Christmas Tree Mystery Solved

In the normal past-holiday calmness we thought you might like to share a compliment paid to our town. The following is a letter received by Dan Boutell from the City Manager of Williamston, Michigan.

City of Williamston, Michigan
161 East Grand River
December 27, 1971

Dan Boutell
Manchester
Michigan

Dear Dan:

Our City Treasurer, Gloria Alexander, passed through your town last week and was really excited at your Christmas decorations. She said you had a lighted tree on top of the water tower. How was it done? She also said you had a tree with large lighted globes. Where did you get them? Hope that you had a nice Christmas and best wishes for the coming year. Say hello to Mary, too.

Anxiously awaiting your reply about the Christmas tree mystery.

With warmest regards,
Ray Watkins, City Manager

Dear Mr. Watkins,

The over-all decorations in Manchester are a joint effort of the local Jaycee organization and the Village Council, with each organization furnishing funds on a matched basis and the Jaycees erecting and dismantling annually for a token fee.

The large tree by the river is separate from this plan. The large globes were purchased at Frankenmuth by the local Chamber of Commerce and the Michigan Bell Telephone Company equipment is used for the trimming.

The lighted tree on top of the tower requires fortitude and Christmas Cheer far above ordinary line of duty. It was accomplished by a couple of Jaycee members, Gale Koebe and Jim Mann.

The tree was about a 6 footer, clamped in a base which in turn was fastened to a vent cover on top of the tank with "C" clamps. The required red light on top of the tower was not covered. Three strings of lights were used and were connected to safety lights inside the tank access tube to the top. Obviously the lights were "Hung with care" as it survived two rather severe wind storms.

With many thanks for your interest and best wishes for a successful 1972 to everyone in Williamston.

Village Primary February 21st

The Village of Manchester will hold a Primary Election on February 21. The following candidates will be on the Republican slate:

President: David L. Little, Morgan Kern
Clerk: Mary H. Wheeler
Treasurer: Edward R. Kirk
Trustee (3 vacancies): Theodore L. Stautz, Herbert F. Mahony, Elwin Benedict

Assessor: Russell Widmayer
Democratic slate - no candidates
Closing date for village registration is January 21, 1972 at 8:00 p.m.

Jaycees 4th Annual Snowmobile Race Sunday, January 9th

It's that time again. The Fourth Annual Manchester Jaycee Snowmobile Race, January 9th at the Manchester Speedway.

The race will be sanctioned again this year, due to the terrific turnout last year. We had 247 entries and paid a \$1875.00 purse. This year we are paying 90% of the entry fee back to the drivers.

As the race is M.I.S.A. sanctioned event, the race and rules will be run strictly by M.I.S.A. officials.

We have had many comments from drivers, from all over the state on how well organized and well run the race is. We could run the races with no more than 6 minutes between events.

The race is run on a 1/2 mile, high banked, oval track with outstanding speeds last year. The Jaycees are

preparing the track for weeks in advance, to be sure the drivers have as safe a race as possible.

There are 95 Jaycees in our chapter, and each and everyone of them have specific jobs to do from the planning stages until the very end of the race.

Registration for all machines and drivers starts at 9 a.m. to 11:30 a.m. Race will start at 12 noon.

Registration fee is \$10.00. We would like to remind drivers that plan on being there to arrive early as last year the last 1/2 hour of registration we had a jam-up at the registration gate.

Please try to arrive as early as possible. General admission is \$2.00.

There are bleachers and concession stands available for spectators. There is also 2 parking ramps for cars and campers. There are three large park-

ing facilities for all paid spectators.

In addition to the fine race entertainment this year, we are also sponsoring a Snow Queen Contest.

Open to women 18 years and over, in full snowmobile dress with or without machines. Registration fee for Queen Contest is \$5.00. Dealer sponsored entries welcomed.

The registration time is 10 a.m. to 11 a.m. with judging from 11 to 12. Winners will be announced at the race intermission.

First, 2nd and 3rd place winners will receive trophies on the track in front of the grandstand.

So set aside this Winter Day of Excitement. Remember January 9th at Manchester Speedway.

The Manchester Jaycees would like to wish all the Race Fans and Snowmobile Buffs a Merry Christmas and a Happy New Year.

See you January 9th.

Cub Scout News

The November cub scout pack meeting was held November 17 in the Middle School Auditorium. Guy Little directed the meeting in the absence of cub master Bob Achtenberg. Den 1 presented the opening ceremony with the pledge of allegiance to the flag.

Bob Cat awards were presented to several new scouts: Randy Baxter, Todd Green, Mike Ball, Roddie Rodriguez, Scott Pedersen, Tim Seegert, Terry Walkow, Tim Sannes, Doug Smith, Jay Bertke, Marley Hughes, Jeff Catene, Doug Drouare, James Adams, Harold Dixon, Steve Strelly, Jeff Chanis, and Jimmy Yunkans.

Den 5 presented a skit depicting the first Thanksgiving. A brief film on bow and arrow deer hunting was shown by Bill McCully. The following cubs earned wolf badges and/or arrow points: Tony Day, Doug Smith, Scott Ahrens, Eddie Achtenberg, Pat Walkow, Tim Sannes, and John Moneyham.

Webelos awards were presented by Ed Townsend to: Gary Beuzle, Bob King, Carl Townsend, Mike Lehr, Gale Bertke, Tom Pratt, Paul Mahrie, and Ricky Roth.

Peg Townsend showed examples of the 150 Christmas stockings which the dens are making for rest homes in Ann Arbor and Jackson. These will be stuffed with pads of paper from the Manchester Enterprise, pencils and candy donated by the cub dens. On December 11 these stockings will be presented along with den skits at the Ann Arbor home.

Den 4 led the leap-frog relay game and the Webelos gave the closing ceremony concerning the scout motto - "We'll be prepared". Den 3 presented refreshments of kool-aid and cookies.

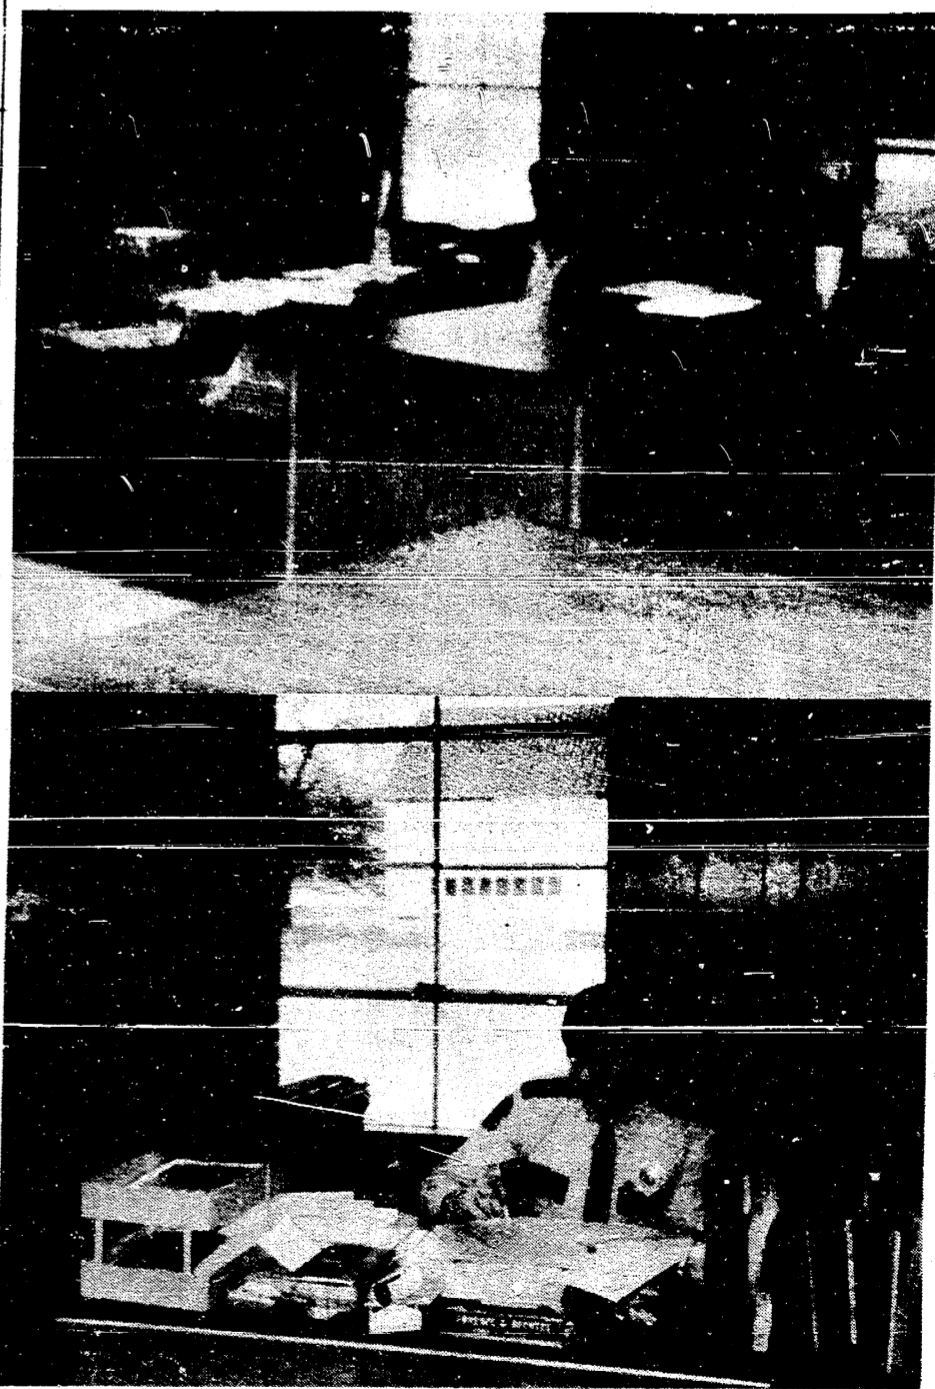

The December 6 pack meeting was a family night and gift exchange with a "Goodwill" theme. Cubs demonstrated tremendous interest in the table of den crafts: turkey seed pictures, book ends, a wild life poster, and an old time village of old time log stores, houses, etc.

The Veterans Affairs Office will be visiting The American Legion Emil Jacob Post 117 at their regular meeting on Thursday, February 3, 1972.

This meeting will enable veterans to ask questions about the various benefits available to them.

COUNCIL PROCEEDINGS

December 20, 1971

Council met in regular session with the meeting called to order by Pres. Little at 7:05 p.m. Trustees present were Benedict, Fitzgerald, Reinhart, Scully, and Walton; absent Mahony. The minutes of the Dec. 6, 1971 meeting were read. Moved by Fitzgerald, supported by Scully to approve the minutes as read. All yeas, carried.

Becktel advised Council that the radios aren't ready yet. The new car is completely constructed and should be delivered within the week.

Fitzgerald reported that the backhoe digger is completely out of commission and will require approximately \$1000 to fix. In the meantime K & W Equipment has agreed to rent a machine to the Village if needed. The complaint regarding a poorly trimmed tree on Territorial has been taken care of, the sewer at Mr. Powell's is working, the catch basins have been cleaned, the landfill is being covered, the tree down in front of Chapin's has been cleaned up and disposed of, all gravel streets have been graded and the wet well at the pumping station has been cleaned. There is nothing left in the budget for water meter replacement. Various detour routes were discussed in connection with the Main Street Bridge Reconstruction. Bruce and Larry were requested to work on patterns and traffic flow. The Public Works-Police Facility is close to completion.

Reinhart listed one permit: Thompson-plumbing & Manor-electricity 520 Adrian Street
Claire Knickerbocker asked if the Council was no longer contributing to the band in appreciation for playing in the Memorial Day parade. The clerk was requested to check into the matter.

Dave Little reported on the order of a rebuilt IBM electric typewriter for the use of the clerk.
Moved by Scully, supported by Benedict to adjourn. Meeting adjourned unanimously at 7:55 p.m.

DUTCH WRESTLERS DOWN ONSTED

The Manchester wrestling team stopped Onsted's win streak at four by handing the Wildcats a 38 to 20 defeat last Thursday night. This match did not count toward the league, but gives the Dutch an edge when they do meet in January when it counts.

John Roberts ran his record to 6-0 by pinning his opponent, Mike Tindall, Bob Preston, Mike Johnson and Hugh Haussler also won by pins. George Merriman and Randy Seegert won their matches by decision and Steve Gross managed a draw.

On Wednesday, the 22nd, the Dutch didn't fair quite as well point wise, but came away with a moral victory as they lost a close one to Class B power Chelsea 33 to 31. It was the first meeting ever between these two teams and promises to be a close rivalry.

Steve Gross at 98 and Mike Tindall at 105 started things off with pins, Bob Preston picked up a win at 119, Mark Chapin is won at 167 and Randy Seegert at 185 and Hugh Haussler at heavy weight pinned their opponents. The loss to Chelsea evened Manchester's record at 2 wins and 2 losses. The next match is with Onsted at Onsted on January 6. It is the first league match of the year and the first hurdle in the wrestlers bid for the league title.

On Thursday, December 23, J. V. Wrestlers got their chance at some glory as they competed in a tournament for first and second year wrestlers. At 98 pounds Joel Tobias took a second and John Young took a fourth. At 105 pounds Mike Tindall took first, at 112 pounds Tim Ahrens won third place. Manuel Arana was second at 126 pounds and his brother Jose was third at the same weight. Greg Sanders and Mark Eversole were in the finals at 132 pounds and Greg came away the champ with Eversole second. At 155 pounds George Merriman placed second and Ross Haussler took third. So the future looks bright for Manchester wrestling.

New Banking Hours For '72

OUR SAVIOR LUTHERAN CHURCH

The members of Our Savior Lutheran Church, 1515 South Main Street in Chelsea, will observe a special day of Thanksgiving and Dedication on Sunday, January 9, 1972.

Two worship services will be held on that day. The first, a Service of Thanksgiving and Praise, will be held at 10:30 a.m. The Reverend Paul T. Heinecke, Executive Secretary of the Board of Missions of the Michigan District of the Lutheran Church - Missouri Synod will be the guest speaker. The thrust of the service will be one of thanksgiving and praise to God for his guidance in the development of the two year old congregation which has brought them to the point of being able to dedicate a new church building. The second service at 3:00 p.m. will be one of formal dedication of the new church building to the service of God and His people. The Reverend Richard L. Schlecht, President of the Michigan District of the Lutheran Church - Missouri Synod, will be the guest speaker at the afternoon service. The Reverend William H. Keller, Pastor of Our Savior Lutheran Church, will officiate at both services.

The public is invited to attend these services as well as to stop in any time to get acquainted.

NOTICE

The River Raisin Farm Bureau will meet at Sharon Town Hall on January 12 at 8:15 p.m. The host and hostess will be Mr. and Mrs. Mahlon Smith.

AGRICULTURE IN ACTION

by Carl P. Kentner

MICHIGAN FARM BUREAU

TWO O'CLOCK TUESDAY AFTERNOON

If your typical work week runs five days, a total of 40 hours, it may interest you to know that you worked from Monday morning until about 2 p. m. Tuesday just to pay the direct taxes you owe to federal, state and local government.

According to the Tax Foundation, it takes 13 hours, 5 minutes worth of your weekly pay for taxes. That doesn't include many hidden taxes in the things you buy.

By contrast, about 5 hours, 15 minutes of your work week earned the money to buy groceries.

Keeping a roof over your head--that is, all housing costs--adds up to about 5 hours, 5 minutes worth of work time. Total expenses for automobiles, bus fare or any other transportation takes about 3 hours, 10 minutes of the paycheck.

It takes about 2 hours, 5 minutes to earn money for the clothing store. Doctors, dentists and other medical expenses add up to just under 2 hours worth of work each week.

Recreation expenses account for about an hour and 35 minutes of your time on the job.

That leaves about 7 hours and 50 minutes--not quite a full day's work--to pay other expenses. You know--a new chair for the living room, your son's college tuition, your wife's trip to the beauty shop, contributions to the church and a myriad of other expenses necessary to keep a family running.

Of course, there's no such thing as an "average" or "typical" family. But if you're a 40 hour, five-day-a-week worker, these statistics mean something to you.

Particularly meaningful should be the share of your week going for taxes. All total, government at all levels collected a whopping \$291 billion dollars in taxes last year, and that's about double the amount collected just ten years ago.

Breakfast With Pizazz

Why should breakfast be restricted to eggs and bacon? Add pizzazz to your next effort to break the fast with one of the Post Cereals as a special ingredient in muffins, breads, or even griddle cakes. In each ounce of these cereals there's 33% of an adult's Minimum Daily Requirements of Vitamins A, B₁, B₂, C, D, and Niacin, plus a third of the Recommended Daily Allowance of Vitamins B₆ and B₁₂. What a nice bonus for you!

An interesting way to add this goodness to tomorrow morning's griddle cakes is Sausage-In-A-Blanket. Just stir 1 cup of 40% bran flakes, crushed, and 1/2 cup milk into 1 cup pancake mix prepared as directed on the package for thin pancakes. After baking, roll up each cake; then unroll, place a cooked sausage link in each, and roll up again. There you are! Pizazz and nutrition interest all in one recipe! What more could you ask for?

Monday morning the Manchester High School Superintendent, Mr. Robert Swartz, reported a breaking and entering which happened on December 22, 1971. Among the items stolen were: \$100 worth of candy, \$13 in change, 2 Japanese cameras (each worth \$250), sandwiches from the sandwich room freezer were taken, and numerous keys from the Principals office. Numerous other items were also taken.

Five students from the Manchester High School were involved in the breaking and entering.

All items plus others were recovered by Chief Becktel Monday afternoon. The case remains open for further investigation.

A report was made by the Manchester High School Monday that there were five windows in the study auditorium that had been shot out by some unknown rifle at this time. Damage was estimated at \$500 for replacing and fixing the windows. The case is still under investigation.

New 'Candystripe' Carpet

Colorful For Early American Decor

With the current surge of interest in Early American furnishings, an Atlanta, Ga., interior decorator has discovered what may be the first suitable floor covering with today's wearability but with an appearance to complement pre-Revolutionary decor.

Mrs. Janet Hedges Lindemann, who was originally from New England, has "discovered" a uniquely colored carpet called "Candystripe," produced by Lewis Carpet Mills, Inc., of Cartersville, Ga., for use in a room in her home that is furnished almost entirely in authentic Early American.

The style, which features a variety of mixed colorations, is of 100 per cent continuous filament nylon and is actually made up of remnants of

nylon fiber dyed in a variety of colors.

It had been in production for some time, but had not been considered for this particular decorator use until Mrs. Lindemann happened to see a sample. She was amazed at its resemblance to the actual rugs that were woven from scraps in the Early American period.

Mrs. Lindemann pointed out that the current interest in restoring old homes and in building new homes of Early American design and with Early American furnishings provides a growing market for "Candystripe" carpet.

Information about "Candystripe" may be obtained by writing Lewis Carpet Mills, Inc., P. O. Box 490, Cartersville, Ga.

Well, you see, Mister, IT'S LIKE THIS—

Cars act different in cold weather. That's why we change the oil and the greases—to keep all the parts lubricated regardless of the temperature. And it's the same with other parts of the car...brakes have to be taken up, batteries checked, worn parts of your ignition system and windshield wipers replaced...in short, mister, the whole car has to be winter-conditioned.

...The American Family's Partner

THE \$200 billion dollar

Savings & Loan business

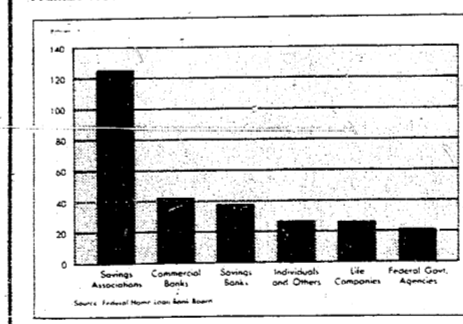

At year-end 1971, assets of the savings and loan business nationwide passed the \$200 billion mark. Only eight years ago, in 1963, we proudly noted reaching \$100 billion. It's a Great American Success Story, the S & L story. And a stirring one, because a partnership between the American people and the S & L business brought it about.

Consider the way Americans save. One of the two purposes of a savings and loan association is to encourage people to save. The result last year—in spite of a rising cost of living—was NEW savings to the tune of \$76 billion deposited in S & L's across the country. A new "boom" record.

Another new high was set in the amount of earnings paid to savers. Savings and loan associations paid out an unprecedented total of \$8.5 billion in interest-earnings in 1971. That's additional income which Americans had available to spend on a-thousand-and-one things, like new cars, travel, higher education for their children, comfortable retirements.

MORTGAGE LOANS OUTSTANDING ON ONE-TO-FOUR-FAMILY NONFARM HOMES BY TYPE OF LENDER

Consider the housing industry, a basic industry in our economy. In 1971, the housing industry has led the nation out of the economic doldrums.

Savings and loan associations tower over all other lenders in the amount of credit extended to home buyers. At year-end 1971, \$174.5 billion of mortgage credit was held by associations. In the financing of one-to-four-family homes, S & L's are the dominant source of credit accounting for over 80% of the nation's total. In fact, over 80% of savings and loan resources are advanced to home buyers. No other type of financial institution comes close to allocating this proportion of its total resources to home financing.

ASSETS OF SAVINGS AND LOAN ASSOCIATIONS

PERCENTAGE DISTRIBUTION

This partnership of American families with S & L's has made America a nation of home owners.

In the process, it stimulates business, provides jobs and helps build a strong America. For every billion dollars pumped into the housing industry last year, probably four billion dollars of new activity was created. From checks to home builders and Realtors... to wages of construction workers and suppliers... to furniture, carpet and appliance sales, and department store receipts.

And at Ann Arbor Federal Savings...

...you have the biggest and strongest savings and loan association serving Washtenaw families. Assets of AAFS passed \$163 million in 1971. Savings deposits rose to \$143 million, and with this great growth we were able to provide over \$55 million in new mortgage loans, primarily on single family homes in this community. Area residents received up to 6% interest (effective annual rate 6.13%) on their AAFS savings dollars. These greater earnings

were the source for more of the extras that make life more pleasant. Hundreds of new home owners shared in the additional mortgage funds made available through the millions of additional savings deposited with Ann Arbor Federal Savings. You can help yourself and your local economy during 1972. Open an account or add to your savings in January at Ann Arbor Federal Savings. Get the most with the SAVINGS AND LOAN SPECIALISTS.

Tips On Car Care

Change Oil And Filter Together

Engine oil is the lifeblood of your car. You might call an oil change a lubrication transaction. Without a transfusion now and then, the engine isn't going to live. And in between transfusions, the oil needs to be kept clean. That means the oil filter. Tests have shown that an engine without an oil filter wears out 85% sooner. Today, all engines have filters and with frequent changes of oil and filter together an engine's life can be extended 25% longer than if filters are changed only every other oil change.

Question: When to change or not to change.

Until recently many motorists usually went in for an oil change twice a year, but a new oil filter was installed only once a year.

Fram Corporation, for one, is now challenging that attitude. For years, car enthusiasts have changed filters at every oil change. There is mounting evidence that every driver should do the same.

The average crankcase holds five quarts of oil. One quart is held in the filter, so even though you change the oil, the result without a new filter is only 80% effective.

Actually, if an oil change were concerned only with dirt contamination, there would be no need to change oil, just the filter which traps all the harmful dirt and abrasive contaminants in the oil. But today, a great deal of engine contamination comes from chemical pollution. Acids, water, varnishes and sludges all can flow through the filter and the engine, poisoning as they go. Stop-and-go

neighborhood driving causes most of this. The engine never reaches operating temperatures and its consistent coldness causes chemical pollution.

Fram engineers urge you to make your oil change a complete change, possibly every 3,000 miles. If your car is new, follow the factory warranty recommendations. The new high compression engines generate extra heat and quickly break down the chemicals in the oil designed to fight sludge, acid and corrosion.

Whatever oil change interval used, always include a new oil filter. Infrequent oil changes or an incomplete change without a new oil filter can eventually produce sticky oil rings, noisy valve lifters, burned valves, overheated engines, rapid wear, poor mileage... and that great spur to preventive maintenance—the ultimate ring and valve job, or even worse bearings and perhaps a whole new engine.

WELFARE COSTS
"Today we are being choked to death by welfare costs brought on largely by a sharp rise in family breakups, and the takeover of medical costs for everyone who falls in low income levels. CREATIVE CRAFT IDEAS

Beautiful Batik

Batik is a Javanese word for a method of applying designs to fabric. It requires the use of wax and fabric dye, fabric, a brush and a little time. The results of batik design on fabric are lovely and quite unusual. A finished batik has many uses. Wear it as a scarf, make it into a pillow, an apron, a blouse, or frame it.

When making a batik, melted wax is painted onto fabric. When the wax hardens, the fabric is dipped into a dye solution. The waxed areas resist the dye so that dye is absorbed only on the unwaxed portions. Waxing and dyeing is repeated several times to obtain the final, colorful design. The cracked, cobweb effect so characteristic of batik is formed when dye seeps through cracks in the wax. Wax is removed on a finished batik by ironing fabric placed between layers of absorbent paper.

Prepare the first dye solution while wax is hardening, starting with the lightest color. In a rectangular pan with deep sides, mix 1/2 cup liquid or dissolve 1 package powder all purpose Rit dye in 1 quart warm tap water. Add waxed fabric to dye and stir gently for about 5 to 10 minutes or longer for deeper colors. Remove fabric, rinse in cool water and hang to dry. Then paint on more wax to protect areas that are to remain the previous-dyed color. Continue dyeing and waxing steps until all colors are added. Rinse, dry and remove wax.

The first step in batik is to plan the design and colors to be used. Choose colors that will blend well. Dyes are transparent and one color dyed over another will create a third. Scarlet over yellow gives dark orange, fuchsia over royal blue makes green. If you are not sure how a particular color combination will work, experiment first on a small piece of fabric.

Select white or lightly colored fabric with a close, tight weave that is washable and dyeable. Wash, dry and iron smooth. Place fabric over a layer of foil or waxed paper, stretch taut and secure with push pins or thumb tacks to a board. Melt paraffin in a double boiler, never over a direct flame as paraffin is flammable. With an inexpensive bristle brush, paint wax over areas that are to remain the original fabric color.

March of Dimes Mothers Schedule Workshop

At 8 p.m. on Wednesday evening, January 12th, March of Dimes funders from the four rural townships surrounding Manchester will meet at Emanuel Church Hall to be briefed on their responsibilities as solicitors for The National Foundation.

Executive Secretary of the Washtenaw County Chapter of the National Foundation - March of Dimes, Mrs. Lynn Lewis and Washtenaw County's Rural Mother's March chairman, Mrs. Robert Rau, both of Ann Arbor will assist the local township chairmen.

The Mother's March against birth defects begins in the rural townships on January 21st and continues through January 31st. The ten day period gives the individual solicitor some time to negotiate the snow-clogged, ice covered roads which usually make driving hazardous at this time of year.

Each of the four rural township chairmen has approximately 20 Mothers recruited for the March but more volunteers are needed.

If you can volunteer as a rural Mother's Marcher, please call one of the following:

- Huron Township - Mrs. Reno Feldkamp - 428-8571
- Freedom Township - Mrs. Thomas Roberts - 428-8697
- Manchester Township - Mrs. Harold J. (Jim) Walkow - 428-8120
- Bridgewater Township - Mrs. E. Glen Mann - 428-3612

Village of Manchester
Volunteers for Manchester's Mother's March against birth defects will meet at 8 p.m. on Wednesday, January 19th, at Emanuel Church Hall to prepare for the 3 day house-to-house solicitation which begins on January 26th.

Mother's March Chairman, Mrs. Wm. Bunney and captains, Mrs. Joseph Fitzgerald, Mrs. Charles King, Mrs. Harold Walker, Mrs. Leonard Ahrens and Mrs. Everett Bailey are anxious to have all Mothers Marcher volunteers attend this informative workshop session. All materials will be provided for the Marchers at that time. Mrs. Bunney reminds those attending to use the convenient parking lot entrance to Emanuel's Hall.

Shakespeare Club

The Shakespeare Club met Tuesday, January fourth, at the home of Mrs. Duane Roller. The Program Committee for the year 1972-73 was announced by the Club President, Mrs. Leslie Chavez, as follows: Mrs. Lowell Parr, Mrs. Malcolm Billings and Mrs. Edward Wisner.

The topics for the day on Art and Music were Norman Rockwell by Mrs. LeRoy Marx and Cole Porter by Mrs. Roller. Mrs. Marx had a fine composition on Norman Rockwell whose philosophy of painting outstanding pictures which graced the covers of the Saturday Evening Post so many years will live on for ages.

Mrs. Roller had a very interesting resume of the Life of Cole Porter. His life was one of practice and perfection and his songs from the many musicals he wrote will long be remembered - such as "Night and Day" and "What is this thing called Love."

Just before adjourning a beautifully decorated Birthday Cake and ice cream were served by Shirley and daughter Robin in honor of Shirley's Mother's Birthday.

The next meeting of the Club will be Tuesday, January 18th, at the home of Mrs. Martin Keasal.

Mrs. Charles Carlton will have the topic "Beauty Spots of Michigan" and Mrs. Keasal's topic will be "Parks of Michigan."

Local Bank Moves Ahead With Manchester

The Board of Directors of the Union Savings Bank of Manchester has made many changes in the last year to update and improve its services to the customers. The Directors' Report to the Stockholders of the Bank shows a 15% gain in total resources over the last two years.

The report now being prepared covers the year's operations for 1971. This will be presented to the Stockholders next Tuesday, January 18, 1972, at 2:00 p.m. The Directors look forward to the annual meeting so the accomplishments and programs of the bank may be reviewed. This progress report will, among other things, cover the many changes and improvement of services to its customers. The Directors would like to point out some of these to you:

During 1970 and 1971 the bank has grown \$1 - 1/2 million in total resources. The greatest part of the growth occurred in 1971. This two-year growth is about 15%.

The main office of the bank was renovated and redecorated.

New services initiated such as free checking to senior citizens, and free checking to people who maintain a \$200 minimum balance.

Checking accounts and savings accounts changed to automation in 1971, and handled by the Computer Center in Ann Arbor.

Complete new program for advertising the many bank services.

The staff is now at 27 which includes full-time and part-time, and maintenance people.

Purchase of Pleasant Lake property, application and approval for a branch, completion of a full-service branch at Pleasant Lake. Opened in December 1971.

Planning and near-completion of a two-island T-V drive-in bank at the main office. One window to be opened soon, another later.

Introduction of college student loan program under M. H. E. A. guarantee, with the bank as representative lender.

All of these are directed toward one goal -- To Better Serve Manchester and the Area.

There are many other areas in which the bank services are being improved and the staff will continue to make further changes as rapidly as possible.

The Directors of the Union Savings Bank of Manchester, as well as the staff are proud of the progress and great strides made by the bank for its customers, stockholders, and the community. This is a locally owned bank and its success is due to the wholehearted support of its customers and many friends from a wide area. The community support is greatly appreciated.

Notices of the meeting have been sent to all stockholders and the management is looking forward to reviewing the operations with them.

Hot Sandwiches

The hot sandwich program that is presently conducted on a part time basis will be changed to full time beginning Monday, January 17. Prices are the same. Mr. Raffaeli and Mr. McGuire are still seeking mothers (or fathers) to help with this program.
