Optimist Outstanding Citizen

Monica Curtis, daughter of Mr. and Mrs. Norman Curtis of 3630 Sharon Hollow Road, Manchester and a junior at Manchester High School is the Manchester Optimist Club Outstanding Citizen for April.

In the 7th grade Monica was a member of the Junior High Student Council and was the first girl ever to be president of the Junior High Student Council.

Monica has worked on every class float. In the 10th grade she was a member of the German Club, member of the G.A.A., and was one of the team captains for the magazine sale.

This year Monica is secretary of the Pep Club, she was one of the chairmen of the ice cream sale at the chicken broil, and is now on the planning committee for the Junior-Senior Reception.

During Monica's 5 years in the 4-H work, she has learned to sew and has contributed to the society by making collections for the March of Dimes and selling tags for Cancer Tag Day.

Cancer Crusade Tag Day

Once again it is April and time for the Cancer Crusade. This is carried on nationwide in hopes that the money contributed will help to find a cure for cancer. Cancer is America's number two fatal disease and causes more than 300,000 deaths each year.

The American Cancer Society of Washtenaw County has as its goal for 1972 the realization that every woman in the county has had a pap smear test for detection of cancer.

The society is prepared to assume the financial responsibility for this test. A clinic has been set up at St. Joseph Mercy Hospital every Tuesday morning. Any interested women may call the Cancer Society Office, 668-8857, for information, or to have an appointment made for her.

We are interested in saving lives and doctors tell us that many lives could be saved each year by this very simple, quick, painless Papanicolaou test.

To help in the crusade, the Jolly Farmerettes 4-H Club, will again sell tags. They have selected Saturday, April 15th, as Cancer Tag Day. Will you please contribute?

Income Tax Blues

There's a breathless hush in the house tonight,
The dog doesn't bark. Mom gnaws at her nails.
Pop tears at his hair (there's not much of it there)

Then he mutters and mumbles, groans and rales.
The TV is silent, the radios still
The kids creep about, unkindly quiet

Sis wisely has hidden her new Easter bonnet
Cause the sight of it now would produce a riot.

Her birthday date just created a ruction
Sis is no longer a 'tax deduction.'

There's a deadline to beat, Dad fumes and burns
As in every year past (he swears this is the last)

He puts off completing his tax returns.
Mom stakes him with coffee, Dad's cross as a bear.

If he blows his top once more, he'll lose all his hair.
But the family is patient, they know if all goes right.

Dad will mail in his tax forms one-half minute to midnight.

The Answer

"If you have a problem or a question, we believe that an answer can be found in the Word of God. If you have a question, write 'The Answer,' Manchester, Michigan 48155.

Question: How can I be a Christian and escape being looked on as 'funny' by the other kids in our high school?

Answer: The first thing to remember is that the most important thing in your life is the fact that you are a Christian. Everything else is of far lesser importance. If you are going to be a true Christian it means that the ideals of Jesus Christ will be the pattern for your life. This means that your attitude and the way in which you live your life must be different from those people who don't know Christ. If you live this kind of a life some people may look on you as 'funny', but there are just as many people who will secretly admire you for your convictions.

There is a danger here that you should be aware of. It is important that you do not take on a 'holier than thou' attitude toward others. I have heard of so many Christians and Christian high school students whose witness was destroyed because they had this kind of an attitude. You can see these people every day, unfortunately. The sad thing is that they do more harm in the name of Christ than they do good. Always remember that a Christian is only a saved sinner, but a sinner nonetheless, and this fact leaves us without any ground for boasting.

It is very easy to see how you might suffer persecution through the jokes and misunderstanding of other students. Be patient for God can use this to help you reach and win some of your friends to Christ. But I say unto you, love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you. (Matthew 5:44)

Deaths

Mrs. Robert (Lillian) Schaible
 521 Farmace Street
 Manchester, Michigan

Age 82 years passed away Monday at St. Joseph Mercy Hospital in Ann Arbor.

She was born August 3, 1889 in Scio Township, the daughter of Charles and Martha Kiebler Kalmbach. She was married to Robert Schaible on April 30, 1918.

She was a graduate of the U. of M. Nursing School. Mrs. Schaible was a member of Emmanuel United Church of Christ.

She is survived by her husband, Robert; one daughter, Mrs. William (Laura) Rose, of Ann Arbor; and three grandchildren.

She was preceded in death by one brother and one sister.

Funeral services were held Wednesday at the Jester Funeral Home. Rev. T. W. Menzel officiated. Burial was in Bethelhem Cemetery in Ann Arbor. Memorial Contributions may be made to Emmanuel Church.

WOMEN'S CLUBS

The Washtenaw County Federation of Women's Clubs will hold their annual meeting at St. Andrew's United Church of Christ, Ann Arbor Street, Dexter, Michigan, Monday, April 17, as guests of the Dexter Women's Club.

The morning session begins with a Board of Directors' meeting at 9:30 a. m., followed by registration at 10 a. m., and the business meeting at 10:30 a. m.

Luncheon is at 12:30 p. m., after which the afternoon session opens with a 'Salute to Past Presidents of the Federation' to be given by Mrs. Carleton Hellstrom of Milan. Dr. James Swinehart, M.D., a member of the Washtenaw County Alcohol Safety Program, is the guest speaker and will be introduced by Mrs. Alfred L. Hoelzer of Ann Arbor, Federation Social Welfare Chairman. Dr. Swinehart's topic will be 'Alcoholism in Accidents.'

ROSES: BUY ONES THAT GROW

Make sure you get your money's worth by buying roses that grow, says Dr. W. H. Carlson, Michigan State University Horticulture scientist.

According to Carlson, buying roses from a reputable source is the best guarantee that you will be satisfied.

Home gardeners usually have access to three sources of rose plants -- local nurseries, mail order houses, and supermarkets and department stores.

"Local nurseries and garden centers are generally good sources of planting material," says Carlson.

"Drug stores, supermarkets and department stores are good sources if their stock has been kept dormant and protected from drying."

"The best selection of high-quality plants is usually available from mail order nurseries," says Carlson. Reputable mail order companies also furnish catalogs and will guarantee their plants to grow and bloom if given normal care.

If you don't know what rose variety you want to buy, mail order catalogs can be a big help. The varieties listed are favorites with rose growers and you are likely to be satisfied with any of them.

Carlson recommends contacting local garden clubs and rose societies for specific information on varieties that do well in your local area.

CRIME

"Crime is going up in New York because so many cops have been assigned to guard other nations' UN delegations it does seem that the U. S. must be policeman for the world."

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

THE REAL CAUSE

For his part in all the furor over food prices that has dominated some newspapers and the airwaves of radio and T. V., some sort of "Oscar" award should be made to George Meany, AFL CIO president, for his theatrical performance.

"Retail food prices have gone thru the roof and are continuing up -- eroding the buying power of American families... the American people are being gouged at the supermarket and squeezed in the paycheck," Meany thundered as he stalked off the Pay Board.

Meany's apparent strategy is to shout loud enough about food prices to blank out any criticism of union wage settlements which have contributed to spiraling consumer costs.

The simple fact is escalating labor costs have pushed up the U. S. food bill from the farm gate to the consumer's table. To cite two examples, packing and processing plant wages have increased 44 percent in the past 10 years;

retail food store wages have gone up 58 percent in the same period. A report by Hienold Commodities, Inc., that hamburger prices have risen 17 percent since 1964 while average wages have increased 40 percent makes charges by Meany that people are "squeezed in the paycheck" by food prices erroneous.

The average American family will spend 15.5 percent of after-tax income for food this year. However, of every dollar spent for food, 62 cents will end up in the pockets of someone after it leaves the farm.

It's time that the American public realize farmers are not causing the food price increases.

Farmers have little control over the prices. This was demonstrated when the farmer price index dropped two percent during the month ending March 15. The primary contributing factor was reduced livestock prices.

Track Profile

This years Manchester High track team will be well represented if its co-captains are an example. Seniors Jim Bruestle (two miler) and Scott Limpert (shot put and sprinter) both possess fine leadership qualities and a strong willingness to improve.

Jim Bruestle, one of last Falls cross country co-captains, plans on continuing his education at the University of Michigan next Fall and hopes on running on the cross-country team.

About Bruestle, coach Larry Steeb said, "Jim is only now starting to realize his potential as a distance runner. He has a fine attitude and a willingness to work hard and put in the mileage necessary to becoming a good distance runner. His times have continually improved and by the end of the

season he will have greatly improved upon his times of last year."

The other co-captains, Scott Limpert, one of last years Football tri-captains plans on attending college next Fall but as of now is still undecided as to where.

About Limpert, Coach Steeb said, "Scott really drives himself hard. He has set his sights on the school shot put record, and if desire counts, he will make it. Limpert's best last year was 45' while the school record is 48' 5". Steeb added that, "besides his great desire, Limpert while fairly small as todays high school putters go (5'9" -185lbs.), is quicker than most with good arm strength."

Congratulations Jim and Scott and good luck this season.

"Increase In Army Pay"

The pay of a buck private hit the 100-a-week mark on January 1, announced Sergeant Dallas Landrem, the local Army recruiter in Ann Arbor.

The figure reflects the military's third salary increase in 12 months, and represents an across-the-board 5.5 percent hike to cover increases in the cost of living.

Seven weeks ago - the day the wage freeze ended - Congress boosted the pay of servicemen. Those boosts, weighted in favor of the lower ranking officers and enlisted men, were designed to attract enough volunteers so that it would not be necessary to renew the President's draft authority when it expires on June 30, 1973. "The pay raise is the 10th in eight years," said Sergeant Landrem. And it has really changed the complexion of the military." For example: "30 months ago the basic pay of the new recruit was \$120.00 a month. On January 1 it became \$288.00.

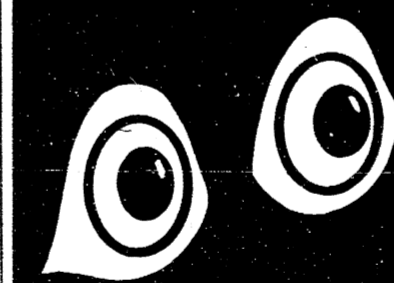

The basic pay does not really give a true picture of the military salary expounded the sergeant. Servicemen also receive additional housing and subsistence allowances which are nontaxable. This means that an average new recruit now receives \$5,140.00 a year, \$2,000.00 more than received two months and two pay raises ago.

For the highest ranking sergeant, a sergeant major, average pay now stands at \$15,184 a year, up more than \$1,700 over the two months.

"Of course these are just average pay scales," said the sergeant. "The actual pay varies with the number of years in service as well as rank."

Sergeant Landrem concluded by stating, that in addition to the pay scales mentioned, there are 128 other benefits and allowances for which servicemen may be eligible. Those interested in finding out about those benefits, about other job or career opportunities, or the many Army options available, can do so by calling him at 665-3731, or visiting him at 212 South Forth Avenue, Ann Arbor.

ROCK MUSIC CAPITOL

For the last three Saturdays in April, the normally quiet town of Saline will become the Rock Music Capitol of Michigan. On those nights, some 20 teenage rock bands from a wide section of S. E. Michigan will compete in the Saline Jaycees 6th annual Band Battle '72. While all groups are amateurs and all participants are under 19 years of age, past Band Battle winners, such as several members of the recording group, the Savage Grace, have gone on to prominence in big time show business.

While the entry list is not yet complete, groups from Adrian, Ann Arbor, Clinton, Manchester, Milan, Pinckney, Saline, Tecumseh, Whitmore Lake, and Ypsilanti are already tuning for the competition. Ten groups will play on each two nights of preliminaries on April 15 and 22. The top 5 bands from each night will advance to the finals on April 29. Judging will be by prominent people from the S. E. Michigan music scene.

All performances will start at 8 p. m. at the Farm Council Building on Saline-Ann Arbor Road. Admission is \$2 at the door.

Two Manchester groups, "Genessee County" and "Genocide" are entered in the competition. The exact night each group will play has not yet been determined.

Township Meeting

The regular monthly meeting of the Manchester Township Board was called to order at 8:15 on March 13, 1972. All Board members were present.

The minutes of the February meeting were read and approved.

A copy of a letter to the Washtenaw County Road Commission, written by Marvin Kirk, Postmaster of Manchester on March 2, 1972, concerning the bad condition of Township roads, was read. A reply to that letter dated March 9, 1972 and signed by Orville Throne of The County Road Commission, sympathizing with the post office rural mail carriers who are obliged to travel these roads daily, was also read. It explained that because of a shortage of allocated money, there is very little that the road commission can do at this time.

Mr. Fielder spoke of long-standing bad feeling between the Road Commission and the Manchester Township Board. The Commission does have gravel for emergencies, and there must be a misunderstanding in the Department of the Road Commission, since the township can only levy one mill tax, we cannot afford to pay for any part of the maintenance of roads. He thinks it may help matters if we invite a member of the Road Commission to one of our meetings. There has to be some way to up-grade our roads. Mr. Fielder will set up a meeting date, and Mr. Szabo and Mr. Oakley of Twin Lakes, who have a particularly long-standing problem on Mull Road, would like to be present. Mr. Fielder will notify them as to the date set for the meeting.

The letter of resignation sent in by Mike Wolfe was not accepted at this time, as we would like him to remain a member of the Board until after the Annual Meeting. Widmayer suggests that the letter be brought to the Annual Meeting, and could be accepted then. Widmayer re-stated the above as a motion, Lentz seconded. Carried.

A letter concerning a proposed annual contract with M*P*O* Corporation, on inspection of all of our John Bean Fire Fighting equipment, was read. This letter explained the conditions and services offered by that company in making yearly check-ups on John Bean equipment and quoted prices. Widmayer will contact other fire departments to see if any of them are using such service. He will report at our next regular meeting.

We have received the signed copies of the Sand Lake Fire Contract, which is acceptable to us. We now owe them \$300.00 on the contract, and \$150.00 for a fire they attended in Manchester Township in February. Widmayer made the motion that we sign and return their copy of the contract and enclose our check for the above payment. Lentz seconded. Carried.

An invoice from the Manatron Computer Service for \$184.47, the cost, to date of printing the next tax roll-book is now due. This includes 44¢ per description in the township, Widmayer made the motion that this bill be paid, Lentz seconded, carried.

A copy of a fire agreement was sent to Norvell Township. It is agreeable to them. They will sign it, but they want to know what their Stand-by and experience will be. Fielder suggests that we present a temporary fee, effective until June 1st of 1972. We

will then give them an experience fee rate of \$1200.00. This is the same rate which we pay to other townships. There are 23 to 30 homes in the area we will cover in Norvell Township. If there should be no fires, their equal share will be 25% of \$1200.00 or \$300. In case of a fire the rate is \$225.00 per call for the first hour or any portion thereof, and \$175.00 per hour or portion thereof thereafter. A temporary stand-by fee from the present thru June 1st, will be \$100.00. Widmayer made the motion that we send them these figures for their approval, Marx seconded-carried.

Don Brown will go over the matter of road signs with a member of the Road Commission tomorrow, as part of his earning of the Eagle Scout Award.

Fielder has interviewed Max Walter as a prospective member of the Planning Commission. Mr. Walter will accept the offer if Mr. Fielder recommends it. Widmayer made the motion that we accept Mr. Fielder's recommendation. Seconded by Marx, carried.

After Settlement Day we will meet to finalize the budget for 1972-73.

There being no other business, the meeting was adjourned at 9:30 p. m. Dorothy Burch, Clerk's Assistant

Michigan Livestock Exchange Open House Sunday, April 23

By C. Chapin

The newest facility of the Michigan Livestock Exchange will hold Open House on Sunday, April 23, from 2:00 p.m. to 5:00 p.m. Located on M-52, two miles north of Manchester, the general offices of the Exchange are also located in this facility.

Welcoming the public will be Mr. John (Jack) Pascoe, director of this facility, and long known to many in the area as a cattle salesman out of the Detroit Stockyard. Jack and his wife, Jean, parents of one son and two daughters, have purchased property in this area and will be building a home here. A graduate of Pennsylvania State University in 1939 with a degree in Animal Husbandry, he worked with Armour and Company in Chicago and spent several years in Utah, Wyoming and California before joining the Michigan Exchange 19 years ago.

Mrs. Jane Clark, who with husband Ken and three children, lives at Pleasant Lake will be in charge of the office as a full time employee.

Harold Rander of Tipton will be in charge of the Sheep Department and Mike Bigelow of Hogs. Mike is a native of Flushing, Michigan and received a B.S. degree in Animal Husbandry

from Michigan State University in 1967. Living in the Village of Manchester, Mike previously spent 4 years with the Mayer Meat Company.

Most interesting to the visitor will be the Arena within the main barn where the stock is actually auctioned. Standing in the gallery looking down at the floor of the Arena, the entire floor becomes a scale, with the delicate mechanism registering as little as 5 lbs. and as much as 30,000 lbs. The weight is instantaneously recorded in lights above the auctioneers booth to be seen by the entire audience.

The ticket for each sale is automatically stamped by the scale in pounds and immediately sent by express tube to the office. A telephone sits in the Arena so that the Exchange representative is available at all times even during a sale.

Outside the booth, but still within the Main barn is a large black old-fashioned dinner bell, reminiscent of the farm.

When the Auctioneer pulls the rope, the buyers are signalled the sale is about to start. The first auction will take place at 10:00 a.m. May 1st.

Auctioneers of Boyd Tate of Coro, Michigan and Bill Yoder of Goshen, Indiana, according to Jack Pascoe, two of the best in the country will be at work.

A short program at 3:00 p.m. with Dr. Larry Boger of M.S.U. and Dale Ball, Director of Michigan Department of Agriculture as speakers. Light refreshments will be served by the Manchester Jaycee Auxiliary.

Everybody is welcome at 2:00 p.m. Sunday, April 23rd.

Robert Armentrout Receives Scoutings Highest Award

Mr. Robert Armentrout of 815 Vernon, Manchester, Michigan was awarded Scouting's highest honor, the Silver Beaver Award at the Annual Appreciation Dinner of the Iroquois District on April 12, 1972. The dinner hosted by Troop 446 of Saline accommodated 200 guests.

Guest speaker, the Honorable Ross Campbell spoke of the History of Scouting and of the founder Lord Baden-Powell.

Judge S. J. Elden then presented to our own Robert Armentrout, the Silver Beaver Award, Scouting's highest award that a Boy Scout Council can award to a volunteer leader for his services to his council and his community. The presentation was as follows.

"Robert Armentrout's record of service covers much of the Scouting spectrum. Starting in 1958 as a Cub Pack committeeman, he progressively occupied such positions as Assistant Scoutmaster, Scoutmaster, Explorer Advisor, Neighborhood Commissioner, Roundtable Commissioner, Assistant District Commissioner, and District Commissioner. At the same time he assisted at Iroquois training courses, advised the district Order of the Arrow and supervised troop O.A. elections, worked on many Brin Lake Camp projects, served on the District Committee and Council Camping Committee, provided leadership at the last National Jamboree and organized several new units. Bob's contributions to Scouting have already been recognized by his Scoutmaster's Key, Wood Badge beads, Vigil Order of the Arrow Honor, and choice as one of the first three recipients of Iroquois' Distinguished Service Award."

"On the distaff side, he was recognized by the Huron Valley Girl Scout Council for his prominent role in re-establishing Girl Scouting in Manchester. As a member of the choir and church board, church secretary, and
