# THE MANCHESTER ENTERPRISE

105th YEAR NO. 41 10 CENTS PER COPY THURSDAY, AUGUST 10, 1972

## Fair Queen Candidates

Lf. to Rt. Brenda Sutton, Liz Hosmer, Trudy Withrow, Monica Curtis

Lf. to Rt. Michelle Alexander, Pam Weidmayer, Suzon Kryzaniak, Michelle Roller, Trudy Randall

Twelve lovely Manchester High School Students will vie for the title of Manchester Fair Queen following the 6:30 p.m. Parade on Tuesday, August 15. Each of the four high school classes will be represented by three candidates who were selected by classmates before the end of the school year.

Six judges will interview each of the girls prior to the parade and they will be rated on such qualities as poise, personality, carriage, appearance, and speech.

## Parade Theme The Roaring 20s

It is nearing Fair Parade time again! The Committee is asking all classes, organizations and merchants to enter floats or vehicles by calling Clarence Fielder at 428-9521 or 428-8506 or Gene Bentschneider at 428-8567. The theme for this year's floats will be "The Roaring 20s"  
Boys and girls are urged to decorate their bikes, wagons, etc. and ride in the parade. Prizes will be awarded. The parade route will be Main Street to Territorial, Territorial to Macomb left on Macomb to Duncan, Right on Duncan back to Fair Ground.

## SUMMERTIME

By C. Chapin

Such a summer!

The weather is strange -- cold, hot, wet -- the countryside is green, green, and lushly rich with the corn coming along fine.

A leisurely drive is a delight to the eye and brings the startling information that a lot of new houses are being built.

While we are taking this drive in the country, please notice that in this mechanized age we live in, with automobiles a necessity, the number of horses is truly astonishing.

Swinging into Sharon, the land rolls and the hills get higher - really one of the loveliest spots in the country. Never have we seen so many rabbits as this year - along the gravel roads whole families of little ones, brown and soft, and when the noise of the car approaches they tum and scurry into the tall grass. It would be interesting to know how the deer population compares with other parts of Michigan, for it seems to us that they are steadily increasing. Sometimes an entire herd will appear, like liquid motion, with a flick of the tail, they can vanish in seconds.

The sheep stand almost motionless on the hillside and seem a part of the landscape.

Fat pigs, sprawled in the dirt, and suddenly a smaller one begins to run and another follows, and the foolish sight brings a chuckle. If they get too near a fence, a dog, like a shot is after them and informs them to get back -- and they do.

Physicals will be given to all high school and junior high school athletes at 10:00 a.m. Friday, August 18, at the high school gym.

## Lou Vogel Optimist Club President

The newly elected president of the Manchester Optimist Club for the 1972-1973 Club Year is Lou Vogel of 11437 Pleasant Lake Road, and he will assume his duties October 1.

Lou is active in the Manchester Community Chest and is presently serving as Treasurer. He is the Treasurer of the Manchester Board of Education, also a member of the Board of Directors of the Washtenaw County School Officers Association, and a Board member of the Ann Arbor Jackson Association of the United Church of Christ. He and his family are active members of Bethel United Church of Christ.

The family includes his wife Elvira, and three daughters: Virginia, a Senior at Albion College, Valerie, a Sophomore at Kalamazoo College, and Sue, a Senior in Manchester High School.

Mr. Robert Spensley will be the new Vice President.

## American Legion Officers

Lf. to Rt. Larry Engler, Charles Schiel, Michael DuRussell

The Annual Election of Officers of Emil Jacob #117, The American Legion, was held on July 6, 1972 at 8:00 p.m. at the Legion Hall.

The officers were as follows:  
Commander, Charles F. Schiel  
Sr. Vice Comdr., Lawrence Engler  
Jr. Vice Comdr., Richard Engler

Adjutant (or Appointed) Michael DuRussell  
Finance Officer, Morgan Kern  
Chaplain, Dennis Payton  
Historian, None  
Service Officer, Donald Stockwell  
Sergeant-at-Arms, Charles Steele

MEMBER PRESS MICHIGAN ASSOCIATION

LETTERS TO THE EDITOR

One of the nicest reasons for living in our small town of Manchester is the wonderful community spirit that is present when we have a big project to promote.

The Fair exhibitors tent should be chock full of articles which represent the talent of many people. This summer seems to have been fairly good for gardeners. What about your vegetables? Are they the best, the heaviest, the largest or the most unusual.

Canned fruits and vegetables, and jams or jellies are all pretty to look at. Let's have so much baked goods that those judges can't tell which tastes the best.

There are several different categories in the sewing division. Manchester has many very talented people, both young and old who look very smart in the clothing they have constructed.

One of the divisions that people love to come and spend time looking at is handicraft. The hobbies and pastimes of many people are admired by those who do not have the time or know-how.

Many people of all ages are collectors of many different things. Students of all ages are busy building and making things from paper, leather, wood, plastic, etc. The school offers many opportunities for the children to develop their talent.

Of course anyone can enter their animals, grains, nuts, pets, or wool. These are only a few suggestions. Check your Fair Book for exhibiting ideas or call anyone of the committee chairmen if you have questions.

JAYCEE'S

This year as in past years the Manchester Jaycee's will be having a dunk tank at the Manchester Community Fair. Opening night of the fair, Tuesday August 15, Doug Harvey of Ann Arbor will be the main attraction.

To All Manchester Area Residents

Since the first of the year shopping in Manchester stores has steadily decreased, to almost nil on some nights. Therefore merchants wonder whether customers consider it a service any longer for them to be open any night.

Will you as a customer please check this questionnaire and leave it with any merchant in the downtown area.

Do you want the stores to remain open Wednesday night. Yes No

Would you prefer Friday night. Yes No

PIANO RECITAL

On Sunday, August 13, at 8:00 p.m. Mrs. Linda Head, daughter of Mrs. Franklin Reck, will give a recital at the Manchester United Methodist Church.

The public is cordially invited to attend.

Deaths

Florence E. Meyer 305 S. Main St. Brooklyn

Age 64 years passed away suddenly Friday at Herrick Memorial Hospital in Tecumseh. She was born September 6, 1907 in Manchester the daughter of Ernest and Clara Ahrens Wolff. She was married to Albert Meyer on August 3, 1927. He preceeded her in death on November 25, 1971. She was a member of the Norvell Community Baptist Church. Survivors include a daughter, Mrs. James (Beatrice) Beaudet, Kenosha, Wis., 2 grandchildren, 5 brothers, Reuben of Chelsea, Roy of Wayne, Richard and Russell of Manchester and Paul of Coldwater, 2 sisters, Mrs. Gertrude Bertke of Clinton and Mrs. Ethel King of Ypsilanti and several nieces and nephews.

Funeral services were held Monday 1:30 p.m. at the Jenter Funeral Home. Rev. Stanley McKenzie officiated. Burial followed in Norvell Cemetery.

Mrs. William (Ethel M.) Spike Formerly of 3233 Weber Rd. Saline

Age 82, passed away in Hoyt Nursing Home in Saginaw following a long illness. She was born Nov. 14, 1889 in Brown City, Mich., the daughter of Allen and Harriet Bates Schlichter. On July 15, 1907 she was married to William G. Spike; he died on Feb. 12, 1948. Mrs. Spike was a member of Saline Presbyterian Church. Survivors include: Six sons, Dr. Cyril Spike of Owosso, Lowell of Manchester, A. Bruce of Negaunee, G. Wayne of Ypsilanti, Max of Blountsville, Ala., Dr. Clark Spike of Ypsilanti; three daughters, Mrs. J. Hasler (Dorothy) Osborne of Saginaw, Mrs. Malcolm (Ethel) Whitford of Clare, Mrs. Alton (Barbara) Wahl of Cavanaugh Lake; a sister, Mrs. Milton (Alora) McClary of Detroit; 34 grandchildren and 27 great grandchildren. Funeral services were held at 1 p.m. Tuesday from the Burghardt Funeral Home in Chelsea with Rev. Laurence Cole officiating. Burial followed in Oak Grove Cemetery, Chelsea. Memorial contributions may be made to the Saline Public Library.

When it's raining... OUT and IN!

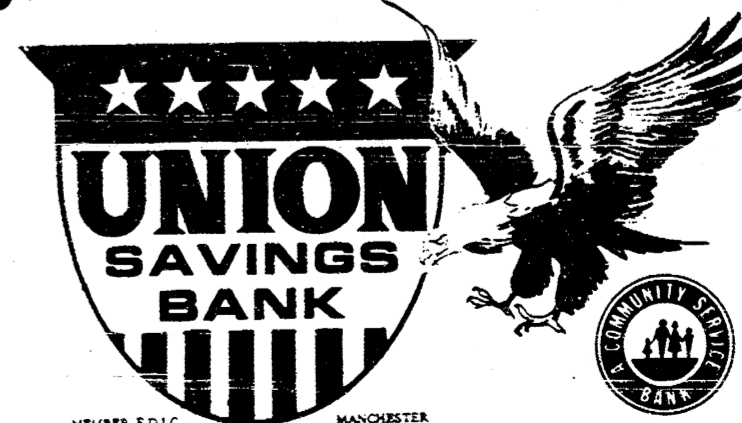

There really isn't too much summer left. With Fall comes rain. If

it is your roof that needs repair or other home improvements are

demanding attention, drop by a convenient office of Union

Savings Bank and discuss your home improvement financing

needs with an INTERESTED banker.

# Rock Hounds

Mr. & Mrs. Claran W. Knauss, Sr. and Mr. & Mrs. Robert Armentrout attended the 32nd annual convention of the Midwest Federation of Mineralogical and Geological Societies which met in Ishpeming, Michigan, July 20-24.

About 1,000 members of affiliate clubs from throughout a 14-state area in the Midwest attended the session in Michigan's Iron Country. Events included business meetings, field trips to collect mineral specimens and a gem and mineral show put on by the host club, the Ishpeming Rock and Mineral Club.

Charles R. "Bob" Markert, executive director of the Ishpeming Chamber of Commerce and a past president of the federation, was general chairman.

At Friday's business session, delegates named Lee, M. Kirby of Dryden Plains, Michigan as the federation's new president, succeeding Bernard F. Parr of Mansfield, Ohio. Other officers elected were: Mark Harris of Columbia, Mo., first vice-president; Terry Higgins of Cincinnati, Ohio, second vice-president; Jean Reynolds of Clarendon Hills, Illinois, secretary; and Bernice McCloskey of Elm Grove, Wisconsin, treasurer.

Mr. & Mrs. Armentrout and Mr. & Mrs. Knauss are members of State Line Gem and Minerals, meeting place, Tecumseh, Michigan.

The host club of Ishpeming is to be congratulated on the very efficient and expert management of the four days event. The city of Ishpeming is also to be congratulated on the warm and friendly greeting one had in the shops, the "Welcome Rockhounds" posters everywhere, sure made you feel welcome.

There were four trips, Nos. 1-2-3-4 four buses to each trip number with an average of 40 persons per bus.

We were assigned to trip 2 bus 4 with a very good driver - and our guide, Jim Hind and his wife Jenny - were two lovable kids - both graduates of Houghton, Michigan Tech. College - in mining and engineering. Our trip 2 leader was the Bob Markert in the above official report.

The only way I can describe him - is a small dynamo - always wound-up and ready to go anywhere, taking with him the knowledge that is necessary to be a grand teacher, guide and just a plain nice guy.

The four-day event included: Thursday, registration day; Friday, business meetings, the pan-cake breakfast and broiled chicken supper; Saturday and Sunday were field trips from 7:30 a. m. to 5 p. m. Monday was a general rock swap.

The highlight of the many mines and quarries, 9 in number, was their trip through the Republic mine and their Iron Mill where we saw the complete operation from the rock, which is specular hematite and red and black chert, being crushed, to the finished product, marble-sized pellets of iron.

It seems that miles never really separate friends you've known - "Rocks" seem to be a common bond.

This came true when we met Marian and Nelson Short and Don and Kate Weed, also on our trip 2, looking like something from outer space - as we did - hard hats and safety goggles.

If you think old fashioned friendship is a thing of the past, join a rock club. There is no "hang-up" between the financial, professional, or social status of rock-hounds.

People who hold public office sometimes forget that they are supposed to represent all of the people.

Large building site in Village or will split.

Several parcels of land without buildings from 3 to 80 acres.

A 25 acre parcel with springs will split, suitable for fish ponds.

Several Manchester area youths were winners at the 1972 Washtenaw County 4-H Youth Show held August 1-4. The winners are: Top Wildflowers Exhibitor, Beth Feldkamp; Honor Winners Clothing, Margaret Egeler; Honor Winners Creative Art Seniors, Gregg Haller; Swine Breed Champions, Reserve Champion Other Breed Gilt, Ruth Curtis; Dairy, Champion Brown Swiss, Bob Feldkamp; Champion Holstein, Gordon McCalla; Home Design, Cheryl Sparks, JoAnn Kastl.

### WESTERN MICHIGAN UNIVERSITY ORIENTATION

Two thirds of the freshmen students who will attend Western Michigan University this fall have completed their three-day orientation program.

In groups of up to 150 each, they met with counselors, registered for courses and made tours of the campus under the guidance of WMU upper-classmen. They are scheduled to return to the Western Michigan campus for the start of classes on August 30.

Students from the Manchester area who will be attending WMU are Anita Kirk and Mary E. Simmons.

## Dog Club Ribbon Winners

The Dutchman Dog Club members recently won ribbons at the Washtenaw County 4-H Fair. In the Handling B class Bill Mann took first and Reserve Champion. Gina Knauss took first in the Sub-Novice B Obedience and Mike Schlemmer took second. In Sub-Novice A Obedience, Julie England took a first place ribbon.

The club project on Dog Nutrition took a second place ribbon while Julie England's individual project on Dog Obedience took a first place and Mike Schlemmer's project on the Flea Collar-Good or Bad took second.

Anyone interested in joining the dog club could call either Bill Mann at 428-8958 or Mrs. Schlemmer at 428-9301.

### LIBRARY NOTES

The Washtenaw County Library has started a new program for shut-ins. They will bring books to their homes and pick them up. All you have to do is call, bring or mail their address to the Manchester Township Library, the Bookmobile or call the Washtenaw County Library 971-6056 and ask for extension 9.

Our new volume of the Wise Gardeners Encyclopedia, a beautiful book, has been donated in memory of Mrs. Mina Trolz.

Our circulation figures keep going up, up, up. It's a real pleasure to see so many people making use of our facilities. The children especially are reading a great deal during the summer months. We have some new adult fiction on the shelves, so if you have an afternoon free, stop in and pick up a good book.

Don't forget - we have lots of magazines and records you can borrow just like books.

## AGRICULTURE IN ACTION

by Carl P. Kentner  
MICHIGAN FARM BUREAU

Pesticides of some kind are used on almost 85 percent of all farms, but farmers account for only slightly more than half of all the pesticides used in the United States. Urban dwellers have as big a stake in the use of pesticides as do farmers.

With the recent ban placed on the use of DDT, we need to remember some of the comments made by Dr. Norman Borlaug, the 1970 Nobel Peace Prize winner, and the only agriculturalist ever to be so honored.

In an address last year, Dr. Borlaug charged environmentalists with a desire to legislate a ban on DDT to prohibit it for any use in the U.S.A. If this happens, Borlaug warned, they almost certainly will start a worldwide propaganda campaign to have it banned everywhere in the world.

"This must not be permitted to happen until an even more effective and safe insecticide is available," he declared. "As soon as DDT is successfully banned, there will be a push for the banning of all chlorinated hydrocarbons, then, in order, the organic phosphates and carbonate insecticides. Once the task is finished on insecticides, they will attack the weed killers and, eventually, the fungicides."

"If the use of pesticides in the U.S.A. were to be completely banned, crop losses would probably soar to 50 percent and food prices would increase four to five fold. Who then would provide for the food needs of the low income groups? Certainly not the privileged environmentalists," stated the honored scientist.

All mankind stands to lose if we jump too fast. We need to seek knowledge and understanding of all the insecticides and pesticides to determine their worth as weighed against any detriment they may have before we jump at banning them.

## Visit Retirement Home

A large group of women and children, members of the Sharon United Methodist Church and the Women's Society of Christian Service, visited Chelsea United Methodist Retirement Home on Thursday, August 3, 1972. They invited the residents of the Home to join with them. A large number responded to the invitation and enjoyed their program.

Mrs. Edna Breitenwischer, with Mrs. Marie Pratt at the piano, led the group in the singing of many familiar hymns, after which several of the children presented musical selections.

Little Lisa LaFedes and Lori Voegeding played several piano selections that were especially appreciated by the Home folks, as was also the fun-filled reading given by Mrs. Hazel Gieske, entitled "There will be no hogs in Heaven". Other musical numbers were furnished by Michelle Lamb and Sharon Voegeding, on the piano, and Venessa and Stacey, twin daughters of Mr. and Mrs. Ames, on the coronet and flute. Mrs. Lucille Uphaus led her Sunday School primary children in several songs, then invited the entire assembly to join in singing many of the favorite best known hymns, closing with

"Bless Be The Tie That Binds". Refreshments of punch and delicious home made cookies were served by the Sharon ladies and enjoyed by all in attendance.

The visit was climaxed by a comprehensive tour of the facilities of the Home, with special notice given to the Arts and Crafts Department. A good view of life at the Home was seen and many facts learned, particularly in regard to the beginning of the Home, its life and its progress.

Chelsea United Methodist Home is an agency of the Detroit Council. It was established in 1906, its purpose to care for the physical, the mental, the spiritual and the social needs of the family. From a small beginning it has grown, not only in the size and extent of its buildings, but also in the services rendered to the two hundred and fifty members, men and women who in their Golden Years are very happy to call it HOME. It is a haven of peace and security, of comfort and pleasure, where every effort is made to make old age a rewarding experience. The dedicated staff stands ready to answer any questions regarding retirement life in the Home and admission to its facilities.

## Clean-Up Time

Now that the primary election is over, it's clean-up time. All political candidates have put forth their best efforts in the simple advertising media of putting their posters on every tree and utility pole within the rights-of-way of the county roads. The Waukegan County Road Commission is expecting a great deal of response on the part of all candidates, as well as the general public, in the little effort required to remove this blight from our environment. All such posters remaining within the rights-of-way of our public roads after August 15, will be removed by county crews at the expense of the general public through highway funds.

## Blue Ribbon Pie

How often we've admired the blue-ribbon entries in a county fair baking contest! Fragrant breads, tempting cakes, and oh, those luscious pies! You can duplicate the old-time goodness of those prize winning pies with this recipe for Peaches 'n Cream Pie.

Juicy fresh peaches and rich cream combine with cinnamon and sugar for the toothsome filling. (Or frozen peaches can make this a year 'round treat.) Tender pastry made with enriched corn meal lends subtle crunchiness and flavor to this premium quality, picture-pretty pie.

### PEACHES 'N CREAM PIE

Makes 8 servings

**Pastry:**  
1/2 cup enriched corn meal  
3/4 cup sifted all-purpose flour  
1/2 teaspoon salt  
1/2 cup shortening  
4 to 5 tablespoons COLD water

**Filling:**  
2 1/2 cups fresh peach slices (four 10-oz. pkg. frozen peach slices, well drained)  
3/4 cup sugar  
1/2 teaspoon salt  
1 teaspoon cinnamon  
1/4 cup all-purpose flour  
1 cup whipping cream

For pastry, heat oven to very hot (450° F.). Sift together corn meal, flour and salt. Cut in shortening until mixture resembles coarse crumbs. Add water a tablespoon at a time, tossing lightly with a fork. Form into ball; roll out on floured board or canvas to form 13-inch circle. Fit into 9-inch pie plate; trim; flute. Prick bottom and sides. Bake in preheated very hot oven (450° F.) 10 minutes. Remove from oven. Lower oven temperature to (400° F.).

For filling, arrange peach slices in bottom of baked pastry shell. Thoroughly combine sugar, salt, cinnamon and flour. Add cream; pour over peach slices. Bake an additional 30 to 35 minutes or until brown and firm. Cool to lukewarm before serving.

## Have you had a job interview lately where you really felt needed?

Let's face it. You can't get a good job without experience. In today's Army we'll give you that experience. In a skill you pick at your interview. We've got over 200 demanding job training courses. Transportation, computers, you name it. If you're qualified you'll get it. Guaranteed. And you'll get paid for it starting at \$288 a month.

To get complete details talk it over with your local Army Representative. Call 000-0000. Today's Army wants to join you.

MANCHESTER TROOPS 426-436

July 31 a group of 18 scouts with Scout-Masters Jim McEwan and Al Sammes accompanied by Troop Chairmen Bill Schwab and Jack Rowe traveled north to a Black Lake Forest Campsite located on Black Lake for a six day camp-out.

The trip was enjoyed by everyone even under adverse conditions at times. We set up camp as usual in the rain although it lasted until after supper.

Tuesday was spent rearranging and drying out equipment, cutting wood and swimming. The afternoon was spent over on the Black River above and below the power dam. Fishing was very bad. Part of the troop went back to camp to fix supper without fish.

Wednesday it rained before we woke up and kept up nearly all day, so we went to Rogers City to the U.S. Steel Lime Quarry, then on to Harbor point which is a part of the plant. The only bad feature is that trout aren't given as we were advised prior to the trip.

After a lunch we drove to the U.S. Fish and Wildlife Research Station. This was a very interesting tour as the fellow who gave the tour was an ex-scoutmaster and he paid a great deal of attention to any remarks that the scouts asked.

Their main research is with the lamprey eel which they feel they have under control. They had eels that were just hatched, on up to the stage where they are ready to lay their eggs. At this point the adult dies. They had as many as 200,000 baby eels in one tank alone.

Thursday morning we went to Onaway for a few minutes, then on to

the Ocqueoc Falls, which are the largest falls in lower Michigan. During the time that we were there the Dept. of Natural Resources put green dye in the river to test the flow of the river. It made quite a sight as it went over the falls. Leaving the falls we looked and found the under ground river which comes out of the side of a hill. It really is part of the Little Ocqueoc river only it goes through the hills instead of an open stream.

Friday we drove over to Rogers City for the saw cutting contest, how they took the bark off fence posts, and the log rolling contest. We also looked at some of the big yachts. We also saw the Sea-Scout sailing ship. It is so large it is hard to describe it is owned by the Sea-Scouts. They had taken it out just a short while before we arrived and they returned just as we were leaving.

Saturday we spent another unsuccessful fishing trip so we went into Onaway so the scouts could do a little souvenir hunting, returning early to camp to start getting things picked up for an early take-off the next day.

Sunday morning Mr. Schwab woke up to the patter of rain drops so the whole camp was rousted out in an hour and a half. The scouts took down tents, dressed into uniforms, washed, ate breakfast, and finished packing the grounds and we were on the road home.

We stopped at Indian River for Sunday service at the Catholic Shrine. The Catholic Shrine is worth the time of any one passing near this area. We stopped for lunch at Grayling, then it was on to Manchester where we arrived shortly after 4:00 p.m. satisfied with the trip and with the safe return with God's help.

Thursday morning we went to Onaway for a few minutes, then on to

SALINE COMMUNITY HOSPITAL

Three members of the Finance Committee for the building program now in progress at Saline Community Hospital were pioneering members of the original committee when the hospital was built in the late 1950's.

Clifford Simmons, President of Hoover Ball & Bearing Company, has accepted a position on the finance committee to increase the treatment facilities at the hospital. William Meister, retired Vice President of Hoover Ball & Bearing Company, has also accepted the task of raising funds for the building program after having served on the original committee when the present hospital was constructed.

The third member of the original committee is Gordon Prout, M.D., who served the Saline Community Hospital as Chief of Staff when the present facility went into operation in 1959. Dr. Prout, now retired, has agreed to serve on the new finance committee to update the hospital to better serve the need for patient care in the Saline area.

In addition to the three above members the committee also includes Kenneth Rogers, Chairman, Eugene Carpentier, Eugene Garrison, M.D., Robert Bredemitz, Richard Foster, D.O. and Marian Hering, all residents of Saline. Mrs. Stanton Roesch of Manchester, Ethan Jones of Milan, Erwin Feldkamp of Bridgewater, Robert Betzig and Erwin Frederick of Ann Arbor, Otto Wendell of Fowlerville and Mrs. Robert Wiley of Petersburg, Michigan.

Area residents may contact any of the Finance Committee members regarding the planned building program.

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

From time to time we read that the House of Representatives would select the President if no candidate for President receives an absolute majority of electoral votes in the election. But who would select the Vice President under such circumstances? I told my wife the House of Representatives would do that too. She disagrees, as usual. Please straighten her out.

-J. R., Detroit

Your wife wins this argument, at least. If no candidate for Vice President receives a majority of the electoral votes, the Senate (not the House) would choose between the two candidates for Vice President who receive the highest number of electoral votes. The Senate has been required to exercise this responsibility only once in history. In 1836, the Senate chose Richard M. Johnson to serve as Vice President under President Martin Van Buren.

My electric bills are too high. Is there any way we can conserve electricity without being uncomfortable?

-T. B., Detroit

The Office of Consumer Affairs has compiled a booklet which explains and illustrates methods that any home owner can use to conserve electricity. It is called "11 Ways to Reduce Energy Consumption," and is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The price is 30¢ and the catalog number is 0303-0876. This pamphlet should help you reduce power consumption and save on your electrical bill.

CADETTE AND JUNIOR SCOUTS

A float for the parade will be built at the home of Mrs. William Schwab. All scouts of the junior and cadette troops are asked to come at 1:30 on Monday, August 14, to put the float together. The Parade theme is "The Roaring 20's". If you plan to help or have ideas, please call Mrs. Schwab, Mrs. Daubner or Mrs. Schneider.

State Farm person to person health insurance
It can make you feel better
Maybe it's old-fashioned, but we still believe you deserve some personal attention—especially when you're sick or hurt. Our person to person health insurance makes sure you get it. As your State Farm agents, we're right here to help—whenever you need us. And our person to person health insurance can provide extra cash when you're in the hospital, disability income (even if you're laid up for several years), cash to help you meet loan or installment payments when you're unable to work, and hospital and surgical benefits. All with the kind of personal attention you thought had vanished.

## Manchester Fair Queen

Lf. to rt. Miss. Congeniality-Trudy Randall, 2nd. runner up-Pam Widmayer, Queen-Monica Curtis, 1st. runner up-Liz Hosmer.

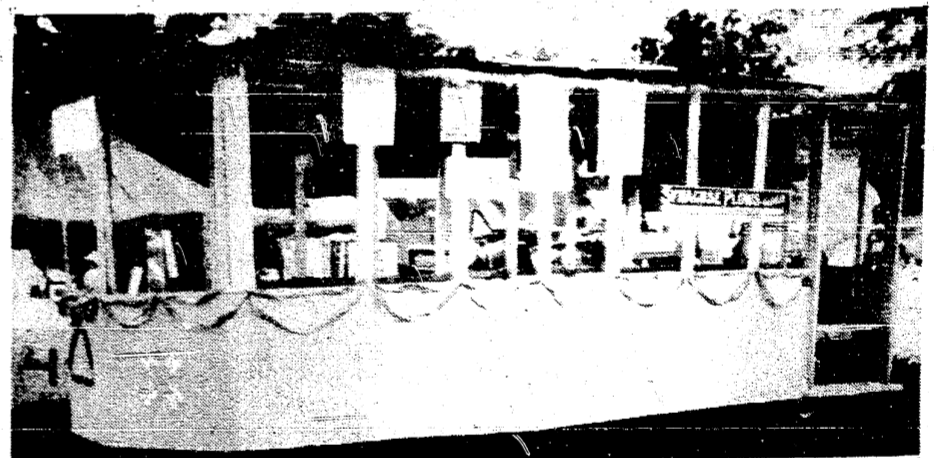

## "When People Need Help"

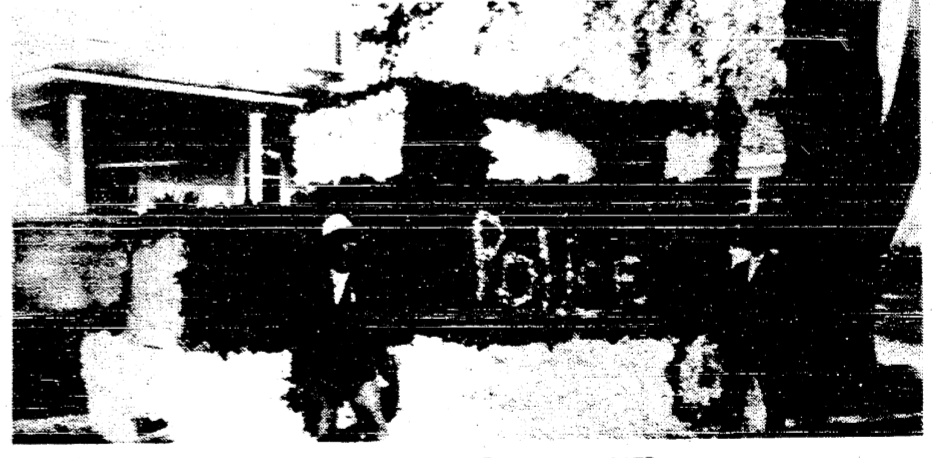

Yeoman First Class Mike Walsh get an enthusiastic welcome from an elderly lady in Maguisquis Barrio.

Reprint from Subic Bay News  
"Back home when somebody's in trouble and needs help, everybody pitches in and helps," said Petty Officer First Class Mike Walsh, Mike's hometown is Manchester, Michigan.  
This time, however, the people needing help are in Northern and Central Luzon, Republic of the Philippines, and Mike is just as enthusiastic about helping as if it were his hometown.  
The need is a result of 30 days of continuous recordbreaking rain that has caused extensive flooding.  
All the ills of disaster such as lack of food, loss of homes and crops, and disease have beset the Filipino people in these areas.  
In Baguio City in Northern Luzon, nearly 200 inches of rain have fallen during July. In another area, 700 homes were washed away.  
"It makes you realize how lucky you are to have enough food, clothing and shelter," said Walsh, a yeoman on the staff of Com-USNavPhil.  
With these words, Mike pretty well summed up the feelings of the Navy helicopter crew from the carrier USS Tripoli and other staff volunteer workers, after completing a disaster relief flight, which ferried food supplies to five barrios (districts) in the flooded area.  
Captain Hal B. Stewart, chief of staff to Rear Admiral John H. Dick, ComUSNavPhil, organized the collection of the relief supplies and requested transportation from the Tripoli to fly the materials to the isolated barrios that previous relief flights hadn't reached.  
The Tripoli, already very actively engaged in the disaster relief operations, quickly responded. The CH-46 helo was piloted by Lieutenant Commander E. R. Miller and co-piloted by Commander S. A. Coakley. Crewmembers Petty Officer Second Class S. J. Freeman and Petty Officer Third Class W. C. Thompson acted as loadmasters and helped distribute the supplies.  
The much needed supplies, consisting of rice, breakfast cereals, baby foods, nutribuns, instant breakfast, and soap, totalling nearly two tons, were solicited by Walsh, Petty Officer First Class Gene Miller and Seaman Douglas Soden.
