Card of Thanks

The best things in life are the every day things, home, family and friends. Having these, I give thanks for the beautiful cards and messages of encouragement from my Manchester area friends, that I received at Gratiot Community Hospital, Alma, Michigan.

I treasure each of them. Life, like any other blessing, derive its value from use alone and I shall use mine, one day at a time.

Sincerely Ruth Meyers

He Bakes While You Sleep!!

By C. Chapin

The newest addition to the downtown business district in Manchester is a doughnut and coffee shop owned by Donut Time U.S.A., Inc., with our own Chuck King of Main St., as president and chief baker. Starting at 8:00 p.m. each evening he and another baker, turn out 800 to 1000 doz. doughnuts each week and 1500 to 1800 doz. on Saturdays.

The original shop is on Washtenaw Ave. in Ann Arbor, employs 19 people as well as 6 employees in Manchester. "Let's talk quality," says Chuck, and he demonstrates this by delivering three times daily to our shop. Saturday is a busy time for this is the day that hard rolls, dinner rolls, bread, hamburger and hot dog buns, and specially ordered cakes come in. Wedding cakes are also available. Saturday is also the day on which the restaurants in Ann Arbor are supplied with their orders.

The best news locally is that Chuck expects to have German Pretzels available soon. Open from 6:30 a.m. to 6:00 p.m. six days a week, stop in and have a

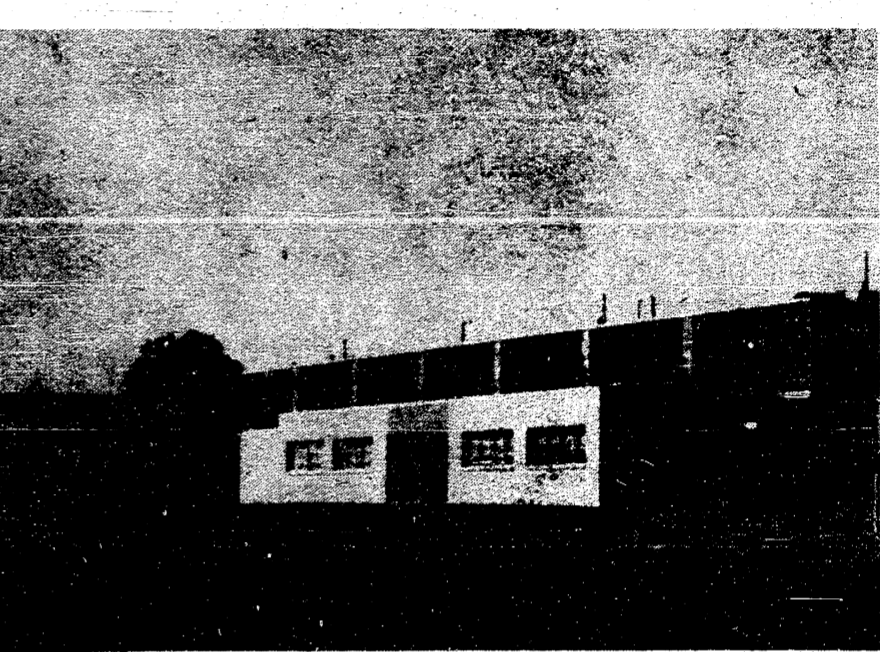

Moonlight Madness Friday, Nov. 24

Moonlight Madness, nutty in the dark or spoiled under the stars. It means the same. It's a crazy night sale we have here in Manchester every fall. This year it's Nov. 24th at 8 o'clock. The day after Thanksgiving. The stores close at 6 and reopen at 8 to embrace you with nothing but bargains like you never heard of before.

These goods were bought with Manchester people in mind and everyone will find interesting and useful goods at most compatible prices. How about a wide assortment of best quality chocolate candy at 58¢ a pound. One merchant will offer everything in the store at a discount during this sale. Another offers a beautiful assortment of stainless and chrome kitchen gadgets for the holiday season at 88¢ each. Usually sold at 98¢ to \$1.39. Here is a great gift item; a Schick Styling Dryer for Men, \$21.98 list, \$14.95 sale price.

Store personnel will be decked out in the latest nightwear fashions and prizes will be given for most interesting costumes. The Mystery Shopper will be here again with gifts to lucky shoppers. This sale promotion is designed and sponsored by the Manchester Chamber of Commerce and promises to be the most interesting and exciting of the year.

Expands Manufacturing

George Nichols, Uniloy Group Manager, Hoover Ball and Bearing Company, announces a major expansion of their manufacturing facility for blowmolding machines. Uniloy has moved its Machine Assembly operations to a new plant in Manchester, Michigan. Engineering and Purchasing have also been located in the new facility.

The new plant has sixteen operating bays. Each bay can handle an entire machine line, so that sixteen blowmolding systems can be assembled simultaneously. The floor space that became available, by moving Assembly to the new Manchester plant, has been used to re-

United Fund Nearing Goal

Tom Krajewski of the Personnel Department at Chrysler Proving Grounds is shown presenting the Company and Employee contribution for the Manchester United Fund drive to Clarence Fischer, Chairman of the Industrial Division. Also pictured above from left to right are Clare Knickerbocker, Jerry Harmon, John Murphy and George Glinisky.

The United Fund aids 41 agencies throughout the village, state and country. Cooperation is a by-word of these agencies. This year, this same by-word used so often at Chrysler Proving Ground between Management and Union personnel meant a 12% increase over past contributions to Manchester's Campaign. Congratulations to all Chrysler employees. The Industrial Group have almost completed their campaign and 100% participation has been the key-word in all industrial areas. Reports to General Chairman, Donna Gill, as of November 4th indicated that 95% of the total goal of \$16,382 has been collected. Reports of the various divisions are still coming in and it is hoped that the final "clean-up", which is being handled this week, will move the thermometer to 100% by the end of the week.

LETTERS TO THE EDITOR

Dear Sirs:
I have never written anything like this before but this has bugged me for a long time so here goes.
How's come all of the attention in this town goes to the varsity? Don't they realize that the J.V.'s are in there playing harder and leaving a better record. But never get an oz. of credit. The band for one thing never comes and gives them any spirit, but are always there for the varsity. Also the people, there are only the parents at the J.V. games and then only a handful. Yet the kids are the ones who are always getting kicked in the teeth about school spirit. Where is every one else's? The J.V.'s play at home on the opposite weeks that the varsity plays so why not the band.
I am not going to put the blame on this paper for not printing any kind of

State Farm person to person health insurance

It can make you feel better

Maybe it's old-fashioned, but we still believe you deserve some personal attention—especially when you're sick or hurt. Our person to person health insurance makes sure you get it. As your State Farm agents, we're right here to help—whenever you need us. And our person to person health insurance can provide extra cash when you're in the hospital, disability income (even if you're laid up for several years), cash to help you meet loan or installment payments when you're unable to work, and hospital and surgical benefits. All with the kind of personal attention you thought had vanished.

COUNCIL PROCEEDINGS

October 16, 1972

Council met in regular session with the meeting called to order by Pres. Little at 7:07 pm. Trustees present were Fitzgerald, Mahony, Scully, Stautz and Walton; absent, Benedict. Minutes from the Oct. 2, 1972 regular meeting were read and approved with a motion from Fitzgerald, supported by Scully.
Norm Walz was present to discuss the Youth Education program which will enable high school students to construct a home under professional supervision. Moved by Fitzgerald, supported by Mahony that permit and inspection fees in conjunction with a building constructed as part of the Youth Education program be waived for the Manchester Public Schools. All year, carried.
Ed Rickelman questioned Council on sewer extension and its cost for property on Main Street east of Division. Moved by Mahony, supported by Scully to pay Brighton State Bank \$5800.00 from the 1971 MVHF Bridge Bond & Interest Redemption Fund. All year, carried.
Moved by Mahony, supported by Walton to recess as Village Council and convene as Zoning Board of Appeals, to consider Robert Hamilton's appeal for a variance. Moved by Fitzgerald, supported by Stautz that a variance be granted allowing Robert Hamilton to construct an addition to his present building at 319 Morgan St., where said addition would coincide on setback with the existing building. The addition would be a variance from Ord. #45, sec. 12.02a which requires a 50 foot setback for a front yard. All year, carried. Moved by Scully, supported by Stautz that the Zoning Board of Appeals adjourn and Village Council reconvene.
Moved by Scully, supported by Fitzgerald that specifications for a new police car be drawn up and sent out for bids with bid opening date set for Nov. 20, 1972 at 8:00 pm. All year, carried.
The scheduled Public Hearing before the Village Council regarding a possible 2 hour parking limitation on the streets in the business area began at 8:30 pm, with Wm. Walkow, Fred Bus, Buf Brown, Marvin Kirk, Al Alber, Joanne Beal, Irv. and Donna Gill, L.V. Kirk, Don Limpert, J. Lantis and Harry

Krauss present. After some discussion a poll was taken of the group which turned out to be almost evenly divided. Some felt that the businessmen should remind themselves and each other that parking places occupied in front of their places of business by them or their employees only serve to cut down on parking space available to possible customers. Others felt there was no problem in the amount of parking space available. Moved by Fitzgerald, supported by Scully to work further with the Chamber of Commerce and other business people not in attendance to follow up on the parking situation. All year, carried.
Fitzgerald reported that parking signs for Vernon and Torrey are on order, parks have been cut and cleaned up, two water mains were broken and repaired and the parking lot for the Methodist Church has been graded. Ypellanti Asphalt will be in preparations on Duncan Street the week of Oct. 16. A meeting is set for Oct. 23 at 8:00 pm with the township supervisors regarding the landfill.
Stautz listed permits: electrical - G.E. Wacker, new building - Manchester Plastics, alterations - Bob Barhenquest, repairs - Tom Armstrong at 102 W. Main St., plumbing - Al's Custom Plumb. at 118 E. Main St.
Mahony reviewed the financial report. Moved by Mahony, supported by Stautz to engage Harry Sturmer to do some drilling and tap work for the Water Dept. All year, carried.
Moved by Mahony, supported by Stautz to adjourn at 10:32. All year, carried.

CHILDREN LEARN AGGRESSION FROM ADULT MODELS

Jimmie is three. He bites people. His parents have tried everything they can think of to try to talk him out of it. As a last resort they have begun to bite him back -- "just to show him what it feels like."
This is not a wise course of action, according to Jeanne Brown, child development specialist at Michigan State University. It leaves the child confused by the contradiction of what his parents say and what they do.

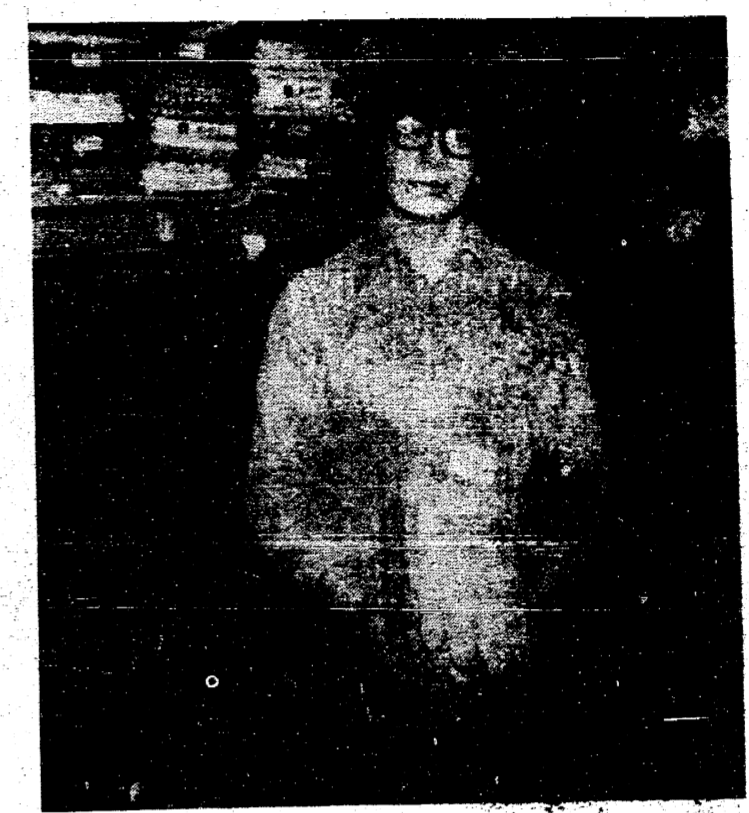

"They say it is not nice to bite people," Mrs. Brown explains, "but then they bite him. They punish him for his aggressive behavior while setting an example of aggressive behavior and then expect him to know which to follow."
Children learn by watching and imitating the behavior of adults, especially by their parents, Mrs. Brown says. Therefore it is important that parents provide a consistent model of the social values they would like their children to assume. They should also see that children are not exposed to models of undesirable aggression. The parent who punks her two preschoolers down in front of the TV without monitoring the programs they are viewing may be providing them with just such undesirable models, Mrs. Brown warns.
"Studies show that television programs, especially during the hours after dinner when the young audience is the largest, may be full of violent acts and aggressive behavior," she reports.
"Children see both the bad guys and the good guys using violent means to solve their problems and achieve their goals. They see that the good guy wins in the end, and so the impression grows that violent acts are an acceptable means to an end."
This impression is fostered by the parents' passive viewing of the violence. Children assume this lack of disapproval means approval of the acts they see on the screen, Mrs. Brown says.
"Remember," she says, "what children see modeled, what they practice and what is approved is what they are most likely to incorporate into the social values that they will carry with them throughout their lives."

AGRICULTURE IN ACTION

by Carl P. Kentner
MICHIGAN FARM BUREAU

Most Americans have the wisdom to know that you don't get something for nothing in this life. They realize that it takes money to start a business, money to run a business and a profit must be made to stay in business.

Our American agriculture is a business. Farmers must operate just as any other business does. However, they find themselves faced with a continued major problem.

Inflation has raised the high cost of farming to a record level. The index of prices paid by farmers; interest, taxes and wage rates is now 428 percent of what it was in the base period of 1910 to 1914.

Production expenses in the first half of 1972 were estimated at an annual rate of \$46 billion, or about \$2.5 billion above last year's level. The future doesn't look much brighter, as farmers' expenses are expected to continue to rise during the months ahead with the rate of increase being affected by what is done to control government expenditures and to slow inflation.

The inflationary pressures which stimulated the decision to invoke price controls were primarily the result of excessive deficit spending on the part of the federal government and a related expansion of the money supply by the Federal Reserve Board. So far, price and wage controls have not been an effective means of controlling inflation.

The announcement of controls may have had a helpful psychological effect, particularly in those industries which have excessive market power.

Agriculture, on the other hand, is a highly competitive, worldwide industry, relying on market values established in the market place and is being hurt by inflation.

KALAMAZOO COLLEGE

Twenty-seven Kalamazoo College students were cited for excellence in specific academic fields at the College's annual Honors Day Convocation held Friday, October 27, in Stetson Chapel.

Featured speaker for the event was Dr. Edward Moritz, chairman of the history department at Kalamazoo College. Dr. Moritz recently returned to the College after a year's sabbatical in England where he continued his research on Winston Churchill. He chose the British statesman as the topic for his address, titled "Winston Churchill's Black Dog." In addition to the departmental prize winners, the College also honored members of Phi Beta Kappa, Alpha Lambda Delta, (national women's honor society), and Phi Eta Sigma (national Freshmen's honor society) who were inducted during the academic year 1971-72.

Initiated into Alpha Lambda Delta is Valerie Vogel, daughter of Mr. and Mrs. Louis D. Vogel of 11437 Pleasant Lake Drive, Manchester, Michigan.

Thank you for the nice article in November 2, 1972 about Alaska. I enjoyed it very much. Plus the paper is bigger and more interesting every week, keep up the good work. Give us, more every day news too - Please.

Dutch Place 3rd At League Meet

Our Manchester High Cross-Country team gained one of its season long goals last Wednesday, when it beat Hudson for 3rd place at the L.C.A.A. League Meet.

The meet was held on the slick, muddy, Addison High course, the conditions resulted in several runners falling, accounted for the poor times.

Co-Captain Jose Arana was one of the contestants that fell, and it probably cost him a second place finish. But, as it was, Arana was 3rd for what Dutchmen Coach Larry Steeb termed, "A great effort, Jose is one of the gutter runners I've ever seen". Arana finished just 20 seconds behind the winning time of 17:07, by Hudson's Bob Lange.

Co-Captain Jeff Bruestle was the next finisher for Manchester in 12th place with a fine 18:26. The Dutchmen will surely miss both Arana and Bruestle next season.

Following Arana and Bruestle home were Sophomore Joel Tobias, 18:36, 15th; Junior, Tom Guenther, 18:42, 16th; and Sophomore, Phil Krzyzanski, 19:02, 20th. This group accounted for the 66 point total, just 3 points less than 4th place Hudson, but a huge 43 points better than the 109 points the Dutchmen scored last season at the league meet.

Freshman Dan Schalte placed 23rd on a 19:05 time followed by fellow Freshman Tom Opal 33rd, 20:13.

Coach Steeb was pleased with the whole team's performance but was particularly pleased with the extremely gutsy efforts of Jose Arana and Joel Tobias.

The Dutchmen have finished the season with a 7-3 record, the best season in history for the High School cross-country team.

Congratulations guys!

F.H.A. MEETING

Region 3 F.H.A. meeting will be held at Adrian College Saturday, Nov. 11. We have two girls from Manchester running for office. Karen Merriman, regional secretary and Jayma Ahrens for regional pianist.

Church Canvassers Are Successful

Forty-two men of Emanuel United Church of Christ, 324 W. Main were commissioned on Sunday, November 5 during a special service at the 10:30 worship to raise funds for the church's parsonage improvement fund. A goal of \$50,000 was set in early September and since that time five committees have worked over a ten-week period to organize the canvass.

Following the special service Sunday, a luncheon was held for the canvassers in the Fellowship Hall where final instructions were received for the canvass. Before leaving the church to visit the families of the parish, the canvassers pledged \$19,509.00 to the parsonage fund.

At a family celebration service held in the Fellowship Hall Sunday evening, Rev. Joseph Wise reported the canvass successful with a total of \$42,651.00 pledged during the day. This total did not include ninety-four out-of-town members and more than fifty in-town members who were not contacted on Sunday. The remainder will be called on during this week.

Globe-Claus Wedding

Aleta Diane Claus and William Grady Goble Jr. were united in marriage, Oct. 14, at Iron Creek Community in Manchester by the Rev. Ralph Janofski. Parents of the couple are Mr. and Mrs. James E. Claus Sr., 13696 Sharon Hollow Rd., Mr. William G. Goble Sr., and Mrs. Emma Goble, of Tecumseh. The bride chose a chantilly, satin floor length semi-bell silhouette with

sweep back empire bodice and long bishop sleeves. The sabrina neckline waist, and sleeves were accented with a touch of rosette's.

She wore a matching Juliet headpiece which secured a floor length veil of lace and illusion.

Mrs. Debbie Miller of Clinton, sister of the bride, was matron of honor in a blue gown of crepe trimmed with beige

lace. The bridesmaid's were attired as the matron of honor in the following colors. Ruth McKenna, from Clinton in Pink, Mary Ellen Beck from Brooklyn in Gold, Susi Cielbert, cousin of the bride, from Brooklyn, in lavender, and Laurie Lindl from Clinton in green.

Kim Timmerman, of Tecumseh, sister of the groom was attired as the bridesmaid in orange.

Tim Merritt of Clinton was best man and the guests were seated by James E. Claus Jr., brother of the bride, and Tommy Claus brother of the bride, and Dennis Gable, brother of the groom.

The groomsmen were Jim Blumhardt of Clinton, Mike Miedel of Clinton, Tracy Vogel of Ridgeway, and Dave Goble, brother of the groom, of Tecumseh.

Sammie Cielbert, cousin of the bride, was the ring bearer.

Reception for 400 guests was held in St. Joseph's Hall. The couple is living in Tecumseh after a short honeymoon.

Rehearsal dinner was given by the father of the groom at the Elk's Club. Roxanne Merritt was bridal consultant.

Mr. and Mrs. Sam Wilson, great aunt and uncle of the bride was host and hostess for the evening.

Those who helped serve was Mrs. Meva Cielbert, aunt of the bride, Mrs. Marilyn Sparks of Manchester, Mrs. Ann Schultz of Clinton, Mrs. Linda Louchs of Clinton, Mrs. Gladys Murphy helped prepare and overlook the food.

The bartenders were Mike Louchs of Clinton, John Miller, brother-in-law of the bride of Clinton and Bart Calloway of Manchester.

Mrs. Ralph Janofski played the organ. Sammi Wilson, cousin of the bride, presided over the guest book.

Teen Center To Open Soon

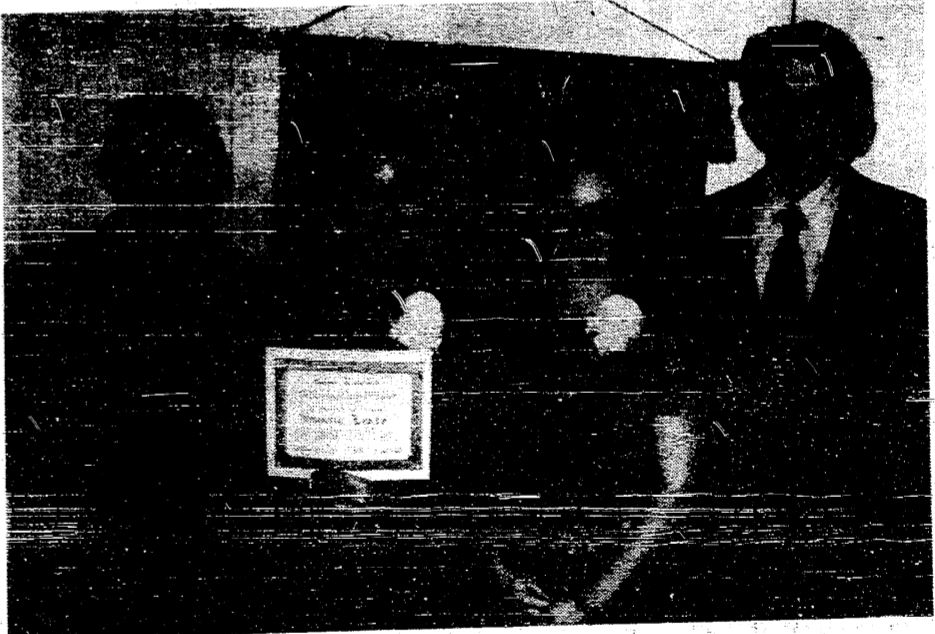

Twelve youth worked last Saturday, Nov. 11 painting and redecorating the gym of Emanuel Church which will be the new Teen Center for Manchester. Tentative plans call for an opening around December 1.

At the Teen Center, full-length movies will be shown once a month with a slight charge for admission and a dance will also be held once a month. It is hoped that in the future drama and fine arts will be performed by the youth for the public to enjoy. There will also be a Contact Counselling Service headed by the youth with referrals to professional people when needed.

The center will be for youth from grades 9 through 12. The times and days the Teen Center will be open have not yet been decided upon and they will be communicated in later articles.

Optimist Outstanding Citizen

Nicolette Lentz, daughter of Mr. and Mrs. Ambrose Leptz of 9415 Crossman Road and a sophomore at Manchester High School is the Outstanding Citizen for November.

Nicki was secretary of her 7th grade class and was in the student council while in the 8th grade. In the 9th grade Nicki was in the student council. This year she is again a member of the student council acting as the treasurer and is the president of the sophomore class. The last two years Nicki was a member of the Girls Athletic Association, Pep Club, and Junior Varsity Cheerleaders. Last year Nicki was a member of the 4H and Girls' Junior Varsity Basketball. This year she will be on the Girls' Varsity Basketball Squad. While in the 7th, 8th, and 9th grades Nicki was a member of the Optimist Steer Club taking a 4th place in the 9th grade. She plans on joining the choir at St. Mary's Church and is now working at L. V. Kirk's. Swimming, horseback riding, sewing and sports are her interests.

Nicki plans on going to M.S.U. to become a teacher.

Mr. Klager is a member of the committee. Congratulations Nicki!
