

Education Take A Giant Step-Backwards?

PIONEER DAY
By C. Chapin

Pine benches, waterbucket, and a 'dunce' stool in the corner. With these simple devices and a great deal of imagination, the fifth grades of Manchester Middle School have re-created a one room school-house of the pioneer days of our country.

From a germ of an idea in a magazine, Miss Eberle (Mrs. Godby) who teaches Social Studies and English and whose class was studying the era of the westward movement, began discussing the "olden days" with her class and with immediate enthusiasm the children began to talk of how schools have changed. Soon the remaining 3 sections of the 5th grade had caught the excitement of the idea. Assign-

ments in reading, writing, and arithmetic were given and a day set for old fashioned teaching and learning.

With teachers using their 'maiden' names, (Miss Gilbert was, of course Mrs. Buss) for until the era after WWII women teachers were unmarried, and the girls dressed in their granny gowns the children, smiling and polite, "yes ma'am and no ma'am", the individual classrooms each held an air of excited interest. Fully entering into this day of experiential learning, each class had lessons suitable to the day. The Science class in Miss Mann's (Mrs. Groves) room studied the planting of fields and in Geography learned from an old book about waves and currents in the ocean.

Miss White (Mrs. Ziegler) and her class had arithmetic problems worked on the blackboard.

With each child having made a horn book, lessons written on them were recited out loud. Aesop's Fables were read and discussed with special

emphasis placed on understanding the moral precept in each tale.

Mottos were memorized and recited... "Do not begrudge others what you cannot enjoy yourself", and the spell-downs, with girls in one row, boys in another, while at the back of the room a special group, which in a one room school would have been another age group, was committing to memory the poem "Where there's a Way", by Eliza Cook. Penmanship was practiced and suddenly two boys were called upon to "please fetch wood for the stove". Going out of the room, the boys pantomimed bringing in wood and filling the pot bellied stove made of construction paper and pasted to the wall.

Well behaved, with sparkling eyes, smiles and complete absorption, the children entered into the spirit of the day.

This reporter found a good deal of teaching and learning in progress, with the clear joy of the children participating, a tremendous pleasure to observe.

Dutchmen 1971-72 LCAA Wrestling Champions

Pictured from left to right, 1st. row: Bob Preston, Mike Young, Kurt Koceski, Tom Rose, John Roberts, Steve Gross, Mike Tindall, Marty Merriman. 2nd. row: Greg Sanders, Greg Bertke, Manuel Arana, Bob Spiess, Jose Arana, Mark Eversole, Gary Benedict. 3rd. row: Joe Kress, Rook Haessler, Doyle Keasal, Doug Flint, Ken Parr, Steve Trolz, Coach Gulliver. 4th row: Keith Alber, Mark Chapin, Hugh Haessler, Randy Seegert, George Merriman, Mike Johnson.

They tried but they couldn't do it, they tried but they couldn't do it, they tried but they couldn't do it, no one can beat the Dutch. These words rang from the lockerroom Saturday night as a happy team of Manchester wrestlers celebrated winning the L.C.A.A. tournament and thus the league championship. All twelve of the Dutchmen scored points as Manchester rolled up 110 points to far outdistance the rest of the league. Osted had 80, Clinton 69, Hudson 64 1/2, Addison 62 1/2, and Morenci 2. Mark Chapin, Randy Seegert and Hugh Haessler were crowned league champs in their weight divisions. Haessler repeated as the Heavyweight Champ. Joel Tobias, John Roberts, Bob Preston, Jose Arana, Mike Johnson and Doyle Keasal all made the finals, but had to settle for

second places. Manuel Arana, George Merriman and Ross Haessler rounded out the scoring by taking fourth places. "Talk about a team effort" said Coach Gulliver. "Anytime you put all of your team into the top four places then everyone must be really working." I am especially proud of Joel Tobias and Doyle Keasal who were not given much chance of even placing, but both took second places and really helped us out. We have been shooting for the league championship for the past five years so we really realized a dream on Saturday. I hope we don't lose our momentum, because the 25th and 26th are the regionals and I would like to take a lot of boys to state this year."

So congratulations to the wrestling team on a job well done and good luck in the regionals and state.

School Notice

High School classes will be excused at noon Wednesday, February 23, for a teachers In-Service Training program.

Girl Scout Cookie Sale

The local Girl Scouts will begin their annual cookie sale on Friday, February 18th.

The Huron Valley council goal this year is 375,000 boxes of cookies, which averages a little more than three boxes per household in the Huron Valley Council area.

Last year Manchester Girl Scouts sold 4,080 boxes of cookies. We hope to sell even more this year.

The Girl Scouts will be selling Bury Cookies this year. The Girl Scouts sold Bury Cookies for many years, but last year the Council decided to sell another brand. There was a lot of negative customer reaction, so they decided to go back to Bury this year.

The cookies will sell for 50 cents a box as in the past, and for every box sold the local troop will make a 5 cent profit and the council and 18 1/2 cent profit.

The local troops will probably use their money for special projects and camping trips. The council profit will be used to provide campships and other kinds of financial assistance for needy Scouts. Some of it will be used to buy camping equipment and some to pay for other expenses connected with the Girl Scout Camps.

The Troop Cookie Chairmen this year are Mrs. Joseph Fitzgerald and Mrs. Peter Minor for the two Junior Girl Scout Troops. Mrs. Lawrence Sullivan for the Cadettes.

If you are missed by the girls and would like to buy some cookies, please call Mrs. James Kensler, 428-8140, Area Cookie Chairman, or one of the above Troop Chairmen.

Order taking will run from February 18 through March 6 with deliveries scheduled to be made April 14 thru the 26.

Bloodmobile Successful

St. Mary's Church was host to another successful Bloodmobile last Monday. 165 donors attended, adding 131 pints to the local blood bank. Only 34 were deferred in a period when there seemed to be so much illness.

Over three percent of the donors were 18 year olds who were enjoying their recent privilege of giving blood without the cover of parental consent. Other first time donors were also evident. On the other hand, James Kensler earned his 3 gallon pin by donating his 24th pint. Theodore Mester and Louis Brown of Double A Products became 2 gallon donors. One gallon pins were picked up by Jack Owens, Henry Holland and Paul Weinholt of Double A Products, Delbert D. Ludwick of Manchester Tool and Die and Mrs. Norman Fielder and Mrs. Clare Arnold.

Four industries and seven churches actively worked toward their 20% quotas and the results will be reported as soon as the donor cards are returned to the committee.

Mrs. Ica Schaffer was chairman of the Day for the volunteers who assisted the professional staff from South-eastern Michigan Red Cross Bloodmobile Division. Those registering the donors were Mrs. Norman MacLeod, Mrs. Paul Alber and Mrs. Ina Ayers.

Nurses Aides were Mrs. James Pratt, Mrs. Ralph England, Miss Amanda Schaible, Miss Agnes Kent, Mrs. William Schaffer, Mrs. Ronald Jenter, and Mrs. Millard Uphaus.

MEMBER PRESS MICHIGAN ASSOCIATION

OPEN LETTER TO MANCHESTER RESIDENTS

If you were driving down any street in Manchester, and you were a responsible citizen, you witnessed an accident or reckless driver endangering life, limb or property, what would you do?

Doubtless, you would try to help out, either by staying at an accident site, or helping police officers by stating you were a witness or possibly taking down license number of the car or vehicle involved.

As everyone knows there are laws governing everything we do. I think we agree, lawbreakers should be punished.

We are snowmobile owners. It has come to our attention there are many complaints concerning snowmobiles and their activities on the streets and surrounding areas of Manchester.

There are state laws, and city ordinances governing the use of snowmobiles in any given area, whether it be Manchester or Sault St. Marie. If you are a private property owner in Manchester or where ever, you can report snowmobile lawbreakers just as you would a car accident, fire, burglary, or anything else you would feel was dangerous to life, limb, or property.

Snowmobile owners are required by state law to be registered just like a car. They are required to have a license number displayed on the

Machine with 3-4 inch high numbers. Clearly visible, numbers must be on both sides of the front of snowmobiles. If you see or witness a snowmobile lawbreaker, they can be reported too.

Some of the highlights of Manchester's city ordinance are:

1. No one can ride a snowmobile on Main Street from Huber's Gulf Station down to the corner of M-52 and Main at anytime.
2. All snowmobiles must be off the streets of Manchester at 11 p.m.
3. When riding snowmobiles in Manchester city limits they must comply with any and all traffic laws that any car or other motorized vehicle must obey. Such as speed, stop signs, reckless driving, trespassing, parking, drunkenness, excessive noise etc.
4. Snowmobile operators must be licensed drivers, unless they are on private property.
5. Another important law anywhere is NO LITTERING.

If you feel a snowmobiler is trespassing on your property, being reckless, take the number of machine (and the make of the machine if you are sure what it is) and then report them. They are lawbreakers too and can be ticketed just as an automobile driver, motorcycle rider, or even boats on a lake.

BUT be fair. Don't judge all snowmobilers because of one or two that are lawbreakers.

Some people have a tendency to be prejudiced against all of a group of people or certain sport because they have seen a few bad examples.

Some offenders (snowmobilers, hunters etc.) do things they are not supposed to because they are not aware of area laws.

Such as trespassing, riding a snowmobile or hunting, sometimes its very easy to wander on to private property unwittingly. Don't be unfair to all because of a few.

This thought can be applied to almost anything in our lives.

Have you ever driven your car in a strange city, and discovered a law maybe because the signs are in different places then where you are used to seeing them?

Do you condemn all teenagers because a few use drugs, have long hair, or in some instances uncontrollable?

Do you condemn a specific religion, creed or race, because you had a bad experience with a few? Think about it!

I'm not making excuses for any snowmobiler. If he does something wrong, then the due process of law should take its course.

Snowmobiling is a family sport, just like boating, camping, fishing, and many, many others that are not mentioned. If a snowmobiler wants to race or trail ride there are planned activities and places for them.

There have been a few incidents happen that to me, as a snowmobiler, maybe I could dispise all people, (because of 1 or 2) such as purposely stringing a wire between two close trees, or I could mention another where a driver of a truck backed into 3 snowmobilers because he told the police officers he had one trespass across his yard. I could mention many other discriminatory things against non-snowmobilers, but that wouldn't be fair either. Right?

All of this could apply to people driving cars, motorcycles, and trucks.

I feel the whole key to this is everyone understanding the laws and city ordinances. If you have any questions concerning Manchester's snowmobile ordinances, please contact your local police whether you have a complaint or own your own snowmobile. Write to the Washtenaw County Sheriff's Office, Ann Arbor, for the laws concerning Washtenaw County.

Thank You,
 Bob and Judy Rhees

BEAUTY GETS BIPARTISAN BACKING - Michigan's two U.S. Senators, Robert P. Griffin and Philip A. Hart, pose at a Washington gathering honoring Michigan Cherry Blossom Bebbie Insley. Miss Insley, 18, is the daughter of Mr. and Mrs. David N. Insley of St. Clair. Debbie, a freshman at Georgetown University in Washington, will represent Michigan in the annual National Cherry Blossom Princess Festival in the nation's capital in early April.

how to shape up an eyesore

Junked cars are just one of the eyesores on our landscape. But they don't have to be a blight much longer. Technology now has an answer for this kind of pollution. Giant presses have been developed, capable of compacting a junked car into a neat, small cube of scrap steel. Electrically. The scrap steel then goes into an ultrahigh-power electric-arc furnace to be melted and refined into new, usable steel. One of these furnaces can refine 400 tons of steel in eight hours. Electrically. In fact, one such furnace requires as much electric power as a community of 14,000 people. Recycling of metal, paper, glass and other waste materials into new products — that's just one of the reasons why Michigan's need for electric power may well double in the next 10 years. Technology can curb pollution and conserve our natural resources. Electrically.

Washington's Birthday Cake

Martha Washington's Raisin Cake is just about as honest and straightforward as the man she baked it for. Though an easy and uncomplicated recipe, it makes an elegant and delicious cake that will be a favorite - once you've tried it.

The raisins and spices, imported from afar and saved for special occasions in Washington's day, are now everyday staples. California raisins and currants are inexpensive, and so clean they are ready to use right from the package. Instead of returning the box to the kitchen shelf, empty the rest of the raisins into a candy jar to leave on the kitchen table. They will disappear by the handful when they are in view. And you'll know that your family is enjoying excellent healthful, natural snack food.

MARTHA WASHINGTON'S RAISIN CAKE

- 1 cup butter
- 1 cup plus 2 tablespoons sugar
- 1/2 teaspoon cinnamon
- 1/2 teaspoon nutmeg
- 1/2 teaspoon cloves
- 1/2 teaspoon salt
- 1 teaspoon vanilla
- 1/4 cup half and half
- 2 1/2 cups sifted flour
- 3 eggs
- 1/4 cup sherry
- 1 1/2 cups California seedless raisins
- 1 1/2 cups California currants

Beat together softened butter and sugar until light and fluffy. Add spices, salt and vanilla. Stir in half and half and 1/4 cup flour. Beat eggs until thickened. Gradually beat into spiced mixture. Add remaining 2 cups flour and wine alternately to make smooth thick batter. Stir in raisins and currants. Turn into greased and floured 2-quart tube pan. Bake in slow oven (225 degrees F) about 1 1/4 hours. Let cake stand in pan 15 minutes then turn out onto rack and cool. Makes 1 (9 1/2-inch) cake.

AGRICULTURE IN ACTION TIME TO ACT

Property tax has continued to spiral upward for some time. Continued voter rejection of proposals throughout the state clearly mandates the need for property tax reform and new approaches to school finance.

In many parts of the nation, major changes are in process to finance schools. In some states, the courts are now ruling that more equitable means must be found for financing. Some school districts receive as low as \$5 for every mill levied and, in other districts as high as \$80 for every mill levied.

The Michigan Supreme Court presently has under consideration the constitutionality of using property tax to finance school operation. It is expected that the Michigan Court will rule, as courts in other states have, that this type of property tax is unconstitutional.

From all indications, we will have tax reform one way or another.

It is now obvious that the people must and can exercise their inherent power and amend the Michigan Constitution by placing the issue on the ballot, by the petition route, and then casting their vote at election time.

At the present time, a tax reform petition drive sponsored by Governor Milliken is underway to place the issue before the people.

The Democratic Party has also announced a petition drive to place the issue before the people.

The two petitions will be very similar as far as property tax is concerned. The total limit for property tax will be cut from the present constitutional limit of 50 mills to 26 mills. Reform will also come from eliminating the property tax for school operation, which averages 26 mills in the state.

The major difference between the two petition programs is that the Democratic petition will contain provisions requiring that a graduated income tax be adopted in Michigan.

Each and every registered voter should sign the petitions to insure the issue's placement on the ballot so Michigan citizens can solve the problem. It may be the last opportunity for any meaningful tax reform.

GOLDEN TOUCH OF HOSPITALITY

Double Chocolate — Doubly Delicious

Double chocolate is a top flavor favorite at any soda fountain. It will bring cheers at dessert time at home, too, especially when the double chocolate means a chocolate cake with a rich fudge filling.

The filling is, of course, just as good spread between layers of any yellow or white vanilla flavored cake.

The variety of cake to be served is a matter of family preference, but this Fudge Filling recipe is one that you will want to add to your recipe collection. It is rich with dark chocolate flavor and thickened delicately with corn starch to just the right degree of smooth creaminess.

Fudge Cake Filling

- 2 ounces unsweetened chocolate
- 1 cup sugar
- 3 tablespoons corn starch
- 1/4 teaspoon salt
- 1 cup water
- 3 tablespoons margarine
- 1 teaspoon vanilla

Melt chocolate in saucepan over low heat. Remove from heat. Mix together sugar, corn starch and salt. Stir into melted chocolate. With a spoon, gradually blend in water. Stirring constantly, bring to a boil and boil 1 minute over medium heat. Remove from heat. Stir in margarine and vanilla. Chill. Makes enough to fill 1 (8-inch) two layer cake.

Township Report

The regular monthly meeting of the Manchester Township Board was called to order on January 10, 1972, at 8:00 p.m. Members present were Fielder, Chairman; Waldo Marx, Lyle Widmayer, James Lyon and Dorothy Burch. Absent Michael Wolfe.

The minutes of the last meeting were read and approved. The treasurer's report followed. We have in the Current Tax Collection Fund, to date, \$175,752.00, a normal amount for the first part of January. In the General Fund we have a balance of \$1,674.29.

The next order of business was Bills to be paid. The foremost is the bill for Chloride for Schleweis Road, a portion of which is owed to us by Veryl Schill and as yet unpaid. The chairman suggested that we send Mr. Schill another reminder, and make the invoice "Urgent".

Sharon Township has sent us a check for \$600.00, half of the annual amount due the Fire Department.

A letter from Mrs. McDowell, prospective purchaser of "The Firelite Inn", has been received. In it she states her plans for remodeling of that business place, should the Liquor Control Commission approve her application.

The Fire Chief and two members of the SandLake Fire Department

were present at our meeting. They would like a reciprocal agreement such as we have with Clinton, on all fires in their area. We are in accord. It was moved by Widmayer and seconded by Lyon that we join in the contract. The vote was unanimous. They will have a contract drawn immediately, and it will be presented at our next meeting for approval.

The Animal Control Ordinance was read and accepted as read. It was moved by Lyon and seconded by Widmayer that it be effective immediately, printed in the Manchester Enterprise, and attached to these minutes. Carried.

Mr. Oakley and Mr. Szabo from Twin Lakes showed us a letter they have received from the Washtenaw County Road Commission, acknowledging the need for repairs on Mull Road.

They are protesting the hazard of the steep hill on that road. Mull Road is so steep, narrow and slippery when wet, or in winter, that school buses can't come near enough to pick up children, and consequently they miss several days of school each year in bad weather. Last week a school bus slid into a tree on that road.

It was moved by Lyon and seconded by Burch that we pay Clarence Fielder's expense while at the MTA Convention this week. The motion was carried.

James Lyon presented his letter of resignation, effective January 10, 1972, to the Board. We accept with regrets.

Widmayer made the motion that we adjourn, Lyon seconded, the motion was carried. The meeting was adjourned at 9:50 p.m.

The Crowning Touch

Long a favorite fruit of British royalty, cherries are the perfect crowning touch to Cherry Breeze Pie. A golden corn flake crumbs crust is swirled with a satin-smooth mixture of whipped cream cheese, sweetened condensed milk and bottled lemon juice, then topped with ruby red prepared cherry pie filling. This refreshing dessert is a "breeze" to prepare, a pleasure to serve.

CHERRY BREEZE PIE

1 cup packaged corn flake crumbs
2 tablespoons sugar
1/2 cup regular margarine or butter, melted

1 8-oz. pkg. cream cheese, softened
1 15-oz. can sweetened condensed milk
1/2 cup bottled lemon juice
1 1-lb. 5-oz. can prepared cherry pie filling, chilled

1. Measure corn flake crumbs, sugar and melted margarine into 9-inch pie pan; mix well. With back of tablespoon press crumbs evenly and firmly in bottom and around sides of pie pan to form crust. Chill.
2. Place softened cream cheese in mixer bowl; beat until fluffy. Gradually add sweetened condensed milk; beat until thoroughly combined. Mix in bottled lemon juice and vanilla. Spread in chilled crumbs crust. Refrigerate 2-3 hours, or until firm.
3. Spread chilled prepared cherry pie filling over top of pie just before cutting into wedges to serve.
Yield: 1 9-inch pie, 8 servings.

Parent-Teacher Conference

Great things can come from teacher-parent conferences. Mrs. Wagner, 5th grade English teacher in Manchester and Mr. and Mrs. Kniashynsky were conversing when it came out that they were originally from the Ukraine. The idea of having a talk about it for the students came up.

Sometime later the sixth-graders had the privilege of hearing Mrs. Brovins, a friend of the Kniashynskys speak to them about the country. Mrs. Brovins is also from the Ukraine and is now a teacher in Ann Arbor.

She spoke about the education, government, art, etc. in the Ukraine and compared it to America's system. After all was said and done we had a greater respect and thankfulness for many of our own rights, which we had taken for granted.

The art work that Mrs. Kniashynsky brought with her was made in the Ukraine. It was truly beautiful and the students were very impressed with it.

To top off the occasion, Mrs. Kniashynsky baked fantastic Ukrainian cookies and students' mothers brought

punch for us to drink. We had time to socialize and ask questions about the Ukrainian culture.

It was a very successful afternoon and will long be remembered. Just think it all started at conference time!

90th Birthday

Connors and children of Jackson, Mr. and Mrs. John P. Cook of Chelsea and Michael Perist of Toledo.

Fun Night Sat. February 26

FUN NIGHT, February 26, 1972 starting time 6:45 p.m. at the High School Gym.

This event, sponsored by the Athletic Boosters Club, is a battle between the 5th grade basketball teams and 6th grade basketball teams. They will each play teams within their own grades. They have been practicing for several weeks and have been working hard preparing for this event.

The rivalry between the Alumni basketball team and the faculty basketball team is really building up and they are each predicting they cannot lose.

Dinner To Honor Claire Reck

On Sunday, March 5, beginning at 6:00 p.m. at the Knights of Columbus Hall, there will be a community potluck supper to honor Claire Reck. This is being planned by members of the American Legion Auxiliary in recognition of her many years of service to the Manchester area.

Each family participating is asked to bring a dish to pass, own table service and any snapshots or mementoes that pertain to the 30 years of the Reck family service to us.

The Auxiliary wishes to take this opportunity to invite you to attend. Please call T.V. Ludwick, 428-2471 or Edna Knauss, 428-9071 if you have questions or suggestions.

Need Volunteers

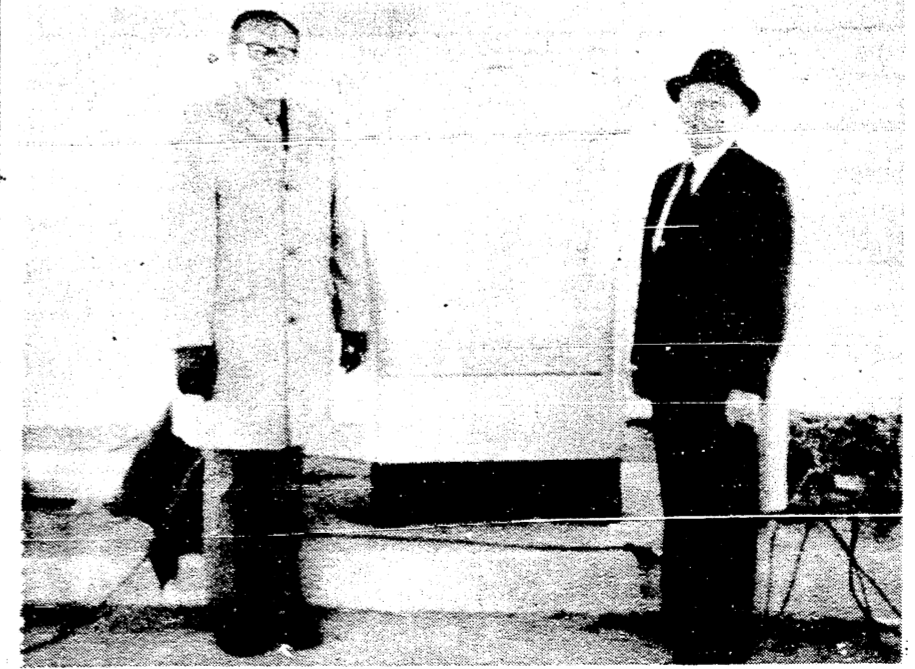

To offer a greater variety of activities for the Activity Period program, the Middle School encourages members of the community to volunteer their services once each week on Thursdays from 11:00 a.m. to noon to small groups of students who might like to know more about your special interest, or hobby, or skill. This would be anything from stamp collection, coin collection, hair styling, bird watching, horse showing, etc., etc.

If you think you could devote an hour a week to share your enthusiasm in such a particular interest area with eleven to thirteen year olds who might become interested in this activity also, please call Mr. Ted Tapping (428-2341). Your call puts you under no obligation, but might turn out to be a most rewarding experience for you and a very educational and interesting experience for some of our students. We hope you'll call soon!!!
