## Golden Anniversary

Mr. and Mrs. Paul Feldkamp, 5735 Manchester-Chelsea Road, Manchester, will celebrate their 50th Wedding Anniversary with an open house from 2:30-5:00 p.m.; Sunday, June 11, at Emanuel's Church Hall in Manchester.

Planning the affair are the couples children, Lauren Feldkamp of Schwetzingen, Germany, Mrs. Norman Fielder of Manchester and Mrs. Alex McKeen of Bloomfield Hills. They

also have 8 grandchildren.

Mr. Feldkamp and the former Hulda Luckhardt were married June 15, 1922 in Manchester. They have lived on their present farm most of their married life.

Mr. and Mrs. Feldkamp are members of Emanuel Church and the Raisin River Farm Bureau. Mr. Feldkamp is the sixth member of his family to celebrate a golden anniversary.

## Know Your School Board Candidates

By C. Chapin

MONDAY, JUNE 12, HIGH SCHOOL ROOM 110, 7 A.M. TO 8 P.M.

On the ballot this year for your consideration is the continuation of the existing operational millage - 11 1/2 mills. This is vital to our existing program as it represents approximately 1/3 of our operating monies. One additional mill is being requested for repair of roof of the old section of the High School and new equipment such as business machines and sewing machines. However because of our ability to reduce the debt levies by 1/4 mill the overall increase over last year is only 3/4 of a mill.

Also on the ballot are four candidates for the two vacancies on the School Board.

Andrew Luckhardt, 48, of 10180 Luckhardt Road, incumbent, running for a second 4 year term. Mr. Luckhardt is a native of Freedom Township, attended Saline High School and presently operates the 155 acre Dairy farm where he was raised.

Married to Bonolyn (Bonnie) Luckhardt, the couple have four children, two of whom are still in school.

A member of the Board of Directors of the Artificial Breeders Association, the Board of Directors of the Land Bank Association, Board of Directors of Washtenaw Farmers Oil Co., member of Pleasant Lake Farm Bureau, a Leader in 4-H Handicraft Work and member of Bethel United Church of Christ.

Edward (Ted) Curley, 37, of 725 City Road, born in Manistique and married to Betty (Pink) Curley, the couple has three children in the Manchester Schools. A surveyor for the Michigan State Highway Department, Mr. Curley is a member of the Knights of Columbus, is an Exhausted Rooster

of the JayCees, is presently chairman of the Village Planning Commission. He has served as a member of the village council, managed a Little League team and works on the Chicken Broil.

Irvin Gill, 43, of 112 Beaufort, has lived here 30 years. Married to Donna (Sturdevant) Gill, they have one daughter, Kim Ann, in school.

Final assembly supervisor at Double A Products, he also owns and operates Gambles & Gill TV Store in Manchester.

A member of the Optimists Club, Knights of Columbus, worker at the Chicken Broil, he was president of the Centennial Committee, out of which grew the annual boat race on which committee he serves each year.

Harold (Jim) Walkow, 42, of 18353 Herman Road, is a native of Manchester and attended school here. Married to Geneva (O'Dell) of Chelsea they have five children, four of whom are in school.

A forman at Double A Products, he served in the U.S. Army and is a member of the Parent Teachers Organization.

## NOTICE!

Rev. Joseph Wise will be at the Emanuel Church on Sunday, June 11th. A coffee hour will be held after the services.

## WEDDING BELLS

Mrs. Elsie Haarer and Mr. Norman Mollenkopf were united in marriage at the Chapel of the Bells, Las Vegas, Nevada May 2nd. They returned home after three weeks on the west coast stopping at points of interest and visiting relatives in California and Arizona.

## Recreation Starts Monday, June 12

The dates for the Manchester summer recreation program have been established. The program will begin on Monday, June 12, with activities at both the junior and senior playgrounds and end Friday, July 28. This years seven week program will include such activities as roller skating, basketball, volleyball, softball, bowling, swimming at Wampler's Lake, and field trips.

Junior playground will be held at the Nellie Ackerson school this year and will be open to those children who will be five by December 1, 1972 and to those who have finished the third grade. The hours will be from 9:30 a.m. to 11:30 a.m. Monday through Friday except on those days selected for field trips. There will be no afternoon playground for this group. The junior playground will be under the supervision of Mrs. Nita Godby. All children participating in the program should assemble on the small playground adjacent to the Nellie Ackerson building and be picked up promptly at 11:30 a.m. if this be the case. If you have any questions concerning junior playground, please contact Mrs. Godby at 428-5525.

All youngsters who have finished the fourth grade and who will not be sixteen years old before August 1, 1972 are welcomed to attend senior playground. Senior playground will run from 9:30 a.m. to 11:30 a.m. Monday through Friday and from 1:00 p.m. to 3:30 p.m. on Wednesday afternoons unless a field trip has been planned for that day. Senior playground activities are held at the Athletic Field. Swimming trips will be made every Monday and Friday afternoon beginning June 16. Children who are going into the third grade, and those above this grade level, are eligible to take part in the swimming program. Swimming instruction will be provided for all youngsters who have not yet passed the recreation departments swimming test. No youngster is allowed to go with the advanced swimmers until he has passed this test.

All youngsters who are in the beginning swimmers category will be required to take the bus which leaves from the athletic field at 12:30 p.m. on Mondays and Fridays. The bus for advanced swimmers will leave from the athletic field at 1:30 p.m. and be

## Scholarship Winners

David Noggle, Manchester, has been named winner of a \$400 scholarship presented to "outstanding students in Michigan State University's College of Agriculture and Natural Resources." The animal husbandry major has just completed his freshman year at

MSU.

He is the son of Mr. and Mrs. Emmett Noggle, 15270 Kuhl, Manchester, Michigan.

The scholarship was provided by the Moorman Manufacturing Company of Quincy, Illinois.

Grand Knight Lehman Wahl of Fr. Fisher Council #4354, Knights of Columbus, is presenting the 5th Annual K

of C Scholarship to Manchester High graduate Don Brown.

# COUNCIL PROCEEDINGS

May 15, 1972

Council met in regular session with the meeting called in order by Pres. Little at 7:00 p.m. Trustees present were Benedict, Fitzgerald, Mahony, Scully, Stearns, and Walton. The minutes of the May 7, 1972 were read and approved. Moved by Scully, supported by Fitzgerald to approve the corrected minutes. All yeas, carried.

Ed Bailey of Edwards Realty inquired about a piece of property on Wolvostin Street, the survey of which shows that Wolvostin Street as planned would go through the kitchen of the building presently located on the property. The annual street does not. However, Mr. Edwards was concerned that a buyer of the property might wish to build onto the existing structure. He was advised to see his attorney about moving to have the planned street abandoned.

Police Chief Declinal proposed that the disorderly person ordinance should have the age listed as 15 rather than 21 since the age of majority is now 18. Moved by Walton, supported by Fitzgerald that the ordinance be changed from 21 to 15 years of age to conform to the new laws. All yeas, carried.

Declinal reported that the Police Men's Ball showed a profit of \$1344 this year, which would be used to purchase fire extinguishers, a second-hand PA system for the police car, new rainwear and a number of other things needed by the police department. There were suggestions that traffic direction services were needed at 8:30 to combat the congestion prevalent particularly at Duncan Street.

Stautz reported that the Chamber of Commerce was interested in participating at the opening of the Main St. bridge and would cooperate with Council in planning the activities. One permit was issued. Guy Little for alterations. Additional police help was requested at the bridge during the Boat Race.

The budget hearing was opened at 8:00 p.m. The tax roll was reported to be \$8,936,660 with the proposal that 6.2 mills be levied for General Operation, 4.2 mills for the General Highway Fund, 1.4 mills for the 1970 Bridge Bond & Interest Redemption Fund and 2.2 mills for the Sewage Plant General Obligation Bond Fund—a total of 14 mills. Moved by Scully, supported by Benedict that a final budget for the fiscal year March 1, 1972 through February 28, 1973 be adopted with a total millage of 14 to be allotted as indicated above. All yeas, carried. Exit Stautz at 8:07.

# ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF MANCHESTER PUBLIC SCHOOL DISTRICT WASHTENAW AND JACKSON COUNTIES, MICHIGAN TO BE HELD JUNE 12, 1972

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of the qualified electors of said School District will be held on Monday, June 12, 1972 in the Manchester High School Building, in the Village of Manchester, Michigan.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 9:00 O'CLOCK, P.M.

At said Annual Election there will be elected two (2) members to the Board of Education of said district for full terms of four (4) years, ending in 1976.

THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCIES:

- Edward Curley
- Irvin Gill
- Andrew Luckhardt
- Harold J. Walkow

TAKE FURTHER NOTICE THAT the following propositions will be submitted to the vote of the electors qualified to vote thereon at said annual election:

- I. Shall the limitation on the total amount of taxes which may be assessed against all property in Manchester Public School District, Washtenaw and Jackson Counties, Michigan, be increased by eleven and one-half mills on each dollar (\$11.50 on each \$1,000) of the assessed valuation, as equalized, of all property in said school district for the year 1972, for the purpose of providing additional funds for operating expenses (this being a renewal of 11 1/2 mills for operating purposes which expired with the 1971 tax levy)?
- II. Shall the limitation on the total amount of taxes which may be assessed against all property in Manchester Public School District, Washtenaw and Jackson Counties, Michigan, be increased by one mill on each dollar (\$1.00 on each \$1,000) of the assessed valuation, as equalized, of all property in said school district for the year 1972, for the purpose of providing funds for operating expenses to purchase materials and supplies and to make necessary repairs to existing school buildings to place them in a safe and sanitary condition?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Sylvester Leonard, Treasurer of Washtenaw County, Michigan, hereby certify that, as of April 27, 1972, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Manchester Public School District, Washtenaw and Jackson Counties, Michigan, is as follows:

## Recreation Starts

back at 3:20 p.m. All youngsters taking part in the swimming program must return a permission slip signed by their parents before they will be allowed to participate in the program. Permission slips will be issued during the first day of recreation.

A bus will make one round-trip a day to Pleasant Lake School to pick up those youngsters interested in the swimming program. The pick-up time is 12:10 p.m. at Pleasant Lake Elementary School and the drop-off time is 3:15 p.m. The bus will pick-up anyone along the route between Manchester and Pleasant Lake. All youngsters involved in the Pleasant Lake bus route will be required to go with the beginning swimmers group at 12:30 p.m. This does not mean that advanced swimmers from the Pleasant Lake area will have to swim with the beginner group. They will be allowed to swim in the deeper water. If there is not enough participation from the youngsters from the Pleasant Lake area bus service on swimming days will be discontinued as of June 23. If this is necessary the youngsters involved in the swimming program will be notified.

In order to get even more youngsters involved in the recreation program we have decided to expand our roller skating activity. As most of you know the Recreation Department offered roller skating for the first time in their program last year and it turned

out to be quite successful. Because of the interest displayed by the youngsters we have decided to offer roller skating twice a week this summer at a reduced rate. Arrangements have been made with the Skateadium in Adrian to rent their facilities on Tuesday and Thursday afternoons from 1:00 p.m. to 2:30 p.m. The total cost for each youngster will be 85¢ (50¢ admission and 35¢ for skate rental). This price would be paid each time a youngster decided to go. Youngsters from the Pleasant Lake area are invited to participate in this program. Bus service will be provided. The bus will have the same route and time schedule used for swimming days. All participants in this program will be required to return a permission slip signed by their parents. These slips will be available the first day of recreation. Participation in this program is limited to those youngsters eligible for senior playground. This activity will begin on Tuesday, June 13.

Wednesdays this summer will be used for a variety of things. Field trips will be taken on some of these Wednesdays. Wednesdays not used for field trips will be filled by such activities as bowling, golfing, or regular recreation activities. All participants in the summer program will be notified as to what will occur on the appropriate Wednesdays.

If there are any questions concerning summer recreation, please contact Mr. Brian Schick at 428-2301.

## Attention: Home Owners

During the past several months we have experienced two home breaking and enterings. These have happened in both instances just shortly after dark and no lights were left on in the house.

As you have probably read in other papers, this is becoming the big thing in other surrounding areas and is now affecting this area as well. Items being stolen are television sets, cameras, stereo sets and tape decks. These items are what is known as hot items or easy to sell on the street.

It is my suggestion as Chief of Police, when leaving home to turn on a few lights in the house and possibly alert one of your neighbors. I would also like to advise home owners that if a strange car or truck is at a neighbor's, to call the Manchester Police so that it may be investigated at once. Call 428-8505, Police Department or if no answer, call 971-8400 Washtenaw County and they will immediately contact us by radio.

To further assist you, the Manchester Police Department now has an Engraving Machine to loan out so that you may engrave your items with your social security number or drivers license number. As we have only one machine, a limit of two days for possession has to be put on it. This was given to us by Farm Bureau Insurance.

Remember, lock your house, turn

on some lights and advise a neighbor. If you will be gone for an extended period or on vacation, contact the Manchester Police Department as we will make property checks while you are gone.

### SENIORS TO GRADUATE

The 1972 senior class of the Michigan School for the Blind will be the 92 class graduating class in the history of this school. On Wednesday evening, June 14, at 8 p.m., 31 seniors will take their places on stage in the school's Lions Hall auditorium prepared to receive their diplomas which will be presented to them by Dr. Robert H. Thompson, superintendent of the Michigan School for the Blind. The address for this 92nd commencement ceremony will be presented by the Honorable Philip C. Pittenger, State Senator from the 24th District. This year's valedictorian is Miss Marcie Couch from Benton Harbor; the salutatorian is Mr. Steve Pollo from Lansing. The 31 seniors come from many different Michigan communities. Graduates from this area are Marty Wallen, son of Mr. and Mrs. Burton Wallen.

### CORRECTION

Laura Sutton will be attending Kalamazoo College in Kalamazoo instead of the University of Michigan as previously reported.

AGRICULTURE IN ACTION

WHICH WAY?

Some politicians consider proposed federal legislation to boost the minimum wage a sure way to win votes, even though such raises may increase unemployment by pricing less skilled workers out of the labor market.

The recent action of the U. S. Senate Labor Committee to raise the basic minimum wage from \$1.60 to \$2.20 an hour can have an adverse effect on the number of jobs available for our young people just out of high school.

It can also cause consumer prices to increase as the wage rates are applied to the cost of production.

According to Yale Brozen, professor of business economics, Graduate School of Business, University of Chicago, "The major group suffering unemployment as a consequence of the minimum wage are minority teenagers. Their unemployment numbers have gone up each time the minimum wage was increased, as it was in 1950, 1956, again in 1961, and still again in a series of increases between 1967 and 1971."

Such minimum wage rate increases also destroy opportunities for relevant job education for youths because of diminished beginning job opportunities for teenagers. These are the jobs in which teenagers normally acquire the skills which make them more productive and enable them to progress to jobs where they earn far more than the minimum.

It just doesn't seem to make much sense to appropriate millions for job training and summer jobs for disadvantaged youths while politicians push for minimum wage increases. At a time when our government is working to stop inflation and the general public is deeply concerned about consumer prices, politicians in Washington are taking steps which will push the inflationary spiral upward.

It is time our elected officials act realistically for the good of the country rather than from a strictly vote getting perspective.

The Answer

"If you have a problem or a question, we believe that an answer can be found in the Word of God." If you have a question, write "THE ANSWER," Manchester, Michigan 48158.

Question: Very often my husband doesn't come home until nearly midnight. I still love him and I certainly don't want a divorce. What can I do about this?

Answer: You must not only tell your husband that you love him, but you must try to show him this love in little ways. Whatever you do don't greet him with nagging and complaining. When he comes home the house should be neat and clean, and so should you.

Just because your husband is coming home late doesn't necessarily mean that he is doing wrong. But you should come right out and ask him what is keeping him out so late. You do have every right to know. It may be that it will be necessary for you to make it plain to him that if your marriage is to continue he must be loyal to you.

Don't forget God! It could be that this is where your problem lies. Marriages don't wind up in the divorce courts when a man and woman take Christ into their home. You should have a certain time each day for devotions when you can pray together and read your Bible. This is one of the healthiest tonics that can be prescribed for a marriage. If you both love God and offer your lives to Him, the distance which you now find between you will soon disappear.

Dad's Day Tribute

Make Father's Day an extra-red-letter day by serving Dad's favorite Cherry Pie with crimson fruit filling. A tender corn meal pastry crust gives this pie special man-appeal; its slightly crunchy texture and delicate flavor complement the juicy, tart-sweet filling perfectly. (Be sure to use enriched corn meal for its bonus of vitamins and iron.)

After the last of the steak dinner (Dad's other choice for his day) has disappeared, slice a generous wedge of pie and present to Dad with a mug of steaming coffee. He'll recognize this home-baked treat as a loving Father's Day tribute.

DAD'S FAVORITE CHERRY PIE

- Crust: 1 1/2 cups sifted all-purpose flour, 1/2 cup enriched corn meal, 1 teaspoon salt, 1/2 cup shortening, 6 to 8 tablespoons cold water. Filling: 2 tablespoons cornstarch, Dash salt, 3/4 cup sugar, Three 1-lb. cans red sour pitted cherries, very well drained, 6 drops red food coloring, 1/4 teaspoon almond extract, 1 tablespoon butter or margarine, cut into small pieces.

Heat oven to hot (400°F). For crust, sift together flour, corn meal and salt. Cut in shortening until mixture resembles coarse crumbs. Add water a tablespoon at a time, tossing lightly with a fork. Form into a ball. Divide in half. Roll out one half on lightly floured board or canvas to fit 9-inch pie plate. Line pie plate with pastry.

For filling, combine cornstarch, salt and sugar. Add cherries, food coloring and almond extract, stirring just until blended. Pour into pie shell. Dot with butter.

Roll out remaining pastry to fit top of pie. Place over filling; trim, seal and flute edges. Cut slits in top for steam to escape. Sprinkle with granulated sugar. Place immediately in preheated oven (400°F). Bake 45 to 50 minutes or until bubbly. Cool.

JUNE 12: SUMMER BAND

On June 12 the Summer Band Program will commence. The schedule is as follows:

10:30 - Extra help, ensembles, etc.
11:30 - Extra help
Tuesday, 8:30 - 5th grade Comet, trombone
9:30 - 6th grade Comet, trombone
10:30 - Band (Jr. High, High School)
Wednesday - Repeat of Monday except band at 10:30.
Thursday - Repeat of Tuesday except no band.

All classes will meet in the high school band room. Alterations of this schedule may be necessary due to enrollment and to provide the proper attention for success.

IDEAL DAIRY FARM

Michigan State University agricultural economists say the ideal dairy farm in Michigan is a 400 to 700 cow operation employing five to eight men.

LIBRARY TRUSTEE PETITION DEADLINE - June 20

Two Manchester Township Library Trustees are to be elected at the November local and national election. In order to be on the ballot, one must be a resident of Manchester Township and circulate and return to Waldo Marx (Township Clerk) a petition for this position by June 20th at 4:00 p.m. The names of those who petition will be on the August Primary ballot. According to a ruling on the State Constitution two years ago, it became necessary for Township Library Trustees to be elected in this manner after 132 years of being appointed by the Township Board of Trustees.

The two incumbents, Harold Burch and Mrs. Robert (Patricia) Swartz will be seeking another term of 6 years.

In 1970, Mrs. Rolland Grossman and Mrs. Franklin Reck were elected to the board. The other two members whose terms expire in 1974 are Mrs. Richard Kuntz and Mrs. Tom Walton.

Petitions and instructions are available from the Township Clerk, Waldo Marx, 210 Union Street, Manchester.

Michigan ranks first in the nation in commercial production of blueberries with a 1971 crop of 32 million pounds valued at \$9.3 million. About half the blueberries are sold fresh while the remainder go to canneries and freezing plants. For home cooking, nothing beats a succulent blueberry pie.

CELERY

During the 1971 season, Michigan grew 2,100 acres of crisp, top quality celery yielding 410 hundredweight per acre. Total production (up 12% from 1970) was 86,100,000 pounds, valued at \$5,721,000. The dollar value was 25% greater than last year. Michigan ranks third in celery production in the country.

OUR HEALTH

By C. H. Tracy, M.D.

My husband and I lead a very active outdoor life. The weathered look becomes him, but it's aging me. Must I give it all up to keep a youthful appearance? (I'm 35.)

and your youthful appearance too!

Since I always advise getting sufficient exercise, my answer is most emphatically, no! Continue your active life. You can have that and your youthful appearance too! It's only normal that with the years we lose some of the natural oils so important to that youthful skin. Dryness is caused by a decrease in the activity of the sebaceous glands. Your constant exposure to weather furthers the drying process, robbing your skin of this precious moisture faster than it can be replaced. In addition, prolonged exposure to the sun tends to thicken the outer layer of the skin. The result is weathered-looking skin and a dryness which may emphasize any wrinkles.

When you're on the ski slopes, chances are your main worry is your face. Carry on with washing it once a day with soap and water, but in addition to this cleansing process, do turn to a skin lotion which will relieve the dryness and itchiness caused

by overexposure to harsh weather. It's a good idea to go through this process daily or as often as you feel necessary.

For all-over protection, whether from harsh winter weather or exposure to the tropic sun, the same sort of good thinking applies here, too. I recommend adding a therapeutic bath oil such as Alpha Kerit to the bath water, to alleviate the dryness and itch.

A good point to remember - don't overdo - even too much exercise would be ill-advised, just as too much soaping can dry the skin. Keep your individual needs in mind. My friend and I have been disputing over the difference between a strain and sprain. Can you set us straight?

A sprain is the result of the breaking of fibers in one or more ligaments or tendons around a joint. A strain occurs when you overstretch or overuse a muscle. Football fans may recall hearing of their favorite star's suffering from a charley horse. This common muscular occurrence often is the result of too vigorous warming up too vigiletless getting into condition.

# Ask Senator GRIFFIN

To cut through red tape members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to Senator Robert P. Griffin, Senate Office Building, Washington D.C. 20510.

A lot of black children are dying from sickle cell anemia. Can't the federal government do something to find a cure for this awful disease?  
—P. G., Detroit

It may be of some encouragement to know that on May 15, the President signed S. 2576, the National Sickle Cell Prevention Act, a bill I cosponsored and strongly supported. This new law will make up to \$100 million available over the next three years for research to try to find the cause of, and a treatment for, this crippling blood disorder.

I understand the Federal government publishes material on the preparation and storage of foods. How can I obtain this information?  
—J. G., Marquette

Write to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, and ask for a list of available government publications on the preparation of foods. The list and order forms will come to you free of charge.

I've been receiving periodic treatments from my doctor. In December he charged \$15, but now he charges \$45 for the same procedure. Isn't something wrong?  
—S. S., Taylor

There certainly is. In late December the Price Commission issued regulations limiting increases in physician fees. Doctors can't hike their charges more than 2 1/2 per cent except in special situations. The IRS Stabilization Office in Detroit is investigating your case for possible violations of the regulations.

## 4-H'ers Work to Conserve America's Natural Resources

SPECIAL - Young people today are firmly committed to their survival and that of this planet. They are involved with the problems and seek solutions to air and water pollution, garbage disposal, survival of threatened animal and bird life. In fact they want to conserve all of America's natural resources.

Among the active and concerned young people are more than 320,000 enrolled in the 4-H conservation of natural resources program.

The effectiveness of their work is reflected in a case study of one young man who worked four years in 4-H conservation, sponsored nationally by John Deere and supervised by the Cooperative Extension Service.

John J. Silvia Jr., 18, of Middletown, R.I., concentrated his efforts on preserving and enhancing the life and natural habitat of animals, birds, insects and vegetation. And he skillfully persuaded others around him by word and deed to become involved.

In order to carry his conservation message more forcefully to other 4-H members and to various civic groups, the youth took up the 4-H public speaking project. He used his 4-H photography project to tell the story of the need for all people to be

concerned and do something about conservation.

As a result of his avid interest and his effective teaching of younger 4-H members, his 4-H club earned special recognition in 1970.

Now a University of Maine freshman planning a career in wildlife management and conservation, Silvia also earned one of six educational scholarships of \$700 each provided by John Deere in 1971.

Again in 1972, John Deere is making available to members a maximum of four medals of honor per county and an all-expense-paid trip to the 51st National 4-H Congress in Chicago, Nov. 26-30, for the state winner.

At the National 4-H Congress, representatives of the donor will present six educational scholarships of \$700 each to national winners.

Clubs carrying on outstanding conservation programs receive certificates of merit. And a \$50 cash award is provided for one county in each state reporting the most outstanding 4-H conservation program. This award is to be used for further work in the 4-H conservation of natural resources program.

For information about local 4-H conservation activities contact the county extension agent or the state 4-H office.

## Donation Towards Uniform Fund

Grand Knight Lehman Wahl of Fr. Fisher Council #4354, Knights of Columbus, is presenting a donation to band director, Cliff Ferguson for the Manchester High School Band uniform fund. The Knights feel that the much needed new uniforms will help inspire pride in the band and will benefit many young people in the community for years to come.

### A NEW LOOK FOR SUMMER

Summer weather brings it's own special challenges that can damage your hair and skin. Whether your skin is oily, dry, or normal it needs moisturization to prevent dehydration.

Begin with a mild cleanser to gently remove soil and oil without drying. Follow with a moisturizer suited for your particular skin type. This is vital to tone and balance your skin and to keep your make-up fresh and dewy looking.

Many women prefer a lighter more translucent make-up for summer's hot humid weather. Modern chemistry has provided the solution with the new whipped aerosol make ups. They're unbelievably sheer and fluffy, yet provide long lasting coverage.

Often when skin becomes tamed it loses it's natural blush. Select a transparent "gel" type product to impart a natural healthy glow to the "apple" of your cheeks, over make up or alone. Co-ordinated lip tints are also available. Select one with a sun-screener to protect lips from harsh sun rays.

To complete your new look try adding a cooling summer shade of eye shadow to your wardrobe - like frosty Buttercup or Mauve or cream colors. These blend well with all your favorite shades.
