On Sunday December 3, there will be an Open House in observance of the Fiftieth Wedding Anniversary of Mr. and Mrs. Gustav Esch. The celebration will be held at the Freedom Town Hall from 2 until 4 in the afternoon.

The couple was married December 6, 1922 in Saline. Ella (Burkhardt) Finkbeiner and the late Edwin Hagen were the attendants. They have three daughters: Mrs. Kenneth Niehaus of Grass Lake, Mrs. Howard Marsh of Warminster, Penn. and Virginia at home; six grandchildren and two great-grandchildren.

Mr. Esch was engaged in farming until 1944 when he went to work for Ebertsch & Son in Ann Arbor and worked there for 22 yrs. until retiring. They are members of St. John's United Church of Christ, Rogers Corners.

Manchester Family Service

Manchester Family Service is doing the Christmas Bureau work again this year. The names of needy families in the area are sent to this local agency by the Washtenaw County Social Service and the County Health Departments.

Manchester Church groups and other civic organizations have been given the opportunity to assist Family Service by supplementing the \$200 which is budgeted to the agency by the Community Fund or by befriending a family from the Christmas Bureau list or a family of their own choosing. The idea back of the Christmas Bureau is to see that no one goes without a Christmas and a single clearing house for names can do this with community cooperation.

The Sheriff's Department and the Ann Arbor Police Department are again purchasing and delivering toys to children, 12 years and under, through the proceeds from the "Big Bowl" game. Last year 39 children in this age group were served, from the 34 families that were assisted by Family Service at Christmastime.

The FHA from Manchester High School holds an annual Scavenger hunt to collect canned and packaged foods which make up the grocery boxes that go to the Christmas Bureau families. The girls will be calling on residents of the village the evening of Tuesday, December 12. Susan Bowers, president of FHA says complete information will be in the Enterprise next week.

Anyone wishing to assist with the Christmas Bureau program or wanting more information about it may call Mrs. Franklin Reck at 428-8852 or Mrs. William Schwab at 428-8976.

Letters To Santa

All letters to Santa should include a return address so that they can be answered. Santa's mailboxes will be in Klager School, Pleasant Lake School, Union Savings Bank, and at the Jaycee Christmas tree sales lot.

This project is sponsored by the Manchester Jaycees.

The Jaycee Christmas trees will go on sale on Wednesday, December 13 at the same location as last year.

This project which Chief Becktel chaired as a Jaycee completed the re-signing of the Manchester Street Names and Village Limit Signs over the past two years. The total cost for the two projects was in excess of \$1,500.00 of which one half was paid by each of the Jaycees and the Village of Manchester.

MISS MICHIGAN TEEN AGER PAGEANT

There will be a bonafide state finals pageant of the Miss National Teen Ager Pageant in your state for girls ages 13-17, where a state title holder is chosen to represent her state at the National Finals, and they will be judged for their scholastic achievements, civic contributions, poise, personality and appearance. IT IS NOT A TALENT OR BATHING SUIT CONTEST.

All 50 states, plus the District of Columbia hold official state finals pageants, and it gives recognition to girls in their respective communities. They are judged by well-known, competent educators and civic-minded judges from their respective states.

Each state winner will have her expenses paid to the National Finals in Atlanta Georgia in late August of 1973. Applications are now being accepted and interested girls can obtain them by writing National Certification Office for Miss Michigan Teen Ager, 126 Bunn Drive Rockton, Illinois 61072.

We have from your location, representing your area, Michelle Alexander of 547 W. Main St., Manchester. She is the daughter of Mr. and Mrs. Harold Alexander. Michelle is fourteen years old and attends Manchester High School where she is treasurer of her class and is active in the J. V. cheerleaders, church youth fellowship, GAA, and Ecology Club. Her ambition is to be a secretary or a stewardess. She is sponsored by the Manchester Tool & Die, Inc., Union Savings Bank, and Michigan Live Stock Exchange.

She will be participating in the Miss Michigan Teen Ager Pageant on the dates of March 9 and 10 at the Detroit Hilton in Detroit.

DECEMBER 10 CROP LOSS REPORT DATE

Abnormal weather conditions during the summer, and continued rains for the past several weeks will undoubtedly result in a high number of corn and soybean claims being paid in the midwest by the Federal Crop Insurance Corporation, according to Earl Wilson, service center director for this area. Wilson stated that many policyholders have already notified the corporation of losses, and that other policyholders who feel that a loss is probable should notify their county office in writing by December 10, 1972.

The county office located at RR #5 West Chicago Road, Coldwater, Michigan services the following counties: Branch, Calhoun, Cass, Clinton, Eaton, Hillsdale, Ingham, Ionia, Jackson, Kalamazoo, Lenawee, Livingston, Monroe, St. Joseph, and Washtenaw.

The Federal Crop Insurance Corporation is an agency of the United States Department of Agriculture which offers all-risk protection on farm crops. Coverage is provided against all unavoidable causes of loss resulting from adverse weather, insects, and diseases which arise during the growing and harvesting seasons.

MANCHESTER ATHLETIC BOOSTERS
November 1, 1972

The meeting was called to order by President Chuck Steele. Minutes of the previous meeting were read and approved.

For the old business, Chet Kocesski reported the committee decided we had an adequate program for the Fall Banquet without having a guest speaker or movie. He also gave a report on the progress of the Banquet Committee.

For the new business, we reviewed the membership and made a list of people to call who wouldn't otherwise get an invitation to the Athletic Banquet.

The report on the membership drive, at present we have 97 members. It was suggested we have one of the membership letters printed in the paper in case we missed someone. We will also have a call-a-thon to get more members present at the next meeting.

It was reported we are going to have to get a load of dirt hauled in for the hardball diamond.

Aigen Clark volunteered his services as an ambulance driver at the home football games. Mr. C. Kocesski will check with the school to see if they will furnish a station wagon and if there are any legal problems.

Miss Janie Pitt reported that this spring we will have our first Girls Track Team. She asked if the Boosters would be interested in helping obtain some much needed warm up suits. She is going to check on prices and how many suits will be needed.

The motion was made and passed we have a Pancake Supper as a fund raising project, and that the proceeds go toward the girls suits. The supper will be held on December 2, 1972 starting at 4:30 at the High School Gym. The price for the supper is adults \$1.25, children 9 years and under 75¢.

Miss Vickie Evtisler stopped by to invite Booster members and the public to an all school play entitled An Evening With Edgar Allan Poe. It will be held on November 17 & 18 at 8:00 p.m. There will be three plays. We as Boosters wish to thank her for taking the time to stop by and also ask the community to support your local students programs. Having no further business the meeting was adjourned.

Secretary, Webb D. Seegert

JC's Operation "Red Ball"

President James Curley of the Manchester Jaycee's, announced that their community organization is sponsoring a fire safety program called Operation Red Ball.

The red balls are placed in the bedroom windows of children and older persons so that in the event of a fire, the firemen would know that those bedrooms are occupied by those who need their help the most.

These Jaycee red discs may be obtained free of charge from Krauss's Pharmacy, Union Savings Bank of Manchester, Congressman-Huber Service, Kaiden's Corner, Reads Barber Shop, Sutton-Gonyer Agency, Inc., and all Manchester schools.

The whole community is asked to cooperate in this safety program.

Twentieth Century Club

The 20th Century Club met Nov. 21st at the home of Mrs. Leo Scully.

"Old Fashioned Thanksgiving. Taste makes water" was the theme for the evening. Mrs. Rolland Grossman gave a nostalgic talk on Thanksgiving of the past, while Mrs. Paul Alber presented an amusing talk on what the present Thanksgiving may be like.

Final plans were made for the potluck Christmas party, December 5th at Mrs. Maynard Blossoms home. Members are to bring a \$2.00 gift. Refreshments were served by the hostess and Co-hostess Mrs. Finn Olsen.

SPECIAL GLASS RECYCLING NOTICE

The Ecology Club is pleased to announce that their large glass recycling bin has now been ordered and delivery is expected in the near future. Because of the difficulties encountered during the winter months the club has decided to cancel the December pick-up. Patrons are urged to save their glass and to watch for further announcements concerning the recycling program.

The club wishes to acknowledge a gift of \$120.00 to be used toward the purchase of the recycling bin from the Manchester Jaycee Women's Auxiliary. The money was raised through the Auxiliary's annual Baby Contest.

Thank you, ladies!

JOLLY FARMERETTES 4-H CLUB

The monthly meeting of the Jolly Farmerettes 4-H Club was held November 21, 1972. The meeting was called to order by President, Lois Kemmer.

Flag pledges were led by Liz McAtser and roll call was taken. There were 31 members, 2 guests, and 4 leaders present.

Under new business, it was decided that we would once again prepare Sunshine Boxes for the shut-ins and send gifts to the children in the hospital. Members were asked to bring their Sunshine Box contributions and hospital Christmas gifts to the next monthly meeting, which will be held December 5th. Further new business included planning the 1972-73 Club Program.

Mrs. Kemmer gave a leader's report on what the girls could sew for their winter projects.

Mrs. Handy then gave a demonstration on stretch-and-sew clothing.

The meeting was adjourned and refreshments were served.

Pastor Installed

Faith Community Church installed their pastor Mr. Kenneth R. Kueppers on Saturday, November 25, 1972.

Some local area pastors assisted in the service. They were Rev. William Ensen of the North Sharon Bible Church, Rev. Ralph Janofski of the Iron Creek Community Church, Rev. Charles Heard of the Chelsea Baptist Church and Rev. Holly of Tecumseh, Michigan.

Mr. and Mrs. Charles Stewart of the Calvary Bible Church of Kalamazoo, Michigan sang two specials, assisted on the piano by Mrs. John Hoogenboom also of Calvary. Rev. Tunis Moww, pastor of Calvary Bible Church gave a charge to the church from Ephesians, chapter four on "The grace in Christ and Christ's Gifts to the Church for the Saints".

An adult chorus visiting from the Reformed Church of Kalamazoo sang "How Great Thou Art".

Mrs. H. Raymond Bayne, wife of the pastor from Grace Bible Church at Owosso, Michigan, gave a very moving commendation to Mrs. Kueppers, and presented her with a dozen of long stem roses. Mr. Richard Krize Jr. of Calvary Bible Church then gave a most commendable charge to Pastor Kueppers. The text from II Timothy 4:1-5 was used for the charge. The text was beautifully inscribed on a plaque and presented to Mr. Kueppers. Mr. Willis Hassett, chairman of the Church Board, officiated the special service. Visitors and relatives came from Sturgis, Michigan, Kalamazoo, Detroit, Garden City, East Detroit and Roseville, Michigan.

The women of the Church served a delightful ham supper for the reception. The day was of much joy in the Lord for all.

By cutting through red tape, members of Congress can often lead a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. I'm the Dad Mother of a Cub Scout pack, and I thought it would be a good idea to get the boys involved in some projects that would help develop their concern for the environment. Got any good ideas?
—R. E., Kalamazoo

A number of things that young people can do to improve the environment are described in a reprint from the National Wildlife Federation magazine, which I'm enclosing. It tells how to stage a "Clean-up Day" in your neighborhood, how to set up centers to collect newspapers and bottles, and contains numerous other ideas. Anyone else interested in getting a free copy can write to Consumer Product Information, Washington, D.C. 20407. Ask for publication 7700-685.

In his landslide victory, President Nixon almost won all of the electoral votes losing only 17. Has any President ever come closer?
—G. H., Ionia

Yes, three Presidents came closer. George Washington was twice elected unanimously by the electoral college. In the election of 1820, James Monroe won all of the electoral votes, but one elector, William Plumer, voted against Monroe in the electoral college. In 1936, Franklin Roosevelt received all but eight of the electoral votes when he defeated Alf Landon in every state except Maine and Vermont.

SANTA TO PARACHUTE IN, LAND ON BRIDGE.
Allan Schaffer of Manchester has volunteered to fly to the North Pole and pick up Santa, who then will drop by parachute on to the bridge in Downtown Manchester. Then of course he will distribute gifts to the children.
December 25, 1952
Santa wasn't able to parachute down on to the bridge over the Raisin river as he had hoped to do. The fog and over-cast prevented.
"It's just as well I didn't jump"
Santa said when interviewed on the subject. "Was a time when I could pull up my reindeers a thousand feet high over a house and land right in a chimney, but I'm not as accurate as I used to be. Still and all, if the weather had been right, I'd have jumped. Anything Benar Mc-Fadden can do I can do !!"
Santa hitched his reindeers outside

United Fund Exceeds Goal

Final reports of the Manchester Area Community Fund and Red Cross Drive were reviewed by Mrs. Irvin Gill, General Campaign Chairman, at the meeting of the Chest Board on November 29, 1972.
Total drive receipts in cash and pledges amounted to \$17,315. The goal for 1973 was \$16,382. This was the twelfth consecutive year for Manchester residents to reach the budget goal.
Mrs. Gill gave recognition to all areas. The Rural Area headed by Jean Little was 16% over its goal. The Business Division, led by Mary Fielder was next in line with 11-1/2% over its goal. The Industrial Division, handled by Clarence Fielder was a close third with 10% over goal. Village House-to-House, chaired by Ica Schaffer was 9% over. The School, very ably handled by Kathy Groves, came in at a 5% over goal figure and Special Gifts, led by Claire Reck was 2% over.
Suggestions and comments from solicitors were discussed by Division Chairman and filed for 1973 reference.
The Board of Directors wish to thank all Chairmen, Captains, Solicitors, and members of the Jaycees for their help during the campaign. A special thank you to the Michigan Livestock Exchange for sponsoring the Kick-Off dinner and to the Manchester Enterprise for the excellent publicity coverage.
The residents of the entire Manchester area are to be congratulated for supporting the Community Chest and its agencies. Thank you.
The Michigan United Fund Campaign Achievement Celebration was held at Kellogg Center in Lansing on December 5 at 12 noon. The Board urged Mrs. Gill and Division Chairman to attend.
Payment of all outside designations will be made to outlying chests for payroll deductions in December and budget allocations for the 1973 budget will be partially paid.
A request from the Ecology Club was presented to the Board and this was tabled until the January meeting so that more information could be provided by the Club.
The next Board meeting will be held on January 4 at 7:30 p.m. at the Library in Manchester High School.
President Baker thanked Mrs. Gill for her excellent leadership and all Division Chairmen and volunteer solicitors for their part in the drive.

Club Orders Glass Bin

M.H.S. Ecology Club has ordered a glass storage bin such as shown above.

During the past two years a small group of volunteers from the Manchester High School Ecology Club has been conducting a glass recycling project. Glass has been collected by a door to door pick-up throughout the Manchester area. This service has been extended to all who have requested it and the list of patrons has grown steadily.
In twenty-four months approximately 90 tons of glass have been collected and transported to the recycling plant in Charlotte, Michigan. Although several local business and industrial establishments have been generous with their help, the Club can no longer handle such large amounts of glass using make-shift equipment and borrowed vehicles. The time has come to go commercial.
With the aid of interested adults, arrangements have been made for the purchase of a large glass storage bin (as pictured) at a cost of \$1,775.50, far below the market price. Delivery is expected within the next few weeks.
At the present time the Club has approximately \$1,000.00 in its treasury. The bin, however, must be paid for in full upon delivery. The Board of Education has given the Club permission to borrow the rest of the needed funds.
Before entering into negotiations for a loan, the Club has decided to seek donations from local individuals, clubs and organizations who generally support civic projects.

March of Dimes

Last week the Washtenaw County Chapter of The National Foundation-March of Dimes announced the posting of its 1973 pre-campaign literature.
Within the next few days nearly every household in the village of Manchester will receive an envelope containing brief information about the March of Dimes and a request for a contribution. "Mailers" are no longer sent to rural township residents.
From past experience The National Foundation has found the "mailers" to be a vital part of its fund raising effort. Although the mail campaign does not generally bring in large amounts of money, it provides a very inexpensive way to bring the problem of birth defects to the attention of segments of the population who could not be reached by any other means. It also provides a simple, direct way for people to contribute by mail. In Manchester, residents who return a mail contribution to the March of Dimes, will not be called upon during the annual "Mother's March" which takes place in late January.
As in years past, the picture-story inserts included in the "mailer" envelopes were printed free of charge by Mr. Walt Leonard of Chelsea and the Kulenkamp family, formerly of Manchester, who now reside at Hillside Terrace in Ann Arbor prepared the "mailers" for delivery in Manchester.
