"Feed Mill" Manchester Landmark

By C. Chapin

Standing on the ground near the Mill door is a Vertical Turbine, or mill wheel, a rare opportunity for everyone in the community to see what is happening underwater, to provide power for grinding.
When, in 1826 Major John Gilbert of Ypsilanti, took up this land from the United States Government, he promptly laid out a little settlement, first setting aside the property and water power rights on the river, designating the streets and planning city lots for buildings, then even allowing for a park on the main street, in the manner of the New England towns.

The location and water rights, that is, the right to maintain 12 feet of head water and power for running 2 stone having been sold, then in 1839 Stephen Fargo built the first flouring mill - 1841 and three men, Benjamin Ford, Cyrus Smith and Mr. Truhl held the property for one year, for in 1842 Charles Noble and Austin Wing acquired the property to hold it for twenty-six years. During this period the mill was destroyed and rebuilt at least once. James Fountain owned it from 1866 to 1877 when George Sedgwick ran it for 9 years then in 1886 Noah Holt bought it and had some little financial trouble for it became the property of the Peoples Bank. Lewis Lonier and Wm. Hoffer bought the property in 1902 and built the present dam at about 1912 when Mr. Lonier died in 1919 Mr. William Blass became a partner and then the final owner after Hoffer passed away in 1930. During these past few years much trouble had come upon the old property, for in 1924 a great fire swept the mill and nearly destroyed the entire downtown area. Rebuilt as a grinding mill at that time it has operated under the direction of Willard Mann & Sons since 1940.

For machinery experts we should say that in 1954 the operation was changed from an attrition mill process to a hammer type, and I'll not explain that. Ask Willard!
Below the level of the street and on the river side, lies the flume, which is under water, the depth of this is the

head water, always at the same depth as the pond on the other side of the bridge. There are really three of these wheels even though only one has been used for many years. Having been manufactured by a company in Ohio, still in business, the wheels are dated 1886, 1896, and 1903.
The unique quality of our town comes in large part from the fact that we have managed to be progressive without losing our ties to the past, and the sight of wagon loads of grain brought to the Miller for grinding into feed is a normal one for downtown Manchester.
The farmer who orders his bins automatically filled in the same way we order our oil tanks supplied, also takes part in a more modern service.

1972 Michigan Honey Queen

"Michigan Honey Queen", Miss Terri Lynne Sallows of Adrian, was one of the guests at the Chicken Broil last week.
Terri, an art and home economics major at Siena Heights College in Adrian, will be making several appearances through out the summer at various fairs. Among them will be the Michigan State Fair where she will compete for "State Fair Queen".

Contemporaries Return July 28

On Saturday, January 22, 1972, a group of young people, from the Blue Water Youth For Christ, came to Manchester, and put on a very fine musical program for the people of Manchester.
On Sunday, January 23, this same group performed for two area churches during the church services.

After their departure from Manchester, many people expressed disappointment that they were unable to hear The Contemporaries on these two days.

For those people, and for the people who did hear the Contemporaries, they have asked to come back to Manchester, on Friday evening, July 28, to once again perform for the people of Manchester.

This will be their first stop on a ten day nation wide tour. From here they will be going to Iowa.

The Youth Fellowship and Sunday School Department of the Emanuel United Church of Christ will be sponsoring them. With tickets being sold at the door for a reduced price of just \$1.25 donation fee.

We hope those people who did not hear The Contemporaries as well as those people who did, set this date, July 28, at 8:00 p.m. aside and plan to come to the Manchester High School Study Auditorium to listen to an hour or so of very fine vocal music, to be enjoyed by both the young and young at heart.

With preschoolers free, you won't even need a babysitter, unless you want to find one, so come, everyone and find out that The Contemporaries, are a great group of kids trying to put across the message that pot, drinks, and smoking is not the greatest, Christ is!!!

Celebrate Silver Anniversary

An Open House, in honor of the twenty-fifth wedding anniversary of Mr. and Mrs. Edward P. Steele, Jr., was held Saturday, July 22. Hosting the party were the couple's five children; Bobbie, Marcia, Edward III, Jackie and Charlene; Mrs. Cora Steele, Mr. and Mrs. Wm. Richardson, Mr. and Mrs. Robert Trent, Mr. and Mrs. Erving Kensler, and Mr. and Mrs. Charles Steele. Mrs. LeRoy (Alice) Dresselhouse cut the anniversary cake.
Edward Parks Steele, Jr. and Maxine Jenter were married July 19,

1947 at the Emanuel Evangelical and Reformed Church by the Rev. H.S. Ragus.
Honorary attendants were Mrs. LeRoy Dresselhouse and Mr. Charles Steele, sister and brother of the couple.
Bridesmaids were; June (Olson) Jenter, Francis (Lephis) Knauss, Mrs. Robert Trent, and Mrs. Erving Kensler. Ushers included Ronald Jenter, William Richardson, Richard Spaford and Robert Trent.

AUTOMATION REACHES SPRINKLING SYSTEMS

They've been around for half a century, but automatic underground sprinkling systems have recently been treated to a few changes that should blast them into more prominent use.

According to Paul Riess, Michigan State University soil and turf specialist, programmed controls, new sprinkler heads for wider coverage and long-lasting plastic pipes are among the improvements.

Since the underground system uses less water than hand watering, it lowers water bills appreciably. It can be programmed to deliver only as much water as the soil can absorb, so there is no waste from runoff. Some are designed to water only the turf, so none is wasted on driveways, walks, etc.

Besides length of cycle, the system can be programmed to regulate when the sprinkling will occur. Usually, the best time is between 4 a. m. and 6 a. m. when water pressure is highest, and loss from wind and evaporation is lowest.

Installation is a major investment Riess admits, but it raises property value and can be done with minimum disturbance to the landscape.

The cost of such a system varies from 10 to 15 cents per square foot, depending on the type of system, local labor costs, number of trees and shrubs, shape of property and type of soil.

GREEN THUMB PROGRAM

Congressman Marvin L. Eash (R-An Arbor) today announced the approval of a Green Thumb Program for the State of Michigan by the U.S. Department of Labor. The new Green Thumb Program, said Eash, "will provide employment for 42 elderly, low-income, rural people in the counties of Lenawee, Monroe and Washtenaw."

The Green Thumb Program, which started this month is sponsored by the National Farmers Union and funded by the U.S. Department of Labor. It is now operating in 24 states and the Commonwealth of Puerto Rico, providing job opportunities for over 3,500 elderly, low-income, rural people 55 years and above. The average age of the Green Thumb enrollees is 70 and range in age from a minimum of 55 to 96 and have an average income of \$900 a year per couple prior to employment by Green Thumb. The enrollees work an average of three days a week and may earn up to \$1,600 per year.

"Green Thumb enrollees," said Eash, "will be employed on beautification, conservation and ecological projects resulting in development of new parks, construction of new campgrounds and historical sites and many other community betterment projects."

Eash said that persons interested in employment service office or the State Green Thumb Program Director, Mary Pratt in the Green Thumb field office located at Municipal Airport Building, 4800 South State Road, Ann Arbor, Michigan.

Auxiliary News

The annual American Legion Auxiliary Picnic was held July 12, 1972 at the home of Janet Whittington. There were 27 Auxiliary and Jr. Auxiliary members present. Miss Sue Vogel, Girls State representative, and her mother, Mrs. Lewis Vogel, were guests at the picnic. Following the pot luck meal, Sue Vogel gave an interesting and informative report of her time spent at Girls State. She also had snap shots to show of some of the high lights of the week.

A Graduation Ceremony was held for Connie Whittington, who became a Senior member of the Auxiliary.

An informal Business meeting was then held. The Auxiliary dues for the coming year have been raised to \$3.50. The Jr. Auxiliary dues will remain the same. All new officers dues must be paid before the September 13th meeting. Dues can be paid to Phyllis Baker.

There is still some Liberty Bell Wind Chimes available and can be purchased from Edna Knauss.

The Jr. Auxiliary will have a "Cookie and Lemonade Sale" on Friday, July 28th. Any Auxiliary member who wishes to donate homemade cookies should contact Mrs. Joanne Schiel.

There will be no Auxiliary meeting held in August. Installation of officers will be held at our September 13 meeting. The refreshment committee for the September meeting are Alice Alexander, chairman, Mary Walter and Ethel Weir. Mary Smith will be Good Cheer chairman during July and August. Phyllis Baker's name was drawn for the door prize, who was present.

Hope to see you all at the September 13th meeting.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Kenneth Brokaw are the parents of a daughter, Nadra Nave, born July 21 at St. Joseph Hospital. Nadra weighed 10 pounds and 7 ounces. Mrs. Brokaw is the former Janet Walter. Nadra has 3 brothers Brian 5 and Jeff 4 and a sister, Dawn 5.

LEGAL NOTICE

NOTICE-SHARON TOWNSHIP

PLEASE TAKE NOTICE that a Public Hearing of the Sharon Township Planning Commission will be held on July 25, 1972 at 5:00 p.m. at the Sharon Township Hall for review of the following:

1. Rezonning of the following described parcels:
 - (a) NW 1/4 of NW 1/4, Section 6.
 - (b) NW 1/4 of NW 1/4, Section 22.
 - (c) Commencing at the Northeast corner of section 26, Sharon Township, Washtenaw County, Michigan, T35, R3E; thence W 12 rods along the North line of said section; thence South to the North line of the SE quarter of the NE quarter, thence E 12 rods along said line to the E line of Section 26, thence N along the E line of section 26 to the place of beginning. Also the SE quarter of the NE quarter of Section 26.

Except land described as: beginning at the corner common to sections 23, 24, 25, and 26, Southerly 253.77 ft on the line between sections 25 and 26; thence Westerly at right angles 33 feet; thence Northwesterly along the arc of a 22 degree and 40 minute circular curve having a radius of 221.43 feet through a central angle of 90 degrees and 11 minutes; thence Northerly 33 feet along the radius of said curve to the center line of the township road; thence Easterly 253.77 feet to the place of beginning, being situate in the Northeast Quarter of section 26, Town 3 South of Range 3 East, Sharon Township, Washtenaw County, Michigan.

Subject to the rights of the public and of any governmental unit in any part thereof taken, used or deemed for street, road or highway purposes, and restrictions and easements of record.

2. Amend Sec. 7.07 of Township Zoning Ordinance.

SHARON TOWNSHIP PLANNING COMMISSION
July 6 and July 27, 1972

BAKE SALE

The Manchester Jaycee Auxiliary will sponsor a Bake Sale on Saturday, July 29 in front of the Sutton-Gonyer Agency from 9 a.m. to 4 p.m. Home-made pies, cakes, cookies, etc., will be featured at the sale. Proceeds from the sale will be used to purchase a bike rack for in front of the Township Library.

"Visitors to the Straits of Mackinac can see a segment of Michigan's maritime history on display at the new Michillimackinac Marine Park complex, immediately east of the Mackinac Bridge at Mackinaw City. Focal point of this major new attraction is the Old Mackinac Point Lighthouse built in 1892 and recently designated a National Historic Site."

Short Takes

Wailing Wall
The Great Mosque of Omar stands where Solomon's Temple once stood in Jerusalem. All that is left of the temple is the Wailing Wall, where orthodox Jews gather to lament the passing of their early days of glory.

First Newspaper
Probably the first newspaper was Tsing Pao, a court journal published in Peking, China. It is said to have started as early as the 500s and was continued until 1935. At first, it was produced from carved blocks instead of type.

Soviet Decoration
The Soviet Union's highest military decoration is the Order of Victory, awarded to high officers of the army for successful campaigns. In 1945, the Russian government awarded this military decoration to Gen. Dwight D. Eisenhower.

Woods Used in Cross
According to legend, the upright arm of the Cross of Christ was made of cedar, the crossarm of cypress and the title above was olive.

"Michigan is the nation's third largest producer of grapes and wine. Four of the state's seven wineries are located in the small village of Paw Paw nestled quietly in the southwestern corner of Michigan. Each of the seven wineries invite guests to tour their facilities and sample their products, according to the Michigan Tourist Council.

GOLDEN TOUCH OF HOSPITALITY

BY JANE ASLEY

Make Mustard Pickles Now

This is the time of year to fill the house with the spicy fragrance of cooking mustard pickles. Vegetables for pickling are available in abundance now and these condiments are sure to be in great demand the year around. The well seasoned mustard sauce is delicately thickened with corn starch so that it coats each crisp morsel.

Garden Mustard Pickles

- 4 cups cooked vegetables—cauliflower, carrots, small onions and green beans
 - 1 cup sugar
 - 2 tablespoons corn starch
 - 1/2 teaspoon salt
 - 1/2 teaspoon mustard
 - 1 cup water
 - 1 cup vinegar
 - 2 tablespoons mustard with horseradish
- Cook vegetables until tender. Mix together in a sauce pan equal parts sugar and mustard. Mix together with vinegar and mustard with horseradish. Stirry add to the ingredients stirring until smooth. Cook over low heat, stirring constantly, until mixture comes to a boil and boils 2 minutes or until thickened and clear. Add vegetables to sauce. Bring back to boil. Turn immediately into hot sterilized jars. Seal according to manufacturer's instructions. Let stand a week before using or serving. Serve and enjoy thick & spicy.

LANDMARK near Readstown, Wis., is a strange rock formation of particular interest to geologists. It is cited as proof that the last great glacier to grind south—30,000 years ago—bypassed this area. Otherwise, the lime and sandstone formation would have been pulverized. Patty Sulwell, 11, and Nicki Maurer, 5, are the sightseers.

DON'T MISS THE ANNUAL MANCHESTER

Sidewalk Sale

Friday and Saturday JULY 28-29

EIGHTEENTH ANNUAL AUCTION

Auction fans, particularly those in Central Lower Michigan, are advised that the annual sale conducted by the State Police will be Thursday, August 3, somewhat earlier than it has been in recent years. The sale starts at 9 a.m.

The eighteenth annual auction of confiscated, recovered and unclaimed merchandise will be conducted at State Police headquarters at 714 S. Harrison Road in East Lansing.

Several thousand items will be disposed of in the bidding by lot, which total about 625 this year. The articles were turned in primarily by the State Police and the Departments of Natural Resources and Corrections. The articles come from about 70 of the state's 83 counties.

Unusual items include three snow-mobiles, three tandem bikes, a six-foot loading ramp, a 10-foot camper trailer awning, six minibikes, a welding set, a mink cape and a lawn statue.

Routine items include several dozen bicycles, radios, television sets, watches, cameras, rings, clothing, hand and power tools, sporting equipment, car parts and accessories, office machines, musical instruments, luggage, books, water heaters and building items.

The auction is authorized by law to dispose of confiscated items, unclaimed articles whose owners could not be located or identified, items lost or abandoned at state parks, and personal effects of persons who died in state institutions without leaving heirs.

Benefactor of the sale is the state treasury which last year realized a record high net return of \$7,292. The auction listing has 107 pages, four more than last year.

Summer Fresh, Party Perfect

Special occasions like birthdays and anniversaries call for special menus. Take a bit of extra time for your next celebration and prepare Lemon Fluff Pie for dessert. Its delicate lemon filling has the added interest of Baker's Angel Flake Coconut and all is chilled in a meringue crust. Fresh strawberries or other seasonal fruit top off each serving along with a sprinkling of toasted coconut.

LEMON FLUFF PIE

- 1 env. whipped topping mix
- 1/2 cup cold milk
- 3/4 cup sugar
- 1/2 cup flaked coconut
- 3 tablespoons lemon juice
- 1 teaspoon grated lemon rind
- 2 drops yellow food coloring
- Meringue Shell, cooled
- Toasted coconut
- Sweetened fresh fruit

Prepare topping mix with milk as directed on package. Add sugar, coconut, lemon juice and rind, and food coloring; continue whipping until well blended. Pour mixture into meringue shell. Chill about 2 hours. Top each serving with a sprinkling of toasted coconut and fruit.

Meringue Shell. Beat 2 egg whites with 1/4 teaspoon each salt and cream of tartar until foamy throughout. Add 1/2 cup sugar, 2 tablespoons at a time, beating thoroughly after each addition. Continue beating until meringue forms stiff shiny peaks. Mix in 1/2 teaspoon vanilla. Spread mixture on bottom and sides of 8-inch pie pan. Bake at 250° for 40 minutes; turn off oven and allow shell to cool in oven at least one hour.

Toasted Coconut. Thinly spread about 1/2 cup flaked coconut in shallow baking pan. Toast at 350° for 7 to 12 minutes or until lightly browned. Stir or shake pan often to toast evenly.

Tuesday, August 1, 8:30 a.m. 10:30 p.m. Palmer Motel Mt. Zion.

MANCHESTER UNITED METHODIST

Tuesday, August 1, 9:30 a.m. Ladies Circle will meet at the home of Mrs. Willard Haines. Bring own table service.

BAPTIST CHAPEL

Tuesday, August 1, 7:00 p.m. At the Manchester Baptist Chapel, 423 S. Massomb Street, The Southland Bible Institute of Kentucky presents "A Ministry in Music". There will be 4 girls and 2 boys from the college giving a gospel music program coupled with a great message by Rev. Bob Griffith. Mr. Griffith is Director of Public Relations and an evangelist and teacher at the Institute.

A few of the young people of our area are attending Southlands at the present time and this is the Bible School of which our own Leonard Shelton is a graduate.

Following the concert, light refreshments will be served at the Bill Smith home on Duncan Street with the Woman's Christian Fellowship preparing the snacks.

We trust that all who have visited the Chapel in the past will turn out in full force on Tuesday, August 1st, and all newcomers are doubly welcome. General public invited. No admission charge.

LOCAL BOY HAS SURGERY

Pat Fielder underwent hip surgery on Monday and is recovering satisfactorily at St. Joseph Hospital, Ann Arbor in Room 474.

SALINE COMMUNITY HOSPITAL

Plans for a building program at Saline Community Hospital are progressing rapidly with the appointment of a committee to study financing of the program when proper clearance is secured from the Michigan Department of Public Health.

The following persons have been named as the Finance Committee. The Chairman will be Kenneth Rogers, who is assessor for Universal Die Cast, Division of Hoover Ball, and a lifetime resident of Saline. Serving as co-chairman are Eugene Capenter, one of Saline's community minded persons, who is plant manager for Hoover Ball Division at the Fowlerville plant, and Eugene Garrison, M.D., local physician, past chief of staff at Saline Community Hospital and active on Saline Community Hospital medical staff. Another of the committee will be Otto Wendell, Officer of the Teamsters Local #299 and a member of the Board of Trustees of Saline Community Hospital.

Others who have been named to serve on the committee are Robert Bredemitt, Clifford Simmon, William Feldkamp, Gordon Prouty, M.D., Erwin Feldkamp, Robert Batzig, Erwin Jones, Marian Hering, and Mrs. Stanton Rousch. Committee representation for all areas served by Saline Community Hospital led to the choosing of the aforementioned panel.

Local residents may consult with members of the committee regarding the proposed building program.

Efforts by the Advisory Board to provide the best knowledge available to all area residents regarding the building program has brought about the naming of several committees, which will be announced as plans progress.

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

For one of the few times in our married life, my wife has asked me a question I can't answer. Can you? What is the difference between Medicare and Medicaid?
 —N. L., Detroit

Don't feel bad. You'd be surprised how many people write asking for an explanation of the difference. Medicare is a Federal health insurance program for persons 65 and older, run by the Social Security Administration and financed by payroll taxes and monthly premiums, that pays a major portion of non-custodial hospital and medical bills. Medicaid is a joint Federal-State assistance program which provides medical care for needy and low-income persons regardless of age, including the aged, blind, disabled and families with dependent children. The extent and type of Medicaid coverage varies from state to state. For more information on these two programs you may wish to write for two free booklets: "Medicaid, Medicare: Which is Which" and "Questions and Answers on Medical Assistance—Medicaid." These are available from the Department of HEW, Medical Services Administration, 4609 HEW South, 330 C Street S.W., Washington D.C. 20201.

Our 9th grade civics class is studying how Congress works and I am wondering if you could tell me how many bills does the Congress consider when it meets? How many of these become law?
 —J. T., Union Lake

Members of the Senate and the House of Representatives introduced 26,303 bills in the last full Congress (the 91st—1969-1971). By the way, the record for most bills introduced in a single Congress is held by the 61st Congress (1909-1911). The Members of that Congress introduced 44,363 legislative proposals. Of all the bills introduced in Congress, only about 8% ever become law.

Here to help you

There's a good chance you were one of the thousands who aided us in making the first half of 1972 a banner six-month period. Auto loans to safe deposit boxes, checking accounts to home improvement loans: the first six months of 1972 each of our departments was used more than ever before.

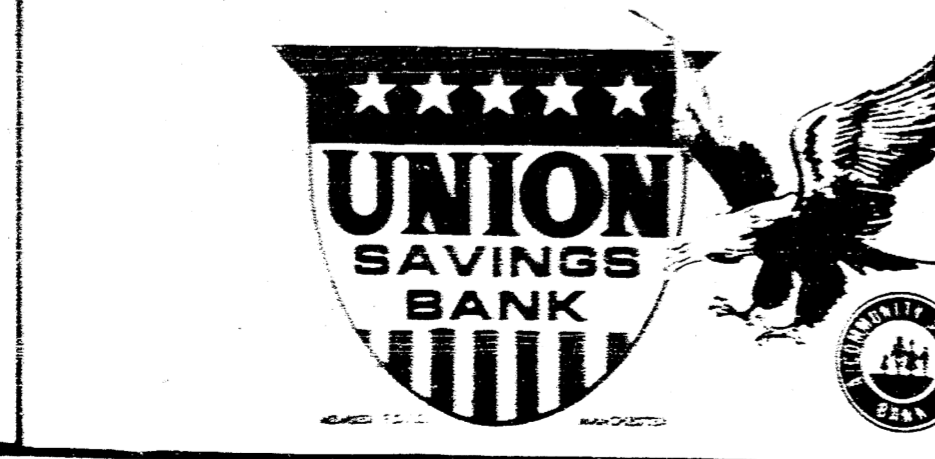

The results of this boon benefited the entire community. Because not only were our up-front services such as checking and savings further improved... our loan money was more widely dispersed, too.

Meaning new homes, new businesses and, most importantly, new jobs.

We believe the final half of 1972 will be similarly "up", only better for everybody. And so, anticipating this, we plan to make our various departments even more beneficial to you.

If you didn't let us help you the first half of 1972, let us help you now. That's what we are here for.

AGRICULTURE IN ACTION

Many farmers are living in a state of apprehension these days, wondering what is going to happen to them next.

Each time the Price Commission and the Cost of Living Council start talking about rising food prices, farmers expect the worst.

During the last week of June, there were a couple of scares. First, President Nixon removed quotas on meat imports for the rest of this year for the stated purpose of increasing the supply and holding down prices.

The second scare came when the President issued another executive order extending price controls to fruits and vegetables, eggs and seafoods after the first sale. No controls were put on the farm price of these commodities.

The Administration stated that it issued this order more to restrict mark-ups and profit margins for middlemen and supermarkets in the food industry.

Livestock and other farm products have been under this type of control since the beginning of Phase II.

Happy Homemaking

When raveling any hand-knit garment, wind the crinkly yarn on a wire coat hanger with the curved ends pushed in. Then suds the wool (still on the hanger) and hang by the hook to dry. Rewind and reknit. Wool so washed has no tangles and is like new.

If you like to knit socks, knit the toe with a different color yarn. When a hole appears, it is quite simple to ravel these stitches and reknit a new toe instead of darning.

Put the leftovers from balls of knitting wool in glass jars and store in the basement. This method keeps the moths out and you can easily see the colors at hand.

Washtenaw County needs Judge PATRICK J. CONLIN on the Circuit Court

Judge Pat Conlin is a man of ideas... judicial experience... and integrity. Here's what he has to say about the issues:

Accountability "I'm always ready to discuss, with anyone, the positions I take as judge. The way I see it, a judge is simply one human being who must make decisions affecting other human beings."

Expansion of Public Defender's Office "The county Public Defender's Office must be expanded to meet the needs of the growing number of people who, after careful checking, show that they can't afford to retain a private attorney. The county court system would have ample funds to support this."

Administrative Reorganization of the Circuit Court "The courts have outgrown their administrative structure, resulting in crowded dockets, lengthy adjournments, unreasonable delays. In addition, the court records system is outdated. We need to convert to a computerized record-keeping system, and the Circuit Court needs a professional Administrator. The court system would have funds to finance these administrative reforms without additional cost to taxpayers."

Fair and Firm Handling of Each Case "A judge must treat each case on its merits. The rights of a defendant are vitally important, yet the rights and duties of the prosecution and police are no less important. This is where accountability plays a part. If a judge has not maintained a humane attitude—or if he has bent over backward to favor either side—he should expect to be publicly challenged."

Judge Patrick J. Conlin

- He's a lifetime Washtenaw County resident and U-M Law School Graduate
- A trial lawyer 1961-68—with more trial experience than any other candidate for Circuit Judge
- 14th District Judge since 1969—the youngest man ever elected Judge in Washtenaw County

Conlin for Circuit Court Committee
 James W. Donegan, Treasurer

Vote Judge Pat Conlin for Circuit Court
 NONPARTISAN BALLOT - TUESDAY, AUGUST 8

Ice Cream Was A Fad In 62 A.D. Too

Welcome to the "Wonderful World of 28 Flavors" and the celebration of "National 28 Flavors Month" July 28 through August 28.

The first record of "ice cream" was in 62 A.D. in Rome, during the reign of Nero. Special runners whisked snow from the nearby mountains and used it to Nero's cooks before it melted, so he flavored with honey, juices and fruit pulp.

During the "Dark Ages" the secret of ice cream was lost along with other knowledge of the ancients. For the next thousand years, we have no record of ice cream.

Among the many marvels and treasures that Marco Polo brought back from his journey to the Orient was a recipe for a frozen sweet, which began the famous tradition of Italian ice cream.

When Catherine de Medici married Henry II of France, Italian cooks from her native Florence accompanied her to her new kingdom. It was at her sumptuous banquets that "ice cream" was introduced to the French court.

As the new delicacy became widely popular in France, an Italian named Giovanni opened a shop in Paris and carried the recipe a step further. Giovanni added milk to the sweet liquid before freezing, thus creating the frozen treat of the ice cream we enjoy today.

Throughout history, special foods have enjoyed a prominent place in the role of emperors. During the reign of Charles I of England, ice cream was held in such high esteem that he

ordered it should be confined to the royal table only. His zeal to protect the secret of the cream led him to bribe a French ice cream maker in London to keep the formula a state secret.

Until recently, in fact, ice cream graced the tables of only the very rich, primarily because there were no means of freezing and storing.

By 1826, of course, ice cream was a very special treat for children in America and every one would take turns turning the handle on the ice cream maker — a very tedious chore. But the cream was a suaver and spoon food, altogether a kid-over action.

That summer, a certain ice cream vendor ran out of stock at the St. Louis Louisiana Purchase Exposition. As everyone clamored for ice cream, he grabbed a tin tray wafer, rolled it up, and set a scoop of the cream right on top. That was born the ice cream cone.

In 1828, Howard Deering Johnson achieved spectacular success with a second-hand ice cream freezer, hard work and his own imagination. He made the cream richer by doubling the usual butterfat content and the used only natural flavors and the best ingredients. And that was the beginning of the "Wonderful World of 28 Flavors" of ice cream today.

Howard Johnson's enterprise is a continuous operation, comprising 275 storage room restaurants and 470 motor lodges.

Now that you know all about "National 28 Flavors Month" go out and celebrate. Have yourself some ice cream.

TOLL-FREE FREEWAYS

Michigan has nearly 1,500 miles of toll-free limited access freeways, offering visitors greater driving ease. For visitor safety, there are 63 rest areas along the freeways, according to the Michigan Tourist Council.

FAT LAMB CLUB PICNIC

The annual Jaycees Fat Lamb Club picnic was held July 16 at the Sharon Town Hall with 14 families present. After a roast lamb and potluck dinner, we toured the farms of the lamb club members.

I wish to thank everyone for their loyal patronage in the forty-five years the

Manchester Bakery

has been on Main Street.

The years have been happy and eventful ones, and I will miss watching Manchester progress.....But my health does not permit me to continue the the hours necessary to give the service we have extended in the past.

The closing date will be 7:00 pm
Saturday, July 29, 1972.

Regretfully,
Richard E. Way

THURSDAY, AUGUST 3, 1972

Do You Remember??

By C. Chapin

August, 1952

250 friends gathered at the High School Auditorium to pay tribute to Nellie Ackerson. Forty years of service as a teacher in the Manchester School System.

Deputy Charles Schebor was called out early one morning by neighbors on East Main St. when two men resorted to fighting over whose truck could carry the most slab wood. The fight apparently disturbed the peace (and sleep) of neighbors on East Main.

D. C. Weed resigns post as principal after 23 years as teacher, the last 14 yrs. as principal.

August 23, 1952, at 8 P.M. Ann Way of Hillsdale, Mich. became the bride of Allen Alber in a candlelight ceremony.

Robert R. Masten becomes new principal at Manchester High School. Born to Mr. & Mrs. Ted Stautz, a son Gary Lee on August 25.

Clinton theatre offers Spencer Tracy and Katherine Hepburn in "Pat & Mike".

August, 1957

Manchester Chicken Broil was a huge success with more than 3,000 people enjoying the feast.

Junior playground had a 'hat day' contest and all the kids tried. Jerry Koemke won prize for most unusual hat.

Jim Adams, Sandra Trolz, Kathy Richardson, Vickie Eisele, Tod Armentrout, & Kristie Creason also won prizes.

Born to Mr. & Mrs. Herbert Bersuder a boy, Michael John.

To the Ben Creasons an infant daughter, Amy Ann.

Telephone exchange building on Macomb Street is enlarged.

Featured at the upcoming Manchester Fair is a new electronic oven, capable of cooking an entire meal in only seconds. L. V. Kirk sponsors the cooking school.

August, 1962

Karen Kauba and John Wallace, married at St. Mary's Church.

Marilyn Pratt entertained eight of her little friends on her eighth birthday at the home of her parents.

Suzanne Higgins wed to Gustave Kuetner in a double ring ceremony.

Grand Champion Steer at fair is owned by Vic Mann.

Fair Queen was Mary Knapp with Court of Bonnie Bentschneider & Susan Walter.

Twelve new teachers added to High School Staff, among them are Maynard Blossom and Phil Mains.

Happy birthday to all Lions.

Parade Theme The Roaring 20s

It is nearing Fair Parade time again! The Committee is asking all classes, organizations and merchants to enter floats or vehicles by calling Clarence Fielder at 428-9521 or 428-8506 or Gene Bentschneider at 428-8567.

The theme for this year's floats will be "The Roaring 20s"

Boys and girls are urged to decorate their bikes, wagons, etc. and ride in the parade. Prizes will be awarded.

The parade will form on Duncan St. by the fairgrounds at 6:00 p.m. on Tuesday, August 15.

CROSS-COUNTRY

The season opens quicker than you think. Your coach is in shape. Are you?

Mr. Steeb

Glass Recycling Notice

The Manchester High School Ecology Club will be conducting its monthly glass pick-up August 5, 1972.

Persons not on the regular list are urged to call 428-8274 between the hours of 9:00 a.m. - 12:00 p.m. on the date of the pick-up only.

Dodgers League Champs

Winners of the Little League Championship are the Dodgers managed by Leon Ball. From left to right they are: (front row) Steve Sparzyński, Michael Ball, Jim Adams, Danny Burch, Craig Little and Tony Day. (2nd row) Rick McGory, Brandon Calloway, Tracy Yanty, Gary Flint and Troy Walden. Absent are Gary Daniels, Keven Scully and Anthony Joseph.

Donna Gill Chest Drive Chairman

Mrs. Gill is a member of St. Mary's Church and resides with her family at 112 Beaufort Street.

The Manchester Community Chest Board met on Monday, July 17 at the home of Mrs. Franklin Reck to begin plans for the Fall Campaign.

Luther Klager, chairman of the Budget Committee presented a proposed budget for 1973 for Board review and approval. This budget will be announced at a later date.

Several other items pertaining to the forth-coming campaign were discussed. The drive dates will be

Continued on Page 2

Pretzels Anyone?

Dick Way's "Swan Song" or "Piece de Resistance" is the giant German Pretzels shown above. These were the last things to be baked in the bakery ovens which were turned off Saturday for the first time in 37 years.

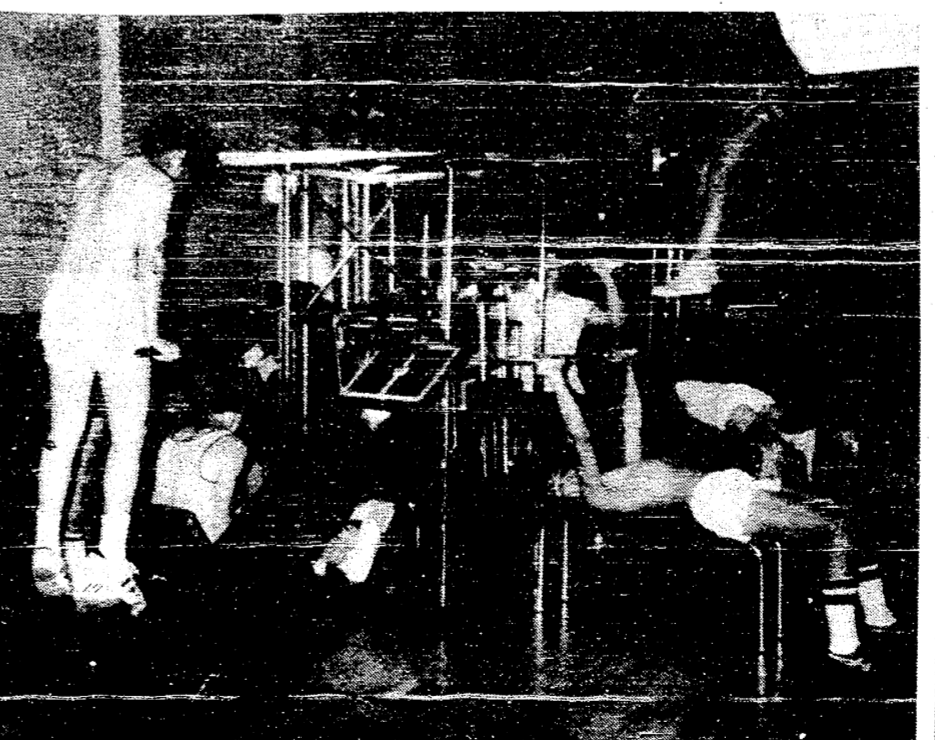

Mrs. Irvin (Donna) Gill has been named Chairman of the 1972 Manchester Area Community Fund and Red Cross Drive which will be launched in October. Donna was Campaign Chairman in 1971 and directed a very successful drive.

Mrs. Gill is Manager of the Gamble Store, a native of Manchester and is well known for her history of community involvement. She has served on the Community Chest Board of Directors and for two years served as Chairman of the Business Division for the area campaign.

Donna is President and Executive Secretary of the Manchester Chamber of Commerce and has been Chairman of the Chamber of Commerce Boat Race. She helps plan the Community Christmas Party for the children of the area and is also a past Cadette Troop Leader of the Girl Scouts. She was a member of the Committee which planned Manchester Day and the bridge dedication.

Donna was awarded the Outstanding Service Award by the Jaycees -- the first time this award has ever been given to a woman.

Get In Shape or Shape-Up

Attention of Athletics of Manchester; you can now work out on this Universal Weightlifting Machine. The new 18 man piece of equipment has just been purchased by the Athletic Boosters. The gym is open Monday, Tuesday and Thursday evenings from 7:00 to 9:00 p.m. through August, for anyone in the community.
