt to spend our tax dollars more efficiently. It won't reduce taxes, but it does predict it will bolster the strength and responsibility of what many believe to be waning power of state and local government.

The plan is an alternative designed to bring more order to a complex system of government spending. Its plan is to make more dollars more easily available to state and local

government and claims it will eventually ease the economic strain of state and local governments.

Available will be \$16.1 billion. About \$6 billion represents new money, which would make money easier to get would come through a federal redistribution process (get this) if the states agree to send their revenues first through the federal government.

But it is debated that since the feds already run an annual deficit rate of about \$21 billion, it is setting up an untapped reservoir of dollars to increase its ability to borrow.

If the federal government were truly benevolent, why couldn't it simply keep state funds in the state and through tax credits, still give greater accessibility to needed funds? The same ends could be accomplished and states would get full benefit of their own monies.

Deductions in federal taxes then could be easily relayed to state and local government funds. Tax credits would also return greater control and respectability to state and local government. And for Joe Citizen, results would still include more efficient use of his funds, as opposed to building yet another bureaucratic castle.

## The cost of your long distance calls will not be affected by the new proposed rates.

Don't expect the new proposed rates to make a big difference in your phone bill. Because they won't. The new rates would apply mainly to your basic rate and would not in any way affect the charges for long distance calls within Michigan. For example, you can make a one-minute call from Flint to Traverse City for 30¢ or less (depending on whether you dial direct). The same call would cost exactly the same under the new rate proposal.

But, as always, the more toll calls you make, the more you pay.

Though the new rate proposal will not increase long distance rates, your bill will still go up or down in direct proportion to the number and length of such calls. So, to a great extent, the size of your bill is up to you. You can lower it by making fewer and briefer long distance calls, if you choose.

If you have any questions, please don't hesitate to call your Michigan Bell Business Office.

We want to help.

### LOCAL YOUTH ARRESTED

Ronald Osborn, 9455 Bethel Church Road, Manchester, age 17, was arrested July 31, 1971, on a warrant issued for assault with intent to do great bodily harm less than murder. The warrant was issued from the incident which happened July 28, 1971 on Main Street, downtown Manchester where Michael Brady was struck in the head with a large belt buckle causing severe injury.

Osborn is also charged with assault and battery against Gary Meyer. Osborn has entered a plea of not guilty to this charge against Earl Meyer.

### MICHIGAN CROP REPORTING SERVICE

Washtenaw County Farmers harvested 47,900 acres of Corn for grain in 1970, according to Arvin Budge of the Michigan Crop Reporting Service. Production amounted to 4,224,000 bushels, an average of 88.2 bushels per acre. This compares to the 1969 crop of 3,722,000 bushels from 43,200 acres.

Mr. Budge says that Washtenaw County is one of the larger corn producing counties in Michigan.

### FAIR TIME IS APPROACHING

As the Fair Time is approaching, the Parade Marshals are reminding the high school classes, organizations etc. to make ready their floats and other entries for the parade.

Boys and girls, let's start thinking about decorating your bikes and wagons to ride in the "big parade". Many prizes will be awarded. For further information contact Clarence Fielder, 428-8506 or 428-8521 or Gene Bentschneider 428-8567. The theme for this year's fair is "Living in the 21st. Century".

## MICROWAVE COOKING IS FAST AND COOL

For people on the go, microwave cooking is the answer. It cuts the cooking time of virtually all foods, not only roasts and fowl, but even prepared frozen foods and snack meals. A baked apple, for instance, cooks in 3-5 minutes; a meat loaf in 18 minutes. A package of solidly frozen fruit is ready to serve in 1 or 2 minutes. Microwave cooking is fast, efficient, cool.

With this new portable microwave oven, General Electric is expanding its line of electronic cooking equipment. Appropriate called the JET 80, the GE microwave oven fits beautifully in the kitchen on a countertop,

under cabinets, as a built-in, or on a roll-around cart. It's also ideal for patio or poolside, family room, camper or a boat.

In addition to cooking speed, the new JET 80 provides greater convenience and fewer cleanup chores. Because many foods may be cooked directly on paper plates or towels in the microwave oven, there are fewer utensils to scour.

The JET 80 provides cool cooking since the unit's microwave energy is absorbed by the food and reflected by the oven walls. Heat is confined to the food itself, the oven stays cool and so does the kitchen.

## Wheat Program Announced for '72

Major provisions of the 1972 Wheat Program have been released by the Secretary of Agriculture, Clifford M. Hardin. This announcement was made by Nick Smith, Chairman of the Michigan State Agricultural Stabilization and Conservation Committee.

According to Smith, it is important that wheat producers be informed of these provisions in order for them to make their planting plans for their 1972 wheat crop. The Secretary has determined that the 1972 National domestic wheat allotment will be 19.7 million acres, the same as last year. This will result in most farm allotments being substantially the same as they were for 1971. There will be exceptions, however, where some allotments will be less than last year where the farmers did not fulfill the requirements of the 1971 program.

In 1972, participants in the program will be required to set-aside an acreage equal to 83 percent of their domestic allotments. This is the maximum provided by law. One very important change in the 1972 program, noted Smith, will permit the planting of soybeans as a substitute crop for wheat. This is in addition to the feed grain crops which were permitted in 1971 to preserve wheat allotment history. Another important change will provide for the inclusion of barley in the 1972 Feed Grain Program will be announced at a later date. They cannot be made until the status of the current corn crop is known.

For 1972, there will again be no limit or restrictions on the wheat acreage that can be planted. Also, there will be no change in the \$1.25 National loan rate. In closing, Smith noted that the changes in the 1972 program providing for the use of soybeans as a substitute crop and classifying barley as a feed grain will give the farmer additional planting options which will earn him the best possible income without losing program benefits. ASCS county offices will soon notify wheat producers of their domestic allotments and the applicable set-aside acreage for their farms.

### TRUE OR FALSE, NOW

This quiz will test some of your knowledge and good-humor. Don't worry, you don't have to be a genius to answer them. We've included some hints to help you along.

- More babies are born in June than any other month. **True.** August seems to be the favorite time for the big day to some folks.
- There is a never-ending of birth control than the pill. **True.** Defiant as one of the contraceptive forms that are even newer. Many doctors recommend it though it is available in drugstores without a prescription.
- The Dialpak is a container for diapers. **False.** It is a dispenser for one of the most frequently prescribed birth control pills and a recent survey found the majority of women prefer it because they feel it is the most modern, convenient and easy to use.
- The children of The Old Woman in the Shoe were punished because they were bad. **False.** She whipped them all round and sent them to bed without any bread. Simply because she had so many children, she didn't know what to do.
- Lipsey's Loop is the name of an anatomical part. **False.** It's the trademark of the device for family planning most favored by women.

### Mini-Sized Birthday Cakes

Since the cake is the highlight of a birthday party, you're sure to multiply the fun when you multiply the cakes! Treat with an individually-sized Crunchy Party Cake for every guest.

Start with cup cakes (check with guest of honor about his or her favorite kind) and decorate with fluffy white frosting and a delicious coating of oats and almond crunch. The special crunch is a toasty combination of quick or old fashioned oats, brown sugar, butter and sliced almonds. The cakes are smothered with frosting and crunch -- plus each has a surprise layer of frosting and crunch inside.

**CRUNCHY PARTY CAKES**  
 Makes 1 dozen

1/2 cup quick or old fashioned oats, uncooked	1/4 cup sliced almonds
2 tablespoons firmly packed brown sugar	12 cup cakes
1 tablespoon butter or margarine, melted	Fluffy white frosting

For crunch, heat oven to moderate (350°F.). Combine oats, brown sugar and butter until crumbly. Stir in almonds. Place in shallow baking pan. Heat in preheated oven (350°F.) about 10 minutes, stirring occasionally. Cool 15 minutes; toss lightly with a fork to combine.

Slice the tops off cup cakes. Spread frosting on cut sides; sprinkle with crunch. Replace tops on cup cakes. Frost top and sides of each cup cake; sprinkle with crunch.

## Fair Queen Candidates

Pictured from left to right are: Suzon Kryzaniak, Brenda Sutton, Liz Hosmer, Beth Merriman and Deb Davis.

Pictured from left to right are: Patti Kastanis, Becky Evislizer, Pam Widmayer, Lou Ann Helber, and Marlene Engelbert. Absent are: Mary Simmons and Nicki Lentz.

Manchester Fair Time means Fair Queen Time and the four classes in high school have each chosen three girls to represent them for this honor.

The Senior Class will be represented by Beth Merriman, daughter of Joyce and William Merriman, and lives on Lamb Road; Lou Ann Helber, who lives on Bethel Church Road with Mother Helen and two brothers; and Mary Simmons, of Hibbard Road, daughter of Mr. and Mrs. Al Simmons.

The Junior Class has elected Debbie Davis, daughter of Don and Jerry Davis of West Main Street; Liz Hosmer who resides on Territorial Street with parents, Mr. and Mrs. Rus Hosmer, and Pam Widmayer, daughter of Della and Vearl Widmayer of Manchester-Chelsea Road.

The Class of 1974 gave the nod to Marlene Engelbert, daughter of Mr. and Mrs. Dennis Engelbert of Ellsworth Road; Becky Evislizer, who with sister and brother, lives with parents, the Jack Evislizers of Reno Road, and Patti Kastanis, daughter of Mr. and Mrs. John Kastanis of Bethel Church Road.

The Freshmen have named Suzon Kryzaniak, daughter of Mrs. Eugene Kryzaniak of Eisman Road, Nickie Lentz, daughter of Mr. and Mrs. Ambrose Lentz of Grossman Road, and Brenda Sutton, daughter of Alice and Harold Sutton of Schleswies Road.

Standing ready to crown the queen after the Parade next Tuesday night, August 17th, at the ball diamond of the Athletic Field, is last year's queen Shirley Egler. Don't miss this first, big exciting event of the 1971 Manchester Community Fair.

**LOCAL YOUTH ARRESTED**  
Manith Armstrong, 415 E. Main Street, Manchester, age 18, was arrested on August 7, 1971 for a warrant issued on the assault and battery on Michael Brady which happened July 28, 1971. Subject was arraigned in District Court on August 9, 1971 and entered a plea of guilty. Bond was set at \$100 for pre-sentence investigation. Sentencing date is set for September 20, 1971.

Manith was also charged with larceny from a dwelling. He entered a plea of not guilty. Bond was set at \$2500. Manith is accused of stealing a pistol from Jim Martin.

## Token Lots for Kirk Park To Be Sold at Manchester Fair

The committee in charge of the establishment and funding of Kirk Community Park, a new recreational facility located on Adrian Street, will be selling token lots at the Manchester Community Fair. The new community park is the newest addition in recreational facilities for the Manchester area.

Some six thousand dollars have already been pledged from the Manchester Chicken Broil and other donations, and the remaining amount needed is to come from the sale of token lots. These lots will be for sale for five dollars each at a booth located on the Fair grounds. The committee is hopeful that through the sale of these token lots enough money will become available to pay off the land cost and furnish equipment and landscaping for the park. Each purchase is tax deductible and will be an important contribution to a most worthy and permanent project.

## Notice

Members of the Manchester Jaycees and the Manchester Optimist Clubs will be calling attention to this sale through out Fair week. Citizens can buy one lot or several lots and their purchase will be acknowledged by a certificate of sale which will indicate that they are a charter subscriber to the new park.

The property costs amounted to ten thousand dollars. It is the hope of the committee, made up of village, organizational, and civic leaders, that this amount will be realized and additional monies will be forthcoming through donations and other gifts to complete the planned project. In addition to the cost of the land and the equipment it is hoped that the area can ultimately be fenced. All citizens in the Manchester School District are urged to support this worthy project through their lot purchase and gifts.

Friday, August 13, will be Charles H. Wurster's 90th birthday. The children will have an open house Sunday, August 15, 3-5 p.m. at the residence of Mr. and Mrs. Ted Stautz, 117 Torrey Street, Manchester.

"Chuck" was born on a farm in Sylvan Township, moved out to the Old Wurster Farm by the cemetery, and then to this present place of residence, 13/75 E. Austin Road, Manchester.

At age 16 he worked on several different Manchester area farms and later went into the contracting business. In the winter months, he bought, and
