Proclamation

MAYOR David L. Little has designated May 18, 19, and 20th as Poppy Days 1972 in the City of Manchester according to an announcement made today. The proclamation was signed by Mayor David Little as members of the American Legion Auxiliary Unit looked on the ceremonies.

The proclamation reads as follows: WHEREAS, The American Legion and the American Legion Auxiliary adopted the Memorial Poppy as its memorial flower in 1919; and WHEREAS, by wearing the Poppy, Americans everywhere and especially in this city of Manchester both pay tribute to these war dead and aid the living by assistance to Veterans and their families in time of need; and WHEREAS, the Poppy Day Program contributions are used solely for the programs of Child Welfare and Rehabilitation in our community and state;

NOW THEREFORE, I David L. Little, Mayor of the City of Manchester do hereby proclaim the month of May, 1972 as Poppy Month and May 18, 19, and 20th as Poppy Days in our City and I urge all citizens of our town to join with me in the wearing of this Memorial Flower as together we remember the sacrifices of so many in defense of our freedom.

Miss Poppy

Pictured is Rhonda Sturdevant, daughter of Peggy Schmidt and Harry Sturdevant, presenting a veteran-made poppy to Mayor David Little. Rhonda is 1972 Miss Poppy, selected from Junior Auxiliary girls of Emil Jacob Unit #117. She lives with her mother and step father at Pleasant Lake, Manchester. Rhonda is eligible for membership through her grand father, Fritz Wurster.

Open House To Honor Margaret Dresselhouse

By C. Chapin
Sunday, May 21, at the Pleasant Lake School from 2:30 till 5 p.m., there will be held an open house celebration in honor of the many years of dedicated service and the approaching retirement of Mrs. Vernon (Margaret) Dresselhouse.

Born in Manchester and attending school at the Dresselhouse country school in Freedom, (this building still stands on Pleasant Lake Road and is now the Finck Home) Margaret Roll graduated from Manchester High School in 1925 and went on to college at Eastern Michigan in Ypsilanti.

Graduation from college and marriage in 1934 to Vernon Dresselhouse and the subsequent birth of her daughter, now Mrs. Joyce Stouffe did not interrupt her teaching vocation.

Board of Education Request Increase In Millage

At the annual school election to be held on June 12, 1972, the Manchester Board of Education will be requesting the renewal of the 11 1/2 mills of voted operational millage. The renewal of this millage is absolutely essential to the school district's operation. This amount constitutes approximately one-third of all funds received by the school district.

The Board will also request a one (1) mill levy for building improvements and educational equipment and materials. The two issues will appear on separate ballots. At the same time the Board will also reduce the debt retirement levy by one-quarter (1/4) of a mill so that the total overall increase over the 1971-72 school year would be (if approved) only 3/4 of a mill.

The extra mill that is being requested is needed for a roof replacement on the old section of the high school plus materials and equipment for classroom use. These items include business machines for the commercial classes, sewing machine replacements for the Homemaking classroom and miscellaneous materials for other curricular areas.

If the millage requests are approved by the district voters, the overall tax increase over last year's levy would be .75¢ per thousand dollars of assessed valuation.

In addition to the millage requests voters will select two members for the Board of Education. The terms of Carl Pedersen and Andrew Luckhardt are expiring June 30, 1972. Mr. Pedersen will not be a candidate for re-election. Mr. Luckhardt will be seeking a second term on the Board of Education. Four petitions were received by the Monday 15th deadline. Those citizens seeking board seats are: Mr. Andrew Luckhardt, Mr. Edward Cunley, Mr. Irvin Gill, and Mr. Harold (Jim) Walkow.

The election will be held on June 12, 1972 in the High School English Room. The hours are from 7:00 a.m. until 8:00 p.m.

NOTICE!

The Optimist Club is sponsoring a free Bicycle Clinic for check ups on all bikes at the Pavilion at the Athletic Field on Saturday, May 20 from 10 a.m. until 12 noon.

The first 12 years were spent teaching at the Little Red Brick school where the Bank now stands at Pleasant Lake, and another year at the Spaford School, west of town on Austin Road. Sixteen years at the present Pleasant Lake School have come to a close.

Thirty years of teaching children have given Margaret a calmness and serenity apparent to her friends. Commenting on the many changes during her teaching years, she explains that the children of today are much more advanced at an earlier age, television, travel and exposure to experiences has brought them to the teacher better prepared. Material in use a few years ago is unusable now. However, the teacher in the present day must maintain a firmer discipline than in earlier years.

Expecting to pursue her hobby of coin collecting, traveling, and having time for her Sorority work, Margaret will this year run for a State Office in the Alpha Delta Kappa, the International Womens Education Sorority.

Speaking of her years of teaching and the joys and rewards, Mrs. Dresselhouse stated that the parents of the children in the Pleasant Lake School were the best parents in the world for a teacher to work with. With cooperation and complete support, the years at this school have been a joy.

Everyone is invited. 2:30 to 5:00 p.m., Sunday, May 21, at the Pleasant Lake School.

Alumni Banquet Saturday, June 10

Plans are now being completed for the 95th reunion of the Manchester High School Alumni Association which will take place on Saturday, June 10 at the High School. The executive committee, under the direction of Association president, Howard Parr, has been working for some time contacting some 1770 old and new graduates of Manchester High School and making arrangements for this year's get-together. It is expected that more than 200 people from all over the United States will attend. Special recognition will be accorded the classes of 1922, 1947, and 1962. Several other classes are also planning special reunions. All reservations must be in by June 2nd and may be secured by sending \$3.50 to the treasurer, Mrs. Hugh R. Sutton, 308 E. Main, Manchester, Michigan 48158.

The festivities will begin with an open house and tour of high school facilities starting at 5:30 p.m. Members of the class of 1974 will act as guests. Dinner will be served at 7 p.m. in the gymnasium followed by a brief business meeting and program. The For-Tune Tellers, three of whom are alumni, will be on hand to provide an evening of music and fun, in their own inimitable style.

The Alumni Association of Manchester High School has an interesting and colorful history. In the early years, when only a few students were able to continue their education beyond the eighth grade, a high school diploma was clearly a status symbol and a mark of social prestige as well as a sign of personal achievement. Any one who had one was proud of it and derived great satisfaction from coming back to the old school to reminisce or swap success stories. The Alumni Association

MEMBER PRESS MICHIGAN ASSOCIATION

LETTERS TO THE EDITOR

Dear Sir:

An enclosing check for another years subscription.

I sometimes wonder if it is worth it. I had high hopes that we would get some local news when you took over. I hear the fine whistle and the police report he serviced so many fires but no write up. Marie Scheider always gave us a social column. Except for the Council Meeting and police you don't seem to have anything but what I can read in any other paper.

You can't sit in an office and wait for the news to come to you. You have to go out after it.
A Subscriber

Dear Subscriber,

We will be very happy to renew your subscription. We are very proud of our progress in the year that we have had the paper. We have gone from eight pages to twelve to fourteen pages as well as increased the circulation considerably.

No, we don't report all of the grass fires that occur, are people really interested in reading about these a week later?

We wish we could print more social news, but how do we get it? By calling everyone in the Manchester phone book! If we charged for our advertising like the other papers (Chelsea and Saline get 18 cents an inch more, Milan 32 cents an inch more, Tecumseh and Brooklyn 74 cents an inch more, just to name a few) we could afford to hire a full time reporter, but alas we can't raise our rates.

Can you read all of the church news in another paper? or that the band is giving a concert? or that a young man found the father he had been searching several years for? (yes you could have read this in two other papers after the Enterprise reported it). How about Grandma Kirk? (Again yes, after the Enterprise had run a feature on her) or the Live Stock Exchange Opening? or the vocal concert at school? or the new books at the library?

We wish we could spend time sitting behind our desk, lots of book work is piling up. With only two of us and a part time typist and one person writing features we do our best.

We would be most happy to have any and all news, social or otherwise, just call 428-5173 during our working hours.

Alumni Banquet

Continued from Page 1
tion flourished and its annual reunion was the social event of the year. Formal dress was required for the sumptuous banquet and evening of dancing which followed. Crowds grew so large that Manchester could no longer accommodate the gathering and it was held for many years at Nisle's Hotel at Wampeler's Lake.

Compulsory education, which kept every youngster in school until the age of sixteen and indirectly led more students to complete their secondary education; the Second World War, which scattered graduates to the four corners of the world; and the demands of the technological age, all brought a decline in the influence of the small town high school and its alumni association.

When a committee met to plan the 1968 reunion of the Manchester High School Alumni Association, there was serious doubt in regard to the old

organization's future. Arrangements were made to hold the affair in the new high school for the first time and provide an open house in an attempt to lure back the "old grads" who hadn't had an opportunity to tour the new addition to the building. Since then, to everyone's surprise, there seems to be an enthusiastic revival of interest in the Alumni Association with larger numbers in attendance each year.

The present officers of the organization are much encouraged by this turn of events. They see it as a resurgence of a kind of civic pride that has been too long absent from Manchester. It is easy to be proud of a winning football team. It is something else to be proud of one's educational background. With larger classes graduating from high school each year, there is hope that the Manchester High School Alumni Association will become an important influence in the cultural growth and development of Manchester.

Whereabouts of the following Alumni of Manchester High School are unknown at the present time. Anyone having information regarding these persons is asked to call Miss Agnes Kent, at 428-5179 or write to her at 107 W. Main, Manchester, Michigan 48158. May Stark McDowell 1902, Rev. William Y. Wedding Bells Ring

Sacred wedding vows were exchanged Friday evening by Susan Kay Kirk and Michael Clarence Periat. Rev. Fr. Raymond R. Schlunkert of St. Mary's Catholic Church officiated.

The bride, daughter of Mr. and Mrs. L. V. Kirk of Manchester, was attired in bridal organza over taffeta fashioned in an A-line silhouette with venise lace motifs throughout the gown and

enhancing the fitted bodice which had bishop sleeves. The upper bodice was detailed with scattered seed pearls and sequins. A long cathedral train fell from mid back and a cluster of venise lace petals highlighted with pearls and sequins secured the floor length veil. Susan carried a cascade of white roses, stephanotes and lily of the valley.

The groom's parents are Mr. and

Mrs. Clarence S. Periat of Toledo, Ohio.

Honor attendants were Miss Monica Jean Kirk, sister of the bride, and Mr. Douglas M. Periat, brother of the groom. Bridesmaids included Mrs. Gerald Mann of Manchester, Mrs. Douglas Periat of Toledo, Miss Kathleen Richardson of Saline, Mrs. Ronald Fielder and Miss Elaine Kastl both of Manchester. Junior bridesmaid was Miss Priscilla Ann Westphal of Saline, cousin of the bride. Flower girls were the Misses Deborah Alber and Julie Gebhardt of Manchester.

Seating the guests were Rickie Glancy of Brooklyn, Dale Ambroski, Francis Monaghan, Thomas Holzschetter, and Kenneth Maurer all of Toledo.

The maid of honor's floor length gown was of aqua Georgette chiffon over taffeta. Embroidered organza styled the bib inset and high neckline of the fitted bodice which was styled with full cuffed bishop sleeves. A semi-profile of tulle leaflets and organza multi-bows with a short veil completed her ensemble. Identically styled gowns of rainbow colors were

worn by the bridesmaids and they all carried colonial bouquets. The flower girls were in pink styled like the other attendants.

Assisting at the reception, held at the Tecumseh Products Union Hall, were; Mrs. Rudy Possehl of Lake Mills, Iowa and Mrs. Brian Alber of Manchester cut the wedding cake, pouring were Mrs. John Gould, Miss Diana Pastorino, and Miss Barbara Steele. Mrs. Stephen Carson was in charge of the guest book.

The newly-weds are honeymooning in the South.

EMERGENCY MESSAGES

Emergency messages for Michigan travelers or those vacationing in wilderness areas generally hard to reach can be relayed through a cooperative system arranged by the State Police and the state's radio broadcasters.

These emergency alerts will be broadcast between the hours of 12 noon and 1:00 p.m. If there is an emergency at home, the affected person will be told to call the nearest State Police Post for the contents of the message. A special tone signal may precede the emergency broadcast.

The exact time of the broadcasts cannot be simultaneous throughout the state because of the program requirements of each station, but it will be sometime during the noon hour.

The plan embodies a fanout of messages to other stations within the area where it is believed the person may be. Each post will have one or more local stations to call. These stations will relay this information to other stations which, in turn, will further inform additional stations to fully cover the area.

State Police post officers will screen messages to assure they fall within the emergency category. In addition none will be broadcast or otherwise delivered if regular commercial facilities telephone or telegram—are available to a person who wants to reach another person.

Initiated several years ago, the system has been recently expanded and updated.

VOLUNTEER TRAINING PROGRAMS

Orientation classes for adult volunteers at St. Joseph Mercy Hospital will be held May 22, 23, and 24 from 7:00 to 9:30 p.m. All three classes are required. Please call the volunteer office 665-4141 for an interview.

Teenagers who wish to be volunteers during the summer at St. Joseph Mercy Hospital should apply during the month of May for orientation classes to be held June 19 through 23. A work permit, chest x-ray, parents' and doctor's permission are required. Come to the volunteer office now to apply.

ALUMNI REUNION

An Alumni Reunion will be held at 12 o'clock noon at the Milan High School, 920 North Street, Sunday, June 11. There will be a buffet dinner. Bring food to pass and your own table service.

VARSIITY CHOIR CONCERT

The Varsity Choir will hold a concert on Tuesday, May 23, 1972 at the High School Auditorium. The concert will begin at 8:00 p.m.

Legion Auxiliary 50th Anniversary

Wednesday, May 10 marked the 50th Anniversary of the birth of the American Legion Auxiliary, Emil Jacob Unit 117 of Manchester. The local Unit received their Charter from National Headquarters on May 10, 1922.

Approximately 70 members, Legionnaires and guests gathered at the Legion Hall for a potluck dinner at 6:30 p.m. Among those present were five of the original 23 Charter members. They were Mrs. Harry Sutton, Mrs. LeRoy Marx, Mrs. Philip Kern, Mrs. Alvin Clark and Mrs. Webster Schill.

Past Presidents Mrs. Basil Schwab and Mrs. Robert Huber greeted guests and were in charge of guest register.

The evenings activities began when the American flag was presented by Mrs. Franklin Reck, Unit Sargent at Arms. Mrs. Claran Knauss Sr., Unit Chaplain read the invocation. A delicious potluck buffet dinner was arranged by Mrs. Jack Weir and her committee.

Mrs. Del Ludwick, President, served as chairman of the program for the evening. Mrs. James Baker, a Past President, read a brief history of the

Unit's 50 years of activities in Manchester. The five Charter members were honored with corsages. Four of these Charter members have had 50 years of continuous membership and are Life members. Mesdames Sutton, Kern, Schill and Clark were given gifts for their 50 years service. Mrs. Ludwick also paid tribute to several members who have completed 25 years of continued membership. These ladies were presented with poppy corsages - Mesdames Franklin Reck, Russell Van Smith, Erwin Huber, Charles Wurster, Claran Knauss, Sr. and Marvin Oates.

Mrs. Ray Trolz was also recognized as the sister of Emil Jacob for whom the Legion Post is named. Mr. Jacob lost his life during service in World War I. Veal Widmayer, Commander of Post 117, congratulated the Auxiliary for their 50 years of service to the Community, State and Nation and also for their fine cooperation with the Post.

Mrs. Charles Schiel, Junior Activities Chairman of the Auxiliary, introduced Miss Poppy of 1972, Rhonda Strudivent. Roxanne Steele who served as Miss Poppy for 1971 placed the banner on Miss Poppy '72 and presented her with a gift.

The door prize of the evening, a lovely centerpiece, was won by Kay Walter.

P.E.O. CONVENTION

The 53rd Convention of Michigan State P.E.O. Chapters will be held at Oakland University May 16, 17, and 18. Mrs. P.D. Alber of Sharon Valley Road, Manchester, will be attending the Convention as a convention committee member.

The P.E.O. Sisterhood is a philanthropic and educational organization interested in bringing to women increased opportunities for higher education. It was founded as a college sorority at Iowa Wesleyan College, Mount Pleasant, Iowa, in 1869, and later voted to retain its English letters and its off-campus chapters, thus changing from a college group to a community group.

The P.E.O. Sisterhood maintains three educational philanthropies: The P.E.O. EDUCATIONAL FUND, a revolving loan fund established in 1907 to lend money to women needing it for education beyond high school; INTERNATIONAL PEACE SCHOLARSHIP PROGRAM, established in 1949 to provide scholarships for foreign students to pursue graduate study in the United States and Canada; and Cottey Junior College for Women.

NORTH SHARON BIBLE CHURCH

Mr. Russell Anderson will be speaking this Sunday, May 21, at the North Sharon Bible Church. Mr. Anderson heads four corporations--Anderson Dry-wall, Anderson Materials, Anderson Building and Supply, and Anderson Apartments, all in Ypsilanti, Michigan. Mr. Anderson has only a high school education, yet he earned a million dollars before he was 38 years old. He is a nationally known speaker and a zealous Christian layman. He has totally dedicated both his time and his possessions to sharing with others his faith in Jesus Christ. Sunday School at North Sharon is at 10 and Mr. Anderson will speak at 11. The church is located at Sylvan and Washburne Roads, east of Grass Lake. For further info, or a free ride, call 428-7222.

Attention All Clubs and Organizations of Manchester. For listings in the "Community Calendar" call 428-8173 before 5 p. m. Deadline is Tuesday noon for Thursday publication.

FREE VACATIONS FOR TWO

A "free vacation for two" may be misleading and deceptive, or possibly involve land promotions.

Investigations by the Michigan Consumers Council show that several promotions operating in the state offer room accommodations "absolutely free 100% paid for -- strictly first-class." To take advantage of this prize the consumer must pay a service fee ranging from \$12.95 to \$20. In addition, he must pay for all transportation to and from the resort, and sometimes dining costs during his stay.

The Thunderbird hotel in Las Vegas appears on one such vacation certificate. However, hotel attorneys advise the Consumers Council that the hotel "is not a party to any agreement with Midwest Promotions to supply rooms and meal and entertainment coupons for people who are contacted by Midwest Promotions on behalf of Vista Color of Hollywood, Inc. Any use of the Thunderbird Hotel's name is without authorization." This material has been referred to the attorney general's office.

Seasons of Fort Lauderdale, a Florida resort advertised in another vacation offer from Continental Travel, says that it does honor the certificates. The reservations manager, however, advises the Council that the travel company's main business is in land sales promotion.

ARRESTS MADE

Manith Armstrong, 415 E. Main Street, Manchester, age 19, was arrested May 11, 1972 for Driving while Under the Influence of Intoxicating Liquor. He was also charged with Driving while never acquiring a Drivers License.

Armstrong was arraigned on May 12, 1972 and entered a plea of guilty to both charges. A sentence date of June 28, 1972 was set.

James Michael Buku, 140 Adrian Street, Manchester, age 18, was arrested on May 19, 1972 for Drunk and Disorderly. He was arraigned on April 20, 1972 and entered a plea of guilty. He was fined \$39.00 and cost and three days on Manchester's Work Program.

James Dallas Bailey of Salyersville, Kentucky, formerly of Manchester, age 19, was arrested on May 19, 1972 for D.U.I.L. He was arraigned on May 20, 1972 and entered a plea of guilty. He was fined \$150.00 and cost and his license was suspended.

Four flags have flown over Michigan--French, English, Spanish and United States.

4-10 met with Fire Chief J. Kensler re: police traffic assists during fire runs
4-11 did three months of mandatory State Police reports
4-14 met with Ford Motor Co. field representative on problems with Ford
4-17 received radar unit back from yearly inspection
4-18 met with Dave Biggers on Federal Funding programs

The Health & Safety Committee proposed that there be an open house for all Village Facilities, particularly the police dept. to allow the community to view the improvements, as well as new equipment, specifically that purchased with the proceeds from the Policeman's Balls. Pres. Little suggested that such an event be planned in conjunction with the opening of the Main Street Bridge.

Phil Duckham inquired about any reports concerning the transfer station. The present procedures were discussed. Mr. Duckham reminded the Village that Modern Disposal's contract with the Village for trash removal comes up for renewal in early summer. He requested that the contract remain the same for the next 3 years. Moved by Mahony, supported by Fitzgerald to extend Modern Disposal's contract for 3 years at the same rate. All yeas, carried.

Fitzgerald reported that the State Highway Dept. had found curb on Riverside Drive from Main to Duncan and are designing a replacement which will put in there will be no exchange of mayors with Emmett, as they have never exchanged and are not interested in doing so this year. Fitzgerald advised Council that the raised portions at the bridge approach on Main Street could be done at unit prices for an estimated \$1680. He recommended that we do it with asphalt ourselves before final completion of the bridge. Stone dust is needed for the ball field. Jack Butterfield has advised us that Klump's will donate the stone dust as long as we haul it. The DPW has cleaned catch basins, opened the parks, repaired water services, swept streets and done some final covering at the Landfill.

Moved by Fitzgerald, supported by Scully to remove from the table the question of Walt Gamin's sewer. Moved by Fitzgerald, supported by Mahony that Mr. Gamin be billed as per ordinance.

A total of 48 stop signs and no parking signs are needed to bring the Village up to code. They are to be ordered after checking into the new style sign required. There was a request to remove the beams stored at the end of the bridge to a different location. Council was advised that the contractors were to move the beams shortly and dispose of them.

Mr. Peter Olmstead of Olmstead Construction Co. of Ann Arbor presented Council with the format of his proposed development at the east end of town on Mr. Limper's 16 acres. After some discussion it was agreed that Council meet with Mr. Olmstead on the property before coming to any decisions.

Ted Curley advised Council that the Planning Commission recommends a minimum lot size for new platted lots of 13,00 sq. ft. with 90 feet width at the setback. Moved by Benedict, supported by Stautz to accept the recommendation for the group. The students from the University of Michigan Landscape Architecture School will compile booklets with the results of their studies. Future Planning Commission meetings will be held on the first and third Wednesdays at 8:00 p. m. with the third Wednesday reserved as the principal meeting night. The Zoning Ordinance must be reviewed. It was suggested that the group meet on three successive nights rather than spreading the meetings over several months. May 8, 9, and 10 at 8:00 p. m. were set.

Benedict reported that the fence at Kirk Park is up. More fencing is to be purchased for the backstop. He has a meeting scheduled with the Park Committee to further organize that group into a working committee with a separate account to be set up just for Kirk Park.

Stautz listed permits as: Charles Knopp-alterations; Lynn Bailey-alterations; Alfred Sames-alterations; David Adams-alterations; James Scully-alterations; Lowell Parr-new building. He had \$62 to turn in from fees since taking office, as well as \$137 from previously billed permits. The Union Savings Bank was asked to consider the "man of the century" motif in the design of their sign.

Mahony advised Council that Consumers will meet with us in about 2 weeks to update our lighting. An additional light was suggested between Wolverine and Torrey on Main Street. Comments on the Main Street reconstruction and the opinion of some individuals that the bridge needed no repair was brought up by Mahony. Mr. Blossom has had some students talking to the contractor for homework so that the need for reconstruction could be better understood. Mahony reviewed the fi-

nanacial statements and moved that we transfer \$3000 from the Sewer & Water Fund to the General Fund to be repaid no later than August, 1972. The motion was supported by Fitzgerald. All yeas, carried. Moved by Mahony, supported by Scully that the invoices be paid as listed, holding the checks until there is sufficient cash to cover them. All yeas, carried.

TRACKMEN 5th IN REGIONALS

Manchester track co-captain Scott Limpert's 44'8" shot put effort last Saturday at the regional meet at Quincy qualified him for the State meet this Saturday at Mount Pleasant. Limpert's effort was good for second place behind Clinton's record setting putter Mike Moon. Moon won the event with a 53'6" effort. The top 3 in each event at the different regionals qualify for the state meet.

The Dutchmen had several other fine performances but none quite good enough to go to the State meet. The Dutchmen's 440 relay team was 4th with a 47.4 time. Members of the team were Mark Tassie, Mark Spencer, Kurt Kensler, and Scott Limpert.

Kurt Kensler was the only other individual besides Limpert to place, with a 6th place effort at 24.8 in the 220 yd. dash.

But according to Coach Steeb the top performance was turned in by the 5th place mile relay team. The team

of Jose Arana, Bruce Cray, Dave Korth and Manuel Arana stopped the watch at 3:44.8 a new school record, the old record being 3:50.2. The relay split were Jose Arana, 55.5 seconds, Cray 57 seconds, Korth 57 seconds, and Manuel Arana 55.3 seconds.

Of the record Coach Steeb said, "I was extremely pleased and surprised by excellent efforts by these four boys, Jose, Cray, and Korth will all return next year so I expect the record to be lowered considerably in the future."

For his relay effort plus his fine 4:56 mile run in the regionals, Dave Korth was named Trackman of the Week. Brad Frey was named Fieldman of the Week for his long jump efforts in the Hudson meet.

TRACKMEN LOSE TO HUDSON

Poor track conditions, and what Manchester High track coach Larry Steeb termed, "just plain poor performances", led to the trackmen's 76-40 loss to Hudson last Thursday.

"I really only consider Larry Bowers, three thirds and Brad Frey's 17'5" long jump (2nd), performances worthy of note," said Steeb.

Place winners for Manchester: Mark Tassie: 1st place 100, 2nd place low hurdles

Larry Bower: 3rd shot put, 100 and 220 yd. dashes.

Mark Spencer: 1st place 220

Bruce Cray: 3rd 440

Dan Beach: 2nd pole vault, 3rd high jump

Brad Frey: 2nd long jump

Scott Limpert: 1st shot put

Dave Korth: 3rd mile

HOMETOWN PAPER

By John Lair
We never realize how much the hometown paper means
Till we have wandered far away from old familiar scenes
And then it's just as welcome as a letter from a friend.
We read it through from front to back, from beginning to end.
We remember how the paper was a standby in our home
And how we all would grab for it as soon as it would come.
Sis looked for all the personals;
Dad read the livestock news;
Grand dad liked editorials--if they sided with his views!
But mother never seemed to have one part that she preferred
She just sat down, when she had time and read it, every word.
The editor, remember, was a friend to all mankind.
Some folks would try to "use" him, but he didn't seem to mind.
He always had a column any good thing to exalt,
But he had no screaming headlines to proclaim a neighbor's fault.
He welcomed new-born souls to earth and noted when they left.
He joyed with those who had been blest, and grieved for these bereft.
He printed church announcements and the correspondent's jokes.
He noticed all the little things that meant a lot to folks
When "Crippled Charlie" Hoskins' little dog got hurt and died
He wrote up such a pretty piece that everybody cried.
So when your hometown paper comes, sit down and read it through
And give a kindly thought to him who got it out for you...
It may not be impressive and it ain't no work of art,
But every word you're reading there comes straight from someone's heart.

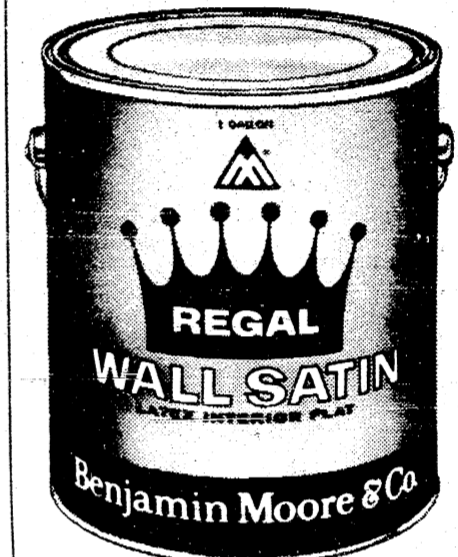

DON'T FORGET TO ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY.

ARNOLD LAKE FARM BUREAU

The May meeting of the Arnold Lake Farm Bureau Group was held at the Emerson Haeussler home. We had a beautifully decorated cake done by Dolores Steele to honor our 5 high school graduates. Four are from Saline High - Sherri Steele, Nancy Kellogg, Sue Fiegel, and Arlene Haeussler and one from Manchester High.

After the usual business the discussion was led by Armen Haeussler. The Group feels that we need to help our township government and they are for legalized lotteries.

The next meeting will be on June 9th at the home of the Alfred Dieterles.

**Tasty Do-It-Yourself Treats
To Keep Youngsters Busy**

When the rush is on, let youngsters prepare their own afternoon treats... or at least a part of them. Start them off with a can of Welch's new instant grape drink that needs no more than mixing with water. One small can makes a full quart of exciting grape flavored drink enriched with vitamins. For snack food, bring out a batch of fancy shaped sugar cookies that youngsters can make sandwich style with fillings of their favorite jam, jelly or preserves.

Sugar Cookie
 3/4 cup shortening (part butter) 2 1/2 cups all-purpose flour
 3/4 cup sugar 1 teaspoon baking powder
 2 eggs 3/4 teaspoon salt
 3/4 teaspoon vanilla Assorted jellies, jams, preserves

Combine shortening, sugar, eggs and flavoring; mix well. Sift flour onto wax paper; spoon into measuring cup and level off with knife. Blend flour, baking powder and salt; stir into butter mixture. Chill 1 hour or more. Pre-heat oven to 400° F. Roll dough about 1/8" thick on lightly floured board. Cut with 3" cookie cutters of several designs. Place on ungreased cookie sheet. Bake 6-8 minutes. Cool. Spread half of the cookies with Welch's assorted jellies, jams and preserves. Top with remaining cookies. Makes 2 dozen sandwich cookies.

Prior Service Enlistment Option

The Department of the Army has announced that men with military experience may be able to re-enlist under the Army's Prior Service Enlistment Option.

For the past few months only a small percentage of Prior Service personnel have been allowed to rejoin. These included personnel trained in highly critical occupational duties and personnel who have received the nation's highest awards for valor.

Now, however, the Department of the Army has cracked the door a little wider. This means that many ex-service men who were unable to re-enter a few months ago will now find that they can re-enlist under the new Prior Service Option.

According to Sgt. Courson, U.S. Army recruiter located at 212 4th Avenue, Ann Arbor, "Many men with military experience are going to find that not only can they get back in, but possibly even at their old job and definitely a higher salary."

For more information about the Prior Service Enlistment Option, visit Sgt. Courson at his office or call him at 663-3731. Today's Army Wants to Join You at a much higher salary.

MICHIGAN FARM BUREAU

Most people, at one time or another, have day-dreamed about becoming a farmer; about the good country life with no time clocks to dictate the hours of work, no boss or supervisor to order them around.

Open fields unobstructed by tall buildings means freedom to roam. No bumper to bumper traffic or odors from industry. Farm yards mean animals with young calves, frisky lambs and perhaps even kittens and puppies. There might even be a pond or creek close by to provide a few hours of good fishing.

Some farms may offer the objects of these day-dreams, but there's much more involved. Today's farm requires a great deal of capital just to get started. It also requires knowledge and wisdom and a great deal of research just to keep pace with the new developments in agriculture.

Most of work done on a farm is done by the farmer himself, helped out by members of his family. Farm wives alone are credited with contributing an average of twenty-five hours per week of farmwork, every week of the year.

Although there is no time clock, sheer economic necessity is sufficient to cause farmers to rise at the crack of dawn in order to get in an average 59 hours of farmwork a week just to stay financially solvent.

Animals require a lot of attention cows must be milked twice a day, every day. Cattle must be fed and barns and barnyards, just as human

habitats, must be kept clean and sanitary. Fields must be plowed, planted, cultivated, sprayed and harvested in order to produce a crop to pay the bills. A farmer must understand how to care for and feed animals, tend crops, market what he produces, be a good bookkeeper, a mechanic and a financier just to stay in business. Farm living may seem easy after the high pressured, fast pace of city life, but don't bet on it.

Optimist Outstanding Citizen

Curt Dettling, son of Mr. and Mrs. Charles Dettling of 9755 Ellsworth Rd., Ann Arbor, and a senior at Manchester High School is the Manchester Optimist Club Outstanding Citizen for the month of May.

In his junior year Curt was vice president of the band and tried out for the National Future Farmers of America Band, playing a coronet. He did not make it, but the honor was great since he was one of five from the whole state to be selected.

As a result of Curt's greater activity in his senior year he has gained much recognition. He is president of the high school band, treasurer of the Future Farmers of America and was King of the Holly Hop Christmas Dance. He was selected by his classmates as the best dressed boy in the senior class.

Curt received the John Philip Sousa Award as the outstanding member of the band, an award given for the first time this year.

For 4 years Curt has been an outstanding member of the band, and this year is a member of the Jazz Band, Varsity Choir and Mixed Chorus. He also plays the guitar.

Curt likes music best. He is planning on joining the National Guard. Congratulations!!

Valedictorian

Janis K. Sadt of Johannesburg, Lewiston area High School has been named Valedictorian of her class. She was also awarded a scholarship from Western Michigan University of Kalamazoo. Janis is the daughter of Gretchen Sadt and the late E.J. (Junior) Sadt.

Engagements Announced

Mr. and Mrs. Joseph Kast of Manchester announce the engagement of their daughter, Elaine Frances to Arthur Paul Feldkamp, son of Mr. and Mrs. Glenn Feldkamp of Manchester. A wedding date is planned for September 1, 1972.

Mr. and Mrs. Jack W. Kellogg announce the engagement of their daughter, Betty Lucille, to Mr. Gerald Lee Ahrens, son of Mrs. Frieda Ahrens and the late Mr. Walter Ahrens. A fall wedding is planned. The bride elect will graduate from Manchester High School in June. Her fiance is a 1964 graduate of Manchester.

Band To Wear New Uniforms Memorial Day

Pictured above is Debbie Knickerbocker and Scott Mester modeling the new marching band uniforms. Scott's uniform has an overlay that can be removed, leaving an all black suit with a small gold M on the pocket, for formal dress concerts. Come and see our band stepping out in their new uniforms at the Memorial Day Parade Monday, May 29, at 9:30 a.m. The Parade will form at the Union Savings Bank.

Report On Townships Sanitary Landfill Problems

On behalf of the townships of Bridgewater, Freedom, Manchester and Sharon and the Village of Manchester I would like to bring our residents up to date on the problems and the present progress of our jointly run sanitary landfill.

Our past sight was leased five years ago from Bob and James Hansen and used to accommodate basically anything that anyone wanted to dispose of. The lease on the property, after some difficulty, could not be renewed as a landfill site, and we (five units of government) were forced to seek other means of disposing of our refuse.

We leased approximately one acre of the old site to accommodate a transfer operation for up to one year and thus provide a refuse service while locating property for a new landfill.

It seems, however, that new legislation was adopted in 1971 that makes the orderly operation of a landfill much more difficult and expensive to operate. A site must be State licensed and inspected so that the State is satisfied that no pollutants enter the ground water.

We now find that we must have a site that is clay-bottomed to insure that no leaching takes place. If the site has no clay, it must be brought in and compacted to the depth of two feet bottom and sides before refuse can be placed.

This in our opinion would make the cost of operation so expensive as to be prohibitive to our residents. We, therefore, must locate property that is ideal for these standards or develop a much more sophisticated program for a transfer station to serve our residents' needs.

Our units of government are continuing to meet with state and county officials so that we might reach a solution to this problem as quickly as possible. None of us are satisfied with the present transfer station as it exists today; however, we ask that all of you continue to cooperate until such time as this problem is solved. One thing is certain--we do intend to operate some type of quality refuse disposal for our residents.

David L. Little, President, Manchester Village Council
