was opened in 1967 after two years of excavating and construction work, in the initial season, over 52,000 visitors saw the caverns.

The attraction features some of the most spectacular formations in America, all illuminated by an extensive theatric-

Saturday saw the first major roadside cleanup around Manchester. The Jaycees, the Ecology Club and the Cub Scouts spent several hours collecting bottles. glass, cans and other trash which had been scattered by careless and thoughtless persons over a long period.

The main roads leading into Manchester look a whole lot better after the cleanup and it is hoped that everyone will co-operate and try to keep them that way. It certainly was discouraging to find a newly emptied been can along the roadside less than two

hours after it had been cleared. And

in broad daylight. The Jaycees would like to thank all those who helped, expecially Bob Eisenhauer, the following Ecology Club members: Jon Barber, Meg Munson, Kris Boehler, Lee Ann Mahony, Marthe Sutton, Carol Boehler, Laura Sutton. Martha Heinrich, Max Gormley, Tom Huber, Mary Ann McCalla, Nancy Simmons, Mike Brady and the following Cub Scouts: Fred Townsend, Carl Townsend, Phillip Schwab, Ken Schwab, Brad Bailey, Paul Profrock, Brian Eisenhauer, and Ken Achtenberg. as well as Lora Schwab, Cheryl Whittington and the Achtenbergs.

EXPLORER POST

The Explorer Post of Manchester would like to thank John Neuderfer, Bob Little, Roger Marrison, Chuck Steele, and Doug and Don Brown for lending their canoes to the post for their practice run on the Raisin River last Sunday. The trip was an overwhelming success with only three boys submerging.

LIBRARY NEWS by C. Chapin

Have you got the yard raked yet? Everything is beginning green and though it's still been cold, the clear air and sun gives us hope. Have you seen the tractors ploughing a fter dark, with the lights on and the noise creating an eerie impression as of some trange creature slowly traveling the fields. From the highway it's a spooky sight. The suckers will be coming up to the dam for spawning season soon now. Morels will be ready for picking in the woods, if you know the right spots. It's too early to plant the garden so take time to read a book. Here are a few you may enjoy.

MAILBOX IMPROVEMENT WEEK MAY 17 - 22

May 17 - 22 is set aside as Mailbox Improvement Week. This is the time of the year when customers are urged to examine and improve where necessary, the appearance of their mailboxes. Neat, attractive mailboxes make a significant contribution to the appearance of the countryside and the streets in suburban areas. Mailboxes should be designed to protect the mail from weather, neat in appearance, conveniently located, and safe to use.

Mailboxes that meet the above four requirements contribute to a more efficient delivery operation, and the result is an improved service to the entire route. There are two approved styles of boxes: Traditional, in three standard sizes and Contemporary design. Rural Routes - Mailboxes of the

approved traditional or contemporary design are required, whenever a mailbox is newly installed or an unsuitable receptacle is replaced. Where box numbers are assigned, the name of the owner and the box number must be shown on the side of the box visible to the carrier as he approaches, or on the door where boxes are grouped. Customers are encouraged to group boxes wherever this is practicable.

If there is a father of a Little League or Farm League player or anyone who could help us out of this dilemma, please contact Mr. Brian Schick at 428-2301. Arrangements can be made to have one's son on the same team the father manages.

"Michigan -- I and of Hospitality" is the theme of Michigan Week 1971. Each of us should take individual responsibility for making that theme an effective one.

"We want to make Michigan recognized in our country and abroad for its attributes and hospitality. We can do this, first by learning as much as possible about our own state, and then, by showing our friendliness and hospitality during the eight days of Michigan Weekand all through the year.

"In recognition of Michigan Week, we will observe Saturday, May 15, as Community Pride Day; Sunday, May 16, Spiritual Foundations Day; Monday, May 17, Our Government Day; Tuesday, May 18, Our Heritage Day; Wednesday, May 19, Our Livelihood Day; Thursday, May 20, Education Day; Friday, May 21, Hospitality Day, and Saturday, May 22, Our Youth Day.

"As citizens of Michigan, we have a great deal to be proud about. It is important that we show our pride in our home state and join together in tribute to 'Michigan-Land of Hospitality'.
