104 YEAR NO. 29

10 CENTS PER COPY

May 27, 1971

By C. Chapin

The Emil Jacob Post #117, in cooperation with the Ladies Auxiliary of the American Legion, has sponsored for several years a flag program within the Village of Manchester.

Begun in 1967, the program provides that at least 12 times a year on such occasions as Mayors Day, Chicken Broil Day and all Holidays, the Main Street in the business district will be decorated with the American Flag.

Initiated originally when Al Gaige was Commander of the Post, he and Charles Steele, Ed Steele, Don Stockwell and Robert Popkey formed a committee and worked out the idea.

For a fee of One dollar per month the 48 flags are set out in the morning and removed in the evening for the merchants.

The Ladies Auxiliary has worked cooperatively with the American Legion to provide flags for 60 classrooms in the Manchester school system and also maintains the outside flags at the schools. This summer the Middle school will have a new flag pole and the pole at the Athletic field will be repaired.

According to Morgan Kern, present commander of the Manchester Post, this program is a great success, and he states that the principle of participating in fewer programs and doing them well, has been a successful idea here.

Apparently unique, the idea has spread to an area in New York where a similar program has been initiated.

The present committee for flags, composed of Jim Kensler and his family, Jerry (Buck) Kirk also take care of another interesting dimension of the flag program. Great care is taken of the veterans graves with the townships furnishing the material and the committee placing markers and replacing flags each year.

In the four townships serviced by this Legion Post, there are 230 flags. The division of these and the record of service involved is truly extraordinary. Gillet, Sharon Center, Rowes corner and Herman R. Cemeteries total 34 gravesites in Sharon township.

St. Thomas and 2 Bethel Church sites, include 6 in Freedom, Bridge-water Village has 8 servicemen's graves while Reynolds corner, Manchester Catholic, and the large Manchester cemetery have 182.

These graves have been taken care of for several generations since Mr. and Mrs. Daniel Burch worked together taking care of Civil War graves, passing the job on to the Merrick Burch's,

then in 1957 Harold Burch and Walt Vogt, until now the committee continues this memorial.

The Village flag in Wurster Park is also purchased from the Veterans, although maintained by the Village.

The Emil Jacob Post #117 of the Am. Legion of Manchester was originally formed in 1919 at the close of World War 1 with 22 charter members, and named for Emil Jacob who was killed during that war. The oldest living Post commander is Harry Sutton of 206 W. Duncan Street, Manchester.

The Legion members met for many years above what is now the Black Sheep tavern before they purchased the present building on Main Street.

Present membership totals 117 members and officers in addition to Commander Kern are Veryl Widmayer, 1st Vice Cmdr., Vic Mann 2nd Vice Cmdr., Alger Clark Jr., Chaplain, and Charles Steele, Sergeant at Arms.

Cmdr. Kern wishes to express his thanks to the merchants for their cooperation in this program and to extend an invitation to anyone wishing to participate, either merchants or individuals wishing to honor the war heroes. "We have at least two new flags to be installed on the new bridge and room for a few more on Main Street, and this would be a fine memorial". If anyone is interested, Mr. Kern can be reached at 428-8616.

PATRIOTIC SERVICE AT THE IRON CREEK CHURCH

In the Morning Worship service at 10 this Sunday, the Junior Choir and Youth of the church will present a special Memorial service including patriotic songs and instrumental selections and a reading. Twenty children of the choir will do honor to both the American and Christian flags, remembering that our country was founded with a deep desire for religious freedom and that we must honor God to be good citizens. The wisest man said "Righteousness exalteth a nation, but sin is a reproach to any people." Proverbs 14:34.

Notice

The Memorial Day Parade Monday, May 31, will form at Beaufort and Main at 9:00 a. m. Parade begins at 9:30 a. m.

ANNUAL MEETING

The annual meeting of The Freedom Evangelical Memorial Cemetery Association will be held at the cemetery May 30 at 3:00 p. m.

BOARD OF EDUCATION INCUMBENTS RUNNING UNCONTESTED

Only the four petitions of the present members of the Board of Education were filed by the May 17 deadline.

Filing for the two four year terms are Luther C. Klager and Don Walter. Submitting petitions for the two three year terms were Eugene Bentschneider and Reno Feldkamp.

The annual school board election will be held on June 14, 1971 in Room 110 of the Manchester High School, in addition to electing four members to the Board of Education the registered voters of the district will also vote on the continuation of the extra voted operational millage. The millage in the amount of 11.5 mills is absolutely essential to the continuation of the school program. The 11.5 mills is existing millage and is not an increase.

The polls will be open from 7:00 a. m. to 8:00 p. m.

Millage Request To Be Same

Despite the fact that the Manchester School System lost revenue from textbook rentals, sales and fees during the current fiscal year plus a reduction in State Aid, the Board of Education is requesting only the continuation of existing operational millage for the 1971-72 school year at its annual election on June 14, 1971.

If the existing millage is approved, the net gain to the school district from the increase in State Equalized Valuation will amount to \$47,293.64. This amount will partially defray the loss of revenue incurred during the current fiscal year. It will also allow the school system to employ the two additional teachers needed to accommodate the growing enrollment.

If the school district had not realized an increase in the State Equalized Valuation, the Board of Education would have had to ask for a two to three mill increase in the extra voted operational levy.

The total millage levied by the Manchester School District is shown below:

Permanently allocated by county	11.22m.
(School's share of the 18 mills)	
Extra Voted (annually) 1970-71	11.50m.
Debt Retirement (1970-71)	4.52m.
(Buildings)	27.24m.
Total School Levy	45.48m.

Due to the increase in the State Equalized Valuation of the district the debt retirement levy will be reduced by .75 of a mill; therefore, the total school levy for the 1971-72 school year (if approved June 14, 1971) would total 26.49 mills.

The 26.49 mills of school tax amounts to \$26.49 per thousand dollars (\$1,000.00) of assessed valuation. To find your school tax amount, multiply your assessed valuation by the 26.49 mills, or use the table below for an approximation.

Assessed Val.	\$1,000 X 26.49 m. =	26.49
Assessed Val.	5,000 X 26.49 m. =	132.45
Assessed Val.	7,500 X 26.49 m. =	198.68
Assessed Val.	10,000 X 26.49 m. =	264.90
Assessed Val.	15,000 X 26.49 m. =	397.35
Assessed Val.	20,000 X 26.49 m. =	529.80

If the average assessed valuation in the Manchester School District is \$12,000 and the school tax is \$317.88 per year, it costs the taxpayer:

- with one child - \$317.88 per year to educate that child
- two children - \$158.94 per child
- three children - \$105.96 per child
- four children - \$79.47 per child

The General Fund expenditure per pupil in the Manchester Public School District is \$679.88.

Open House Sunday, June 6th

OPEN HOUSE FOR MRS. FLOOD

On Sunday, June 6, 1971, an open house will be held at the Luther C. Klager Elementary School to honor Mrs. Birdella Flood, Manchester Elementary Principal, who is retiring after forty three years in the teaching profession. Mrs. Flood has lived all her life in the Manchester area and graduated from Manchester High School.

Mrs. Flood taught twenty one years in the rural schools of Washtenaw County and twenty two years in the Manchester Public Schools as a first and third grade teacher and elementary principal. She received her Bachelor of Arts Degree from Eastern Michigan University in 1954 and her Masters of Arts Degree from the University of Michigan in 1961. All of the credits for these two degrees were earned in Summer School sessions, Saturday sessions and evening classes.

Active in the Emanuel Church of Christ, Mrs. Flood is presently serving as Secretary of the Church Council, has taught Sunday School and directed several years to the National Education Association and was a delegate for several years to the National Education Association's Representative Assembly. Mrs. Flood has served on the Manchester Library Board, and is serving her 10th year on the State Executive Board of Alpha Delta Kappa, an Honorary Sorority for Women Educators.

Her hobbies include bowling, golfing, painting, reading and traveling. The open house will be held from 2:00 p. m. to 5:00 p. m. on Sunday, June 6, 1971.

God and Country Awarded To Scout

A Manchester High School sophomore received the Boy Scout's God and Country Award during morning worship service at the Emanuel United Church of Christ.

Mark Diefenderfer 15, was presented the highest religious award in scouting by the Rev. Ralph L. Kuehner, who was Marks counselor, Mr. Ronald Jenter church representative and Mr. Robert Armentrout Boy Scout representative.

The Youth presently is a member of Explorer Post No. 404, is a former member of Scout Troop No. 436. He has been in scouting for four years, is a Life Scout working on the Eagle Requirements. He also is a member of the Order of the Arrow.

Mark is the son of Mr. and Mrs. Robert C. Diefenderfer of 716 Granger Street, Manchester.

Your Help Is Needed June 7th

Ten pints of blood are used every month to meet the regular needs in the Manchester area and a new case of leukemia has just become our responsibility. One doesn't need a computer to realize that 150 to 200 pints will barely make a year's supply for the Manchester School District.

This is the reason that Manchester Red Cross Blood Club is urging 200 healthy citizens to come and give at the Bloodmobile, Monday, June 7 at the United Methodist Church between the hours of 12 and 6.

Churches, industry and the school system are combining their efforts to meet the goal. The NEED is GREAT, the TIME is NOW and Manchester is noted for meeting a crisis head-on!

Sign up at your church, your place of business or at the Union Savings Bank poster by this week end, if possible, especially if you are not in industry (industry scheduling will take place next week), so your preferred time can be scheduled. If you do not sign up.....Be sure and come anyway.

Bulletin: House Bill 4446 passed and signed last week, allows any person who has reached the age of 18 to give blood without a parental consent slip.

DAILY VACATION BIBLE SCHOOL

Emanuel United Church of Christ, Manchester Methodist Church and St. Mary's Church of Manchester are pleased to announce another year of co-operative Daily Vacation Bible School. The week of classes and activities for this year is June 14 through June 18 from 9:00 a.m. until 11:00 a.m. Activities will be held for Nursery age children, ages three and younger, and classes will be held for pre-schoolers who are at least four years old, Kindergarten for those who will be going to Kindergarten in the Fall, First Grade for those entering first grade, Second Grade for those entering second grade, Third Grade for those entering third grade, Fourth Grade for those entering fourth grade, and Fifth and Sixth Grade for those entering fifth and sixth grades. Registration will begin at 8:45 on Monday morning, June 14th with the children reporting to the church where they will be attending. Nursery, Pre-School and Kindergarten will be at Manchester Methodist Church; First, Second, Third, and Fourth Grades will be at Emanuel United Church of Christ, and the Fifth and Sixth Grades will be at St. Mary's Church. Registration fee will be \$1.00 per child and not more than \$1.00 per family. This year's lessons will be based around the theme "Created by God". The underlying instruction will be towards gaining an understanding of and application of Christian charity. Why not plan to have your youngsters spend a week learning about the Christian faith and call to responsible living?

IRON CREEK MISSIONARY SOCIETY

The Iron Creek Missionary Society met Thursday, May 20, at the church for their monthly meeting. They continued the work on the lap robes. Mrs. Betty Hand led devotions, and Mrs. Janofski was hostess. It was reported that over 100 people attended the Mother-Daughter Banquet. Communications were read from two missionaries, Mrs. McMillan in Africa and Mrs. Blowers in the Bahamas. Gladys Johnson will be hostess for June Meeting. Margaret Troitz will lead devotions.

To Attend Girls State June 13-20

Emil Jacob Unit No. 117 The Am. Legion Auxiliary has selected Connie Whittington of Manchester to attend Am. Legion Auxiliary Girls State to be held on the campus of the Eastern Michigan University, June 13th thru June 20th. Miss Whittington, Riverside Dr., is the daughter of Mr. and Mrs. Ronald Whittington and has been a member of Junior Auxiliary, Varsity Cheerleader, member of Emanuel Church, and active in school clubs.

For seven days the girls attending Am. Legion Auxiliary Girls State will play the role of Jr. Politicians and build a unit of government, electing from their own representatives, city, county and state officials for a model state. Under the sponsorship of the Am. Legion Auxiliary the girls will be assigned to cities, petition for offices, form party platform and caucus their way into a whirlwind week of self-government.

At the close of their session, two girls will be selected to represent Michigan at Girls Nation held at the Am. University in Washington, D.C.

THANK YOU

The American Legion would like to thank the Merchants and Organizations who sponsor the flags that are seen on Main Street. We appreciate their important part in making our Flag Program such a success.

MANCHESTER SPEEDWAY RESULTS

Louie J. Stemen is really the one to beat, in the Sportsman Modifieds, here this year. He did a complete repeat of last week, being the fastest qualifier, winning the first heat, pursuit and the feature. All that along with climbing the pole to fix the lights!

Stemen took the lead in the first heat on the fifth lap and was never headed. He was followed by Dick Slade, Ed Hage in car #181, and Larry Blaisdell. The second heat saw Curt Kelly build up a big lead to take the win over Bill Heaney, Bill Cattell and Jerry Lippert. The car were closely bunched in the third heat, with Jim Martin coming out ahead for the checkered flag, followed closely by Gary Rhoades, Bud Elting and Fred Worden Jr. The fourth heat win went to Dave Uecelus, over Dennis Donaldson in car #120, John Limbacher and Gary Riser.

With only 2 cars left in the pursuit on the fourth lap, Stemen passed Slade on the eighth lap for the checkered flag. Slade took second, Danny Carr, third, and Jim Beisel, fourth. Bud Elting, did a repeat of last week too, by taking the lead on the third lap of the Semi, and hanging there for the win. Trailing him across the line were Worden, Donaldson, Riser, and Jim Hal-lenback.

The action in the feature was hot and heavy. Lots of spin-outs, but nothing serious. Louie J. expertly wheeled his gray #88 in and out of traffic for another big win. Jim Brumhiller took second followed by Slade, Jr. Gary and Beisel.

In the Super Stocks, Bill Paxton was fastest at 20:39, Dale Brenner picked off the heat win by a big lead over Paxton, Don Dunn, and Dick Dalton.

Ed LaRoe held on to his lead in the pursuit, for the checker, followed by Brenner, Paxton and Dick Slade.

Brenner made it a double win for the evening by taking the lead on lap two of the feature, and kept his foot in it for the win. Paxton came across the line second, third was Slade, fourth and fifth places went to Dunn and Dalton.

Next Friday night (May 28), we will have a Powder Puff, with all kinds of cars together! Don't miss it, 9 girls have already signed up and more to come. Also, Sunday (May 30) will be the big Memorial Day Trophy Races with 50 lap feature, plus regular program. See you there!!

260,000 TREES AND SHRUBS ORDERED

Stephen Bristle, Manchester, Chairman of the Washtenaw County Soil Conservation District, reports that 661 land-owners requested nearly 260,000 trees and shrub planting stock from the District this Spring.

Bristle stated that White Pine, our State tree, topped all other tree species in sales with a total of 57,000 ordered.

The White Pine, as well as the other pines and spruces, will serve a variety of conservation uses such as reforestation, erosion control, and wind protection.

Landowners continue to show interest in improving conditions for wildlife. Bristle reports that nearly 55,900 wildlife shrubs were requested for Spring planting this year.

Autumn Olive and Multiflora Rose continue to be the most popular shrub species. Many of these shrubs will be used for clump plantings, and hedges in areas where natural wildlife cover is lacking.

The total affect of the trees and shrubs planted this Spring in Washtenaw County will be a better quality environment in the future for both people and wildlife.

ANNUAL SPRING CAMPOREE

The Annual Spring Camporee, May 14, 15, and 16 was attended by 19 Scouts and 4 adults from Manchester Troop 426 was headed by Scout Master Jim McEwan and Troop 436 by Scout Master Alfred A. Sannes.

Four Explorer Scouts from Explorer Post 404 camped next to the troops and were part of the inspection committee. Mr. Robert Armentrout our District Commissioner was also present on Saturday and Sunday.

President awards (red, white, and blue ribbons) were earned for their exceptional camping achievements and ability. These awards are not easy to come by as it takes a great deal of effort on the part of each boy working in patrols to make it successful.

Mr. Glen Lehr and Mr. Peter Hughes spent Friday night with the troops. Mr. Lehr left Saturday noon and Mr. Hughes also planned to leave at the same time but was asked to judge the camp sites in the afternoon so he stayed the entire weekend and enjoyed himself very much.

Paul Meinhart was tapped out for the induction into the order of the Arrow which is a great honor both to himself and to the Explorer Post 404 to which he belongs.

JUNIOR HIGH LOSES TO ONSTED

On Thursday, May 20th the Manchester Junior High track team was defeated by Onsted by a score of 76-33. The defeat is the Jr. High's third this year.

Manchester took four first places including both relays. The 880 relay team of Kurt Kocesi, Scott Evillster, Nick Meta, and Steve Beach was victorious with a time of 2:03.7. The 440 relay team of Mark Feldkamp, Joel Tobias, Mark Eversole, and Mark Young, also won with a time of 63.4.

The only individual winner for Manchester won two events. Steve Beach bettered his own school records in winning both the shotput (50' 4") and the high hurdles (10.0). Steve now holds three school records.

Second place finishers for Manchester were; Scott Evillster in the shotput (35' 2"), Kurt Kensler in both the high jump (4' 8") and the 220 yard dash (26.25 seconds, a new school record).

Third place finishers were Kurt Kocesi in the 60 yard dash (8.0), Kurt Kensler in the 75 yard dash (9.05, a new school record), Phil Krzyzaniak in the 440 yard run (73.2), and Mark Eversole in the 100 yard dash (13.0).

The Jr. High winds up its season next week at Morenci for the league track meet.

MICHIGAN STATE POLICE

Promotion of a Michigan State Police trooper to corporal and the transfer of 14 other troopers all effective June 6 is announced by Col. John R. Platts, Department Director.

Tpr. Valentine J. Ozych, 32, of the Calumet post, is advanced to corporal and assigned to the analysis unit in the executive division at East Lansing headquarters.

Troopers being transferred are: Larry R. Anderson, 28, Niles to Marquette; Robert D. Beaver, 24, St. Clair to Clinton; Jerald P. Cook, 26, Wayland to Flint; William Dailey, 23, Clinton to Niles; Jerry Disler, 25, White Pigeon to Jackson; Gary Gokey, 30, Marquette to Detroit; Weldon Greiger, 27, Jackson to Bay City; David Hartley, 24, Detroit to Blissfield; Dorias Helgren, 29, Blissfield to Calumet; Garry J. Kreg-elka, 24, Brighton to Clinton; Clarence Perry Sr., 28, Detroit to Jonesville; Clyde E. Schell, 29, Bay City to White Pigeon; James P. Sivak, 24, Flint to Wayland; and John P. VanDeusen, 41, Bay City to Calumet.

Ozych joined the State Police in 1961, served first at Detroit before transferring in 1963 to Calumet.

VanDeusen enlisted in 1956 and Perry and Schell in 1967. Beaver, Hartley, Disler, Gokey and Sivak joined in 1968, Anderson, Cook, Dailey, Greiger, Helgren and Kregelka in 1969.

Eight of the troopers are serving at their first posts. The others and their previous stations are Disler (Niles), Gokey (Warren), Perry (West Branch), Schell (Traverse City), Sivak (Blissfield), and VanDeusen (Pontiac, Houghton Lake, Stephenson, and Rockford).

The class of 1966 will hold their 5-year class reunion on June 19, 1971. The place of the reunion has been changed to Carr Park instead of the Sportsman's Club. The reunion will start at 9 p.m. Please notify Deneise Schaible if you plan to attend if you have not already done so. Phone: 428-8583.

COUNCIL PROCEEDINGS

May 3, 1971

Council met in regular session with the meeting called to order by Pres. Little at 7:05. Trustees present were Benedict, Fitzgerald, Smith, Reinhart and Walton; enter Mahony at 7:10. The minutes of the April 18 meeting were read. Moved by Scully, supported by Mahony to approve the minutes. All year, carried.

Mr. Cecil Arnold was present to appeal the notice served on him to clean up his property. After some discussion it was suggested that we see our attorney about the matter. The Health and Safety Comm. agreed to point out the junk to Mr. Arnold. Moved by Walton, supported by Scully that Scully, Reinhart, and Benedict meet with our attorney concerning enforcing the junk ordinance. All year, carried.

Moved by Scully, supported by Fitzgerald that our next regular meeting be changed from May 17 to May 15 because of Mayor's Exchange Day. All year, carried.

Benedict reviewed his monthly report.

No. of complainants: 24 Animal Complaints: Dog 4
Total complaints investigated: 24
Other departments:
Washtenaw Co. Sheriff: 2
State Police: 1
Coastal P.D.: 1
Services rendered, etc.: 42

Traffic violations: 18 traffic violations issued: 11 speeding violations, 1 defective equipment violation, 1 driving under influence of liquor, 1 not approved helmet, 2 excessive noise tires, 1 no registration, 1 careless driving.
Total warnings: 30 Parking summonses: 6

Arrests: 1 arrest driving under influence of liquor
Accidents policed: 1 property damage accident policed
Other police activities: 6 major complaints investigated, 10 doors found unlocked, 1 window found open, 3 traffic assists for funerals, 2 traffic assists for fires. 4-10-71 assisted traffic for Easter egg hunt at Carr Park. Collected and turned in \$25.00 in parking summons money for April. Began clean up program for junk in people's yards, sent out 3 notices and served 1 notice.

Jay Lantz asked Council the procedure on closing the area used as a street through his property on West Main St. He was advised to make a deposit against any possible legal fees. The check should be for \$50.00. Moved by Reinhart, supported by Fitzgerald that the area used as an extension of Duncan between Union and Main be closed. All year, carried.

Fitzgerald reported that a drawing of the railing had been forwarded to Bob McLavay. Their concern will be the steel structural area underneath which will be subject to State inspection. The rest can be done afterwards. The preliminary plans for the Main Street Bridge will be here for the meeting May 18. McLavay and Sons fee will be 3%.

In the previous two weeks Fitzgerald informed council that there had been a fire at the dump, the loader had broken down but is now repaired, the dump is finally covered. The parks are open; the 40 posts are ready to be set in. Kirk Park is ready to pull stones off. The 500 yards of fill from Jay Lantz is to be leveled off. Ann Arbor Hill looks good now. The street lines should be painted by Mayor's Exchange Day. Bruce contacted Washtenaw Asphalt about finishing up West Main Street properly and Ayling Cunningham in regard to Duncan Street. The latter will be taken care of in 2 weeks. The two trees at the Powell property have been cut. There is a temporary barricade up on the Furnace Street Bridge. In looking for DFW manpower it was suggested that Bruce contact the Michigan unemployment office in Ann Arbor and Adrian. Bruce reported on Florida equipment. He is to meet with Herb to see what is needed to insure a total integrated system.

Reinhart reported on permits for Mrs. Kirk, E. Duncan, remodel kitchen, 24X24 family room, SEW Builder Methodist Church, Pleasant Hill Construction, Grand Rapids.

Moved by Benedict, supported by Scully to dispense with permit charges for the Methodist Church. All year, carried.

Reinhart reported that he and Walton had met with Connie Gonyer and will be meeting again on the insurance policies.

Benedict said that he has to get in touch with Brian Schick, the Little League, and the gym classes to clean out the rocks in Kirk Park. The paint is ready to do the benches.

Mahony informed council that Jim Randall asked if we were going to close the alley off the Southeast end of Main Street or if we were making it one way. He also reported that the PTO is concerned that nothing has been done on the speed and passing zones on Ann Arbor Hill. Larry is going to call regarding the matter.

Little brought up the matter of Joint Facilities with the township with the main concern being a new fire hall. He went on the record for the council of being in favor of the Methodist Church property but not for the village taxpayers to take on the tax burden. It was felt that the township encompasses us all and it would be more equitable if done under township auspices.

Moved by Scully, supported by Walton to adjourn. All year, carried. Adjournment 10:17.

BANNING OF STUDDED SNOW TIRES

There is a strong possibility that the use of studded automobile tires could be banned in Michigan, as a result of what I regard as "a war between cement and safety."

The Michigan State Department of Highways is seeking a ban on the use of studded tires by urging the passage of House Bill No. 5050.

At a public hearing held by the House Public Safety Committee, the Department pointed to the cost of repairing state highways and the danger of grooves in pavements. Members of the Department claimed that studs are needed only 1% of the time because their main value is traction on glare ice and hard-packed snow, and Michigan has a so-called "clean roads" policy, whereby state highways are kept free of ice and snow.

On the other side, experts in highway safety testified that, in the four years since studded tires have been legal in Michigan, traffic accidents here have been reduced 23% during the winter months, based on figures from State Police records.

Tire manufacturers testified that they have improved studs in the past year and preliminary tests show that they have reduced road wear by 50%.

Tire dealers stressed the fact that customers are demanding studded tires, which are optional safety equipment. Other safety devices, such as seat belts, padded visors, and padded dashboards, are demanded by law.

I sponsored the 1967 bill that legalized the use of studded tires, and I might point out that over half of all driving accidents occur within 25 miles of home, usually within city limits.

It is also in the cities that we have the greatest accumulation of ice and snow, and where steps are now being taken to reduce the amount of salt used because of the ecological side effects.

City and county roads are not part of the State Highway Department's "clean roads" policy. Without studded tires, they will be increasingly hazardous for the motorist.

Estimates have been made that highway repairs cost an amount roughly equal to \$7 a year for each Michigan car with studded tires.

I would point out, first, that other factors are involved in such costs -- heavy scraping equipment, salt, increased numbers of vehicles, heavy trucks.

But more important, I would ask, "How can we put a price tag on safety? How can we equate the cost of concrete with the value of human life?"

Senator Gilbert E. Busley

e. Transportation includes two sub-categories; Parking (and Air-strip) and streets and roads.

f. Undeveloped Land includes agricultural, vacant, wooded areas and rivers.

2. Land Use Characteristics

Each land use category has been analyzed in terms of the amount of acreage and the percentage it occupies of the total land area within the Village. The analysis was accomplished in order to evaluate the patterns of land use, to determine the relationship of one type of land use to another, and to ascertain the predominant land uses. The result of the survey are indicated in Table 9.

a. Residential Land Uses

Residential uses represent some 42% of Manchester's developed land. Of this total, the vast majority is devoted to one and two-family structures (total 461 units) including three farmsteads (203.55 acres or 41.2% of the developed land). Multiple family dwellings occupy only 2.65 acres.

For the most part Manchester's residential development has remained principally in the areas platted prior to 1900. With the exception of that portion north of the river and west of M-52, these older plats are almost totally built up. The major exceptions to this are areas of particularly rough topography. It should be noted that residential development has also occurred outside of the platted areas. Generally such development is oriented to major routes leading in and out of town (i.e., along M-52, West Main Street, Macomb and Adrian Roads).

Numerous problems associated with residential development have occurred in Manchester; these are summarized under the following headings:

- 1) Encroachment by non-residential uses
- 2) Dispersion of multiple-family and two-family dwellings
- 3) Strip development along major thoroughfares

These problems are explained in greater detail in the Villan-Lenan report prepared for the Village.

1971 POPPY DAYS

On Friday and Saturday, May 28 & 29, all of us will be asked to wear a red poppy...

By accepting one of these poppies from a member of the American Legion or its Auxiliary we add the living victims of the past war while honoring our dead.

The poppies you will wear on Poppy Day have an even greater significance than the flowers which bloomed on the battlefields of Europe.

Volunteers who offer the poppies to the public... make the disabled veterans... receive nothing tangible for their work.

Donors Needed Monday, June 6

COME, even if you failed to register for the Manchester Area Bloodmobile at the Manchester United Methodist Church between 12 and 6, Monday, June 7.

The number is still unpredictable because of lack of registrations, which makes it difficult to know how large a Bloodmobile Unit to request from the Detroit Regional Blood Bank. You may register at this late date with Mrs. Roland Grossman, 428-2311 or Mrs. Mildard Uphaus, 428-9801 --- it would help.

Most of the churches in the area are cooperating in the "20 per cent plan", said Mrs. Erwin Paul, registration chairman. St. Mary's, with the largest number registered, and Iron Creek and North Sharon Community Churches are reporting excellent results of their campaigns. Bethel Church of Christ is hoping to make their goal this time, which they started with Seline's clinic in March.

Ground Breaking For Michigan Livestock

Groundbreaking for the Michigan Livestock Exchange took place Friday, May 28, with Mr. Milt Brown, president of the Board of Directors, wielding the shovel.

Manager of the facility, located on M-52, south of Rowes Corners, will be Jack Pascoe, known to many people in this area a cattle salesman.

With the phasing out of the Detroit operations, the new location will be the largest of its kind in the State, branches presently operating in Battle Creek, St. Louis, Cass City, Cassopolis, Portland, with a lamb pool at West Branch and feeder yard at Adrian.

Serving southeastern Michigan, this facility will employ 8-10 full time people and 25-35 part time on the busiest days.

With 19,000 members, in Michigan, the Commission last year handled seventy two million dollars worth of livestock which is approximately one third the total of all livestock sales in the state.

The main pavilion with an auction ring is expected to seat 200 people. There will be, in addition, barns for hogs, sheep and feeder calves. A restaurant will be included in the plans.

Operating six days a week, the early part of the week is expected to be the busiest.

Boone Construction Co. of Bad Axe is the General Contractor with much of the work being subcontracted. Hopefully the facility will be in full operation before the end of summer.

In attendance for the ceremonies were Al Gaige, president of the Optimist Club; Mr. Herb Upton Jr.; Willard Mann; Mr. William Cray, president of the Union Savings Bank; James Hendley; A. Wiedmayer, president of the County Farm Bureau; Stan Poet, president of Jaycees; Marvin Kirk, and James Pratt.

Pictured left to right are: On earth mover, Jack Pascoe; Ellis Pratt, zoning board; Herb Jacob, twp. treasurer; Duane Haselachwardt, twp. clerk; Donald Erwin; A. Wiedmayer, twp. board; Dave Little, Manchester Mayor; Allen Alber, twp. supervisor; Milt Brown, pres. board of directors with shovel; Norman Bucholtz; and Ike Walden, General Mgr. of Livestock Exchange.

Council-Jaycees Intersection Signs

94th Manchester Alumni Reunion

The Manchester High School Alumni Association have completed their plans for the 94th anniversary reunion which is being held on Saturday, June 19 at the High School gymnasium.

A buffet dinner will be served at 7 p.m. by Romanoff's of Ann Arbor. The program will be highlighted by a film production of Draper and Easton's "This Is My Country". This production was exhibited at the National Education Association Convention at Co-bo Hall in Detroit where it won high critical praise. It is an entertaining and inspiring film.

The officers of the Alumni Board urge all members planning to attend this reunion to return their dinner reservations to Mrs. Walter Schaible, Manchester, no later than June 4.

If former graduates of Manchester High have changed their mailing address within the past two years, it is requested that they forward their present address to Mrs. Philip Kern, Manchester, so that the records can be updated.

DESTRUCTION TO NEW SIGNS

On May 30, 1971, at 10:30 p.m. a new street sign was destroyed by two teenage boys. The same night a piece of asphalt was thrown through a picture window at the home of Mr. and Mrs. Earl Ottersdorf on Duncan Street. Why do these things happen? Aren't these people proud of our town and the things that are being done to improve it?

Baccalaureate Sunday, June 6th

Baccalaureate Exercises will be held Sunday, June 6, at the Manchester High School Gymnasium.

ANNUAL PICNIC

Mr. and Mrs. Al Gaige entertained guests at a picnic at their home on Sunday. Guests were present from Green Pointe Woods, Allen Park, Lincoln Park, Blissfield, Adrian, and Manchester. This was the 10th annual picnic that Mr. and Mrs. Gaige have held.

50th Anniversary

Mr. and Mrs. Maynard G. Kidd of Manchester will celebrate their 50th wedding anniversary with an open house reception from 2 to 4 p.m. Sunday in the hall of St. Mary's Catholic Church.

The event will be hosted by the couple's children, Mr. and Mrs. Maynard J. Kidd and family of Manchester and Mrs. Richard C. Gates and family of Ann Arbor.

Mr. and Mrs. Kidd were married on June 1, 1921, in St. Joseph's Catholic Church of Dexter. They were married by Rev. Vincent Griffin. Bridesmaid was her sister Helene (McGinn) Monaghan and best man was Vincent McGinn her brother.

They have lived at 11359 E. Austin Road for the entire 50 years.
