## Engagements Announced

Mr. and Mrs. Merrill Gray of 9592 Tecumseh-Clinton Road, Tecumseh, announce the engagement of their daughter, Sylvia, to Mr. Bruce Grossman, son of Mr. and Mrs. Milton Grossman of 209 Locust Street, Clinton. Sylvia is presently a junior at Michigan State University, majoring in medical technology. Bruce attended Michigan Technological University for two years and is presently employed by Ford Motor Co., Roseville, as an electrical apprentice. A September 9 wedding is being planned.

The engagement of Suzanne Elizabeth Mester and Gary M. Wallace, son of Mr. and Mrs. John Wallace, Jr. of Manchester, has been announced by her parents, Mr. and Mrs. Theodore Mester. The bride-elect is employed by Manchester Plastics. Her fiancé is employed by Michigan Gas Storage, Pleasant Lake. No wedding date has been set.

Mr. and Mrs. C. Milt Humphries of Plymouth announce the engagement of their daughter, Faye, to Robert Brewer, son of Mrs. Ruth Brewer of Salt Lake City and the late Robert W. Brewer. The bride-elect is a 1968 graduate of Plymouth High School and a senior at Western Michigan University. Her fiancé is a graduate of the University of Utah and a member of the WMU faculty. They plan to be married June 8 in Our Lady of Good Counsel Catholic Church. Faye is the grand-daughter of Mr. and Mrs. James Fahey of Manchester.

## Community Chest Meets

The Board of Directors of the Manchester Community Chest met on Thursday, April 20 at the F. M. Reck Library of the High School.

The Michigan United Fund Budget Conferences were held in Lansing on April 6 and 7. Mrs. F. M. Reck, Manchester Representative gave a very interesting report of the conference activities. She reported that eleven of the Funds agencies had been dropped from the Budget for 1972.

Robert Ross who is serving as board representative on the Budget committee of the Washtenaw County Chapter of the American Red Cross reported on the agencies budget activities to date. The new Red Cross contract was carefully reviewed, discussed and accepted by the Board.

President Baker appointed the following committees for the year 1972. Budget Committee - Chairman Luther Klager, Mrs. Robert Little, Louis Vogel, Harry Kraus, Robert Ross, Robert Swartz and Douglas Price. MUF Budget Committee Representative - Mrs. Robert Little and Mrs. F. M. Reck, citizen. Manchester Recreation Representative - Clarence Fielder. Drive Kits and Supplies - Mrs. William Schaffer, Publicity - Mrs. Victor Wurster, Mrs. Del Ludwick and Mrs. James Baker. Nominating Committee - Mrs. Del Ludwick, Clarence Fielder and Robert Swartz.

The next meeting of the Board will be held on Tuesday, May 9, at 8 p. m. in the F. M. Reck Library. All Board members are urged to attend.

## Band To Present Concert May 2

On May 2 at 8:00 p. m. music will fill the air at Manchester High School. In addition to an evening of music, the Concert Band is in high hopes of flaunting their new Band Uniforms.

The Junior High School Band will also perform in addition to the Concert Band, Jazz Band, and Brass Ensemble. We are also fortunate in featuring guest trumpeter Mr. Ralph Miller. Mr. Miller is a native of Grosse Pointe, Michigan and a recent graduate of Eastern Michigan University. He will be featured playing "A Trumpeters Lullaby" by Leroy Anderson.

The Concert Band will perform several compositions, one of which is by noted University of Michigan composer-in-residence Jerry Bilik. The piece, "American Civil War Fantasy", was written in 1961 and premiered by the University of Michigan Symphonic Band. The composition deals with musical textures and song during the conflict of Civil War. Fragmented themes of songs reminiscent of that war reconstruct the tensions leading up to and its eventual battles as well as its devastating aftermath.

This night promises to be one of musical enlightenment as well as entertainment. WON'T YOU JOIN US??

## Petitions Available For School Election

Two seats on the Manchester Board of Education will be filled at the annual school election to be held on June 12, 1972. The terms of Board Secretary Carl Pedersen and Trustee Andrew Luckhardt are expiring June 30th of this year. Carl Pedersen has indicated he will not be a candidate for re-election. Andrew Luckhardt will be seeking another term.

Nominating petitions may be picked up in the Superintendent's Office and must be filed by 4:00 p. m., May 15, 1972. A petition circulator must be a qualified and registered elector of the school district in which he or she is circulating the petition.

## Area Mail Processing To Change May 1st

The Manchester Post Office will become part of Area Mail Processing, one of the newest innovations of the U.S. Postal Service on May 1st, it was announced today by Postmaster Marvin Kirk.

"The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of Central Mail Processing Centers", Marvin Kirk said.

The Ann Arbor Post Office, Mr. Kirk pointed out, is a facility serving 16 associate post offices in Michigan.

Area Mail Processing is a plan where by all mail originating at the 16 offices will be consolidated at Ann Arbor for complete preparation and processing for outgoing dispatch.

All mail deposited in street letter boxes designated for the deposit of mail for local delivery only, and all mail deposited in a receptacle in the local post office which is designated for the deposit of mail for Local Delivery Only, will be postmarked with the postmark of the local post office. The mail for local delivery will be processed in that office.

All mail deposited into Manchester street letter boxes, which have not been designated for local deposit, or into the "Out-Of-Town" letter drops will be transferred to Ann Arbor for processing, and will bear the postmark designated for the South West portion of the Detroit Metropolitan Area.

## Michigan Livestock To Have First Auction May 1

The new Michigan Livestock Exchange market at Manchester will hold its first sale next Monday, May 1, at 10:00 a. m.

Slightly over 5,000 persons toured the facilities last Sunday at an Open House for the general public and listened to remarks from Dale Ball, Director of the Michigan Department of Agriculture and Dr. Larry Boger, Dean of the College of Agriculture at Michigan State University.

This modern, efficient facility is owned by livestock producers of Michigan and is located seven miles south of I-94 on M-52, two miles north of Manchester.

Opening of this new market is another step in the plans of the Michigan Livestock Exchange to implement new and modern marketing concepts to meet the needs of livestock producers.

Enthusiastic buyers who were present for a special showing of the branch last week expressed the opinion that they would be on hand for the upcoming sales - they will be held Mondays and Thursdays at Manchester - in large numbers.

In addition to the new Manchester facility, the Michigan Livestock Exchange maintains branches at St. Louis, Cass City, Portland, Battle Creek and Cassopolis.

## Need Outboards

The Field and Stream Club of Manchester High School needs to borrow 7-8 hp out board engines for a fishing trip June 5 thru June 11. They promise to return them in excellent condition. If you have one to loan to these outdoor lads, please call Roger Morrison or Brian Schick.

The Area Mail Processing postmark will read, "U.S. Postal Service, MI 481" along with the date and AM-PM designation. The city postmark of Manchester, and each individual associate office will not be changed.

Marvin Kirk urged that customers should no longer use the word "City" on mail addressed for local delivery, but spell out the name and add the zip code.

## "Earth Week"

The Manchester High School Ecology Club is planning a series of "Earth Week" activities for the first two weeks in May.

On May 2nd at 8:30 there will be a kick-off speech by Dr. Stranger and a short skit by the speech class.

On May 4th at 9:30 there will be an assembly with guests speaking on conservation.

Other activities are being planned and will be announced next week.

## Shakespeare Club

The Shakespeare Club met Tuesday, April 4th, at the home of Mrs. Otto Kuleniamp.

During the business meeting a contribution was voted on towards the new uniforms for the High School Band.

Election of Officers was held with the new president being Mrs. Marvin Kirk, Vice-President, Mrs. Paul Feldkamp, Secretary-Treasurer, Mrs. Earl Daisher.

On April 11th the Club observed President's Day with a Luncheon at Bill Knapps at Jackson then on to Youth Haven at Rives Junction, which is a Christian Camp for young people from eight to sixteen, who have been recommended by Social Services.

Our Club is interested in this camp and have been contributing clothing, other needed necessities and monetary gifts.

New members joining our Club were Mrs. Alvin Beuerle, Mrs. Norman Bucholtz, and Mrs. Duane Roller.

The Club is in recess until Fall.

## Winner of Two Trophies

Miss Rita Drouare, a Manchester Middle School 6th Grade Student, won two trophies at the All Aces 4-H Club and Rhythm 4-H Club Open Horse Show, Sunday, April 23. One trophy was for Showmanship and the other for Horsemanship. She also won a red ribbon for Western Pleasure.

Rita is a member of the Sharon Valley 4-H and the Jolly Farmerettes. She raises rabbits and has a three week old calf. Congratulations!

## POTLUCK SUPPER TO HONOR BARB BOEHLER

May Day or May 1 is the date of the Barb Boehler recognition potluck salad supper to be held at the Emanuel Church at 7:00 p. m. All mothers who are or have been involved with the Manchester Day Care Center are invited to attend.

Reservations are being taken by Martha Haeuwater, 428-8774 and Marcia Gerver, 428-5351. Just bring your favorite salad, a place setting, and a fond farewell to the "Good-bye Barb Dinner."

Saturday 9 a.m. to 10 p.m.  
Sunday 12 Noon to 6:00 p.m.

## Village Planning Commission

March 16, 1972

The regular meeting of the Village Planning Commission was held at the Village Hall.

The "Parking Lot Committee" met with interested parties at 7:40 p.m. Participating in the discussion, in addition to Planning Commission members, were Sang Nam, Dick Way, Roscoe Lamson, Don Limpert, Dr. Glenn Lehr, Elwin Benedict, Jim Scully, Herb Mahony, and Bruce Daniels.

Discussion covered several areas of conjecture and possibilities concerning the several parking areas, but particularly in regard to the lot at the rear of the north side Main Street stores. There were a number of new suggestions of potential value in development of the lot, either immediately or on a long term basis. Means of financing the plans and continuing development were also examined.

As a final action of the conference, a "Parking Lot Authority" was named, with Dick Way as Chairman, and other members Roscoe Lamson, Don Limpert, Harry Keuss, Veryl Widmayer, and Don Stockwell, also participating, in an advisory capacity, are to be Ted Carley, Tom Walton, and Bruce Daniels.

Also in attendance were Mr. Sang Nam, planner with the Washtenaw County Metropolitan Planning Commission; Mr. Bruce Daniels, Supt. of Public Works; Mr. Peter K. Olmsted, of Olmsted Construction Co.; and Mr. Larry Happle, Mrs. Jo Dansard, and Mr. Sidp Mills from the University of Michigan Department of Landscape Architecture.

Mr. Happle showed and described large layouts of several concepts for parking areas and their relationship to existing topography and structures.

Mr. Mills has prepared a number of charts and pictorial renditions of plans to take advantage of some of Manchester's many desirable visual characteristics, especially the river and other natural features, and also pedestrian "trails" throughout the village.

Mrs. Dansard's special project is the public park system. Pictorial maps of our existing parks, including suggestions for continuing development, and designs for particular details which might be included. Her work until this time has been on alternative ideas for Winster and Kirk Paris.

Mr. DeVaul, who was not in attendance because of illness, is working on ways and means of funding for public and quasi-public developments and changes.

Minutes of the last meeting were read, and on the motion by Little, seconded by Widmayer, were approved.

With reference to action taken at the last meeting on basic minimum lot size, Mr. Nam had prepared a chart of comparisons between our existing Zoning Ordinance and the proposed new Ordinance now being formulated, which includes a summary of specifications for density and lot sizes by zoning districts.

(Action at the last meeting had fixed the recommended minimum basic lot size at 13,000 square feet.) It was moved by Kirk that we recommend a minimum basic lot street frontage of 90 feet. The motion was seconded by Walton, and the roll call vote was all "aye". Motion declared adopted.

Mr. Olmsted presented a written prospectus of his preliminary plans for a residential development at the eastern side of town, as previously discussed. Action was deferred pending further study and more definitive documentation of his plans, as well as consideration of the required rezoning as it may tie in with the new zoning map now in its final stages of formulation.

Mr. Nam showed and explained his final "1990 General Land Use and Development Plan". He also distributed copies of the (97 page) "Preliminary Manchester Village Zoning Ordinance", along with a categorical listing of modifications and/or additions and deletions as compared to our existing Zoning Ordinance, for individual study and discussion at a future time.

A special meeting was proposed, and on the motion by Little, seconded by Walton, was set for March 30, at 8:00 p.m.

Motion for adjournment was made by Little, seconded by Keuss, and the meeting was declared adjourned at 10:55 p.m.

Laura F. Leeson, Secretary

## Deaths

Underwood, William T.  
12454 Burmeister Road  
Manchester, Michigan

Age 48, passed away Sunday at St. Joseph Mercy Hospital. Mr. Underwood was a Navy veteran of World War II; a member of Tecumseh VFW; member of Albow Benders Snowmobile Club in Brooklyn; and a member of the Butler Manchester Racing Club Association.

Survivors include: his wife, Doris (Rhees); one daughter, Mrs. Terry (Marsha) Kerstner of Stuttgart, Germany, (formerly of Clinton); four sons: Ted, Jim, Tom, and Tim, all at home; grandparents, Mr. and Mrs. William C. Underwood of Adrian, Ms. Marian Underwood of Florida, Ms. Maude Comings of Alma; four brothers and four sisters.

Funeral services were held Wednesday at the Proctor Funeral Home, Tecumseh with Rev. Earl Lawrence officiating. Burial was in Brookside Cemetery.

## The Answer

"If you have a problem or a question, we believe that an answer can be found in the Word of God". If you have a question, write "THE ANSWER", Manchester, Michigan 48158.

### Question:

There is a woman in our town who runs around with men to whom she is not married. One of them is married to another woman. She is very open about it. On Sunday mornings she goes to church and is active in the church. She pretends to be the best one there. Some people are getting tired of the way she acts. Shouldn't someone talk to her?

### Answer:

You are probably right when you say that someone should talk to her. However, that someone is certainly not you. I am sure that God is talking to her. The fact that she goes to church indicates, not that she is a hypocrite, but rather, that she is hungry for something more satisfying in life than what she has at the present.

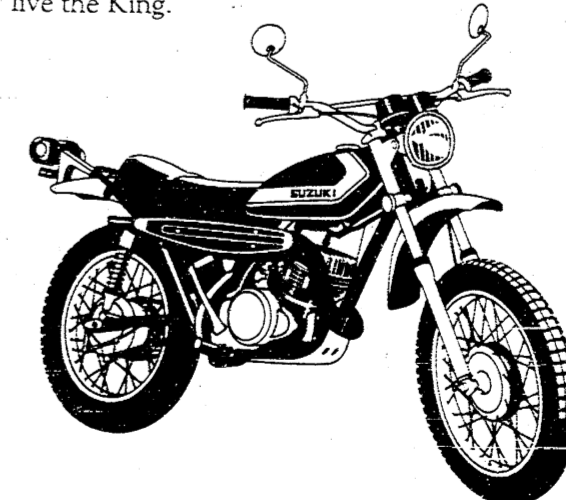

A word to the wise: If I were you I would be careful with the gossip that you spread about this woman. You could very easily place yourself in the position of those New Testament Pharisees who wanted to stone the woman taken in the act of adultery. Jesus said: "Let him that is without sin cast the first stone."

It is easy to become angry about someone else's sin, isn't it? I suppose that this is only human nature. What is important to remember is that, "All have sinned and come short of the glory of God." If you should talk to this woman remember to do it in love. Someday you may find yourself or your family in the spotlight of criticism which is not very comfortable. This woman is certainly no worse than the woman at Jacob's well to whom Christ gave the water of life. She has done wrong but we are not the ones to stand in judgment of her.

Perhaps what is more important than anything is the attitude of the other church members regarding this woman. If they cannot accept her in a spirit of Christian love and concern, and others who have similar social problems such as drinking problems, then perhaps they had better reconsider what business they have calling themselves Christians, after Jesus Christ, who came to "seek and to save" the "least and the lost."

# Blossom-Flint Vows Spoken

Elizabeth L. Flint and Gary L. Blossom exchanged wedding vows Saturday evening in Manchester United Methodist Church. The Rev. Walter Damberg officiated for the daughter of Mr. and Mrs. James R. Flint and the son of Mr. and Mrs. Maynard Blossom.

The bride, given in marriage by her father, was attired in a floor-length gown of bridal satin accented with Chantilly lace. Her Cathedral length train had panels of Chantilly lace and a satin bow headpiece with pearls and sequin flowers held a few her shoulder length veil. The bride carried a white lace Bible with white roses and carnations surrounded by nephews.

Honor attendants were Mrs. Jerry Creech, cousin of the bride, of Mariemont, Ohio and Mr. Peter Haussler of Saline.

Miss Karen Stautz of Manchester and Miss Pamela Ransen of Milan were bridesmaids and Miss Anita Bycraft, cousin of the bride, of Chelsea was flower girl.

Groomsmen were Mr. David Pratt and Mr. Thomas Marshall of Manchester, while Mr. Douglas Flint, brother of the bride, and Mr. Gary Burkhardt, both of Manchester, seated the guests. Steven Barker of Manchester acted as ringbearer.

The maitron of honor wore a pale yellow gown of organza trimmed with a bright yellow satin bow. Her bow headpiece matched her gown and she wore a wrist corsage of white sweetheart roses and carnations. The bridesmaid and flower girl were attired in identical gowns of mint green and their flowers were yellow carnation wrist corsages.

At the reception, held at the Manchester Sportsman Club, the assistants were: Mrs. Bruce Bycraft of Chelsea, Mrs. Rodney Hoeft, Miss Nancy Kennedy, Miss Debbie Blossom, and Miss Carol Hone all of Manchester.

After a wedding trip to northern Michigan, the bride and groom will reside in Manchester.

# COUNCIL PROCEEDINGS

Council met in a regular session with the meeting called to order by Pres. Little at 7:05 p.m. Trustees present were Benedict, Fitzgerald, Scully, Stautz, and Walton; absent were Mahony. Minutes from the March 20, 1972 meeting were read and approved by a motion from Fitzgerald and a support from Scully. All years, carried.

Jim Curley was present to register a complaint concerning the noise and unsafe conditions in his neighborhood. He was advised to notify the police at the time any such activities are occurring.

Scully read a letter to Council from Maynard Blossom on behalf of the 3rd, hour high school government class expressing their appreciation for Chief Becktel's visit with the class.

Chief Becktel advised Council that the new patrolman, Joseph Catalana, officially started April 2, 1972. He then reviewed the monthly police report:

- \*\*\*\*\*
- No. of complaints: 39 Animal complaints: dog: 1
- Total complaints investigated: 39
- Assists other departments: Vacation checks made: 52
- Washtenaw Co. Sheriff: 3
- State Police: 1
- Assists & Services rendered, etc.: 54
- \*\*\*\*\*
- Traffic violations: 19 moving violations issued: 10 speeding violations, 1 defective equipment (exhaust), 1 expired registration plates, 1 "U" turn, 1 leaving scene property damage accident, 2 disobeyed stop sign, 2 careless driving, 1 D.U.I.L.
- Total Warnings: 63 Parking summons: 5
- \*\*\*\*\*
- Arrests: four arrests made - 1 minor disorderly person
- 1 breaking & entering - Michael V. Gillespie, age 18
- 1 breaking & entering - Douglas C. Dipinski, age 17
- 1 D.U.I.L. - Roy Lavene Gehringer
- \*\*\*\*\*
- Accidents policed: 4 property damage accidents policed
- \*\*\*\*\*
- Other police activities: major complaints investigated: 10; doors found open: 6; 1 window open, 3 traffic assists for fire runs, 3 traffic assists for funerals
- 3-14 talked to senior government class about police work
- 3-14 gave Manchester Plastics copy of burning ordinance
- 3120 issued 30 day vendor's permit to Lehman Wahl for Fuller Brush Sales
- 3-25 had P. Nickerson clean up litter on E. Main St. after caught littering
- 3-27 held departmental meeting for all men
- 4-1 assisted traffic for Easter Egg Hunt
- \*\*\*\*\*

The routing of traffic for the detour was questioned since it entails traffic passing the Fire Hall. It will be re-routed as soon as the frost is out. A barrel was suggested for the Main Street-M-52 intersection to alert traffic to the situation before completing the turn onto Main Street.

Fitzgerald reported that he had contacted Bill Brady to inspect the wiring of the Fire Hall. At Mr. Brady's suggestion it was decided to bring the wiring up to code, repairing where needed.

The landfill was checked by Mr. Johnson who advised the Village that the cover was inadequate. Approximately 500-1000 yds. are needed. Mr. Hansen will sell it to the Village at 15¢ a yard, to bring the site up to State Health regulations. There was some discussion of the new method being used for landfill.

Fitzgerald advised Council that the signs were up for the detour because of the Main Street reconstruction. The final cover of the landfill cost \$1876 in equipment costs. Gulf Oil paid their lease for another year. A correspondence course is being offered by Sacramento State College on waste treatment for \$48 per person. Moved by Benedict, supported by Scully to pay the full tuition for Bruce Daniels, Mike Simmons and Louis Leeson to enroll in the above course. All years, carried.

Stautz listed permits as: Al Gebhardt plumbing, electrical  
Dean Anderson electrical  
LeRoy Marx new building-house

The problem of keeping track of permit applications and following up on them was discussed.

Benedict advised Council that a firm quote of \$1575.26 had been received on the fence for Kirk Park, which will be begun in about 3 weeks. It was strongly suggested that a park committee would be formed for any monetary transactions concerning Kirk Park. The Village Council should not be responsible for the debts of Kirk Park until the park is solely owned by the Village and completely paid for.

Walton reviewed the river project next to the IGA advising Council that the Water Resources Commission has required that qualified engineers submit a plan. It was estimated that such a plan would cost from \$700-\$1000. Walton will meet with the development group to discuss the cost and requirements.

Benedict reported that a complaint had been made to him about the number of dogs running loose. Ordinance #61 requires that dogs must be tied or penned. Chief Becktel advised Council that he could issue citations to owners of dogs not thus confined.

Moved by Fitzgerald, supported by Benedict to approve the bills, as listed, for payment. All years, carried.

A letter from the Manchester High School Band Boosters requesting a pledge of funds for uniforms was read. After some discussion it was decided that Council could not contribute.

Moved by Scully, supported by Walton that the meeting be adjourned at 9:25. All years, carried.

Mary H. Wheeler, clerk

HOGS There will be a daily hog market on Tuesday, Wednesday, and Saturday. The hogs will be purchased to fill orders on a MERIT PRICING basis with a substantial price differential for cutability.

## AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

OUR HIGHWAY MONEY

Spring has sprung and so have bumpy and "holey" roads. Manpower and money will be required to repair and, in some cases, completely rebuild highways.

Recent federal-aid highway acts have preserved the basic concept that Highway Trust Fund revenues should be used only for highway construction and highway related purposes. A variety of highway-related purposes are now included such as: (1) highways, roads, parkways and trails for forest, public and Indian lands which previously were mostly financed from general funds; (2) landscaping and scenic enhancement which is not a part of a highway construction project; (3) construction, or other programs, to provide housing for persons displaced by highway construction; (4) urban traffic improvements such as bus lanes, fringe and corridor parking facilities, bus turnouts and shelters and similar engineering techniques; and (5) increased expenditures for highway safety features.

Currently, the use of the Highway Trust Fund for purposes only remotely related to highway use is being advocated and appears to be gaining support.

The "1972 National Highway Needs Report," recently submitted to Congress, calls for establishing three new trust funds beginning in the fiscal year 1974. The three funds, a single urban fund, a rural general transportation fund and a rural federal-aid program, would receive revenues from various sources. But the big new idea is that money now going into the Highway Trust Fund would go into these three funds.

We need to stop any trend toward using the Highway Trust Fund money for non-highway purposes. As our interstate highway system approaches completion, we should place more emphasis on primary and secondary road improvements.

## Honey Peach Muffins

Feeling the urge to return to basics? Satisfy that longing with Honey Peach Muffins.

Bread is basic — as old as civilization. These muffins team with honey and fruit for a wholesome treat. Sweetened with honey and laced with golden nuggets of fruit, they will liven up any breakfast, especially for those problem eaters who often skip that important first meal.

Honey Peach Muffins are a nice way to end the day, too. Split them and fill with billows of whipped topping, and you have a dessert. You can stir practically anything into a muffin — chopped nuts, fruits, spices, herbs, crumbled bacon, what-have-you. At the same time, you'll serve the basic nutrition needs of your family, too. Enriched flour contributes the B-vitamins — thiamine, niacin and riboflavin — and the mineral, iron — all nutrients needed for good health everyday.

### HONEY PEACH MUFFINS

2 cups enriched flour 1/2 cup milk  
1 tablespoon baking powder 1/4 cup honey  
1 teaspoon salt 1 egg, beaten  
1/4 teaspoon cinnamon 1 tablespoon oil  
1 can (8 oz.) cling peaches, drained and finely diced

Whipped topping, optional  
Stir together dry ingredients. Add peaches to flour mixture and toss to mix. Combine milk, honey, egg and oil. Add liquid all at once to flour mixture, stirring only until flour is moistened. Fill greased muffin cups 2/3 full. Bake in preheated 425° oven 20 to 25 minutes or until done. Serve warm with whipped topping, if desired.

\*Spoon flour into dry measuring cup; level. Do not scoop.  
NOTE: If self-rising flour is used, omit baking powder and salt.

## Notice

Notice is hereby given to all motorists that studded tires must be off your cars by May 1. Tickets will be issued to motorists who fail to remove the studded tires warns the Manchester Police Department.

### SAFER DRIVING

Here's a thought on safer driving from the Portland, Oregon, Traffic Safety Commission: "The idea is not to surprise the other drivers. Conform to the traffic patterns -- no sudden stops or turns -- signal well before turning or stopping. Surprises in traffic often mean accidents."

512 W. MAIN ST. MANCHESTER, MICHIGAN

**Bruce Franz-Chef**  
By C. Chapin

"The best laid plans of mice and men..." so spoke the poet. For Robert Bruce Franz the most interesting events of his life have come as a result of plans being changed. The 29 year old Chef at the Black Sheep Tavern has found much satisfaction and some fun in cooking, even though he holds a Bachelors and a Masters Degree in Public Health from the University of Michigan.

Born in Idaho, but raised in California in the Delta Region, he attended Diablo Valley College for 3 years. Situated near an extinct Volcano, Diablo Mountain, which the Indians called Devil Mountain, a favorite hobby was collecting fossils which were embedded in the rocky outcroppings.

After being married, he and his wife, Betty, made the decision to enter the Peace Corps. Sent to San Diego for training, they spent three months learning the Igbo language, for service in Nigeria, however war broke out and the plans were cancelled. Sent next to Puerto Rico, the young couple spent a month learning the Chewa language for work in Malawi, Africa. (The territory which was formerly Nyasaland and Rhodesia, was split into Malawi, Zambia and Rhodesia).

After a short stop in New York they were off to the Center of Africa, to a small village to set up a Well Baby Clinic for the children in the area for the youngsters were plagued by such problems as whooping cough and smallpox, and although the village had a native clinician to dispense medicine to adults, there was no provision for the children.

Locally governed by a Chief, Nyambi by name (meaning branch) who is in his early thirties, and had been for some time an employee in the South African diamond mines. He therefore could speak enough English to make the communication easier. The Chief had requested the help of the Peace Corps and indeed, Bruce and Betty

state that throughout their travels the words "Peace Corps" acted like an invitation to friendship.

Housed in a rectangular building, constructed of sticks and mud, the outside painted, with 5 small rooms inside, the home in every way looked like a regular house in any city in the world, only the grass roof showing a clever use of materials native to the area. In the remote past the little round huts of Africa were replaced by this present style, for when the Arab Slave traders came through this region they brought not only the Muslim Religion but some development in architecture.

Most difficult adjustment for a young American couple to make was the understanding of the sense of values in the villagers but all problems seemed small in comparison to the tremendous excitement involved in the whole experience. The great fascination of the governmental structure for this couple, lay in observing the Mediation of the Chief in daily life. Each day individuals with problems or complaints would be heard by him and advised accordingly, he in turn being advised by his counselors.

The spectacle of a group of several hundred people having immediate recourse without having to go to law, was gratifying to observe and seemed to work very well.

After two years, and learning a goodly number of native dishes, Bruce and Betty took a seven month trip home. A month in India - the total impression being that of life, crowded, and packed and jostled, and people everywhere. On to Rangoon, Burma, Bangkok Thailand, Phnom Pen, Cambodia and the temples of Ankor Wat. Hong Kong, more interesting food at every stop, and then San Francisco, back to school for the Bachelors Degree and here to Ann Arbor for the Masters Degree in Public Health. And so to Manchester, creating and cooking because its interesting and worthwhile, and because plans sometimes change.

Bruce states, after his look at the world, that Manchester looks just great. He especially likes the idea of keeping the old buildings and the "small town" atmosphere.

A literate, articulate, well educated young man, this traveler, worker, student, chef, more than anything else a young man of good sense and good manners, who enjoys his work.

**Ask Senator GRIFFIN**

To cut through red tape members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington D.C. 20510.

**As a widowed mother of two pre-school age children, I have to work full time to support my family. I have a lot of trouble making ends meet because babysitting expenses take such a big bite out of my weekly paycheck. The other day, my neighbor told me I can deduct these expenses on my Federal income tax. Is that true?** —B. A., Lincoln Park

Yes, Congress has passed legislation authorizing a tax deduction for certain child care expenses. If your earnings are less than \$18,000, you will be able to deduct up to \$400 per month for child care expenses which are necessarily incurred in order to permit you to be gainfully employed. However, this provision did not go into effect until January 1, 1972, and will apply to expenses incurred this year.

**How can we leave for Europe this weekend? I received my passport, but my wife didn't get hers—apparently because of a misunderstanding about her birth records. The County Clerk of the county where she was born has been very helpful and sent a telegram verifying her records. Will the wire be enough proof?** —J. D., Huron County

The State Department officers we contacted agreed to accept the telegram, but asked that you have the County Clerk follow it up with a certified letter. Your wife got her passport and you were able to fly out on schedule.

**Last November I purchased a new car for \$4,250. The salesman told me 7% of that figure, or \$297.50 would be returned as a refund of the excise tax. But I only got back \$212.50. How come?** —K. J., Oakland County

Unfortunately, the salesman was wrong and misinformed you. The excise tax which has been repealed was 7% of the manufacturer's price—not the retail price of the car. Accordingly, you received the correct refund.

### Track Team Wins Dual Meet

Our Manchester High Trackmen beat Clinton last Thursday 45-34 to record their first league dual meet victory in over three years.

Manchester showing unexpected strength in the field events outscored Clinton 23 to 13, a margin Clinton couldn't quite overcome.

Manchester's first field event winner was Scott Gorman in the Pole Vault (6 feet) on Friday, miles over Dan Beach also of Manchester. Beach also took second in the High Jump with a jump of 5'2" with John Savage improving on his winning jump of last week by 4 inches, with a jump of 5'7".

Mark Tassie in his best ever competition gave long jump competition surprise Clinton with a jump of 19'9", good for first place.

Scott Lampert completed Manchester's scoring in the field events with a shot put of 42'9", good for a second. Clinton's league leading shot putter, Mike Moon, Moon won with a toss of 31'2".

**RUNNING EVENTS**  
220 Yards - Clinton - 1:43.6, Manchester 1:44.1  
440 Yards - Jose Arana (M), Brainerd (C), Manuel Arana (M) - time 2:14.3  
120 Yards High Hurdles - Emerson (C), Bruce Gray (M), Ben (C) - time 1:3.9

1 Mile Run - Dave Kohn (M), Wajnow (C), Gaston (C) - time 5:01.3  
100 Yards Dash - Kirkland (C), Tassie (M), Bigelow (C) - time 1:11.5  
440 Yards Dash - Arana (M), M. Arana (M), Mandy (C) - time 2:14.4  
150 Low Hurdles - Tassie (M), Ben (C), Kitley (C) - time 23.5  
2 Mile Run - Chapman (C), Jeff Brerette (M), Joel Tobias (M) - time 11:14

220 Yards Dash - Kirkland (C), Tom Kanner (M), Bigelow (C) - time 24.3  
1 Mile Relay - Clinton 5:18.5, Manchester 4:57

440 Yards - Manchester (Lampert, Mandy, Kanner, Tassie), Clinton - time 47.2  
Manchester Coach Larry Steeb said that he was pleased with the improvement shown by Mark Tassie and John Savage and named them Fieldmen of the week. Steeb was also pleased and surprised by the double victories by Jose Arana in the 440 and 120 yard runs. Arana was named trackman of the week. Coach Steeb also cited the improvement

shown by freshman Dave Kohn, first in the mile at 5:01, and sophomore Bruce Gray, second in the High Hurdles with a 5'7" jump.

Manchester's next competition is Clinton Thursday in Clinton.

#### VOICE AUXILIARY SCHOLARSHIP

Again this year the Manchester Jaycee Auxiliary is offering a scholarship to a high school graduate or any adult age 18 and over who needs financial aid to further his or her education. Applications are available at the high school or fill out the form printed in this paper. Completed applications may be left at the high school or mailed to P. O. Box 114, Manchester. Please be sure to mark the envelope "Attention-Scholarship". Deadline for all applications is May 25. All information will be kept confidential.

APPLICATION

**WHAT YOU CAN DO ABOUT POLLUTION**

**I. AIR POLLUTION**

- A. Do not burn leaves or trash. Why not stack your own compost pile to return the nutrients in leaves and other wastes to the soil.
- B. Do not let your automobile idle unless this is necessary. The automobile is the single greatest source of air pollution. Cautioning efforts should be made to reduce its contribution to air pollution.
- C. Walk, bicycle, or use rapid transit rather than your car whenever possible. If you must drive, form driving pools.
- D. When buying a new car, ask for detailed information about pollution control equipment. Compare the car you are considering, and buy that one which has the best equipment device. In general, smaller engines cause less pollution.
- E. Keep your car well tuned. Air pollution control devices need constant upkeep. A tuned car emits less pollutants.
- F. Stop Smoking. The average New Yorker takes into his lungs the equivalent in toxic materials of 35 cigarettes.

a day. Don't add to the problem... for your own body, and for your environment.

**II. WATER CONSERVATION**

- A. Place several maps in the sink tank of every shower fixture. This will reduce the amount of water used without decreasing the efficiency of the toilet. Potential savings per day in Ann Arbor equals 3,000,000 gallons.
- B. Do not use colored tissues, colored paper, or colored napkins. Over released by the manufacturing process (stains visually and biologically).
- C. Turn off or request that officials turn off all dripping faucets or bubblers which flow continuously in hallways, public places, etc.
- D. Let your lawn or yard go "natural". Instead of massive watering or irrigation efforts, plant vegetation which can flourish under normal rainfall conditions with a variety of species.
- E. Switch light bulbs not use for reading to lower wattage bulbs. Be conscious that lower electrical power consumption reduces home or office operating costs and reduces thermal water pollution loads at the electrical generating plant.

This article will be continued next week.

**Sculptured Face Of Christ Eyes Mysteriously Follow Viewer**

GATLINBURG, Tennessee — Visitors to this vacation city in the Great Smoky Mountains have taken more photographs of a huge marble sculpture than of any one of the multitude of scenic vistas in the area.

The reason is the mysterious way in which the eyes of the sculptured face of Christ always seem to follow the viewer, no matter what angle the sculpture is viewed from.

The composite photograph above tells the story. It shows a small child's puzzlement upon viewing the sculpture from the left, head-on and from the right, and finding the eyes continuing to be upon him no matter where he stands.

The sculpture, discovered in an old warehouse in Carrara, Italy, was carved by unknown Italian sculptors in a six-ton block of Carrara marble.

It was brought to Gatlinburg by Ronald S. Ligon, founder of Gatlinburg's world-famous Christus Gardens, and is on display in the

patio garden there, where it has been viewed by millions of visitors from all 50 states and dozens of foreign countries.

An example of intaglio, or concave, sculpture, it is one of the unique features of Christus Gardens, a memorial to Christ that includes life-size three-dimensional scenes from biblical history, peopled by more than 50 wax figures made by Gems, Ltd., of London, considered the finest artisans of their kind in the world.

The Gardens also have on public display the finest collection of biblical coins in the United States and one of the three finest in the world.

But the sculptured face of Christ seems to be a focal point of interest, and records indicate more photographs have been made of it than of any other single object in Gatlinburg.

Information about Gatlinburg and Christus Gardens may be obtained by writing to P. O. Box 557, Dept. A, Gatlinburg, Tenn. 37735.

LEON SMITH FAMILY TRIO

Pictured from left to right are: Brenda Smith, alto and pianist; Leon Smith, baritone; Brenda Smith, soprano.

The Leon Smith Family of Spring Arbor, Michigan, will appear at the Iron Creek Community Church at the 10 a.m. Worship Service on April 30.

In 1961 Leon Smith became the lead singer and manager of the Harbor Lights Quartet of Battle Creek, Michigan. For several years this fine quartet traveled throughout the eastern United States.

In 1967 Leon organized the Skylights of Spring Arbor, Michigan, which became one of the most popular gospel singing groups in the Midwest. The Skylights disbanded in August, 1971, when Dave Redman, who was pianist and tenor,

**you need 2 savings accounts**

**4<sup>1</sup>/<sub>2</sub>%** passbook savings / **5<sup>1</sup>/<sub>4</sub> 5<sup>3</sup>/<sub>4</sub> or 6%** passbook certificate

You should have two savings accounts: one for your short term needs and one for your long term needs and goals.

For short term needs you should have a 4<sup>1</sup>/<sub>2</sub>% Passbook Savings Account. This account pays high interest on regular, insured passbook savings and your money is always readily available. You are paid interest from the day of deposit to the day of withdrawal at the rate of 4<sup>1</sup>/<sub>2</sub>% per year, effective annual rate 4.58%. So with this account you can accumulate money for taxes, travel, medical, education, the emergencies and the fun things and withdraw any amount at any time without losing interest.

You also need a higher interest paying Passbook Certificate

Account for the long term needs such as retirement, investment, and security reserve. You can choose a certificate that pays an annual rate of 5<sup>1</sup>/<sub>4</sub>% on amounts of \$1000 or more with one year maturity, a 5<sup>3</sup>/<sub>4</sub>% certificate in amounts of \$5000 or more with two year maturity, or a 6% certificate with 3, 4, or 5 year maturity in amounts of \$5000 or more. These you put away and watch grow. You won't want to withdraw the funds before maturity because you forfeit interest.

We highly recommend a two account savings program and will be happy to discuss the various options available to you.
