Optimist Outstanding Citizen

Jeff Bruestle, son of Mr. and Mrs. Robert Bruestle of 18652 Pleasant Lake Road, is the Manchester Optimist Club Outstanding Citizen Winner for October. Jeff is a representative of the Junior Class. He started off slowly in his High School career going out only for freshman basketball and band in the 9th grade. In his sophomore year Jeff showed greater activity. He joined the cross country team, played a lot of J V basketball, joined the German Club, was elected secretary to the Woods and Water Club, and was a member of the Band. This year Jeff has really come into his own. He is co-captain of our cross country team and has consistently come in first or second place in all of our Meets. Jeff is again a member of the Woods and Water Club and the German Club. After the cross country season Jeff is hopeful of making the starting five on our Varsity basketball team. In the spring Jeff plans on going out for track, going to Germany on the German Trip, and hopes to go to Canada again with the Woods and Water Club. Jeff belongs to the Emanuel Church where he was a vice-president of the Youth Fellowship. Upon graduation Jeff plans on going to Eastern Michigan University, but has not picked a field yet. Congratulations!

Pleasant Lake Office of Union Savings Bank

By C. Chapin
The Pleasant Lake office of Union Savings Bank of Manchester, located at the corner of Pleasant Lake and Lima Center Roads, is scheduled for completion approximately the middle of November. Designed by Architect C.E. Noetzel A.I.A., of Detroit and built by Greenwood Hughes Construction Co. of Ann Arbor and Ypsilanti, the white frame building is 21' X 47' and will contain a staff of three, to be named soon. A full service Bank, offering a Drive-in window service, with a possibility of longer hours for the convenience of those people arriving home late from work, the hoped-for opening in November remains a possibility.

Education Week October 24-30

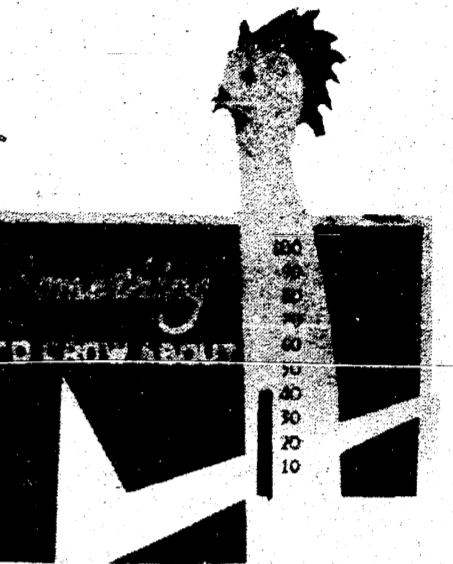

In 1921, fifty-one years ago, the American Legion and the National Education Association took joint action to enlist the help of the public in elimination of a high proportion of poor physical fitness and illiteracy among America's youth after World War I. By 1970, over 50 other groups joined as "Supporting Organizations" in the observance of American Education Week. This is an annual event which serves to increase public understanding and appreciation of the schools, by encouraging parental visitation, securing civic support in improving schools, and helping students to realize what schools are doing, and can do for them. This year's goal of American Education Week is to instill confidence within the graduate himself, and aid him in applying what he learns by channelling that knowledge through his place in society, his personal relationships and political responsibilities. The quality of education benefits society as a whole, and therefore should be everyone's responsibility. If we provide people with the finest training in basic skills and communication, and in knowledge which will enable individuals to think for themselves, with fact and understanding, such an educational program will fulfill the dreams of the past, the aspirations of the present and the needs of the future. The American Legion supports such a system of education and believes that the vitality of our democratic way of life is dependent upon such schools. Our local unit of The American Legion Auxiliary has placed in the F. M. Reck Library in the High School and also in The Manchester Township Library, copies of "Need A Lift?" a career and scholarship hand book, which is available to assist students and their parents in plans for education beyond the high school level. Remember "AMERICAN EDUCATION WEEK," October 24 through 30, 1971. Visit your schools --- Support them. Help bridge the gap!

Halloween Parade Sunday, Oct. 31

The annual Halloween Parade Party will be held on SUNDAY, Oct. 31 at 6:00 p.m. at the Manchester Athletic Field. This event is sponsored by the Manchester Jaycees. Room mothers, teachers, and children are requested to meet in their respective groups at the east end of the field. Costume judging will begin at 6:00 p.m. Immediately following this, the parade around the field will begin with the Manchester High Marching Band providing the music. Donuts and cider will be served following the parade, under the shelter.

Notice

October 31 at 2:00 p.m. the Emanuel Youth Fellowship, aided by Jr. High School will be holding their annual UNICEF Drive throughout the village. Please give so that underprivileged children, in under developed countries, can have a chance to live and have fun like your children.

Nearing Half-way

The United Fund and Red Cross Drive's "Chick" Thermometer shows 40% of the total \$15,868 collected. Business and Industry have nearly completed their solicitations. School Division Chairman, Mrs. Robert Kirk, announces that canisters are being used in the Elementary School and the High School youth are conducting their drive this week. Solicitors for Rural and Village House-to-House are presently completing their work for the October 31 deadline. Mrs. Ica Schaffer wishes to ask each Organization Secretary to not overlook the letter mailed in time for their October meeting. If you have been missed, and wish to contribute to your Manchester Community Chest, please contact General Chairman, Mrs. Irvin Gill, phone 428-8422. Its not too late to Share Because You Care.

Engaged

Cynthia Diane Blossom and Elwin E. Randall are engaged and planning a December 18 wedding as announced by the bride elect's parents, Mr. and Mrs. Maynard Blossom. The future bridegroom's parents are Mr. and Mrs. Roy Randall. Miss Blossom attended Alexandra School of Cosmetology. Mr. Randall attended Washtenaw Community College. Both are 1970 graduates of Manchester High School.

Notice

We would appreciate the addresses of area servicemen. Please call Mrs. William Hainstock of the American Legion Auxiliary or Mrs. Loren Trolf of the MOMS.

CULVER MILITARY ACADEMY

Charles (Chuck) Spensley, son of Mr. and Mrs. C. R. Spensley, Manchester, is among 316 students selected for admission to Culver Military Academy and the Culver Academy for Girls this

year. A total of 711 students from 37 states, Washington, D. C., Puerto Rico and 19 foreign countries are attending the college preparatory schools in northern Indiana.

Spensley is a member of the infantry battalion and attended the Culver Woodcraft Camp. His father is a Culver alumnus.

Culver Military Academy and the Culver Academy for Girls are operated by the non-profit Culver Educational Foundation, which also operates the 4 Culver Summer Schools on Lake Maxinkuckee. Over 1,200 students enroll each summer in the Woodcraft Camp for boys 8-14, the Naval and Horseman-ship Schools for boys 14-18, and the Summer School for Girls, ages 14-17.

CELEBRATED 90TH BIRTHDAY

Martha Weinlander quietly observed her 90th birthday on October 22nd. She has resided at the Cedar Knoll Rest Home since last January. Prior to that she was hospitalized since she broke her hip in April of 1970.

She was happy to get home on October 17th to a family dinner and to be with her grandchildren and great grandchildren was the only birthday present she desired.

CELEBRATED 80TH BIRTHDAY

Mrs. Ed (Julia) Braun celebrated her 80th birthday Sunday at a surprise party arranged by her family. Family and friends came from Detroit, Ann Arbor, Clinton, Tecumseh and Manchester.

A buffet table was arranged with a beautiful fall decorated birthday cake and fall flower arrangement. Mrs. Braun received many lovely gifts, cards, and flowers.

KNOW YOUR MICHIGAN LAW

One of the most significant ac-
 complishments of the 1971 Michigan
 legislative session was the Age of Ma-
 jority Act of 1971. The Act is sched-
 uled to take effect on January 1, 1972.
 In the broadest terms, the Act
 provides that persons at least 18 years
 of age shall have the same legal rights
 and duties as persons 21 years of age
 or older. It supercedes all state sta-
 tutes which provide otherwise.

Among the many changes which
 the new law will effect in the status
 of 18-year-olds, the following are not-
 able:

Such persons may sue or be sued
 on their own behalf, without the ap-
 pointment of a special guardian.

The earnings of unmarried per-
 sons of age 18 or older are no longer
 subject to parental control, nor are
 such persons entitled to support from
 their parents.

Persons over 18 years of age may
 purchase and be served alcoholic bev-
 erages, and may frequent places where
 such beverages are served.

Such persons may place bets at
 pari mutuel windows, and may be li-
 censed to operate poolrooms, bowling
 alleys and dance halls.

If injured in the course of em-
 ployment, they may apply for work-
 man's compensation benefits. If other-
 wise eligible, they may apply for wel-
 fare benefits.

Such persons may be licensed to
 carry a concealed weapon, if otherwise
 qualified. (It is extremely difficult to
 qualify for a concealed weapons permit.)

The Michigan Age of Majority
 Act should not be confused with the
 26th Amendment to the United States
 Constitution, which became effective
 on June 30, 1971. That Amendment
 conferred upon persons at least 18 years
 of age the right to vote in all federal,
 state, and local elections.

Since stage law provides that re-
 gistered voters may serve on juries, per-
 sons 18 years of age are now eligible to
 serve on juries in Michigan.

The Age of Majority Act, in short,
 will make all Michigan residents who
 are at least 18 years of age full-fledged
 legal adults.

IRON CREEK STUDY GROUP

The Iron Creek Study Group will meet with Mrs. Wm. Rhoades November 4 at 12:30 p.m. for a dessert luncheon.

FROM THE OFFICE OF THE ATTORNEY GENERAL

Attorney General Frank J. Kelley, chairman of the Municipal Finance Commission, announced today that the Commission approved \$40,000.00 of "Motor Vehicle Highway Fund Bonds (1971 series)" for the Village of Manchester, Washtenaw County. Attorney General Kelley said, "The proceeds will be used to finance part of the cost of constructing a new bridge in the Village of Manchester. The bonds are payable from state collected taxes returned by the State of Michigan to the Village. These bonds will run until 1979".

Other members of the Municipal Finance Commission are Allison Green, State Treasurer; and John W. Porter, Superintendent of Public Instruction.

The following fees are to be paid from the bond proceeds:
 Local Attorney \$350.00
 Bond Attorney \$705.00

Coach's Corner

Again Manchester gets in close and cannot score and for the third straight game it has cost us a win.

We felt that we could run on Hudson and planned on it all week. Several people asked why we didn't try a Field Goal in the first period. We felt that if we didn't score a TD at Hudson would have very poor field position and we would then get the ball back in good shape, which we did. After looking at the game film, several glaring calls by the officials hurt us in our second drive.

This week we are playing Columbia Central after a three year absence.

UTCH FALL TO HUDSON

Hudson came alive early in the first quarter and capped a 65 yard drive with a touchdown by the quarterback, Tom Duff. Hudson kicked and Manchester drove 70 yards to the Hudson yard line only to lose the ball on downs.

Before the half, Manchester again took the ball inside the "Tigers" yard line but couldn't score. The half ended with Hudson ahead by 6.

Manchester came back to dominate the 3rd quarter. The Dutchmen received the 2nd half kick, got one yard and then quarterback Rich Kennedy hit wide receiver Brad Widmayer with a 50 yard touchdown pass. A fake field goal failed and the score was 6-6.

But midway through the 3rd quarter the Dutch were stunned when senior

right-end Max Gormley left the game with a separated shoulder.

Hudson turned the 4th quarter around and took the ball 60 yards on the ground and Duff scored on a 2 yard run.

Don Tapping played an outstanding game for Manchester. Don gained over 115 yards.

Defensive standouts were Tim Spiess and Len Minor.

The game ended with Manchester winless in their last 3 games and Hudson with a 32 game winning streak.

Manchester plays Columbia Central this Friday at Brooklyn.

CROSS COUNTRY TEAM FALL TO HUDSON

Last years League championship Hudson team proved too powerful for Manchester High's cross-country team, as Hudson downed Manchester by a surprising 19-39 score.

Hudson swept the top 3 places as only Jeff Bruestle and Jose Arana finished ahead of Hudson's 4th and 5th men. Both Bruestle and Arana finished with their best times for the season, 13:45 and 13:47 respectively.

Dave Benedict 8th, John Roberts 10th and Joel Tobias 12th completed Manchester's top (scoring) five.

Coach Steeb said he was disappointed with the Hudson results but added, "The boys have been pushing hard now for several weeks and were due for a mental letdown."

The last remaining home meet will be this Monday against Clinton at 4 o'clock.

Spaces Available For Hunting

The U. S. Department of Agriculture has agreements with approximately 2,000 farmers in Michigan who are providing nearly 200,000 acres of land for public hunting. Nick Smith, chairman of the Michigan State ASCS Committee reminds hunters that this program is made available to them. Areas throughout the southern part of Michigan that have never been open to the public before are available. Such areas may be located by contacting the local county ASCS office or the Michigan State ASCS Office for the names of the land owners and their location.

Smith further emphasizes that even though the land is open for public hunting, the landowner's rights must be observed and the number of hunters per farm is restricted. Therefore, it is essential that all hunters identify themselves at the farm headquarters and observe safe and sensible rules of hunting.

Nursing Classes Start Nov. 2

LIBRARY NEWS

Lovely clear days, and surprisingly enough the grass has greened again with the recent rains. The leaves will be gone soon and we can settle down to Halloween and Thanksgiving.
We will have a story hour here at the library, aimed at the 4 to 5 year olds. Starting Tuesday, November 2nd, at 2:00 to 2:30. Sponsored by the Washtenaw Area Library System.
For the fans of Noel Gerson we have a new biographical novel about David Farragut, America's greatest Naval hero since John Paul Jones. Gladys Taber has been writing for the women's magazines for many years, and descriptions of her farm in New England, called Stillmeadow, are well known. We have her new offering, describing her summers at Cape Cod. "My Own Cape Cod".
Jane Aiken Hodge, writer of Gothic Mysteries, has presented her new book Savannah Purchase. This should be a good story of suspense.
Remember we have paperbacks and records as well as magazines, all of which circulate like books.

GREEN PEAS AND MUSHROOMS

Combine 10-ounce package frozen green peas, three-ounce can sliced mushrooms and one bouillon cube in saucepan. Cook about eight minutes or until peas are just tender. Serves 4. Double for 8 servings.

DEPARTMENT OF AGRICULTURE

"If Michigan experiences a better hunting season this year than last, much of it can be attributed to the state's farmers," said B. Dale Ball, director of the Michigan Department of Agriculture. "Through soil conservation projects, Michigan saw yet another increase in land devoted to wildlife habitat and general recreation."
Figures on Michigan's soil conservation programs are compiled by the U. S. Soil Conservation Service in cooperation with the State Soil Conservation committee, of which Director Ball is chairman.
In the last year, Michigan farmers turned approximately 65 thousand acres of their land into wildlife habitat. They also planted 618,515 feet of hedgerow and 593,795 feet of field border. These provide cover for deer and small game.
A total of 1,583 ponds were established while another 939 were developed to produce fish for domestic use and recreation. In addition, trees were planted on 12,032 acres.
Soil conservation programs include watershed activities, conservation operations and resource conservation and development. There are 60, 547 individual district cooperators in Michigan with a total of 8,257,762 acres.

Co-Op Nursery School

October was a busy month for the pre-schoolers attending the Manchester Co Op Nursery School. In addition to their usual round of activities, the children made two trips: they visited the Manchester Fire Department and Alber's Orchard. With the apples picked at the orchard, the children made caramel apples and applesauce (slightly burned).

The highlight of the month was Halloween party where the children came dressed in their costumes. The assortment of witches, clowns, bunnies, hosts and goblins attending the party prepared their own treats by creating animals out of gumdrops and toothpicks, and popping popcorn. They did this with the help of teacher, Barbara Bohner, and two slightly harassed mommies!

Building Violation

It seems some village contractors wanted to save mayor Dave Little the chore of fighting the winter elements by building him his own mayor's office. Checking with the Village Council it seems the contractor didn't even have a building permit!

WHY?
