Optimist Outstanding Citizen

Ron Steele, son of Mr. and Mrs. Charles Steele of 216 Beaufort Street and a sophomore at Manchester High School is the Outstanding Citizen for the month of February.

Ron played football and basketball in the 7th grade. In the 8th grade he played football, basketball, acted as high school baseball manager, and represented his class in the student council. As a freshman Ron played on the J.V. football team, freshman basketball team, Varsity baseball team and headed the construction of the class floats.

This year Ron played on the Varsity football team, the JV basketball team, and was a member of the class ring selection committee. Recently Ron was Co-Chairman of the magazine sale that broke the all-time school record. Although Ron is not a member of the Varsity Club, he has been helpful with its various projects and has been helpful in setting up many of the athletic banquets. The Chicken Broil has been an activity that Ron has participated in since he was a Cub Scout in the 5th grade.

Ron has taken many summer trips with the Steele family going to places as far as Boston, Montreal, Tennessee, Montana and all parts of Michigan.

In Ron's future plans, he would like to be a teacher or a electrician. CONGRATULATIONS !!

Honorary Chairman For Easter Seal

The honorable John B. Swainson, Associate Justice of the Michigan Supreme Court this week announced the opening of the 1973 Easter Seal Campaign for crippled children and adults.

Justice Swainson is the Honorary State Chairman for the campaign which opens in Michigan and throughout the nation on March 1, culminating on Easter Sunday, April 22.

Justice Swainson is an excellent example of a man who overcame a tremendous handicap, having lost both legs while in service with the United States Army in France under General George S. Patton, Jr. in November, 1944.

Upon release from the Army Hospital System he entered college and earned both a Bachelor of Arts and Law Degree at the University of North Carolina. He then entered private law practice in Detroit.

Entering the field of politics Swainson's progress was meteoric. In 1954 he was elected to the Michigan State Senate and re-elected in 1956. In 1958 he was elected Lieutenant Governor of the State of Michigan. In 1960 at the age of 35, he became the 40th Governor of the state. Continuing in public service John B. Swainson was elected Justice of the third circuit in 1965 and one year later re-elected. In November, 1970 he was elected to an 8 year term on the Michigan Supreme Court in which

60th Wedding Anniversary

The children of Mr. and Mrs. Elmer Blaisdell are hosting an Open House in honor of their parents 60th Wedding Anniversary, March 4 from 2 to 4 in the afternoon at 10015 Kies Road, Manchester.

Elmer Blaisdell and Donna Lowery were married at the home of the bride's parents, Joseph and Nettie Lowery, in the presence of her mother and sister.

The couple reside at 10015 Kies Road, the farm where they were married 60 years ago.

They have two children; E. Lewis and Mrs. Erwin (Thelma) Blumenauer, six grandchildren and eleven great-grandchildren.

Mr. Blaisdell is a retired farmer and his wife enjoys crocheting.

River Clean-Up Planned

The Manchester Jaycees, in conjunction with many civic, social, and community groups, are sponsoring the 11th annual river clean-up.

This program is scheduled to take place on Saturday, March 1, 1973. All interested parties will be meeting at the Knights of Columbus Hall at 9:00 a.m.

This year's project will be aided by the Jaycee Auxiliary, the Boy Scouts, the high school ecology club, Girls Scouts, Knights of Columbus, and the Manchester Jaycees.

The Knights of Columbus members have given the Jaycees use of their hall so that the Jaycee auxiliary can prepare a lunch for all those working on the river clean-up program.

The area of the river scheduled for clean-up is the West side, north of the bridge.

Anyone having equipment to aid the groups in this worthwhile community project, should contact Jeff Schaffer (428-7271) as soon as possible. The larger the working group, the more successful the program will be.

Bill Kemmer, chairman of the Manchester Jaycees, assures the community at large, that a good turn out and successful results will be accomplished.

MULLIGAN STEW COMING SOON

"What's in is not far out," will be the theme of the new 4-11 TV series "Mulligan Stew."

Featuring a five-piece kid's rock band turning-on to good nutrition, "Mulligan Stew" is take-off on "Mission Impossible." The six, half-hour TV shows will guest star such people as astronauts, food specialists and scientists.

According to Duncan E. Sanford, Extension 4-H - Youth Agent, the new series can be viewed on Channel 11, WTOL, Toledo, starting Saturday, March 10 at 2 p.m. or Channel 6 WJIM, Lansing, starting Saturday, February 24th.

"The target audience will be 4th, 5th, 6th graders," says Sanford. "However, these shows get everyone involved in the exciting world of food: young, old, low income families, urbanites, expanded nutrition audiences and aides, leaders and teachers."

A special activity book filled with games, puzzles, fun-to-do activities and do-it-yourself projects is available to each viewer. In addition, a set of materials is available for each learning-director.

"The learning-director might be an older member of the family, a parent or other adult, a teacher, or even a 4-H leader," says Sanford. "We encourage the learning-director to work with a group of three or more to initiate group activities."

The program materials may be obtained by contacting Washenaw 4-H Office in the County Building Ann Arbor at 663-7511, Ext. 227.

The total program package will cover such things as "what food does," "4432... magic clue," "key nutrients," "plants and animals as foods," "what people eat in other countries," "sea, space, and engineered foods," and "what a calorie is."

Mulligan Stew was developed by the Expanded Nutrition Programs, United States Department of Agriculture, in cooperation with the Extension Service, USDA, and state Extension Services of the land grant universities.

When Mulligan Stew tunes-in for the first time Saturday, March 10 at 2 p.m. on channel 11, the Mulligans will be tackling a "mission impossible" called "The Great Nutrition Turn On," the rock group will be walking up a sleeping town - including a bank robber.

LOCKWOOD MARTLING PAYS RETURN VISIT TO MANCHESTER

It was snowing and far from ideal for taking pictures but there he was busily snapping pictures of the changes in Manchester since his last visit.

Lockwood W. Martling from Housing & Urban Development in Chicago stopped briefly in Manchester last Thursday. He was thrilled at the many changes such as the storefronts painted, neon signs removed and the painting of the mill. He took many slides though he suspect he has more snowflakes than anything. He was passing through after visiting Williamston, Michigan and several other communities that he has started toward restoration of their downtown areas. He remarked how much Manchester has done in the two years since his visit.

It was through the Chamber of Commerce that Mr. Martling was first invited to Manchester. An open meeting was held with all business and industrial people present. Mr. Martling showed with slides and explanations what could be done in Manchester to restore it to its former beauty.

Many of the merchants painted that same summer and more added color and new fronts last year. The Chamber hopes to get Mr. Martling here again this summer for a progress report and more ideas on what still needs to be done.

One thing we can be proud of is the fact that Mr. Martling is using many slides of Manchester in his talks and showing what fine things can be done in a town when the entire community gets together and works at restoration. He is sure that Manchester will be reaping many benefits from their decision to adopt a "Turn of the Century" motif.

After lunch at the Black Sheep and a quick tour of Main Street, Mr. Martling left for a small town in Indiana where he was to speak that evening.

AGRICULTURE IN ACTION

by Carl P. Kentner
MICHIGAN FARM BUREAU

Farmers are planning for spring planting and expressing hope that all will go well in this summer's contract negotiations between West Coast union dockworkers and their employers. Any work stoppage at West Coast ports would affect U.S. wheat, fruit, vegetable and rice exports.

In voicing his concern, William J. Kuhfuss, president of the American Farm Bureau Federation said, "We hope that agreements can be worked out so we will not have a repetition of the 135-day work stoppage of 1971 which paralyzed West Coast ship operations."

"If we are to maintain and expand U.S. exports, both farm and industrial, we must be able to guarantee delivery on schedule anywhere in the world. If buyers lose confidence in our reliability, they will quickly turn to other sources of supply. Markets lost in this manner are difficult, if not impossible, to regain. In the case of farm exports, we lose not only the sale, but the time, effort and money invested in trade promotion."

Past labor disputes, which tied up most major shipping ports, resulted in some one billion dollars in losses to U.S. farmers, plus additional losses to exporters of non-farm products.

During 1972, \$9 billion worth of U.S. farm products were sold overseas and by the end of the present fiscal year, ending June 30, 1973, farm exports are expected to reach \$10 billion.

For every one billion dollars in goods and services we export, we are supporting about 100,000 jobs here in our country. If we can increase our exports, it would be a great step in solving our unemployment problem as well as retaining the jobs that are now being provided.

THE MANCHESTER BAPTIST CHAPEL PRESENTS "IN SONG, IN CHRIST"

The Evangels whose nine voice ensemble's motto is "Singing I Go" will once more be the guests of the Manchester Baptist Chapel on March 3 at 7:00 pm. In the former Methodist Church Building on Main Street.

A smaller group of these young people, who come to us from the Southland Bible Institute of Pikeville, Kentucky, was here on August fourth, 1972 and were well received by our community. The current group consists of four boys and five girls and features Barbara Allen, in the foreground of the above picture.

The Baptist Chapel is especially glad to have a team from this Bible College as it is the Alma Mater of our Sunday School Superintendent, Leonard Sheldon, and his daughter, Faith.

If you love good gospel music, good news from the Word, and like to see an outstanding performance by clean cut young people, you are urged to come on down Saturday night and sit in on "In Song, In Christ."

There is no admission fee but there will be a free will offering.

Ed was born in Manchester on November 13, 1908. He is a life-long resident and parishioner of St. Mary's Church and a 1926 graduate of the Manchester High School.

Mr. Kirk joined the Union Savings Bank of Manchester on February 4, 1927. Ed has worked, served, and handled various positions in the Bank from bookkeeper to teller, rising in 1970 to the position of Vice-President.

In addition to Mr. Kirk's activities at the Bank, in the community he has served in many phases including Vil-

lage Treasurer since 1935; driving a bus for the Manchester schools since 1948; a former president, vice-president, and treasurer of the Manchester Optimist Club; the founder and still-active member of St. Mary's Usher Club; a chartered member of the Knights of Columbus; a founder of the Cemetery Association; chairman for the Archdiocese of Detroit Development Fund; chairman of founder of the Village's annual Chicken Broil, and many associations too numerous to mention. These accomplishments and

more were the motivating factors that lead the Manchester Jaycees to award this honor to this outstanding citizen, businessman, and member of the community.

Ed and Dorothy Kirk reside on Territorial Road, have five children, and seven grandchildren, all of whom are very proud of Mr. Kirk and his marvelous accomplishments over these last 64 years.

savings VERSUS THE stock market

How does the undramatic savings deposit really compare to the widely discussed more glamorous stock market?

What about the usual advice to discipline yourself first by building a savings account, and then, after that duty is completed, you can venture into more profitable, worthwhile investments?

A look at long-term trends in the stock market should cause this bit of locker-room lore to be discarded.

Over most of the past half decade, the unheralded savings account actually outperformed the stock market. The asset value of the savings remained at \$10,000 while the asset value of stocks fluctuated widely. The savings account paid a better return on capital than the companies on the Dow Jones Averages.

The chart here shows the asset value of \$10,000 placed in the market at each of the Dow Jones averages and in a savings account at the beginning of January 1966. In early 1966, the stock market investments looked good. Industrials climbed to a peak of 995.15 on Feb-

ruary 9. Then the market faltered and the redemption value represented by the blue chip stocks in the Dow averages fell to around \$8,000, or a 20% capital loss by fall.

The market recovered from time to time, but on only three occasions did the value of the stock equal or exceed the initial \$10,000 investment. There were many long, dry periods when the value of the original stock investment was far under the \$10,000 savings account.

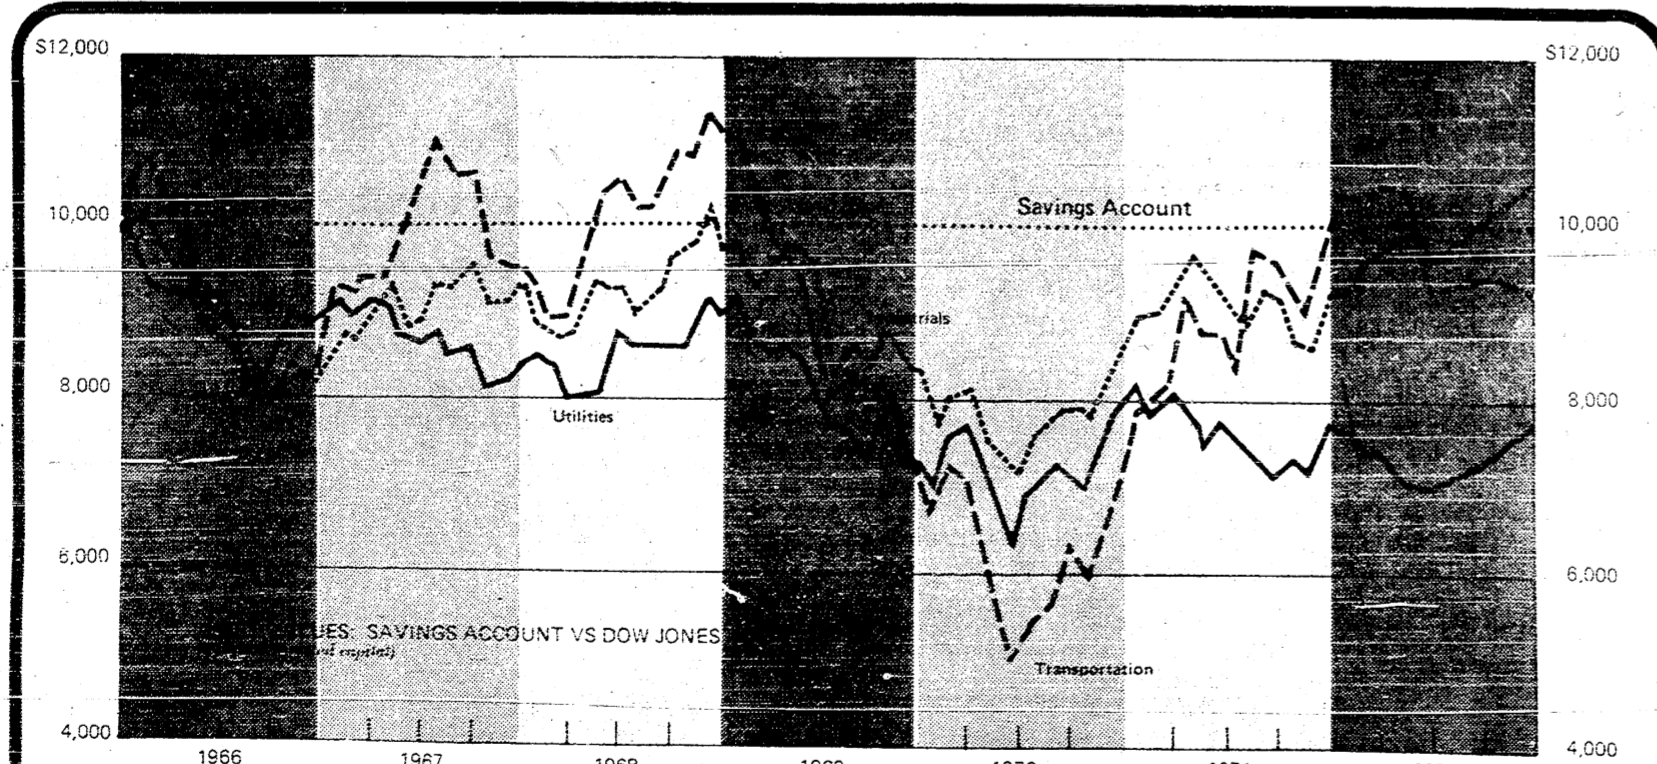

Long term plans for retirement or college education would have suffered greatly if the funds were needed during these dry periods.

Unless you are an investment specialist, know just when to buy and sell, or are just plain lucky your best investment is a savings account at Ann Arbor Federal Savings. It pays a sure, safe return and each account is insured to \$20,000 with the FSLIC.

A folder that goes into this in greater detail is available at any AAFS office.

State Outstanding Farmer Award

Stan was born and raised in Wayne County, Michigan, and moved to Manchester in 1957.

Our outstanding young farmer is in partnership with his father, Andy Post, handling 430 acres including corn, hay, and beef cattle. The Post's feed over 350 head per year. In Stan's earlier farming career, he won the Vo-Ag

Farmer Award for the "Farmer of America."

Stan's official plaque will be presented to him later at the State Jaycee Farm Management Banquet at Michigan State University's Kellogg Center next month.

Honorary Chairman For Easter Seal

Upon his appointment as Honorary State Chairman of the 1973 Easter Seal Campaign by Albert F. Tews, O.D., of Utica, President of the Easter Seal Society for crippled children and adults of Michigan, Justice Swainson stated he would be a working chairman.

In commenting about the campaign Justice Swainson states that it is an honor and a privilege to serve as chairman of an organization which has served the handicapped of the State of Michigan for over 50 years, approximately 10,000 handicapped boys and girls, as well as adults in the State of Michigan receive services of one type or another during the year.

Nearly two million sheets of Easter Seals and appeal letters will be placed in the mail within the next two weeks. This is the principal source of income for Easter Seal Societies located in every county in the State of Michigan. Chairman Swainson urges all citizens, business and industry, clubs and organizations to respond generously this year to the appeal with the statement that when you give to Easter Seals you give hope, confidence, security and spirit to handicapped children and adults in our great state.

NEW SOIL SURVEY PARTY LEADER JOINS WASHTENAW COUNTY SCS STAFF

Mr. Robert Engel, age 29, Soil Scientist from Sheboygan, Wisconsin, has been assigned as Soil Survey Party Leader for Washtenaw County Soil Survey Program.

Engel succeeds Mr. Neil Stroesenreuther, former Soil Survey Party Leader, who was transferred and promoted to the position of Assistant State Soil Scientist at the Soil Conservation Service State Office in East Lansing.

Prior to coming to Michigan, Mr. Engel worked as Soil Survey Party Leader in Sheboygan County, Wisconsin. He has also held positions as a Soil Scientist at two other locations in Wisconsin.

Engel is a graduate of Wisconsin State University where he received his B.S. degree in Plant and Earth Science in 1967.

In his new assignment as Soil Survey Party Leader, Engel will be responsible for supervising the Modern Soil Survey Program in Washtenaw County which began in 1968 and is scheduled for completion of the field work in 1973. He is headquartered at the Ann Arbor SCS Field Office located at 6101 Jackson Road, Ann Arbor.

Robert and his wife, Nancy, and their two children, Heather and Ann, reside at 140 East Summit Street in Chelsea.

State Farm person to person health insurance

It can make you feel better

Maybe it's old-fashioned, but we still believe you deserve some personal attention—especially when you're sick or hurt. Our person to person health insurance makes sure you get it. As your State Farm agents, we're right here to help—whenever you need us. And our person to person health insurance can provide extra cash when you're in the hospital, disability income (even if you're laid up for several years), cash to help you meet loan or installment payments when you're unable to work, and hospital and surgical benefits. All with the kind of personal attention you thought had vanished.

CENTRAL MICHIGAN UNIVERSITY

Approximately 3550 students have been named to the academic honors list at Central Michigan University for the 1972 Winter semester. In addition, 870 students have been honored for achieving straight "A" averages for the semester.

To be eligible for the academic honors list, a student must have a cumulative grade average of "B" or better for his entire college career.

The straight "A" list is based upon winter semester grades without regard to cumulative averages.

Included on the winter honors list are some 3,494 students from Michigan. Forty-six students from states other than Michigan and 10 students from foreign countries are also on the honors list.

The students achieving academic honors were among 14,317 enrolled at the University for the semester which ended December 15.

From this area, named to the list is Phil J. Heimerdinger, Sophomore, 10945 Koebbe Rd., Manchester.

Ask Senator

GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

Just to get along these days, a person has to remember an awful lot of numbers. Everything from my birth certificate to my social security seems to be programmed and numbered. Which makes me wonder: Why do we have to put up with zip codes? Do they really mean anything, or does some bureaucrat just affix a figure from his last expense account to an area of the country and call it progress?

—S. R., Manistee

In this case, the federal government isn't quite as arbitrary as that. Zip codes are very logical and useful. Take your own zip code for example—49660. The first number, 4, refers to a geographical region, which in this case is Kentucky, Ohio, Indiana and Michigan. When an 8 or 9 is the second number, it signifies Michigan. The third number refers to a sectional center within the state—in this case Traverse City, which services about ten counties. And the last two numbers in your zip code direct your mail to the Manistee post office.

My husband passed away recently, and the funeral took a very large portion of the small savings we had. I still owe the funeral home several hundred dollars. For the past ten years, my late husband and I lived solely on social security. Is there help available to pay for all or part of the funeral expenses?

—T. S., Cadillac

Under the social security laws, you are entitled to \$250 toward your husband's burial expenses. You should go to your local social security office and fill out the required forms.

CONSERVATION DISTRICT ELECTS OFFICERS

William Fishbeck of 7994 Plymouth Road, Ann Arbor, has been elected Chairman of the Washtenaw County Soil Conservation District's Board of Directors.

He succeeds Stephen Bristle of Manchester who did not seek re-election to the board this year. Other officers are William Nixon of Dexter, Vice-Chairman; Henry Holland of Manchester, Secretary; Andrew Maffett of Dexter, Treasurer and Lloyd Braun of Ann Arbor, Information Director.

The Board of Directors of the Soil Conservation District hold their monthly business meetings the second Thursday of each month at 8:00 p. m. at the U. S. Soil Conservation Service Office on Jackson Road in Ann Arbor.

4-H MARKET BEEF CLINIC SET

Saturday, March 3, 9 a. m. till noon, is the date for the Washtenaw County 4-H Market Beef Clinic and weigh in. It will be held at the Rural Activities Center on Saline-Ann Arbor Road.

All 4-H'ers who plan to show and sell market livestock at the 4-H Show in August must bring their animals to have them weighed in and tattooed. Each member may weigh in a maximum of four steers.

Each member will be interviewed by county leader to find out what knowledge they have about the market beef project. The leaders will in turn make suggestions and answer questions for the members.

by BILL TRIPP

... about the flags of the United States?

We live in a country less than 200 years old while flags have been used for some 6,500 years to show nationality and allegiance.

Yet, notes Compton's Encyclopedia, the basic national flag of the U.S. is one of the oldest still being flown. Only the basic flags of six other countries — Austria, Denmark, Great Britain, the Netherlands, Sweden and Switzerland — are older than our own.

In 1777, Congress created this basic design. Thirteen stripes alternating red and white stripes and 13 white stars in a field of blue represented the 13 colonies which had declared their independence the year before.

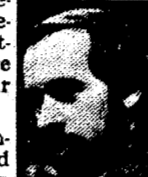

As the Union grew and prospered, one star and one stripe were added for each new state. In 1795, Kentucky and Vermont were so represented. By 1817, through, with the Union now totaling 20 states, it was obvious that this practice would distort the original

shape of the flag. Congress decided to return to a flag with one star to represent each state.

When Hawaii was admitted as our 50th state in 1959, our flag was changed for the 26th time.

There are many government flags flown in the U.S. in addition to the national flag. Among them are the president's and vice-president's flags and those of the federal departments and some federal agencies. Each state in the Union has an official flag as do many cities.

Compton's Encyclopedia offers a reprint of its 35-page article "Flags." If you would like this article, write Department of Educational Services/Flags, F. E. Compton Co., 425 N. Michigan Ave., Chicago, 11 60611.

A Warm Welcome On A Cold Day

Polka Dot Coffee Cake extends the warmest and sweetest of greetings to a new neighbor — or old friends! The flavorful, fragrant corn meal yeast bread boasts pockets of luscious strawberry or raspberry jam — making it delightfully different, unusually good.

POLKA DOT COFFEE CAKE
Makes two 8-inch coffee cakes

- | | |
|------------------------------------------|------------------------------------------------|
| 2 cakes compressed or 2 pkg. dry yeast | 3/4 cup enriched corn meal |
| 1/2 cup lukewarm water | 1 cup strawberry or raspberry jam or preserves |
| 3/4 cup milk, scalded | |
| 1/2 cup sugar | Glaze: |
| 1/2 teaspoons salt | 1 cup sifted confectioners sugar |
| 1/2 cup butter or margarine | 1/2 tablespoons milk |
| 1 egg | |
| 4 to 4 1/2 cups sifted all-purpose flour | |

Soften yeast in lukewarm water. (Use warm water for dry yeast.) Pour scalded milk over sugar, salt and butter. Cool to lukewarm. Stir in egg and 1 cup flour. Add softened yeast and corn meal. Stir in enough additional flour to make a soft dough.

Turn dough out onto lightly floured board or canvas; knead until smooth and satiny, about 10 minutes. Round dough into ball; place in greased bowl; brush lightly with melted shortening. Cover and let rise in warm place until double in size, about 1 hour.

Punch dough down; cover. Divide in half. Round each part into ball. Place in two greased 8-inch baking pans. Brush with melted butter.

Cover and let rise in warm place until nearly double in size, about 45 minutes. With finger make deep hole in center of dough; insert some of the jam. Continue making holes over surface in same manner, filling each hole with jam. Bake in preheated moderate oven (350°F.) 30 to 35 minutes or until golden brown. Cool; frost with glaze made by combining confectioners sugar and milk.

FAST BREAKS SPELL DEATH FOR ONSTED AND BRITTON

The Dutchmen again proved they've got what it takes to win on the basketball court. Friday night their second quarter speed sank Onsted 75-59. Guard Rich Kennedy ripped the nets for 23 points and Scott Gormley scored 19. The team effort balanced out the remaining 33 points.

Saturday night the third quarter spelled doom for the Britton Tories by a defeat of 66-49. Tom Popkey and Scott Gormley led the balanced scoring with 14 points each while Brad Roberts and John Savage added 10 apiece. Only one more game remains next Friday night at Grass Lake before the District Tournaments at Clinton March 5-10. Let's see a good crowd at Grass Lake - come on out and support your team! Good Luck Dutch!

COUNTY YOUNG FARM WIVES ATTEND LEADER CONFERENCE

Mrs. Archie Bradbury of Dexter and Mrs. Roger Trolz of Manchester were among the over 100 young farmers from throughout the state who attended the Young Farmers Leaders' Conference in Ann Arbor on January 16-17-18. The three-day conference was sponsored by the Michigan Farm Bureau, the state's largest farm organization, for the purpose of offering its young members an opportunity for leadership development.

The Bradbury's and Trolz's are active in the Washtenaw County Farm Bureau, serving on the Young Farmers Committee. Washtenaw County has 1,911 family members of the organization's total state membership of 59,600 families.

Highlights of the conference were four leadership classes, all of which were attended by Mrs. Bradbury and Mrs. Trolz. These include "Effective Communication" with Terry Buckles, Vice President of Communications and Public Relations for the Farm Bureau Insurance Group, as instructor, and "Farm Bureau Today," presented by Larry R. Ewing, Manager of the Program Development Division, Michigan Farm Bureau. Dr. Robert McCoy, Associate Professor in the College of Business at Eastern Michigan University, led the class on "Understanding Motivation - the Key to Successful Leadership," and David L. Cook, Director of Young Farmer Programs for the Michigan Farm Bureau, was instructor for "Young Farmers in Action."

The young farmers were also brought up to date on the Occupational Safety and Health Act (OSHA) and learned of the various requirements which must be met by farmers under the Act. Many of these young farmers will now sponsor informational meetings on OSHA back in their home counties. The conference also featured addresses by the President of the Michigan Farm Bureau, Elton R. Smith, and the Chairman of the State Young Farmer Committee, William Spite of Owosso.

The leaders' conference has become an annual project of the Young Farmer Program in Michigan, which was recently awarded first-place in national competition for overall achievement, by the American Farm Bureau Federation. The award was presented at the national convention in Los Angeles, California, where over 600 Michigan people attended, including many young farmers.

OKABENA, MINN., PRESS: "Politics has invaded our living rooms as... candidates have carried on some spiritedly debate. It would be interesting to see if each candidate could make good all of his promises made while campaigning. Do you suppose they recall all of their guarantees? No doubt they have the very best of intentions, but their performance depends entirely upon those with whom they work."

Dear Friends and Relatives:
In this way I hope to thank all of you wonderful people who sent me those beautiful cards, gifts and prayers for my ninety-first birthday. I would love to send personal cards to all of you but there are so many scattered from here to Japan and Australia and many parts of the U.S.A. that I just can't send cards to all.
Thank you, Thank you
Florence J. Kirk

I wish to thank all of my relatives and friends who sent gifts and cards while I was in the hospital.

Couples To Celebrate 25th and 50th Anniversaries

Two generations of family will this week celebrate Silver and Golden Wedding Anniversaries, with an afternoon open house in Manchester.

The families of Edna and Claran Knauss and Jacqueline and Robert Armentrout will participate in the affair from 2 to 5 p. m. on Sunday March 11.

Fifty years ago Edna Hopkins and Claran Knauss were married in Adrian with her uncle Mr. Orla as best man and Claran's sister Mildred Knauss Underhill as maid of honor.

Three children, all living in Manchester were born of this marriage, Claran Jr., Gaylord, and Jacqueline Armentrout.

Twenty five years later, on March 11, 1948 Jacqueline and Robert Armentrout were married in Manchester with Bob's sister Shirley Armentrout Facht as maid of honor and Tooties brother Gaylord Knauss as best man.

Nine grandchildren, Gaylord, Gary, Gretchen, Gine, Claran III (Dusty), Randall and Scott Knauss, as well as Tim and Tod Armentrout will be present.

The theme of the party is being done in a silver and gold dual tone with all decorations using both colors.

Jaycee Scholarship Forms Available

Again this year the Manchester Jaycee Auxiliary is offering a scholarship to a high school graduate or any adult age 18 and over who needs financial aid to further his or her education. Applications are available at the high school or contact any Jaycee Auxiliary member. Completed applications may be left at the high school or mailed to P. O. Box 314, Manchester. Please be sure to mark envelopes "Attention - Scholarship". Deadline for all applications is May 14. All information will be kept confidential.

Jaycees Support Crime Prevention

President, James Curley of the Manchester Jaycees announced that our local chapter has given full support to last years United States Jaycees project for the prevention of automobile car thief in America.

Mr. Curley pointed to the lock-it and pocket the key program for all automobiles operated by Manchester residents. He further stated that unlocked cars or vehicles with the key in the ignition, serve as an open invitation to young people.

Thus, our main responsibility as both Jaycees and young men of action, is to encourage ourselves and our fellow citizens to channel youthful exuberance in constructive channels rather than a one way ticket to a possible life of crime.

Mr. Curley, the Manchester Jaycees, and all responsible citizens of our community, are looking forward to a successful, crimeless, and happy future for all young people.

Remember, lock-it and pocket. The automobile key should be the key phrase when we park our car either at home, work or visiting. Young people need our help and assistance. Let us not let them down.

Bloodmobile To Be Here March 30th

The first Bloodmobile for the Manchester Community Blood Club this year will be March 30 at the new United Methodist Church on Ann Arbor Street from 12:00 to 6:00 pm. Mrs. Robert Little is Chairman - of-the-day with Mrs. Ica Schaffer co-chairman. The professional staff will come from Southeastern Michigan Blood Center, Detroit.

Local industries participating in the clinic are Double A Products, Manchester Tool & Die, Manchester Stamping and Plastics. Churches in the area and the Jaycees are working on the 20% Plan which was introduced over a year ago. This is a plan whereby the blood needs of all members, as well as all group members spouses, children under 18, children over 18 unable to donate, parents, parents-in-law, grand-parents, and grand-parents-in-law living anywhere in the United States or Canada are covered if 20% of the membership of the group gives blood during the year.

Families which may not be included in these groups may assure themselves of similar coverage by donating blood at a Red Cross Bloodmobile once or oftener during a year. Of course residents of the Manchester School District and Manchester Township are automatically covered by the local club as they have been the past 22 years. When blood is needed at a hospital the family should contact the Releasing Committee, Mrs. Franklin Reck, Mrs. Roland Crossman or Mrs. Millard Uphaus. In the various industries the Personnel Department will process the requests.

Recruiters who will be conducting the phoning campaigns and who have been named to date are Mrs. Fred Munson for Bethel United Church of Christ, Mrs. Norman Fielder for Emanuel United Church of Christ, Mrs. Ralph Janofski for Iron Creek Church, Mrs. Robert Noves for Manchester United Methodist Church, Reverend Enslin for North Sharon Community Bible Church, Mrs. Joseph Lozler for Sharon United Methodist Church, Mr. Donald Bauer for St. John's United Church of Christ, Mrs. LeRoy Armbruster for St. John's Evangelical Lutheran Church of Bridgewater, Mrs. William Schwab for St. Mary's Catholic Church, Reverend Daniel Mattson for St. Thomas Lutheran Church and Reverend John Morris for Zion Lutheran Church.

There will be a Bloodmobile in Saline, April 9 and 10, at which Bethel and St. John's of Bridgewater can easily add to their quotas.

A nursery will be available at the

Engagements Announced

Methodist Church clinic this time for mothers who wish to come and donate. And for those who are not familiar with the new church, the parking lot is at the back of the building and the entrance to Hoffer Hall, where the clinic is held, is under the portico at the lower level.

Mr. and Mrs. Bernard Kemner of Manchester announce the engagement of their daughter Barbara Jean to Gary Alan Haas, son of Mr. and Mrs. Earl Haas of Mayville.

Miss Kemner, a graduate of Michigan State University, is employed by Kraft Foods in Chicago. Her fiance, also a graduate of Michigan State University, is employed by the Mayville State Bank.

A September 15 wedding is planned.

Mr. and Mrs. Simon Gurbach of 8750 Pleasant Lake Road, Ann Arbor are announcing the engagement of their daughter, Gail R. to Harvey Stoll, son of Mrs. Mildred Stoll of Manchester and the late Paul Stoll.

Gail is a 1968 graduate of Saline High School, attended Craig's State College of Beauty and is a 1973 candidate for graduation from James Madison College, Michigan State University. Her fiance is a 1966 graduate of Manchester High School, served in the United States Air Force and is presently employed by the Chrysler Corporation.

An April 13, 1973 wedding is planned.

BOARD OF EDUCATION MEETING POSTPONED
